Dear Mr. Bujar,

The Alcohol License Review Committee has requested separation of your liquor license renewal. This is a formal notice for you or your authorized representative to attend a special session of the Alcohol License Review Committee. The details are as follows:

Alcohol License Review Committee Special Session

Monday, June 1, 2015, 4:30pm
City-County Building, Room 201
210 Martin Luther King, Jr. Blvd.
Madison, WI 53703

The reason for the separated license renewal meeting is the conflict between the description of your licensed premises on your license vs. the description on your renewal paperwork.

If you require a translator, one will be provided to you at no charge upon your request. If you have any other questions or concerns, please do not hesitate to reach out.

Sincerely,

Eric Christianson

Subject: Liquor License Renewal Audit - Copper Top
Attachments: 2014ChangeofPremise.pdf

Hi Bujar,

I am currently auditing liquor license renewal paperwork and I came across an inconsistency with your application for Copper Top Family Restaurant. For Question #11, you indicated alcohol is being sold both in the dining room and patio. Your current license premise does not allow patrons to consume alcohol anywhere outside your establishment, including any type of patio. Your licensed premise can be found on your License and begins with "Premise". I have attached a Change of Premise application for you to fill out if you would like to include the patio in your licensed premise. In order for this to be taken up at the next ALRC meeting, you would need to return this by May 6 at noon. Until a Change of Premise is approved, you may not serve or have patrons consume alcohol on a patio.

Let me know if you have any questions.

Best,

Nikki Schmidt
