Importance: High

Hello,

Your request to expand the King St. side sidewalk café for Ancora (107 King St.) has been approved on **6/15/20** by the Street Vending Office and preliminary approval for your Street Occupancy Permit. You are able to begin setting up your café within the approved expansion area, including parking stalls 1215 and 1216, and begin serving food.

Before you can serve alcohol in the expanded area, you will need to submit a [Temporary Premises Extension Permit application](#) to the [Clerk's Office](#). This email will serve as notification that your expansion is approved.

Once this application is submitted and approved by the Clerk's Office, you will be able to begin service into the expanded patio area on a provisional approval and forward to the Alcohol License Review Committee for final approval recommendation. See Temporary Premises Extension permit for insurance requirements and details.

Please notify our office when you have the café set so we can come do a final review of the café.

Under no circumstances is this program meant to promote gathering or social spaces, and are only to allow food & beverage patrons to be seated in accordance with physical distancing requirements to increase capacity. This program and approvals can be changed or additional requirements can be placed at any time.

Public Health Madison-Dane County (PHMDC) Resources and Guidelines:

- COVID-19 Restaurant Toolkit: <https://publichealthmdc.com/coronavirus/forward-dane/requirements#toolkit>
- Sign-up for the Public Health Madison-Dane County newsletter. This is the best way to keep up to date on Public Health information you need to know to operate a safe and healthy restaurant: <https://bit.ly/2XWJJ2N>

We will be flexible as we work with you and your staff but we ask that you:

- Follow all [Public Health orders](#)
- Maintain a clear 6' pedestrian path at all times
- Keep chairs, tables and umbrellas within the enclosures at all times
- Place tables and chairs according to the current Public Health orders (6' distance from back of chair to back of chair and no more than 6 people from the same household seated together at a table).
- Be mindful of your neighbor café and that the same distancing applies between seating at adjacent cafes.
- Ensure customers are not moving tables together
- Clean café furniture and enclosures frequently and according to Public Health guidance
- Customers are to be seated when consuming food and/or drinks
- A covered garbage can is available at all times
- You may keep equipment secured in the parking stalls but it must be removed nightly from the sidewalks so cleaning can take place.
- If you are in the Mall/Concourse and you set up your café before 9:30a, you must clean the area before you place your café out.

Please contact our office if you have any additional questions or need assistance. The Streatery Restaurant Recovery Program ends on October 25, 2020, or when restaurants are able to operate at full indoor capacity. Whichever comes first. Feedback on this program is welcome. Best of luck as you reopen.
