

# DRAFT

DRAFT ORDINANCE For March, 2011 VOC meeting:

DRAFT ORDINANCE AMENDING 9.13(7)(b)2. TO CHANGE PERIMETER OF THE CAMP RANDALL HIGH DENSITY VENDING AREA.

Sponsors:

Referrals:

Proposed Analysis:

This ordinance amendment would change the boundary of the Camp Randall High Density Vending Area to remove part of the 1500 block of Jefferson Street from the HDV area, so that regular (basic) street vending can take place in the north half of the 1500 block of Jefferson Street (close to Regent Street.) The other half of the 1500 block of Jefferson (south to Oakland Ave.) would remain in the Camp Randall High Density Vending Area

Question:

-Will this part of Jefferson St. be included in the Regent St. Football Day Vending Area?

2. “Camp Randall High Density Vending Area” includes the following: The 10-200 blocks of North Spooner Street and Lathrop Street (between University Avenue and Regent Street); the 10 block of South Breese Terrace and the 10-200 blocks of North Breese Terrace (between University Avenue and Monroe Street); the 100-200 blocks of North Randall Avenue (between Campus Drive and Monroe Street); the 1400-1700 blocks of Regent Street (between Spooner Street and Randall Avenue); the 1400-1600 blocks of Monroe Street (between Garfield Street and North Randall Avenue); the 1600 and 1700 blocks of Chadbourne Avenue, Hoyt Street and Summit Avenue (between North Spooner Street and North Breese Terrace); the 1500 blocks of Madison Street (between Regent Street and Oakland Avenue); the southern half of the 1500 block of Jefferson Street (from 1403 Jefferson Street south to Oakland Avenue) and Madison streets (between Regent Street and Oakland Avenue); the 800 block of Oakland Avenue (between Regent Street and Madison Street); Crazylegs Lane from Regent Street to Monroe Street; and Little Street from Breese Terrace to Monroe Street.
