Subject: UDC tonight- UW Student Athlete Performance Center

Dear Al,

I am unable to attend the UDC meeting tonight and thus I would appreciate it if you could share with committee members my full support for final approval for the UW Student Athlete Performance Center. This project has been thoroughly reviewed and discussed in District 5 and a number of changes have been made along the way in response to my and my constituents' feedback. I am comfortable with the project as it currently stands.

Thanks,

Shiva Bidar-Sielaff
Alder, District 5
