Re: Proposed Sidewalk Installation & Public Hearing

The City of Madison is proposing to install sidewalk in front of 905 Mayfair Avenue in 2018 to connect existing sidewalk with Lexington Avenue. Enclosed is a notification for the Public Hearing before the Board of Public Works. The date, time, and location of the public hearing can be found on the notification.

Also enclosed is a Schedule of Assessments, which shows the estimated costs for your property. After the work is complete, a final assessment will be calculated based on bid prices and work actually performed. The final assessment, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with 3% interest charged on the unpaid balance.

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact the Project Engineer. This includes requests relating to the Public Hearing and also requests relating to the actual operations of construction. If you would like to meet privately before the public hearing or have any questions, please contact the Project Engineer Chris Dawson at (608) 261-5537 or cdawson@cityofmadison.com.

Sincerely,

Robert F. Phillips, P.E.
