We are not going to be closing the sidewalk, but will be restricting part of the sidewalk to pedestrians which will go about 5-10 feet into public sidewalk. The below picture is at 25 South Pinckney Street between the Tenney Building and the U.S. Bank Building. We have contacted Brian Walker and Mike from Engineering and they requested us to seek out a Street Use Permit. Urban Land Interests is the owner of the building and we'll be rappelling participants off the top of the Tenney Building.
