**Subject:** District 13 alder appointment

To Lisa Veldran,

I would like to express my recommendation to the CCOC to NOT appoint Tom Farley to fill the District 13 vacancy! I have read through all the applicants' resumes and would feel comfortable with any of them besides Tom Farley. There are some outstanding female candidates applying! In Ken Golden's favor is that he does not plan to seek election to the seat in a year.

Thank you for your consideration!
