Re: Notification of Upstream Changes to Blazin' Wings, Inc., aka Buffalo Wild Wings

Dear Ms. Harris:

This firm represents Blazin' Wings, Inc. dba Buffalo Wild Wings ("BWW") as it relates to the liquor licenses it holds for its locations at 240 East Towne Mall and 789 University Avenue, Madison, Wisconsin. The purpose of this letter is to provide the City with notice concerning a few upstream corporate changes that have recently occurred. Given the remote and nominal nature of the upstream changes, we anticipate that this letter will satisfy any notice requirements related to those upstream corporate changes.

Significantly, all of the changes that have occurred are at least 3 tiers or levels upstream from the entities that currently hold retail BWW alcohol licenses. A background of this matter and the new transactions in more detail, are as follows:

1. As a reminder relative to our letter sent back in December 2019, Inspire Brands, Inc., an upper-level parent entity above the licensed entities changed its name to Mavericks, Inc. The ownership chain for Mavericks, Inc f/k/a/ Inspire Brands, Inc. was unchanged at the 4th tier level and for all levels downstream from Mavericks Inc. In sum, during that time five new entities were created and inserted in the corporate structure upstream from Mavericks, Inc., which were upstream in tiers 6, 7, and 8 from the licensed entities.
2. This notice letter is being sent relative to an upstream ownership restructure and new entities that have been inserted upstream. The transaction has resulted in a new direct owner for Maverick's, Inc. f/k/a Inspire Brands, Inc. This new direct owner, RC IB Holding, LLC, is actually an existing entity within the ownership

structure, which also wholly owns the five entities created during the last transaction.

3. In addition, new entities were formed at tiers 6 and 7.

These remote upstream changes will not impact the licensee's branding or day to day operations. There are no changes in the officers/directors/managers of the licensed entities.

Because these changes are occurring multiple levels upstream from the licensed entity BWW, without the addition of any new officers, we assume that this letter will satisfy the City's notice requirements. If this assumption is in any way inaccurate, please advise so that we can take any additional steps which you may require so that our client is in full and complete compliance with your licensing requirements. If we do not hear from you, we will assume this notice letter is sufficient to properly comply with any notice requirements you may have.

Very truly yours,

MADIGAN, DAHL & HARLAN, P.A.
