Subject: 739 Williamson Street - Rezoning from TR-V1 to PD for Construction of a New 12-Unit Apartment Building. 6th Ald. Dist

Dear Urban Design & Plan Commission Members,

Regarding the above proposal, it is a great example of small scale urban infill.

I know it has already garnered support, as it works with unique parcels to create a development with many merits.

I hope you will support it and vote to approve it.

Regards,

Steve Silverberg
