PREFACE

This Code constitutes a republication of the general and permanent ordinances of the City of Madison, Wisconsin.

The source of each section is included in the history note appearing in parentheses at the end thereof. The absence of such a note indicates that the section is new and was adopted for the first time with the adoption of the Code. By use of the comparative tables appearing in the back of this Code, the reader can locate any section of the Code, as supplemented, and any subsequent ordinance included herein.

Chapter and Section Numbering System

Each section number consists of two parts separated by a period. The figure before the period refers to the chapter number, and the figure after the period refers to the position of the section within the chapter. Thus, the second section of chapter 1 is numbered 1.02, and the first section of chapter 6 is 6.01. Under this system, each section is identified with its chapter, and at the same time new sections can be inserted in their proper place by using the decimal system for amendments. For example, if new material consisting of one section that would logically come between sections 3.05 and 3.06 is desired to be added, such new section would be numbered 3.055.

Page Numbering System

The page numbering system used in this Code is a prefix system. The numbers to the left of the hyphen are an abbreviation which represents a certain portion of the volume. The number to the right of the hyphen represents the number of the page in that portion. In the case of a chapter of the Code, the number to the left of the hyphen indicates the number of the chapter. In the case of an appendix to the Code, the letter immediately to the left of the hyphen indicates the letter of the appendix. The following are typical parts of codes of ordinances, which may or may not appear in this Code at this time, and their corresponding prefixes:

CODE	1 - 1
CODE APPENDIX	A - 1
CODE COMPARATIVE TABLES	CCT - 1
CODE INDEX	I - 1

Indexes

The indexes have been prepared with the greatest of care. Each particular item has been placed under several headings, some of which are couched in lay phraseology, others in legal terminology, and still others in language generally used by local government officials and employees. There are numerous cross references within the indexes themselves which stand as guideposts to direct the user to the particular item in which the user is interested.

Looseleaf Supplements

A special feature of this publication is the looseleaf system of binding and supplemental servicing of the publication. With this system, the publication will be kept up to date. Subsequent amendatory legislation will be properly edited, and the affected page or pages will be reprinted. These new pages will be distributed to holders of copies of the publication, with instructions for the manner of inserting the new pages and deleting the obsolete pages.

Keeping this publication up to date at all times will depend largely upon the holder of the publication. As revised pages are received, it will then become the responsibility of the holder to have the amendments inserted according to the attached instructions. It is strongly recommended by the publisher that all such amendments be inserted immediately upon receipt to avoid misplacing them and, in addition, that all deleted pages be saved and filed for historical reference purposes.

Acknowledgments

This publication was under the direct supervision of Peggy Lamar, Editor, of the Municipal Code Corporation, Tallahassee, Florida. Credit is gratefully given to the other members of the publisher's staff for their sincere interest and able assistance throughout the project.

The publisher is most grateful to Diane Althaus, Ordinance Revision Specialist, for her cooperation and assistance during the progress of the work on this publication. It is hoped that their efforts and those of the publisher have resulted in a Code of Ordinances which will make the active law of the City readily accessible to all citizens and which will be a valuable tool in the day-to-day administration of the City's affairs.

THE OFFICIAL CITY FLAG

The flag was officially adopted by the City as its colors on April 12, 1962. Resolution No. 4408 reads as follows:

PREAMBLE

By the use of their artistic endeavors and ingenuity and with the aid of John Price, their color guard instructor, Rich Stone and Dennis Stone, Boy Scouts and members of the Madison Drum and Bugle Corps, have designed and created a flag which the Madison Drum and Bugle Corps will use on its trips to symbolize the spirit of the City of Madison. This flag is of light blue color and is bisected diagonally by a white band running diagonally from the lower left to the upper right of the flag, when looking at it. The two light blue segments separated by the white diagonal band represent Lakes Mendota and Monona. The white band symbolizes the isthmus between the two lakes. Superimposed on this background is a Black Cross, typifying the State Capitol and the Four Lakes, and overlaid on this Black Cross is the Indian Sun symbol in gold.

Rich and Dennis Stone, and Mr. and Mrs. Philip Stone, their parents and natural guardians, are now dedicating this flag to the people of the City of Madison for use as the official flag of the City of the Four Lakes, without any obligation of the City to any person, organization, or group.

NOW, THEREFORE, BE IT RESOLVED,

1. That the dedication of this flag by Rich Stone and Dennis Stone, and Mr. and Mrs. Philip Stone, their parents and natural guardians, for the purposes stated, without any obligation upon the part of the City to them or any other person or organization, be accepted.

2. That such flag be adopted as the official flag of the City of Madison.

1.01 CONSTRUCTION OF ORDINANCES. In the construction of the ordinances of the City of Madison the following rules shall be observed unless such construction would be inconsistent with the manifest intent of the ordinance.

(1) General Rule. All words and phrases shall be construed and understood according to the common and approved usage of the language; but technical words and phrases and such others as may have acquired a peculiar and appropriate meaning in the law shall be construed and understood according to such peculiar and appropriate meaning.

(2) Gender - Singular and Plural. Every word in any ordinance importing the masculine gender shall extend to and be applied to females as well as males; and every word importing the singular number only shall extend and be applied to several persons or things as well as to one person or thing; and every word importing the plural number only shall extend and be applied to one person or thing as well as to several persons or things.

(3) Person. The word "person" shall extend and be applied to firms, corporations, or voluntary associations, as well as to individuals, unless plainly inapplicable.

(4) Tenses. The use of any verb in the present tense shall include the future when applicable.

(5) Shall Have Been. The words "shall have been" include past and future cases.

(6) Heretofore and Hereafter. Whenever the word "heretofore" occurs in any ordinance it shall be construed to mean any time previous to the day when such ordinance shall take effect; and whenever the word "hereafter" occurs it shall be construed to mean the time after the ordinance containing such word shall take effect.

(7) Joint Authority. All words purporting to give a joint authority to three or more City officers or other persons shall be construed as giving such authority to a majority of such officers or other persons unless it shall be otherwise expressly declared in the law giving the authority.

(8) Acts By Agents. When an ordinance requires an act to be done which may by law as well be done by an agent as by the principal such requisition shall be construed to include all such acts when done by an authorized agent. Wherever these ordinances direct or allow a public official to take action, that action may be taken by the official's designee. (Am. by ORD-09-00004, 1-24-09)

(9) Reasonable Time. In all cases where any ordinance shall require any act to be done in a reasonable time or reasonable notice to be given, such reasonable time or notice shall be deemed to mean such time only as may be necessary for the prompt performance of such duty, or compliance with such notice.

(10) Time - How Computed. The time within which an act is to be done as provided in any ordinance or in any order issued pursuant to any ordinance, when expressed in days, shall be computed by excluding the first day and including the last, except that if the last day be Sunday or a holiday it shall be excluded; and when any such time is expressed in hours the whole of the Sunday or the holiday, from midnight to midnight, shall be excluded. Except as otherwise specified in these ordinances, "holiday" means a statewide legal holiday as provided in Sec. 895.20, Wis. Stats., provided, however, that when an act is permitted to be done by the use of the postal service, and the last day within the time prescribed by law for performing such act falls on a legal public holiday under federal law, or other holiday designated by the president such that the postal service does not receive registered mail or make regular deliveries on that day, the day shall be considered a legal holiday for purposes of this section. (Am. by Ord. 11,278, 6-19-95)

(11) Week. The word "week" shall be construed to mean seven days; but publication in a newspaper of any notice or other matter indicated to be for a stated number of weeks shall be construed to mean one insertion in each week, unless specifically stated to be for each day of the week or for more than one day in each week; and all publications heretofore made in accordance with the terms of this subsection are hereby validated.

(12) Fine. The term "fine" shall be the equivalent of the word "forfeiture."

(13) References to Wisconsin Statutes. A reference to the Wisconsin State Statutes shall be construed to mean the most recent version of cited statute. (Cr. by ORD-14-00165, 10/29/14)

1.02 WHEN THESE RULES OF CONSTRUCTION SHALL NOT APPLY. The rules of construction set forth in this chapter shall not be applied to any ordinance which shall contain any express provision excluding such construction, or when the subject matter or context of such ordinance may be repugnant thereto.

1.03 REFERENCES TO TITLES, CHAPTERS, OR SECTIONS - CONFLICTING ORDINANCES. In addition to the rules of construction specified in Section 1.01, the following rules shall be observed in the construction of these ordinances:

(1) All references to titles, chapters, or sections are to the titles, chapters and sections of these ordinances unless otherwise specified.

(2) If the provisions of different chapters of these ordinances conflict with or contravene each other, the provisions of each chapter shall prevail as to all matters and questions growing out of the subject matter of such chapter.

(3) If conflicting provisions be found in different sections of the same chapter the provisions of the section which is last in numerical order shall prevail unless such construction be inconsistent with the meaning of such chapter.

1.04 ORDINANCES - WHEN TO TAKE EFFECT. All ordinances passed by the Common Council, except when otherwise specifically provided, shall take effect and be in force from and after their publication.

1.05 EFFECT OF REPEAL. When any ordinance repealing a former ordinance, clause or provision, shall be itself repealed, such repeal shall not be construed to revive such former ordinance, clause or provision, unless it shall be expressly so provided.

1.06 PENALTY WHERE NO PENALTY PROVIDED.

(1) In any case where there shall be a violation of any City ordinance for which no penalty is provided, the person violating the same shall be subject to a forfeiture of not less than one dollar ($1.00) nor more than one hundred dollars ($100.00) for each offense, except as provided in the following subsection.

(2) In any case where any ordinance or section of an ordinance of the City of Madison shall not provide the greater penalty for a second or subsequent conviction for a violation thereof any person violating the same who shall previously have been convicted of a violation thereof shall be subject to a forfeiture of not less than ten dollars ($10) nor more than two hundred dollars ($200) for each offense, except that where the penalty provided by any such ordinance or section for a first violation thereof shall be larger than the penalty herein provided such larger penalty shall be applicable.

(3) No violation of any ordinance of the City of Madison shall be or be construed to be a misdemeanor nor shall imprisonment be imposed as a punishment for violation of any ordinance of the City of Madison except in the event of a failure of the defendant to pay the forfeiture imposed by the court, any other provision of the General Ordinances of the City of Madison to the contrary notwithstanding.

1.07 IMPRISONMENT UPON FAILURE TO PAY PENALTY IMPOSED FOR VIOLATION OF ORDINANCE. When a forfeiture shall be imposed for the violation of any ordinance of the City of Madison or any section thereof the court may also sentence the defendant to pay the cost of the action and to be imprisoned until such forfeiture and costs are paid, in no case, however, to exceed six (6) months, and the court may also issue an execution against the property of the defendant for said forfeiture and costs.

1.08 ISSUANCE OF CITATIONS FOR VIOLATIONS OF CERTAIN ORDINANCES AND PROVIDING A SCHEDULE OF CASH DEPOSITS.

(1) Pursuant to the authority of Sec. 66.0113 of the Wisconsin Statutes, the City of Madison hereby elects to use the citation method of enforcement of ordinances including those for which a statutory counterpart exists. (Am. by Ord. 9623, 11-11-88)

(2) The Citation.

The citation shall be in compliance with Wis. Stat. § 800.02.

(Sec. 1.08(2) Am. by Ord. 10,496, 8-28-92; ORD-13-00186, 11-25-13)

(3) Schedule of Deposits.

(a) The schedule of cash deposits that follows this subsection is established for use with citations issued under this ordinance to persons seventeen (17) years of age and older.

1. The maximum cash deposit for persons twelve (12) to sixteen (16) years of age alleged to have committed a civil law or ordinance violation shall be fifty dollars ($50) plus the fees specified in Sec. 1.08(3)(c), except for a violation of Sec. 23.06, "Damage to Property," Chapter 38 alcohol beverage violations, and traffic violations. (Am. by Ord. 13,760, Adopted 12-14-04)

2. Pursuant to Sec. 938.343, Wis. Stats., the cash deposit for a citation issued to a person twelve (12) years of age and older alleged to have violated Sec. 23.06, "Damage to Property," is the same as listed in the schedule that follows this subsection. (Am. by Ord. 13,760, Adopted 12-14-04)

3. The maximum cash deposit for persons seventeen (17) years of age alleged to have violated Sec. 23.38, "Purchase or Possession of Tobacco Products by Children Prohibited," Sec. 25.01(4)(5), "Sale of Firearms," and Sec. 23.13, "Automobiles Not to Be Rented to Children" shall be fifty dollars ($50) plus the fees specified in Sec. 1.08(3)(c). (Am. by Ord. 13,760, Adopted 12-14-04)

4. In any case where there shall be a violation of any city ordinance by a person under the age of eighteen (18) years of age for which age is an element of the offense and for which no cash deposit is provided, the maximum cash deposit shall be fifty dollars ($50) plus the fees specified in Sec. 1.08(3)(c). (Am. by Ord. 13,760, Adopted 12-14-04)

(5) Procedure. The provisions of Wis. Stat. § 66.0113(3) relating to violator's options and procedure on default are hereby adopted and incorporated herein by reference.

(6) Nonexclusivity. Adoption of this ordinance in no way precludes the adoption of any other ordinance or providing for the enforcement of any other law or ordinance relating to the same or any other matter. The issuance of a citation under this ordinance in no way precludes the proceeding under any other law or ordinance relating to the same or any other matter.

(7) Severability. If any provision of this ordinance is invalid or unconstitutional, or if the application of this ordinance to any person or circumstances is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the provisions or applications of this ordinance which can be given effect without the invalid or unconstitutional provision or application.

(8) Effective Date. This ordinance shall take effect and be in force upon its passage and publication as provided by law.

(Sec. 1.08 Cr. by Ord. 5724, 1-25-77)

1.09 DUPLICATE LICENSE FEE.

The fee for any duplicate of any license required by these ordinances shall be five dollars ($5.00). (Am. by Ord. 8193, 12-28-83)

1.10 DISPOSITION OF AND JURISDICTION OVER JUVENILES ADJUDGED TO HAVE VIOLATED A CIVIL LAW OR ORDINANCE.

(1) Pursuant to Wis. Stat. § 938.17(2)(cm), the Municipal Court of the City of Madison is authorized to impose any of the dispositions under Wis. Stat. §§ 938.343 and 938.344, and any of the sanctions under Wis. Stat. § 938.355(6)(d), for a violation of a city ordinance by a juvenile. Further the Municipal Court is authorized to petition the court assigned to exercise jurisdiction under Chapters 48 and 938, Wis. Stats., to impose any and all dispositions under Wis. Stat. §§ 938.343 and 938.344, and any and all sanctions under Wis. Stat. § 938.355(6)(d), for a violation of a city ordinance by a juvenile.

(2) In this section:

"Juvenile" means a person who has attained the age of twelve (12) years of age but who is less than eighteen (18) years of age. Except that, for purposes of investigating or prosecuting a person who is alleged to have violated a state or federal criminal law or any civil law or municipal ordinance, "juvenile" does not include a person who has attained 17 years of age. (Am. by Ord. 12,528, 2-10-00; ORD-06-00080, 6-30-06)

(3) Exceptions:

(a) The disposition including but not limited to forfeiture for violation by a person under the age of 18 of intoxicating liquor, beer, and drug ordinances that have been established in strict conformity to state statutes is as provided in Wis. Stat. § 938.344.

(b) The disposition including but not limited to forfeiture for violation by a person under the age of 18 of intoxicating liquor, beer, and drug local ordinances is as provided in Wis. Stat. § 938.344.

(c) The disposition including forfeiture for violation by a person under the age of 18 of Sec. 23.38, MGO, "Purchase or Possession of Tobacco Products by Children Prohibited," is as provided in Wis. Stat. § 938.343.

(d) The disposition for violation by a person under the age of 18 of Sec. 23.45, MGO, "Truancy and Habitual Truancy," is as provided in Wis. Stat. § 938.342. (Am. by Ord. 12,528, 2-10-00)

(Sec. 1.10 R/ReCr. by Ord. 11,624, 6-28-96)

1.11 ADOPTION OF JUVENILE JUSTICE CODE.

(1) Adoption by Reference. Wis. Stat. ch. 938, (the Juvenile Justice Code) and subsequent amendments, additions and recodifications thereto, are hereby adopted by reference except for those provisions in conflict with Chapter 1 of the Madison General Ordinances. In case of such conflict, the provisions of this chapter shall apply, unless conflicting provisions of the state statutes adopted by reference are mandatory.

(2) Repeal of Conflicting Ordinances. All former ordinances or parts thereof conflicting or inconsistent with the provisions of this ordinance, the current amendments of Chapter 1 of the Madison General Ordinances, or of the state statutes hereby adopted are hereby repealed.

(Sec. 1.11 R/ReCr. by Ord. 11,624, 6-28-96)

1.12 SEVERABILITY.

(1) This section applies to and is considered part of every ordinance and resolution adopted by the Common Council.

(2) The provisions of any part of this ordinance or resolution are severable. If any provision or subsection or the application thereof to any person or circumstances is held invalid, the other provisions, subsections and applications of such ordinance or resolution to other persons or circumstances shall not be affected thereby. It is declared to be the intent of this section that the same would have been adopted had such invalid provisions, if any, not been included. (Cr. by ORD-05-00167, 11-8-05)

2.01 MEETINGS.

(1) The stated meeting of the Common Council shall be held in the Council Chambers on the first and third Tuesdays of every month at 6:30 p.m., except in August and December the Common Council will meet only on the first Tuesday. A special November meeting or meetings will be held for the Capital and Operating Budgets. Following a regular City of Madison election, the newly elected Common Council also shall hold an organizational meeting on the third Tuesday of April. The Council will establish the meeting dates for all meetings by resolution and post the schedule at least annually, and may modify meeting dates for holidays and elections. (Am. by Ord. 12,334, 2-26-99; Ords. 12,502 & 12,503, 11-19-99; Ord. 12,572, 5-3-00; Ord. 12,985, 12-24-01; Ord. 13,172, 11-5-02; Ord. 13,440, 11-7-03; Ord. 13,701, 9-29-04; Ord. 13,721, 11-9-04; ORD-05-00114, 6-7-05; ORD-05-00145, 9-23-05; ORD-05-00170, 11-8-05; ORD-06-0003, 1-19-06; ORD-06-00105, 8-22-06; ORD-07-00124, 10-5-07; ORD-07-00194, 12-20-07)

(2) Quorum. A quorum of the Council shall be two-thirds (⅔) of the members, excluding the Mayor, pursuant to Wis. Stat. § 62.11(3). As currently constituted, quorum is fourteen (14) alderpersons. (Cr. by ORD-15-00021, 3-4-15)

(3) The Common Council of the City of Madison shall meet no later than the first Council meeting in December to act upon the adoption of the City Budget. (Am. by Ord. 8156, 11-14-83)

(4) The Common Council shall not meet on the following holidays: New Year's Eve, New Year's Day, Memorial Day, Independence Day, Labor Day, Martin Luther King, Jr. Day, Thanksgiving Day, the Friday after Thanksgiving Day, Christmas Eve, Christmas Day, Rosh Hashanah, Yom Kippur, the first two nights of Passover, and any general or primary election day for local, state or national offices, or referenda. (Am. by Ord. 13,308, 4-30-03; ORD-07-00194, 12-20-07; ORD-09-00162, 12-5-09)

(5) Special meetings shall be called by the Mayor by written notice to each member, delivered to the member personally or left at their usual abode, at least six (6) hours before the meeting. (Editor's Note: Only lawful method, See Wis. Stat. § 62.11(2).)

(6) Adjournment. The motion to adjourn shall be made by any member. All agenda items not dealt with before approval of the motion to adjourn regular meetings shall be automatically referred to the next regular meeting of the Common Council. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

(7) Informal Meetings. The Council may hold meetings other than those established under Section 2.01(1) or (5). At such informal meetings no legislative business may be transacted. At meetings other than those established under Section 2.01(1) or (5), the Council may receive informational briefings from staff, make site visits, receive public comments, or conduct informal discussion, without the presence of a quorum, as long as it complies at all times with the open meeting ordinance and statutes. (Cr. by ORD-07-00194, 12-20-07)

(8) Cancellation of Council Meeting. Only the Council President, or in the President's absence, the Vice President, may cancel a scheduled meeting of the Common Council. Meetings may be cancelled only in the event of a lack of quorum, an emergency, or inclement weather such that it would be unsafe for members of the Council and the public to attend the meeting. Prior to cancelling a meeting, the President shall consult with the Mayor and City Clerk. The public and the news media shall be promptly informed of any meeting cancellation. (Cr. by ORD-15-00021, 3-4-15; ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(9) Reserved For Future Use. (Cr. by Ord. 12,581, 5-17-00; R. by Ord. 13,747, 12-15-04)

2.015 RESERVED FOR FUTURE USE. (R. by ORD-07-00194, 12-20-07)

2.02 CALL TO ORDER. The presiding officer shall at the hour appointed call the members to order. In the absence of the presiding officer, any member may call the Council to order, and thereupon

the Council shall appoint one of its members to preside at such meeting. (Am. by Ord. 8156, 11-14-83)

2.025 NOTIFICATION OF ABSENCE OF MEMBERS. Every alderperson who for whatever reason cannot attend a regularly scheduled meeting of the Common Council shall notify Common Council Office staff of such absence by 9:00 a.m. the Thursday prior to the meeting in question; Common Council Office staff shall then notify the City Clerk of the absence. All such excused absences shall be entered in the record of the Common Council. In cases where unavoidable circumstances make such advance notice of absence impossible, the notification of excused absence shall be filed with the City Clerk within one week of the absence and entered in the record of the Common Council. Any alderperson who because of an emergency cannot file prior notification of absence may be excused by orally notifying, at any time prior to or during the meeting, an alderperson or the City Clerk who shall so advise the Common Council. Any alderperson who will be absent from the City for five (5) or more consecutive days shall notify the Common Council Office staff of the length of their absence. (Cr. by Ord. 8157, 11-14-83; Am. by Ord. 13,129, 8-28-02; ORD-06-00145, 11-02-06; ORD-07-00194, 12-20-07)

2.03 PROCEDURE TO FILL VACANCIES ON THE COMMON COUNCIL.

(1) The Common Council President shall oversee the application process to fill aldermanic vacancies.

(2) Applications to fill any aldermanic vacancy shall include information on:
- (a) Name,
- (b) Address,
- (c) Home telephone number,
- (d) Work telephone number,
- (e) E-mail address,
- (f) Biographical resume including education, work, neighborhood, and civic experience,
- (g) A statement on why the applicant wishes to serve.
- (h) A statement of what the applicant wants to accomplish,
- (i) If the applicant plans to run for office during the next special or regular election, and,
- (j) Such other information as the Common Council President in consultation with the Common Council Executive Committee may request. (Am. by ORD-16-00079, Pub. 9-15-16, Eff. 4-18-17)

(3) The Common Council Executive Committee shall review the applications and, following opportunities for personal candidate interviews, shall recommend to the Common Council a candidate selected for confirmation to fill the vacancy. If the Common Council Executive Committee is unable to agree on a candidate to recommend, it may recommend more than one candidate, or it may reopen the application process to seek additional applicants. (Am. by ORD-16-00079, Pub. 9-15-16, Eff. 4-18-17)

(4) The Common Council shall appoint and confirm the recommended candidate, or appoint and confirm another candidate from among the applicants.

(5) The appointed and confirmed candidate shall serve until an alderperson is elected pursuant to sec. 17.23(1), Wis. Stats. and is qualified.

(Rep. & Recr. by Ord. 13,726, 11-9-04)

2.04 ORDER OF BUSINESS.

(1) At all stated meetings, the following order shall be observed in disposing of business before the Council:
- (a) Opening remarks.
- (b) Suspension of rules. (Cr. by ORD-05-00015, 2-15-05)
- (c) Honoring resolutions.

(d) Early Public Comment. (Cr. by ORD-07-00128, 10-5-07; Am. by ORD-08-00115, 10-7-08)

(e) Petitions and communications.

(f) Modification of prior Common Council proceedings (upon request of a Common Council member).

(g) Presentation of consent agenda as special order at 6:45 p.m.

(h) Public hearings as special order at 6:45 p.m.

(i) Informational hearings as special order immediately following public hearings.

(j) Business presented by the Mayor, including appointments and confirmations.

(k) Business presented by the President of the Common Council.

(l) Reports of officers, departments and divisions, committees, boards and commissions presented in continuous rotation, alphabetically, including re-referrals according to the provisions of Sec. 2.05(1).

(m) Ordinances and resolutions referred to this meeting and not included in sub. (1)(l).

(n) Introduction of new ordinances and resolutions for referral without debate.

(o) Presentation of accounts and other claims against the City of Madison.

(p) Late items and addenda.

(q) Announcements and introduction of items from the floor.

(r) Any items for closed session.

(s) Adjournment.

(2) No business shall be taken up out of said order, except by either unanimous consent and without debate or by a two-thirds (⅔) vote.

(3) The President of the Council with the consent of the Vice President may defer consideration of any item on the agenda, provided that: (Am. by ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(a) the deferral is for one meeting only other than by consent of all sponsors,

(b) the item is not under Business Presented by the Mayor, and

(c) the President notifies the item's sponsors in writing of his/her intention to defer the item.

(4) Before each regularly scheduled meeting of the Common Council, the City Clerk shall, by 2:00 p.m. on the third business day before the meeting, prepare a draft meeting agenda for review by the Common Council President. The Council President shall approve the agenda by the close of business that same day. In the absence or unavailability of the Council President, the order of approval shall be the Council Vice President, the council administrative assistant, and the City Clerk. (Am. by ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(Sec. 2.04 Am. by Ord. 10,558, 12-30-92; Ord. 12,503, 11-19-99; Ord. 12,985, 12-24-01; Ord. 13,129, 8-28-02; ORD-05-00015, 2-15-05; Sec. 2.04(5)-(16) Renumbered by ORD-07-00128, 10-5-07; Am. by ORD-07-00194, 12-20-07; ORD-10-00085, 9-15-10)

2.05 INTRODUCTION OF BUSINESS.

(1) (a) All ordinances, resolutions or communications shall be in writing with a brief statement of their contents endorsed thereon, together with the name of the member presenting the same, and shall be delivered to the Clerk. The committee to which any matter is referred shall report thereon in writing within a period of forty-five (45) days unless by favorable motion a different time is set by the body.

(b) Any business to be referred may be introduced from the floor, and if no fiscal note is prepared, will be referred to the Finance Director for a fiscal note. Introduction of any matters by title only or without a fiscal note shall require a two-thirds (⅔) majority vote. Any matter introduced from the floor shall be either (i) referred to

the next Common Council meeting for action or (ii) automatically referred to the next Common Council and be placed on the agenda as if for introduction, solely for the purpose of additional referrals. (Am. by ORD-11-00037, 3-8-11)

(Am. by Ord. 10,683, 6-25-93; Ord.13,129, 8-28-02; ORD-05-00046, 3-16-05; ORD-07-00194, 12-20-07)

(2) The requirements of Subsection (1) above do not apply to resolutions recommended by the Board of Public Works which

(a) award public works contracts,
(b) accept identified public works improvements,
(c) approve plans and specifications and authorize the Board of Public Works to advertise and receive bids for identified public works contracts,
(d) accept identified improvements by private contracts,
(e) accept identified street improvements by private contracts,
(f) approve plans and specifications for public improvements for identified subdivisions,
(g) authorize construction to be undertaken, and
(h) authorize amendments to previously executed contracts.

(Cr. by Ord. 13,129, 8-28-02)

(3) Except when introduced from the floor, before an ordinance or resolution is introduced, or a report of an officer or committee is considered, a copy of the ordinance, resolution, or report, or title of same shall be filed in the office of the City Clerk by 12 noon on the Wednesday preceding the meeting at which it is to be introduced. Upon request, the City Clerk shall prepare copies of the ordinance or resolution and furnish such copies to each alderperson. (Am. by Ord. 8671, 9-6-85; Am. and Renumbered by Ord. 13,129, 8-28-02; ORD-07-00194, 12-20-07)

(4) Appointments of residents, other than Common Council members, to boards, committees, or commissions by the Mayor, shall be submitted to the Common Council and referred to the next regular Council meeting for action. Appointments of Common Council members shall be acted upon at the meeting the appointments are introduced.

When appointing a resident, the following shall be noted:

(a) Any persons who are not City of Madison residents and the reasons for such appointment, pursuant to Sec. 3.30(2), Madison General Ordinances (MGO).
(b) Other committees the individual serves on.
(c) Initial date of the appointment.

(Cr. by Ord. 11,768, 1-21-97; Am. by Ord. 11,791, 3-4-97; Renumbered by Ord. 13,129, 8-28-02; Am. by ORD-07-00194, 12-20-07; ORD-09-00004, 1-24-09; ORD-17-00030, 3-8-17)

(5) Unless otherwise provided in these ordinances, no ordinance or resolution, having once been defeated, rejected or placed on file, may again be introduced in the same or in substantially similar form, until the expiration of sixty (60) days from the date when such ordinance or resolution was defeated, rejected or placed on file, except for matters placed on file without prejudice. (Am. by Ord. 12,050, 3-13-98; Renumbered by Ord. 13,129, 8-28-02; Am. by ORD-07-00194, 12-20-07)

(6) Unless otherwise provided in these ordinances, no ordinance or resolution shall be introduced unless it is sponsored by a member of the Common Council or the Mayor or both. Use of a Common Council member's name as sponsor must be with his or her knowledge and consent. This provision shall apply not only to ordinances and resolutions, but also to all substitutes and amendments. The provisions of this subsection shall not apply to the following:

(a) Recommendations of the City Attorney or Risk Manager relating to claims.
(b) Recommendations and advice of the City Attorney relating to litigation in which the City is or is going to become involved.
(c) Changes to ordinances and resolutions which may be mandated by state or federal law.

(d) Recommendations of the Personnel Board relating to the classification of positions.

(e) Changes to ordinances and resolutions which may be required by the adoption of the annual City Budget.

(f) Petitions for direct legislation pursuant to the provisions of Wis. Stat. § 9.20.

(g) Ordinances and resolutions necessary to implement Public Works projects previously approved in the annual City Budget or allowed under sub. (2) of this ordinance.

(h) Zoning map or text amendments allowed under Sec. 28.182(2), MGO, certified survey maps, or subdivision plats to be sponsored by the Plan Commission or Planning Division. (Am. by ORD-12-00134, 1-2-13; ORD-13-00056, 4-24-13)

(i) Changes to ordinances recommended by the City Attorney which are intended to correct errors, omissions or inconsistencies therein.

(Renum. by Ord. 11,768, 1-21-97; Renum. by Ord. 13,129, 8-28-02, Am. by ORD-05-00167, 11-8-05; Am. by ORD-07-00194, 12-20-07)

(7) For any matters not sponsored by a member of the Common Council, the sponsoring officer or body shall be indicated by name. (Cr. by ORD-07-00194, 12-20-07)

(8) Petitions or communications may be introduced in the same manner as ordinances or resolutions, or may be presented to the Clerk for inclusion on the agenda. (Cr. by ORD-07-00194, 12-20-07; ORD-17-00030, 3-8-17)

(9) No ordinance shall be introduced unless the same shall have been submitted to and approved as to form by the City Attorney. The City Clerk shall refuse to process any ordinance that has not been so approved. Upon complaint to the Common Council President that the City Attorney has unreasonably withheld approval of an ordinance, the ordinance may be introduced by a two-thirds (⅔) vote of the entire Common Council. (Cr. by ORD-14-00060, 3-26-14)

2.06 QUESTIONS OF ORDER. The presiding officer shall decide all questions of order, subject to an appeal to the Council. The City Attorney may advise the presiding officer or the Council on questions of order. (Am. by ORD-07-00194, 12-20-07)

2.07 PRESIDING OFFICER TO PRESERVE ORDER. It shall be the duty of the presiding officer to preserve decorum; and if any member transgress the rules of the Council, the presiding officer shall, on her or his own or at any member's request, call such offending member to order. The Council, if appealed to, shall decide the matter. The President Pro-tem or her or his designee shall serve as sergeant-at-arms and assist the presiding officer in preserving order. (Am. by Ord. 8156, 11-14-83; Ord. 13,129, 8-28-02).

2.08 MOTIONS.

(1) When a motion is made and seconded, it shall be deemed to be in possession of the Council, and shall be stated by the presiding officer, or being in writing, shall be delivered to the Clerk. (Am. by Ord. 8156, 11-14-83)

(2) After a motion is stated by the presiding officer, or read by the Clerk, it shall not be withdrawn, except by the consent of the Council.

(3) On any motion subject to debate, any alder may propose an amendment to the motion as a friendly amendment. Amendments may be considered friendly and accepted into the pending motion without objection from the Council. If not so accepted, the amendment shall proceed as an amendment subject to debate and vote. (Cr. by Ord. 13,727, 11-9-04; Am. by ORD-07-00194, 12-20-07)

2.09 WITHOUT PREJUDICE. "Without prejudice" means that no rights or privileges of the party concerned are to be considered waived or lost; action taken with no decision on the merits and no effect on one's ability to re-petition or refile. (Cr. by Ord. 12,050, 3-13-98)

2.10 MOTION TO ADJOURN ALWAYS IN ORDER. A motion to adjourn shall always be in order, unless the Council is engaged in voting, and shall be decided without debate, pursuant to Robert's Rules of Order. (Am by ORD-07-00194, 12-20-07)

2.11 PREVIOUS QUESTION. The Council by a two-thirds (⅔) vote may terminate debate on any question before the Council. Termination of debate, however, shall not preclude the right of any alder to ask for information from City staff. (Am. by Ord. 8156, 11-14-83; ORD-09-00147, 11-6-09)

2.12 DIVISION OF QUESTION.

(1) Any member may call for a division of the question (separation) when the question is one that may be divided. (Am by ORD-07-00194, 12-20-07)

(2) When a question has been divided, no member shall speak more than twice nor for more than ten (10) minutes on any motion with reference to any single item as to which separate consideration has been granted, unless the Council by a two-thirds vote of the members present shall grant an extension of said time. (Am. by Ord. 8156, 11-14-83)

2.13 DEBATE.

(1) When a member is about to speak to a question or make a motion, s/he shall address the presiding officer, and the presiding officer shall pronounce the name of the member entitled to the floor; and the member shall confine himself or herself to the question under consideration. (Am. by Ord. 8156, 11-14-83)

(2) No member shall speak more than twice on any question or motion nor more than ten (10) minutes at any one time, without leave of two-thirds (⅔) of the members present. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

2.14 FORM OF QUESTION. The call for the vote shall be stated substantially as follows:

(a) If a voice vote: "All those in favor of . . . signify by saying 'aye', those opposed, 'no'".

(b) If a roll-call vote: "All those in favor of . . . signify by saying 'aye', those opposed, 'no' and the Clerk will call the roll."

(Am. by Ord. 8156, 11-14-83)

2.15 PRESENCE REQUIRED AT MEETINGS; ELECTRONIC COMMUNICATIONS.

(1) No member shall be allowed to vote by proxy, nor shall meetings be conducted telephonically or electronically unless a special or emergency meeting is held.

(2) No member of the Council shall communicate electronically with another member of the Council during a meeting on any matter on the meeting agenda, unless the electronic communication is saved and available under the Public Records Law and unless such communication in no way violates the Open Meetings Law.

(Cr. by ORD-07-00194, 12-20-07)

2.16 ROLL CALL VOTE. (Am. by ORD-07-00194, 12-20-07)

(1) The ayes and noes shall be taken and recorded upon any question or motion before the Council, upon the call of any member. While the Clerk is calling the ayes and noes, it shall not be in order for any member to explain her or his vote. (Am. by ORD-14-00012, 1-14-14)

(2) Any member present who, when a matter is put to a roll call vote, passes, fails to vote or refuses to vote shall be recorded as voting "No" for the sole purpose of determining the Mayor's entitlement to vote. This rule shall not apply where a member abstains from voting by reason of a conflict of interest.

(3) Any unexcused absence at the time a roll call vote is taken shall be recorded as "not present".

(Am. by Ord. 8159, 11-14-83; ORD-07-00194, 12-20-07)

2.17 ROLL CALLS TO BE IN CONTINUOUS ROTATION. On roll call votes at Council meetings, the Clerk shall progress one (1) name on the Council roster beginning each meeting when beginning each roll call vote. (R. & Recr. by Ord. 4945A, 5-16-75)

2.18 MAJORITY VOTE OF ALL MEMBERS REQUIRED.

(1) All laws, ordinances, rules, resolutions and motions shall be passed by an affirmative vote of a majority of all the members of the Common Council unless an extraordinary vote is required by law. When an extraordinary vote is required, the respective extraordinary majority shall be of all the members of the Common Council. This rule is subject to the exceptions set out in Secs. 2.13(2), 2.185, 9.21(4)(g), 28.182(6)(c), MGO. (Am. by Ord. 6720, 8-23-79; Ord. 13,727, 11-9-04; ORD-07-00194, 12-20-07; ORD-12-00134, 1-2-13)

(2) Except as specifically provided in these ordinances or state law, an absence, abstention, vacancy or other failure to vote does not change the number of votes for a majority or super-majority vote.

(Am. by ORD-14-00165, 10-29-14)

2.185 CALL OF THE HOUSE.

(1) Any member may request by motion a call of the house in the presence or absence of a quorum and thereby require unexcused absent members to be sent for. Such a motion is in order at any time, except when the Council is engaged in voting. The motion shall be decided by a roll call vote and passed by an affirmative vote of a majority of all members present.

(2) While the Common Council is under call, and if a quorum is present, business may be transacted as if there were no call, except that no further action may be taken on the specific question under consideration when the call was ordered. (Am. by ORD-07-00194, 12-20-07)

(3) When the attendance of absent members is secured, each of said members shall have the opportunity to explain her or his absence; however, such explanation will not be mandatory. In addition, no fees or penalties will be assessed against any such member.

(Cr. by Ord. 8160, 11-14-83)

2.19 RESOLUTIONS OR ORDINANCES APPROPRIATING FUNDS. (Am. by Ord. 8156, 11-14-83)

No appropriation shall be made or voted from any City fund for any purpose except upon an affirmative vote of three-fourths (3/4) of all members of the Common Council provided, however, that adoption of the annual budget shall be a simple majority vote item. (Am. by ORD-05-00015, 2-25-05)

2.20 MAYOR TO BE PRESIDING OFFICER; MAYOR ADDRESSING THE COUNCIL.

(1) The Mayor shall be the presiding officer. In the absence of the Mayor, the President of the Council or the Vice President (in order) shall preside at meetings of the Council. In the absence of the Mayor, the President of the Council, and the Vice President, the Council shall designate an Alder to take the chair. An Alder acting as chair may vote on any matter before the Council. (Am. by ORD-07-00194, 12-20-07; ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(2) In instances in which the Mayor wishes to address the Common Council on a substantive matter and not merely in his or her role as Chair of the Council, the following procedures shall apply:

(a) If the Mayor wishes to address the Council briefly, for purposes of information or clarification on a matter before the Council, the Mayor may do so from the Chair, provided there is not an objection from an Alder to such address. The Mayor should preface such information or clarification by informing the Council that he

or she wishes to provide such information and proceeding, unless there is an objection to the Mayor speaking from the Chair. If there is such an objection, the Mayor shall follow the procedure set out below.

(b) In the event the Mayor wishes to address the Council in an attempt to influence the vote on a matter before it, the Mayor shall relinquish the Chair until such time as the Mayor has concluded addressing the Council. The Mayor may then return to the Chair. Having once relinquished and resumed the Chair on any matter, the Mayor may not again address the Council on that matter.

(c) When the Mayor relinquishes the Chair, the Chair shall be assumed by the President of the Council or in the absence of the President, the Vice President. In the absence of both the President and Vice President, the Mayor shall designate an Alder to take the Chair. (Am. by ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(d) If an Alder assumes the Chair, the Alder may vote on the matter before the Council. Relinquishment of the Chair by the Mayor does not change the Mayor's right to vote.

(e) The procedure set forth in this subsection applies to any Alder who is in the role of Chair of the Common Council.

(Am. by Ord. 8156, 11-14-83; ORD-06-00022, 3-24-06)

2.205 PRESIDENT AND VICE PRESIDENT.

The Common Council shall at its organizational meeting on the third Tuesday of April of each year, elect one member of the Council to act as President of the Council and another member to act as Vice President of the Common Council, pursuant to the provision of Wis. Stat. § 62.09(8)(e). The Vice President of the Common Council shall act during the absence, inability or disability of the president. Among other duties of the Council President and the Vice President, are those set forth in Secs. 2.04 (Order of Business), 3.35(10)(b) (Ethics Board), 4.02(4) (Finance Committee), and 33.13 (Common Council Executive Committee), MGO. (Am. by ORD-07-00194, 12-20-07)

The Common Council President may, with the consent of the Common Council Executive Committee, appoint ad hoc subcommittees of the Common Council, to consist of 2-3 Council members, to address issues of a temporary nature. The subcommittees shall be subject to the rules for all ad hoc bodies set out in Sec. 33.01, MGO. (Am. by ORD-09-00117, 8-11-09; ORD-16-00079, ORD-16-00080 & ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

2.21 RECONSIDERATION OF QUESTION.

(1) It shall be in order for any member who voted in the affirmative on any question which was adopted, or for any member who voted in the negative when the number of affirmative votes was insufficient for adoption to move a reconsideration of such vote, at the same or next succeeding regular meeting of the Council. It shall be in order for any member who was, due to an excused absence, not present at the time the question was considered to move reconsideration of such vote at the next succeeding regular meeting of the Council. A motion to reconsider having been lost shall not be again in order. A motion to reconsider shall not be in order when the same result can be obtained by another motion. (Am. by Ord. 5188, 10-20-75; ORD-15-00088, 9-11-15)

(2) A vote by the Common Council on overriding a mayoral veto (whether the vote failed or succeeded) is subject to a motion for reconsideration. Any such motion must be made and acted upon no later than the next regular meeting of the Council or it is out of order. Any such motion may not be referred to any committee or to a subsequent meeting of the Council. (Cr. by ORD-15-00088, 9-11-15)

2.22 MEMBERS MAY FILE PROTESTS AGAINST COUNCIL ACTION. Any member in the minority on any vote shall have the right to have the reasons for his or her dissent from or protest against, any action of the Common Council entered on the proceedings. Such reasons may be

either stated orally after the result of the vote is announced or filed in writing with the Clerk and entered in the record of the Common Council. (Am. by Ord. 8161, 11-14-83; ORD-07-00194, 12-20-07)

2.23 CLAIMS AGAINST THE CITY. The City Attorney is authorized to settle claims, demands, and suits against the City up to and including the sum of twenty-five thousand dollars ($25,000) per account, claim, demand or suit. No claim, demand, or suit against the City requiring payment in excess of twenty-five thousand dollars ($25,000) shall be allowed until the same has been considered and reported upon by the City Attorney and approved by the Common Council. (Am. by Ord. 8749, 12-31-85; ORD-07-00194, 12-20-07)

2.24 ORDINANCES.

(1) No ordinance shall be acted upon on the same day on which it was introduced, unless suspension of the rules has been approved, according to Section 2.34 of the Madison General Ordinances, and action on the item has been publicly noticed as required by the open meetings law. (Am. by Ord. 8156, 11-14-83; Ord. 12,671, 8-18-00)

(2) When the committee to which an ordinance has been referred reports such ordinance to the Council at a subsequent meeting, the ordinance shall stand for final action in accordance with the report of the committee. If the ordinance is modified by the committee, it will stand as a substitute if the sponsor of the ordinance so agrees; if the sponsor does not so agree, the committee report shall stand as an alternate ordinance, provided that such alternate or substitute is germane to the ordinance originally referred to such committee. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

(3) No ordinance shall relate to more than one subject, which shall be clearly expressed in its title, and no ordinance, or section thereof, shall be amended or repealed unless the new ordinance contains the title of the ordinance or section amended or repealed, and when practicable all ordinances shall be introduced as amendments to existing ordinances or sections thereof.

(4) Any matter referred to more than one board, committee or commission shall have a lead referral. Non-lead referral bodies shall make recommendations that the lead referral will consider. The recommendation of the lead referral usually will be presented to the Common Council as the recommended action, either in the form originally introduced or as a substitute or alternate. (Cr. by ORD-07-00194, 12-20-07)

2.25 RESOLUTIONS.

(1) No resolution, except for an honoring resolution, shall be acted upon on the same day on which it was introduced, unless suspension of the rules has been approved, according to Sec. 2.34, MGO, and action on the item has been publicly noticed as required by the open meetings law.

(2) When the committee to which a resolution has been referred reports such resolution to the Council at a subsequent meeting, the resolution shall stand for final action in accordance with the report of the committee. If the resolution is modified by the committee, it will stand as a substitute if the sponsor of the resolution so agrees; if the sponsor does not so agree, the committee report shall stand as an alternate resolution, provided that such alternate or substitute is germane to the resolution originally referred to such committee.

(3) Any matter referred to more than one board, committee or commission shall have a lead referral. Non-lead referral bodies shall make recommendations that the lead referral will consider. The recommendation of the lead referral usually will be presented to the Common Council as the recommended action, either in the form originally introduced or as a substitute or alternate.

(Am. by Ord. 8156, 11-14-83; Ord. 12,671, 8-18-00; ORD-07-00194, 12-20-07)

2.26 MOTION TO RESCIND. A motion to rescind an action of the Common Council will be

considered only if notice of intent to make said motion had been given at the preceding regular Council meeting. The notice of said motion shall be in writing and shall be accompanied by a copy of the appropriate legislation effectuating such rescission. A motion to rescind without such notice will be considered only in an emergency situation as determined by the presiding officer and will only be adopted by a two-thirds (⅔) vote. A motion to rescind will not be considered after publication of the legislation sought to be rescinded. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

2.27 COUNCIL ACTION ON SOLITARY REPORTS.

(1) As used in this section, a "Solitary Report" is a report presented to the Common Council that is not accompanied by a related request for legislative action, such as an ordinance, resolution, appropriation, claim, license, permit or other similar legislative action. A report that is accompanied only by a resolution adopting one of the actions set forth in subs (3)-(5) below is a Solitary Report.

(2) When the Council receives a Solitary Report, the Council shall adopt, accept or place on file the report.

(3) If the Council adopts the Solitary Report, such action means that the Council agrees with the report and that any policy recommendations therein are adopted as policy of the City, which the City and its agencies will be expected to follow.

(4) If the Council accepts the Solitary Report, such action means that the Council agrees with the report. Any misnomer of a motion by the use of words such as "receive" or "agree to" will be considered acceptance of the report.

(5) If the Council does not adopt or accept the Solitary Report, the report shall be placed on file.

(Sec. 2.27 Cr. by ORD-08-00072, 7-04-08)

2.28 RESERVED FOR FUTURE USE. (R. by ORD-07-00194, 12-20-07)

2.29 PERSONS' RIGHT TO ADDRESS COMMON COUNCIL.

(1) Except as hereinafter set forth, any person shall have the right to speak on any item of business that is on the agenda for Common Council action if he/she registers to speak on that item before the item comes up for action. Registration shall indicate the person's address.

(2) Except for informational and public hearings, speakers shall be limited to a three-minute address unless the Common Council agrees by a two-thirds (⅔) vote to extend the time.

(3) A speaker who requires an interpreter, either because of his/her limited English proficiency or because of a disability, may speak for six (6) minutes.

(4) No person shall be permitted to speak on petitions and communications when first introduced before the Common Council and which are scheduled to be referred and reported back at a later meeting.

(5) No person shall submit a registration or appearance form for any meeting unless that person actually attends some portion of the meeting at which the registration or appearance is submitted, or personally delivers the form at the place of the meeting within thirty (30) minutes of the scheduled starting time of the meeting. This limitation does not apply to any person who is eligible to register with the City Clerk for automatic absentee balloting under Wis. Stat. § 6.86(2)(a).

(6) The Council shall provide an Early Public Comment period at each Council meeting, prior to consideration of the consent agenda. Persons who have reasons to leave the Council meeting early, due to health, scheduling or child-care needs, may speak to any agenda item at that time. The Council shall pose questions to such early speakers before moving to the Consent Agenda. (Cr. by ORD-07-00128, 10-5-07; Am. by ORD-08-00115, 10-7-08)

(Am. by Ord. 8443, 10-12-84; Ord. 13,129, 8-28-02; ORD-06-00076, 6-30-06; ORD-07-00194, 12-20-07; ORD-17-00030, 3-8-17)

2.30 PUBLIC HEARINGS.

(1) In conducting a public hearing, the Common Council shall allow all interested parties an opportunity to speak on the subject matter of the hearing before submitting questions to any of the speakers.

(2) Each speaker is limited to five (5) minutes, unless the Common Council agrees by a ⅔ vote to extend the time, provided, that a speaker who requires an interpreter, either because of his/her limited English proficiency or because of a disability, may speak for ten (10) minutes.

(3) At the beginning of the public hearing, the presiding officer shall request all subsequent speakers to remain in the Council Chambers until the conclusion of the public hearing so that they may be available for questioning by the Council members.

(Am. by Ord. 11,087, 12-6-94; ORD-05-00015, 2-15-05; ORD-07-00194, 12-20-07)

2.31 NO PERSONS ALLOWED ON COUNCIL FLOOR EXCEPT MEMBERS OF COUNCIL.

No persons except members and officers of the Council or City Staff shall be allowed to come to the Council floor during the session of the Council without the permission of the presiding officer. The Council may designate certain seats in the rear of the Council Chambers for media. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

2.32 ROBERTS RULES OF ORDER TO GOVERN COUNCIL. In the absence of a standing rule the Council shall be governed by Roberts Rules of Order. (Am. by Ord. 8156, 11-14-83)

2.33 TRANSACTION OF BUSINESS AT SPECIAL MEETINGS. At special meetings of the Council, no business shall be transacted but that for which the meeting shall have been called. No business may be introduced from the floor at a special meeting. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

2.34 SUSPENSION OF RULES.

(1) The assent of two-thirds (⅔) of all members of the Council shall be required to suspend, alter, or modify any of the rules in this Chapter for a given meeting. These rules also may be amended by ordinance. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07)

(2) When a member moves a suspension of the rules he or she shall be required to state the reason to which his/her motion is addressed. The presiding officer shall then put the question, "Is there any objection to the suspension of the rules in accordance with the motion?" If no such objection is made, the Clerk shall record a unanimous consent to the suspension of the rules, and the presiding officer shall then proceed to state the principal question. (Am. by Ord. 13,129, 8-28-02; ORD-14-00012, 1-14-14)

2.35 PROCEEDINGS OF COUNCIL MEETINGS.

(1) All regular meetings of the Common Council shall be recorded electronically.

(2) The recordings shall be protected and maintained and may only be destroyed in conformance with the procedures of Section 3.70 entitled "Public Records" of the Madison General Ordinances. (Am. by Ord. 8156, 11-14-83; Ord. 13,129, 8-28-02)

(3) These recordings shall be considered public records subject to inspection under Section 3.70 of the Madison General Ordinances. (Am. by Ord. 8156, 11-14-83)

2.36 COUNCIL PROCEEDINGS. As provided in Section 3.05 of these ordinances, the City Clerk shall be responsible for the publication, filing, indexing and safekeeping of all proceedings of the

Common Council. As further provided in Section 3.70(2) of these ordinances, the City Clerk is the legal custodian of the records of the Common Council.

As required by Wis. Stat. § 62.09(8)(c), the Clerk shall submit all acts of the Council to the Mayor for his/her approval or disapproval. The Clerk shall submit the proceedings to the Mayor within seventy-two (72) hours of the conclusion of the Council meeting. (Cr. by Ord. 13,129, 8-28-02; Am. by ORD-12-00003, 1-10-12; ORD-13-00199, 11-26-13)

2.37 RESERVED FOR FUTURE USE. (R. by Ord. 12,581, 5-17-00)

2.38 COMMON COUNCIL CONFIRMATION HEARING. (Cr. by Ord. 4731, 9-23-74)

(1) Appointments of managers pursuant to Sec. 3.54(9)(f), MGO, shall be submitted to the Common Council for confirmation. (Am. by Ord. 11,617, 6-13-96; Ord. 13,203, 12-10-02; ORD-07-00194, 12-20-07; ORD-14-00173, 12-10-14)

(2) Action on the recommendation to confirm shall take place not less than ten (10) business days after submission of the recommendation to the Common Council. The Common Council shall place the matter on the agenda for a vote on the recommendation within thirty-one (31) days after the date of submission of the recommendation for confirmation. (Am. by Ord. 11,437, 12-4-95; Ord. 13,203, 12-10-02; ORD-07-00171, 11-29-07)

(3) The Human Resources Director shall distribute all personnel data pertaining to such appointee, including all resumes, job applications or other appropriate information to the Clerk for distribution to all members of the Common Council by the deadline set forth in Sec. 2.05(3), MGO. (Am. by Ord. 11,580, 5-1-96; Ord. 13,203, 12-10-02; ORD-07-00194, 12-20-07)

(4) Any person so appointed shall be present at the designated meeting to respond to all questions directed to such appointee by members of the Common Council and shall have the right to address members of the Common Council in attendance at such meeting. (Am. by Ord. 13,203, 12-10-02)

(5) The Common Council may waive the requirements of Subsections (2), (3) and (4) in the event of reappointment of the incumbent. (Cr. by Ord. 9908, 12-13-89; Ord. 13,203, 12-10-02; ORD-07-00194, 12-20-07)

2.39 INFORMATIONAL HEARINGS.

The Common Council, by motion, or the Common Council President may set any item, except those items for which a public hearing is required by operation of law, for an informational hearing to be held before the Common Council pursuant to Sec. 2.01(7), MGO. Speakers registered to speak shall be subject to the time limits set forth in Sec. 2.30, MGO. Upon the conclusion of the informational hearing the item shall be referred to a subsequent meeting for consideration and no action shall be taken on the item at the time of the informational hearing unless noticed and the Common Council suspends this rule. (Am. by Ord. 8156, 11-14-83; ORD-07-00194, 12-20-07; ORD-16-00105, 12-2-16)

2.40 LOBBYING REGULATED.

(1) Legislative Intent. The Common Council finds that it is in the public interest that the fullest opportunity be afforded to the people of Madison to petition their government and to express freely to City officials and employees their opinions on legislation and on all City policies and activities. The Common Council also recognizes the right of the people of Madison to know who seeks to influence the actions of their City government. The Council finds that, in order to preserve the integrity of the City's decision-making processes, it is necessary to establish a procedure whereby persons acting as lobbyists are required to provide to the public full information as to their identity, the identity of their principal, their expenditures and their lobbying activities. It is not the intent of this ordinance to discourage or limit the exercise of constitutional rights.

(2) Definitions.

(a) "Administrative action" means the proposal, drafting, development, consideration, or issuance of staff recommendations, whether those recommendations are required by ordinance, or requested by the Mayor or by a board, committee, commission or the Common Council. "Administrative action" does not include a purely ministerial action by a City official or employee and it does not include action related to an enforcement action commenced by a written order, a citation, or a summons and complaint.

(b) "Agency" means any City department, division, board, commission, or committee.

(c) "Business entity" means any organization or enterprise whether operated for profit or not for profit, including but not limited to a proprietorship, partnership, firm, business trust, joint venture, syndicate, corporation, cooperative, limited liability company or association. (Am. by ORD-05-00150, 10-12-05)

(d) "Business owner" means a person that conducts commercial or other business operations (including non-profit activities). For purposes of the exemptions set forth in sub. (3)(i) of this ordinance, all individuals who are owners, employees, directors or officers of a business owner are entitled to the business owner's exemption when acting on behalf of the business owner. The exemptions contained in sub. (3)(i)1.a. of this ordinance shall only apply to business owners who own or lease real property located in the City of Madison which is used on a substantial and continuing basis for its operations, provided, however, that for any business owner with business locations both within and without the City of Madison, any employee qualifying for the above exemption must be employed at the Madison location. (Cr. by ORD-05-00150, 10-12-05)

(e) "Covered City official" means the following officials of the City of Madison: elected officials, members of City of Madison boards, committees and commissions, individuals appointed by the Mayor and confirmed by the Common Council to boards, committees and commissions to represent the City of Madison, department, division, and unit heads, Deputy Mayors, Tax Incremental Financing Coordinator, and commissioned police officers holding the rank of lieutenant or above and commissioned fire department officers holding the rank of captain or above. On or before January 15 of each year, the City Clerk shall publish on-line at the City's website a list of all positions that are "Covered City officials," except for members of boards, committees and commissions. (Cr. by ORD-05-00150, 10-12-05; Am. by ORD-16-00105, 12-2-16)

(f) "Design professionals" means architects, engineers, landscape architects, land surveyors or designer of engineering systems, licensed under Wis. Stat. ch. 443, geologists, soil scientists and hydrologists licensed under Wis. Stat. ch. 470, professional planners belonging to the American Institute of Certified Planners, cultural resource specialists as defined by the U.S. Secretary of Interior Professional Standards for Archeology and Historic Preservation, and photogrammetrists as certified by ASPRS, the Imaging and Geospacial Information Society. (Cr. by ORD-05-00150, 10-12-05)

(g) "Independent contractor" means an individual who (i) is retained by a person located within the City of Madison for a service other than lobbying, (ii) is not an employee of the person, and (iii) is not an attorney, and (iv) does not hold himself or herself out to the public as engaged in the business of representing others for the purpose of lobbying. (Cr. by ORD-05-00150, 10-12-05)

(h) "Legislative action" means the development, drafting, introduction, consideration, modification, adoption, rejection, review, enactment or defeat of any ordinance, resolution, amendment, report, nomination or other matter by the Common Council or by any board, committee or commission or committee or subcommittee thereof, or by a Common Council member acting in an official capacity.

"Legislative action" also means the action of the mayor in approving or vetoing any ordinance or resolution, and the action of the mayor or any department, board, committee or commission or committee or subcommittee thereof in the development of a proposal for introduction to the Common Council.

(i) "Lobbying" means the practice of attempting to influence legislative or administrative action by oral, written or electronic communication with any covered City official, and includes time spent in preparation for such communication and appearances at public hearings or meetings or service on a committee in which such preparation or communication occurs. The mere appearance and registration in support, opposition or for informational purposes at a public hearing, without speaking or engaging in any further lobbying communications, is not itself an act of lobbying; if the individual otherwise engages in lobbying activities requiring registration under this ordinance, such appearances may be lobbying. Attorneys and architects are not exempt from this ordinance. However, a certain limited area of actions taken by them are not considered lobbying: the term "lobbying" does not include actions by licensed attorneys, the performance of which is prohibited under Sec. 757.30, Wis. Stats., to persons not licensed as attorneys; it does not include the practice of architecture, as defined in Sec. 443.01(5), Wis. Stats., and forbidden to unregistered persons under Sec. 443.02(2), Wis. Stats. (Am. by ORD-05-00150, 10-12-05)

(j) "Lobbying communication" means an oral, written or electronic communication with any covered City official that attempts to influence legislative or administrative action, unless exempted under Subsection (3) of this ordinance. (Am. by ORD-05-00150, 10-12-05)

(k) "Lobbying expenditure" means an expenditure related to the performance of lobbying, whether received in the form of an advance or subsequent reimbursement. The term includes an expenditure for conducting research or for providing or using information, statistics, studies or analyses in communicating with a covered City official, that would that would not have been incurred but for lobbying. "Lobbying expenditure" also includes all expenditures required to be reported in sub. (10)(a)1.a. - e. (Am. by ORD-05-00150, 10-12-05)

(l) "Lobbyist" means an individual who is employed by a principal, or contracts for or receives economic consideration, other than reimbursement for actual expenses, from a principal and whose duties include lobbying on behalf of the principal, regardless of whether the individual's duties on behalf of a principal are or are not limited exclusively to lobbying. A public official acting in an official capacity on behalf of his/her governmental unit is not acting as a lobbyist.

(m) "Person" means an individual or business entity. "Person" shall also include recognized employee organizations, associations and representatives thereof. (Am. by ORD-05-00150, 10-12-05)

(n) "Principal" means any person who employs a lobbyist. If a business entity engages a lobbyist, no officer, employee, member, shareholder or partner of the business entity shall be considered a principal.

(o) "Relative" means a parent, grandparent, child, grandchild, brother, sister, parent-in-law, grandparent-in-law, brother-in-law, sister-in-law, uncle, aunt, nephew, niece, spouse, fiancé, fiancée, or registered domestic partner.

(p) "Reporting period" means each six month period from January 1 through June 30 and July 1 through December 31. (Am. by ORD-05-00150, 10-12-05)

(q) "Working day" means any day except Saturday, Sunday or a holiday designated in Sec. 1.01(10) of these ordinances.

(3) Exemptions. This ordinance does not apply to the following activities:

(a) Lobbying through communications media or by public addresses to audiences made up principally of persons other than City of Madison officials, except that lobbying communications for which expenditures are required to be reported under Sub. (10)(a)1.e. are not exempt.

(b) Except as provided in sub. (10)(a)1.e., news or feature reporting, paid advertising activities or editorial comment by working members of the press, and the publication or dissemination thereof by a newspaper, book publisher, regularly published periodical, radio station or television station.

(c) Requests by a member of the Common Council, or by a board, committee, or commission, for information from City employees and the furnishing of the requested information by City employees, acting in their official capacity.

(d) Actions taken by a public official or employee acting in his/her official capacity. (Am. by ORD-05-00150, 10-12-05)

(e) Participation as a member of a City of Madison board, committee, commission, task force or similar body or a committee or subcommittee thereof, or participation as a member of any other board, committee, commission, task force or similar body that includes as a member thereof a City official appointed or designated as a member in his or her capacity as a City of Madison official. (Am. by ORD-05-00150, 10-12-05)

(f) Requests by a City employee, acting in an official capacity, for information from any person and the furnishing of the information by that person. Requests by any person for information from a City employee and the furnishing of the information by that employee are also exempt.

(g) Lobbying through communications which are specifically identified as services required to be furnished under a contract or tariff with the City; provided that such services are fully described in annual service reports submitted by the contractor to a City agency and made available for public inspection. (Cr. by Ord. 12,749, 1-22-01; Am. by ORD-05-00150, 10-12-05)

(h) Any person acting as an unpaid volunteer. (Cr. by ORD-05-00150, 10-12-05)

(i) Individual Right to Lobby.

1. Except as set forth in subs. (3)(j) and (k) below, nothing in this ordinance may be applied so as to require registration or reporting or interfere with the right of any individual to engage in activities that might otherwise be considered lobbying:
   a. By a business owner on behalf of his, her or its business; or
   b. By any individual or business owner appearing before any covered City official where the person is appearing at the request of a covered City official or City employee for the sole purpose of responding to questions or requests for information from the covered City official or a City employee.
   c. By an independent contractor provided that he or she does not make lobbying communications on more than five (5) days within a reporting period.

2. Except as set forth in sub. (3)(k) below, nothing in this ordinance may be applied so as to require registration or reporting or interfere with the right of any individual to engage in activities that might otherwise be considered lobbying:
   a. Solely on her or his own behalf; or
   b. By communicating solely with a Council member who represents the district in which the individual resides, whether or not such communication is made on behalf of the individual or on behalf of another person; or

c. By a representative of the owner of an owner-occupied single family home or duplex, or of the owner of a lot on which the owner is to build an owner-occupied single family home or duplex, requesting a variance or other zoning change for improvements to the single family home or duplex or lot; or

d. By any person or his, her or its representative challenging a tax assessment before the Board of Review.

(Renumbered by Ord. 12,749, 1-2-01; Am. & Renumbered by ORD-05-00150, 10-12-05)

(j) The exemptions in sub. (i)1. are not available to any of the following individuals:

1. Any individual holding himself or herself out to the public as engaged in the business of representing others for the purpose of lobbying.

2. Any individual employed by a trade association or organization, any organization that has a membership of or is acting on behalf of two or more business entities, or any organization that has as a purpose advocacy on issues of public policy.

3. Any individual employed by a business owner if one of his or her primary job duties is lobbying, provided, however, that it shall be conclusively established that lobbying is not one of an individual's primary job duties if he or she does not make lobbying communications on more than five (5) days within a reporting period.

(Cr. by ORD-05-00150, 10-12-05)

(k) Provided that the City gives notice of the registration and reporting requirements under this Sec. 2.40 to the person seeking City assistance or approval, the exemptions in sub. (i)1. and 2. are not available with respect to any lobbying activities or expenditures incurred:

1. In seeking direct cash assistance from the City in the form of a loan, grant, TIF funding, or similar assistance (not including for this purpose the provision of goods or services directly to the City or a City agency) in an amount greater than ten thousand dollars ($10,000) in a calendar year; or

2. In seeking approval of any development or redevelopment as defined in Sec. 20.04(8) located within the City of Madison that is reasonably expected to include over 40,000 gross square feet in a non-residential building or buildings or ten (10) dwelling units.

(Cr. by ORD-05-00150, 10-12-05)

(l) Design professionals providing the services within the definition of their profession, but only when preparing submittals requested for City approvals, when responding to questions of City staff or at public meetings, or when presenting information only to City staff or at a public meeting. (Cr. by ORD-05-00150, 10-12-05)

(4) Prohibited Practices.

(a) No lobbyist may:

1. Instigate legislative or administrative action for the purpose of obtaining employment in support or opposition to the action.

2. Furnish to any City of Madison official or employee or candidate for City of Madison elective office, or to the official's or candidate's personal campaign committee:

a. Lodging.

b. Transportation.

c. Food, meals, beverages, money or any other thing of pecuniary value, except that a lobbyist may make a campaign contribution to a candidate for City elective office, or to the candidate's personal campaign committee.

3. Contract to receive or receive compensation dependent in any manner upon the success or failure of any legislative or administrative action.

(b) No principal may engage in the practices prohibited under paragraph (a)2. This subsection does not apply to the furnishing of transportation, lodging, food, meals, beverages or any other thing of pecuniary value which is also made available to the general public.

(c) This subsection does not apply to food, meals, beverages or entertainment provided by the Mayor when acting in an official capacity.

(d) This subsection does not apply to the furnishing of anything of pecuniary value by an individual who is a lobbyist or principal to a relative of the individual or an individual who resides in the same household as the individual, nor to the receipt of anything of pecuniary value by that relative or individual residing in the same household as the individual.

(e) Paragraph (a)2. does not apply to the furnishing of anything of pecuniary value by a lobbyist or principal to an employee of that lobbyist or principal who is a City official if the thing of pecuniary value is not in excess of that customarily provided by the employer to similarly situated employees and if the City official receives no compensation for her or his services other than reimbursement for actual and necessary expenses incurred in the performance of her or his duties, nor to the receipt of anything of pecuniary value by that City official under those circumstances.

(f) Paragraph (a)2. does not apply to the furnishing of educational or informational material by a lobbyist or principal to a City official or employee, or acceptance thereof by a City official or employee.

(g) Paragraph (a)2. does not apply to the furnishing or receipt of a reimbursement or payment for actual and reasonable expenses permitted under Sec. 3.35(6) of these ordinances.

(5) Corrupt Means to Influence Legislation; Disclosure of Interest. No person having a pecuniary or other interest, or acting as the agent of any person in procuring or attempting to procure the passage or defeat of any measure before the Council, may attempt in any manner to influence any member of the Council for or against the measure, without first making known to the member the real and true interest she or he has in the measure, either personally or as such agent. No person may give, or agree to give, or offer to give anything of value to any person, for the service of such person or of any other person in procuring the passage or defeat of any measure before the Common Council upon the contingency or condition of the passage or defeat of the measure. No person may receive, or agree to receive anything of value for such service, upon such contingency or condition.

(6) Registration.

(a) Every lobbyist shall, within five (5) working days after the first lobbying communication made by the lobbyist, file with the City Clerk a registration statement specifying the lobbyist's name, business address, the general areas of legislative and administrative action which the lobbyist is attempting to influence, the names of any City agencies in which the lobbyist seeks to influence administrative action, and information sufficient to identify the principal who has hired the lobbyist and the nature and interest of the principal. The statement shall be signed by the lobbyist. The statement shall include:

1. If the principal is an individual, the name and address of the individual's employer, if any, or the individual's principal place of business if self-employed, and a description of the business activity in which the individual or the individual's employer is engaged.

2. If the principal is a business entity, a description of the business activity in which the principal is engaged and, in the case of a corporation, the name of its chief executive officer, in the case of a limited partnership, the name of its general partner, in the case of a manager-managed limited liability

company, the name of its manager, in the case of a general partnership, limited liability partnership, or member-managed limited liability company, the names of the partners or members.

3. If the principal is an industry, trade or professional association, a description of the industry, trade or profession which it represents, including a specific description of any segment or portion of the industry, trade or profession which the association exclusively or primarily represents and the name of the chief executive officer and the approximate number of its members.

4. If the principal is not an individual, business entity or industry, trade or professional association, a statement of the principal's nature and purposes, including a description of any industry, trade, profession or other group with a common interest which the principal primarily represents or from which its membership or financial support is primarily derived and the approximate number of its members.

5. Each proposed legislative or administrative action in connection with which the lobbyist has made or intends to make a lobbying communication during the period to which the registration applies. The proposed legislative or administrative action is sufficiently identified if it is sufficient to permit a person to ascertain without extraordinary diligence:

   a. the specific item of legislative or administrative action or private sector business or other activity which the effort is intended to affect and how it is intended to be affected;

   b. the industries, trades, or professions, or segments or portions thereof, that would be principally affected by the effort;

   c. in the case of an appropriation, the City program or person for which the appropriation is proposed and the approximate amount, if known; and

   d. such additional information as the Clerk deems necessary for compliance with this Subsection.

(b) The registration shall expire on December 31 of each year. If all lobbying by the lobbyist which is not exempt under Subsection (3) ceases, the City Clerk shall terminate the lobbyist's registration and any authorizations under Subsection (7) as of the day after the lobbyist files a statement of cessation and expense statements under Subsection (10) for the period covering all dates on which the lobbyist was registered.

(c) Each lobbyist registered under this section shall, before a lobbyist attempts to influence legislative or administrative action in any general area or City agency not previously filed with the City Clerk, provide written notice to the City Clerk of the specific area or agency in which the lobbyist will attempt to influence legislative or administrative action. Such notice is sufficient if it complies with Subsection (6)(a)5., above.

(d) Every person who appears before any board, committee, or commission or before the Common Council, shall indicate on a form supplied by the City Clerk whether s/he is a registered lobbyist; whether s/he represents a person or organization other than herself or himself; whether s/he is being paid or expects to be paid for the representation; the name, address and telephone number of the person s/he represents; his/her relationship (ownership, employment, etc.) to the person or organization s/he represents; whether her/his appearance is incidental to paid other duties for this person or organization; and whether she or he understands the duty of a lobbyist to register with the City Clerk. No person shall submit a registration or appearance form for any meeting unless that person actually attends some portion of the meeting at which the registration or appearance is

submitted, or personally delivers the form at the place of the meeting within thirty (30) minutes of the scheduled starting time of the meeting. This limitation does not apply to any person who is eligible to register with the City Clerk for automatic absentee balloting under sec. 6.86(2)(a), Wis. Stats. (Am. by ORD-06-00076, 6-30-06)

(Subsec. (6) Am. by ORD-05-00150, 10-12-05)

(7) Lobbyist Authorization. At the time of registration under this ordinance, a lobbyist or principal shall cause to be filed with the City Clerk a written authorization for the lobbyist to represent the principal, signed by or on behalf of the principal on such forms as the City Clerk shall direct. Such authorization shall include the lobbyist's name, current mailing address, business telephone number and whether the lobbyist is an employee of the principal. (Am. by ORD-05-00150, 10-12-05)

(8) Restrictions on Lobbying. Except as authorized under Subsection (3), no person may engage in lobbying as a lobbyist unless the person has complied with the registration requirements under Subsection (6)(a) and the authorization under Subsection (7) has been filed. (Am. by ORD-05-00150, 10-12-05)

(9) Identification of Legislative and Administrative Proposals.

Except as authorized under Subsection (3), no person may engage in lobbying as a lobbyist unless, no later than the end of the fifth working day after the lobbyist makes a lobbying communication with respect to a legislative proposal or proposed administrative action not previously identified by the principal under Subsection (6)(a)5. or reported under this section during the period for which the principal is registered, the lobbyist reports to the City Clerk in such manner as the Clerk may prescribe, each proposed legislative or administrative action in connection with which the lobbyist has made or intends to make a lobbying communication. Such report is sufficient if it complies with Subsection (6)(a)5., above. With respect to a lobbying communication relating to the capital or operating budget, the principal shall further identify from among topics provided by the Clerk the topic or topics of its lobbying communications, if any. (Am. by ORD-05-00150, 10-12-05)

(10) Expense Statement on Behalf of Principal.

(a) Statement. Every principal who makes expenditures or incurs obligations in an aggregate amount exceeding $1,000 in any reporting period for the purpose of engaging in lobbying which is not exempt under Subsection (3) shall, for the remainder of that calendar year, file with the City Clerk an expense statement covering each preceding reporting period. Every registered principal who does not make expenditures or incur obligations in an aggregate amount exceeding $1,000 in any reporting period for the purpose of engaging in lobbying which is not exempt under Subsection (3) shall, file with the City Clerk a statement indicating that expenditures and obligations for the reporting period did not exceed $1,000. Such statement shall be filed on or before July 31 and January 31. The statement shall be signed under the penalty for making false statements provided in Subsection (13)(c), by the lobbyist, if so authorized by the principal, or by the principal. The statement shall contain the following information:

1. The aggregate total amount of lobbying expenditures made and obligations incurred for lobbying activities by the principal and all lobbyists for the principal, excluding lobbying expenditures and obligations for the principal's clerical employees and lobbying expenditures and obligations specified in Paragraphs 2. and 4. below. With respect to expenditures and obligations included in the amount reported under this paragraph:

a. Lobbying expenditures made and obligations incurred for lobbying shall include compensation to lobbyists for lobbying, whether in cash or in kind, and reimbursements to lobbyists and to the principal or officers or employees of the principal for lobbying or expenses.

b. Except as provided in Subparagraph c., lobbying expenditures made and obligations incurred in preparing for lobbying shall be included in the aggregate total.

c. A reasonable estimate of lobbying expenditures made and obligations incurred for conducting, compiling or preparing research, information, statistics, studies or analyses used in lobbying shall be included in the aggregate total. Lobbying expenditures and obligations shall not be reported under this paragraph if the use in lobbying occurs more than three (3) years after the completion of the research or the compilation or preparation of the information, statistics, studies or analyses. If the research, information, statistics, studies or analyses are used by the principal both for lobbying and for purposes other than lobbying, the principal shall allocate the lobbying expenditures and obligations among the purposes for which the research, information, statistics, studies or analyses are used and include the portion allocated to lobbying in the aggregate total.

d. Lobbying expenditures made and obligations incurred for providing or using research, information, statistics, studies or analyses in lobbying shall be included in the aggregate total.

e. Lobbying expenditures made and obligations incurred for paid advertising and any other activities conducted for the purpose of urging members of the general public to attempt to influence City of Madison legislative or administrative action shall be included in the aggregate total.

2. If a lobbyist is an employee, officer or director of a principal and the lobbyist is paid a salary or given consideration other than reimbursement of expenses, the aggregate total amount of lobbying expenditures made or obligations incurred by the principal for office space, utilities, supplies and compensation of employees who are utilized in preparing for lobbying communications. Any lobbying expenditures made or obligations incurred for the office overhead costs which are included in the amount reported under Subdivision (a)1. shall not be included in the amounts reported under this Subdivision (a).

3. The principal's expense report shall include a record disclosing each lobbying communication. The record shall be supplied on a form provided by the City Clerk and shall include identification of each covered City official contacted, the number of times each official received a lobbying communication, the subject of each communication, and the identity of the lobbyist who made the communication.

4. The total lobbying expenditures made and obligations incurred for personal travel and living expenses.

(Subsec. (a) Am. by ORD-05-00150, 10-12-05; ORD-07-00113, 9-22-07)

(b) Estimates.

1. If the principal compensates or reimburses a lobbyist or employee both for lobbying activities or expenses which are not exempt under Subsection (3) above and for other activities or expenses, for the purposes of Subdivision (a)1. a. or f., the lobbyist or principal may estimate and report the portion of the compensation or reimbursement paid for nonexempt lobbying activities or expenses.

2. Any reasonable estimate or allocation made in good faith under Subdivision (a)1.c. or 3. of this subsection fulfills the requirements of this subsection.

(c) Exempt Activities. Lobbying expenditures made and obligations incurred for activities identified under Subsection (3)(a)-(f) are not required to be reported under Subsection (10)(a), regardless of whether the principal or a lobbyist for the principal also engages in lobbying activities which are not identified in Subsection (3)(a)-(f).

(d) Reports by Lobbyist. A lobbyist whose activities and expenditures are required to be reported by a principal under Subsection (10)(a) shall provide to the principal information which the principal determines is needed to prepare the statement. The principal shall file a copy of the information, signed by the lobbyist under the penalty for making false statements provided in Subsection (13)(c) with the City Clerk at the time of filing the statement under Subsection (10)(a).

(e) Records. Each principal and each lobbyist engaged by a principal shall obtain, organize and preserve all accounts, bills, receipts, books, papers and other documents necessary to substantiate the expense statement for three (3) years after the date of filing the expense statement. A principal may permit its authorized lobbyist to maintain any of the records identified in this subsection on its behalf.

(f) Suspension for Failure to File a Complete Expense Statement. If a principal, or a lobbyist if authorized to file on behalf of the principal, fails to timely file a complete expense statement under this Subsection, the City Clerk may suspend the privilege of any lobbyist to lobby. Upon failure of a principal to file the required expense statement, the Clerk shall mail written notices to the principal and to any lobbyist for whom a written authorization has been filed under Subsection (7) to act as a lobbyist for the principal informing them that unless the principal files the delinquent statement with ten (10) business days after the date of mailing of the notices, no lobbyist may lobby on behalf of the principal. The privilege of any lobbyist to lobby on behalf of the principal shall be restored immediately upon the filing of the delinquent statement. The notices shall be sent by certified mail to the last-known addresses of the principal and lobbyist. Any principal or lobbyist who is aggrieved by a suspension of lobbying privileges under this subsection may request a hearing under Section 9.49 of these ordinances regarding the suspension. (Am. by ORD-05-00150, 10-112-05)

(11) Duties of the City Clerk.

(a) The Clerk shall prescribe forms and instructions for preparing and filing registration applications under Subsection (6) and the statement required under Subsection (10).

(b) At the time of initial registration and re-registration, the City Clerk shall provide the lobbyist with a copy of the City's lobbyist law and any related material which the Clerk determines will serve the purposes of this ordinance. (Am. by ORD-05-00150, 10-12-05)

(c) Statements required under this section to be filed with the City Clerk shall be preserved for a period of three (3) years from the date of filing, shall constitute part of the public records of his or her office, and shall be open to public inspection.

(d) The Clerk shall compile and make available information filed under this ordinance in ways designed to facilitate access to the information.

(e) Any person who believes a violation has occurred may file a written complaint form with the City Clerk who shall refer the matter to the City Attorney. (Am. by ORD-05-00150, 10-12-05)

(f) The City Clerk, in consultation with the Organizational Development and Training Unit, shall conduct semi-annual training workshops concerning this ordinance. (Cr. by O RD-05-00150, 10-12-05)

(12) Duties of the City Attorney.

(a) The City Attorney shall participate in the workshops conducted by the City Clerk. (Am. by ORD-05-00150, 10-12-05)

(b) Upon receipt of a referral from the City Clerk, the City Attorney shall review alleged violations of this section to determine whether the allegation has merit. The City Attorney may summarily dismiss any allegation which s/he finds to be without merit.

(c) If the City Attorney believes an allegation has merit, s/he shall prepare and file a complaint in Municipal Court. The complaint shall identify the provision of this ordinance alleged to be violated.

(d) No later than April 1 of each year, the City Attorney shall file a report with the Mayor and the Common Council concerning actions s/he has taken under this section and the disposition of those actions, including a summary of its determinations.

(e) The City Attorney may commence a civil action to require forfeitures for any violation of this section.

(13) Duty to Cooperate. Principals and lobbyists are required to keep and maintain legible copies of all accounts, bills, receipts, books, papers and other documents necessary to substantiate any expense statement and other required filings under this ordinance. Such records shall be maintained for a period of not less than three (3) years after the filing of such expense statements or other required filings. Such records or other information requested in relation to any investigation under this ordinance shall be provided to the City Attorney within fifteen (15) days of a request by the City Attorney for the production of such records. (Cr. by ORD-05-00150, 10-12-05)

(14) Penalties.

(a) Any lobbyist who violates any provision of this ordinance may be required to forfeit not more than $5,000.

(b) Any principal who violates any provision of this ordinance may be required to forfeit not more than $1,000.

(c) Any person who files or causes to be filed a falsified statement under sub. (10) may be required to forfeit not more than $1,000 in addition to any forfeiture imposed under any other provision of this ordinance.

(d) Any principal, lobbyist or other individual acting on behalf of a principal who files a statement under subs. (7), (9), or (10) which he or she does not believe to be true may be required to forfeit not more than $1,000 in addition to any forfeiture imposed under any other provision of this ordinance.

(Am. & Renumbered by ORD-05-00150, 10-12-05)

(15) Severability. The provisions of any part of this section are severable. If any provision or subsection hereof or the application thereof to any person or circumstances is held invalid, the other provisions, subsections and applications of such ordinance to other persons or circumstances shall not be affected thereby. It is declared to be the intent of this section that the same would have been adopted had such invalid provisions, if any, not been included. (Renumbered by ORD-05-00150, 10-12-05)

(Sec. 2.40 Cr. by Ord. 12,675, 9-25-00; Am. by ORD-05-00150, 10-12-05)

2.41 ORGANIZATIONS MAKING INDEPENDENT DISBURSEMENTS.

(1) Declaration of Policy. The Common Council finds and declares that our democratic system of government can be maintained only if the electorate is informed. It further finds that excessive spending on campaigns for public office jeopardizes the integrity of elections. It is desirable to encourage the broadest possible participation in financing campaigns by all citizens and to enable candidates to have an equal opportunity to present their programs to the voters. One of the most important sources of information to the voters is available through the campaign finance reporting system. Campaign reports

provide information which aids the public in fully understanding the public positions taken by a candidate or political organization. When the true source of support or extent of support is not fully disclosed, or when a candidate becomes overly dependent upon large private contributors, the democratic process is subjected to a potential corrupting influence. The Common Council therefore finds that the City of Madison has a compelling interest in designing a system for fully disclosing contributions and disbursements made on behalf of every candidate for public office, and in placing reasonable limitations on such activities. Such a system must make readily available to the voters complete information as to who is supporting or opposing which candidate or cause and to what extent, whether directly or indirectly. This Section 2.41 is intended to serve the public purpose of stimulating vigorous campaigns on a fair and equal basis and to provide for a better informed electorate.

(2) Definitions. The following definitions shall apply in the interpretations and the enforcement of this ordinance:

"Communication" means any printed advertisement, billboard, handbill, sample ballot, television or radio advertisement, telephone call, e-mail, internet posting, and any other form of communication that may be utilized for a political purpose.

"Contribution" has the meaning given in Wis. Stat. § 11.01(6), as applied to elections for Madison Mayor, Alderperson or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20, except that Wis. Stat. § 11.01(6)(a)1. is adopted as follows:

A gift, subscription, loan, advance, or deposit of money or anything of value, except a loan of money by a commercial lending institution made by the institution in accordance with applicable laws and regulations in the ordinary course of business, used for political purposes. In this subdivision "anything of value" means a thing of merchantable value.

"Contributions for political purposes" as used in subs. (10), (11) and (12) of the Section 2.41 means contributions made to

(a) a candidate for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20 or

(b) a political committee or

(c) an individual who makes contributions to a candidate or political committee or incurs obligations or makes disbursements used for political purposes in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20.

"Designated depository account" means a depository account specifically established by an organization to receive contributions and from which to make independent disbursements.

"Disbursement" has the meaning given in Wis. Stat. § 11.01 (7), as applied to elections for Madison Mayor, Alderperson or Municipal Judge.

"Incurred obligation" has the meaning given in Wis. Stat. § 11.01 (11), as applied to elections for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20.

"Independent" means the absence of acting in cooperation or consultation with any candidate or authorized committee of a candidate who is supported or opposed, and is not made in concert with, or at the request or suggestion of, any candidate or any agent or authorized committee of a candidate who is supported or opposed.

"Organization" means any person and organizations specified in sub. (2) of this section, but does not include an individual, committee, or political group subject to registration under Wis. Stat. §§ 11.05 and 11.23.

"Person" includes the meaning given in Wis. Stat. § 990.01 (26).

"Political committee" means every committee which is formed primarily to influence elections for Madison Mayor, Alderperson, or Municipal Judge or for municipal

referendums held pursuant to Wis. Stat. § 9.20 or which is under the control of a candidate for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20.

(3) A corporation, or association organized under Wis. Stat. chs. 185 or 193, or an organization recognized under Sections 501(c)(4), (c)(5), (c)(6) of the Internal Revenue Code, is a person and qualifies as an organization that is not prohibited by Wis. Stat. § 11.38 (1) (a) 1., from making independent disbursements until such time as a court having jurisdiction in the State of Wisconsin rules that a corporation, or association organized under Wis. Stat. chs. 185 or 193, or an organization recognized under Sections 501(c)(4), (c)(5), (c)(6) of the Internal Revenue Code, may constitutionally be restricted from making an independent disbursement.

(4) Upon accepting contributions made for, incurring obligations for, or making an independent disbursement exceeding twenty-five dollars ($25) in aggregate during a calendar year, an organization supporting or opposing any candidate for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20 shall establish a designated depository account in the name of the organization. Any contributions to and all disbursements of the organization shall be deposited in and disbursed from this designated depository account. The organization shall select a treasurer for the designated depository account and no disbursement may be made or obligation incurred by or on behalf of an organization without the authorization of the treasurer or designated agents. The organization shall register with the City Clerk.

(5) The organization shall file a registration statement with the City Clerk and it shall include, where applicable:

(a) The name, street address, and mailing address of the organization.

(b) The name and mailing address of the treasurer for the designated depository account of the organization and any other custodian of books and accounts for the designated depository account.

(c) The name, mailing address, and position of other principal officers of the organization, including officers and members of the finance committee, if any.

(d) The name, street address, mailing address, and account number of the designated depository account.

(e) A signature of the treasurer for the designated depository account of the organization and a certification that all information contained in the registration statement is true, correct and complete.

(6) The organization shall comply with Wis. Stat. § 11.05 (5), and notify the City Clerk within ten (10) days of any change in information previously submitted in a statement of registration.

(7) An organization making independent disbursements shall file the oath for independent disbursements required by Wis. Stat. § 11.06 (7).

(8) An organization receiving contributions for independent disbursements or making independent disbursements shall file periodic reports as provided Wis. Stat. §§ 11.06, 11.12, 11.19, and 11.20, and include all contributions received for independent disbursements, incurred obligations for independent disbursements, and independent disbursements made. When applicable, an organization shall also file periodic reports as provided in Wis. Stat. § 11.513.

(9) An organization making independent disbursements shall comply with the requirements of Wis. Stat. §§ 11.30 (1) and (2) (a) and (d), and include an attribution identifying the organization paying for any communication, arising out of independent disbursements on behalf of or in opposition to candidates, with the following words: "Paid for by" followed by the name of the organization and the name of the treasurer or other authorized agent of the organization followed by "Not authorized by any candidate or candidate's agent or committee."

(10) Scope of Regulated Activity; Election of Candidates. Individuals other than candidates and persons other than political committees are subject to the applicable requirements of Wis. Stat. ch. 11, when they:

(a) Make contributions or disbursements for political purposes in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20, or

(b) Make contributions to any person at the request or with the authorization of a candidate or political committee in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20, or

(c) Make a communication for a political purpose in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20.

(11) A communication is for a "political purpose" if either of the following applies:

(a) The communication contains terms such as the following or their functional equivalents with reference to a clearly identified candidate and unambiguously relates to the campaign of that candidate:

1. "Vote for;"
2. "Elect;"
3. "Support;"
4. "Cast your ballot for;"
5. "Smith for Mayor;"
6. "Vote against;"
7. "Defeat;" or
8. "Reject."

(b) The communication is susceptible of no reasonable interpretation other than as an appeal to vote for or against a specific candidate in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20. A communication is susceptible of no other reasonable interpretation if it is made during the period beginning on the sixtieth (60th) day preceding a special, or spring election in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20 and ending on the date of that election or during the period beginning on the thirtieth (30th) day preceding a primary election and ending on the date of that election and that includes a reference to or depiction of a clearly identified candidate in a race for Madison Mayor, Alderperson, or Municipal Judge or for municipal referendums held pursuant to Wis. Stat. § 9.20 and:

1. Refers to the personal qualities, character, or fitness of that candidate;
2. Supports or condemns that candidate's position or stance on issues; or
3. Supports or condemns that candidate's public record.

(12) Consistent with Wis. Stat. § 11.05 (2), nothing in sub. (1), (2), or (3) should be construed as requiring registration and reporting, under Wis. Stat. §§ 11.05 and 11.06, of an individual whose only activity is the making of contributions.

(13) Penalty.

Any person who violates any provision of this section or fails to comply with any of its requirements shall, upon conviction, be subject to forfeiture of not more than five hundred dollars ($500). (Each day of violation or non-compliance shall be considered a separate offense.)

(Sec. 2.41 Cr. by ORD-13-00154, 9-26-13)

(EDITOR'S NOTE: Due to the ruling in Wisconsin Right to Life, Inc., v. Barland, 751 F. 3d 804 (2014), Sec. 2.41, MGO, is not enforceable in its current form.)

SUBCHAPTER 3A: ORGANIZATION, OFFICES AND DEPARTMENTS.

3.01 ORGANIZATION UNDER MAYOR PLAN. The government of the City of Madison is organized and constituted under Wis. Stat. ch. 62 providing for the City Mayor and Aldermanic plan with a Common Council composed of twenty (20) alderpersons, one (1) from each aldermanic district. The Mayor and alderpersons are to be elected for a term of two (2) years; provided, however, that beginning with the 1991 Spring Election, the Mayor shall be elected for a term of four (4) years.

This is a charter ordinance and shall be effective upon sixty (60) days from passage and publication subject, however, to the referendum procedures of Wis. Stat. § 66.0101(5).

Editor's note—Sec. 3.01 was reinstated as a Charter Ordinance and amended to provide for four-year mayoral term pursuant to adoption by the electorate at the 1987 Spring Election of Res. No. 43,063, File No. 3885-86, amending Charter Ord. 39.

(Am. by Ch. Ord. 67, 2-12-93; effective 4-17-93)

3.02 CONTINUITY OF GOVERNMENT.

(1) Policy and Purpose. Because of the existing possibility of an attack upon the United States of unprecedented size and destructiveness, including the inevitable hazard of radioactive contamination, and in order, in the event of such an attack, to assure the continuation of effective, legally constituted leadership, authority and responsibilities in the offices of the government of the City of Madison, it is necessary to provide for emergency interim officers who can exercise the powers and discharge the duties of the Mayor, alders, supervisors, and department heads in the event that the incumbents are killed, missing, disabled, or for some other cause unable to perform the duties and functions of their offices during and immediately after an enemy attack. (Am. by ORD-09-00147, 11-6-09)

(2) Definitions. As used in this ordinance, unless the context otherwise clearly indicates:

(a) Unavailable shall mean either that a vacancy in office exists and there is no deputy authorized to exercise all of the powers and discharge the duties of the office, or that the lawful incumbent of the office (including any deputy exercising the powers and discharging the duties of an office because of a vacancy) and her/his duly authorized deputy are absent or unable, for physical, mental or legal reasons, to exercise the powers and discharge the duties of the office. (Am. by ORD-14-00012, 1-14-14)

(b) Attack shall mean any attack or series of attacks by an enemy of the United States causing, or which may cause, substantial damage or injury to persons or property in the United States by sabotage, the use of bombs, missiles, shellfire, or atomic, radiological, chemical, bacteriological, or biological means or other weapons or processes.

(c) Duly authorized deputy shall mean a person who is presently authorized to perform all of the functions, exercise all of the powers and discharge all of the duties of an office in the event the office is vacant or at such times as it lacks administration due to the death, absence or disability of the incumbent officer.

(d) Emergency interim successor shall mean a person designated pursuant to this ordinance for possible temporary succession to the powers and duties, but not the office, of a City officer in the event that such officer or any duly authorized deputy is unavailable to exercise the powers and discharge the duties of the office.

(3) Designation, Status, Qualifications and Term of Emergency Interim Successors. Succession of the office of Mayor shall be in the following order: president of the Common Council, vice president of the Common Council, and two (2) emergency interim successors to be named by the Mayor within thirty (30) days after this ordinance is adopted, and by each Mayor within thirty (30) days of her/his taking office, and the Mayor shall specify and rank in order of succession after the vice president of the Common Council, so that there will be no less than two (2) duly authorized emergency interim successors for the office of Mayor. (Am. by ORD-14-00012, 1-14-14; ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(a) Whoever is nominated and whatever succession is designated shall be confirmed by the Common Council.

(b) (R. by Ord. 6703, 8-8-79)

(c) Department Heads. Within thirty (30) days after adoption of this ordinance, each department head shall appoint and specify the order of succession, after her/his deputy, of two (2) emergency interim successors, so that there will be not less than three (3) successors to the office of each department head. If there is no deputy, three (3) emergency interim successors shall be so appointed instead of two (2).

Emergency interim successors to department heads shall be confirmed by the Mayor. (Am. by ORD-14-00012, 1-14-14)

(d) Review of Designations. The Mayor, alders, supervisors, and department heads shall review and, if necessary, revise and keep current the designations of emergency interim successors to insure at all times that there is the requisite number of qualified emergency interim successors. (Am. by ORD-09-00147, 11-6-09)

(e) Qualifications. No person shall be designated or serve as an emergency interim successor unless he or she may under the constitution and statutes of this state and the charter ordinances of this City, hold the office of the person to whose powers and duties he or she is designated to succeed, but no provision of any ordinance prohibiting an officer or employee of this City from holding another office shall be applicable to an emergency interim successor.

Emergency interim successors shall act only until the Common Council can meet as a body and appoint and confirm a successor to the Mayor, alders, and supervisors if necessary in accordance with existing statute. (Am. by ORD-09-00147, 11-6-09; ORD-14-00012, 1-14-14)

(f) Status of Emergency Interim Successor. A person designated as an emergency interim successor holds that designation at the pleasure of the designator; provided, that he or she must be replaced if removed. He or she retains this designation as emergency interim successor until replaced by another appointed by the authorized designator, or until the designator leaves office. (Am. by ORD-14-00012, 1-14-14)

(4) Assumption of Powers and Duties of Officer by Emergency Interim Successor. If in the event of an attack the Mayor, any alder, or any department head and any duly authorized deputy is unavailable, her/his emergency interim successor highest in rank in order of succession who is available shall, except for the power and duty to appoint emergency interim successors, exercise the powers and discharge the duties of such officer. An emergency interim successor shall exercise these powers and discharge these duties only until such time as the lawful incumbent officer or any duly authorized deputy or an emergency interim successor higher in rank in order of succession exercises, or resumes the exercise of, the powers and discharge of the duties of the office, or until, where an actual vacancy exists, a successor is appointed to fill such vacancy or is elected and qualified as provided by law. (Am. by ORD-09-00147, 11-6-09; ORD-14-00012, 1-14-14)

(5) Recording and Publication. The name, address and rank in order of succession of each duly authorized deputy and emergency interim successor shall be filed with the City Clerk and each designation, replacement, or change in order of succession of an emergency interim successor shall become effective when the designator files with the City Clerk the successor's name, address, and rank in order of succession. The City Clerk shall keep on file all such data regarding duly authorized deputies and emergency interim successors which shall be open to public inspection.

(6) Formalities of Taking Office. At the time of their designation, emergency interim successors shall take such oath and do such other things, if any, as may be required to qualify them to exercise the powers and discharge the duties of the office to which they may succeed.

(7) Emergency Meetings of the Governing Body. During any emergency:

(a) Any member of the Common Council or a legally constituted successor may call a meeting of the Common Council by notifying all members or their interim successors so far as practicable and by whatever means available of the time and place of such meeting, within or without the City or state as circumstances dictate.

(b) The members so meeting shall establish and be governed by its own rules during such emergency.

(8) Separability Clause.

(a) If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

(b) All ordinances or a part thereof contravening the provisions of this ordinance are repealed.

(Renum. by Ord. 13,308, 4-30-03; Renum. by ORD-06-00176, 12-8-06)

3.03 MAYOR.

(1) The Mayor shall be elected on each odd numbered year for a term of two (2) years. Beginning with the 1991 Spring Election, the Mayor shall be elected every other odd numbered year for a term of four (4) years. The Mayor shall devote her/his entire time to the duties of the office of Mayor. The Mayor shall have the general supervision of all City officers and heads of departments in the performance of their official duties.

This is a charter ordinance and shall be effective upon sixty (60) days from passage and publication subject, however, to the referendum procedures of Section 66.0101(5), Wisconsin Statutes. ED. NOTE: Sec. 3.03(1) was repealed and recreated as a Charter Ordinance and amended to provide for four-year mayoral term pursuant to adoption by the electorate at the 1987 Spring Election of Res. No. 43,063, File No. 3885-86, amending Charter Ord. 39.

(2) The Mayor shall have the veto power as to all acts of the Council, except such as to which it is expressly or by necessary implication otherwise provided. All such acts shall be

submitted to the Mayor by the Clerk and shall be in force upon the Mayor's approval evidenced by Mayor's signature, or upon the Mayor failing to approve or disapprove within five (5) days, which fact shall be certified thereon by the Clerk. If the Mayor disapproves the Mayor shall file his or her objections with the Clerk, who shall present them to the Council at its next meeting. A two-thirds (⅔) vote of all the members of the Council shall then make the act effective.

(3) Mayor's Staff. The Mayor's staff shall consist of up to four (4) positions of Deputy Mayor, and other personnel authorized by the Common Council.

(a) The positions of Deputy Mayor shall be appointed by the Mayor, and shall not be covered by the civil service ordinances. Their terms shall be at the pleasure of the Mayor. Deputy Mayors shall assist the Mayor in the conduct of the business of the Mayor's Office and shall be under the direct supervision and control of the Mayor.

(b) Deputy Mayors shall have the same benefits as other non-represented professional employees in Compensation Group 18 as may be provided and/or modified by the Madison General Ordinances, Resolution of the Common Council, Administrative Procedure Memoranda or other official City action.

(Sec. 3.03(3) Cr. by ORD-16-00035, 3-25-16)

(Sec. 3.03 Am. by Ord. 5556, 8-13-76; ORD-14-00012, 1-14-14)

3.04 EMPLOYEE ASSISTANCE PROGRAMS (EAP).

Under the supervision of the EAP Administrator, or designee, the City shall provide Employee Assistance services and related training to employees and family members. This shall also include delivering and managing:

(1) A Critical Incident Stress Management (CISM) program for the organization and employees;

(2) The supervision of two First Responder Peer Support Teams; and

(3) An EAP Facilitator Network.

The City's EAP program delivery structure includes the use of an external vendor for back up and specialized services, to include conflict mediation, trauma specialists and couple counseling, etc. The Mayor, or designee, will have operational oversight for budget allocation, personnel management and program utilization accountability. The EAP Administrator will produce an annual utilization report and make recommendations for program and organizational improvements.

(Sec. 3.04 Am. by Ord. 6642, 6-8-79; R. & Rec. by ORD-16-00035, 3-25-16)

3.05 CITY CLERK. The office of City Clerk is hereby established to perform the duties of Clerk as provided in Wis. Stat. § 62.09(11). The City Clerk shall be appointed by the Mayor, subject to the approval of the Common Council and shall be a managerial employee within Sec. 3.54(9), MGO. The City Clerk shall be responsible for the publication, filing, indexing, and safekeeping of all proceedings of the Common Council; shall be responsible for all election duties as required by the laws of the State of Wisconsin and shall keep and maintain all election records and be responsible for all property used in connection with the holding of elections. The City Clerk shall publish all required legal notices unless otherwise provided; shall file and preserve all contracts, bonds, oaths of office and other documents not required to be filed elsewhere and shall issue all licenses required by ordinance or state statute, except as otherwise provided. The City Clerk shall be the custodian of the official City seal and shall notify the appointing authority and the Chair of all boards or commissions thirty (30) days prior to the expiration of the term of office of any member thereof. The City Clerk shall prepare the tax roll and tax notices as required by Wisconsin Statutes. The City Clerk shall take an oath of office to faithfully perform the duties of the office.

This is a Charter Ordinance which requires adoption by two-thirds of all the members of the Common Council and which shall take effect sixty (60) days following passage and publication, subject, however, to the referendum provisions of Wis. Stat. § 66.0101(5).

(Cr. by Ord. 9146, 3-30-87; R. & Recr. by CHA-06-00001, 2-24-06; Subsecs. (2), (3), and (4) R. by ORD-06-00031, 4-7-06; R & Rec. by CHA-06-00005, 6-3-06 (This is a Non-Charter Provision); Renum. by ORD-07-00048, 4-12-07; Am. by ORD-14-00173, 12-10-14)

3.055 CITY TREASURER. The office of City Treasurer is hereby established to perform the duties of the Treasurer as provided in Wis. Stat. § 62.09(9). The City Treasurer shall be appointed by the Mayor, subject to the approval of the Common Council and shall be a managerial employee within Sec. 3.54(9), MGO. The City Treasurer shall collect and account for all taxes, license monies, fees, accounts of charges due or owing to the City, shall be responsible for the collection, receiving, safekeeping, and accounting for all monies and securities of the City of Madison and attend to all related treasury affairs, and shall perform such other duties as are required by State law, City ordinance or the Mayor. The City Treasurer shall take an oath of office to perform faithfully and impartially the duties of the office and shall execute the bond required by Section 3.31(1), MGO.

This is a Charter Ordinance which requires adoption by two-thirds of all the members of the Common Council and which shall take effect sixty (60) days following passage and publication, subject, however, to the referendum provisions of Wis. Stat. § 66.0101(5).

(Cr. by Ord. 9146, 3-30-87; R. & Recr. by CHA-06-00001, 2-24-06; Subsecs. (2), (3), and (4) R. by ORD-06-00031, 4-7-06; R & Rec. by CHA-06-00005, 6-3-06; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-14-00173, 12-10-14)

3.06 CITY ASSESSOR.

(1) Effective March 1, 1989, the position of City Assessor as it becomes vacant shall be filled according to Sec. 3.54(9)(f) of these ordinances. The incumbent of the position as of the above date may enter into an employment contract as described in such section at his or her option. The City Assessor shall, perform all work in assessing of property and the preparation of all assessments as required by state law.

This is a Charter Ordinance and shall be effective upon sixty (60) days from passage and publication subject, however, to the referendum procedures of Wis. Stat. § 66.0101(5).

(Renum. by ORD-07-00048, 4-12-07; Sec. 3.14(1) Am. by Charter Ord. 60, 3-30-89; CHA-06-000002, 2-24-06; Am. by ORD-14-00173, 12-10-14)

(2) Whenever the assessment of any real property shall be increased over the assessment of the same property for the previous year, the City Assessor shall cause written notice to be mailed to the owner of the property setting forth the amount of such increase, which notice shall be mailed not more than ten (10) days after the Assessor certified the tax roll to the City Clerk.

3.07 CITY ATTORNEY.

(1) The City Attorney is a statutory office created pursuant to Wis. Stat. § 62.09(12) and shall be responsible for the duties contained therein and for the conduct of all legal services of the City and shall serve as legal advisor to the Council, the Mayor and all departments and offices of the City. The City Attorney shall be in charge of the prosecution of all cases arising out of the violation of the provisions of the City ordinances. The City Attorney shall represent the City in matters in which the municipality is interested before any court or tribunal and shall perform such other duties as may be required by the Mayor or Common Council. It shall be the duty of the City Attorney to call to the attention of the Mayor and Common Council all matters of law affecting the City.

The City Attorney shall be the official revisor of ordinances. No ordinance shall be enacted by the Common Council unless such ordinance is first referred to the City Attorney for a study respecting form and legality. In the revisions of the official codification of the Madison General Ordinances the City Attorney is empowered to renumber sections and subdivisions if in his or her opinion this is necessary, and to make editorial changes which are minor and not substantive in nature.

Effective March 1, 1989, the position of City Attorney as it becomes vacant shall be filled according to Sec. 3.54(9)(f) of these ordinances. The incumbent of the position as of the above date may enter into an employment contract as described in such section at his or her option.

This is a Charter Ordinance and shall be effective upon sixty (60) days from passage and publication subject, however, to the referendum procedures of Wis. Stat. § 66.0101(5).

(Former Sec. 3.15(1) Am. by Charter Ord. 61, 3-30-89; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-14-00012, 1-14-14; ORD-14-00173, 12-10-14)

(2) Public Nuisance Authority.

The City Attorney is authorized to commence and prosecute public nuisance actions on behalf of the City under Wis. Stat. ch. 823, if the following occurs:

(a) The City Attorney provides written notice to the Mayor and Common Council of the intent to file a nuisance action. This written notice will include a description of the nuisance, why action is necessary, and a reminder of the fifteen (15) day time limit in this ordinance to request Common Council consideration of a resolution.

(b) If the Mayor or any member of the Common Council wishes to have the matter considered by resolution of the Common Council, he or she shall, within fifteen (15) days of receipt of the notice from the City Attorney, provide a written request for such a resolution to the City Attorney.

(c) If there is a request for a resolution, the City Attorney shall draft a resolution (sponsored by the person requesting the same) requesting authorization to commence the nuisance action. This resolution is to be considered immediately at the next scheduled Common Council Meeting.

(d) If the City Attorney does not receive a request for a resolution within fifteen (15) days of receipt of the City Attorney's notice, the City Attorney does not need to obtain a resolution and is authorized to commence and prosecute the nuisance action as authorized under Wis. Stat. ch. 823.

(Cr. by ORD-05-00006, 1-4-05; Am. by ORD-05-00167, 11-8-05; Renum. by ORD-07-00048, 4-12-07)

3.08 CITY ENGINEER.

(1) The City Engineer shall be appointed in accordance with Section 3.54(9), MGO. (Am. by ORD-07-00193, 12-20-07; ORD-14-00173, 12-10-14)

(2) The City Engineer shall perform all engineering services for the department and for such other departments of the City as may be required. The supervision of all construction work undertaken by the City shall be furnished by the City Engineer except as otherwise ordered by the Mayor.

(3) All water and other public service mains shall be laid to a line and grade given or approved by the City Engineer, and laying of mains and location of valves and hydrants shall be directed or approved by the City Engineer.

(4) The City Engineer shall have power to engage such office and other assistance as he or she shall deem necessary, subject to the approval of the Mayor. (Am. by ORD-14-00012, 1-14-14)

(5) No other or additional engineering service shall be employed by any City department without consent duly obtained from the Mayor.

3.09 COMMON COUNCIL BENEFITS.

In addition to the salaries for Alderpersons found in Sec. 3.50, MGO, upon meeting the participation requirement(s) set by the Department of Employee Trust Funds (ETF), qualifying Alderpersons shall be enrolled in the Wisconsin Retirement System (WRS) and may be eligible for enrollment in the City's group health insurance plan. Alderpersons will be responsible for paying the employee portion of their retirement contribution and the employee portion of their selected

health insurance plan consistent with ETF policy and applicable State law and City ordinance. There is no six (6) month waiting period for the employer's contribution to health insurance but the employer's contribution shall be pro-rated based on the Alderperson's qualifying hours.
(Cr. by ORD-17-00057, 6-19-17)

3.10 FINANCE DIRECTOR. See Section 4.01, MGO. (Am. by ORD-11-00037, 3-8-11)

(g) (R. by Ord. 5480, 5-6-76)

(h) The Division of Parks shall be responsible for the execution of all public works improvements in the parks.

(5) Composition of the Department. The Department of Public Works shall consist of the City Engineer, the Fleet Service Superintendent, the Superintendent of Sanitation, the Superintendent of Parks, which department heads shall perform their duties under the direction of the Director of Public Works. (Am. by Ord. 6561, 3-16-79)

(6) The Director of Public Works. The Department of Public Works shall be managed and directed by a Director of Public Works. Effective March 1, 1989, the position of Director of Public Works as it becomes vacant shall be filled according to Sec. 3.54(9)(f) of these ordinances. During any period in which there is a vacancy in this position the City Engineer shall exercise the authority for fulfilling the duties, responsibilities and obligations of this position. He/she shall, together with the division heads, be charged with the duty of preparing and presenting the annual operating and capital budgets of the several divisions of the department. Such Director shall have full authority to establish technical standards, methods, and procedures for the department and its divisions and to see that they are properly executed. He/she shall have authority to employ, assign, or reassign all personnel within the various divisions and to resolve all disputes between the divisions and conflicting demands for labor and equipment. All public works construction plans adopted by the Common Council shall be carried out by him/her according to design and time schedules within allocated budgets. Effective March 1, 1989, the positions of City Engineer, Streets Superintendent, Superintendent of Parks and Fleet Service Superintendent as they become vacant shall be filled according to Sec. 3.54(9)(f) of these ordinances. The incumbent of the position as of the above date may enter into an employment contract as described in such section at his or her option. (Am. by Ord. 9745, 3-30-89; ORD-06-00097, 8-2-06; ORD-08-00048, 5-10-08; ORD-14-00173, 12-10-14)

(7) Retention of Present Boards. The creation of this Department of Public Works shall not affect the functions of the various boards and commissions as presently constituted under existing statutes or ordinances. The Director of the Department of Public Works shall be a member of the Technical Coordinating Committee of the Dane County Transportation Study. (Am. by Ord. 11,848, Adopted 4-15-97; Effective 5-21-97)

3.12 DEPARTMENT OF PLANNING AND COMMUNITY AND ECONOMIC DEVELOPMENT.

(1) Purpose. There is hereby established a Department of Planning and Community and Economic Development for the City of Madison which is intended to bring together the staff primarily responsible for economic and community development, for the regulation, planning and guidance of developmental activities to provide a structure conducive to more efficient coordination, for more centralized accountability and responsibility, and for more efficient delivery of services to the public.

(2) Composition of Department. The Department of Planning and Community and Economic Development shall consist of a Director of Planning and Community and Economic Development, the Planning Division, the Building Inspection Division, the Economic Development Division, the Community Development Division, and the Housing Operations Division (Am. by Ord. 9748, Adopted 4-4-89; Ord. 13,379, 8-2-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-08-00025, 3-15-08; ORD-08-00109, 10-7-08)

(3) Director of Planning and Community and Economic Development. The Department of Planning and Community and Economic Development shall be managed and supervised by the Director of Planning and Community and Economic Development. The position of

(Am. by Ord. 13,379, 8-2-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-07-00067, 6-2-07; ORD-09-00019, 3-14-09; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; ORD-12-00076 & ORD-12-00077, 6-20-12; ORD-13-00004, 1-15-13)

(b) To contract with and provide the necessary administrative and staff support services to perform any or all functions for the Community Development Authority organized pursuant to Sec. 3.17 of the Madison General Ordinances and Wis. Stat. § 66.1335; provided, however, that nothing contained in this ordinance shall be construed as nor operated in such a manner so as to interfere with the statutory powers and duties of the Community Development Authority.

(c) To provide the necessary administrative and staff support services the Community Development Block Grant Office, the Office of Community Services, the Senior Center and the Office of Business Resources.

(Am. by Ord. 11,698, 10-29-96; Renum. by ORD-07-00048, 4-12-07)

(5) Planning Division. Under the direction of the Planning Division Director, this division is responsible for the general planning activities relating to land use, comprehensive and master planning, development review, physical and special project planning, assisting other governmental Divisions to site facilities, urban design, historic preservation, transportation planning, housing planning, neighborhood planning and support, and shared data administration. This division also provides technical support services to the Madison Area Transportation Planning Board, a separate planning policy board. (Am. by Ord. 9748, Adopted 4-4-89; Renum. by ORD-07-00048, 4-12-07; ORD-12-00078, 6-20-12)

(6) Economic Development Division. This Division includes the Office of Real Estate Services, the Office of Economic Revitalization, and the Office of Business Resources. Under the direction of the Economic Development Division Director, this division is responsible for:

(a) administering the City's economic development plan and promoting the economic development of the City, including tax incremental financing,

(b) managing and coordinating the tools to revitalize neighborhoods and commercial areas through the Office of Economic Revitalization, including coordinating the provision of staff services to the Community Development Authority,

(c) performing real estate services for the City, including property acquisition and disposition, management, investigation and relocation through the Office of Real Estate Services, and

(d) providing advice and connections to a variety of information and assistance to retain, grow and attract businesses, and to promote healthy employment and commercial areas, through the Office of Business Resources.

(R./Re-Cr. by Ord. 9748, Adopted 4-4-89; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-08-00025, 3-15-08)

(7) Community Development Division. This Division includes the Community Development Block Grant office, the Senior Center, and the Office of Community Services. Under the direction of the Community Development Division Director, this division is responsible for:

(a) planning, developing and implementing a variety of programs, services and activities of interest to older people, through the Senior Center,

(b) planning, developing, implementing and evaluating community services and human services including services purchased by the City from non-profit agencies, through the Office of Community Services, and

(c) promoting healthy neighborhoods and a viable urban community through support of effective community oriented programs including services purchased by the City from private non-profit agencies through the Community Development Block Grant Office.

(Cr. by ORD-08-00025, 3-15-08)

(8) Building Inspection Division. Under the direction of the Building Inspection Division Director, this division is responsible for building inspection, consumer protection inspection, systematic code enforcement, zoning and sign administration, as well as those functions specified in Sec. 29.14 of these ordinances. (Am. by Ord. 9748, Adopted 4-4-89; Renum. by ORD-07-00048, 4-12-07; Renumbered by ORD-08-00025, 3-15-08; Am. by ORD-08-00109, 10-7-08)

(9) Housing Operations Division. Under the direction of the Housing Operations Division Director, this division is responsible for the management, administration and maintenance of the Community Development Authority's public housing units and assisted housing programs. (R/Re-Cr. by Ord. 9748, Adopted 4-4-89; Renum. by ORD-07-00048, 4-12-07; Renumbered by ORD-08-00025, 3-15-08)

(10) Child Care Program.

(a) Purpose. A Child Care Unit is hereby established in the Office of Community Services to serve the health, safety and welfare of the public by promoting those functions which cannot be provided entirely by the private sector; to improve the quality of family life; to protect parental choice in selecting from a variety of quality child care environments; to protect the growth, development, happiness and health of young children; to provide referral and supportive services to child care consumers and providers; and to provide assistance to those families with the greatest human and economic need. (Am. by Ord. 7896, 12-29-82, 12-31-82, 1-2-83; Renum. by ORD-07-00048, 4-12-07)

1. The specific aims of the Child Care Program shall be two-fold:

a. To provide a variety of support services to assist parents and child care providers who request such services in order to improve the quality of available child care services; and

b. To provide financial assistance to those families, children, and child care providers with the greatest human and economic need.

2. These objectives may be accomplished through:

a. Accreditation of child care providers that meet standards established by the Community Services Supervisor; (Am. by Ord. 8099, 8-12-83)

b. Providing in-service training and technical assistance to child care providers;

c. Providing loans to child care providers for improvement of facilities, services, or methods;

d. Providing grants for improvement, implementation, services, or expansion;

e. Providing tuition aid to those families and children with great economic or human need related to child care;

f. Providing information, and referral for child care consumers and providers.

Further, such aims shall be accomplished in a manner which ensures parental participation in the policy formation of the child care program, and provides public accountability in the use of public resources.

(b) Definitions.

1. The term "child care program" as used in this ordinance shall mean child care/child development provided by a corporation at a single location.
2. The term "afterschool child care program" as used in this ordinance shall mean child care/child development provided for school age children by a corporation or family child care providers as a supplement to school attendance hours, for four (4) or fewer hours each day.
3. The term "family child care" home program as used in this ordinance shall mean child care/child development provided for eight (8) or fewer children at one time and located in the dwelling unit of the child care provider.
4. The term "full child care" as used in this ordinance shall mean child care provided for five (5) or more hours each day.
5. The term "half day child care" shall mean child care provided for less than five (5) hours each day.
6. The "actual cost of care" shall be calculated as the actual expenditures for the preceding quarter, divided by the average number of full time equivalent service units actually provided for the same period.
7. The term "parent" as used in this ordinance shall mean parent, guardian, or legal custodian as defined in Wis. Stat. ch. 48.02, or guardian of the person appointed under Wis. Stat. ch. 880.01.

(c) Accreditation. The following shall be the standards for accreditation of child care programs:

1. Organizational Prerequisites for Eligibility for Accreditation.

a. In order to be eligible for City accreditation and participation in the Child Care purchase of service system, a child care program must be organized in one of two ways; it may be incorporated as a single service, child care program or it may be a service component of a multi-service corporation. In either case, the corporation shall be registered with the Secretary of State as a corporation within the meaning of Wis. Stat. chs. 180, 181, and 183.

A government-sponsored child care program is eligible if it is directly administered by a government agency or public educational body which has authority to contract and to sue and be sued, or if it is administered through a contract between such a government agency or educational body and an accredited child care program.

(Am. by ORD-13-00004, 1-15-13)

i. If the private child care program is a single service corporation, registered with the Secretary of State as a nonprofit corporation under Wis. Stat. § 181, it shall be governed by a Board of Directors. The Board shall have a minimum of five (5) members. A minimum of one-third (⅓) of those

members shall be parents of children who are currently enrolled in the program or whose children have been enrolled in the program in the past year. The members shall be chosen in a process in which all parents of children currently enrolled have a fair opportunity to participate. The Board shall have final authority over the budget, program and the hiring, supervision, and termination of the corporation's staff administrator.

ii. If the private child care program is part of a larger, multi-service corporation, registered with the Secretary of State as a nonprofit corporation under Wis. Stat. ch. 181, it shall:

A. Be governed by a Board of Directors.

B. The child care program of the multi-service corporation shall ensure parental participation by parents of children currently enrolled in the child care program, and provide public accountability in the use of public resources. The child care program shall have processes that ensure parent participation regarding the budget and structure of the child care program and hiring, supervision, and termination of the chief administrator of the child care program. No multi-service corporation shall allocate to its child care program an amount less than the program's gross income in tuition and fees. Parents of the child care program shall be entitled to inspect and receive copies of any papers or documents of a multi-service corporation which pertain to the funding or operation of the child care program within a reasonable time after requesting the same in writing.

(Am. by Ord. 10,516, 11-11-92; Renum. by ORD-07-00048, 4-12-07)

iii. If the child care program is a business corporation, registered with the Secretary of State under Wis. Stat. ch. 180, or a government-sponsored child care program, its Board of Directors or its governing body shall ensure parental participation by parents of children currently enrolled in the child care program in the policy formation of the child care program, and provide public accountability in the use of public resources. The child care program shall have processes that ensure parent participation regarding budget and structure of the child care program and hiring, supervision, and termination of the chief administrator of the child care program. Parents of children enrolled in the child care program shall be entitled to inspect and receive copies of any papers or documents of the corporation which pertain to the funding or operation of the child care program within a reasonable time after requesting the same in writing.

(Am. by Ord. 9915, 12-29-89; Renum. by ORD-07-00048, 4-12-07)

b. If the child care program is designed to serve primarily drop-in or transient clients, the requirement of parent representatives on the Board of Directors or Child Care Committee, as set forth in

Section 3.12(9)(c)1.a.i. and ii.B. above, is fulfilled when at least one half (½) or more of the required number consists of parents who now use the service or have used it within the last year, and the remainder are parents who use child care services, although not necessarily the services of that particular program. (Cr. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)

c. The child care program shall be governed by a Board of Directors whose officers and members are not chosen for any religious or sectarian purpose. All staff including teachers must be selected on a nondiscriminatory basis without regard to religious beliefs or affiliation. (Am. by Ord. 11,297, 7-11-95; Renum. by ORD-07-00048, 4-12-07)

d. The child care program shall exhibit no religious bias in enrollment, nor shall the program exhibit religious bias in instructional policies, practices and materials. (Am. by Ord. 11,297, 7-11-95; Renum. by ORD-07-00048, 4-12-07)

e. The child care program shall be currently in compliance with all rules governing child care centers and family child care homes (where applicable) established by the Wisconsin Department of Safety and Professional Services. (Am. by Ord. 11,811, 3-14-97; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-12-00035, 3-28-12)

f. Further, if a program is categorized as a family child care home program, that program shall be affiliated with a larger umbrella organization which meets the above organizational prerequisites a. through e. The umbrella organization shall provide referral of children, supervision of program activities, and training of staff. (Renum. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)

g. If a corporation locates its child care program outside the City of Madison, but provides service to residents of Madison, it may be accredited for the limited purpose of providing service to tuition aid recipients. Such programs shall not be eligible for grants, loans, or in-service training and technical assistance. (Renum. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)

2. Standards of Quality for Four Different Types of Child Care: Afterschool, Full Day, Part Day and Family Child Care. In order to obtain City accreditation, a child care program must be determined by the Office of Community Services to meet the organizational prerequisites identified above and must obtain a "satisfactory" rating (reasonable compliance) on standards of quality as determined by the Community Services Supervisor, such standards to be based (whenever applicable) on the Rules for Licensing Child Care Centers and Family Child Care Homes for Children of the Wisconsin Department of Safety and Professional Services. To obtain accreditation a Child Care Program must obtain at least a "satisfactory" rating (reasonable compliance) in each of the following specific areas:

a. Organization and administration;

b. Personnel;

c. Physical plant and furnishings;

d. Program;

e. Interactional setting.

Standards of quality shall be subject to annual review. Additions or modifications shall take effect sixty (60) days after notification of all accredited programs.

(Sec. 3.18(3)(c)2. Am. by Ord. 11,811, 3-14-97; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-12-00035, 3-28-12)

3. Procedure for Accreditation.

a. The Office of Community Services shall inform all licensed day care programs in Madison of the opportunity for City accreditation and make available the prerequisites, standards and procedures for application for accreditation.

b. Child care programs shall apply for City accreditation through the office.

c. The Office shall determine eligibility for accreditation by verifying that the program meets the organizational prerequisites and the standards of quality.

d. Accreditation by the Office shall be made annually. If accreditation is denied, the Office must inform each applicant of the basis of denial within ten (10) working days after the Office has made the decision. Denials shall state areas in which improvements must be made before application can be resubmitted. Application for accreditation shall be permitted no more than two (2) times in one year.

e. i. The applicant shall not be certified if the Office determines that the applicant either does not meet the organizational prerequisites or does not meet the quality standards, or has refused to supply the Office with sufficient information. In such cases, the Office shall inform the applicant in writing of its determination not to certify, and shall include the reasons therefore.

ii. The applicant, by written request made within thirty (30) days of receipt of such a determination, may have it reviewed by the Office. The request for review shall state the ground or grounds upon which the applicant contends that the determination should be modified or reversed. The office shall complete its review within fifteen (15) days of receipt of such request. The time for review may be extended by agreement of the applicant and the Office. The applicant may file with the request for review, or within the time agreed, written evidence and argument in support of the application for accreditation. If the applicant intends to request an exception, as provided in Subsubparagraph vi., the request for review must state that an exception will be requested, and the reason or reasons for the request. (Am. by Ord. 9533, 7-15-88; Renum. by ORD-07-00048, 4-12-07)

iii. The Office may affirm, reverse or modify its determination, and shall provide the applicant with a copy of its decision on review, which shall state the reasons for such decision. The decision shall advise the applicant of his/her right to appeal the decision to the Early Childhood Care and Education Committee. The Office has no authority to grant an exception under Subsubparagraph vi. but if the applicant has requested an exception, the decision shall

contain the Office's recommendation on the request, and the reasons for the recommendation. (Am. by Ord. 9533, 7-15-88; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

iv. If the applicant files an appeal of the Office's decision on review with the City Clerk within thirty (30) days of notice of such decision, the Early Childhood Care and Education Committee shall provide the applicant a hearing. Such hearing shall be held within fifteen (15) days after such appeal is filed, and the applicant shall be notified of the hearing date at least ten (10) days before such hearing. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

v. At the hearing, the applicant and the Office may be represented by counsel and may present evidence and call and examine witnesses and cross-examine witnesses of the other party. Such witnesses shall be sworn by the person conducting the hearing. The Early Childhood Care and Education Committee may issue subpoenas. The person conducting the hearing or another person at his/her direction shall take notes of the testimony and shall mark and preserve all exhibits. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

vi. Within twenty (20) days of completion of the appeal hearing by the Early Childhood Care and Education Committee, and the filing of briefs, if any, the Board shall mail or deliver to the applicant its written determination, including the reason therefore. Such determination shall be a final administrative determination, and is appealable to the courts. The Board is authorized to grant an exception to the technical requirements of accreditation, in those specific instances when the Board determines that such an exception would be in accord with the spirit and intent of the accreditation requirements, but only if the applicant requests an exception as part of its request for review under Subsubparagraph ii., and states reasons why an exception should be granted. (Am. by Ord. 9533, 7-15-88; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

vii. The procedure outlined above is intended to constitute compliance with the provisions of Wis. Stat. ch. 68, entitled "Municipal Administrative Procedure."

(Sec. 3.12(9)(c)3.e. Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

f. City accreditation may be suspended or revoked by the Supervisor of Community Services when he or she has reason to believe that the terms and conditions of the accreditation are being violated or for interference with the Office in performing the duties prescribed by this ordinance. The Supervisor shall inform the corporation of such suspension or revocation in writing, and shall include the reasons therefore. Procedures for review of such suspension or revocation shall be the same as those provided in Subparagraph e. of this Paragraph.

(Sec. 3.18(3)(c)3. Am. by Ord. 8099, 8-12-83; Renum. by ORD-07-00048, 4-12-07)

4. Probationary Accreditation.

a. When the Supervisor of Community Services determines that a certified day care program no longer meets the standards of quality, the program may request that instead of suspending or revoking accreditation, the Supervisor place the program on probationary accreditation status. Probationary accreditation may not be granted unless all of the following standards are met:

i. In the opinion of the Supervisor of Community Services, the child care program is capable of correcting the deficiency.

ii. The deficiency does not jeopardize the health, safety, or welfare of the children cared for in the program.

iii. The staff and administration of the day care program recognize the deficiency and have prepared a written plan, approved by the Supervisor of Community Services, for its correction.

b. Probationary accreditation status may be granted only once during each accreditation review. Such status may be granted only for a specified time, which shall not exceed ninety (90) days, and which shall not be extended. If the child care program fails to meet all standards of quality at the end of the probationary accreditation period, its accreditation shall be revoked. After such revocation, the program may not apply for accreditation until six (6) months after the date of revocation, or until the program certifies in writing that all standards are met, whichever is sooner.

c. No child care program which fails to meet the organizational prerequisites contained in Sec. 3.12(9)(c)1. of this ordinance, may receive probationary accreditation status.

d. While a child care program has probationary accreditation status, it may continue to serve children eligible for tuition aid under Sec. 3.12(9)(g) of this ordinance, if such children were already being served on the date when the probationary status was imposed. No new children eligible for tuition aid will be referred until all deficiencies are corrected and accreditation is restored.

e. All parents of children eligible for tuition aid being served by a child care provider placed on probationary accreditation status shall be notified in writing by the Supervisor of Community Services.

f. A child care program which is placed on probationary accreditation status may apply for day care grants under Sec. 3.12(9)(f) of this ordinance. No grant funds may be released, however, until the probationary status is concluded and accreditation is granted. If the grant was approved by the Early Childhood Care and Education Committee before probationary accreditation was imposed, no grant funds shall be released until the probationary status is concluded and accreditation is granted. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

g. Notwithstanding the provisions of subparagraph f. above, grant funds may be released to a program on probationary accreditation status if the Supervisor of Community Services determines that such grant is necessary for correcting the program's deficiency and

if the Early Childhood Care and Education Committee approves. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

h. Denial by the Supervisor of Community Services of a program's request for probationary accreditation status, and failure of a program to be certified at the conclusion of its probationary accreditation status may be appealed to the Early Childhood Care and Education Committee as provided in Sec. 3.12(10)(c)3.e. of this ordinance. No other action regarding probationary accreditation status is appealable. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(Sec. 3.18(3)(c)4. Cr. by Ord. 9546, 7-28-88; Renum. by ORD-07-00048, 4-12-07)

(d) In-Service Training and Technical Assistance. In-service training and technical assistance may be provided by the Office of Community Services to child care providers for the purpose of upgrading their facilities and programs. (Am. by Ord. 7896, 12-29-82, 12-31-82, 1-2-83; Renum. by ORD-07-00048, 4-12-07)

(e) Loans. The Community Services Supervisor, with the advice and consent of the Early Childhood Care and Education Committee, may authorize loans to nonprofit accredited child care programs or to nonprofit child care programs meeting the organizational prerequisites which have made application for accreditation. Loans shall be used to make staff, program and environmental improvements. No funds shall be expended for any sectarian purpose or activity including but not limited to religious worship or instruction and construction, repair or remodeling of facilities owned by a religious organization.

Criteria for loans shall be:

1. Aptness of program to consumer needs;
2. Overall program quality as established by consumer comment and City accreditation standards;
3. Fiscal efficiency and feasibility of budget in light of program goals;
4. Projected ability to repay loans;
5. Provision of service to groups with special, unserved needs;
6. Demonstration of loan use as an appropriate public priority.

(Am. by Ord. 11,297, 7-11-95; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(f) Grants. The Community Services Supervisor, with the advice and consent of the Early Childhood Care and Education Committee, may authorize grants to nonprofit or government-sponsored certified child care programs, or to any program if the Community Services Supervisor determines that the grant is necessary to enable the program to meet accreditation requirements. No funds shall be expended for any sectarian purpose or activity including but not limited to religious worship or instruction and construction, repair or remodeling of facilities owned by a religious organization. Programs must apply for accreditation and shall meet the organizational prerequisites. Criteria for grants shall be:

1. Aptness of program to consumer needs;
2. Overall program quality as established by consumer comment and City accreditation standards;
3. Fiscal efficiency and feasibility of budget in light of program goals;
4. Provision of service to groups with special unserved needs;
5. Demonstration of grant use as appropriate public priority.

(Am. by Ord. 11,297, 7-11-95; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(g) Tuition Aid. Tuition aid may be provided to eligible applicants for payment of child care costs to child care programs which are City accredited as provided in this ordinance. The Community Services Supervisor, at least once each year, with the advice of the Early Childhood Care and Education Committee, shall allocate available tuition aid funds to the following categories of eligible applicants: (1) applicants who need child care because of a special need, as defined in Sec. 3.12(9)(g)2. of this ordinance; (2) applicants who need child care because of employment; and (3) applicants who need child care because of training. The Supervisor may authorize disbursement of tuition aid to eligible applicants provided that, upon finding that an applicant is eligible for tuition aid, the Supervisor shall estimate the total amount necessary to provide such aid to that applicant for the rest of the calendar year; or such period of time as approved by the Common Council. He or she shall then cause that amount to be administratively encumbered. At the end of each calendar quarter, the Supervisor shall prepare a report to the Early Childhood Care and Education Committee and Common Council, specifying the number and category of applications received and the amounts encumbered in each category. If, based on such report, it appears that funds allocated for one or more categories may be exhausted while funds allocated for other categories remain unencumbered, the Supervisor, with the advice of the Early Childhood Care and Education Committee, shall be authorized to transfer funds from one to another category of eligibility. This amendment shall become effective January 1, 1981.

When the total estimated sums required to provide tuition aid are approximately equal to the amount appropriated in the Budget to provide such aid, no additional applicants shall be accepted into the program, but their applications may be on a waiting list.

If any recipients of tuition aid cease to be eligible, or are eligible for lesser amounts of tuition aid, the Supervisor shall cause the necessary adjustments to be made in the amounts administratively encumbered. When sufficient funds are available to provide tuition aid to additional applicants until the end of the calendar year, he or she may then process additional applications, in the order of the date of application.

1. Standard Tuition Aid.
    a. The applicant must be the parent of the child for whom the tuition aid is sought;
    b. The applicant must be a resident of the City of Madison for six (6) months prior to application for such tuition aid;
    c. The child for whom tuition aid is sought must be of child care age, between 0 and the completion of elementary fifth (5th) grade or its equivalent;
    d. The parent(s), legal guardian(s), or custodian(s) and all other resident household adults able to care for the child, and with whom the child resides, must be unable to provide care and supervision because of employment, training or a combination thereof.
        i. For the purpose of this provision, "employment" includes only paid employment totaling an average of at least twenty (20) hours per week.
        ii. For the purpose of this provision, "training" includes attendance in a course of study leading to a high school diploma or its equivalent, an accredited trade school or apprenticeship program, and credits in post-secondary

education sufficient to acquire an associate degree. (Am. by Ord. 12,075, 3-27-98; Renum. by ORD-07-00048, 4-12-07)

e. The applicant must be currently ineligible to receive other forms of child care assistance such as AFDC child care reimbursement or Purchase of Care.

f. The applicant must meet the income criteria established by the Common Council.

2. Special Needs Tuition Aid.

a. An applicant who is a Madison resident and who is income eligible but who fails to meet the other rules of eligibility shall be eligible if the Community Services Supervisor determines he or she meets the Special Need for Child Care criteria.

b. The Community Services Supervisor, with the advice and consent of the Early Childhood Care and Education Committee, shall establish special needs criteria. Such criteria shall be based on the needs of the family, environmental hazard, emergency, or unusual, pressing, or extreme circumstances. The purpose of Special Needs Tuition Aid is to provide assistance where child care is an essential element in protecting family stability. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

c. The Community Services Supervisor may authorize deduction of expenses related to the applicant's special need (such as the cost of physical therapy) for the purpose of determining income eligibility and family contribution.

(Sec. 3.18(3)(g)2. Am. by Ord. 8099, 8-12-83; Renum. by ORD-07-00048, 4-12-07) (Sec. 3.18(3)(g) Am. by Ord. 8704, 10-28-85; Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

3. Appeal of Eligibility Determination. If the Office determines that the applicant is ineligible for tuition aid, the Office shall inform the applicant in writing, including the reasons for such determination. Such determination is subject to review and appeal, according to the procedures set forth in Subparagraph e., Paragraph 3. of Subdivision (c) of this ordinance. (Am. by Ord. 7896, 12-29-82, 12-31-82, 1-2-83; Renum. by ORD-07-00048, 4-12-07)

4. Classification of Need. Families shall be classified as needing full time, part time, or afterschool care based on the periods of time children need care and the distribution of those periods throughout the day and the week.

5. Calculation of Rate.

a. The City Rate for full-day child care and full-day family child care shall be calculated as the average of all City accredited full-day and full-day family child care program fees to the public for children over three (3) years old. (Am. by Ord. 8704, 10-28-85; Renum. by ORD-07-00048, 4-12-07)

b. The City Rate for half-day child care shall be calculated at sixty percent (60%) of the City Rate for full-day child care.

c. The City Rate for full-day toddler care and full-day family toddler care shall be calculated as the average of all City accredited full-day child care and full-day family child care program fees to the public for children three (3) years old and younger. The rate applies through the payment period in which the child reaches her/his third birthday.

d. The City Rate for half-day toddler care shall be calculated at sixty percent (60%) of the City Rate for full-day toddler care.

e. The Early Childhood Care and Education Committee is authorized to establish a City Rate for infant care, which rate shall be no greater than one hundred fifty percent (150%) of the City Rate for toddler care. For purposes of this section, an infant is a child younger than two (2) years old, and the rate applies through the payment period in which the child reaches her/his second birthday. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

f. The City Rate for half-day infant care shall be calculated at sixty percent (60%) of the City Rate for full-day infant care.

g. The Early Childhood Care and Education Committee is authorized to establish a City rate for care of children whose parent or parents have been determined by the Community Services Supervisor to meet the Special Need for Child Care criteria, as provided in Subsection (3)(g)2. of this ordinance. The rate shall be no greater than one hundred fifty percent (150%) of the City rate for children more than three (3) years old. (Am. by Ord. 12,806, Adopted 4-3-01; Renum. by ORD-07-00048, 4-12-07)

h. The City Rate for afterschool care shall be calculated as the average of all City accredited afterschool care program fees to the public.

i. The City Rate shall be the basis for calculating the City share for each individual tuition aid recipient.

j. The City Rate shall be calculated each October 1.

k. In no case is the City share to exceed the City Rate.

l. In no case is the City share to exceed the program's fee to the public.

m. In programs offering sliding scales, the program's fee shall be calculated as the maximum fee received by a program at the time of accreditation.

n. In no case is the City share to exceed the actual cost of care.

o. The applicant will be required to submit a verified income statement. Tuition aid recipients must submit such statement regularly, as the Community Services Supervisor may require. The applicant may report a change in income at any time and request review of his/her payment level.

(Sec. 3.18(3)(g)5. Am. by Ord. 9915, 12-29-89; Renum. by ORD-07-00048, 4-12-07)

6. Payment Formula. The determination of payments to an applicant for tuition aid will be based on a formula established by the Common Council. The payment scale shall be revised as necessary.

(Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(h) Contracts. The City may contract with accredited child care programs for child care provided for eligible applicants, provided that:

1. In at least one of the five immediately preceding school years, at least 25% of the total enrollment in the child care program has consisted of children who receive publicly funded child care assistance; and

2. The Community Services Supervisor determines that the contract will help preserve the availability of child care service in the neighborhood.

The Early Childhood Care and Education Committee shall establish rules and procedures to be followed by the Community Services Supervisor in administering the contract program.

(Cr. by Ord. 10124, 10-12-90; Ord. 12,806, Adopted 4-3-01; Ord. 13,554, 4-6-04; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(Subsection (10) Renumbered by ORD-08-00025, 3-15-08)

(11) Emerging Opportunities Program. The Community Development Division (CDD), in concert with the Community Development Block Grant and Community Services Committees, and with the approval of the Common Council allocates City resources to community organizations for projects and activities that serve prioritized issues or populations. Such allocations are generally made through structured and regularly scheduled funding processes. Emerging needs or unanticipated opportunities routinely occur throughout the calendar year that cannot be properly addressed by these funding processes. This program is created and maintained so that the City can respond to such developments in a more timely manner and seize these opportunities as they are presented and most viable. It is also intended to offer opportunities for new and nascent organizations to receive financial support provided they can demonstrate broad engagement in the development of projects or activities they propose to undertake.

(a) Eligibility.

1. Applicants. Eligibility is limited to non-profit organizations and agencies that have obtained tax exempt status under 26 USC §501(c)(3) and groups that can secure, as fiscal agents, organizations that have obtained such status.

2. Activities. Grants shall be awarded under this program only to support projects or activities that are not eligible for other City funding and/or that are of such immediate need or of such a short-term opportunity that they could not reasonably be supported within the normal structures of other City funding processes.

(b) Uses. Funding may be used to support such uses as childcare, early childhood education, tuition assistance, housing, neighborhood revitalization, or other uses or activities that can reasonably be expected to enhance the quality of life in the City by responding to identified emerging needs and unanticipated opportunities. In awarding grants, the City may identify specific uses for which program dollars are to be used, which may include expenses related to such things as staffing, program operations, equipment and supplies.

(c) Process. The Emerging Opportunities Program grant process shall be administered by the Community Development Division. The Division shall solicit proposals twice per calendar year, in March and September, but may deviate from this schedule with the consent of the Council. Prior to each funding cycle, the Division shall establish program guidelines, award criteria and an application form and identify appropriate supporting documentation requirements.

(Sec. 3.12(11) Cr. by ORD-14-00010, 1-14-14)

(12) Construction. This ordinance is to be liberally construed to effectuate the broad purposes stated herein. (Renum. by Ord. 13,379, 8-2-03; Renum. by ORD-07-00048, 4-12-07; Renumbered by ORD-08-00025, 3-15-08; Renum. by ORD-14-00010, 1-14-14)

(13) Inconsistent Ordinances. To the extent that any existing ordinance or part of an ordinance is contrary to or inconsistent herewith, such ordinance or part of such ordinance is hereby superceded. (Renum. by Ord. 13,379, 8-2-03; Renum. by ORD-07-00048, 4-12-07; Renumbered by ORD-08-00025, 3-15-08; Renum. by ORD-14-00010, 1-14-14)

(Sec. 16.04 Am. by Ord. 8081, 7-29-83; Am. by ORD-07-00018, 2-22-07; Renum. by ORD-07-00048, 4-12-07)

3.13 HUMAN RESOURCES DEPARTMENT.

(1) Human Resources Department Established. There is hereby established the Human Resources Department. Under the management and supervision of the Human Resources Director, the department is responsible for recruiting, developing, and sustaining a talented, diverse, and engaged City workforce.

(2) Department Services. The Human Resources Department shall provide strategic HR services to Departments/Divisions in a variety of ways, including recruitment; applicant screening and examination; labor relations; classification; compensation; benefits; organizational effectiveness, development and training; workplace accommodations; and other Human Resources-related services and functions.

(3) Human Resources Director.

(a) The Human Resources Director shall be responsible for the management and supervision of the Human Resources Department and its units. The Director shall formulate, direct and manage the implementation and effectiveness of Human Resources policies, programs, and services as they relate to all City employees and applicants.

The Director shall be appointed by the Mayor pursuant to Civil Service selection procedures, subject to the approval of the Common Council, and shall serve pursuant to the terms and provisions of an employment agreement approved by the Common Council and executed by the Director, the Mayor and the Clerk. This position is not within the City's Civil Service system.

(b) The Director shall be the administrative officer of the Civil Service system, shall be the custodian of all personnel records and shall be the official upon whom or with whom all notices, open record requests, requests for hearings, communications or other official documents relating to the Civil Service system or City employment shall be served or filed, except as may otherwise be required by law.

(c) The Director shall have access to all public records and papers, the examination of which will aid in the discharge of the Director's duties. The Director or designee shall submit to the Mayor and the Common Council recommendations of the Personnel Board as to uniform standards in respect to the classification, examination, selection, employment, training, probation, promotion, suspension, demotion, and discharge of civil service employees; the nature, use, and duration of eligible lists; and rules for the conduct of disciplinary hearings by an Appeal Examiner and the conduct of appeals by the Personnel Board. S/he shall render such additional services in connection with the Civil Service system and City employees and in connection with salary classification for uniformed police officers and firefighters as may be requested by the Mayor or the Common Council.

(d) Neither the City Finance Director nor any other officer of the City, shall draw, sign, issue or pay, or authorize the drawing, signing, issuing or paying of any City payment of any salary or compensation to any person in the employ of the City of Madison other than as an elected official, unless a payroll or account for such salary or compensation containing the names of every person to be paid, have been previously certified by the Director or the Director's designee that the persons named in such payroll or account have been appointed, employed, reinstated or promoted as required by ordinance and the rules established thereunder and that the salary or compensation is within the salary range as fixed pursuant to law.

(e) 1. The Director, or designee, shall serve as the Secretary to the Personnel Board but shall not vote. All matters to be considered by the Personnel Board shall be submitted to the Director, or designee, who shall summarize these proposals, provide such information as may be deemed

appropriate, and submit recommendations to the Board for consideration. The Director, or designee, shall prepare the agenda for meetings of the Board together with appropriate supporting documentation.

2. The Director, or designee, shall serve as the Secretary to the Committee on Employee Relations but shall only vote to break a tie. All matters to be considered by the Committee on Employee Relations shall be submitted to the Director, or designee, who shall prepare the agenda for the meetings of the Committee together with appropriate supporting documentation and any other information as may be deemed appropriate.

(f) 1. The Director, or designee, is responsible for the conduct of all Labor Relations work in which the City is interested and shall deal with labor organizations representing City employees in conferences and negotiations within the scope of collective bargaining and shall develop and administer a working labor relations program as provided herein.

2. The Director, or designee, is responsible for representing the City in conferences with employees and/or employee associations.

(g) Relationship to City Departments. All departments of the City shall cooperate with the Human Resources Director or designee to the end that s/he may discharge the duties and responsibilities contemplated by this section. Department heads are directed to cooperate fully with the Human Resources Director, or designee(s), in this purpose.

1. All City departments shall make available all such information as may be required as determined by the Human Resources Director, or designee(s).

2. The Human Resources Director shall keep City department heads informed on human resources-related matters that affect their operations.

3. The City Attorney or his/her designee shall provide legal counsel to the Human Resources Director, or designee.

(4) Human Resources Services Unit.

Under the supervision of the Director, or designee, this unit is responsible for the performance of all human resources services prescribed by the Madison General Ordinances and the Rules and Regulations of the Personnel Board, including:

(a) All recruitment activities for City positions, including obtaining and screening applications for employment, conducting appropriate examinations, and referring appropriate eligible applicants to departments/divisions for consideration.

(b) Maintaining the City's classification and compensation system as prescribed by the Common Council and in accordance with City regulations.

(c) Coordinating City efforts to prevent discrimination in employment and the delivery of programs and services according to the requirements of federal, state and local legislation as they relate to City employment and employees.

(d) Providing strategic human resources support to departments/divisions on human resources-related issues, including interpretation of ordinances, APMs, collective-bargaining agreements, and other related material as it relates to human resources issues, and coordinating an appropriate human resources-related response to issues that may arise within a particular department/division.

(5) Employee and Labor Relations Unit.

(a) The Human Resources Director, or designee, shall represent the Mayor and the Common Council in all conferences and negotiations with representatives of recognized bargaining units on matters relating to wages, hours of work and conditions of employment, in accordance with the provisions of Sections 111.70, 111.71, and 111.77 and other related sections of the Wisconsin Statutes. The

Director or designee shall recommend labor relations policies to the Mayor and Common Council and shall establish labor relations standards, methods and procedures. The Director or the designee shall perform the following duties:

1. Under the direction of the Mayor, negotiate the terms of labor agreements on wages, hours of work and conditions of employment with representatives of duly recognized bargaining units, subject to the approval of the Mayor and the Common Council and in compliance with Sections 111.70, 111.71, and 111.77 and other related sections of the Wisconsin Statutes.
2. Petition on behalf of and represent the City in actions before the Wisconsin Employment Relations Commission on matters related to: bargaining unit determination, mediation, fact-finding, arbitration, declaratory rulings, and other matters within the jurisdiction of the Wisconsin Employment Relations Commission; administer the application of Sections 111.70, 111.71, and 111.77 of the Wisconsin Statutes in relation to the labor relations program of the City.
3. Interpret the provisions and applications of all duly authorized labor agreements; assist management personnel in the administration of contract grievance procedures. The Director or designee is authorized to enter into memoranda of understanding on behalf of the City to clarify the provisions and application of such labor agreements and to implement resolution of contract grievances within such labor agreements.

(b) Mayor and Common Council Control. The Finance Committee shall confer with the Mayor and the Human Resources Director, or designee, regarding initial bargaining proposals to be presented to each duly recognized bargaining unit. All labor contracts and agreements negotiated under the terms of this section shall be subject to the approval of the Mayor and Common Council. No labor contract or agreement shall be binding upon the City nor shall any of the terms of such agreements be implemented until such time as the agreement is approved and executed by the Mayor and City Clerk in the manner prescribed by law.

1. The Human Resources Director, or designee, shall report periodically on labor relations activities to the Mayor and the Finance Committee.
2. The Human Resources Director, or designee, shall complete such reports as the Mayor and Common Council shall require and attend such conferences or meetings as designated for purposes of ensuring sufficient communications with the Mayor, Finance Committee and Common Council on labor relations matters.

(Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(c) The Employee and Labor Relations Unit shall also provide support for employees in the following areas:

1. Providing workplace accommodations to employees who require such assistance;
2. Developing and maintaining an employee benefits program for employees; and
3. Administering leave policies such as Family and Medical leave and Disability Leave/Layoff as defined in the ordinances and/or collective-bargaining agreements.
4. Oversee drug testing for City employees as required.

(6) Employee Development and Organizational Effectiveness Unit.

Under the supervision of the Director, or designee, this unit is responsible for providing consultation on organizational performance, process improvement, employee engagement

and employee development to all City departments. In implementing the overall mission of assisting city agencies in achieving their goals of providing high quality, equitable, cost-effective services to residents and visitors, the unit will do the following:

(a) Provide consultation to agencies on organizational effectiveness assessment, strategic plan development, employee engagement, racial equity and social justice, process improvement and human resource development initiatives;

(b) Develop, conduct and track training programs that help agencies implement their annual goals and support employee development;

(c) Support Mayor's Office, Common Council and City boards, committees and commissions in planning, policy development and community listening sessions.

(Sec. 3.13 Rep. & Rec. by ORD-13-00071, 5-8-13; Am. by ORD-16-00035, 3-25-16)

3.14 DEPARTMENT OF TRANSPORTATION.

(1) There is hereby created a Department of Transportation for the purpose of planning, developing, coordinating, operating and regulating the various elements of transportation and transportation facilities in such a way as to provide for the safe, efficient and economical movement of people and goods in the City of Madison.

(2) Responsibilities. The general responsibilities of the department shall be those of transportation, traffic engineering and parking, with these three (3) areas to be developed and coordinated in such manner as to be of maximum benefit and economy to the people of the City of Madison. (Am. by Ord. 9462, 4-15-88; Renum. by ORD-07-00048, 4-12-07)

(3) Director of Transportation. The Department of Transportation shall be managed and directed by a Director of Transportation. Effective March 1, 1989, the positions of Director of Transportation and the City Traffic Engineer and Parking Manager, as they become vacant, shall be filled according to Sec. 3.54(9)(f) of these ordinances. The incumbent of the position as of the above date may enter into an employment contract as described in such section at his or her option. The Director of Transportation is authorized, and is responsible for performing all duties as may be delegated by ordinance or resolution of the Common Council, and shall carry out all directives as may be issued by the Common Council or assigned by the Mayor. If the position of Director of Transportation is vacant, the Mayor may assign the duties of the position to other appropriate City employees. (Am. by Ord. 9745, 3-30-89; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-13-00004, 1-15-13; ORD-14-00173, 12-10-14)

The Director of the Department of Transportation shall be the chief administrative officer and executive secretary of the Transportation Commission and may be a member of such other boards, committees or commissions as may be determined by the Mayor or Common Council. The Director of Transportation shall be charged with the responsibility of preparing and presenting the annual budgets of the department. The Director of Transportation shall have authority to establish policies, technical standards, methods and procedures for the department, and is further authorized and directed to do any and all of the following:

(a) To supervise the preparation of studies and the collection of data needed to measure existing, and estimate future traffic, parking, transit and other transportation mode characteristics, including supply and demand and needs in Madison and the metropolitan area and supervise the preparation of studies and maintain records on past, present and future transportation travel uses by mode. (Am. by Ord. 9917, 12-29-89; Renum. by ORD-07-00048, 4-12-07)

(b) To give assistance to the Director of Public Works in the planning of various highway programs or projects including applications for financial aids, grants or other assistance from Federal, State or County governmental bodies.

(c) To serve as liaison between the United States Department of Transportation and the State of Wisconsin Department of Transportation and the City of Madison in order to coordinate, as related to ground, water, and intralocal air transportation,

the various air, water, and ground transportation and safety programs and ensure eligibility for financial aids, grants, and other assistance that such programs provide; to coordinate all transportation and parking planning and traffic parking and transit operations of the City of Madison with that of the State of Wisconsin Department of Transportation, Dane County, the University of Wisconsin and surrounding governmental units and, on request, consult with and advise officials of these surrounding governmental units on traffic, transit, parking or other transportation problems and furnish, at cost, to them such standard traffic control devices or assistance as is reasonable and practical.

(d) To approve and establish experimental traffic regulations or test new or experimental traffic control devices for a period of ninety (90) days except that such experiments may be continued for an additional ninety (90) day period unless the Common Council, by resolution, determines otherwise.

(e) To supervise engineering analyses of traffic accident causes in cooperation with a designated officer of the Police Department and to jointly make such changes or take such actions as are necessary to reduce or eliminate such accidents; consult with the Chief of Police on enforcement procedures or policies which would make most effective the various traffic regulations and to meet with the Chief and Traffic Court Judge at regular intervals to review traffic and enforcement problems and procedures.

(f) To review and recommend the geometric design or redesign of all streets, highways, alleys, courts, intersections, parking lots, parking ramps and other similar type traffic and parking facilities and determine on a transportation and traffic basis the need for construction, reconstruction or improvement of these facilities and forward a list of recommended priorities to the Director of the Department of Public Works.

(g) To prepare and submit to the Mayor and Common Council an annual report of the operations and progress of the Department of Transportation and make recommendations for the establishment of ordinances or resolutions which would be needed for the further improvement of traffic conditions.

(h) To determine and make recommendations for public transportation routes and terminals and to establish bus stops for intercity and intracity buses; for regulations to prevent obstructive train switching movements and crossing blockades, and for crossing protection for pedestrians and vehicles, crossing maintenance and related items; for the types of taxicab service, their operation and regulation and establish taxi stands; for truck routes, hours of delivery and types of delivery vehicles and to establish truck loading zones and review and approve the issuance of permits for oversize vehicles, to administer the vehicle use permit program, for the need for sidewalks and pedestrian grade separations and to establish pedestrian crossing locations, markings, protection and special routing as needed.

(i) To determine and make recommendations relative to pedestrian and bicycle safety related programs; and to plan, design and implement pedestrian and bicycle facilities for the City of Madison and, where applicable, the metropolitan area.

(j) To make studies relating to alternate work schedules in the City and the surrounding metropolitan area, to meet with and confer with officials of any business or company located in the metropolitan area and to make recommendations as to work hours, ridesharing and transportation management programs for said establishments.

(k) To establish detours (jointly with the City Engineer), confer with the Chief of Police on parades (as provided elsewhere in the Madison General Ordinances), approve street or sidewalk displays (jointly with the Building Inspection Division of the Department of Planning and Community and Economic Development), approve commercial driveways and curb cuts, median breaks, passenger loading

zones, no parking zones (up to one hundred feet), safety zones and other areas of no parking in the event of such contingencies as fire, flood and other emergencies; to review for recommendation requests for street closing or vacations, zoning or rezoning proposals, lot divisions, conditional use applications, new plats or replats and all traffic and parking plans of public agencies or departments; to direct the design, fabrication, installation, operation and maintenance of traffic control devices such as traffic signals and signal systems, street lights, police and fire alarm signal system, traffic signs, street markings, warning sirens, flood or playground lighting fixtures and traffic channeling devices; to assist in the design and direct the installation and maintenance of police, fire, public works, County and other governmental agencies' telecommunications systems and equipment. (Am. by ORD-08-00109, 10-7-08)

(l) To install or order the installation of stop signs, yield signs, speed zone signs and street lights, and to control access to any public street, highway or traffic facility according to specific standards or ordinances adopted by the Common Council. (Renum. by Ord. 9462, 4-15-88; Renum. by ORD-07-00048, 4-12-07)

(m) Review all street graphics with respect to such graphics interfering with official traffic control devices, being an actual traffic hazard or being a contributory factor in actual traffic accidents and make appropriate recommendations to the Building Inspection Division of the Department of Planning and Community and Economic Development to correct the conditions. (Renum. by Ord. 9462, 4-15-88; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-08-00109, 10-7-08)

(n) Under the policy direction of the Transportation Commission to manage, operate and maintain all parking ramps and parking lots, to install, operate and maintain all parking meters and provide for the collection of all parking fees therefrom and to administer on-street and off-street parking permit programs.

(Sec. 3.51(3) Am. by Ord. 9539, 7-28-88; Renum. by ORD-07-00048, 4-12-07)

(4) Transit and Parking Commission.

(a) Created. There is hereby created a Transit and Parking Commission charged with the duties and responsibilities contained herein. The Transit and Parking Commission shall make recommendations to the Common Council regarding policies on all transit and parking matters and shall be the official body which shall constitute a public utility within the meaning of Section 66.0621, Section 66.0805, and a transit commission with the meaning of Section 66.1021, Wisconsin Statutes, and shall function as a parking utility for the operation of the parking utility system for the City of Madison, a transit utility for the operation of the transit system for the City of Madison, and a utility capable of issuing revenue bonds with Common Council approval. The Transit and Parking Commission shall be the public utility designated in any various bond revenue ordinances of the City of Madison. Acting as a Transit and Parking Commission, the commission shall be under a strict duty to comply with all revenue bond ordinances both of the Parking Utility and of the Transit Utility. Such commission shall not commingle the funds or use the assets of one utility to further the interest of another utility.

(b) Composition. The Transit and Parking Commission shall consist of nine (9) voting members to serve without compensation consisting of three (3) members of the Common Council, six (6) residents and two (2) alternates who may be either Common Council members or residents but at least one (1) of whom shall be a resident. One member shall be an individual with special transportation needs requiring accessible fixed route transit or paratransit. Overlapping membership on the Transit and Parking Commission and the Pedestrian/Bicycle/Motor Vehicle Commission of two (2) members shall be encouraged but shall not be required. The Commission shall elect one (1) of its members as Chair and one (1) as Vice-Chair to serve in the absence of the Chair. The members of the Common

Council shall serve ex officio. Two (2) members of the Transit and Parking Commission shall be appointed by the Chair of that Commission to serve on the Long-Range Transportation Planning Committee. All appointees (other than alderpersons) shall serve until their successors are appointed, confirmed and qualified. (Am. by Ord. 12,779, 3-13-01; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-12-00128, 10-24-12; ORD-17-00030, 3-8-17)

(c) Appointment and Terms of Common Council Members. Common Council members of the Transit and Parking Commission shall be appointed by the Mayor subject to confirmation by the Common Council. Terms for Common Council members shall coincide with their terms on the Common Council. Appointments for such terms shall be made at the organizational meeting of the Common Council on the third Tuesday in April preceding the end of each Common Council member's term or as soon thereafter as the Mayor makes the appointment. In appointing Common Council members to the Transit and Parking Commission, the Mayor shall consider the need for representation of the various geographic areas of the City. (Am. by ORD-12-00128, 10-24-12)

(d) Appointment and Terms of Resident Members. Resident members of the Transit and Parking Commission shall be appointed by the Mayor subject to confirmation by the Common Council. The Mayor shall appoint one (1) resident member for a term of three (3) years ending April 30, 2000, two (2) resident members for terms of two (2) years ending April 30, 1999, and one (1) resident member for a term of one (1) year ending April 30, 1998. Thereafter, terms for resident members shall be for a period of three (3) years commencing on the first (1st) day of May. Appointments for such terms shall be made at the organizational meeting of the Common Council on the third Tuesday in April preceding the end of each resident member's term or as soon thereafter as the Mayor makes the appointment. (Am. by ORD-17-00030, 3-8-17)

(e) Appointment and Terms of Alternate Members. In addition to members of the Transit and Parking Commission described in subdivisions (c) and (d) above, the Mayor shall, on an annual basis, appoint a first alternate and a second alternate member of said Commission subject to approval of the Common Council. The alternates may be either Common Council members or resident members. The first alternate member may act with full power and authority when any other member of the Commission is absent or refuses to act. The second alternate member may so act only when the first alternate is absent or refuses to act or when more than one member of the Commission is absent or refuses to act. In addition, alternates may participate in Transit and Parking Commission discussion and serve on subcommittees or as the TPC representative on other City committees at any time. (Am. by ORD-06-00058, 5-20-06; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-17-00030, 3-8-17)

(f) The Transit General Manager shall be the chief administrative officer of the Transit and Parking Commission and its Executive Secretary, shall represent the Transit and Parking Commission in all matters of their concern when so requested and shall prepare and submit to the Common Council an annual report of activities of the Transit and Parking Commission. The Transit General Manager and Parking Manager shall be responsible for implementing those ordinances, policies, rules and regulations of the Common Council and of the Transit and Parking Commission as they may relate to their respective areas of responsibility in transit and parking.

(g) It shall be the general duty of the Transit and Parking Commission to develop, and recommend to the Common Council policies on the various elements of transit and parking and transit and parking facilities for the purpose of providing for the

safe, efficient and economical movement of persons and goods in the City of Madison and the metropolitan area consistent with the Commission's mission to support the City's distinct and quality neighborhoods where people will want to live, work, do business, learn and play by providing comfortable, safe and efficient transportation. To accomplish these objectives the Transit and Parking Commission shall adopt and publish in writing standards, warrants, objectives and criteria for transit, parking and paratransit operations, services and facilities in order that such operations, services and facilities function as an integrated and coordinated part of the overall adopted transportation policy. In developing such standards, warrants, objectives and criteria, the Transit and Parking Commission shall consider standards developed nationally for this purpose as well as the findings of the Regional Transportation Plan. They may also review ordinances, resolutions, regulations, policies or practices of all City departments, boards, commissions or committees concerned with any phase of transportation to eliminate conflicts with the transit and parking policies previously approved by the Common Council and the Transit and Parking Commission and may recommend to the departments, boards, commissions or committees and the Common Council changes needed to eliminate such conflicts. The departments, boards commissions or committees shall respond affirmatively or show cause why they cannot comply with such recommendations. The Transit and Parking Commission shall periodically review the City's Master Plan, specifically the Objectives and Policies, Land Use, Capital Improvement Program and Economic Development Plan/Development Strategy to ensure that these elements are consistent with the adopted Transportation Plan and its plan elements and to recommend changes to reconcile differences which are identified; and shall adopt and approve an annual work plan in furtherance of the Commission's purpose and responsibilities as set forth in this ordinance. The Transit and Parking Commission may hold public hearings on any transportation matter when requested to do so or when it appears to be in the general public interest.

(h) The Transit and Parking Commission shall be empowered to establish such rules and procedures as may be necessary to carry out the purpose and provisions of this ordinance. The duties of the Transit and Parking Commission for parking, transit, and paratransit are as follows:

1. Parking. The Commission, in addition to its responsibilities as a public utility, shall provide overall management, operation and control of the assets for the City of Madison parking system to ensure that it functions as an integrated part of the overall transportation system. The Transit and Parking Commission shall consider on-street and off-street parking policy matters, including but not limited to, insurance programs, parking ramp and lot location and size, design, construction and maintenance of parking lots and ramps, parking restrictions, permits, meter hoods, parking for people with disabilities, passenger and freight loading zones, parking meter rates and time limits, parking enforcement policies and forfeiture or deposit schedules, and may receive and approve or deny requests for changes of these items, and shall also have those responsibilities described in Sections 8.14 and 12.138 of the Madison General Ordinances.
2. Transit. The Commission shall, in addition to its responsibilities as a public utility, provide overall management, operation and control of the assets of the City of Madison transit and paratransit transportation system to ensure that it functions as an integrated part of the overall transportation system. The Commission shall consider policy matters including but not limited to service standards, performance targets, route additions, extensions or contractions, changes in schedules, fare structures,

hours of service, specifications for new transit vehicles and equipment, establish maintenance standards for all transit vehicles, bus passengers, shelters, maintenance equipment and building grounds, marketing and advertising programs, insurance programs, charter service, hiring practices and policies, personnel recruitment and training, consultation on labor and management contracts and any other policy matters pertaining to the operation of the city-owned transit and paratransit transportation system and may receive and approve or deny requests for changes of these items.

3. Paratransit. The Commission, in addition to its responsibilities described in Sections 11.06 and 12.896, Madison General Ordinances, shall consider paratransit policy matters, including but not limited to intercity bus routes and stops, intracity bus routes and stops, horse drawn vehicles, taxis, limousines, courtesy cars, hotel buses, jitney services, hire-and-drive service, ride-sharing, subscription bus service, park and ride facilities, and any other policy matters pertaining to the operation of transportation modes which fall between the private automobile and conventional transit and may receive and approve or deny requests for changes or additions to these items. The Commission shall provide the overall management and control of the paratransit operations within the City and ensure that they function as an integrated part of the overall transportation system.

(i) Bus Shelter Signs.

1. Purpose and Findings.

a. Pursuant to Section 3.51(4)(g) of the Madison General Ordinances, it shall be the general duty of the Transit and Parking Commission to develop, and recommend to the Common Council policies on the various elements of transit and parking facilities for the purpose of providing for the safe, efficient and economical movement of persons and goods in the City of Madison and the metropolitan area consistent with the Commission's mission to support the City's distinct and quality neighborhoods where people will want to live, work, do business, learn and play by providing comfortable, safe and efficient transportation.

b. Adequate mass transit services and facilities, and funding for those services and facilities, are critical to the economic well-being of the City of Madison, its residents, and its taxpayers. It is important to maximize transit revenues and transit physical amenities so as to provide Madison residents and visitors an affordable, safe and efficient means of moving about the City for work, school, recreational or personal purposes. The City has for some time considered creative options used in other communities, i.e., raising funds for these services and facilities through the sale of advertising or other signage at, in or on Madison Transit Utility bus shelters. (Am. by ORD-17-00030, 3-8-17)

c. Certain state statutes and administrative rules, specifically Wis. Stat. § 86.19, and rules adopted pursuant to that statute, raise doubts about whether such signs may be located in or on bus shelters placed within the limits of highway rights of way. The determination of whether to place signs, including but not limited to route maps, schedules, "next bus arrival" digital signs, ads or other signs on Madison Transit Utility bus shelters is a matter of the local affairs and government of the City of Madison. The ability to sell ads or other signs at, in or on Madison Transit Utility bus shelters will assist the City in meeting the transportation needs

of its residents and taxpayers; route maps, "next bus arrival" signs and other informational graphics will enhance ridership and increase transit revenues.

2. Signs on Madison Transit Utility Bus Shelters.

a. The City of Madison, through its Common Council, hereby determines that, to the extent Wis. Stat. § 86.19 and related Wisconsin Administrative Code regulations restrict the City's ability to place transit informational signs or to sell and place signs or advertisements at, in or on Madison Transit Utility bus shelters within the limits of any street or highway right of way, the City will not be governed by sec. 86.19 to that extent.

b. The City, acting itself or through the services of a contractor, is authorized to contract for, accept, and place advertisements or other signs at, in or on Madison Transit Utility bus shelters, and to charge and accept fees for such advertisements or signs. Any fees collected shall go to Madison Transit Utility.

c. The Transit and Parking Commission shall recommend, and the Common Council by resolution shall approve, any plan carrying this ordinance into effect.

d. Any signs not authorized by this ordinance shall remain subject to regulation or ban pursuant to state and local law. This Charter Ordinance shall not apply to State Trunk Highways as defined in Wis. Stat. § 84.02.

e. This Subsection (i) is a Charter Ordinance adopted pursuant to Wis. Stat. § 66.0101, and Article XI, Sec. 3 of the Wisconsin Constitution.

(New Sec. 3.51(4)(i) Cr. by CHA-06-00006, 11-2-06)

(j) Any decision of the Transit and Parking Commission may be appealed to the Common Council. Such appeal must specify the reason therefore and be filed with the Transit General Manager. The Transit General Manager shall transmit such appeal to the City Clerk who shall file such appeal with the Common Council. The Common Council shall fix a reasonable time for the hearing of the appeal and give public notice thereof as well as due notice to the parties in interest, and decide the same within a reasonable time. The action of the Transit and Parking Commission shall stand unless the Common Council, by a majority vote of its members, reverses or modifies the action of the Transit and Parking Commission. (See Note Below.)

(Renum. by ORD-07-00048, 4-12-07)

This Sec. 3.51(4)(a)-(j) is a Charter Ordinance and shall be effective sixty (60) days after passage and publication, except as said effective date is extended herein, subject, however, to the referendum procedures in Wis. Stat. § 66.0101(5). The effective date of this ordinance shall be the day after the second regular Common Council meeting of May 1997 provided that all appointments to the Transit and Parking Commission, the Pedestrian/Bicycle/Motor Vehicle Commission and the Long Range Transportation Planning Committee have been made by the Mayor and approved by the Common Council, but in no case shall the effective date be later than the day after the first regular meeting of the Common Council of June 1997.

(Sec. 3.51(4) R. and ReCr. as 3.51(4)(a)-(j) by Charter Ord. 70, Adopted 2-18-97, Effective no sooner than 5-21-97, no later than 6-4-97)

(k) Subcommittees of the Transit and Parking Commission. The following subcommittees of the Transit and Parking Commission may be created.

1. ADA Transit Subcommittee to the Transit and Parking Commission.

a. The ADA Transit Plan Oversight to the Transit and Parking Commission shall consist of nine (9) members. One (1) member

shall be a user of the City's paratransit service, one (1) member shall have a disability but shall be capable of using the City's accessible fixed route transit service, one (1) member shall be a job coach or agency representative serving people with developmental disabilities, one (1) member shall be a visually impaired representative, one (1) shall be an individual who uses a wheelchair as a mobility aid, one (1) shall be a general representative, one (1) shall be a member of the Common Council, one (1) member shall be a resident member of the Transit and Parking Commission, and one (1) member shall be a member of the Disability Rights Commission. (Am. by ORD-15-00086, 8-12-15; ORD-17-00030, 3-8-17)

b. Revised Composition. Subsequent to the effective date of this ordinance # ORD-05-00061 on April 7, 2005, as the term of the member in each of the above membership positions comes up for reappointment, the following appointment criteria shall respectively apply to the membership: one (1) member shall be an ambulatory Metro Plus user who regularly travels in sedans; one (1) member shall be a wheelchair user with a disability who regularly uses the City's accessible fixed-route transit system; one (1) member shall be a representative of a residential or supported employment agency serving people with developmental disabilities; one (1) member shall be an ambulatory person with a disability who regularly uses the City's fixed-route transit system; one (1) member shall be an individual with a disability who is a Metro Plus user with a common wheelchair who regularly travels in lift- or ramp-equipped vehicles; one (1) member shall be a general representative or a resident member of the Transit and Parking Commission; one (1) member shall be a member of the Common Council; one (1) member shall be a resident member of the Transit and Parking Commission; and one (1) member shall be any one of the following, in order of preference: a resident member of the Disability Rights Commission or a member of the Committee on Aging or a general representative who represents the interests of the disabled and/or senior community. In making selections for appointment to this committee, special consideration shall be given to ensuring that the overall composition of the Subcommittee reflects community diversity and geographic distribution. (Am. by ORD-13-00004, 1-15-13; ORD-15-00086, 8-12-15; ORD-17-00030, 3-8-17)

c. Appointment and Terms. All subcommittee members shall be appointed by the Mayor subject to approval by the Common Council and shall have a term of two (2) years from the date of appointment, with the exception of the member of the Common Council, the resident member(s) of the Transit and Parking Commission, the member of the Disability Rights Commission and other liaison bodies whose terms shall be limited to the duration of their membership on the liaison body. (Am. by ORD-15-00086, 8-12-15; ORD-17-00030, 3-8-17)

d. Duties. This Subcommittee is advisory to the Transit and Parking Commission. It is the duty of the Subcommittee to monitor compliance by Metro Transit, the City's transit utility, in providing complementary paratransit and transit service in the Metro Transit service area in accordance with the Americans with Disabilities

Act and its implementing regulations. In addition to any task assigned by the Transit and Parking Commission, the Subcommittee shall regularly assess the provision of ADA complementary paratransit and fixed route services to persons with disabilities in the Metro Transit service area, maximizing transportation options for everyone. The Subcommittee shall identify issues and recommend policies to the Transit and Parking Commission to address them, taking into account budget and service capacity limits, and shall review and develop recommendations for service-related complaints. In addition to the open public comment period at the beginning of all regular Subcommittee meetings, the body has an affirmative duty to seek public input and consultation with persons with disabilities and their representatives in the Metro Transit service area. This may include but is not limited to people with vision impairments or blindness; people who do not speak; people who do not understand spoken language; social service agencies that serve people with disabilities, including residential and vocational support providers; organizations and other coalitions of self-advocates; transit travel trainers; paratransit drivers; Dane County specialized transportation oversight staff and committees.

e. Officers. The subcommittee shall annually select a chair and vice-chair from among its members at the first meeting in May or as soon thereafter as practicable.

f. Members of the Subcommittee, in groups of three (3) each, shall serve as an appeals hearing panel for ruling on paratransit eligibility determinations. The hearing shall be conducted in accordance with the procedure contained in 49 CFR Part 37 and is the final step of the administrative appeals process. The panel shall determine if the initial finding by Metro staff and the subsequent appeal to and ruling of the Transit General Manager or designee were consistent with the eligibility standards contained in 49 CFR Part 37 and based on the substantial evidence in the record. Based on the testimony and evidence introduced at the hearing, the panel, by majority vote, shall affirm, modify or reverse the ruling of the Transit General Manager or designee.

(Renum. by ORD-07-00048, 4-12-07)

(EDITOR'S NOTE: The amendments to Sec. 3.51(4)(j)1., now Renum. to 3.51(4)(k)1., supersede Resolution Numbers 48,847 and 49,904.)

(Sec. 3.51(4)(k)1. Am. by ORD-05-00061, 4-6-05)

2. Parking Council for People with Disabilities. Under the authority of Wis. Stat. § 346.50(3m), a Parking Council for People with Disabilities is hereby created. Said Council members shall perform duties according to the descriptions herein.

a. Parking Council for People with Disabilities. The Parking Council for People with Disabilities shall consist of seven (7) members and two (2) alternates, all of whom shall be residents of the City, four (4) of whom may be members of the Disability Rights Commission, three (3) of whom may be members of the Transit and Parking Commission, and of whom at least four (4) regular members and one (1) alternate member shall be people to whom or on whose behalf the Department of Transportation of the State of Wisconsin has issued a special registration plate under Wis. Stat. §§ 341.14(1) to (lr), or a special identification card under Wis. Stat.

§ 343.51. The members designated as alternates shall only have voting powers when temporarily filling the office of a vacant or absent council member. Members of this council shall be appointed by the Mayor, subject to approval by the Common Council.

b. Terms. Members of the Parking Council for People with Disabilities shall have terms limited to the duration of their membership on the Disability Rights Commission or the Transit and Parking Commission. Those members who are not also members of the Disability Rights Commission or the Transit and Parking Commission shall have a term of three (3) years from the date of appointment.

c. Duties. The Parking Council for People with Disabilities shall give advice and recommendations on the location of those spaces reserved for use by a motor vehicle used by a person with a physical disability that are subject to any time limitations imposed pursuant to Wis. Stat. § 346.50(3m)(b). The council may also authorize specific persons to place on a vehicle educational material relating solely to the parking privileges of people with physical disabilities if that person(s) has a good faith belief that the vehicle is violating state or local law on parking for motor vehicles used by people with physical disabilities. The council may also hear and investigate matters concerning the quality and availability of parking within the city for persons with disabilities and shall report its findings and recommendations to the Common Council from time to time. (Am. by ORD-06-00099, 8-2-06; Renum. by ORD-07-00048, 4-12-07)

d. Chair. The Parking Council for People with Disabilities subcommittee shall select a chair from among its members. The subcommittee shall consider such matters and perform such tasks as are referred to them by the Transit and Parking Commission. Common Council referral of items to the subcommittee of the Transit and Parking Commission shall be referred through the Transit and Parking Commission.

(Sec. 3.14(4)(k)2. Am. by ORD-13-00162, 10-9-13; ORD-15-00086, 8-12-15)

3. Contracted Service Oversight Subcommittee. The Contracted Service Oversight Subcommittee shall consist of nine (9) members. Five (5) members shall be representatives of governmental entities which contract with the City of Madison to provide transit and/or paratransit service: one (1) member representing the City of Middleton; one (1) member representing the Town of Madison; one (1) member representing the City of Fitchburg, one (1) member representing the City of Verona, one (1) member representing the University of Wisconsin; two (2) members shall be representatives of governmental entities which are additional Metro Transit funding partners: one member representing the Madison Metropolitan School District (MMSD), one (1) member representing Madison Area Technical College (MATC); and two (2) members shall be members of the Transit and Parking Commission. In addition, the governmental entities shall each be allotted one alternate. Alternates shall be permitted to participate in meetings regardless of the presence or absence of the primary member. Notwithstanding anything in Sec. 3.30(4)(c), MGO, to the contrary, members and alternates representing a governmental entity shall be appointed and removed by their respective governmental entity in accordance with its established appointment process. The remain-

ing members shall be appointed by the Chair of the Transit and Parking Commission. The residency qualifications of Sec. 3.30, MGO, shall not apply. (Am. by ORD-05-00178, 11-25-05)

a. Terms. Members who are also members of the Transit and Parking Commission shall have terms limited to the duration of their membership on the Transit and Parking Commission. Other members and alternates shall have a term of two (2) years from the date of appointment.

b. Duties. The Contracted Service Oversight Subcommittee shall consider policy matters relating to contracted for transportation service, including but not limited to service standards, performance targets, route additions, extensions or contractions, changes in schedules, fare structures, hours of service, equipment, marketing and advertising programs, and any other policy matters pertaining to the operation of contracted for transportation services and/or additional Metro Transit funding partners transportation services contributions, and may receive, consider, and/or make recommendations to the Transit and Parking Commission regarding requests for changes to these items. The Subcommittee shall consider such additional matters and perform such tasks as are referred to it by the Transit and Parking Commission or staff. Common Council referral of items to the Subcommittee shall be referred through the Transit and Parking Commission.

c. Chair. The Contracted Service Oversight Subcommittee shall select a Chair from among its members.

d. Staff. Metro Transit General Manager and other staff as requested by the TGM will provide staff assistance to the subcommittee.

e. The ordinance adding two members who are representatives of governmental entities who are additional Metro transit funding partners shall become effective on April 1, 2008.

(6) Pedestrian/Bicycle/Motor Vehicle Commission.

(a) Created. There is hereby created a Pedestrian/Bicycle/Motor Vehicle Commission charged with the duties and responsibilities contained herein. The Pedestrian/Bicycle/Motor Vehicle Commission shall make recommendations to the Common Council regarding policies on all pedestrian, bicycle and motor vehicle matters.

(b) Composition. The Pedestrian/Bicycle/Motor Vehicle Commission shall consist of nine (9) voting members to serve without compensation consisting of three (3) members of the Common Council, six (6) residents and two (2) alternates who may be either Common Council members or residents but at least one (1) of whom shall be a resident. Two (2) members of the Pedestrian/Bicycle/Motor Vehicle

Commission shall be members of the Long-Range Transportation Planning Committee. Of the total members, one (1) shall be a member of the City Plan Commission, two (2) shall be users of the City's bicycle ways, two (2) shall be pedestrian advocates, and one (1) shall be an individual with disabilities. Overlapping membership on the Pedestrian/Bicycle/Motor Vehicle Commission and the Transit and Parking Commission of two (2) members shall be encouraged but shall not be required. The Commission shall elect one (1) of its members as Chair and one (1) as Vice-Chair to serve in the absence of the Chair. The members of the Common Council shall serve ex officio. All appointees (other than alderpersons) shall serve until their successors are appointed, confirmed and qualified. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-12-00128, 10-24-12; ORD-17-00030, 3-8-17)

(c) Appointment and Terms of Common Council Members. Common Council members of the Pedestrian/Bicycle/Motor Vehicle Commission shall be appointed by the Mayor subject to confirmation by the Common Council. Terms for Common Council members shall coincide with their terms on the Common Council. Appointments for such terms shall be made at the organizational meeting of the Common Council on the third Tuesday in April preceding the end of each Common Council member's term or as soon thereafter as the Mayor makes the appointment. In appointing Common Council members to the Pedestrian/Bicycle/Motor Vehicle Commission, the Mayor shall consider the need for representation of the various geographic areas of the city. (Am. by ORD-12-00128, 10-24-12)

(d) Appointment and Terms of Resident Members. Resident members of the Pedestrian/Bicycle/Motor Vehicle Commission shall be appointed by the Mayor subject to confirmation by the Common Council. The Mayor shall appoint one (1) resident member for a term of three (3) years ending April 30, 2000, two (2) resident members for terms of two (2) years ending April 30, 1999, and one (1) resident member for a term of one (1) year ending April 30, 1998. Thereafter, terms for resident members shall be for a period of three (3) years commencing on the first (1st) day of May. Appointments for such terms shall be made at the organizational meeting of the Common Council on the third Tuesday in April preceding the end of each resident member's term or as soon thereafter as the Mayor makes the appointment. (Am. by ORD-17-00030, 3-8-17)

(e) Appointment and Term of Alternate Members. In addition to members of the Pedestrian/Bicycle/Motor Vehicle Commission described in subdivisions (c) and (d) above, the Mayor shall, on an annual basis, appoint a first alternate and a second alternate member of said Commission subject to the approval of the Common Council. The alternates may be either Common Council members or resident members. The first alternate member may act with full power and authority when any other member of the Commission is absent or refuses to act. The second alternate member may so act only when the first alternate is absent or refuses to act or when more than one member of the Commission is absent or refuses to act. In addition, alternates may participate in Pedestrian/Bicycle/Motor Vehicle Commission discussion and serve on subcommittees or as the PBMVC representative on other City committees at any time. (Am. by ORD-06-00058, 5-20-06; Renum. by ORD-07-00048, 4-12-07; ORD-17-00030, 3-8-17)

(f) The City Traffic Engineer shall be the chief administrative officer of the Pedestrian/Bicycle/Motor Vehicle Commission and its Executive Secretary and shall be responsible for implementing those ordinances, policies, rules and regulations of the Common Council and the Pedestrian/Bicycle/Motor Vehicle Commission, as they may relate to pedestrian, bicycle and motor vehicle, shall represent the Pedestrian/Bicycle/Motor Vehicle Commission in all matters of their

concern when so requested and shall prepare and submit to the Common Council an annual report of activities of the Pedestrian/Bicycle/Motor Vehicle Commission.

(g) It shall be the general duty of the Pedestrian/Bicycle/Motor Vehicle Commission to develop and recommend to the Common Council policies and programs addressing the use and effects of the various elements of pedestrian, bicycle and motor vehicle systems and facilities to ensure the safe, efficient and economical movement of persons and goods in the city of Madison and the metropolitan area consistent with the Commission's mission to support the city's distinct and quality neighborhoods where people will want to live, work, do business, learn and play by providing comfortable, safe and efficient transportation. To accomplish these objectives, the Pedestrian/Bicycle/Motor Vehicle Commission shall adopt and publish in writing standards, warrants, objectives and criteria for pedestrian, bicycle and motor vehicle operations, services and facilities in order that such operations, services and facilities function as an integrated and coordinated part of the overall adopted transportation policy. In developing such standards, warrants, objectives and criteria, the Pedestrian/Bicycle/Motor Vehicle Commission shall consider standards developed nationally for this purpose as well as the findings of the Dane County Transportation Study. They may also review ordinances, resolutions, regulations, policies or practices of all City departments, boards, commissions or committees concerned with any phase of transportation to eliminate conflicts with the pedestrian, bicycle and motor vehicle policies previously approved by the Common Council and the Pedestrian/Bicycle/Motor Vehicle Commission and may recommend to the departments, boards, commissions or committees and the Common Council changes needed to eliminate such conflicts. The departments, boards, commissions or committees shall respond affirmatively or show cause why they cannot comply with such recommendations. The Pedestrian/Bicycle/Motor Vehicle Commission shall periodically review the City's Master Plan, specifically the Objectives and Policies, Land Use, Capital Improvement Program and Economic Development Plan/Development Strategy to ensure that these elements are consistent with the adopted Transportation Plan and its plan elements and to recommend changes to reconcile differences which are identified; and shall adopt and approve an annual work plan in furtherance of the Commission's purpose and responsibilities as set forth in this ordinance. The Pedestrian/Bicycle/Motor Vehicle Commission may hold public hearings on a pedestrian, bicycle and motor vehicle matter when requested to do so or when it appears to be in the general public interest.

The duties of the Pedestrian/Bicycle/Motor Vehicle Commission for pedestrian, bicycle, and motor vehicles are as follows:

1. Pedestrian and Bicycle. The Pedestrian/Bicycle/Motor Vehicle Commission, in addition to its general responsibilities related to pedestrian and bicycle traffic modes, shall consider pedestrian and bicycle policy matters including but not limited to ensuring that pedestrian and bicycle modes function as an integrated part of the overall transportation system, developing and updating short- and long-range pedestrian and bicycle safety related policy, program and facility plans annual pedestrian and bicycle safety, enforcement and facility maintenance work programs including setting priorities for these work programs within the context of approved plans and policies and forwarding to the Mayor budget recommendations and priorities for these work programs, reviewing and determining Adult School Crossing Guard locations subject to funds being available in the current Police Department budget. The Pedestrian/Bicycle/Motor Vehicle Commission shall take into account the impacts of projects

and policies under consideration on the safety and/or feasibility of pedestrian and bicycle travel, and shall seek public input on pedestrian and bicycle issues.

2. Motor Vehicles. The Commission shall provide the overall management, operation and control of the City's system for motor vehicles and ensure that it functions as an integrated part of the overall transportation system and supports Madison neighborhoods. The Pedestrian/Bicycle/Motor Vehicle Commission shall consider all traffic policy matters, including but not limited to, traffic safety programs and projects, speed zones, one-way streets, traffic signals, stop and yield signs, railroad-street crossing protection, street markings, street lighting, commercial parking lot and driveway design, street access control, median breaks, traffic channelizing devices, heavy traffic routes, mass transit ways and preferential lane use, turning restrictions and limitations, parking restrictions, geometric design and redesign of streets, transportation and traffic planning and plans, transportation impact studies, vehicle use permits and any other policy matters pertaining to the physical and operational aspects of traffic and may in accordance with adopted criteria and standards receive and approve or deny requests for changes in these items.

(h) Rules. The Pedestrian/Bicycle/Motor Vehicle Commission shall be empowered to establish such rules and procedures as may be necessary to carry out the purpose and provisions of this ordinance.

(i) The City Traffic Engineer shall have the authority and responsibility to administer and carry out the published standards, warrants, objectives and criteria as adopted by the Pedestrian/Bicycle/Motor Vehicle Commission and only in cases of an appeal of a staff decision will the Commission review the administration of the standard, warrant, objective or criterion.

(j) Any decision of the Pedestrian/Bicycle/Motor Vehicle Commission may be appealed to the Common Council. Such appeal must specify the reason therefore and be filed with the City Traffic Engineer. The City Traffic Engineer shall transmit such appeal to the City Clerk who shall file such appeal with the Common Council. The Common Council shall fix a reasonable time for the hearing of the appeal and give public notice thereof as well as due notice to the parties in interest, and decide the same within a reasonable time. The action of the Pedestrian/Bicycle/Motor Vehicle Commission shall stand unless the Common Council, by a majority vote of its members, reverses or modifies the action of the Pedestrian/Bicycle/Motor Vehicle Commission.

(Sec. 3.51(6) Cr. by Ord. 11,848, Adopted 4-15-97; Effective no sooner than 5-21-97, no later than 6-4-97; Renum. by ORD-07-00048, 4-12-07)

(7) Long-Range Transportation Planning Committee. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(a) Created. There is hereby created a Long-Range Transportation Planning Committee charged with the duties and responsibilities contained herein. The Long-Range Transportation Planning Committee shall address transportation planning issues and special initiatives involving the integration of the subjects of mutual concern to the Transit and Parking Commission, Pedestrian/Bicycle/Motor Vehicle Commission, Plan Commission, and Board of Public Works.

(b) Composition. The Long-Range Transportation Planning Committee shall consist of eleven (11) voting members to serve without compensation consisting of two (2) members of the Pedestrian/Bicycle/Motor Vehicle Commission, two (2) members of the Transit and Parking Commission, one (1) member of the Board of Public Works, two (2) members of the Plan Commission, one (1) member of the Dane County Board of Supervisors who resides in Madison, two (2) City representatives

of the Madison Area Transportation Planning Board, and one resident member who resides in Madison and is a member of another standing City committee, board or commission. Of the eleven (11) Committee members, three (3) shall also be members of the Common Council. The Mayor may also designate one (1) alternate. (Am by Ord. 12,466, 9-27-99; Ord. 12,540, 2-18-00; Ord. 13,431, 10-24-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00066, 7-13-10; ORD-12-00078, 6-20-12; ORD-17-00030, 3-8-17)

(c) Appointment and Terms of Members. Each board or commission with membership on the Long-Range Transportation Planning Committee shall recommend its representative(s) to the Committee except that the representatives of the Transit and Parking Commission and the Pedestrian/Bicycle/Motor Vehicle Commission shall include the chair of each or the chair's designee. Appointments to the Long-Range Transportation Committee shall be for the same duration as the appointee's term on the parent Commission. From the list of potential Committee members recommended by the parent bodies, the Mayor shall appoint Committee members, and ensure that three (3) are also members of the Common Council. The members appointed to the Committee by the Mayor shall be approved by the Common Council. The Common Council members' terms of service on the Committee shall coincide with their terms on the Common Council. The member of the Dane County Board of Supervisors shall be appointed by the Dane County Executive. That member's term of service on the Committee shall coincide with her/his term on the Dane County Board of Supervisors. The Mayor shall appoint the resident member who is a member of another City sub-unit and whose term shall coincide with the term on the other sub-unit. The Mayor may also designate an alternate. The Mayoral Designee Alternate may participate in Committee business as though s/he were a full member, but may vote only in the absence of at least one Committee member. The term of the alternate shall coincide with the two- (2) year terms of the Common Council members. (Am. by Ord. 12,466, 9-27-99; Ord. 12,540, 2-18-00; Ord. 13,431, 10-24-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-12-00078, 6-20-12; ORD-12-00128, 10-24-12; ORD-17-00030, 3-8-17)

(d) The Committee shall elect one (1) of its members as Chair and one (1) as Vice-Chair to serve in the absence of the Chair. All appointees shall serve until their successors are appointed, confirmed and qualified. The Planning Division Director or designee shall be the chief administrative officer of the Long-Range Transportation Planning Committee and shall represent the Long-Range Transportation Planning Committee in all matters of their concern when so requested and shall prepare and submit to the parent commissions of the Committee's members reports of activities of the Long-Range Transportation Planning Committee.

(e) It shall be the general duty of the Long-Range Transportation Planning Committee to develop and recommend to the Plan Commission, Transit and Parking Commission, Pedestrian/Bicycle/Motor Vehicle Commission, and Board of Public Works policies on the various elements of long-range transportation planning for all modes including but not limited to transit, parking, pedestrian, bicycle, and motor vehicles, as well as special initiatives involving the integration of the various subjects under the jurisdiction of the aforementioned bodies, for the purpose of providing for the safe, efficient and economical movement of persons and goods in the City of Madison and the metropolitan area consistent with the Committee's mission to support the City's distinct and quality neighborhoods where people will want to live, work, do business, learn and play by providing comfortable, safe and efficient transportation. To accomplish these objectives the Long-Range Transportation Planning Committee shall make recommendations to the parent commissions of Committee members regarding transit, parking, pedestrian, bicycle, and motor

vehicle operations, services, and facilities in order that such operations, services, and facilities function as an integrated and coordinated part of the overall adopted transportation policy. The Committee shall also deal with items referred to it by the parent commissions of Committee members or by the Common Council and shall advise the City's representative to the Regional Plan Commission on matters before the latter body. The Committee shall also serve as a body to consider items of mutual interest to the parent commissions of the Committee members in order to better coordinate transportation and land use planning activities. The Committee may also review ordinances, resolutions, regulations, policies or practices of all City departments, boards, commissions or committees concerned with any phase of transportation and land use to eliminate conflicts with policies previously approved by the Common Council and the parent commissions of the Committee and may recommend to the departments, boards, commission or committees and the Common Council changes needed to eliminate such conflicts. The departments, boards, commission or committees shall respond affirmatively or show cause why they cannot comply with such recommendations. The Long-Range Transportation Planning Committee shall periodically review the City's Master Plan, specifically the Objective and Policies, Land Use, Capital Improvement Program and Economic Development Plan/Development Strategy to ensure that these elements are consistent with the adopted Transportation Plan and its plan elements and to recommend changes to reconcile differences which are identified; and shall adopt and approve an annual work plan in furtherance of the Committee's purpose and responsibilities as set forth in this ordinance. The Long-Range Transportation Planning Committee may hold public hearings on any transportation and land use planning matter when requested to do so or when it appears to be in the general public interest.

(f) Rules. The Long-Range Transportation Planning Committee shall be empowered to establish such rules and procedures as may be necessary to carry out the purpose and provisions of this ordinance.

(g) Any decision of the Long-Range Transportation Planning Committee may be appealed to the Common Council. Such appeal must specify the reason therefore and be filed with the Planning Division Director. The Planning Division Director shall transmit such appeal to the City Clerk who shall file such appeal with the Common Council. The Common Council shall fix a reasonable time for the hearing of the appeal and give public notice thereof as well as due notice to the parties in interest, and decide the same within a reasonable time. The action of the Long-Range Transportation Planning Committee shall stand unless the Common Council, by a majority vote of its members, reverses or modifies the action of the Long-Range Transportation Planning Committee.

3.16 MUNICIPAL COURT FOR THE CITY OF MADISON.

(1) Court Established. Pursuant to the authority granted by Wis. Stat. ch. 755 (1989) there is hereby created and established a Municipal Court to be designated "Municipal Court for

the City of Madison", said court to become operative and function on September 1, 1992. The Municipal Court shall constitute a separate department within the City of Madison government.

(2) Jurisdiction. The Municipal Court shall have jurisdiction over incidents occurring on or after September 1, 1992, as provided in Article VII, Sec. 14 of the Wisconsin Constitution, Wis. Stat. §§ 755.045 and 755.05, and as otherwise provided by State Law. In addition, it shall have jurisdiction over all actions commenced on or after September 1, 1992, in which a violation of any Madison General Ordinance restricting or prohibiting parking, stopping or standing is alleged regardless of the date of the alleged incident. It shall have exclusive jurisdiction over actions in which the City seeks to impose forfeitures for municipal ordinance violations except as provided in Wis. Stat. § 755.045. The Municipal Judge is authorized to issue warrants under Wis. Stat. § 755.045(2) and 66.0119. The Municipal Judge may order the payment of restitution for violations of ordinances that prohibit conduct that is the same as or similar to conduct prohibited by state statute punishable by fine or imprisonment or both, using the restitution procedure under Wis. Stat. § 800.093. (Am. by Ord. 10,591, 2-12-93; Ord. 13,335, 6-7-03; Renum. by ORD-07-00048, 4-12-07)

(3) Municipal Judge.

(a) Qualifications. There is hereby created the office of Municipal Judge of the Municipal Court of the City of Madison. The Municipal Judge shall be a resident of the City, shall be licensed to practice law in the State of Wisconsin and have been so licensed for five years immediately prior to election or appointment.

(b) Oath and Bond. The Judge shall, after election or appointment to fill a vacancy, take and file the official oath as prescribed in Wis. Stat. § 757.02(1), and at the same time execute and file an official bond in an amount of five thousand dollars ($5,000). The Judge shall not act until the oath and bond have been filed as required by Wis. Stat. § 19.01(4)(c), and the requirements of Wis. Stat. § 755.03(2), have been complied with.

(c) Compensation.

1. The salary of the Municipal Judge shall be sixty-seven thousand dollars ($67,000) per annum commencing with the appointment of a temporary replacement by the Common Council in July, 2003 which salary shall be in lieu of fees and costs. The salary shall be paid in approximately equal bi-weekly installments according to regular City payroll practices. The salary shall be increased effective the pay period immediately preceding the beginning of each subsequent year of the Municipal Judge's term of office by a percentage equal to the resultant percentages calculated four (4) years previously for City managerial employees pursuant to Section 3.54(9)(c)4., Madison General Ordinances, rounded to the nearest whole percentage. However, no salary shall be paid for any time during her or his term during which the Municipal Judge has not executed the official bond or official oath, as required by Wis. Stat. § 755.03, and filed under Wis. Stat. § 19.01(4)(c). The Municipal Judge shall not be entitled to receive any additional overtime compensation, compensatory time off or bonuses. (Am. by Ord. 13,335, 6-7-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-14-00173, 12-10-14)

2. In addition to salary, the Municipal Judge shall receive the following benefits in the manner provided by the City to non-represented City employees: rights provided employees with disabilities; holiday, military, jury and bereavement leaves; ten days of paid vacation in each year of the term subject to Wis. Stat. § 800.06; paid "floating holidays"; paid sick leave; life insurance options; wage insurance options; Wisconsin Retirement Fund contributions; deferred compensation options; health insurance

options; workers' compensation and workers' compensation supplement and pre-tax flexible spending program options. (Am. by ORD-06-00099, 8-2-06; Renum. by ORD-07-00048, 4-12-07)

3. In the event a City employee is elected Municipal Judge, that employee shall be granted an unpaid leave of absence from City employment for the term. While serving as Municipal Judge, she or he shall be entitled to receive vacation and sick leave, longevity pay and sick leave pay-out benefits based on her or his levels thereof existing at the time of election. She or he shall also continue to accrue vacation, sick leave and longevity credits during the term as Municipal Judge as if she or he continued as a City employee. The leave of absence shall not be considered a break in the City service. All other elements of compensation shall be as provided in Paragraph 2. hereof.

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.59(3)(c) Am. by Ord. 10,641, 4-30-93)

(d) Prohibition on Outside Business. No Municipal Judge elected pursuant to this section may engage in the private practice of law.

(4) Election; Term; Vacancy. The Municipal Judge shall be elected at large for a term of four years. The initial election for the office of Municipal Judge shall be held at the Spring election of 1993. In the event that the Municipal Court becomes operative prior to December 1, 1992, the office of Municipal Judge shall be filled by temporary appointment by the Mayor with the approval of the Common Council pending the election of the incumbent for the first full term which shall commence on May 1, 1993. There after, any vacancy occurring in the office of Municipal Judge shall be filled pursuant to state law.

The person appointed to fill the vacancy pending the first election may not be a candidate in the election of the Municipal Judge for the first term.

(5) Sessions of the Court. The Municipal Court shall be open daily, except Saturdays and Sundays and legal holidays, from the hour of 8:00 a.m. until not later than 4:30 p.m. unless so directed by the Municipal Judge when necessary to dispose of the daily agenda. Evening sessions may be held on Mondays or at such times as determined by the Municipal Judge and approved by the Common Council. (Am. by Ord. 13,418, 10-4-03; Renum. by ORD-07-00048, 4-12-07)

(6) Office, Where Kept. The Municipal Judge shall keep her/his office and hold court in the City-County Building in the City of Madison, or other location in the City of Madison designated by the Common Council; however, she/he may issue process and perform ministerial functions at any place in the county.

(7) Employees. The Court shall be staffed by such personnel as are authorized by the Common Council. Such employees shall be selected through the Civil Service process as are other City employees holding similar positions and shall be appointed by and operate under the jurisdiction of the Municipal Judge or, in the case of a vacancy in the office Municipal Judge, the Mayor. One of said persons shall be designated by the Municipal Judge and act as the Clerk of Municipal Court. The Court staff shall, before entering upon the duties of their offices, take the oath provided by Wis. Stat. § 19.01, which oath shall be filed with the City Clerk. The Court staff shall also give a bond as provided in Section 3.31(4), the cost of which shall be paid by the City, which bond shall be filed with the City Clerk. (Am. by Ord. 11,612, 6-3-96; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-13-00080, 5-29-13)

(8) Procedure.

(a) State Law. The procedures in the Municipal Court shall be those prescribed by state law including, but not limited to because of enumeration, Wis. Stat. chs. 66, 755, and 800.

(b) Administrative Regulations. The Municipal Court and the Municipal Judges shall be subject to such rules of procedure as may be promulgated from time to time by the Chief Judge of the Fifth Judicial Administrative District of the State of Wisconsin.

(c) Collection of Forfeitures and Taxable Costs. The Municipal Judge shall collect all forfeitures and taxable costs in any action or proceeding before her/him and shall pay over such monies to the Treasurer of the City of Madison by the close of the business day for monies received by 3:00 p.m. and not later than the next business day following receipt for monies taken in after that time.

(d) Contempt of Court and Penalty. The judge may punish for contempt as provided in Wis. Stat. § 800.12, and may impose a forfeiture therefore not to exceed fifty dollars ($50) or upon nonpayment of the forfeiture, penalty assessment under Wis. Stat. § 165.87, and jail assessment under Wis. Stat. § 302.46, a jail sentence not to exceed seven (7) days.

(9) Illness or Absence of Judge. Whenever a Municipal Judge shall be temporarily absent, her or his office shall be filled for the period of her/his absence by one or more Municipal Judges from other municipalities within the County of Dane as provided by Wis. Stat. § 800.06.

(Renum. by ORD-07-00048, 4-12-07), (Sec. 3.59 Cr. by Ord. 10,463, 6-26-92)

3.17 COMMUNITY DEVELOPMENT AUTHORITY.

(1) Findings and Declaration of Necessity.

(a) The Housing Authority of the City of Madison (the "MHA") is a public body corporate and politic, duly organized and existing pursuant to Wis. Stat. § 66.1201 (the "Housing Authorities Law"). The MHA was created by Resolution of the Common Council of the City of Madison, duly adopted on December 14, 1945. In support of its creation of the MHA, the Common Council found that unsanitary and unsafe inhabited dwelling accommodations existed in the City of Madison and that there was a shortage of safe and sanitary dwelling accommodations in the City available to persons of low income.

(b) The Redevelopment Authority of the City of Madison (the "MRA") is a public body corporate and politic, duly organized and existing pursuant to Wis. Stat. § 66.1333 (the "Blight Elimination and Slum Clearance Act"). The MRA was created by Resolution of the Common Council, duly adopted on July 10, 1958. In support of its creation of the MRA, the Common Council found that there existed in the City a need for blight elimination, slum clearance and urban renewal programs and projects.

(c) The Housing Finance Committee (the "HFC") is a committee of the City of Madison, duly organized and existing pursuant to Resolution No. 26,020, duly adopted by the Common Council on February 26, 1974, as thereafter amended by Substitute Resolution No. 27,979, duly adopted by the Common Council on July 15, 1975. The said Resolution, as amended, vests responsibility in the HFC for: 1) approval or rejection of each application for a housing rehabilitation loan under the City's Housing Rehabilitation Services Program; 2) reviewing the administration of such Program by the City's Department of Housing and Community Development; 3) making recommendations to the Mayor and Common Council on matters pertaining to Program policies, procedures and administration; and 4) reviewing environmental impact specifically pertaining to historic preservation and sites and buildings in or eligible for the National Register of Historic Places, as required by the Housing and Community Development Act for 1974 or by any similar federal acts, state statutes, and/or local ordinances providing monies for housing loans and/or grants, according to an administrative procedure determined by the HFC. In support of its creation of the HFC, the Common Council found

that there existed a need for a City-sponsored program of financial and technical assistance to property owners of low and moderate income and nonprofit housing corporations and cooperatives in order to stimulate voluntary rehabilitation of existing housing in the City.

(d) The findings made by the Common Council in connection with its creation of the MHA, the MRA and the HFC, respectively, are hereby reaffirmed and incorporated herein. In addition, the Common Council hereby finds and declares that a need for blight elimination, slum clearance, urban renewal and community development programs and projects and housing projects continues to exist in the City, and that a housing and community development authority functioning within the City constitutes a more effective and efficient means for carrying out such programs and projects. The necessity in the public interest for the provisions of this ordinance is also hereby declared as a matter of legislative determination.

(2) Creation of Community Development Authority; Status as Public Body. Pursuant to Wis. Stat. § 66.1335 (entitled "Housing and Community Development Authorities"), there is hereby created a housing and community authority, which shall be known as the "Community Development Authority of the City of Madison". The Community Development (the "CDA") is deemed to be a public body and a body corporate and politic, exercising necessary public powers, and having all the powers, duties and functions conferred on housing authorities, redevelopment authorities and housing and community development authorities by applicable law.

(3) Composition of Governing Body; Powers Vested in Commissioners; Compensation. The CDA shall consist of seven (7) resident persons having sufficient ability and experience in the field of urban renewal, community development and housing, who shall serve as the governing body (the "Commissioners") of the CDA. The powers of the CDA shall be vested in, and exercised by the Commissioners in office from time to time. Commissioners shall receive no compensation for their services, but shall be entitled to reimbursement of their actual and necessary expenses, including local travel expenses, incurred in the discharge of their duties.

(4) Appointment, Confirmation and Term of Commissioners; Vacancies. The Commissioners of the CDA shall be appointed by the Mayor and confirmed by the Common Council, as follows:

(a) Two (2) of the Commissioners shall be members of the Common Council and shall serve ex officio during their term of office.

(b) The first appointments of the five (5) Commissioners who are not members of the Common Council shall be made for the following terms: two (2) for terms of one (1) year, ending on the third Tuesday in April of 1979, and one (1) each for terms of two (2), three (3), and four (4) years, ending on the third Tuesday in April of 1980, 1981, and 1982, respectively. Thereafter, all Commissioners who are not members of the Common Council shall be appointed for terms of four (4) years. A Commissioner who is not a member of the Common Council shall hold office until his or her successor has been appointed and qualified, unless such Commissioner's term is vacated earlier because of his or her change of residence, removal, resignation, incapacity or death.

(c) After the appointments of the original seven (7) Commissioners have been made and confirmed, vacancies occurring during any term shall be filled for the unexpired portion of the term, and new appointments or reappointments of Commissioners shall be made, in the same manner in which the original appointments were made.

(5) Filing of Certificate of Appointment. A certificate of the appointment or reappointment of any Commissioner shall be filed with the City Clerk. Such certificate shall be conclusive

evidence of the due and proper appointment of the Commissioner if such Commissioner has been duly confirmed as herein provided and has duly taken and filed the official oath before entering upon his or her office.

(6) Removal of Commissioners. A Commissioner may be removed from office by the Mayor for incompetence, inefficiency, neglect of duty or misconduct in office, but such Commissioner shall be removed only after he or she shall have been given a copy of the charges at least ten (10) days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any Commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the City Clerk. To the extent applicable, the provisions of Wis. Stat. § 17.16 relating to removal for cause shall apply to any such removal.

(7) Meetings; Quorum; Bylaws. All meetings of the CDA shall be held in compliance with the provisions of Subchapter IV of Chapter 19 of the Wisconsin Statutes and Sec. 3.71 of the Madison General Ordinances. No vacancy in the membership of the CDA shall impair the right of a quorum to exercise the powers and perform the functions of the CDA. The CDA may adopt and from time to time amend or repeal such bylaws and other rules and regulations not inconsistent with applicable law as it deems necessary in the performance of its functions. (Am. by Ord. 13,652, 7-7-04; Renum. by ORD-07-00048, 4-12-07)

(8) Selection of Officers, Agents and Employees.

(a) The CDA shall annually elect a Chairperson and Vice-Chairperson from among the Commissioners. Vacancies occurring in the office of Chairperson or Vice-Chairperson shall be filled from among the Commissioners for the unexpired portion of the term.

(b) The CDA shall appoint an Executive Director, who shall not be a Commissioner of the CDA and whose qualifications shall be determined by the CDA, in consultation with the Mayor and the City's Human Resources Department, and set forth in writing. The Executive Director shall:

1. Be an employee of the City,
2. Be selected pursuant to the process set out in Sec. 3.54(9), MGO, except that the CDA shall appoint the Executive Director, after consultation with the Mayor,
3. Serve and be compensated pursuant to the terms of the contract entered into pursuant to Sec. 3.54(9), MGO, which contract shall provide that the Mayor shall supervise the Executive Director, may impose discipline on the Executive Director, shall have authority to terminate the Executive Director during any probationary period, and may determine non-renewal of the contract of the Executive Director. Except as provided herein, the Executive Director may be terminated by the Mayor with the concurrence of the CDA Board.

The Executive Director shall be the chief administrative officer of the CDA and shall direct, manage and supervise the CDA's administrative operations and technical activities and the City's Housing Operations in accordance with the directives of the CDA and the Mayor and the terms of his or her contract of employment. The Executive Director shall also act as Secretary of the CDA and shall perform such other duties and shall have such other powers and responsibilities as may from time to time be delegated to him or her by the CDA.

(Sec. 3.17(8)(b) Am. by ORD-10-00050, 5-12-10; ORD-14-00173, 12-10-14)

(c) The CDA may employ technical experts and such other officers, agents and employees, permanent and temporary, as it may require from time to time in the performance of its duties and functions, within the limits of the funds available for such purpose. The CDA may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

(d) Except for the position of Executive Director, which shall have the status of a noncivil service appointment, the employees of the CDA shall be selected under the provisions of the City's civil service system, shall be subject to pertinent civil service and personnel policies established for City employees generally, and shall be paid at salaries or rates of pay comparable to those of City employees with equivalent duties and responsibilities. Notwithstanding the foregoing provision, the Director of Planning and Community and Economic Development may contract under Sec. 3.54(7) of these ordinances, with Housing Monitors employed to provide security services at public housing sites owned and operated by the CDA, and such Housing Monitors shall be exempted from the City's civil service system. (Am. by Ord. 10,164, 12-28-90; Renum. by ORD-07-00048, 4-12-07; ORD-14-00173, 12-10-14)

(e) The CDA may call upon the City Attorney for such legal services as it may require, and may also retain specialists to render legal services as required by the CDA from time to time. The CDA may also contract with the City or any other agency or entity, public or private, for the provision of any necessary staff services associated with or required by the CDA in the performance of its duties and functions which could be performed by the staff of the CDA.

(9) City Assistance to CDA. The CDA is authorized to call upon any department, board, commission or agency of the City for assistance and cooperation in the performance of CDA's duties and functions. All City departments, boards, commissions and agencies are hereby authorized and directed to cooperate with, and furnish assistance to the CDA in the performance of the CDA's duties and functions to the extent that such cooperation does not interfere with or disrupt the priorities and work programs of the City agency.

In the event that any department or commission or agency shall have good cause for failing to comply with the request of the CDA for assistance, the matter shall be referred to the Mayor's office and, if deemed necessary, to the Common Council for adjudication.

In addition, the CDA may contract with the City of Madison for performance of such services as may be required by the authority in the performance of its functions. In the event assistance is provided by the department, board, commission or agency of the City, whether by contract or not, the CDA shall agree to compensate the City of Madison for all services rendered to the authority. Services provided shall be coordinated through the Executive Director of the CDA.

(10) Interested Commissioners or Employees. No Commissioner or employee of the CDA shall acquire any direct or indirect interest in any housing project or redevelopment or urban renewal project or in any property included or planned to be included in any such project, nor shall he or she have any direct or indirect interest in any contract or proposed contract for insurance, materials or services to be furnished or used in any such project. If any Commissioner or employee of the CDA owns or controls a direct or indirect interest in any property included or planned to be included in any such project, he or she shall immediately disclose the same in writing to the CDA and such disclosure shall be entered upon the minutes of the CDA, and such Commissioner or employee shall not participate in any action by the CDA relating to such property. Failure to so disclose such interest shall constitute misconduct in office. All Commissioners and employees of the CDA shall be subject to the provisions of Sec. 3.35 of the Madison General Ordinances.

(11) Powers and Duties of CDA.

(a) The CDA shall have all the powers, duties and functions of a housing authority, as set forth in Wis. Stat. §§ 66.1201 to 66.1213, inclusive, and all housing projects initiated by the CDA and approved by the Common Council shall be undertaken and carried out pursuant to such sections.

(b) The CDA shall have all the powers, duties and functions of a redevelopment authority as set forth in Wis. Stat. § 66.1335 and all projects relating to blight

elimination, slum clearance, urban renewal and redevelopment programs initiated by the CDA and approved by the Common Council shall be undertaken and carried out pursuant to Wis. Stat. § 66.1331, 66.1335, 66.1337 and 66.1105, as determined appropriate by the Common Council on a project by project basis.

(c) The CDA may, upon the direction of the Common Council act as agent of the City in planning and carrying out community development programs and activities funded under the Federal Housing and Community Development Act of 1973, as amended, and any or all community development programs and activities initiated by the CDA and approved by the Mayor and Common Council shall be undertaken and carried out pursuant to such Act and other applicable law.

(d) The CDA may, upon the direction of the Common Council, act as agent of the City in performing any or all acts, except the development of the general plan of the City, which may otherwise be performed by the City Plan Commission under Wis. Stat. § 66.1301 to 66.1327, inclusive, 66.1331, 66.1337 or 66.1105.

(e) The CDA may, upon the direction of the Common Council, act as agent of the City in performing any or all functions of the HFC and the Department of Planning and Community and Economic Development related to the operation and administration of the City's Housing Rehabilitation Services Program.

(f) The CDA may, upon the direction of the Common Council, act as agent of the City in performing any or all functions of the MHA related to the operation and administration of the City's Home-buyer's Assistance Program.

(g) The CDA may, upon the direction of the Common Council, act as agent of the City in performing any or all functions of the Department of Planning and Community and Economic Development related to the operation and administration of the City's "Section 312" Rehabilitation Program and any other programs of rehabilitation financing involving financial assistance from either the Federal Government or the State of Wisconsin, or both, in which the City participates.

(h) In addition to the foregoing powers, duties and functions, the CDA shall have such other powers, duties and functions related to community development as are conferred on it by the Common Council from time to time.

(i) The CDA may provide counseling services to tenants and homeowners with respect to property maintenance, financial management, and such other matters as may be appropriate to assist them in improving their housing conditions and meeting the responsibilities of tenancy or homeownership. (Cr. by Ord. 12,382, 6-3-99; Renum. by ORD-07-00048, 4-12-07)

(12) Transfer of MHA Projects to CDA.

(a) All existing programs and projects of the MHA, and all debts, demands, liabilities and obligations existing in favor of or against the MHA, and all titles to real and personal property, contracts, rights and remedies of the MHA shall be transferred to the CDA, either upon adoption of this Ordinance or as soon thereafter as such transfer may be effected without weakening, diminishing, impairing, or otherwise interfering with the rights of any obligees of the MHA or any other parties to the outstanding contracts, bonds, notes, indentures or other obligations of the MHA, and the MHA shall terminate its operations upon completion of the transfer to the CDA of such programs, projects, debts, demands, liabilities, obligations, titles to real and personal property, contracts, rights and remedies. Upon completion of such transfer, all such programs, projects, debts, demands, liabilities, obligations, titles to real and personal property, contracts, rights and remedies of the MHA shall become those of the CDA as though originally initiated, incurred, accrued, executed or acquired by the CDA, and all contracts entered into between the MHA and the Federal Government, or between the MHA and other parties, shall be assumed and discharged by the CDA except for the termination of operations by the MHA. Subject to such approvals or consents by the Federal Government,

or by or on behalf of the obligees of the MHA, or by any other parties, as may be required, the MHA and the CDA are hereby authorized to execute any and all documents that may be necessary to effect such transfer.

(b) Any other provision of this ordinance notwithstanding, the MHA shall continue in existence after adoption of this ordinance, solely for the purpose of fulfilling its obligations with respect to the discharge of the indebtedness secured by its outstanding bonds, indentures or other securities until such indebtedness has been fully discharged, or has been transferred to and assumed by the CDA in accordance with the provisions of the respective resolutions pursuant to which such outstanding bonds, indentures or other securities have been issued by the MHA, whichever occurs first. Until the indebtedness secured by the MHA's outstanding bonds, indentures or other securities has been fully discharged, or has been transferred to and assumed by the CDA in accordance with such resolutions, the MHA may, to the extend permitted by such bonds, indentures or securities, authorize the CDA to act as its agent with respect to the development, construction, maintenance and operation of the respective housing projects for which such outstanding bonds, indentures or other securities have been issued, and may delegate to the CDA, as its agent, such powers or duties with respect to such housing projects as may be necessary or desirable to assure the Federal Government and other obligees of the MHA of the faithful, punctual and complete performance by the MHA of all obligations required to be performed by it in fulfillment of the covenants set forth in such resolutions, or in the outstanding bonds, indentures or other securities issued by the MHA pursuant to such resolutions.

(13) Transfer of MRA Project to CDA. All existing programs and projects of the MRA, and all debts, demands, liabilities and obligations existing in favor of or against the MRA, and all titles to real and person property, contracts, rights and remedies of the MRA shall be transferred to and assumed by the CDA upon adoption of this ordinance, and the operation of the MRA shall be terminated. Upon completion of such transfer, all such programs, projects, debts, demands, liabilities, obligations, titles to real and personal property, contracts, rights and remedies of the MRA shall become those of the CDA as though originally initiated, incurred, accrued, executed or acquired by the CDA, and all contracts entered into between the MRA and the Federal Government, or between the MRA and other parties, shall be assumed and discharged by the CDA except for the termination of operations of the MRA. Subject to such approvals or consents by the Federal Government, or by any other parties, as may be required, the MRA and the CDA are hereby authorized to execute any and all documents that may be necessary to effect such transfer. Upon completion of such transfer, any procedures, hearings, actions or approvals taken or initiated by the MRA on pending projects pursuant to Wis. Stat. § 66.1333 shall be deemed to have been taken or initiated by the CDA as though the CDA had originally undertaken such procedures, hearings, actions or approvals. Contracts for disposition of real property entered into by the MRA with respect to any project are deemed to be contracts of the CDA without the requirement of amendments thereto.

(14) Transfer of HFC Functions to CDA. After adoption of this ordinance and upon subsequent direction of the Common Council, all functions of the HFC related to the operation and administration of the City's Housing Rehabilitation Services Program shall be transferred to and assumed by the CDA, as agent of the City, and the HFC shall cease to exist as a committee of the City. Any procedures, hearings, actions or approvals taken or initiated by the HFC on housing rehabilitation loans made or pending loan applications under the Housing Rehabilitation Services Program shall be deemed to have been taken or initiated by the CDA as thought the CDA had originally undertaken such procedures, hearings, actions or approvals. Such transfer shall not be effective unless specifically authorized by a duly adopted resolution of the Common Council.

(15) Annual Budget. An annual budget shall be established by the CDA, which budget shall be subject to approval of the Finance Committee and the Common Council. (Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(16) Annual Report. As a part of its annual budget request, the CDA shall file with the Mayor and Common Council a report of its activities for the preceding year. In addition, the Mayor shall at the conclusion of three (3) years of operation file with the Common Council a report on the effectiveness of the activities performed by the CDA. Said report is to be prepared by an independent agency.

(17) Evidence of Authority. A certified copy of this ordinance shall be filed with the City Clerk and shall be prima facie evidence of the CDA's right to transact business, and such ordinance shall not be subject to challenge because of any technicality. In any suit, action or proceeding commenced against the CDA, a certified copy of such ordinance shall be deemed conclusive evidence that the CDA is established and authorized to transact business and exercise its powers hereunder and pursuant to Wis. Stat. § 66.1335.

(18) CDA Housing Operations Subcommittee. The CDA Housing Operations Subcommittee shall consist of the following seven (7) members appointed by the Chair of the Community Development Authority Board: One (1) CDA commissioner; two (2) former or current residents of CDA housing or participants in the CDA Housing Choice Voucher (Section 8) Program, one of whom may be a CDA Commissioner; two (2) resident members, either or both of whom may be a CDA Commissioner; one (1) case manager; and one (1) landlord representative. This subcommittee shall review policy and programs specifically related to housing operations. (R. & R. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-09-00137, 10-01-09; ORD-17-00030, 3-8-17)

(19) Contravening Ordinances and Resolutions Repealed. All ordinances or resolutions or parts of ordinances or resolutions contravening the provisions of this ordinance are hereby repealed.

(20) Construction. All powers, duties and functions of a housing and community development authority, as set forth in Wis. Stat. § 66.1335, are deemed to have been granted to the CDA as though set forth in this ordinance, except as to those powers, duties and functions which are subject to further authorization and direction of the Common Council, as set forth herein. This ordinance and the powers granted hereunder shall be construed liberally to effectuate its purpose.

(21) Effective Date of Ordinance. This ordinance shall take effect and be in force from and after its passage and publication.

(Cr. by Ord. 6619, 5-9-79; Renum. by ORD-07-00048, 4-12-07)
(Subsec. (22) R. by ORD-06-00052, 5-4-06)

3.18 OTHER DEPARTMENTS, BOARDS AND COMMISSIONS.

(1) The ordinances establishing other City departments not included in Chapter 3 are provided in other chapters of these ordinances.

(2) Ordinances establishing and regulating City boards, commissions, and committees may be found in Chapter 33 or, when deemed advantageous, with the ordinance related to the subject matter of the board, commission, or committee. However, those boards, commissions, or committees that are created by resolution of the Common Council are not included in the Madison General Ordinances.

3.19 EMERGENCY PROCLAMATION.

(1) Notwithstanding any other provision of law to the contrary the Common Council is empowered to declare, by ordinance or resolution, an emergency existing within the city whenever conditions arise by reason of war, conflagration, flood, heavy snow storm, blizzard, catastrophe, disaster, riot or civil commotion, acts of God, and including conditions, without limitation because of enumeration, which impair transportation, food

or fuel supplies, medical care, fire, health or police protection or other vital services of the City. The period of the emergency shall be limited by the ordinance or resolution to the time during which the emergency conditions exist or are likely to exist.

(2) The emergency power of the Common Council conferred under Subsection (1) includes the general authority to order, by ordinance or resolution, whatever is necessary and expedient for the health, safety, welfare and good order of the city in the emergency and includes without limitation because of enumeration the power to:

(a) Bar, restrict or remove all unnecessary traffic, both vehicular and pedestrian, from the local highways notwithstanding any provision of Chapter 12, Madison General Ordinances or Wis. Stat. chs. 341 to 349, or any other provisions of law. (Am. by ORD-12-00035, 3-28-12)

(b) Impose a curfew upon all or any portions of the City thereby requiring all persons in such designated curfew areas to remove themselves forthwith from the public streets, alleys, parks or other public places. Physicians, nurses and ambulance operators performing medical services, bona fide members of the news media, personnel of public utilities maintaining essential public services and firefighters and City authorized or requested law enforcement officers and personnel may be exempted from such curfew. (Am. by ORD-14-00012, 1-14-14)

(c) Order the closing of any business establishments anywhere within the City for the period of the order within the City. Emergency, such businesses to include, without limitation because of enumeration, those selling intoxicating liquor, fermented malt beverages, gasoline or firearms.

(d) Call upon regular and auxiliary law enforcement agencies and organizations within or without the City of Madison to assist in preserving and keeping peace and order within the City.

(3) If, because of the emergency conditions, the Common Council is unable to meet with promptness, the Mayor or, in the event of her/his inability to act, the president of the Council or other successor as determined under Section 3.02(3), shall exercise by proclamation all of the powers conferred upon the Common Council under Subsec. (1) or (2) which within the discretion of the Mayor or the Mayor's successor appear necessary and expedient for the purposes herein set forth. The proclamation shall be subject to ratification, alteration or repeal by the Common Council as soon as the Common Council can meet, but the subsequent action by the Common Council shall not affect the prior validity of the proclamation.

(4) The proclamation, ordinance, or resolution declaring an emergency under Subsec. (1), (2) or (3) shall be effective upon its issuance and its dissemination to the public by appropriate news media.

(5) Any person who willfully fails or refuses to comply with any lawful order or duly authorized law enforcement officers or personnel charged with the enforcement of such proclamation of emergency shall be subject to a forfeiture of not more than five hundred dollars ($500) for each offense.

(6) Each portion of this section is deemed severable and if any provision is held to be unconstitutional or invalid for any reason, such decision shall not affect any portion of this section other than the portion or portions affected by such decision.

(7) This section shall supersede all other provisions of the Madison General Ordinances in conflict with this section.

(Cr. by ORD-05-00202, 1-3-06; Renum. by ORD-07-00048, 4-12-07)

3.20 EMERGENCY MANAGEMENT.

(1) Policy and Purpose.

(a) Emergency Management requires the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are

primarily responsible, to minimize and repair injury and damage resulting from disaster of all kinds, including enemy action and natural or unforeseen disasters, it being necessary to:

1. Establish a local emergency management plan.
2. Provide for the exercise of necessary powers during emergencies resulting from disaster; and
3. Provide for cooperation and mutual assistance between this City and other political divisions.
4. Collaborate with private individuals and entities for the purpose of preparing for, responding to and recovering from such disasters and emergencies.

(b) It is further declared to be the purpose of this ordinance and the policy of the City that all emergency management functions of the City shall be carried out pursuant to this ordinance and the emergency management plan developed hereunder, as part of a county-wide emergency management program to the maximum extent practicable. Existing services and resources of this City shall be used as needed. All of this shall be carried out within the framework of Wis. Stat. ch. 323. (Am. by ORD-10-00089, 9-15-10)

(2) Definitions. In this chapter,

(a) "Biological agent" means any of the following:

1. A select agent that is a virus, bacterium, rickettsia, fungus, or toxin that is specified under 42 CFR 72, Appendix A and all subsequent and amendments. (Cr. by ORD-15-00022, 3-4-15)
2. A genetically modified microorganism or genetic element from an organism under Sub. (a) that is shown to produce or encode for a factor associated with a disease.
3. A genetically modified microorganism or genetic element that contains nucleic acid sequences coding for a toxin under Sub. (a) or its toxic subunit.
4. An agent specified by the State of Wisconsin Department of Safety and Professional Services by rule. (Am. by ORD-12-00035, 3-28-12)

(b) "Bioterrorism" means the intentional use of any biological, chemical, or radiological agent to cause death, disease, or biological malfunction in a human, animal, plant, or other living organism in order to influence the policy of a governmental unit or to intimidate or coerce the civilian population.

(c) "Chemical agent" means a substance that has chemical properties that produce lethal or serious effects in plants or animals.

(d) "Civil defense" means all measures undertaken by or on behalf of the state and its subdivisions: to prepare for and minimize the effect of enemy action upon the civilian population.

(e) "Disaster" means a severe or prolonged, natural or human-caused, occurrence that threatens or negatively impacts life, health, property, infrastructure, the environment, the security of this state or a portion of this state, or critical systems, including computer, telecommunications, or agricultural systems. (Cr. by ORD-10-00089, 9-15-10)

(f) "Emergency" means either:

1. The imminence or existence of a major disaster or catastrophe resulting from enemy attack, sabotage, or other hostile action or by fire, flood, earthquake, or other natural or unforeseen causes which are clearly beyond the control of normal government services, personnel, equipment and facilities; or

2. When a state of emergency has been proclaimed by the governor of the state or the Mayor or designee hereunder or by the Common Council as provided in Section 3.19, M.G.O.

(g) "Emergency management" includes "civil defense" and means all measures undertaken by or on behalf of the state and its subdivisions:

1. to prepare for and minimize the effect of enemy action and natural or unforeseen disaster upon the civilian population;
2. to effectuate emergency repairs to, or the emergency restoration of, vital public utilities or facilities destroyed or damaged by such action or disaster;
3. to develop and implement a plan to ensure the continuity of normal governmental operations during an emergency.
4. to assist as appropriate the civilian population in the recovery from an emergency.

(h) "Emergency Management Coordinator" shall mean "Head of Emergency Management Services" as that term is used in Wis. Stat. ch. 323. (Am. by ORD-10-00089, 9-15-10)

(i) "Enemy action" means hostile action by a foreign power which threatens the security of this City or a portion thereof.

(j) "Incident command system" means a functional management system established to control, direct, and manage the roles, responsibilities, and operations of all of the agencies involved in a multi-jurisdictional or multi-agency emergency response.

(k) "National incident command system" (NIMS) is a national approach to an incident command system providing an integrated system with uniform processes, protocols and procedures for emergency response at every level of government.

(l) "Public health emergency" means the occurrence or imminent threat of an illness or health condition that meets all of the following criteria:

1. Is believed to be caused by bioterrorism or a novel or previously controlled or eradicated biological agent.
2. Poses a high probability of any of the following:
   a. A large number of deaths or serious long-term disabilities among humans.
   b. A high probability of widespread exposure to a biological, chemical, or radiological agent that creates a significant risk of substantial future harm to a large number of people.

(m) "Radiological agent" means radiation or radioactive material at a level that is dangerous to human health.

(n) "State of emergency" means the interim of time between the imminence of or the beginning of an emergency or the issuance of the proclamation declaring an emergency by either the governor; County Executive of Dane County; Mayor or designee hereunder; the Common Council; or other official as authorized under Section 3.19, MGO and a terminating proclamation is issued by such official declaring the period of extreme emergency to be at an end.

(Secs. 3.20(2)(e) - (m) Renum. to Secs. 3.20(2)(f) - (n) by ORD-00089, 9-15-10)

(3) Emergency Management Coordinator.

(a) There is hereby created a position of Emergency Management Coordinator who shall serve as the link between the City and State and Dane County Offices of Emergency Management as well as between the City and private individuals and/or entities for emergency management purposes. S/he shall be appointed by the Mayor, subject to confirmation of the Common Council and shall have responsibility in matters concerning the City's emergency management as set forth in this ordinance.

(b) Duties and Authority. The Emergency Management Coordinator shall have the powers and duties set forth in Subsection (4), below. S/he shall be the coordinator of emergency management for the City and shall have direct responsibility for organizing, administering, training and operating emergency management within the framework of the City's emergency management plan and shall serve as the signatory for the City in emergency management matters during a state of emergency in the absence or unavailability of the Mayor.

(4) Powers and Duties of the Emergency Management Coordinator.

(a) The Emergency Management Coordinator shall develop and promulgate emergency management plans consistent with state plans, direct the emergency management program and perform such other duties related to emergency management as are required by the Common Council. The emergency management plan shall require the use of the incident command system and NIMS, as appropriate, by all emergency response agencies, including the local health department as defined in Wis. Stat. § 250.01(4), during a state of emergency declared by the Governor under Wis. Stat. § 323.10, or by the Mayor or Common Council hereunder, or by the Common Council under Sec. 3.19 of the Madison General Ordinances or in any other multi-jurisdictional or multi-agency emergency response. (Am. by ORD-10-00089, 9-15-10)

(b) The Emergency Management Coordinator shall coordinate and schedule City emergency management training programs and exercises, direct participation in emergency management programs and exercises ordered by the adjutant general of the State of Wisconsin and the Dane County director of emergency management, and advise the Dane County director of emergency management on City emergency management programs and submit to him or her such reports as he or she requires.

(c) In addition, the Emergency Management Coordinator shall be responsible for performance of the following activities:

1. Develop an organized and comprehensive emergency plan for the City.
2. Assess risks and potential risks and hazards.
3. Serve as a resource to organize, train, and equip emergency responders and emergency management staff.
4. Support incident command system.
5. Serve as Emergency Operation Center director.
6. Review City agency plans to ensure plans are coordinated, current and comprehensive.
7. Serve as staff advisor to the Mayor on emergency management matters.
8. Keep the Mayor apprised of the preparedness status and emergency management needs.
9. Coordinate City planning and preparedness activities.
10. Prepare and maintain a resource inventory.
11. Ensure City plan is coordinated with other state and local government plans.
12. Coordinate periodic emergency exercises.
13. Perform as necessary liaison with the state emergency management staff and other local emergency management personnel.
14. Coordinate with organized volunteer groups and businesses regarding emergency operations.
15. Prepare the City to manage emergencies from mitigation and preparedness to response and recovery.
16. Direct the activities of the Emergency Management Planning Staff Team.

(5) (Rep. by ORD-15-00022, 3-4-15)

(6) Utilizing Existing Services and Resources.

(a) Resources. In preparing and executing the emergency management plan, the services, equipment, supplies and facilities of the existing departments and agencies of the City shall be utilized to the maximum extent practicable; and the officers and personnel of all such departments and agencies are directed to cooperate with and extend such service and facilities as are required of them by the Emergency Management Coordinator.

(b) Management Services. Specific assignments to various departments for emergency management purposes shall be made in accordance with the Madison emergency management plan as approved by the Common Council.

(c) Management Cooperation. All Department and Division heads shall assist the Emergency Management Coordinator in the development of the emergency management plan to ensure the safety and welfare of the general public and the continuity of normal governmental operation during a state of emergency.

(d) Contracting Powers. The Emergency Management Coordinator is empowered to enter into contracts to purchase or provide goods and services consistent with the mission of Emergency Management, as authorized by the Emergency Management Plan approved by the Common Council and in accordance with all adopted budgetary restrictions and authorizations.

(7) Emergency Regulations. Whenever necessary, to meet an emergency for which adequate regulations have not been adopted by the Common Council, the Common Council and/or the Mayor, pursuant to Sec. 3.19, MGO, may issue a proclamation to promulgate and serve such orders, rules and regulations relating to the conduct of persons and the use of property as shall be necessary to protect the public's health and safety and to protect lives and property and to insure the cooperation necessary for emergency management activities. Such proclamation shall be in accordance with Section 3.19, MGO.

(8) Mutual Aid Agreements. The Emergency Management Coordinator may, subject to the approval of the Common Council, enter into mutual aid agreements with other political subdivisions. Copies of such agreements shall be filed with the City Clerk and the State Adjutant General.

(9) Declaration of Emergencies.

(a) Upon the declaration of a state of emergency by the Governor, by the Mayor, or in the absence of the Mayor, by the President of the Common Council or the individual designated under Sec. 3.19, MGO, or by the Common Council under Sec. 3.19, MGO, the Emergency Management Coordinator shall disseminate all proclamations as to the existence of such state of emergency and shall issue such alerts as shall be required in the emergency management plan.

(b) Such state of emergency shall continue until terminated by the issuing authority, provided that any such declaration not issued by the Governor may be terminated at the discretion of the Common Council.

(c) During the continuance of a state of emergency, proclaimed as set forth herein, the Emergency Management Coordinator may contract with any person to provide equipment and services on a cost basis to be used in disaster relief and/or commandeer materials, services and property in the public interest and safety. Such authority to contract shall be limited to the provision of goods and services necessary to stop further damage and/or to maintain basic municipal services and/or infrastructures. Contracts in excess of ten thousand dollars ($10,000) shall require approval of the Mayor.

(d) Upon the completion of the work described in sub. (c) and the termination of the state of emergency, the Emergency Management Coordinator shall make a complete report of the work to the Mayor and the Common Council, stating in detail the items of cost and the total cost of doing the work. The City Clerk shall publish the report as a part of the proceedings of the Common Council.

(10) City Security. No person shall be employed or associated in any capacity in any emergency management services under this Section who advocates a change by force or violence in the constitutional form of government of the United States or this state or who has been convicted of or is under indictment or information charging any subversive act against the Untied States.

(11) Emergency Management Funds. Such money deemed necessary for the carrying out of the purposes of this ordinance, except as otherwise specifically provided, shall be disbursed in the manner prescribed for the disbursement of public funds, excepting in case of a state of emergency proclaimed as provided herein. In which event the Mayor may disburse such reasonable and necessary contingency funds within his/her discretion for emergency government purposes without the signature or countersignature of any other City officer or compliance with any other ordinance. Upon the completion of the work and the termination of the state of emergency, the Mayor shall make a complete report of the work to the Common Council, stating in detail the items of cost and the total cost of doing the work. The City Clerk shall publish the report as a part of the proceedings of the Common Council.

(12) Enforcement. It shall be the duty of every emergency government committee established pursuant to this Section and the Emergency Management Coordinator, Department Heads, officers, agents, employees and all other City and emergency government personnel to execute, enforce and obey such lawful orders rules and regulations as may be issued by the Mayor during a state of emergency.

(13) Penalty. Any person who refuses to comply with any lawful order issued under this section shall be subject to a forfeiture of up to five thousand dollars ($5000). Each and every refusal to comply with an order shall be considered a separate offense. (Am. by ORD-15-00023, 3-4-15)

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.21 Am. by ORD-05-00202, 1-3-06)

3.21 REDISTRICTING OF DISTRICTS AFTER DECENNIAL CENSUS.

Upon reapportionment and redistricting of the districts of alderpersons after the decennial census, any alderperson residing in the same numbered district from which he or she was elected shall, pursuant to Wis. Stat. § 62.08(3), represent the new district from and after the effective date of the redistricting. Any alderperson who no longer resides in the same-numbered district from which he or she was elected, due to the redistricting, may serve out the remaining portion of his or her term representing the new district of the same number. (Cr. by ORD-11-00090, 8-1-11)

3.22 - 3.29 RESERVED FOR FUTURE USE.

SUBCHAPTER 3B: QUALIFICATIONS OF OFFICIALS AND EMPLOYEES

3.30 QUALIFICATIONS—CITY OFFICERS, MEMBERS OF COMMISSIONS, AND EMPLOYEES.

(1) Citizenship. No person shall be eligible for election as an officer of the City of Madison unless he or she shall be at the time of his or her election a citizen of the United States. (Am. by ORD-05-00211, 1-3-06; Renum. by ORD-07-00048, 4-12-07)

(2) Residence: Boards, Commissions and Committees. Each person who is or shall be eligible for appointment as a member of a City of Madison board, committee or commission shall be a resident of the City of Madison, provided, however, that this provision shall not apply to a member of or candidate for appointment to a City of Madison board, committee or commission where, in the judgment of the Mayor and two-thirds (⅔) of the Common Council, the best interests of the City will be served by the appointment of a non-resident member who is particularly well qualified by reasons of education, background, and experience with Madison business concerns or other Madison-based employers and the Mayor specifies fully to the Common Council the reasons why he or she is recommending such appointment. The provisions of this subsection shall not apply to persons who are employed under a joint and cooperative arrangement with Dane County, nor shall it apply to appointments to the Equal Opportunities Commission Employment Committee if the appointee works for a business located in Madison. Wherever in these ordinances a reference is made to a resident member of a committee, the appointment is subject to this section.

In the event that any person required to reside in the City of Madison or ceases to reside in his or her respective jurisdiction, his or her position shall be deemed vacated. Such vacancy shall be filled in the manner prescribed by law or ordinance for the original appointment of that position. (Am. by Ord. 12,837, 6-26-01; Ord. 12,871, 8-7-01; R. & Recr. by Ord. 13,700, 9-29-04; ORD-06-00177; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-13-00207, 12-10-13; ORD-17-00030, 3-8-17)

(3) Residence of Certain Employees. Each person holding or who is eligible for appointment or employment to a position in Compensation Group 21, Secretary to the Mayor, Deputy Mayor or Library Development Director shall be a resident of the City of Madison. The Mayor may grant any person covered by this ordinance six (6) months to establish residency in Madison, after which time this ordinance applies in full. In unusual circumstances as determined in the Mayor's sole discretion, the period may be extended by the Mayor for an additional ninety (90) days. In the event any such person no longer resides in the City, such position shall be deemed vacant. In the event any other City employees are required to live within a specified distance of the City and such employee fails to live in the specified area, such position shall be deemed vacant.

This a Charter Ordinance adopted pursuant to Wis. Stat. § 66.0101, and Article XI, Sec. 3 of the Wisconsin Constitution and shall be effective upon sixty (60) days from passage and publication, subject to the referendum procedures of Wis. Stat. § 66.0101(5). (Cr. by CHA-13-00005, Pub. 12-10-13, Eff. 2-10-14; Am. by CHA-14-00001, Pub. 3-12-14, Eff. 4-29-14; ORD-16-00105, 12-2-16)

3.31 BONDS TO BE FILED BY CITY OFFICERS. The amount of the bonds required by Wis. Stat. §§ 62.09(4)(b) and 62.09(11)(i), to be paid by the City and to be filed by certain City officers shall be as follows: (Am. by ORD-13-00080, 5-29-13)

(1) Treasurer: One hundred thousand dollars ($100,000.00), provided, however, that the City Treasurer shall be exempted from giving any additional bond under the provisions of Wis. Stat. § 70.67(1) , conditioned for the accounting and paying over according to law all taxes of any kind which shall come into her or his hands and which she or he is required to pay to the County Treasurer, and in lieu thereof the City of Madison, Dane County, Wisconsin pursuant to the provisions of Wis. Stat. § 70.67(2), do and hereby does obligate

the City of Madison to pay in case the Treasurer thereof shall fail to do so, all taxes of any kind required by law to be paid by such Treasurer to the County Treasurer. (Am. by ORD-14-00012, 1-14-14)

(2) Chief of Police: Ten thousand dollars ($10,000.00). (For the amount of bond of the Finance Director, see Section 4.01(2).) (Am. by Ord. 8791, 2-14-86; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-11-00037, 3-8-11)

(3) Clerk and Deputy Clerk: Two thousand dollars ($2,000). (Cr. by ORD-13-00080, 5-29-13)

(4) Municipal Court Clerks: Two thousand dollars ($2,000). (Cr. by ORD-13-00080, 5-29-13)

3.32 ABSENCE OF EMPLOYEES FROM DUTY.

(1) Definitions.

(a) As used in this section, the term "employee" shall mean all City employees other than those holding stagehand positions, seasonal positions, hourly positions or crossing guard positions which are specifically exempted from the following provisions unless explicitly stated otherwise. This term shall include City employees who are exempted from the Civil Service System as specified by Sec. 3.53(1), MGO, except members of Compensation Groups 43 and 44. (Am. by Ord. 11,666, 9-4-96; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(2) Duties of Human Resources Director and of Division or Department Heads. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(a) It shall be the duty of each division or department head to indicate on such division or department absence record accompanying the payrolls the amount of each employee's absence from duty, together with the cause of such absence.

(b) It shall be the duty of the division of department heads to keep a record of such absence whether paid or unpaid.

(c) No person in the employ of the City of Madison shall receive compensation for time when they are absent from duty unless such absence is shown on the absence record accompanying the payroll of said division or department.

(d) An overpayment to any employee which is made by reason of a false report by the department head or other officer or employee shall be chargeable to the person making such false report who shall reimburse the City for such overpayment. Such overpayment may be deducted from any amounts due from the City to the person making such false report.

(e) No employee shall be absent from duty without permission of the division or department head. After three (3) days' absence not satisfactorily explained to the head of the division or department, the position may be declared vacant by the division or department head.

(3) Standard Workweek, Hours Per Week, Per Day.

(a) The standard number of hours per week during which nonrepresented field personnel shall be on duty, shall be forty (40) hours. The standard number of hours per week for office personnel shall be thirty-eight and three-quarters (38¾). The standard number of days per week during which all nonrepresented employees shall be on duty shall be five.

(b) The standard number of hours per day for nonrepresented non-office personnel shall be eight (8) hours. The standard number of hours per day for nonrepresented office personnel shall be seven and three-quarters (7¾) hours. Appointing authorities may establish reasonable daily starting and ending times to meet the needs of their respective departments and divisions.

(c) Department and division heads may permit their affected non-represented employees to work other than standard daily hours to avoid incurring overtime if the department or division head and the employee mutually agree in writing on the hours to be worked. A core set of hours which must be worked shall be established

by the department head and division head to meet the missions of their departments and the best interests of the City. The sets of core hours shall be approved in advance by the Mayor and the Management Team.

(d) The standard work week/work day for employees in Compensation Groups 15, 16, 20, 23, 32, 33 and 71 shall be the work week/work day in effect for that particular compensation group at the expiration of that compensation group's labor agreement.

Before making any permanent shift changes, the Department and Division head, or their designee, shall notify the representative of the particular compensation group five (5) days notice in advance of the anticipated date of the permanent shift change. Department and Division heads, or their designee, shall confer with the representative of the compensation group regarding the impact of the permanent shift change. If there is agreement among all parties, the permanent shift change may be implemented with five (5) working days advance notice to the employee. Should a Department or Division head, or their designee, implement a shift change without the required five (5) day notice or fail to provide the required five (5) working day advance notice to the employee, all time worked shall be paid at time and one-half (½) for the hours worked until the five (5) day notice period is reached. This paragraph does not apply to shift changes necessary to cover another employee's absence, employees hired in a classification as relief workers or to seasonal work assignments.

Upon expiration of the collective bargaining agreements, provisions regarding the number and duration of lunches and breaks shall continue, in accordance with City policy unless modified by mutual agreement.

(Sec. 3.36(4) Am. by Ord. 11,777, Adopted 1-21-97); (Renum. by ORD-07-00048, 4-12-07)

(e) For employees in Compensation Group 15, hourly employees are defined as persons who were hired for the period of April through the Friday following the Thanksgiving Holiday, and may be assigned to perform a variety of jobs as vacation replacements.

(f) For employees in Compensation Group 16 and 20, Seasonal employees are defined as persons who are employed and/or re-employed on a temporary basis for seasonal work of a temporary nature. Hourly employees are persons who are employed on a temporary basis or in continuously-filled positions working on average less than fifty percent (50%) time.

(g) Seasonal and hourly employees in Compensation Groups 16 and 20 shall work no more than one thousand one hundred eighty (1,180) hours in a calendar year. The City will not rotate seasonal and hourly employees in and out of a job to provide a continuously-filled position.

(h) Employees in Compensation Groups 15, 16 and 20, who work beyond the calendar or hours limitations outlined in (e) through (g) above shall receive triple time for all hours worked beyond the limitations.

(i) Employees in Compensation Group 31 are classified as Library Pages. There is no limitation on the duration or number of hours a Library Page can work.

(j) Upon expiration of the collective bargaining agreements, provisions regarding the number and duration of lunches and breaks shall continue, in accordance with City policy unless modified by mutual agreement.

(Secs. 3.32(3)(e) - (j) Cr. by ORD-15-00074, 7-29-15)

(4) Leave of Absence Without Pay. Department heads may, in appropriate circumstances, grant leaves of absences without pay to employees, including those in limited term positions, but if such leave is to extend for more than fifteen (15) working days, written approval of the Mayor must be secured. A leave of absence without pay for employees on probation shall act to extend the probationary period by the length of time of leave. (Am. by Ord. 7866, 11-15-82; Renum. by ORD-07-00048, 4-12-07)

(5) Sick Leave and Worker's Compensation Supplement.

(a) Leave of absence with pay to serve as sick leave shall mean absence from duty because of illness or bodily injury, when not a Worker's Compensation case; exposure to contagious disease; and serious illness or death in the "immediate family" of the employee, as defined in Sec. 3.32(12)(a)3.

(b) Sick Leave Eligibility.

1. All City employees as specified in Sec. 3.32(1)(a) shall be eligible to receive sick leave. Employees in hourly positions as defined in the Personnel Rules, shall be eligible to receive sick leave except that no sick leave credit shall be granted unless earn. (Am. by Ord. 7866, 11-15-82; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00083, 6-5-09)
2. Probationary employees in their original six (6) months of employment may draw in advance of the amount of sick leave which would be accrued within the six (6) months. Thereafter no sick leave credit shall be granted unless earned. If the employee's service is terminated prior to the end of this period, the employee shall reimburse the City for any unearned sick leave.
3. In the event that a seasonal employee shall move from the status of seasonal to the status of permanent without an interruption of continuous service of more than two consecutive pay periods, then the employee so appointed shall upon completion of probation be credited for one-half day sick leave for each eighty (80) hours worked from the earliest date of employment followed by continuous service. (Am. by Ord. 6879, 1-23-80; Renum. by ORD-07-00048, 4-12-07)

(Am. by ORD-10-00019, 2-18-10)

(c) In cases where a department or division head has reason to believe that an employee has attempted to use sick leave for a reason other than for those specified in Subdivision (a), above, the department or division head may require the employee to provide a physician's certificate explaining the necessity for the employee's time of absence from work, or other documentation substantiating that the absence was for a reason specified in Subdivision (a), above. An employee's failure to provide adequate medical or other explanation may result in loss of pay for the time absent. In addition, an employee's attempt to use the sick leave benefit for reasons other than for those so specified may subject the employee to discipline, in accordance with the procedures set forth in the Personnel Rules.

In all cases in which an employee is absent for more than ten (10) consecutive work days and in which no physician's certificate explaining the necessity for the absence has been provided by the employee, the department or division head may require such a certificate before salary payment is authorized for sick leave beyond the tenth day. In cases in which the absence continues for more than thirty (30) consecutive work days, the department or division head may require the employee to provide a physician's certificate explaining the necessity for the absence and file it with the Human Resources Director before further salary payment is authorized unless in view of the physician's latest certificate, further certification appears to be either temporarily or permanently unnecessary in which case the Human Resources Director shall advise the department or division head in writing to that effect. (Am. by Ord. 10052, Adopted 6-19-90; R. & Recr. by Ord. 12,689, 10-9-00; Renum. by ORD-07-00048, 4-12-07)

(d) In cases in which a department or division head has reason to believe that an employee's fitness for duty is in question, the department or division head may, with the approval of the Human Resources Director, direct the employee to undergo a physical or mental examination by a physician of the City's choice to determine the employee's fitness to perform his or her assigned duties. The expense

of such examination shall be borne by the City. The Human Resources Director shall establish a written procedure for the conduct of any such examination or follow-up examinations. (Cr. by Ord. 12,689, 10-9-00; Renum. by ORD-07-00048, 4-12-07)

(e) Sick Leave Accumulation.

1. Earning of Sick Leave.

a. Permanent and Limited Term Employees. Sick leave shall be earned at the rate of one-half (½) day per biweekly pay period of service; provided, however, that eligible employees who work less than full-time shall earn proportionate sick leave in the same ratio as their part-time employment bears to full-time employment in the same or similar position. The term "per biweekly pay period of service" shall be construed to be any biweekly pay period in which the employee has completed six (6) days of compensated service. The term "compensated service" as used herein shall include time spent on sick leave, vacation or Worker's Compensation status.

b. Hourly Employees. Sick leave shall be earned at the rate of one (1) day (8 hours) of sick leave for each two hundred (200) hours of work to a maximum of three (3) days in the calendar year. The three (3) day maximum shall apply regardless of any payout or loss of accumulated sick leave resulting from a resignation, seasonal layoff or termination. In calculating the hours of work to be counted towards the determination of sick leave accrual, only an employee's regular hours of work shall be counted. Overtime hours shall not be included in the determination of eligibility or accrual of sick leave. Hourly employees shall be eligible to earn sick leave benefits from January 1, 2009 or from their first day of employment, whichever date occurs the most recently.

(Sec. 3.32(6)(e)1. Am. by ORD-09-00083, 6-5-09)

2. Accumulation of Sick Leave and Distribution of Value Thereof.

a. Permanent and Limited Term Employees. Sick leave may be accumulated to a total not in excess of one hundred sixty-three (163) working days. All permanent and limited term employees who retire or who become disabled and who are also eligible to receive either Social Security benefits, Wisconsin Retirement Fund annuity payments or other publicly established retirement fund annuities, shall receive the equivalent value of one hundred per cent (100%) of their accumulated unused sick leave credits.

These funds will be placed into the City of Madison Post-Retirement Sick Leave Conversion Medical Reimbursement Plan and Trust, pursuant to the terms of the Plan, or the City of Madison Governmental 401(a) Special Pay Plan and Trust, pursuant to the terms of the Plan, as the same may be amended from time to time. Other employees may participate in these plans pursuant to their terms. (Sec. 3.36(6)(d)2. Am. by Ord. 11,666, 9-4-96; Ord. 12,479, 10-9-00; Renum. to 3.36(6)(e)2. by Ord. 12,689, 10-9-00; ORD-06-00116, 8-22-06; ORD-06-00099, 8-2-06; ORD-06-00158, 12-8-06; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00083, 6-5-09)

b. Displaced Employees. Employees who are displaced and become unemployed as a direct cause of the transfer of a Department/ Division operation to another government or the subcontracting of said operation to a private entity shall be eligible to receive up to

the equivalent value of their accumulated unused sick leave credits computed at their prevailing rate (including longevity pay) in effect at the time of the employee's layoff not to exceed the value of six (6) months of the employer's normal contribution toward health insurance. These funds will be placed in an escrow account administered by the City and will be used to continue the City's normal contribution toward health insurance premiums for a period not to exceed six (6) months following the date of layoff until such time as he/she becomes employed or until such funds are exhausted whichever occurs first. If the eligible employee is recalled or rehired by the City of Madison within twenty-four (24) months of the layoff, the accumulated unused sick leave credits not converted to the escrow account for health insurance contributions pursuant to this section shall be restored to the employee.

c. Hourly and Seasonal Employees.

i. At the time of layoff, a seasonal or hourly employee shall be paid fifty percent (50%) of the value of any unused sick leave that they have accrued. Payment shall be made in the pay period immediately following the date of the affected employee's layoff. For hourly employees not seasonally laid off, the employee will have an automatic annual carryover of up to three (3) sick days per year. If more than three (3) sick days has accrued at the end of the calendar year, the employee shall be paid fifty percent (50%) of the value of any accrued unused sick leave in excess of three (3) days. If a seasonal or hourly employee is terminated or resigns prior to the end of the term or season for which they were hired, the employee forfeits all accumulated sick leave. However, resigning from a position for the purpose of returning to school for the fall semester shall be considered a layoff. (Cr. by ORD-09-00083, 6-5-09; ORD-13-00159, 10-9-13)

ii. Non-seasonal hourly employees will be permitted to carry over a maximum of three (3) sick days into the next calendar year.

d. Distribution Upon Moving Into A Permanent Position. If a limited term, seasonal or hourly employee moves from that position to a permanent position without interruption in their employment with the City, such employee shall upon completion of probation, if one is served, receive one-half (½) day sick leave for each eighty (80) hours worked. If the position is obtained through a non-competitive process, then such benefits shall be limited to the earliest date of uninterrupted employment with the City. The balance of any accrued sick leave earned as an hourly or seasonal employee shall be deducted from the forgoing sick leave benefit calculation. (Cr. by ORD-09-00083, 6-5-09)

3. Accumulation in Excess of One Hundred Fifty (150) Days. Employees, except as listed in 4. and 5. below, earning sick leave in excess of one hundred fifty (150) days shall receive a cash sum equivalent to employee's regular salary times the number of excess days said payment to be made on the pay date of pay period 25. (Am. by Ord. 11,666, 9-4-96; ORD-06-00158, 12-8-06; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00069, 4-17-09; ORD-16-00088, 10-26-16)

4. Employees in Compensation Group 15. Employees in Compensation Group 15 may accumulate up to a total of one hundred sixty-three (163) days of sick leave. At the end of each year, any employee with a sick leave balance in excess of one hundred fifty (150) days will receive a payout on the pay date of pay period 25 equivalent to the employee's regular salary times the number of excess days. (Am. by ORD-16-00088, 10-26-16)

5. Employees in Compensation Group 16 and 20. Employees in Compensation Groups 16 and 20 who have accumulated a sick leave balance in excess of one hundred fifty (150) days, their balance from the previous year will remain and fifty percent (50%) of any newly accrued sick leave days will be paid out on the pay date of pay period 25 with the remaining fifty percent (50%) added to the total accrued sick leave time. (Am. by ORD-16-00088, 10-26-16)

6. Death Benefit. Employees earning sick leave who die while employed by the City shall have an amount equal to their current rate of pay, including longevity times their accrued unused sick leave added to the last pay due the employee.

(Sec. 3.36(6)(e) Renum. from Sec. 3.36(6)(d) by Ord. 12,689, 10-9-00; Am. by Ord. 13,291, 4-5-03; Renum. by ORD-07-00048, 4-12-07)

(f) Worker's Compensation Supplement. All employees shall be considered eligible for Worker's Compensation Supplement. In the event an eligible employee is entitled to receive compensation for temporary total disability in accordance with the provisions of Wis. Stat. ch. 102, said employee shall continue to be paid by the City at eighty percent (80%) percent of the same rate and upon the same basis as he/she was paid prior to such injury, provided that no employee shall receive less than the same net regular rate of pay as he/she was paid prior to such injury. Said pay shall include the employee's Worker's Compensation pay for a period not to exceed one hundred eighty (180) working days or thirty-six (36) working weeks and during such period the employee is receiving full pay under the provisions of this subdivision said employee shall continue to accrue sick leave and vacation in accordance with the provisions of this section, provided that no employee by reason of this subdivision shall receive pay for more than fifty-two (52) weeks in any calendar year. Payment provided herein shall include the first three (3) days said employee is absent from work. Pay by the City "at the same rate and upon the same basis" and "regular rate of pay" shall mean only base salary, plus any earned step increases, plus any earned longevity in effect immediately prior to the injury or illness subject to the provisions of Sec. 3.54 or any duly authorized labor agreement. (Am. by Ord. 9446, 3-23-88; Renum. from Sec. 3.36(6)(e) by Ord. 12,689, 10-9-00; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(6) Vacation.

(a) Eligibility. All City employees who have completed an original probationary period shall be eligible to receive an annual leave of absence with pay to serve as vacation. However, employees who are required to serve a probationary period in excess of six (6) months shall be eligible to receive earned paid vacation leave after completion of six (6) months of probation, not to exceed fifty percent (50%) of the employee's authorized starting vacation balance. In the event that an employee in a seasonal or hourly position who is otherwise ineligible to receive vacation shall move from the status of seasonal or hourly to the status of permanent without an interruption of continuous service of more than two consecutive pay periods, then the employee so appointed shall upon completion of probation be credited for vacation leave of one (1) day for each two hundred eight (208) hours worked from the earliest date of employment followed by continuous service. This provision

does not apply to crossing guards. (Am. by Ord. 12,099, 4-20-98; ORD-07-00011, 2-20-07; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10; ORD-13-00068, 5-8-13; ORD-16-00083, 9-29-16)

(b) Carry-Over. Up to two (2) weeks of vacation leave which is not taken within the calendar year in which it is earned will be carried over automatically; unused vacation beyond two (2) weeks may be carried over with the permission of the Department or Division Head and Human Resources Director. (Am. by ORD-09-00017, 2-6-09)

(c) Schedule.

1. Vacation leave for the City employees described in Subdivision (a) above, except as provided in Sec. 3.32(6)(c)7. below, shall be earned at an equivalent monthly rate in accordance with the following table:

Continuous Service Time	Full-Time Equivalent Annual Work Days of Vacation
After completion of one (1) year	10
After completion of three (3) years	12½
After completion of seven (7) years	15
After completion of eleven (11) years	17½
After completion of fifteen (15) years	20
After completion of nineteen (19) years	25
After completion of twenty-seven (27) years	27

(Am. by Ord. 10,383, 2-27-92; Ord. 12,563, Adopted 4-11-00; ORD-05-00013, 1-18-05; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

2. Authorized leave of absence without pay in excess of thirty (30) working days and periods of layoff shall not qualify as service time in computing continuous service for vacation. (Am. by ORD-10-00019, 2-18-10)

3. Computation of Eligible Employee's Vacation. Eligible employee's vacation shall be computed from the date of appointment. A proportional part of each employee's annual vacation shall be earned upon completion of each biweekly pay period of service.

   a. The term "biweekly pay period of service" shall be construed to be any biweekly pay period in which the employee has completed six (6) days of compensated service. "Compensated service" as used herein shall include time spent on sick leave, holiday, vacation or any other authorized leave for which regular, full pay is received.

   b. All annual vacation allowances shall be computed to the nearest one-half (½) day.

4. Reimbursement. Vacation which would normally be earned in a calendar year may be taken during such year; but if the employee's service is terminated prior to the end of the year, the employee shall reimburse the City for any unearned vacation leave taken, which amount shall be deducted from the employee's last wages.

5. Legal holidays falling within the period of annual leave are not included in the period of such leaves. In employment where Saturday is a half work day it shall be counted as a full day.

6. Vacation Schedule. The vacation schedules for employees in a division or department shall be developed by the division or department head. It shall be the policy of each division or department head to schedule vacations over as wide a period as possible in order to obviate the need for temporary

personnel. The use of vacation in smaller increments than one week shall be allowed. Accordingly, vacation shall be granted subject to the approval of the department or division head.

7. New Appointments. Pursuant to Sec. 3.54(10)(a), MGO, the Mayor may designate a new appointment's beginning vacation leave entitlement at any step within the vacation schedule. For vacation purposes, the designation will be deemed to carry with it the minimum years of continuous service necessary for that step in the vacation schedule. Thereafter vacation leave for the person appointed shall be earned in accordance with the schedule in Sec. 3.32(6)(c)1. above. (Cr. by ORD-05-00013, 2-15-05)

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.36(7)(c) Am. by Ord. 8626, 7-2-85)

(d) Vacation Credit Upon Death. Eligible employees and officers upon death, shall have added to the last pay due, full vacation credit for that calendar year less any vacation already taken during said year.

(e) Vacation Credit Upon Retirement. Eligible employees and officers upon retirement, shall have added to the last pay due, full vacation credit for that calendar year less any vacation already taken during said year

(f) Assistant Fire Chiefs may elect to convert up to two (2) weeks of their annual vacation to an amount of cash equivalent to said vacation calculated on the regular earnings of said employee. The employee shall apply for such conversion option in accordance with department procedure no later than October 1 of each year. Assistant Fire Chiefs may, in the alternative, elect to select a Salary Option which will convert up to two (2) weeks of vacation to pay applied to the gross salary in twenty-six (26) equal payments throughout the year. Provided, however, that under no circumstances shall either such addition to the employee's gross pay be included in calculating overtime rates or any other form of premium pay. (Cr. by Ord. 7394, 5-6-8; Renum. by ORD-07-00048, 4-12-07)

(7) Designated Holidays.

(a) Eligibility. All City employees and employees holding hourly positions shall be eligible to receive paid designated holidays. (Am. by ORD-10-00019, 2-18-10)

(b) The following are designated as holidays for City employees: January 1, the third Monday in January, the last Monday in May, July 4, the first Monday in September, Thanksgiving Day, December 25 and, for permanent and hourly employees in Compensation Group 15, the Friday after Thanksgiving. (Am. by Ord. 10064, 8-2-90; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(c) Employees must work or be on authorized paid leave the work day before and after a designated holiday in order to receive pay for the holiday. All City offices except those performing required duty shall be closed on the days listed in (b) above.

(d) In those cases where employees must perform required duty on the holidays listed in (b) above, they shall be compensated or granted time off at the rate currently in effect, in the employee's division or department, such time off to be taken at a time which is agreeable to the employee and the division or department head. For Compensation Groups 15, 16, 20, 32, 33 and 71 only, the compensated rate is two (2) times the employee's regular rate of pay for hours worked on the holidays listed in (b) above.

(e) In the event that any of the holidays listed in Sec. 3.32(7)(b) fall on a Sunday, the following Monday shall be treated as a holiday. If any of the holidays listed in Sec. 3.32(7)(b) fall on a Saturday, employees shall have an additional vacation day added to their current vacation balance. (Am. by ORD-10-00019, 2-18-10)

(f) Employees occupying positions in Compensation Groups 16, 17, 18, 20, and 33 who are regularly scheduled to work a normal shift on Sundays shall receive Easter

Sunday as a designated holiday. However, such employees shall forfeit one (1) floating holiday in lieu of Easter Sunday. (Cr. by Ord. 6716, Adopted 8-14-79; Renum. by ORD-07-00048, 4-12-07)

(8) Floating Holidays.

(a) Eligibility. All City employees shall be eligible to receive three and one-half (3½) paid floating holidays except as provided for in Sec. 3.32(7)(f). (Am. by Ord. 8776, 2-5-86; Am. by Ord. 13,469, 12-11-03; Renum. by ORD-07-00048, 4-12-07)

(b) Floating holidays shall be taken on days selected by the employee subject to the approval of the department or division head.

(c) Employees who are hired on or after November 1 will be permitted to carry over unused floating holidays into the following calendar year. (Cr. by ORD-09-00017, 2-6-09)

(Am. by ORD-10-00019, 2-18-10)

(9) Paid Leave Time.

(a) Eligibility. All City employees shall be eligible for paid leave time.

(b) 1. City facilities, except in those agencies providing essential services shall be closed on the day after Thanksgiving. In cases where employees are performing required duty on said days and cannot be granted time off, they shall be granted compensatory time off at a standard time rate at a mutually agreeable time. The intention of this provision is to grant each employee a whole day of paid leave on the day after Thanksgiving Day. Those employees who have a scheduled day off or who are on vacation or sick leave shall receive equivalent compensatory time off. (Am. by Ord. 13,469, 12-11-03; Renum. by ORD-07-00048, 4-12-07)

2. City facilities, except in those agencies providing essential services may, with the permission of the Mayor, be closed the whole day or part of the day on December 24 and December 31 where said days fall on a normal Monday-Friday workday. In the event a City facility remains open, the department head may release employees from duty on that day at the department head's discretion. In those cases when persons performing required duty cannot be granted time off on said days, appropriate compensatory time off shall be granted at a mutually agreeable time. The intention of this provision is to grant each employee time off with pay on said days provided that said days fall on a week day, Monday through Friday.

When December 24th or 31st falls on either Saturday or Sunday, employees shall be provided one (1) day vacation in lieu of the benefits provided herein for both days. Employees who have a scheduled day off, or who are on vacation or sick leave shall similarly be given equivalent compensatory time off.

3. Those employees who work on a shift which requires them to work their full shift on December 24 and/or December 31 shall be entitled to one day compensatory time off even though these days fall on a Saturday or Sunday.

(c) All paid leave time granted under sub. (9)(b) above shall be at straight time. (Am. by Ord. 9951, 2-14-90; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(d) Employees in Compensation Group 15.

1. Employees shall be given one-half (½) day off on December 24 and December 31 of each year provided these days fall on a week day (Monday through Friday). If special circumstances require the employees to work, those persons required to work on these half-days shall be granted one-half (½) day of vacation at a mutually agreeable time. When December

24 and December 31 fall on either a Saturday or Sunday, employees shall be provided a one-half (½) day of vacation in lieu of the benefits provided herein. If employees work in excess of one-half (½) day (four (4) hours), an equal amount of vacation time shall be granted at a mutually agreeable time.

2. Employees who have a scheduled day off or who are on vacation or sick leave on the above specified days are entitled to receive one-half (½) day of vacation at a mutually agreeable time. This provision shall not be operative for December 24 and/or December 31 when those days fall on a Saturday or Sunday.

(e) All paid leave time granted under sub. (9)(d) above shall be on a straight-time basis.

(10) Military Leave.

(a) Eligibility. Officials and employees of the City of Madison, including those persons holding hourly positions or crossing guard positions, who are members of the uniformed services of the United States may be eligible to take leaves of absences, without loss of credited service time, in order to fulfill their official duties as members of the uniformed services of the United States. Eligibility for such leave, the requesting of such leave, the administration of such leave and an employee's rights to reemployment upon return from such leave shall be determined in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. §§ 4301- 4333, as amended by Pub. L. 105-368, Veterans Programs Enhancement Act of 1998, 112 Stat 3315 (10 Nov. 1998) and any subsequent amendments to that law. Members of the Wisconsin National Guard who are called to active duty by order of the Governor or by an order issued under the authority of § 32 U.S.C. 502(f), which is not considered to be service in the uniformed services of the United States, are entitled to a leave of absence without loss of credited service time, however, such leave shall be requested, granted and administered pursuant to Wis. Stats. §§ 21.80 and §45.50-45.51, as that law may be amended from time to time. (Am. by Ord. 13,354, 7-5-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(b) Pay Differential and Leave Accumulation for Active Duty Service.

1. Subject to sub. 3, an employee who is activated to serve on military duty, other than those persons who hold hourly positions or crossing guard positions, in the U.S. armed forces shall be paid his or her City salary, less any military pay and housing allowances that he or she receives, during the period in which the employee is on military duty in the U.S. armed forces, unless the military pay and housing allowances equal or exceed his or her City salary, and shall accumulate sick leave and vacation as though no interruption in service has occurred if all of the following apply:

   a. The employee is activated to serve, or is serving, on military duty in the U.S. armed forces, other than for training purposes.

   b. On the date on which he or she is activated, the employee is either a member of the National Guard or a member of a reserve component of the U.S. armed forces or is recalled to active military duty from inactive reserve status.

   c. The employee has received a military leave of absence under Sec. 3.32(10)(a), MGO, or under a collective bargaining agreement or is eligible for reemployment with the city under Wis. Stats. § 21.80, 45.50, or under USERRA, after completion of his or her service in the U.S. armed forces.

(Am. by ORD-10-00019, 2-18-10)

2. Subject to Sub. 3, a City employee, other than those persons who hold hourly positions or crossing guard positions, who is required to serve, or who is serving, in the U.S. public health service and who is on detail with any of the U.S. armed forces shall be paid his or her city salary, less any federal pay and housing allowances that he or she receives, during the period in which the employee is detailed for duty with any of the U.S. armed forces, unless the federal pay and housing allowances equal or exceed his or her City salary, and shall accumulate sick leave and vacation as though no interruption in service has occurred. (Am. by ORD-10-00019, 2-18-10)

3. Limitations on Term of Pay Differential.

   a. Except as provided in par. b., beginning on the day in which a City employee is activated to serve on military duty in the U.S. armed forces or to serve in the U.S. public health service, the employee shall receive the pay and benefits authorized under Sub. 1. or 2. There shall be no limitation on the number of times a city employee may be deployed and receive pay differential and benefits under this ordinance so long as such employee remains eligible to return to City employment under Sec. 3.32(10), MGO, or under Wis. Stats. § 21.80, 45.50, or under USERRA.

   b. This ordinance shall not have any retroactive effect. No employee who is eligible to receive the pay and benefits under Sub. 1. or 2. may receive the pay or benefits for any service in the U.S. armed forces or the U.S. public health service for any such service that has occurred before the enactment of these provisions.

4. Any city employee who is eligible to receive the pay and benefits authorized under sub. 1. or 2. and who has completed his or her duty with the U.S. armed forces or the U.S. public health service may use up to 160 hours of accumulated vacation before the employee resumes employment with the City. Any accumulated vacation that is used under this subsection must be used no later than thirty (30) calendar days after the employee has completed his or her duty with the U.S. armed forces or the U.S. public health service. If, after using any such accumulated vacation, an employee has any accumulated vacation remaining that was accumulated while on duty with the U.S. armed forces or the U.S. public health service, the employee's department/division head and the Human Resources Director shall permit the employee to carry over the leave into the next year for use in that year. This subsection shall not have any retroactive effect and shall not apply to any periods of service occurring before the enactment of this subsection.

5. Continuity of Healthcare and Life Insurance. Unless an employee ordered to active duty (other than training) with the armed forces of the United States under the authority of Titles 10 or 32, United States Code, has specifically requested otherwise and in writing, the city shall continue to pay the employer's contribution towards health and dental insurance premiums, life insurance premiums and contributions to the Wisconsin State Retirement Fund on behalf of any employee, at the rate which would be in effect for the employee had he or she not been ordered to active duty. This subsection shall not have any retroactive effect and shall not apply to any periods of service occurring before the enactment of this subsection.

6. Suspension of Benefits. If at any time, the number of City of Madison employees currently drawing benefits under the provisions of this ordinance shall exceed the greater of either the equivalent of thirty (30) full time

employees or shall meet or shall exceed one percent (1%) of the total City workforce as determined by full time equivalents the benefits provided under this subsection are suspended by action of this ordinance. The suspension of these benefits shall remain in effect until such point in time that the number of City employees otherwise eligible to actually receive the benefits provided by this ordinance has remained, for a period of not less than ninety (90) consecutive days, at or below the greater number of either thirty (30) full time employees or one percent (1%) of the total workforce, as set forth above. Any employee who is currently receiving benefits under this ordinance at the time that such a suspension of benefits becomes operative, shall receive a thirty (30) day notice of the City's intent to suspend such benefits and such employee shall continue to receive such benefits until the thirtieth day following the issuance of such notice. The suspension of these benefits does not affect the rights and entitlements of any employee as such rights and entitlements may be guaranteed under state and federal law.

7. Notice of Benefits. Within sixty (60) days of the passage of this ordinance the Human Resources Department shall create and distribute a poster that notifies eligible employees of their rights under Sec. 3.32(10), MGO. City department/division heads shall ensure that this poster is prominently posted in all city workplaces.

(Am. by Ord. 12,563, Adopted 4-11-00; Am. by Ord. 13,354, 7-5-03; Am. by ORD-06-00074, 6-3-06; Renum. by ORD-07-00048, 4-12-07)

(11) Jury Service. Employees who are called for jury service in any court of the State of Wisconsin or of the United States shall, upon reimbursement to the City of their per diem jury payment, be entitled to leave of absence from their City position without loss in time from the service of the City to serve as jurors in such courts. There shall be no deduction from nor interruption of the pay from the City because of such absence. The leave granted by this section is in addition to all other leaves granted or authorized by any other provisions of City ordinances and the time of the leave granted under this section shall not be deemed a part of any leave granted or authorized by any other provisions of City ordinances. For the purpose of determining seniority pay or salary advancement, the status of the employee shall be considered as though not interrupted by such attendance. (Renum. from Subsection (14) by Ord. 13.354, 7-5-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(12) Death in Employee's Family or Otherwise.

(a) Death in Immediate Family.

1. Where there is a death in the immediate family of an employee such City employee including crossing guard employees, shall be eligible, in accordance with the terms of this subsection, for leave without loss of pay. Employees shall be granted up to three (3) days without loss of pay and without charge to accrued sick leave or vacation of the employee. Such leave must be used within two (2) weeks of the death, memorial service, and/or funeral service which is the basis for the leave. Authorization for exceptions to this requirement can be obtained through the Human Resources Director. The leave provided under this provision is not to be considered as vacation or holiday leave but leave provided for reasons related to the death of a close relative.. (Am. by Ord. 10052, Adopted 6-19-90; ORD-10-00019, 2-18-10)

2. In the event of the death of an "immediate family" member, leave greater than three (3) days may be granted at the discretion of the Human Resources Director with such leave charged against the compensatory time, vacation or sick leave balance of the employee at the discretion of the

employee. In the event the employee's compensatory time, vacation time and sick leave time are exhausted, the Department or Division Head may authorize up to three (3) days of vacation leave from vacation time to be earned by the employee the following calendar year which would create a negative vacation leave balance until the end of the year. In the event the employee terminates employment with the City and has a negative vacation leave balance, the vacation time advanced to the employee shall be repaid to the City from the employee's final paycheck.

3. The term "immediate family" as used in this subsection shall be limited to the following:

   a. Parents or stepparents.

   b. Husband or wife.

   c. Children, stepchildren, grandchildren, or foster children.

   d. Spouse's foster children.

   e. Brother or sister.

   f. Grandfather, grandmother, great-grandfather or great-grandmother.

   g. A person designated in writing by the employee as a family partner or that partner's children, stepchildren, grandchildren, or foster children; parents or stepparents; brother, sister, stepbrother or stepsister; son-in-law or daughter-in-law; grandparents or great grandparents. The Mayor shall establish rules and procedures for such designation of family partners. (Cr. by Ord. 9560, 8-11-88)

   h. Father-in-law, mother-in-law, step-father-in-law or step-mother-in-law.

   i. Sister-in-law, brother-in-law, stepsister-in-law or stepbrother-in-law.

   j. Son-in-law or daughter-in-law.

   k. Spouse's grandparents or great grandparents.

   l. A Domestic Partner registered with the City Clerk as provided in Section 39.03(11) of these ordinances.

(Sec. 3.36(15)(a)2. Am. by Ord. 11,708, 11-13-96; ORD-06-00158, 12-8-06; Renum. by ORD-07-00048, 4-12-07)

(b) Death Other Than in Immediate Family. Where a death of a person in the employee's family, other than her/his immediate family or otherwise occurs, employees shall be entitled to one (1) day of leave with said leave to be charged against any paid leave credits due the employee at the discretion of employee. The Human Resources Director has discretion to authorize such employee additional leave from work which absence shall be chargeable to any paid credits due the employee at the discretion of the employee. In absence of paid leave credits, the time off shall be charged as leave without pay. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00017, 2-6-09)

(c) Death of Friends. Employees shall be entitled to leave without pay for one (1) day when the memorial service takes place out of town; one-half (½) day for in-town memorial services; such time off may be charged against any paid leave credits due the employee at the discretion of the employee. In absence of any paid leave credits, the time off shall be charged as leave without pay. (Cr. by ORD-09-00017, 2-6-09)

(Renum. from Subsection (15) by Ord. 13,354, 7-5-03; Renum. by ORD-07-00048, 4-12-07)

(13) Disability Leave Without Pay. Employees who are unable to perform the essential functions of their position due to a qualifying medical condition shall be entitled to a leave of absence without pay for a period not to exceed six (6) months, subject to the following provisions:

(a) The employee shall apply for such leave, in writing, to the employee's Department/ Division Head. The Human Resources Director must approve the leave of absence.

(b) The employee shall submit a physician's report including a statement of the illness, injury or disability and whether or not the employee is able to work to the Human Resources Director.

(c) The employee shall submit to her/his Department/Division Head a physician's statement of release for work before returning to work.

(d) In the event the employee is unable to return to work at the end of the six (6) months, the employee shall be placed in a layoff status for a period not to exceed an additional eighteen (18) months.

During the period of lay-off, should the employee's physician approve, in writing, that the employee can return to work, the rights of the returning employee shall be as established in the Personnel Rules.

Employees on disability lay-off must give the Human Resources Department a minimum of three (3) weeks' notice prior to exercising their right to return in order for the displacement process contained herein to occur. The employee that is selected for initial displacement shall be given written notice of the action not less than five (5) calendar days prior to the effective date; provided, however, that a junior employee shall receive no prior notice in the case of a senior employee displacing a junior employee. Displaced employees shall have forty-eight (48) hours after receiving notice to exercise whatever options may be available to them. If a decision is not made within the 48-hour period, said employee shall be deemed to have been laid off by the City. Employees who cannot displace into a lower position and therefore are to be laid off shall receive written notice of the action not less than fourteen (14) calendar days prior to the effective date.

(e) The City and/or employee shall continue to pay health insurance premiums on the same basis as existed prior to the commencement of the disability leave of absence. However, in the event that changes occur affecting the premium payment for health insurance during the disability leave of absence, payment arrangements will be adjusted accordingly.

(f) Employees in limited term positions may be granted a disability leave without pay at the discretion of the Department or Division Head, for a period not to exceed six (6) months. Limited term employees are not entitled to displacement provisions.

(g) Employees with an employment contract may be granted a disability leave without pay at the discretion of the Mayor and are not entitled to displacement options unless set forth by individual contract.

(Sec. 3.36(16) Am. by Ord. 10,810, 1-14-94; Renum. from Subsection (16) by Ord. 13,354, 7-5-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10)

(14) Return to Service. An employee in the classified service appointed to a position in the unclassified service shall be granted a leave of absence without pay from his/her former position in the classified service for the period of his/her service in the unclassified position and for one (1) year thereafter, during which time she or he shall be entitled to return to such former position or to one of equal responsibility and pay in the classified service without loss of seniority or civil service status. Any employee receiving a greater salary in the classified service than that provided for a position in the unclassified service to which she or he is appointed, shall be entitled to the same salary while serving in such position as she or he was receiving in the classified service at the time of such appointment. This

section shall supersede any provision of law relating to the civil service application and selection procedures in conflict therewith. This section shall not apply to persons leaving civil service positions to accept employment contracts with the City nor to persons who have been terminated or demoted from such unclassified positions for any reason contained in the Personnel Rules. (Am. by Ord. 10060, 7-20-90; Renum. from Subsection (17) by Ord. 13,354, 7-5-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-10-00019, 2-18-10; ORD-14-00012, 1-14-14)

(15) Election Day Leave.

(a) State law requires that employees be allowed time off for the purpose of voting on Election Day. Any employee wishing to vote during regular work hours should notify their supervisor in advance of the Election Day. Any employee having given notice prior to Election Day may take up to three (3) hours of vacation, compensatory time, floating holiday or absence without pay for the purpose of voting on Election Day. The City, specifically the Department or Division head, reserves the right to designate the time of day in which the employee is released from work to vote.

(b) An employee appointed to serve as a City of Madison election official pursuant to Wis. Stats. § 7.30 may use his or her vacation, holiday and/or compensatory leave during the period of time he or she would have been scheduled to work and serves as an election official. In such a case, the employee receives his or her regular rate of pay and is allowed to retain any compensation earned or received for their service as an election official.

(c) For such time as an employee is serving as a City of Madison election official pursuant to Wis. Stats. § 7.30 during the twenty-four hour period of an election day, and is not using vacation, holiday or compensatory leave, he or she shall remain on the payroll for those hours which they would have otherwise worked for the City and shall receive in addition a check in the amount of the election official compensation for the hours where there is no overlap between the employee's regular or scheduled hours and the hours they serve as an election official. (Am. by ORD-08-00138, 12-23-08)

(d) An employee appointed to serve as an election official pursuant to Wis. Stats. § 7.30 for any jurisdiction other than the City of Madison shall upon proper notice and pursuant to Wis. Stats. § 7.33(3) be granted an unpaid leave of absence for the entire twenty-four (24)-hour period of each election day in which the employee serves in his/her official capacity as an election official.

(e) An employee who serves as an election official shall provide their Department/ Division Head with at least seven days written notice of their anticipated service as an election official.

(Cr. by Ord. 13,127, 8-28-02; Renum. from Subsection (18) by Ord. 13,354, 7-5-03; Renum. by ORD-07-00048, 4-12-07)

(Section 3.32 Am. by ORD-14-00173, 12-10-14)

3.33 **TRAINEE PROGRAM.** The Personnel Board may establish an in-service trainee program designed to give rigorous training in the various classes of positions in the City classified service. Each appointment shall be for such period of time and subject to such qualification as shall be determined by the Human Resources Director with the consent of the appointing authority. Trainees hereafter appointed pursuant hereto shall not have civil service status but shall be eligible to pension rights under the provisions of the Wisconsin Retirement Fund, Chapter 41, Wisconsin Statutes, and other fringe benefits provided by the general ordinances and civil service rules of the City of Madison. Permanent employees who shall be appointed as trainees hereunder shall retain their permanent civil service status. Trainees appointed hereunder shall be paid while undergoing training in accordance with the provisions of the salary schedule currently in force. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

3.34 JUDGMENTS AGAINST EMPLOYEES. As an inducement to retain experienced, qualified personnel in City employment, as well as to encourage future recruitment of qualified personnel for City service, any employee who has a judgment for damages entered against such employee growing out of any acts done in the course of her or his employment, or out of any alleged breach of her or his duty as such employee, may petition the Common Council for payment of a sum of money equal to the amount set forth in said judgment. Payment of the aforesaid sum of money to the aforesaid petitioner may be authorized by an affirmative vote of a majority of the members of the Common Council and the approval of the Mayor. (Renum. by ORD-07-00048, 4-12-07; Am. by ORD-14-00012, 1-14-14)

3.35 CODE OF ETHICS.

(1) Declaration of Policy. The proper operation of democratic government requires that public officials and employees be independent, impartial, and responsible to the people; that government decisions and policy be made in the proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, there is hereby established a Code of Ethics for all City of Madison officials and employees. The purpose of this Code is to establish guidelines for ethical standards of conduct for all such officials and employees, to set forth those acts or actions that conflict with the best interests of the City and conflict with or are incompatible with the proper discharge of duties and required independence of judgment, and to direct disclosure by such officials and employees of private financial or personal interests in matters affecting the City. The provisions and purpose of this Code and such rules and regulations as may be established are hereby declared to be in the best interests of the City of Madison.

(2) Definitions. As used in this section:

(a) "Anything of value" means any money or property, favor, service, payment, advance, forbearance, loan, or promise of future employment, but does not include compensation and expenses paid by the City, money or items which are permitted and reported under Sec. 3.35(6), political contributions which are reported under Wis. Stat. ch. 11, or hospitality extended for a purpose unrelated to City business by a person other than an organization.

(b) "Associated," when used with reference to an organization, includes any organization in which an individual or a member of her or his immediate family is a director or officer or owns or controls, directly or indirectly, and severally or in the aggregate, at least two percent (2%) of the outstanding equity. Notwithstanding the foregoing, an elected official or employee who is appointed by the Mayor or approved by the Council to serve as an officer or board member of a private non-profit organization, or a public committee or board, does so in his/her official capacity as a representative of the City of Madison and, as such, is not "associated" with the private or public organization. (Am. by Ord. 12,371, 5-6-99; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-13-00124, 7-10-13)

(c) "Economic interest" or "financial interest" means a business or cause in which a person or her or his immediate family member has a concern, responsibility, share, right or title in the ownership of property in a commercial or financial undertaking which relates to the source, production, distribution or use of the person's or immediate family member's income, wealth or goods, including debts, or which affects or is apt to affect the welfare or the material resources of the person or immediate family member.

(d) "Immediate family" means 1. An individual's spouse or designated family or registered domestic partner, or 2. An individual's relative by marriage, lineal descent or adoption who receives, directly or indirectly, more than one-half of her or his support from the individual or from whom the individual receives, directly or indirectly, more than one-half of her or his support.

(e) "Organization" means any public or private, profit or non-profit, religious, educational, charitable or political organization or entity but does not include governmental bodies.

(f) "Personal interest" means any interest greater than nominal, direct or indirect, arising from blood, marriage, adoption, guardianship or designated family or registered domestic partner relations or from close business, political or other associations.

(3) Application. This section applies to the following persons:

(a) Elected officials of the City;

(b) All employees of the City;

(c) All members of City boards, committees, commissions, subcommittees and ad hoc committees.

Wherever the word "incumbent" appears in this section, it shall mean all those included in subdivisions (3)(a), (b), (c).

(4) Responsibility of Public Office. Incumbents are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the Constitution of this State and to carry out impartially the laws of the nation, state, and municipality. They are bound to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the public interest must be their primary concern. Incumbents shall adhere to the rules of work and performance established as the standard for their positions by the appropriate authority. They shall not exceed their authority or breach the law or ask others to do so, and shall work in full cooperation with others unless prohibited from so doing by law or by officially recognized confidentiality of their work. Any complaint alleging only a violation of this sub. (4) of the Ethics Code is not within the jurisdiction of the Ethics Board unless the complaint includes allegations demonstrating that another body (a court, administrative agency, or similar entity with authority to do so) has made a final determination that the respondent has violated a provision of law. If such a final determination is shown, the Ethics Board will not rehear the underlying facts related to the legal violation, but may determine whether such violation also violates this subsection or any other part of the Ethics Code. (Am. by ORD-17-00031, 3-8-17)

(5) Standards of Conduct.

(a) 1. Use of Office or Position. No incumbent may use or attempt to use her or his position or office to obtain financial gain or anything of value or any advantage, privilege or treatment for the private benefit of herself or himself or her or his immediate family, or for an organization with which she or he is associated. This paragraph does not prohibit an incumbent from using the title or prestige of her or his office to obtain campaign contributions that are permitted and reported as required by Wis. Stat. ch. 11.

2. Influence and Reward. No person or entity may offer or give to an incumbent or member of an incumbent's immediate family, directly or indirectly, and no incumbent may solicit or accept from any person or entity, directly or indirectly, anything of value if it could reasonably be expected to influence the incumbent's vote, official actions or judgment, or could reasonably be considered as a reward for any official action or inaction on her or his part.

This Sub. 2. does not prohibit an incumbent from soliciting donations from third parties provided that:

a. The funds are to be used for a City project or for a conference to be held within the City;

b. The solicitation has been approved by a resolution of the Common Council;

c. The entity receiving the funds is not an entity with which the incumbent is associated; and

d. A report of the amount and date of contribution and contributor for all donations for the project or conference is filed with the City Clerk within six (6) months of the receipt of the donation.

(Sec. 3.35(5)(a)2. Am. by ORD-10-00105, 11-23-10)

3. Limitations on Actions. Except as otherwise provided in paragraph 4, no incumbent may:

a. Take any official action affecting, directly or indirectly, a matter in which she or he, a member of her or his immediate family, or an organization with which she or he is associated has a financial or personal interest;

b. Use her or his office or position in a way that produces or assists in the production of a benefit, direct or indirect, for her or him, a member of her or his immediate family either separately or together, or an organization with which the incumbent or her or his immediate family member is associated.

4. Paragraph 3. does not prohibit an incumbent from taking any action concerning the lawful payment of salaries or employee benefits or reimbursement of actual and necessary expenses, or prohibit an incumbent from taking official action with respect to any proposal to create, modify, or repeal a City ordinance, resolution or matter benefiting the public.

(b) Privilege and Advantage. No incumbent shall request or permit the use of City-owned vehicles, equipment, materials, or property for personal convenience or profit, or for that of another, except when the same are available to the public generally or except where otherwise authorized by the Common Council. No incumbent shall grant any privilege, anything of value, special consideration, treatment or advantage to any person beyond that which is available to every other person except as may be specifically provided for by law. The use of City equipment and property including City-owned vehicles, cameras, projectors, audio systems, copy machines, fax machines, computers, telephones, software and uniforms is prohibited for both partisan and non-partisan political activity. Use of City property which is available and accessible to the general public is not considered a violation of this ordinance, nor is it a violation for an incumbent to use photographs existing before the first date that nomination papers may be circulated and taken during the regular course of the incumbent's duties. For the purposes of this Subdivision (b), political activity has the meaning found in Section 3.35(8), MGO. (Am. by ORD-10-00094, 9-27-10; ORD-11-00122, 9-12-11)

(c) Outside Employment. No incumbent shall engage in or accept employment or render service whether compensated or uncompensated when such employment or service would impair or reasonably appear to impair her or his independence of judgment or action in the performance of official duties.

(d) Disclosure of Information. No incumbent may intentionally use or disclose information gained in the course of or by reason of her or his official position or activities in any way that could result in the receipt of anything of value for herself or himself, for a member of her or his immediate family, or for any other person or entity if the information has not been communicated to the public or is not a public record.

(e) Contracts or Leases. No incumbent, member of an incumbent's immediate family, nor any organization in which the incumbent or a member of her or his immediate family owns or controls at least 2% of the outstanding equity, or indebtedness, or voting rights may enter into any contract or lease involving a payment or payments

of more than $3,000 within a 12-month period, in whole or in part derived from funds administered by the City, unless the incumbent has first made written disclosure of the nature and extent of such relationship or interest to the Common Council and to the department acting for the City in regard to such contract or lease. Any contract or lease entered into in violation of this provision may be voided by the City in an action commenced within 3 years of the date on which the Common Council, or the department or incumbent acting for the City in regard to the allocation of City funds from which such payment is derived, knew or should have known that a violation of this subsection had occurred. Nothing in this provision affects the application of Wis. Stat. § 946.13, or subsequent amendments of that section relating to an incumbent's activity concerning a direct or indirect financial interest in a proposed City contract.

(f) Disclosure and Disqualification.

1. An elected official who has or whose immediate family member has a financial or personal interest in any matter coming before the Common Council shall disclose on the records of the Common Council the nature and extent of such interest. This provision shall not apply if the elected official disqualifies herself or himself from participating in discussion of the matter and from voting on it. An elected official shall disqualify herself or himself from discussing and voting if the matter under consideration involves her or his immediate family member's financial or personal interests to the extent that such interests conflict or appear to conflict with her or his official duties or would impair or reasonably be expected to impair her or his independence of judgment or actions.
2. Any other incumbent who has or whose immediate family member has a financial or personal interest in a matter coming before the Common Council or any board, committee, commission, sub-committee or ad hoc committee, and who participates in discussions with or gives an official opinion to such body, shall disclose on the records of such body the nature and extent of such interest. This provision shall not apply if the incumbent disqualifies herself or himself from participating in discussion of the matter and from voting on it.
3. In the event a member of a City board, committee or commission is required to disqualify herself or himself from participating or voting on a matter which comes for official action before the board, committee or commission of which she or he is a member and a member of the board, committee or commission requests the disqualified member to leave the room that member shall physically absent herself or himself from that portion of the meeting involving discussion, deliberations or votes related to that matter, and the minutes of the meeting shall reflect her or his absence.

(g) Receipt of Anything of Value. No incumbent may receive and retain any transportation, meals, entertainment, fee, food, beverage, or reimbursement therefore, nor any honoraria, service fee or contract payment or anything of value except in accord with Sec. 3.35(6).

(h) Representing Private Interests.

1. No elected official shall appear on behalf of private interests with or without compensation before any City entity nor represent private interests in any action or proceeding against the City. No member of any board, committee or commission of the City shall appear on behalf of private interests with or without compensation before the board, committee or commission of which she or he is a member nor represent private interests in any action or proceeding against the City which involves, is related to or

arises out of the work or jurisdiction of the board, committee or commission of which she or he is a member or negotiate with any incumbent in connection with any such matter. No employee of the City shall appear on behalf of private interests with or without compensation before any entity for or with which they work nor appear on behalf of private interests, with or without compensation, in any action or proceeding against the City.

2. These provisions shall not apply to the appearance of any such incumbent when subpoenaed as a witness by a party involved in litigation which may also involve the City nor to employee representatives of a certified labor organization representing any group of City employees.

3. An elected official may appear before any City entity and confer with any incumbent on any matter in the course of her or his duties as a representative of the electorate or in the performance of public or civic obligations, however, she or he shall not accept any compensation therefore.

(i) Post-Employment/Appointment Restrictions.

1. No former Mayor, for twelve (12) months following the date on which she or he leaves office may appear, with or without compensation, on behalf of any person or entity, before any City entity or confer or negotiate with any incumbent on any matter which may reasonably be expected to come before any City entity for official action. During such period, no former Mayor may engage in lobbying under Sec. 2.40, MGO.

2. No former alderperson, for twelve (12) months following the date on which she or he leaves office may appear, with or without compensation, on behalf of any person or entity, before any board, committee or commission or before the Common Council or negotiate with any incumbent on any matter which may reasonably be expected to come before such board, committee or commission or the Common Council for official action. During such period, no former alderperson may engage in lobbying under Sec. 2.40, MGO.

3. No former permanent City employee, for twelve (12) months following the date on which she or he leaves City employment, may appear, with or without compensation, on behalf of any person or entity, before any City entity for or with which they formerly worked or negotiate with any current employee of such entity on any matter which may reasonably be expected to come before such City entity for official action. This provision does not apply to former employees or former elected officials seeking employment by the City. During such period, no former City employee may engage in lobbying under Sec. 2.40, MGO, before any City entity for or with which they formerly worked.

4. No former member of a City board, committee or commission, for twelve (12) months following the date on which her or his membership ends, may appear, with or without compensation, on behalf of any person or entity, before the board, committee or commission of which she or he was a member or negotiate with any incumbent on any matter which may reasonably be expected to come before such board, committee or commission for official action. During such period, no former member of a City board, committee or commission shall engage in lobbying under Sec. 2.40, MGO, before the board, committee or commission of which she or he was a member or on any matter reasonably expected to come before such board, committee or commission.

5. No former incumbent, for 12 months following the termination of her or his incumbency, may appear, with or without compensation, on behalf of

any person or entity, with regard to any matter which was under the former incumbent's responsibility within 12 months prior to the termination of her or his incumbency or in which the former incumbent participated personally and substantially within 12 months of the termination of her or his incumbency before any City entity or negotiate with any incumbent in connection with any judicial or quasi-judicial proceeding, application, contract, claim, charge or matter which may give rise to a judicial or quasi-judicial proceeding.

6. Nothing in this subdivision shall prohibit a former incumbent:
   a. From representing herself or himself before any City entity in relation to a non-commercial personal undertaking at any time, or
   b. From appearing before any City entity solely on her or his own behalf and without compensation to express her or his views on a policy matter.

(Am. by ORD-13-00130, 7-26-13; ORD-14-00013, 1-14-14)

(j) Inquiries Permitted. This subsection does not prohibit an elected official from making inquiries for information on behalf of a person or organization if she or he receives no compensation therefore beyond the City salary and other compensation or reimbursement to which the elected official is entitled by law.

(k) Employee Restrictions. No employee of the City shall engage in non-City related activities for which compensation is received to such an extent as to interfere with the proper performance of the duties and responsibilities of her or his official position.

(6) Honoraria, Fees and Expenses.

(a) During her or his term, no elected official or member of any board, committee or commission shall receive and retain anything of value unless the activity or occasion for which it is given did not arise from her or his use of the City's time, information, facilities, equipment, services or supplies not generally available to all residents of the City or from the recipient's holding or having held her or his position and was paid for a purpose unrelated to legislation, policies or issues being considered by or affecting the City.

(b) During her or his term, no elected official or member of any board, committee or commission shall receive and retain from the City or on behalf of the City transportation, lodging, meals, food or beverage, or reimbursement therefore unless the same were incurred or received primarily for the benefit of the City and not primarily for her or his private benefit or that of any other person.

(c) During her or his term, no elected official or member of any board, committee or commission shall receive and retain honoraria such as money or anything of value other than commemorative or other items of nominal value for or in recognition of activities related to or arising from their City roles or positions. Such persons may accept and retain from persons or entities other than the City the cost or reimbursement of actual and reasonable expenses related to such activities whether or not such activities arise from their City roles or positions, except that elected officials may not receive and retain any such payments from a lobbyist or from a business or organization or local government that employs a lobbyist.

(d) Employees may not use time provided under Sec. 3.32(4) for purposes of outside employment. (Am. by ORD-14-00173, 12-10-14)

(e) Employees may not receive and retain anything of value unless the employment or activity for which it is given does not arise from the employee's use of the City's time, information, facilities, equipment, services or supplies not generally available to all residents of the City. Employees shall not receive and retain from the City or on behalf of the City transportation, lodging, meals, food or beverage, or

reimbursement therefore, unless the same were incurred or received primarily for the benefit of the City, and not primarily for her or his private benefit, or that of any other person.

Employees shall not receive and retain honoraria, such as money or anything of value, other than commemorative or other items of nominal value for, or in recognition of activities related to, or arising from their City roles or positions. Employees may accept and retain from persons or entities other than the City the cost or reimbursement of actual and reasonable expenses related to such activities, whether or not such activities arise from their City roles or positions.

When employees perform or provide services for persons or entities other than the City which services arise from their City employment or from the employee's holding her or his position, and the employee's compensation and expenses related thereto are paid for or reimbursed by the City, all monies received by the employee therefore shall be paid promptly to the City Treasurer.

This subdivision shall not apply to City Police Officers or Firefighters certified as emergency medical technicians hired while off department scheduled hours in accord with departmental policies and procedures or approved contracts.

(f) Elected officials may receive and retain from a political committee under Wis. Stat. ch. 11, transportation, lodging, meals, food or beverages, or reimbursement therefore or payment or reimbursement of costs permitted and reported in accordance with Wis. Stat. ch. 11.

(g) If an incumbent receives anything of value not authorized by this subsection, the incumbent shall not retain it but shall deposit the money or the equivalent cash value of anything of value with the City Treasurer or return the payment or thing to the payor or giver.

(h) Whenever an incumbent receives anything of value permitted by this Subsection (6) from or has any fee or expense waived, prepaid or reduced by a person or entity other than the City in connection with her or his official duties, she or he shall, within ten (10) days of the occurrence file a report with the City Clerk and the Finance Director on forms provided by the Clerk. (Am. by ORD-11-00060, 4-7-11)

(i) If a third party, other than the City, is authorized to pay for any expenses, including food, travel or lodging, incurred by any incumbent under this subsection, such payments shall be reported to the Finance Director within ten (10) days of the occurrence. The incumbent shall pay to the City or the third party the amount that such reported value exceeds the City's normal travel reimbursement policies. (Cr. by ORD-11-00060, 4-7-11)

(7) Fair and Equal Treatment.

(a) Any person who is a candidate for City employment who canvasses or contacts any member of the Common Council, an appointing authority, or any person involved in the screening or examination of applicants outside scheduled procedures, in order to obtain preferential consideration in connection with any appointment to any City position, shall be disqualified from appointment. This provision shall apply to all candidates whether or not currently employed by the City.

(b) No person shall receive preferential treatment in the selection process or be appointed to or hired for or promoted in a City position nor be denied appointment, employment or promotion because she or he is a member of an incumbent's immediate family. No incumbent shall use her or his position to bring about the appointment, employment or promotion of a member of her or his immediate family.

(c) No incumbent shall participate in any final decision in any employment matter involving an employee who is a member of her or his immediate family.

(d) No incumbent shall give any advantage or preferential treatment to any person in the selection process. (Cr. by Ord. 12,917, 11-23-01; Renum. by ORD-07-00048, 4-12-07)

(e) For the purposes of this subsection only, "immediate family" means the incumbent's spouse, domestic or designated family partner, child by blood or adoption, spouse's or partner's child, fiancé or fiancée, sibling, parent, parent-in-law, brother- or sister-in-law, uncle, aunt, niece, nephew or the spouse or partner thereof, grandparent or grandparent-in-law.

(8) Political Activity.

(a) No employee while on duty or on official City business shall, for the apparent purpose of influencing the outcome of any referendum, or improving the chance of election of a person seeking elective office:

1. Wear or display any campaign material.
2. Distribute any campaign literature.
3. Solicit, receive or give subscriptions, contributions or service for any candidate or referendum position.
4. Actively campaign for any candidate or any referendum position.

(b) No employee while on duty or other official City business or off duty shall in any way coerce or attempt to coerce subscriptions, contributions or service from subordinate employees in support of a political party or a candidate for elective office or for or against a referendum position, or retaliate against or reward an employee for refraining from participating in any political activity. No employee on or off duty shall use her or his title or position or indicia thereof in any elective political activity.

(c) This subsection does not apply to a response by a legal custodian or subordinate of the custodian to a request to locate, reproduce or inspect a record under Wis. Stat. § 19.35, if the request is processed in the same manner as the custodian or subordinate response to other requests to locate, reproduce or inspect a record under such section or to an employee providing other information within the knowledge of the employee by virtue of her or his City position if such information is made equally available upon request to any other person.

(d) Police officers and firefighters shall observe the applicable rules of the Police and Fire Departments relating to political activity.

(e) No elected official or candidate for a City elected office shall promise an appointment to any municipal position as an apparent reward for any political activity.

(f) Pursuant to 5 USC sec. 1502, employees whose positions are federally funded in whole or in part may not be candidates in partisan elections without first being granted an unpaid leave of absence.

(9) Disclosure of Interests.

(a) Definitions. The following definitions apply in this subsection relating to Disclosure of Interests:

1. "Appointed official" means any officer of the City of Madison appointed pursuant to the authority set forth in Wis. Stat. § 62.09, and shall include all City of Madison Department and Division Heads, but shall exclude election officials.
2. "Candidate for elective office of the City of Madison" means any person who files nomination papers and a declaration under Wis. Stat. § 8.10, for the purpose of appearing on the ballot for election to an office of the City of Madison or any person nominated for a City office in an election through the write-in process and who files a declaration pursuant to Wis. Stat. § 8.10.

3. "Elected official" means all officers of the City of Madison established pursuant to the provisions of Wis. Stat. § 62.09, or its authority, who are elected by the voters.
4. "Immediate family" has the same meaning as defined in Sec. 3.35(2)(d).
5. "Statement of Interests" means the factual statement filed pursuant to the provisions of this subsection which contains the information set forth in Subdivision (9)(g). (Am. by ORD-15-00116, 10-28-15)

(b) Disclosure of Interests; By Whom Required.

The following shall file a Statement of Interests as provided in this subdivision:

1. Elected and appointed officials;
2. Compensated and uncompensated members of all boards, committees, commissions, subcommittees and ad hoc committees unless any demonstrate to the Ethics Board that they are not involved in the regulation of economic activity, or the expenditure or granting of funds, or the entry by the city into contracts;
3. Deputy Mayors; (Am. by ORD-16-00105, 12-2-16)
4. Candidates for elective office of the City of Madison;
5. All other City employees other than clerical staff who are involved on behalf of the City:
   a. In negotiations relating to the sale or acquisition of personal property or real estate; or
   b. In negotiations relating to economic development projects; or
   c. In the appraisal or assessment of property for tax purposes; or
   d. In regulation of activities pursuant to state or federal law or city ordinance or in enforcement of state or federal laws or city ordinances. (Am. by ORD-11-00121, 9-12-11)
6. Notwithstanding any provision to the contrary, commissioned police personnel otherwise required to file the Statement of Interests shall not be required to file the Statement due to the unique need to protect the safety of such personnel and their families and the requirement that all such personnel are bound to adhere to the provisions of the Madison Police Department Manual of Policy, Regulations and Procedures.
7. If any employee required to file a Statement of Interest form under this ordinance fails to do so, the Clerk shall send a notice of such failure to the employee and to the City Attorney. If the Statement of Interest form is not filed within 10 days of the date of the notice, the City Attorney is authorized to bring an action on behalf of the City in Municipal Court seeking the penalties set out in Sec. 3.35(13)(e) of this ordinance without prior consideration or report by the Ethics Board. (Cr. by ORD-10-00047, 5-12-10)

(c) Statement of Interests, When To File. All persons who file nomination papers for an elective office of the City of Madison shall at the time of filing of such nomination papers also file a Statement of Interests with the City Clerk. The Clerk shall omit the name of any candidate from an election ballot who fails to disclose her or his interests in accordance with the requirement of this subsection. The Clerk shall notify by registered mail any candidate whose name is to be omitted from a ballot as soon as practicable after the decision is made to omit the name.

Persons to be appointed to City boards, committees, commissions, subcommittees and ad hoc committees shall file the Statement with the City Clerk at least 10 business days before their names are submitted to the Common Council for confirmation. The Clerk shall provide a copy of the Statement to the Common

Council with the submission of the name for confirmation. The Common Council shall not confirm the appointment of any nominee who has failed timely to file the Statement.

Employees who are appointed or reappointed to their positions subject to confirmation by the Common Council shall file the Statement with the City Clerk at least 10 business days before their appointments or reappointments are submitted to the Common Council for confirmation. All other employees who are required to file the Statement shall file the Statement with the City Clerk within 10 business days after they begin work as City employees.

(d) Annual Filing. Each person required to file the Statement shall annually file an updated Statement with the Clerk no later than the first Tuesday in January of each year, except that this provision shall not apply to candidates for elected office who have filed the Statement with their nomination papers pursuant to subdivision (9)(c) of this section.

(e) Amending the Statement of Interests.

1. If, after filing the Statement, the filer becomes aware of errors or omissions in the original Statement, she or he, as soon as possible, shall attach an Amendment to her or his original Statement to reflect accurately the required disclosures.
2. If, after filing the Statement, any elected official or department or division head or deputy mayor becomes aware of any change in the information contained in her or his current Statement, she or he shall amend, as soon as possible, her or his Statement to reflect accurately the change. This paragraph shall be effective on October 1, 1999.

(Am. by Ord. 12,442, 8-6-99; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-16-00105, 12-2-16)

(f) Any amendment to the Statement which is filed after the filing of a complaint against the person required to file shall not be a defense to the complaint, but the Ethics Board may, in its discretion, consider the amendment as mitigating circumstances.

(g) Form of Statement. The person filing any Statement of Interests required under this subsection shall file such Statement on the form approved by the Ethics Board and provided by the City Clerk, and shall supply the following information:

1. Persons required to file under Secs. 3.35(9)(b)1., 2., and 4. shall supply the name and address of the filer and the City office held or sought. Persons required to file under Secs. 3.35(9)(b)3. and 5. (i.e. city employees) shall provide the name of the filer and the position of City employment. Pursuant to Wis. Stat. § 19.36(10), City employees are not required to provide their home addresses, home electronic email addresses, home telephone numbers or social security numbers on the Statement of Interest form. Additionally, persons required to file under Secs. 3.35(9)(b)1., 2., and 4. need not provide a home address or home telephone number if the filer or immediate family member is the petitioner in an action seeking a restraining order or other court order to prohibit a person from having contact with the filer or immediate family member, or if such an order is in effect at the time of filing, and the filer has a reasonable belief that disclosure of such address would pose a safety risk.
2. The name and address of all employers and positions of employment held as of the date the statement is filed.
3. The identity of every organization of which she or he or any adult member of her or his immediate family is an officer or director and the identity of every organization of which she or he or any member of her or his immediate family owns or controls, directly or indirectly, severally or in the

aggregate, at least two percent (2%) of the outstanding equity; provided, however, that membership only in an organization need not be disclosed and that no identification need be made of any organization which is organized and operated primarily to influence voting at an election including support for or opposition to an individual's present or future candidacy or to a present or future referendum.

4. The name of any creditor to whom she or he or a member of her or his immediate family owes ten thousand dollars ($10,000) or more, except for credit card debt, student loans, health-related indebtedness, and mortgages on the principal residence of the person filing or of a member of her or his immediate family.

5. The identity of all real estate within Dane County in which the person filing or any member of her or his immediate family has a direct or indirect interest, other than the filer's primary or principal residence. If a person required to file under Secs. 3.35(9)(b)2., 3., or 5. or his/her immediate family member is the petitioner in an action seeking a restraining order or other court order to prohibit a person from having contact with the filer or the immediate family member, or if such an order is in effect at the time of filing, the filer need not disclose the identity of such real estate on the Statement of Interests form if the filer has a reasonable belief that such disclosure would pose a safety risk. Instead, the identity of any such real estate shall be disclosed on a separate form created for that purpose, which will be maintained on file by the person receiving the form and not made available on the internet, as follows:
   a. Persons required to file under Secs. 3.35(9)(b)3. and 5. (i.e. city employees); to the employee's department head.
   b. If the filer is required to file under Sec. 3.35(9)(b)2., to the head of the department that staffs the committee, subcommittee, board or commission on which the filer serves.

6. The identity of any person or entity not disclosed under sub. (h), owning or controlling any real estate within Dane County in which the person filing or any member of her or his immediate family has a direct or indirect interest.

(Sec. 3.35(9)(g) Am. by ORD-12-00026, 3-14-12)

(h) In addition, all elected officials, candidates for local offices and employees who are required to file shall also disclose the identity of all stocks, bonds, debentures, other forms of debt obligations of any corporation or other business or entity collectively in excess of $8,000 held by her or him or her or his immediate family, except mutual funds, personal checking accounts, time deposit accounts, or other savings or retirement fund accounts held by any financial institution, the United States Government, any City-approved deferred compensation program, the Wisconsin Retirement Fund or any other organization maintaining such debt obligation as part of a public employee retirement fund.

(i) 1. The Clerk shall send Statement of Interests forms to known filers and a filing reminder to all City department heads and staff of all boards, committees and commissions at least forty-five (45) days before the filing deadline. Staff to all boards, commissions and committees shall place the Statement of Interest form completion on the agenda for the next meetings of the board, commission or committee and shall seek to have all members complete and file the Statement of Interest.

2. The Clerk shall notify any person who fails to timely file the required Statement of Interests. The Clerk shall also notify the appropriate staff of the failure to file by any member of the board, commission or committee.

Upon receipt of such notice, the member is no longer allowed to participate in or vote on any matter before the body, but may be counted toward a quorum if necessary to conduct business. If the member fills out a Statement of Interest form prior to the revocation of appointment by the Common Council set out below, the member is automatically reinstated. The Statement of Interest shall promptly be filed with the Clerk.

3. The Clerk shall report to the Common Council the name of any member of any board, committee, commission, subcommittee or ad hoc committee who has not filed the Statement within 10 days of the mailing of the Clerk's notice. A copy of the report shall be sent to the appropriate staff of the body on which the member serves. The Common Council shall, at the second meeting after introduction of the Clerk's report, revoke the appointment of any such member who has not filed the required disclosure statement by the time of such Council meeting. (Am. by ORD-05-00167, 11-8-05; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-13-00004, 1-15-13)

(j) For any bodies that include appointees of governmental units other than the City of Madison, and such appointees are required by the laws or regulations of that other governmental unit to file a disclosure substantially similar to the Statement of Interest required by this ordinance, the requirements of this ordinance are fulfilled if such appointees file with the Clerk a copy of the disclosure mandated by the other governmental unit. (Cr. by ORD-10-00047, 5-12-10)

(10) Ethics Board.

(a) There is hereby created an Ethics Board to consist of members who shall serve without compensation from the City.

(b) The membership of the Ethics Board shall consist of 4 resident members, 1 representative of the Mayor; the Common Council president or her/his designee who shall be an alderperson; and 1 representative of organized labor. The City Attorney shall provide necessary staff assistance to the Board, shall serve as its secretary, but shall not vote. The City Attorney shall furnish the Board whatever legal assistance necessary in the carrying out of its functions. (Am. by Ord, 13,762, 1-5-05; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-17-00030, 3-8-17)

(c) The members of the Ethics Board shall be appointed by the Mayor, subject to confirmation by the Common Council. The term of any aldermanic member appointed to the Board shall expire with the expiration of her or his term as alderperson. Terms of office of other members of the Ethics Board shall be 3 years except that when the initial appointments are made, 2 of the members shall be appointed for 1 year, 2 others for 2 years, and the remaining 3 for 3 years.

The members of the Ethics Board as of the adoption of this ordinance are reappointed and reconfirmed to serve their terms or remaining parts of their terms for which each was most recently appointed.

(d) The Ethics Board shall elect its own chair and vice-chair and shall develop written rules of procedure which shall be submitted to the Mayor and Common Council for approval.

(e) The Ethics Board may make recommendations with respect to amendments to this Code of Ethics Ordinance.

(11) Advisory Opinions.

(a) When an incumbent or a candidate for City elected office has doubt as to the applicability of a provision of this code to a particular situation in which she or he is or may become involved or definitions of terms used in the code, she or he should apply to the Ethics Board for an advisory opinion and be guided by that opinion when given. The applicant shall have the opportunity to present her or his interpretation of the facts at issue and of the applicable provision(s) of the code

before such advisory decision is made. It is prima facie evidence of intent to comply with this section when a person refers a matter to the Ethics Board and abides by the advisory opinion, if the material facts are as stated in the opinion request.

(b) When a request for an advisory opinion is made, the name of the requester and the nature of the request may, at the requester's choice, be kept confidential. When confidentiality is requested, the Board shall hear and determine the request in closed session. The agenda for the meeting shall identify the session as a closed session to hear a request for a confidential opinion pursuant to this subdivision and Wis. Stat. §19.59. When confidentiality is requested, the report of the Board shall also be kept confidential, but the Board shall prepare a redacted summary of the report as a public document; however, if the requester requests in writing that the full report be made public, it shall become a part of the public record. If the requester makes public any portion of the opinion or report, all confidentiality is waived by the requester and the Board shall release the unredacted report.

(12) Complaints.

(a) Any resident of the City may complain to the Ethics Board about the activity of any person or entity covered by this section pursuant to rules and procedures of the Ethics Board as approved by the Common Council. If a complaint is brought under this section against any member of the Ethics Board, other than the Common Council President or designee, the Common Council Executive Committee shall hear the complaint, acting as the Ethics Board and following the same rules, procedures and precedents of the Ethics Board. If a complaint is brought under this section against the Common Council President or designee, a panel of 3 persons shall hear the complaint in the manner provided in this subdivision. The Mayor shall select one panel member, the Common Council shall select one panel member and those selected persons shall select the third panel member. Panel members shall serve without compensation. The persons so selected shall not be subject to Common Council confirmation notwithstanding any other ordinance to the contrary. (Am. by ORD-16-00079, Pub. 9-15-16, Eff. 4-18-17)

(b) The Ethics Board, and the Common Council Executive Committee and the panel described in (12)(a) above when acting as the Ethics Board, may issue subpoenas and administer oaths. Fees associated with the service of subpoenas shall be paid by the person requesting the subpoena. (Am. by ORD-16-00079, Pub. 9-15-16, Eff. 4-18-17)

(c) No action may be taken on any complaint which is filed later than 12 months after a violation of this Ethics Code is alleged to have occurred.

(d) If a complaint is filed against a managerial employee (Comp Group 21) or a member of a City board, commission or committee, a copy of the complaint shall also be forwarded to the Mayor. (Cr. by ORD-17-00031, 3-8-17)

(13) Sanctions. Violation of any provisions of this code should raise conscientious questions for the incumbent concerned as to whether voluntary resignation or other action is indicated to promote the best interests of the City of Madison. If the Ethics Board determines that any person or entity has violated any provision of this code, the Board may, as part of its report to the Common Council, make any of the following recommendations:

(a) In the case of an elected official, that the Common Council consider sanctioning, censuring, reprimanding or expelling the elected official;

(b) In the case of a member of a board, committee or commission, that the Mayor or other appointing authority consider removing the member from the board, committee or commission, or otherwise sanctioning, censuring or reprimanding the member;

(c) In the case of an employee, that the employee's appointing authority consider disciplining or discharging the employee;

(d) As an alternative or in addition to the sanctions imposed herein, that any person or entity violating Sec. (5)(a)2. of this ordinance not be awarded any City contract, grant, loan or any other thing of value for a period of 12 months from the date of finding of the violation or that any such contract, grant, loan or things of value be terminated, repaid, forfeited or called in.

(e) As an alternative or an addition to the sanctions imposed herein, that any person violating the provisions of this section shall be subject to a nonreimbursable forfeiture of not more than two thousand five hundred dollars ($2,500) per violation in an action brought by the City in Municipal Court. Each day of a violation may be considered a separate offense.

(Sec. 3.35(13) Am. by ORD-10-00072, 7-27-10)

(14) Logrolling Prohibited; Executive Favor; Freedom of Debate.

(a) No member of the Common Council shall give, offer or promise to give her or his vote or influence in favor of or against any measure or proposition pending or proposed to be introduced in the Common Council in consideration or upon condition that any other person elected to the same Common Council will give or will promise or agree to give her or his vote or influence in favor of or against any other measure or proposition pending or proposed to be introduced in such Common Council or shall give, offer or promise to give her or his vote or influence for or against any measure on condition that any other member will give her or his vote or influence in favor of any change in any other matter pending or proposed to be introduced in the Common Council.

(b) No member of the Common Council shall give, offer or promise to give her or his vote or influence in favor of or against any measure or proposition pending or proposed to be introduced in the Common Council or that has already been passed by the Common Council, in consideration of or on condition that the Mayor approve, disapprove, veto or sign, or agree to approve, disapprove, veto or sign, any other measure or proposition pending or proposed to be introduced in the Common Council or that has already been passed by the Common Council or in consideration or upon condition that the Mayor nominate for appointment or appoint or remove any person to or from any office or position under the ordinances of this City.

(c) Nothing in this Subsection shall be construed as prohibiting free discussion and deliberation upon any question pending before the Common Council by members thereof, privately or publicly, nor as prohibiting agreements by members to support any single measure pending, on condition that certain changes be made in such measure, nor as prohibiting agreements to compromise conflicting provisions of different measures.

(15) Severability. The provisions of this section are severable. If any provision of this section is held to be invalid or unconstitutional or if the application of any provision of this section to any person or circumstance is held to be invalid or unconstitutional, such holding shall not affect the other provisions or applications of this section which can be given effect without the invalid or unconstitutional provisions or applications. It is hereby declared to be the intent of the Common Council that this section would have been adopted had any invalid or unconstitutional provisions or applications not been included herein.

(16) Effective Date. This ordinance shall take effect upon publication except for the provision in Sec. 3.35(9)(c) relating to the timing of the filing of Statements of Interests by members of all boards, committees, commissions, sub-committees and ad hoc committees. That provision shall become effective upon publication but shall first be applicable to the

affected persons at the time of her or his initial appointment, re-appointment or, for those serving at the time of publication of this ordinance, the first Tuesday in January following publication, whichever is earliest.

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.47 Am. by Ord. 12,243, Adopted 10-20-98)

3.36 BARGAINING AGREEMENTS. Notwithstanding any other provision of the Madison General Ordinances to the contrary, ordinances and resolutions implementing the results of bargaining relative to wages, hours or conditions of employment, of any year shall not become effective for members of any bargaining unit engaged in bargaining with the City of Madison until agreement has been reached with the bargaining representative for said bargaining unit.

(1) In the absence of agreement with the bargaining unit representative, those wages, hours and conditions of employment for the bargaining unit in effect for the previous year shall continue until an agreement has been reached.

(2) Nothing in this ordinance shall prevent the Common Council of the City of Madison from improving the wages, hours or conditions of employment of any of its employees as it sees fit

3.37 POST ENTRY TRAINING PROGRAM.

(1) Definitions.

(a) Training within the meaning of this ordinance shall have as its purpose the objective of improving the capacity of City officers and employees to perform the duties to which they have been assigned or to increase their readiness to assume broader responsibilities within the municipal service.

(b) Training program shall mean a program of study, instruction, and training which has been formulated on the basis of needs of municipal personnel and for which provision has been made in the annual budget adopted by the Common Council. The program may include on-the-job or off-the-job training and shall be administered by the Training Officer under the general direction of the Human Resources Director. (Am. by Ord. 10052, Adopted 6-19-90)

(c) On-the-job training is training made available during normal working hours at the principal place of employment as a planned interruption of the normal duty period.

(d) Off-the-job training is training which is undertaken either during or outside of normal working hours or while on leave of absence for training purposes, and at a location other than the place of principal employment.

(e) Eligible City employees shall be any full-time nonelective City officer or employee. Any employee who obtains an advanced degree at the expense of the City will assure the City that upon completion of that training, she or he will remain in the service of the City for not less than one (1) year or refund to the City the amount of salary, wages, and expenses that the City has paid to employee or for her/his benefit during the training period. Exceptions to this provision may be recommended by the Personnel Board and approved by the Mayor. (Am. by ORD-14-00012, 1-14-14)

(2) Responsibility. The Human Resources Director shall be responsible for the development and execution of training programs suited to the needs of the City. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(3) Training Programs.

(a) There is hereby established provision for formal training as part of the personnel development program for eligible City employees to promote maximum effectiveness in the conduct of the City's service and to foster improved performance of official duties by City employees.

(b) Such training may include established courses in recognized schools, correspondence courses taught by recognized schools, seminars, institutes, conferences, work shops, and other types of training conducted and administered by the Training Officer.

(c) All training completed by an eligible City employee will be recorded in his personnel file with appropriate certification.

(4) Training Committee. There is established a Training Committee which shall be composed of three (3) division or departmental representatives, the Human Resources Director, and the Training Officer, who shall be chair and secretary respectively. Members of the committee shall be regular full-time employees of the City. They shall be appointed for a two (2) year term by the Mayor and serve without additional compensation. To establish the Training Committee, two (2) department or division representatives shall be appointed for one (1) year, and one (1) department or division representative for two (2) years. Thereafter, all appointments shall be made for two (2) years. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07; ORD-14-00012, 1-14-14)

(5) Committee Duties. The Training Committee, a policy group, shall meet regularly on the call of the chair and shall: (1) advise and assist the Human Resources Director in developing the policies necessary for an effective training program; and, (2) perform such other duties as the Mayor may direct. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07; ORD-14-00012, 1-14-14)

(6) Administration. The training programs shall be administered by the Training Officer under the general direction of the Human Resources Director. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(7) Duties of Training Officer. The Training Officer shall, with the advice of the Human Resources Director: (1) develop and conduct on-the-job training program; (2) provide for on-the-job and off-the-job training programs for eligible employees; (3) prepare and submit to the Human Resources Director, an annual report and such other reports of training needs, activities, and accomplishments as to keep the City and Common Council apprised of the training programs; (4) prepare and submit to the Human Resources Director an annual budget for training programs; and (5) prepare a training manual for implementing training programs embodying rules, regulations, and procedures to be submitted through the Human Resources Director to the Common Council for approval. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(8) Facilities and Personnel Available. The Human Resources Director shall, for purposes of implementing the program, have authority to: (1) make use of City personnel and City-owned or controlled property, equipment, materials, and facilities; (2) negotiate with colleges, universities, other educational institutions, organizations and individuals to provide appropriate training courses for eligible employees; (3) negotiate with other public jurisdictions for joint staffing, participation in, and use of training facilities and programs which they may jointly provide. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(9) Employee Attendance.

(a) Attendance at on-the-job training shall be considered as attendance at work.

(b) Attendance at approved off-the-job training during working hours, shall be considered attendance at work, except where this will conflict with other sections of this ordinance.

(10) Leave of Absence. Leaves of absence with or without pay may be granted for off-the-job training by department heads. A training leave of absence without pay, but at the expense of the City of more than thirty (30) calendar days duration, or without pay and not at the expense of the City of more than ninety (90) calendar days duration, shall be subject to prior approval by the Mayor. A training leave of absence with pay of more than five (5) working days shall be subject to the approval of the Mayor.

(11) Expenses.

(a) Reasonable traveling, sustenance, and other expenses for training purposes may be incurred and paid by the City for participation by eligible employees in any training program recommended by the Human Resources Director and approved by the employee's department head. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(b) The Human Resources Director, upon advice of the Training Officer, may arrange for sharing of training expenses between the City and eligible employees, subject to provisions of Section 3.37(11)(a). (Am. by Ord. 10052, Adopted 6-19-90)

(12) Exceptions. This ordinance shall not apply to the Police or Fire Departments except that upon request of either department head, the Human Resources Director and the Training Officer shall render such assistance as may be requested in accordance with the provisions of this ordinance. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(13) Severability. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions.

3.38 NONREPRESENTED TRANSIT DIVISION EMPLOYEES. (Title Am. by Ord. 9917, 12-29-89)

(1) The following designated employee benefit provisions shall apply to nonrepresented members of the Transit Division (herein called "employees"), except for employees in Compensation Group 21, notwithstanding any other provisions of Sections 3.30, 3.53, 3.32 and 3.54 of the Madison General Ordinances to the contrary. (Am. by Ord. 11,666, 9-4-96; Renum. by ORD-07-00048, 4-12-07)

a. The Transit Manager may grant leaves of absence without pay not to exceed a period of thirty (30) days. Permission for any extension must be secured from the Transit Manager. If an employee, while

on leave of absence, obtains employment with another employer without having obtained permission to do so from the Transit Manager, he/she shall be subject to discharge. All leaves of absence or extensions granted thereof shall be in writing. (Am. by Ord. 9463, 4-15-88; Renum. by ORD-07-00048, 4-12-07)

b. The Transit Manager may grant a leave of absence without pay for pregnancy, childbirth and maternity of up to one (1) year from the time the leave is granted. Permission for extension must be secured from the Transit Manager. Upon return from such leave of absence, the employee shall be reinstated to the job classification which she held when the leave began without a decrease in rate of compensation or any other right or privilege of employment. In addition, a leave granted for the above-cited reasons shall allow the employee to accrue seniority during the period of absence. All such leaves of absence or extensions thereof shall be in writing. (Am. by Ord. 9463, 4-15-88; Renum. by ORD-07-00048, 4-12-07)

c. The Transit Manager shall make every effort to allow paternity leave without pay for an attending spouse during childbirth and the day of the mother's discharge from the hospital.

3. Sick Leave.

a. Permanent full-time employees shall earn sick leave at the rate of one-half (½) day per biweekly pay period to a one hundred sixty-three (163) day maximum. (Am. by Ord. 10,305, 9-12-91; ORD-06-00158, 12-8-06; Renum. by ORD-07-00048, 4-12-07)

b. Sick or injured employees shall not receive sick leave benefits except for scheduled work hours on scheduled work days.

c. Employees in Compensation Groups 43 and 44 who retire or who become disabled and who are also eligible to receive either Social Security benefits, Wisconsin Retirement Fund annuity payments or other publicly established retirement fund annuities, shall receive the cash equivalent of one hundred percent (100%) of the employee's accumulated unused sick leave credits. These funds will be placed into the City of Madison Post-Retirement Sick Leave Conversion Medical Reimbursement Plan and Trust, pursuant to the terms of the Plan, or the City of Madison Governmental 401(a) Special Pay Plan and Trust, pursuant to the terms of the Plan, as the same may be amended from time to time. (Am. by Ord. 12,470, 10-9-00; ORD-06-00116, 8-22-06; ORD-06-00158, 12-8-06; Renum. by ORD-07-00048, 4-12-07).

d. Employees earning sick leave in excess of one hundred fifty (150) days shall receive a cash sum equivalent to the employee's regular salary times the number of any unused excess days, which payment is to be made on the pay day immediately preceding December 25th.

(Renum. by ORD-07-00048, 4-12-07; Sec. 3.52(1)(b)3. Am. by Ord. 11,666, 9-4-96)

4. Death Benefits.

a. Upon notification to the Transit Manager, paid funeral leave of up to three (3) working days will be granted for necessary absence from work caused by death in an employee's immediate family. Immediate family shall be limited to parents, brother, sister, spouse, children, foster children, grandchildren, legal guardian, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-

law, daughter-in-law, grandparents, great grandparents; a designated family partner, his or her parents, stepparents, brother and sister, and a spouse's or designated family partner's step brother, step sister, children, foster children, grandchildren, son-in-law, daughter-in-law, grandparents, and great grandparents. (Am. by Ord. 10,305, 9-12-91; Am. by ORD-06-00158, 11-21-06; Renum. by ORD-07-00048, 4-12-07)

5. Holidays.

a. All permanent full-time employees shall be allowed time off and compensated at a straight time rate of pay for the following regular holidays:
New Year's Day
Martin Luther King, Jr.'s Birthday
Memorial Day
Fourth of July
Labor Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day
Employee's Birthday*
Five (5) Floating Holidays**
*Effective January 1, 1992, the employee's birthday will cease to be a paid holiday.
**Subject to the provisions of subparagraphs b. and c. below.
(Am. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

b. Floating holidays are to be taken as holidays during the year authorized. If any floating holidays are not taken within the year authorized they may be carried over to the next succeeding year period with the approval of the Transit Manager. Employees must schedule their floating holiday on days approved in advance by their supervisor.

c. On the date of hire and on each subsequent January 1st each employee shall receive five (5) floating holidays. Following the first complete year of service, an employee not completing a full year of service because of an authorized leave of absence shall receive floating holidays proportionate to the full months of service completed in the preceding year. (Am. by ORD-08-00105, 9-18-08)

d. Employees receiving worker's compensation temporary disability pay shall earn floating holidays at the regular rate.

e. In those cases where employees must perform required duty on the holidays listed, they shall earn compensatory time off at a double time rate; such time off to be taken at a time which is agreeable to the employee and the Transit Manager.

f. Employees required to work on Martin Luther King, Jr.'s Birthday and the day after Thanksgiving shall receive additional floating holiday(s) in lieu of any premium compensation for working on that day(s). (Cr. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

g. If a regular holiday or a birthday holiday falls within a vacation period for an employee, he/she shall receive compensatory time off at a straight time rate which can be taken at a later date with supervisory approval. Employees are entitled to holiday compensation if the holiday falls within the first thirty (30) days of sick leave

or within the first six (6) months of absence due to work-related injury or illness. (Renum. from f. to g. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

h. If a regular holiday falls on a weekend, the Transit Manager may use his/her discretion in determining in advance when that holiday will be scheduled for the employee. (Renum. from g. to h. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

i. For the birthday holiday, the employee shall receive the day off if his/her birthday falls on a scheduled day of work. If the employee's birthday does not fall on a scheduled day of work, the next scheduled workday shall be considered as the holiday. An employee may choose to take the birthday holiday at a later or earlier time with the pre-approval of the Transit Manager. This section shall become inoperative effective January 1, 1992. (Renum. from h. to i. and Am. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

6. Military Leave.

a. In the event that any employee shall be drafted or enlisted by the government for military service, subject to the Selective Service Act of 1940, as amended, or in the event any employee is assigned or ordered to serve the government in any capacity other than military due to his/her status as a conscientious objector, and completes such assignment, or has met all the requirements of the government, he/she shall retain his/her full seniority rights and shall, upon his/her return, be reinstated to his/her former position without any loss of rights, provided, however, that he/she shall make his/her request for reinstatement within ninety (90) days of his/her discharge, and provided further that he/she is physically able to do the work and does not have a dishonorable discharge. Other employees will be required to adjust their job status to the extent necessary to accommodate such returning employees in military service.

b. Employees leaving the employer's service for defense work as a result of an order by any government agency may retain their seniority rights for a period of thirty (30) days beyond the termination of the order.

7. Disability Leave. Permanent employees who are disabled may be granted an unpaid leave of absence by the Transit Manager, subject to the following provisions:

a. The employee shall apply for such leave in writing to the Transit Manager.

b. The employee shall submit a physician's report describing the nature of the illness or injury, the physician's prognosis for recovery and a description of the physical limitations of the employee in sufficient detail to permit the Transit Manager to determine whether or not the employee is unable to perform his/her proscribed work.

c. If a disability leave has been granted the employee shall submit a physician's statement releasing the employee for work and describing the employee's ability to perform the physical and mental elements of his/her usual work before requesting the Transit Manager's permission to return to duty.

d. A disability leave without pay shall not extend beyond the employee's healing period without the permission of the Transit Manager.

(Am. by Ord. 9463, 4-15-88; ORD-06-00099, 8-2-06; Renum. by ORD-07-00048, 4-12-07)

(c) (R. by Ord. 8543, 3-18-85)

(d) Payroll Reporting.

1. It shall be the duty of each section manager to indicate the amount of each employee's absence from duty, together with the cause of such absence, on an absence record accompanying the payroll information.
2. It shall be the duty of the Transit Manager to keep a record of all employee absences whether paid or unpaid.
3. No employee shall receive compensation for time when they are absent from duty unless such absence is shown on the absence records accompanying the payroll of that unit.
4. An overpayment to any employee which is made by reason of a false report by any employee shall be chargeable to the person making such false report who shall reimburse the City for such overpayment. Such overpayment may be deducted from any amounts due from the City to the person making such false report.

(e) Worker's Compensation Supplement. All permanent full-time employees shall be considered eligible for Worker's Compensation Supplement. In the event an eligible employee is entitled to receive compensation for temporary total disability in accordance with the provisions of Chapter 102, Wisconsin Statutes, said employee shall continue to be paid by the City at eighty percent (80%) of the same rate as s/he was paid prior to such injury, provided that no employee shall receive either more or less than the same net regular rate of pay as s/he was paid prior to such injury. Said pay shall include the employee's Worker's Compensation pay for a period not to exceed one hundred eighty (180) working days or thirty-six (36) working weeks and during such period the employee is receiving full pay under the provisions of this subdivision. Said employee shall continue to accrue sick leave and vacation in accordance with the provisions of this section, provided that no employee by reason of this subdivision shall receive pay for more than fifty-two (52) weeks in any calendar year. Payment provided herein shall include the first three (3) days said employee is absent from work. Pay by the City "at the same rate" and "regular rate of pay" shall mean only base salary, plus any earned step increases, plus any earned longevity in effect immediately prior to the injury or illness subject to the provisions of Sec. 3.54. (R. & Re-Cr. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

(f) (R. by Ord. 8543, 3-18-85; Renum. by ORD-07-00048, 4-12-07)

(g) Longevity.

1. All permanent full-time and permanent part-time employees who reside in the City of Madison shall receive longevity pay, subject to the following schedule and terms and conditions:
   a. Upon completion of 48 months of continuous service, three percent (3%) shall be added to the base hourly rate of pay.
   b. Upon completion of 108 months of continuous service, an additional 3% shall be added to the base hourly rate of pay.
   c. Upon completion of 156 months of continuous service, an additional 2% shall be added to the base hourly rate of pay.
   d. Upon completion of 180 months of continuous service, an additional 1% shall be added to the base hourly rate of pay.
   e. Upon completion of 204 months of continuous service, an additional 1% shall be added to the base hourly rate of pay.

f. Upon completion of 228 months of continuous service, an additional 1% shall be added to the base hourly rate of pay.

g. Upon completion of 288 months of continuous service, an additional 1% shall be added to the base hourly rate of pay. (Cr. by Ord. 13,483, 12-23-03; Renum. by ORD-07-00048, 4-12-07)

Prospectively, the foregoing schedule of longevity increases shall be reduced by one (1) percentage for those employees in Compensation Group 44 who do not reside in the City of Madison. (Am. by Ord. 13,700, 9-29-04; Renum. by ORD-07-00048, 4-12-07)

2. Longevity payments shall be effective on the first day of the biweekly pay period following the completion of the required length of service.

3. Any time spent on authorized leave of absence without pay and any time spent on layoff status shall not act to break the continuous employment; however, any leave time or layoff time in excess of thirty (30) days shall not be considered employment time for the purpose of computing longevity.

(h) Health Insurance and Benefits.

1. Employees registered in domestic partnerships under Section 39.03(2), Madison General Ordinances, will be eligible for family health insurance coverage when such coverage is permitted under the terms of the Wisconsin Area Health Fund. (Cr. by Ord. 10,640, 4-30-93; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-15-00039, 4-8-15)

2. If an employee is laid off or is absent because of illness or off-the-job injury, the City shall make payments for the full month in which such incident occurs, and for one full month immediately following. If an employee is injured on the job, the City shall continue to pay the required contributions until the employee returns to work; however, such contributions shall not be paid for a period of more than twelve (12) months. If an employee is granted a leave of absence, the City shall collect from said employee, prior to the leave of absence being effective, sufficient monies to pay the required contributions into the health and welfare fund during the period of absence.

3. (R. by Ord. 9940, 1-25-90; Renum. by ORD-07-00048, 4-12-07)

4. The City shall continue to make its normal monthly health insurance contribution for either single or family health insurance coverage, whichever is applicable, for a period not to exceed five (5) years following the date of retirement for nonrepresented employees who have completed at least ten (10) years of full time service and who elect to retire from City service on or after reaching age fifty-five (55), provided, however, that such contribution shall terminate when any such employee reaches age sixty-five (65). The individual rights hereunder granted shall vest upon retirement and shall not thereafter be revoked. If the Wisconsin Retirement System is amended, whereby the penalty for early retirement is diminished, no additional employees will be eligible for this benefit until the Common Council approves modification of this ordinance. (Cr. by Ord. 9446, 3-23-88; Renum. by ORD-07-00048, 4-12-07)

5. The City will continue to make contributions toward the cost of health insurance coverage for any employee in a permanent position that is subject to layoff as a result of a lack of work or funding provided the employee has no other comparable coverage. The City contribution shall continue for three (3) consecutive months following the effective month of the layoff in the same manner and at the same rate as provided prior to the layoff. The City may terminate contributions prior to the end of the three (3) month period if the affected individual obtains comparable health

insurance coverage through another source. This ordinance applies to all City employees covered by health insurance provided by the City on or after January 1, 2009. (Cr. by ORD-09-00022, 2-6-09)

(i) Free Employee and Dependent Passes. Free bus passes shall be issued to employees and members of the employee's immediate dependent family for use while the employee maintains employee status. Long-term hourly and limited term employees as defined in Section 3.38(1)(a)4. and 5. shall be entitled to an employee bus pass for their personal use only. Any abuse of pass privileges by any pass holder shall result in revocation of pass privileges for the employee and holder. Immediate dependent family shall be defined as the: employee, spouse, employee's children or stepchildren under eighteen (18) years of age and living in the household of the employee. Dependent bus passes shall be issued to all dependents while attending post-high school education until the age of twenty-five (25). These dependents must be living at home and proof of eligibility may be required. All such passes shall be returned to the employer upon cessation of the holder's eligibility. (Am. by Ord. 10,305, 9-12-91; Renum. by ORD-07-00048, 4-12-07)

(j) Life Insurance. Employees shall have the option to be included in the City of Madison Group Life Insurance Plan.

(k) Disability Income Protection.

1. Employees shall have the option to be included in the City of Madison Disability Income Protection Plan for the Transit Department. (Am. by Ord. 9463, 4-15-88)
2. The employee's share and the City's share of the premiums due for each succeeding year shall be based upon the sick leave used by the employee during the preceding one-year period running from July 15th of the current year to July 14th of the preceding year and shall be allocated as follows:

Sick Days Accumulated by Employee	Employee's Share of Premium Due on Regular City Plan	Employer's Share is the Remaindered of Premium Due
10, 11, or 12	0%	
9	20%	
8	40%	
7	60%	
6	80%	
5 days or less	100%	

(l) Jury Pay. If any employee is required to appear for jury duty, or is subpoenaed to appear as witnesses at court trials or hearings concerning events arising out of his/her employment, the time so spent shall be considered as time worked and said employee shall be paid the difference between his/her regular daily rate of pay and the amount received as jury fees or witness fees.

(m) (R. by ORD-13-00207, 12-10-13)

(n) Pension Rights.

1. The City shall pay the employees' share of required contributions to the Wisconsin Retirement Fund.
2. The pension rights, privileges and benefits afforded to employees who are presently receiving such rights, privileges and benefits under the provisions of the Madison Bus Pension Trust and Madison Bus Company Pension Trust Agreement as of the date of acquisition of the Madison Bus Company by the City and as from time to time previously amended, shall be continued for said employees; provided that in no event shall the City's

level of contribution exceed the amount required to be paid by the City to sustain the present plan; nor shall the employee's level of benefits under said plan increase from the amount presently provided under said plan.

(o) Fringe Benefit Eligibility. Notwithstanding any other provision hereof to the contrary, long-term hourly and limited term employees shall not be entitled to any fringe benefits herein otherwise provided except an employee bus pass for their own personal use. Permanent employees employed at least half-time shall receive all of the benefits provided in paragraphs 1, 2, 3, 4, 5, 6, 7 of subdivision (b) and subdivisions (d), (e), (g), (h), (i), (j), (k), (l), (m), and (n) of subsection (1) on a pro rata basis based on the certified hours for the position. (Am. by Ord. 8677, 9-16-85; Renum. by ORD-07-00048, 4-12-07)

(Renum. by ORD-07-00048, 4-12-07); (Section 3.52(1) R. and (2) Renum. to (1) by Ord. 9917, 12-29-89)

(2) Overtime Compensation.

(a) Overtime Compensation for Nonrepresented Employees in Compensation Group 43.

1. Time and one-half rate of pay or compensatory time off at the rate of time and one-half shall be provided for all work beyond the normal, assigned work day or work week; provided, however, that hourly employees shall receive overtime at the rate of time and one-half for assigned work performed in excess of the standard hourly work week.
2. Hours of vacation, sick leave, holidays, or any other compensated hours not worked shall be computed as working hours for purposes of this subsection.
3. Two (2) times the rate of pay or compensatory time off shall be provided for all hours worked in excess of twelve (12) consecutive hours.
4. Overtime "pyramiding" shall be prohibited in that weekly overtime premiums shall not be paid for hours covered by daily overtime premium payments.
5. Any employee included within the provisions of this section who is called to report back to work shall be paid pursuant to applicable rules and regulations including appropriate rates, but for not less than two (2) hours of regular straight time, provided, however, that such employees who are called to start working overtime hours between the hours of midnight and 6:00 a.m. shall be credited with a minimum of three (3) hours time worked only in the event such employee has not been directed to work beyond her/his assigned schedule or when such employee has not been called back to perform overtime work which commenced prior to midnight, or when an employee has on the previous day been directed to report to work early at a time prior to 6:00 a.m. and works continuously through the regular starting time of her/his regularly scheduled hours.
6. The decision to compensate extra hours worked in the form of overtime pay or compensatory time off shall be made by the City.

   Compensatory time off is to be granted only at a time mutually agreed to between the employee and the Transit Manager.

(b) Overtime Compensation for Nonrepresented Employees in Compensation Group 44.

1. Overtime shall be computed on the basis of forty (40) hours per week. Overtime shall not be computed on an hours-per-day basis.
2. Prescheduled hours of paid leave including but not limited to vacation leave, holiday leave and compensatory time off shall be computed as working hours for purposes of this subdivision. Unscheduled hours of

paid leave including but not limited to sick leave and other leaves granted on the day of notice or request and hours of unpaid leave shall not be computed as working hours for such purposes.

3. Any employee included within the provisions of this section who is called to report back to work shall be paid pursuant to applicable rules and regulations including appropriate rates, but for not less than two (2) hours of regular straight time, provided, however, that such employees who are called to start working overtime hours between the hours of midnight and 6:00 a.m. shall be credited with a minimum of three (3) hours time worked only in the event such employee has not been directed to work beyond her/his assigned schedule or when such employee has not been called back to perform overtime work which commenced prior to midnight, or when an employee has on the previous day been directed to report to work early at a time prior to 6:00 a.m. and works continuously through the regular starting time of her/his regularly scheduled hours.

4. Employees in Compensation Group 44, Ranges 9 and below and hourly employees shall be compensated at time and one-half their regular straight time rate of pay for all hours worked in excess of their standard hours of work per week.

5. Employees in Compensation Group 44, Ranges 10, 11, 12, and 13 shall be compensated at their regular straight time rate of pay for all hours worked in excess of their standard hours of work per week unless the Transit Manager has declared an emergency in advance in which case such overtime hours will be compensated at time and one-half the regular straight time rate of pay. All declared emergencies are to be reported to the Mayor and reviewed annually by the Mayor and Department heads.

6. The decision to compensate overtime hours worked in the form of money or compensatory time off shall be made by the Transit Manager. Compensatory time shall be taken off only at times mutually agreed to between the Transit Manager and the employee. However, in the case of employees with compensatory time balances in excess of forty (40) hours as of the date of publication of this ordinance, the Transit Manager will submit plans to the Human Resources Director by December 31, 1996, showing how the balances will be reduced to forty (40) hours or less by December 31, 1998. Thereafter, all compensatory time balances shall be reduced to forty (40) hours or less by the end of each year, or by March 31 of the succeeding year with the approval of the Human Resources Director.

7. Employees in Compensation Group 44, Range 14 and above and those in Compensation Group 21 shall not be eligible to receive overtime compensation for any hours worked in excess of their standard hours.

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.52(2) Cr. by Ord. 11,777, Adopted 1-21-97)

3.39 OVERTIME CONTROL. When authorized, notwithstanding any other provision of the Madison General Ordinances to the contrary, the following provisions shall apply to the authorization and assignment of overtime in all City departments.

(1) A department or division head may assign overtime work not exceeding fifteen (15) working hours in any pay period for any one (1) employee.

(2) A department or division head desiring to assign more than fifteen (15) working hours overtime to a single individual in any one pay period must first obtain approval from the Mayor through the Finance Director.

(3) The Mayor may in advance grant departmental approval to permit a department or division head to exceed the fifteen (15) work hour limit where experience in the nature of

the services performed indicates a validity of exceeding said limit. Departmental approval so granted shall be reviewed annually by the Finance Director and Human Resources Director. (Am. by Ord. 10052, Adopted 6-19-90)

(4) Department and division heads may, in emergency situations, grant overtime authorization in excess of the provisions provided herein without having first received approval from the Mayor through the Finance Director; provided, however, that retroactive approval must be requested of the Mayor through the Finance Director by said department or division head who will provide full justification for his overtime authorization.

(5) Department or division heads shall not make any overtime assignment exceeding the budget of their department or division. The Human Resources Director shall submit a Quarterly Overtime Report through the Finance Director who shall present it to the Mayor and the Finance Committee. (Am. by Ord. 10052, Adopted 6-19-90; ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(Am. by Ord. 8762, 12-31-85; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-11-00037, 3-8-11)

3.40 USE OF POLYGRAPH TESTS PROHIBITED.

(1) No Department Head, Division Head, the Chief of Police, the Chief of the Fire Department, the Director of Housing and Community Development, the Mayor, or any person responsible for employing any City of Madison personnel, either personally or through his agent or representative, shall require as a condition of employment that an employee or applicant for employment submit to an examination in which a polygraph or other lie-detecting device is used.

(2) Any person violating this section shall be subject to a forfeiture not exceeding five hundred dollars ($500.00).

(3) Any person employing such procedures is hereby put on notice that budgetary approval for such positions requiring polygraph tests will not be granted by the Common Council.

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.63 Cr. by Ord. 4694, 8-30-74)

3.41 PRIVILEGE.

The conduct of a public officer or police officer, although otherwise in violation of an ordinance, is privileged when undertaken in good faith and in an apparently authorized and reasonable fulfillment of any duties of such office or position or in reasonable accomplishment of a lawful investigation or arrest. Such privilege may be considered in any decision to prosecute such officer and is a defense to prosecution. (Cr. by Ord. 6772, 10-5-79; Renum. by ORD-07-00048, 4-12-07)

3.42 - 3.49 RESERVED FOR FUTURE USE.

SUBCHAPTER 3C: COMPENSATION AND CIVIL SERVICE

3.50 SALARIES OF MAYOR AND OFFICIALS.

(1) Pursuant to the provisions of Wis. Stat. § 62.09(6), and except as set forth in sub. (2) hereof, the salaries of City officers are hereby fixed at the rates hereafter indicated and shall not be increased or diminished during the term for which said officers are elected or appointed:

	Annual Salary
Members of the Board of Public Works, excluding the Alderpersons and City employees, (each) per year	$100.00
Members of the Board of Review (each) per diem	$ 20.00

(a) Alderpersons.

Effective the term that begins April 21, 2015, the Alderpersons' salaries, except for that of President and Vice President of the Common Council, shall be $12,692. Effective the term that begins April 18, 2017, and thereafter, that amount shall be adjusted by a percentage equal to the resultant percentages calculated two years previously for managerial employees pursuant to Sec. 3.54(9)(c), MGO, rounded to the nearest whole percentage, and shall be effective the second pay period in April of each year of the Aldermanic term. (Am. by ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(b) Mayor.

Effective the term that begins April 20, 2011, the Mayor's salary shall be $125,500.44. Effective the term that begins April 21, 2015, that amount shall be adjusted by a percentage equal to the combined four (4) annual percentage changes calculated for managerial employees in the previous four (4) years pursuant to Sec. 3.54(9)(c), MGO. Thereafter that amount shall be adjusted by a percentage equal to the resultant percentages calculated four years previously for managerial employees pursuant to Sec. 3.54(9)(c), rounded to the nearest whole percentage, and shall be effective the second pay period in April of each year of the mayoral term. Effective April 16, 2019, the Mayor shall be entitled to twenty (20) days of vacation in each year of the first four (4)-year term in office and twenty-five (25) days of vacation in each year of any subsequent consecutive four (4)-year term in office. Credited but unused vacation in excess of ten (10) days may be carried forward to the succeeding year. The Mayor shall be paid in full for credited but unused vacation existing on the day the Mayor leaves office. In addition to this salary and vacation time, the benefit provided for in Sec. 3.54(27) of these ordinances shall be afforded to qualifying Mayors. (Am. by Charter Ord. 77, 5-6-03; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-15-00057, 5-27-15)

(c) President of the Common Council.

Effective the term that begins April 21, 2015, the President's salary shall be $15,444. Effective the term that begins April 18, 2017, thereafter, that amount shall be adjusted by a percentage equal to the resultant percentages calculated two years previously for managerial employees pursuant to Sec. 3.54(9)(c), MGO, rounded to the nearest whole percentage, and shall be effective the second pay period in April of each year of the Aldermanic term.

(d) Vice President of the Common Council.

Effective the term that begins April 21, 2015, the Vice President's salary shall be $13,692. Effective the term that begins April 18, 2017, thereafter, that amount shall be adjusted by a percentage equal to the resultant percentages calculated two years previously for managerial employees pursuant to Sec. 3.54(9)(c), MGO, rounded

to the nearest whole percentage, and shall be effective the second pay period in April of each year of the Aldermanic term. (Am. by ORD-16-00080, Pub. 9-15-16, Eff. 4-18-17)

(Am. by Ord. 12,282, 12-14-98; Am. by Charter Ord. 72, 3-28-01; Charter Ord. 75, 2-11-03; Charter Ord. 77, 5-6-03; CHA-07-00002, 4-5-07; Renum. by ORD-07-00048, 4-12-07; Am. by CHA-08-00001, 7-4-08; Rep. & Recr. by ORD-12-00133, 10-24-12; Am. by ORD-14-00166, 12-3-14; ORD-14-00173, 12-10-14)

(2) Election to Refuse Salary. Pursuant to Wis. Stat. § 66.0505, the Mayor, any alderperson, the Mayor-elect or any alderperson-elect may refuse to accept, in whole or in part, the salary that he or she is otherwise entitled to receive. The person refusing to accept such salary shall give notice to the City Clerk and Treasurer in the manner and at the times specified in, and the notice shall have the effects set forth in, Wis. Stat. § 66.0505. (Cr. by CHA-08-00001, 7-4-08)

3.51 PENSION SYSTEM.

(1) Pension System Created. For the purpose of establishing a permanent pension fund for eligible City employees of the City of Madison, the City of Madison elects to accept the provisions of and be bound by the terms and conditions of Chapter 175 of the Laws of 1943, also known as Wis. Stat. § 200.43, relating to the creation and operation of a municipal retirement system to be effective as of January 1, 1944, unless the Board of Trustees of the Wisconsin Municipal Retirement Fund shall defer such effective date pursuant to Wis. Stat. § 200.43, and the provisions, terms, and conditions of said Chapter 175 of the Laws of 1943, also known as Wis. Stat. § 200.43, are hereby incorporated herein by reference to the same force and effect as though said provisions, terms and conditions were herein set forth and enumerated.

(2) Exceptions. There shall be excepted from provisions of this ordinance persons who are eligible to be included in the Teachers' Retirement Act, persons included within any Policemen's, Firemen's Pension Fund, persons included under the provisions of the retirement system existing in the Water Department.

(3) Election is hereby made to provide prior service credits and rates equal to two (2) times the rates of municipal credits for current service for each employee of the City of Madison on the effective date hereof.

(4) Upon the enactment of this ordinance the City Clerk shall submit a certified notice of the election made hereunder to the Board of Trustees of the Wisconsin Municipal Retirement Fund. Such notice of election shall: (1) be in writing; (2) indicate that date and results of such election; (3) include a accreditation of the prior service contribution rate selected as being applicable to the employees of the municipality; (4) be officially certified by the Clerk of the municipality; (5) designate these classes of employees excluded from participation in the pension fund created by this ordinance. (Charter Ordinance adopted by the Common Council October 22, 1943)

(Renum. by ORD-07-00048, 4-12-07)

3.52 TRAVEL EXPENSE ACCOUNTS.

(1) These expense standards shall apply to all City officials and employees traveling outside the City on City business:

(a) Travel should be by the most expedient and economical means. When traveling by air, the coach fare should be used. When a personal automobile is used to travel to a destination readily accessible by air, the City will pay mileage and other expenses en route up to the equivalent of air coach fare. In most cases, the expenses will exceed the air fare. The employee may then claim the amount of the air fare in lieu of listing the expenses. In addition, the difference in travel time between air and automobile must be charged to vacation.

(b) An employee or official who travels at City expense for the purpose of attending a conference, convention, or seminar is authorized to stay at the hotel where the event is being held. Employees are urged to stay at less expensive hotels but care should be taken in selecting alternatives to insure any savings will not be more than offset by daily cab fares. Employees traveling on all other City business shall not be reimbursed more than thirty dollars ($30) per day (excluding tax) for hotel rooms.

(c) Employees and officials may be reimbursed the actual and reasonable cost for meals. No official or employee shall be reimbursed more than fourteen dollars ($14) per day for meals. (Am. by Ord. 11,948, 10-14-97; Renum. by ORD-07-00048, 4-12-07)

(d) If an employee's spouse accompanies the employee on a trip, the City will reimburse only that portion of travel expenses that would have applied if the employee had traveled alone.

(e) Any employee or official seeking a waiver of these monetary restrictions may do so by indicating a request for waiver on the "Request for Absence From the City" forms.

(f) The travel expense restrictions may be adjusted periodically to compensate for price changes.

(2) All expenditures related to travel shall be reported to the Finance Director within ten (10) working days of the return to the City by filing a "trip settlement worksheet" as established in Administrative Procedure Memorandum No. 2-5. If the report is not received within that time, any travel advance shall be deducted from the next paycheck of the employee or official. (Am. by ORD-11-00037, 3-8-11)

(3) Each employee who attends a meeting, conference, or convention at City expense shall verbally report to his or her department head on the information gained from the trip. The department head shall determine whether or not a written or oral report is needed and shall be responsible for disseminating such information to all parties who might benefit from such information.

(4) Violation of expenditure standards contained herein, Administrative Procedure Memorandum No. 2-5 and the General Travel Guidelines published by the Finance Director's Office, shall be corrected by deducting the appropriate amount from the next paycheck of the employee. This shall not apply to hotels and meals if the employee has been granted a waiver under Section 3.52(1)(e). (Am. by ORD-11-00037, 3-8-11)

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.34 Am. by Ord. 5719, 1-18-77)

3.53 CIVIL SERVICE SYSTEM.

(1) Civil Service Created - Exceptions Therefrom. There is hereby created a civil service system for the City of Madison. The term Civil Service System is defined as those provisions contained in or promulgated pursuant to Section 3.53 of the Madison General Ordinances and the City of Madison Personnel Rules. All City officers and employees except those specified below shall be selected, hold their status and be subject to Section 3.53 of the Madison General Ordinances.

(a) Officials elected by the people.

(b) The Mayor.

(c) Members of committees, boards and commissions who do not otherwise hold civil service status.

(d) Election officials who do not otherwise hold civil service status.

(e) Commissioned personnel of the Police and Fire Departments subject to Wis. Stat. § 62.13.

(f) Crossing guards except where named in specific provisions.

(g) Deputy Mayor. (Editor's Note: See Section 3.03(3)). (Am. by ORD-16-00035, 3-25-16; ORD-16-00105, 12-2-16)

(h) All positions in Compensation Group 19.

(i) All positions in Compensation Group 21.

(2) Personnel Board.

(a) A Personnel Board is hereby established which shall consist of five (5) members to be appointed by the Mayor, subject to confirmation by a majority of the members of the Council. No person shall be appointed to said Board who holds any office or employment in the City government. The members of said Board shall be qualified electors of said City and shall serve without compensation. The members of said Board shall be individuals who are in sympathy with the merit system; and at least one (1) of such members shall be a representative of organized labor, provided the representative of organized labor is not directly affiliated with any labor organization which has a contract with the City.

(b) Upon expiration of the term of office of any member of the Personnel Board, the Mayor shall on the third Tuesday of April of each year appoint, subject to confirmation by a majority of the members of the Council, successor members of said Board to hold office for a term of three (3) years from the first day of May next succeeding appointment and until a successor is appointed and confirmed. The Board shall elect one (1) of its members as Chair of the Board who shall be a voting member of the Board in all matters. (Am. ORD-14-00012, 1-14-14)

(c) Vacancies shall be filled by appointment in the original manner for the unexpired term. Each member of the Board shall serve until a successor is appointed and confirmed.

(d) A two-thirds (⅔) vote of all members of the Council shall be required to remove any member of said Board from office prior to the expiration of his term of office.

(e) Upon appointment each member shall take the official oath required by Wis. Stat. § 19.01, which shall be filed with the City Clerk.

(f) The Board shall hear appeals in any matter authorized by the Personnel Rules in accordance with the appeal procedures set forth therein; provided, however, that there shall be no appeal to the Personnel Board in any matter which is grieved or grievable under a labor agreement with the City.

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.35(3) Am. by Ord. 9865, 10-13-89)

(3) Rules and Regulations. The Personnel Board shall formulate rules and regulations for the administration of said civil service system, which, with amendments thereto, shall be subject to approval by the Common Council. The Personnel Rules will be reviewed at least every five (5) years and shall be adopted by the Common Council with the full force and effect of an ordinance. The Personnel Rules shall provide for the following matters:

(a) The classification of all positions in the civil service on the basis of duties and qualifications.

(b) The selection, employment, training, probation, promotion, suspension, demotion, layoff, and discharge of all persons in the civil service.

(c) The establishment of standards for and the holding of examinations to test the relative capacity and fitness of persons to discharge the duties of the position to which appointments are sought.

(d) The nature, use, and duration of eligible lists.

(e) Rules for the conduct of disciplinary hearings by an Appeal Examiner and the conduct of appeals by the Personnel Board.

(4) Workplace Accommodations. The Mayor shall establish procedures for the provision of reasonable accommodations for qualified applicants and employees with disabilities.

(5) Employment Restrictions. No permanent full-time City employee shall be permitted to hold more than one position in the City service except as approved by the Mayor.

(6) Severability. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Council hereby declares that it would have passed this

ordinance and each section, subsection, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional.

(7) Repeal of Conflicting Ordinances. All conflicting ordinances or inconsistent provisions found in different sections of the general ordinances are hereby repealed.

(8) Penalty.

(a) Any willful violation or violation through culpable negligence of this section or rules established hereunder, shall be sufficient grounds to authorize the discharge of any officer or employee.

(b) Any person, firm or corporation that shall violate any of the provisions of this section shall be fined not more than two hundred dollars ($200).

(9) Grievance and Arbitration Procedure for General Municipal Employees.

(a) Grievable Matters. A matter is grievable under this ordinance if it involves members of Compensation Groups 15, 16, 20, 23, 28, 31, 32, 33, 71, 83 and the general interpretation, application, compliance with, or enforcement of the following:

1. Sections 3.32 and 3.54, MGO;
2. The General Municipal Employee Handbook;
3. Any matter designated as grievable in the Personnel Rules.

Any matter covered under a valid labor contract is excluded from this Ordinance.

(b) Grievance Procedure. Grievable matters allowed under this section (collectively "grievances") shall proceed in compliance with the time limits and procedures outlined below:

1. Employee representatives or stewards may confer with Employer representatives on grievances filed pursuant to this section without loss of pay. However, the number of such Employee representatives or stewards shall be limited to one (1) at Step One and two (2) at Step Two unless another number is mutually agreed upon by the parties.
2. All grievances must be submitted in writing within thirty (30) days of the event giving rise to the grievance, or within thirty (30) days of the time the employee knew, or should have known, about the event giving rise to the grievance with the exercise of reasonable diligence, but in no event more than ninety (90) days from the date of the occurrence; otherwise the right to file a grievance is forfeited and no grievance is deemed to exist.
3. Time limits set forth in the grievance procedure, with the exception of the initial time limit for filing a grievance, shall be exclusive of Saturdays, Sundays and Holidays. Time limits for processing grievances from one step to another in the procedure may be extended by mutual agreement of the parties.
4. All grievances shall be subject to the following procedures:
5. Employee-Management Committees shall meet monthly to discuss grievances and matters of concern to either party. The parties shall notify each other of such matters at least one (1) week before the meeting. The following steps shall apply to all grievances:

Step One: The grievance shall be reduced to writing and presented to the employee's immediate supervisor on the approved form with a copy sent to the Employee and Labor Relations Manager. Within ten (10) days of receipt of the grievance, the supervisor shall meet with the grievant(s) and the Employee's representative to discuss the grievance. Within five (5) days following the date of this meeting, the supervisor shall furnish the employee

with a written answer to the grievance, a copy of which shall be forwarded to the designated Employee representative and the Employee and Labor Relations Manager.

Step Two: The grievance shall be considered settled in Step One unless within five (5) days after the immediate supervisor's written answer is due, the grievance is again reduced to writing and presented to the Department/Division Head with a copy sent to the Employee and Labor Relations Manager. The Department/ Division Head, or his/her designee, shall, within ten (10) days of receipt of the grievance, confer with the employee and Employee's representative before making his/her determination. Within five (5) days following the date of this meeting, the Department/Division Head shall furnish the employee with a written answer to the grievance, a copy of which shall be forwarded to the designated Employee representative and the Employee and Labor Relations Manager.

Step Three: If the grievance is not settled at Step Two or if any grievance filed by the City cannot be satisfactorily resolved by conference with appropriate representatives of the employee, the parties may elect to proceed to mediation. If either party objects to mediation, the parties will proceed directly to arbitration.

(c) Mediation. The purpose of mediation is to act as a means for the parties to communicate constructively, with the assistance of the mediator, on the issue being disputed with a goal of resolving the issue using consensus based problem solving. For grievances proceeding to mediation the following procedures apply:

1. Within fifteen (15) days of the receipt of the Department/Division Head's decision at Step Two, any party wishing to pursue the grievance past Step Two can send a written "Request to Initiate Mediation" to the other party.
2. Within ten (10) days of the receipt of the "Request to Initiate Mediation," the City and the Employee Representative will endeavor to reach mutual agreement on a mediator. The mediator may come from the list of mediators supplied by the Wisconsin Employment Relations Commission or the Federal Mediation and Conciliation Service.
3. If no agreement is reached on a mediator, the parties by lot will select five (5) names from the mediator panel. The parties shall alternately eliminate names until the mediator is selected. The flip of a coin shall determine which party is to eliminate the first name. The parties shall immediately contact the selected person to ascertain the person's availability and willingness to undertake the mediation and shall notify the parties of acceptance. In the event of non-acceptance, the selection process will be repeated until a mediator is selected.
4. Each of the parties shall select their respective representative(s) to attend the mediation. Employee participants may have the grievant and two (2) Employee Representatives attend the mediation without loss of pay. Representatives must have the necessary authority to settle the grievance.
5. The procedure at the mediation will be determined by the mediator after consultation with the representatives.
6. No later than ten (10) days before the mediation, each party will notify the other party of the name(s) of those people who will appear at mediation, including that party's representative(s) and any other individuals it deems necessary to resolve the dispute.

7. No later than ten (10) days before the mediation, each party will simultaneously exchange with the other party, and send to the mediator: (a) a summary of each party's position in the dispute and the relief requested, said summary to be no longer than ten (10) pages; (b) copies of all documents each party refers to in its summary
8. To facilitate a successful resolution of the grievance at mediation, all parties agree, and understand, that mediation discussions are for the purpose of reaching a mutually acceptable resolution of the grievance. Accordingly, all parties agree that mediation discussions are confidential and may not be used by any party, in any way, at any subsequent arbitration. Further, all parties understand that they may not call the mediator as a witness in any subsequent arbitration. Notwithstanding the foregoing, nothing shall prevent any party from introducing documents at any subsequent arbitration that were utilized at mediation provided that the documents were not created during the mediation.
9. No formal record or transcript of the mediation will be made.
10. Payment of the mediator's fees and other reasonable expenses will be split equally between the parties to the mediation.

(d) Final and Binding Arbitration. For grievances proceeding to final and binding arbitration, the following procedures apply:

1. Within fifteen (15) days after the close of mediation, if the parties were unable to settle the matter at mediation, any party may file a written notice of the intent to proceed to arbitration with the other party. The notice shall identify the applicable contract provision, the grievance (s), the Department and the employee involved. If notice is not filed within fifteen (15) days, the matter is deemed settled at Step Two.
2. If the parties cannot agree on an arbitrator, either party may request that the Wisconsin Employment Relations Commission (WERC) or Federal Mediation and Conciliation Service (FMCS) submit a list of five (5) arbitrators to both parties. Within five (5) days of the receipt of the WERC's or FMCS' list, either party may notify the WERC/FMCS, and the other party, of their intent to reject the entire WERC/FMCS list. The WERC/FMCS shall submit a new list which shall not duplicate the original list. The option to reject a list may only be exercised by each party once per grievance.
3. If no agreement is reached on an arbitrator, the parties by lot will select five (5) names from the arbitrator panel. The parties shall alternately eliminate names until the arbitrator is selected. The flip of a coin shall determine which party is to eliminate the first name. The parties shall immediately contact the selected person to ascertain the person's availability and willingness to undertake the arbitration and shall notify the parties of acceptance. In the event of non-acceptance, the selection process will be repeated until an arbitrator is selected.
4. An arbitrator must be picked and the arbitration must be scheduled within six (6) months from the date the last panel was submitted to the parties or the grievance shall be moot. This provision shall not be construed to mean that the arbitration hearing must take place within six (6) months, only that it be scheduled within six (6) months.

(e) Hearing. The hearing shall be held in Madison, Wisconsin, at a time and place convenient to the parties at the earliest possible date after the arbitrator has been notified of their selection.

1. The grieving employee(s) and not more than two (2) Employee representatives may be present at the hearing without loss of regular wages if the

hearing is scheduled during their regularly scheduled workday. Not more than five (5) employees called by the Employee or Employee's representative as witnesses may appear at the hearing without loss of regular wages if the hearing is scheduled during the employees' regularly scheduled workday. Employees who appear as witnesses during their regularly scheduled work day and do not testify at the hearing will not receive their regular wages unless the matter is settled during the course of the hearing.

2. The arbitrator shall have the authority to administer oaths and to issue subpoenas at the request of the parties and shall be responsible for the fair and orderly conduct of the hearing and the preservation of the record. Any party requesting a subpoena will be responsible for the fees associated with the subpoena. All testimony shall be taken under oath and shall be recorded stenographically or by a recording machine under the supervision and control of the arbitrator. The arbitrator shall take such evidence as in his/her judgment is appropriate for the disposition of the issue(s) presented. Statements of position may be made by the parties, documents may be submitted into evidence and witnesses may be called to testify.

3. The arbitrator shall have the initial authority to determine whether or not the dispute is procedurally arbitrable under this ordinance. If the dispute is procedurally arbitrable, the arbitrator shall proceed with the hearing and determine the merits of the dispute in accordance with this ordinance and the applicable sections of Chapter 788 of the Wisconsin Statutes. If the Wisconsin Statutes and City of Madison Ordinances are in conflict regarding any procedure for arbitration, the Wisconsin Statutes shall control.

4. In making his/her decision, the arbitrator shall neither add to, detract from, nor modify the language in any ordinance or work rule in arriving at a determination of the issue(s) presented. The arbitrator shall have no authority to change wage rates or salary schedules.

5. The arbitrator shall only decide the issue(s) submitted by the parties for arbitration and shall have no authority to determine any other issue. The arbitrator shall not submit observations of make declarations of opinion on matters that are not directly essential in reaching a determination of the issue(s) presented.

(f) Fees and Expenses. Fees and expenses for the arbitrator's services shall be borne equally by both parties.

(g) Decision. The arbitrator shall submit his or her decision affirming or reversing the action with his/her reasons in writing to the parties within sixty (60) calendar days of the close of the hearing or the submission of the parties' briefs, whichever is later. No decision may be retroactive for a period greater than thirty (30) days prior to the presentation of the grievance in Step One. The decision of the arbitrator is final and binding without recourse to further appeal.

(Sec. 3.53 Am. by ORD-14-00179, 12-10-14)

3.54 COMPENSATION PLAN.

(1) Basic Salary Schedules By Compensation Groups. Basic biweekly salaries and classifications for permanent and limited term employees, permanent full and part-time employees, hourly employees and limited term employees are maintained by the Human Resources Department in conjunction with Finance Department. A hard copy of the current salary/hourly schedule is maintained in the Human Resources Department. An online copy can be found at https: www.cityofmadison.com/finance/salaryschedule (Am. by Ord. 8543, 3-18-85; Renum. by ORD-07-00048, 4-12-07).

(2) Establishment and Changes to Compensation Groups and Salary/Hourly Schedules.

(a) Compensation Groups. All employees shall be in the compensation group number indicated on the Finance website at: https: www.cityofmadison.com/finance/salaryschedule as of December 2, 2014. Any changes to compensation groups shall be made according to the procedures set forth in the Personnel Rules adopted by Sec. 3.53, MGO.

(b) Salary/Hourly Schedules. For all compensation groups, the salary/hourly schedules for all employees in place as of the last pay period of 2014 are hereby adopted and will be maintained as described in Sec. 3.54(1), MGO. Any changes to the salary/hourly schedules, or creation of new salary/hourly schedules, shall be by resolution or ordinance, proposed by the Human Resources Director and approved by the Common Council, taking into consideration any recommendation of the ERC under Sec. 33.10, MGO.

(3) Salary Schedules For Compensation Groups 43 and 44.

(a) Employees in Compensation Groups 43 and 44 are covered by all provisions of Sections 3.32(3), 3.33, 3.35, 3.38 3.53 and 3.54(1), (7), (8), (11)(a), (17), (18), (19), and (20).

(b) In those cases where an employee is promoted into a position in Compensation Group 43 or 44 from Teamsters Local 695, the employee shall be entitled to a salary advancement to the minimum of the new range or to the lowest step in the new pay range which represents an increase of at least five percent (5%) over the current biweekly rate not to exceed the maximum of the range.

(c) Employees promoted into or appointed to the classifications of Transit Operations Supervisor and Transit Maintenance Supervisor shall enter at Step 2 of Compensation Group 44, Ranges 06 and 08, respectively. Such employees shall receive future salary advancements in accordance with Section 3.54(11)(a) and (b).

(4) Hourly Rate for Supported Employees.

(a) Persons certified into the nonrepresented hourly classification of "Supported Employee" by the Human Resources Director, who perform services for the City on an hourly basis may, after their regular performance level is established by means of a task analysis, be compensated at an hourly pay rate designated by the Human Resources Director which is within the Allowable Hourly Pay range. (Am. by Ord. 10,052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(b) The pay rate for each Supported Employee shall be determined by means of a specialized task analysis of the work which the Supported Employee is able to perform and which, when approved by the Human Resources Director, shall establish an hourly pay rate which is a percentage of the pay rate for a full level of performance; and, that the percentage so established will be applied to the hourly pay rate of the full performance classification to establish an hourly pay rate for the individual Supported Employee that is no lower than minimum wage. (Am. by Ord. 10,052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07)

(c) The Allowable Hourly Pay Range, within which the hourly rate of pay for any Supported Employee must be placed, shall be minimum wage and shall not exceed eighty-five percent (85%) of the hourly rate of the classification which identifies the full performance level of the work performed by the Supported Employee. (Am. by Ord. 12,140, 6-1-98; Renum. by ORD-07-00048, 4-12-07)

(Cr. by Ord. 8492, 12-28-84; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-17-00027, 3-8-17)

(5) Compensation of Noncivil Service Code Enforcement Officers.

(a) Special Code Enforcement Officers may be hired by the Building Inspection Division of the Department of Planning and Community and Economic Development to conduct code enforcement inspections outside of the City of Madison.

(b) Special Code Enforcement Officers shall be compensated at a rate of $35 per inspection, as assigned by the Building Inspection Division.

(c) Persons in the "Special Code Enforcement Officer" class shall be exempt from Section 3.53 of these ordinances entitled "Civil Service System."

(Cr. by Ord. 11,801, 3-4-97; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-08-00109, 10-7-08)

(6) Hourly Compensation Provisions for Nonrepresented Crossing Guard Substitutes.

Nonrepresented crossing guard employees hired by the hour as substitute or temporary help where such employees are not regularly scheduled on a permanent basis, shall be compensated on an hourly basis and shall receive no other benefits. (Am. by Ord. 12,099, 4-20-98; Ord. 12,563, Adopted 4-11-00; Renum. by ORD-07-00048, 4-12-07)

(7) Housing Monitors. The Director of Planning and Community and Economic Development may enter into individual employment contracts, on behalf of the City, with housing monitors employed to provide security services at public housing sites owned and operated by the community development authority.

(a) Such contracts may require the housing monitor to occupy a dwelling unit at the site. In such cases, the fair market rental value of the dwelling unit shall be included as part of the employee compensation.

(b) Such contracts may provide for either part-time or full time employment.

(c) Such contracts shall comply in all respects with state and federal law, and shall fully describe the wages, hours, benefits, and conditions of employment, as the community development authority may direct.

(d) Such contracts shall be approved as to form by the Finance Director, the City Attorney, and the Director of Human Resources. (Am. by ORD-11-00037, 3-8-11)

(Sec. 3.38(4) Cr. by Ord. 10,164, 12-28-90; Renum. by ORD-07-00048, 4-12-07)

(8) Prevailing Rate For Skilled Trades.

Skilled trades workers employed on an hourly basis as Carpenters, Painters and Electricians shall be compensated at prevailing wage rates applicable to the Madison area and shall receive no other compensation or benefit incidental to said employment except as required by State or Federal law, notwithstanding any other ordinance or resolution specifically to the contrary.

(Am. by Ord. 10,332, 11-29-91; Renum. by ORD-07-00048, 4-12-07; ORD-14-00012, 1-14-14)

(9) Compensation of Managerial Employees.

(a) Creation. Effective January 1, 1985, there is created a plan for the annual evaluation and adjustment of compensation of certain managerial employees. Except as provided otherwise in these ordinances, the provisions of Sections 3.53, 3.32, and 3.54 shall apply to such employees.

(c) Implementation.

1. The evaluation of each managerial employee shall be based on objective criteria which may include but not be limited to critical incident reports and performance in relation to predetermined objectives and measurement standards. The criteria shall be established and may be revised from time to time by the Mayor as administrative procedural memoranda.
2. Evaluations shall be made in the following sequence:
   a. Employees below the level of Division Head shall be evaluated by Division Heads with review by Department Heads.
   b. Division Heads and Assistant Department Heads shall be evaluated by Department Heads.
   c. Department Heads operating under a statutory governing board or commission shall be evaluated by such board or commission.
   d. Other Department Heads shall be evaluated by the Mayor who shall also review all other evaluations.

   All evaluations shall be written and reviewed with each employee. Employees rated by supervisors other than the Mayor may make a personal and written appeal of their evaluation to the Mayor within three (3) working days after notification of rating. The Mayor shall consider input from the alderpersons and other sources concerning the evaluation of any affected employee.
3. Members of the Common Council may participate in the evaluation process of managerial employees by the following procedure:
   a. The Mayor shall, at least annually, distribute to the alders a form on which they may provide comments to the Mayor to be used in the evaluation of managerial employees.
   b. Any comments or information provided by the alders shall be on a confidential basis and, pursuant to Wis. Stats. § 19.36(10), shall not be made available to the public.
   c. At least ninety (90) days prior to the specified renewal date in the contract of a managerial employee, the Human Resources Director shall notify all alders of such renewal date and the expiration date of the managerial employee's contract, and notify the alders that if they wish to provide comments to the Mayor regarding the managerial employee, they should do so promptly.

(R. & Recr. by ORD-05-00147, 9-23-05; Renum. by ORD-07-00048, 4-12-07)

4. Upon approval by the Common Council of salary adjustments for the other nonrepresented employees, the Finance Director shall calculate an amount of money for salary adjustment of the managerial employees. That amount shall be based on the sum of the percentage represented by the value of the step and longevity increases of all employees eligible to receive such increases, divided by the total salary of all employees other

than the managerial employees, plus the percentage salary increase granted to nonrepresented employees other than the managerial employees multiplied by the total salary for the current year of all managerial employees. The Mayor shall recommend an amount for the salary adjustment based on the foregoing calculations or upon such criteria as the Mayor deems appropriate. The Common Council by simple majority vote shall establish the final amount available for the salary adjustment of affected employees and include the sum in the appropriate City budget.

In addition, the Common Council shall adopt appropriate ordinances each year amending Section 3.54 to advance the applicable salary ranges for each such position in a percentage equal to the adjustment granted the other nonrepresented employees in order to maintain the relative placement of the ranges. These ordinances shall maintain a minimum thirty-five percent (35%) increase from the minimum of the range to the maximum.

(Am. by Ord. 8762, 12-31-85; Renum. by ORD-07-00048, 4-12-07)

5. The Mayor shall receive all performance evaluation information and, upon that information, shall assign to each affected employee either a salary increase or decrease, expressed in terms of a percentage of the employee's previous year's compensation.

No employee's salary shall be increased in an amount greater than one hundred fifty percent (150%) of the increase granted to the other nonrepresented employees. The Mayor's decision shall be final.

No employee's salary shall be decreased by an amount in excess of one hundred fifty percent (150%) of the percentage adjustment of the other nonrepresented employee's salaries. In the event of a salary decrease, the provisions of the Personnel Rules shall apply.

(Am. by Ord. 9345, 11-30-87 & 12-4-87)

6. The Mayor shall not be required to expend all the monies provided by paragraph 4. hereof but shall not exceed that amount in making salary adjustments. All adjustments made shall be effective as of the effective date of adjustments for the other nonrepresented employees and payable as of the first pay period after the Mayor's announcement of the adjustments. The adjusted compensation of each employee shall be the basis for the succeeding year's adjustment.

(d) The adjustments to compensation based on performance shall be in lieu of any automatic step increase or longevity increase. The managerial positions listed in Subdivision (b) hereof are excepted from such increases.

(e) No incumbent's salary shall be changed by the adoption of this ordinance. The salaries of any incumbents of included positions which exceed the maximums of the base ranges provided by this ordinance, shall not be reduced by adoption of this ordinance. Further, and notwithstanding any other provision hereof, the salaries of any incumbents which exceed the maximum of the base range shall constitute the range maximum for that position as of adoption of this ordinance. When the incumbent of the position at time of adoption vacates the position, the range maximum for that position shall be re-established as the maximum of the base range for the position according to Section 3.54(9)(c) hereof.

The salaries of incumbents of covered positions which do not exceed the maximums of the base ranges provided by this ordinance at the time of adoption may, by the merit provisions hereof, advance to the maximum of the base range established by adoption of this section.

Adjustments to compensation shall be cumulative and shall increase base salary until the employee's salary reaches the maximum of the employee's range as

adjusted for the subsequent year. Employees whose salaries have reached the maximum may be granted salary adjustments pursuant to these provisions but any such adjustment which exceeds the employee's base range maximum as adjusted shall not be cumulative and shall apply only to the year in which granted. (Am. by Ord. 8827, 4-4-86; Renum. by ORD-07-00048, 4-12-07)

(f) Employment Contracts. All new positions in Compensation Group 21 and all existing positions in Compensation Group 21 as they become vacant shall be filled through the use of employment contracts pursuant to the system outlined in the Substitute Report of the Human Resources Committee Relating to Employment Contracts for Certain Managers, ID No. 3152, adopted August 2, 1988, Substitute Report ID 3152. Incumbents of positions in Compensation Group 21 as of the effective date of this ordinance may enter into such employment contracts at their option. Notwithstanding any other provisions of these ordinances, those incumbents of positions in Compensation Group 21 at the effective date of this ordinance who do not opt to enter into such employment contracts shall be subject to the reappointment procedures to terms in effect at the time of their respective most recent appointments to the five-year term. This subdivision shall not apply to the positions of Fire Chief or Police Chief. If the employment contract so states, then in the event any provision of the employment contract directly conflicts with any City ordinance, resolution, regulation, rule or policy, the provision of the employment contract shall apply, except that nothing in any employment contract shall be interpreted as modifying the provisions of Sec. 3.35. This paragraph shall also apply to all non-civil service positions in Compensation Group 19 filled by employment contracts where performance incentives are an integral part of the service provided. All contracts described herein shall be approved by resolution of the Common Council. If there are any changes in the duties of a position that would affect the classification, compensation, or training and experience requirements of the position between the time of initial posting of the position opening and the time of selection, the position shall not be filled; rather, the position as changed shall be posted again and a new application and selection process will be started. (Am. by Ord. 11,527, 2-16-96; ORD-05-00079, 5-10-05; ORD-06-00023, 3-24-06; Renum. by ORD-07-00048, 4-12-07)

(Sec. 3.38(6) Repealed and Re-Created by Ord. 8323, 5-11-84; Renum. by ORD-07-00048, 4-12-07)

(10) New Appointments and Promotions.

(a) New appointments shall be made at the minimum rate in the salary range and the minimum rate in the vacation leave schedule unless the Mayor finds it impracticable to recruit qualified candidates at the minimum salary and/or minimum vacation leave entitlement in which case the Mayor or Police and Fire Commissioners may designate a beginning salary at any step within the fixed range and/or the Mayor may designate a beginning vacation leave entitlement at any step within the vacation schedule which is deemed necessary to meet the existing conditions. (Am. by 8323, 5-11-84; ORD-05-00013, 1-18-05; Renum. by ORD-07-00048, 4-12-07; ORD-13-00180, 11-5-13)

(b) In case of the appointment of a City employee to a position in a higher range classification or upon promotion the appointee's salary shall be set at the step closest to the employee's salary prior to promotion, but not exceeding the maximum of the new salary range, and that were possible, assures a five percent (5%) increase in pay. A new anniversary date shall be established and the first step increase in the new classification shall be effective the first day of the bi-weekly pay period following six (6) months of service and annually thereafter until the maximum of the salary range is achieved. At the request of the Appointing Authority, the Human Resources Director may authorize hiring above the

minimum when the selected employee has exceptional qualifications and/or experience. If this occurs, the job announcement shall reflect that potential applicants may be hired above the minimum of the salary range.

(c) No division or department head shall change the status of any employee in the civil service as to increase or decrease in rate of pay, other than automatic increases or cost of living salary adjustments, until he or she notifies the Human Resources Director, or in the case of uniformed Police and Fire personnel, the Board of Police and Fire Commissioners, in writing of such change and the reasons therefore, and receives a certification from the Human Resources Director, or in the case of uniformed Police and Fire personnel, the Board of Police and Fire Commissioners, that such action is in accordance with the ordinances fixed by the Council or action taken by the Personnel Board under the provisions of the ordinances, rules and regulations applicable thereto. (Am. by Ord. 10052, Adopted 6-19-90; Renum. by ORD-07-00048, 4-12-07; ORD-14-00012, 1-14-14)

(11) Salary Advancement.

(a) All employees hired on a permanent or limited term basis shall be granted their first basic salary increase on the first day of the biweekly pay period following completion of six (6) months of employment. This section shall apply to all permanent or limited-term employees who complete six (6) months of employment on or after the effective date of this Ordinance.

(b) Salary advancement for permanent or limited term employees shall be made to the next higher rate upon completion of each year of service until the maximum rate is received; provided, however, that the effective date of the advancement shall be the first day of the biweekly pay period following completion of the year of service. The salary for permanent part-time employees shall be based on the ratio of their part-time employment to full-time employment. "Service" shall not be construed to be interrupted by absence of an employee while receiving, from the City of Madison, Worker's Compensation payments or full salary in lieu thereof for temporary disability. (Am. by Ord. 8543, 3-18-85; Renum. by ORD-07-00048, 4-12-07)

(c) Step increments for the positions of Clerk, Clerk-Typist, and Police Report Typist shall occur on six-month service time intervals commencing with successful completion of their probationary period until the maximum base step is reached. Upon completion of six (6) months' service at the maximum base step, Clerks, Clerk-Typists, and Police Report Typists shall be advanced to the objective classifications of Clerk II, Clerk-Typist II, and Police Report Typist, respectively, at step three (3). The step increments thereafter shall be on an annual basis.

(d) Librarian 1 and Library Computer Specialist 1 who attain at least fifty-four (54) months of service as a Librarian 1 or Library Computer Specialist 1 and who possess a master's of library or information science shall be placed in the Librarian 2 or Library Computer Specialist 2 classification at Step 3 of that range on the later of their anniversary date or the pay period immediately following completion of the master's degree. The Library Computer Specialist 2 classification shall be exempt from the master's degree requirement. For the purposes of this section, anniversary date shall be defined as that date when a Librarian 1 or Library Computer Specialist 1 would begin the fifty-fifth (55) month of his/her service in that classification. All Librarian 1 or Library Computer Specialist 1 who become Librarian 2s or Library Computer Specialist 2 shall continue to advance through remaining Librarian 2 or Library Computer Specialist 2 steps after each twelve (12) months of service.

(e) Street and Sewer Maintenance Worker 1 employees in the Engineering Division shall, upon successful completion of a full probationary period, be classified as Street and Sewer Machine Operator 1.

(f) Salary adjustments for employees shall become effective on the first day of the biweekly pay period following the effective date of the legislation providing for any such adjustment. (Am. by Ord. 7337, 2-11-81; Renum. by ORD-07-00048, 4-12-07)

(g) In cases of reinstatement or reemployment in the same class where the beginning salary is set at or above the step earned by the employee at the time the employee left the service, the effective date for salary increases shall be the first day of the biweekly pay period following the completion of one (1) year of service. Where the salary is set at the minimum rate of the range or the employee is reinstated or reemployed at a lower class than that formerly held, the employment shall be considered as original employment for automatic salary increase purposes and the effective date of the first basic salary increase shall be the first day of the biweekly pay period following completion of a probationary period of not less than six (6) months.

(h) In cases of advancement to a higher classification the employee shall receive the first step increase in the new classification at the beginning of the first biweekly pay period following the satisfactory completion of a probationary period of not less than six (6) months.

(i) Where the promotion date coincides with an anniversary date, any step increase earned shall be considered prior to establishing the salary rate on promotion.

(j) The above step increases for civil service employees shall be granted automatically as set forth in this subsection.

(k) The provisions of this subsection shall not apply to the salaries of managerial employees identified by positions in Section 3.54(9)(b). (Cr. by Ord. 8323, 5-11-84; Renum. by ORD-07-00048, 4-12-07)

(12) Salaries of Officers Elected or Appointed for a Definite Term not Affected. The salaries of officers elected or appointed for a definite term and employees not under civil service shall not be affected by this ordinance unless otherwise provided.

(13) Positions Filled in Temporary or Acting Capacity.

(a) Members of the Fire Department filling temporarily, or in an acting capacity, a position in a higher or different rank shall be entitled, while filling such position, to the salary pertaining thereto.

(b) Members of the Police Department filling temporarily, or in an acting capacity, a position in a higher or different rank shall be entitled, while filling such position, to the salary pertaining thereto.

(c) Members of Compensation Group 18 and 44 filling temporarily, or in an acting capacity, the full duties and responsibilities of a position within a higher salary range in Compensation Group 18 or 44 shall be entitled, while filling such position, to a salary advancement to the minimum of the new range or to the lowest step in the new pay range which represents an increase of at least five percent (5%) over the current biweekly rate not to exceed the maximum of the range. Members of Compensation Group 18 and 44 filling temporarily, or in an acting capacity, the full duties and responsibilities of a position within Compensation Group 21 shall be entitled, while filling such position, to at least the minimum salary pertaining thereto. (Cr. by ORD-08-00107, 9-18-08)

(14) Overtime Compensation.

(a) Overtime Compensation for Employees in Compensation Groups 18, 21 and 23.

1. Overtime compensation shall be computed on the basis of forty (40) hours per week for field personnel and thirty-eight and three-quarters (38¾) for office personnel as established in Section 3.32(3) of these ordinances. Overtime shall not be computed on an hours-per-day basis.

2. Prescheduled hours of paid leave including but not limited to vacation leave, holiday leave and compensatory time off shall be computed as

working hours for purposes of this subdivision. Unscheduled hours of paid leave including but not limited to sick leave and other leaves granted on the day of notice or request and hours of unpaid leave shall not be computed as working hours for such purposes.

3. Any employee included within the provisions of this section who is called to report back to work shall be paid pursuant to applicable rules and regulations including appropriate rates, but for not less than two (2) hours of regular straight time, provided, however, that such employees who are called to start working overtime hours between the hours of midnight and 6:00 a.m. shall be credited with a minimum of three (3) hours time worked only in the event such employee has not been directed to work beyond her/his assigned schedule or when such employee has not been called back to perform overtime work which commenced prior to midnight, or when an employee has on the previous day been directed to report to work early at a time prior to 6:00 a.m. and works continuously through the regular starting time of her/his regularly scheduled hours.
4. Employees in Compensation Group 18, Ranges 9 and below and hourly employees shall be compensated at time and one-half their regular straight time rate of pay for all hours worked in excess of their standard hours of work per week established in Section 3.32(3) of these ordinances.
5. Employees in Compensation Group 18, Ranges 10, 11, 12, and 13 shall be compensated at their regular straight time rate of pay for all hours worked in excess of their standard hours of work per week established in Section 3.32(3) of these ordinances unless the appointing authority has declared an emergency in advance in which case such overtime hours will be compensated at time and one-half the regular straight time rate of pay. All declared emergencies are to be reported to the Mayor and reviewed annually by the Mayor and Department Heads.
6. The decision to compensate overtime hours worked in the form of money or compensatory time off shall be made by the employee's appointing authority. Compensatory time shall be taken off only at times mutually agreed to between the appointing authority and the employee. All compensatory time balances shall be reduced to forty (40) hours or less by the end of each year, or by March 31 of the succeeding year with the approval of the Human Resources Director. Under special circumstances where workload makes it impractical for employees to meet the March 31 deadline, the Human Resources Director may extend the deadline to June 30. (Am. by ORD-09-00149, 11-6-09)
7. Employees in Compensation Group 18, Range 14 and above and those in Compensation Groups 21 and 23 shall not be eligible to receive overtime compensation for any hours worked in excess of their standard hours established in Section 3.32(3) of these ordinances.
8. For employees in Compensation Group 23, professional time shall be available. Use of professional time in these situations will require approval by the appropriate Department Head who may grant requests giving consideration to program needs, the recognition that a professional employee usually works no less than an average of 38.75 hours per week, that the concept of professional time need not be approved on an hour for hour basis for extra work performed beyond the usual work hours and that a professional employee has a high degree of job responsibility and flexibility. The Department Head's approval may be for a single occurrence or for the continuing use of professional time as determined by the Department Head. The granting and use of professional time will not be

unreasonably denied. No compensation for earned but not used professional time shall be owed an employee upon his/her termination of employment.

(b) Overtime Compensation for Other Civil Service Employees.

1. Time and one-half rate of pay or compensatory time off at the rate of time and one-half shall be provided for all work beyond the normal, assigned work day or work week as established for that particular classification; provided, however, that hourly employees shall receive overtime at the rate of time and one-half for assigned work performed in excess of the standard hourly work week established in for their particular classification.
2. Hours of vacation, sick leave, holidays, or any other compensated hours not worked shall be computed as working hours for purposes of this subsection.
3. Two (2) times the rate of pay or compensatory time off shall be provided for all hours worked in excess of twelve (12) consecutive hours. Employees may decline any hours of overtime in excess of sixteen (16) consecutive hours without penalty.
4. Overtime "pyramiding" shall be prohibited in that weekly overtime premiums shall not be paid for hours covered by daily overtime premium payments.
5. Any employee included within the provisions of this section who is called to report back to work shall be paid pursuant to applicable rules and regulations including appropriate rates, but for not less than two (2) hours of regular straight time. Employees in Compensation Groups 16, 20, 32, 33 and 71 who are called in for overtime work shall be granted a minimum of two (2) hours of overtime unless the two (2) hours of work overlaps with the employee's normal work day. Employees who are called to start working overtime hours between the hours of midnight and 6:00 a.m. shall be credited with a minimum of three (3) hours time worked unless the three (3) hours of work overlaps with the employee's normal work day. This provision shall not apply when the employee has been directed to work beyond his/her assigned schedule, when the employee has not been called back to perform overtime work commencing before midnight, or when the employee is directed during the previous day to report early the following day to work early at a time prior to 6:00 a.m. and works continuously through the regular starting time of his regularly scheduled hours. Guaranteed report time shall end at the beginning of the employee's regularly scheduled shift. For Compensation Group 15 only, employees reporting for call-in assignments shall commence to accrue overtime twenty (20) minutes before they report. This time will be included in the two (2) or three (3) hour call-in minimum, provided the employee reports for duty within one (1) hour from the time of the call-in. (Am. by ORD-15-00074, 7-29-15)
6. The decision to compensate extra hours worked in the form of overtime pay or compensatory time off shall be made by the employee.

   Compensatory time off is to be granted only at a time mutually agreed to between the employee and the department head. All compensatory balances shall be reduced to eighty (80) hours or less by the end of each year. For Compensation Group 15, Fleet Service only, the total compensatory time off shall not exceed a total of sixty (60) hours. However, the employer may elect to carry over such accrued compensatory time for selected classifications of employees. Employees so affected shall be paid for all accrued compensatory time in excess of eighty (80) hours by

the pay period ending nearest May 1st of the following year. Maximum compensatory time balances by compensation group or position classification within each Division will not be adjusted without the mutual agreement of the parties.

7. All accrued compensatory time in excess of department-established maximums shall be paid on the pay date of pay period 26. (Am. by ORD-16-00088, 10-26-16)
8. Occasional overtime assignments do not constitute a work schedule change. No employee shall be penalized for any reasonable inability to work overtime provided sufficient employees are available to meet the requirements of the City. If sufficient employees are not available to work the overtime assignment, the junior employee within the job classification, who is capable of satisfactorily performing the work, shall be required to accept the overtime assignment.
9. In the event a Parking Enforcement Officer is notified of the cancellation of a court appearance on a scheduled day off with less than twenty-four (24) hours notice, the Officer will receive two (2) hours compensation at the overtime rate.
10. Overtime regulations of this section shall not apply to employees in Compensation Group 18, 21, 23, 43 and 44.

(Renum. by ORD-07-00048, 4-12-07); (Sec. 3.38(11) Am. by Ord. 11,777, Adopted 1-21-97)

(15) Uniforms, Safety Shoes, and Tools. In the event that an employee is required, as a condition of his/her employment, to wear a uniform or other special clothing, identification patch or material, safety shoes or other protective gear or device or have certain tools, such articles shall be furnished by the City. The City shall replace uniform items damaged as a result of the performance of duty. Uniform items lost or damaged due to proven negligence by the employee shall be replaced by the employee at his/her own expense.

(a) Non-Represented Police and Fire. The City of Madison shall provide the original complete uniform for those members of the Police and Fire Departments who are not members of recognized bargaining units but who are required to wear a uniform. Such uniform shall remain the property of the City.

Thereafter the City of Madison shall contribute one hundred percent (100%) of the annual uniform expense of any member of either department required to wear a uniform but not to exceed eighty dollars ($80) per year for firefighters or ninety-six dollars ($96) per year for police officers unless approved by the Chief of the appropriate department. This amount may be accumulated over a period of three (3) years. The maximum accumulation shall not exceed two hundred forty dollars ($240).

(b) Parking Enforcement Officers. The City shall provide the original complete uniform to Parking Enforcement Officers. Such uniform shall remain the property of the City. The City shall replace uniform items as needed by normal wear and tear to an amount not to exceed three hundred dollars ($300) unless approved by the Chief of Police. This amount will increase on the date of any wage increase each year thereafter by the percent of wage increase granted if any. This amount may be accumulated over a period of three (3) years but shall not exceed a maximum accumulation of four hundred dollars ($400).

(c) Seasonal and Hourly. Following three (3) months of continuous employment seasonal and hourly employees required to wear safety shoes shall be entitled to reimbursement consistent with the annual limitation on reimbursement for permanent employees.

(d) Crossing Guards. The City shall provide protective clothing consisting of a safety vest, an orange raincoat and an orange parka. In addition to the protective clothing the City will provide a clothing allowance up to one hundred and fifteen

dollars ($115) per year towards the purchase of hats, scarves, sweaters, gloves, waterproof pants and boots. Newly hired Crossing Guards shall not be eligible to receive reimbursement during the first month of employment. Upon completion of their first month of employment, the clothing allowance shall be retroactively applied.

(e) Safety Shoes. The City may require the wearing of industry approved safety shoes for foot protection. The City shall reimburse those permanent employees required to wear safety shoes at a rate of eighty dollars and fifty cents ($80.50) per year. This amount will increase two dollars ($2.00) per year beginning on January 1, 2016 to a maximum amount of one hundred dollars ($100). Employees may choose to purchase one pair of shoes every two years and be reimbursed for twice the annual amount. Employees classified as Parking Service Workers may use the eighty dollars and fifty cents ($80.50) per year reimbursement for clothing and shoes. This amount will increase two dollars ($2.00) per year beginning on January 1, 2016 to a maximum amount of one hundred dollars ($100).

(f) Tool Allowance. For employees in Compensation Group 15, a tool allowance of twenty dollars ($20) per month shall be paid to employees with the following classifications: Automotive Maintenance Worker 2, Automotive Mechanics, Welder, Master Mechanic, Master Automotive Body Technician. Automotive Maintenance Workers will be paid a tool allowance if/when the employee has the required tools to perform the duties assigned. The employer agrees to provide coverage on the mechanical tools described in detail and approved by the Employer for each employee required to furnish his own tools. Such coverage shall be against loss or damage directly caused by the risks and perils specified in a Standard Inland Marine Tool Floater Policy subject to the following conditions:

1. A five hundred ($500) dollar deductible shall apply to each mechanic's claim for each occurrence;
2. The maximum coverage provided by the City for any mechanic shall not exceed seven thousand dollars ($7,000) for each occurrence;
3. The City at its option shall replace the lost or damaged tools or reimburse the employee based on current replacement value. When calculating the amount to be reimbursed, depreciation will be applied to all electrical and pneumatic tools using a life expectancy of ten (10) years.

(Sec. 3.54.(15) Am. by ORD-15-00074, 7-29-15)

(16) Longevity Provisions.

(a) All permanent full-time and permanent part-time employees as defined in Sec. 3.32(1)(a) except those managerial employees identified by position in Section 3.54(9)(b) who reside in the City of Madison shall receive longevity pay based on a percentage of base pay in accordance with the following schedule:

1. Three percent (3%) of base pay beginning with the fifth (5th) year of continuous employment.
2. An additional three percent (3%) (total 6%) of base pay beginning with the tenth (10th) year of continuous employment.
3. An additional two percent (2%) (total 8%) of base pay beginning with the fourteenth (14th) year of continuous employment.
4. An additional one percent (1%) (total 9%) of base pay beginning with the sixteenth (16th) year of continuous employment.
5. An additional one percent (1%) (total 10%) of base pay beginning with the eighteenth (18th) year of continuous employment.
6. An additional one percent (1%) (total 11%) of base pay beginning with the twentieth (20th) year of continuous employment.

7. An additional one percent (1%) (total 12%) of base pay beginning with the twenty-fifth (25th) year of continuous employment, effective with the pay period which includes January 1, 2003.

The foregoing schedule of longevity increases shall be reduced by one (1) percentage for those employees in Compensation Group 18 who do not reside in the City of Madison. (Am. by Ord. 8323, 5-11-84; Ord. 13,700, 9-29-04)

(b) For purposes of longevity pay, leaves of absence without pay granted in accordance with Sec. 3.32(3) of the ordinances shall not operate to break continuous employment; however, such authorized leave in excess of thirty (30) days shall not be counted in determining qualification for the period specified in Sec. 3.54(16)(a) above. This same principle shall apply to employees in layoff status, i.e., time spent in layoff status shall not operate to break continuous employment within the meaning of this ordinance; and shall not be counted in determining qualifications for the longevity periods specified in Sec. 3.54(16)(a) above.

(c) Employees who are paid in excess of the total maximum rate for their classification shall receive only that part of longevity pay which is in excess of the difference between the total maximum for their classification and their current salary.

(d) Longevity payments shall be effective on the first day of the bi-weekly pay period following the completion of the required length of service.

(e) Upon promotion of a prevailing rate employee to a permanent civil service position prior service credit shall be granted for such continuous full-time service as such service time applies to the longevity schedule.

(f) In the event that a seasonal or limited term employee shall move from the status of seasonal or limited term to the status of permanent without an interruption of work, then any such employee upon completion of probation shall have their longevity credit date established by dividing the total number of hours worked from the first date of employment followed by continuous service by the normal daily hours rounded up to the nearest full day, however, probation and base salary increases shall be related to the date of permanent employment. (Am. by Ord. 6881, 1-23-80; Renum. by ORD-07-00048, 4-12-07)

(g) Definitions.

1. For the purpose of this subsection "permanent employment" is defined as follows: a part-time or full-time budgeted position of indefinite duration for performance of a set of functions which requires employment for at least fifty percent (50%) of a regularly established full-time work week.
2. For the purpose of this ordinance "continuous employment" is interpreted to mean year-round employment as evidenced by uninterrupted payment on the payroll. "Continuous employment" shall not be construed to be interrupted by absence of an employee while receiving from the City of Madison Worker's Compensation payments or full salary in lieu thereof for temporary disability.
3. "Layoff status" is meant to include employees laid off from a permanent City position in accordance with Personnel Rules and who because of such layoff qualifies under layoff rules and procedures to have his/her name entered on the reemployment register or a person laid off pursuant to the provisions of Wis. Stats. § 62.13.

(Renum. by Ord. 6406, 10-25-78; Renum. by ORD-07-00048, 4-12-07)

(17) Premium Pay.

(a) Night and Holiday Differential. All permanent civil service employees eligible to receive overtime pay, shall receive an hourly premium payment of seventy-five cents ($.75) per hour for any and all authorized work performed between the hours of 6:00 p.m. and 6:00 a.m. Monday through Friday or for hours worked on any designated holiday.

(b) Sunday Differential. All permanent civil service employees eligible to receive overtime pay, shall receive an hourly premium payment of forty-five cents ($.45) per hour for any and all work performed on any Sunday. Employees in Compensation Groups 15, 16, 20, 32 and 33 will receive one dollar ($1.00) per hour for authorized work on a Sunday.

(c) Emergency and Scheduled Maintenance Work. All permanent civil service employees eligible to receive overtime pay, shall receive an hourly premium payment according to the following schedule whenever they are assigned to perform emergency and scheduled maintenance work on communication towers or structures:

Working Height Measured From Base of Tower or Structure	Rate of Compensation
Up to 50 feet	Straight time the employee's regular hourly rate.
51 to 95 feet	Time and one-half (1½) the regular hourly rate.*
96 to 150 feet	Two (2) times the employee's regular hourly rate.*
Over 150 feet	Three (3) times the employee's regular hourly rate.*

A minimum payment of forty dollars ($40) shall be made for all emergency or scheduled repair work performed over ninety-five (95) feet in height. A minimum payment of forty dollars ($40) shall be made for all work performed between fifty-one (51) feet and ninety-five (95) feet in height while on overtime.

*This rate of pay shall not be subject to the overtime provisions of Sec. 3.54(14) of these ordinances. (Cr. by Ord. 6359, 8-30-78)

(d) Employees of the Library who are designated Multi-Site Library Assistants shall be paid a premium of five percent (5%) of their base pay, including overtime. Employees in Compensation Groups 32 shall receive an hourly premium payment of fifty-eight cents ($.58) per hour for all hours worked on a Saturday between 6:00 a.m. and 6:00 p.m. Employees in Compensation Group 33 shall receive an hourly premium payment of sixty-two cents ($.62) per hour for all hours worked on a Saturday between 6:00 a.m. and 6:00 p.m. Employees in Compensation Groups 32 and 33 shall receive an hourly premium payment of seventy-five cents ($.75) per hour for any hours worked on a Saturday between 6:00 p.m. and 6:00 a.m. the following Sunday. Saturday premium pay will be retroactive to the first pay period in January 2015.

(e) Subdivisions (a), (b), (c) and (d) of Subsection (17) hereof shall not apply to employees in Compensation Groups 21, 23, 18, or 44. (Renum. to Sec. 3.38(21) and Am. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07)

(Renum. by ORD-07-00048, 4-12-07; Sec. 3.38(17) Am. by Ord. 11,777, Adopted 1-21-97; Am. by ORD-15-00074, 7-29-15)

(18) Holiday Leave Plan. Except for employees covered in Section 3.38, all permanent employees in Compensation Groups 17, 18, and 19 required to work on a designated holiday as defined in Sec. 3.32(7) except where compensation for such work is covered by agreement, shall be compensated at two (2) times the regular straight time rate of pay plus a paid day off later to be scheduled at a time mutually agreed to between the employee and the department head in lieu of any overtime compensation. (Am. by Ord. 11,777, Adopted 1-21-97; Renum. by ORD-07-00048, 4-12-07)

(19) Out-of-Class Pay. Employees eligible to receive overtime, who by assignment perform work in a position of a classification that falls in a pay range which is higher than the pay range of the employee's classification, shall receive an additional compensation of thirty cents ($.30) per range per hour of work. Employees in Compensation Group 15 shall

receive fifty cents ($.50) per range per hour of work. This subsection shall not apply to employees in Compensation Groups 21, 23, 18, or 44. (Am. by Ord. 11,777, Adopted 1-21-97; Am. by Ord. 12,908, 10-24-01; Renum. by ORD-07-00048, 4-12-07)

(20) Standby Pay. Any permanent employee assigned to be on standby duty for emergency maintenance or repair work during hours outside the employee's general work schedule shall be compensated at the rate of one dollar and twelve cents ($1.12) per hour for such assignment. Beginning on January 1, 2016, this amount will increase by three cents ($.03) each calendar year until reaching a maximum of one dollar and fifty cents ($1.50) per hour. An employee who is on standby duty shall be immediately accessible by telephone and/or by portable radio and/or by pager as determined by the employer. An employee who cannot be immediately contacted while on standby duty or who does not report to the work site within a reasonable period after time of having received notice shall not be eligible for standby pay for that day. Standby duty shall not be counted as hours worked. Employees called in for overtime work from standby duty shall be compensated for such time worked pursuant to applicable contract provisions and ordinances and for such period of time worked shall not receive standby pay. This subsection shall not apply to employees in Compensation Group 21 or to employees in Compensation Groups 18 and 44, Range 14 and above. (Am. by Ord. 10,383, 2-27-92; Renum. and Am. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-11-00126, 9-28-11)

(21) Participation in Supplementary Retirement Program. All permanent employees of the City may, at their option, participate in the Supplementary Retirement Programs administered by the City pursuant to rules and regulations therefore as are or may be established by the City. (Am. by Ord. 6507, 2-8-79 Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07)

(22) Credit for Past Services. Credit for past services for present employees whose salaries are being adjusted to the new salary schedule shall be prescribed by the rules and regulations of the Personnel Board. (Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07)

(23) Salaries of Incumbents not Reduced. While it is the intention of the Common Council in this ordinance to establish definite salary ranges for designated City positions, nevertheless, salaries of incumbents of positions who are receiving more than the maximum base rate of the range shall not be reduced by the passage of this ordinance. (Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07)

(24) Only Basic Salaries Established. This ordinance shall be deemed to establish only basic salaries. (Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07)

(25) Health Insurance.

(a) Employees registered in domestic partnerships under Section 39.03(11), Madison General Ordinances, will be eligible for family health insurance coverage when such coverage is permitted under the terms of the Wisconsin Public Employers' Group Health Insurance Plan. (Cr. by Ord. 10,640, 4-30-93; Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07; Am. by ORD-13-00004, 1-15-13)

(b) The City will continue to make contributions toward the cost of health insurance coverage for any employee in a permanent position that is subject to layoff as a result of a lack of work or funding provided the employee has no other comparable coverage. The City contribution shall continue for three (3) consecutive months following the effective month of the layoff in the same manner and at the same rate as provided prior to the layoff. The City may terminate contributions prior to the end of the three (3) month period if the affected individual obtains comparable health insurance coverage through another source. This ordinance applies to all City employees covered by health insurance provided by the City on or after January 1, 2009. (Cr. by ORD-09-00022, 2-6-09)

(26) Ordinances in Conflict Repealed. All ordinances or resolutions in conflict with the provisions of this ordinance are hereby repealed. (Renum. by Ord. 10,640, 4-30-93; Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07; Renum. by ORD-09-00018, 2-6-09)

(27) Additional Contributions to Wisconsin Retirement Fund. Pursuant to the authority granted by Wis. Stat. § 40.05(2)(g), the City of Madison shall make additional contributions to the Wisconsin Retirement Fund for those persons who have served in an elective position for two or more terms, each year of which could qualify for Wisconsin Retirement System coverage, and who subsequently become Mayor. When such person establishes eligibility for the contribution to the City's Wisconsin Retirement System regular agent, the agent shall promptly certify the eligibility to the System. (Am. by Ord. 11,498, 1-5-96; Renum. by Ord. 12,738, 12-29-00; Renum. by ORD-07-00048, 4-12-07; Renum. by ORD-09-00018, 2-6-09)

(28) Bus Pass Subsidy. For all permanent, limited-term, hourly and seasonal employees who purchase one of the bus passes specified below and who utilize such pass for their mode of transportation to and from work, the employer shall provide a subsidy for such employees toward the cost of such bus passes as provided in the following schedule:

Madison Metro Passes	Bus Subsidy
Commuter Pass	$15.75
Monthly Pass	$15.75
Convenience Ticket Books (Paratransit)	$15.75
Adult QUIK-TIX Tickets	$ 7.90
Convenience Ticket Books (Persons with disabilities)	$ 7.90

Such employees may purchase bus passes on a pre-tax basis at such time as the program is established. In the event that and for so long as the City implements and maintains an Unlimited Ride Pass Program on Madison Metro for City employees, current employees shall be eligible to obtain such pass at no charge. While the Unlimited Ride Pass Program remains in effect, subsidized bus passes will not be available for City employees.

(Sec. 3.38 Am. by Ord. 6001, Adopted 10-4-77; Am. by Ord. 13,217, 12-20-02; ORD-05-00120, 7-12-05; ORD-06-00099, 8-2-06; Renum. by ORD-07-00048, 4-12-07; Renum. by ORD-09-00018, 2-6-09; Sec. 3.54 Am. by ORD-14-00173, 12-10-14)

SUBCHAPTER 3D: ELECTIONS

3.60 PRIMARY FOR CITY ELECTIONS. A primary election shall be held in the City of Madison for the nomination of candidates for City officers whenever three (3) or more candidates file nomination papers for each City office to be filled at the general City election. Such primary shall be held on the third Tuesday in February in accordance with Chapter 5 of the Wisconsin Statutes. (Am. by Ord. 4853, 1-31-75; Renum. by ORD-07-00048, 4-12-07)

3.61 APPOINTMENT OF ELECTION INSPECTORS AND THEIR COMPENSATION.

(1) Appointment. There shall be five (5) election inspectors at each poll at each election. Provided, however, that additional election inspectors may be appointed to serve at any poll where election day registration makes it necessary. Pursuant to Wis. Stat. § 7.30(1), the City of Madison shall allow for the selection of two (2) or more sets of officials to work at different times on election day and permits the Clerk or his/her designee to establish different working hours for different officials assigned at the same polling place. (Am. by Ord. 13,145, 9-24-02)

(2) Compensation. Election inspectors shall be paid at an hourly rate commensurate with the living wage as calculated by the Finance Director to be effective January 1 of the year in which the election occurs, with the chairperson of each ward receiving an additional 15%. (Am. by Ord. 11,061, 11-14-94; Ord. 13,000, 1-25-02; Ord. 13,237, 2-11-03; ORD-05-00134, 8-5-05; Am. by ORD-11-00037, 3-8-11)

(Renum. by ORD-07-00048, 4-12-07)

3.62 OPENING AND CLOSING OF POLLS. The polling places for all official elections in the City of Madison, whether a general election, primary election or special election, shall be opened at 7:00 a.m. and closed at 8:00 p.m. on election days; provided, however, that any voter awaiting his turn to vote, whether within the polling booth or in the line outside of the booth at the time of the closing of the polls, shall be permitted to vote.

(Renum. by ORD-07-00048, 4-12-07)

SUBCHAPTER 3E: OPEN MEETINGS AND PUBLIC RECORDS

3.70 PUBLIC RECORDS.

(1) Declaration of Policy. A representative government is dependent upon an informed electorate and therefore it is declared to be the public policy of the City of Madison that all persons are entitled to the greatest possible information regarding the affairs of their government and the official acts of those officers and employees who represent them. Further, providing persons with such information is an essential function of a representative government and an integral part of the routine duties of officers and employees whose responsibility it is to provide such information. To that end, this ordinance shall be construed in every instance with a presumption of complete public access, consistent with the conduct of governmental business. The denial of public access generally is contrary to the public interest and only in an exceptional case may access be denied. Therefore, the City of Madison does hereby adopt and incorporate, as though fully set forth herein, the provisions of Wisconsin's Public Records laws, Wis. Stat. §§ 19.31 through 19.39, inclusive of all future amendments and revisions to such sections of the Wisconsin Statutes. The following provisions are intended to supplement, not to replace or to supplant, the Wisconsin Public Records Laws.

(2) Records Custodians.

(a) Designation of Records Custodians and Alternate Custodians. "Custodian" means that officer, department head or division head of the City of Madison who is designated by the Mayor or by the terms of this ordinance, to keep and preserve public records, or whom is required by law to file, deposit, or keep such public record in his/her office, or is lawfully in possession or lawfully entitled to possession of public records. The City Clerk is the legal custodian of the records of the Common Council as a body politic and for all Common Council boards, committees and commissions. Each alderperson shall be the custodian of their individual official records, such as their correspondence, memorandums and e-mail. Any alderperson may designate, in writing, the staff of the Common Council Office to act as the official custodian of the alderperson's individual official records. For every Department or Division, the Department/Division Head is the custodian of records for their agency. Every custodian of records shall designate in writing one or more employees to act in his or her absence as an alternate custodian of such records.

(b) Duties. Custodians are vested with full legal power to render decisions and carry out the duties of the City under this ordinance. Each custodian shall establish a procedure for handling records and shall see that all of their employees entrusted with records are informed of these procedures. Prior to providing access to or a copy of any records, the custodian shall review the records to determine that the records are responsive to the request, whether any redactions are required or whether access should be denied as to any record. If a custodian has any question about granting or denying a request to inspect or copy any record, he or she shall consult with the City Attorney. (Am. by ORD-10-001000, 10-27-10)

(c) Public Records Training. Each custodian and alternate custodian shall receive training regarding public records laws as soon as practicable upon receiving these duties. Custodians and alternate custodians are personally responsible for keeping current with any developments or advancements in records keeping and the Wisconsin Public Records Laws.

(3) Procedural Information.

(a) Form of Request. The Wisconsin Public Records Law dictates that certain actions must be taken with regards to oral requests for records and that certain more formal actions are taken in response to written requests for records. However, the

state law does not expressly state how to respond to the following methods of communication. Therefore, requests made by the following means shall be responded to as follows:

1. E-mail. A request made by e-mail may be responded to via e-mail or in writing and shall have all of the formalities as though the request was made in writing.
2. Voice-mail. A request made by voice-mail shall be responded to as though it were made orally.
3. Instant Messaging/Text Messaging. A request made in either such manner shall be treated as an oral request.

(b) Treatment of Certain Data As Records. The Wisconsin Public Records Law provides little or no guidance as to whether the raw and perishable data of the following technologies qualify as records that must be maintained. Therefore the Common Council determines the following status of these technologies:

1. E-mail. The data in an e-mail message may constitute a public record and is subject to maintenance as a public record. The data in an e-mail is subject to the same analysis under the public records statutes as an equivalent paper or hard copy record. The Information Technology Department is responsible for ensuring that all e-mails are properly preserved for such analysis.
2. Voice-mail. A voice-mail message is not a public record and voice-mail messages do not have to be maintained as public records. These messages are the functional equivalent of phone conversations. Phone conversations clearly are not public records. Additionally, these messages also share many of the attributes of "personal notes" which are not public records either. Finally, these messages cannot be indexed or maintained in any manner that would allow for their easy classification, searching or retrieval.
3. Instant Messaging (IM)/Text Messaging (TM). Except as set forth in this paragraph and in subparagraph (3)(b)9. and 10. hereof, the data involved in IM/TM communications is not subject to maintenance as a public record. IM/TM has all of the attributes of instantaneous exchange of ideas, as does a regular telephone conversation. Furthermore, the data exchange has the same technological issues as to capturing and storage of data that is present with regards to voice-mail with an additional concern - the raw data is often only briefly stored or not stored at all by the third party vendors or hosts that provide these services. Thus, this technology is even closer to a true telephone conversation than are voice-mails. Therefore, City employees and officials shall refrain from using such services for official communications purposes or for matters that would result in a public record if another format such as email or written communications were employed, unless the employee or official preserves a copy of such communications by either copying them to their email account, downloading the communications to their city computer, making a computer file of the communications or by printing and retaining a copy of such communications.
4. Voice Over the Internet Protocol (VOIP). The City does not monitor nor record the data associated with the conversations that occur over VOIP. Such conversations are the very same real time voice communications as standard telephone conversations that are not public records. The only difference between these communications is the medium employed in transmitting the voice communications from one participant in the conversation to all others involved in the conversation.

5. Audio, Video, Data Transmissions & Communications. Although audio, video, data and radio transmissions and communications may be processed through city computers, the City does not routinely copy the data nor maintain records of such communications. Whenever the City copies, records or maintains copies or recordings of such communications or transmissions, those copies may constitute public records that are subject to records requests and which must be maintained according to the appropriate records retention schedule. The Dane County 9-1-1 center is the custodian for police and fire radio communications.

6. Audio/Video Recordings. Unless otherwise provided herein, are public records subject to requests and must be maintained according to the retention schedules published herein.

   a. Rewritable Recording Systems. Those systems where the recordings are routinely overwritten by newer recordings, such as in continuous loop videotape or digital video written to a camera's hard drive or memory, such data does not constitute a record unless it is further downloaded, printed or separately preserved to memorialize some event or proceeding. Until such time as these recordings are downloaded, printed or separately preserved, these recordings do not have to be preserved and, as the recording equipment programs/protocols may dictate, can be overwritten, erased or otherwise destroyed. However, if such data is downloaded, printed, or separately preserved it shall be treated as a record and shall be retained in accordance with the retention schedules.

   b. Recordings Made for the Purpose of Preparing Minutes of Meetings. In accordance with Wis. Stat. § 19.21(7), any tape recording of a meeting, as defined in Wis. Stat. § 19.82(2), by any city body as defined by Wis. Stat. § 19.82(1), to include each City board, commission and committee, may be destroyed, overwritten, or recorded over no sooner than ninety (90) days after the minutes have been approved and published if the purpose of the recording was to take minutes of the meeting.

7. Electronic Document Files. Where records, as that term is defined in Wis. Stat. § 19.32(2), exist in an electronic format only, such electronic records shall be maintained according to the appropriate retention schedule. Where both hard copy (i.e., paper) and electronic copies of a record exist they shall each be subject to public records requests. However, when the custodian has designated, pursuant to sub. (9) electronic records as the official records, only the electronic copy shall be retained and made available for inspection under the public records laws. Where the custodian has not made such a designation, only the hard copy shall be subject to inspection as a public record and the electronic copies shall be treated and disposed of as draft documents that do not need to be maintained beyond creation of the final hard copy.

8. Electronic logs/Temporary Data Files. These logs and temporary data files provide detailed information about the design and functionality of the city's computer network. These logs are routinely overwritten on a daily basis due to the high volume of traffic that is being logged. Unrestricted access to these logs and files would constitute a breach of system security and leave the system vulnerable to exploitation and hacking. In order to

ensure network security, these logs are available to Information Technology Director's authorized staff only. These determinations apply to the following types of logs and data files:

a. Syslogs for Network Electronic Devices. All logs created by network devices such as firewalls, routers, switches, etc., which are used for monitoring and trending computer network traffic patterns and/or detecting unauthorized network traffic.

b. Network Server Security, Application and Event Logs. These logs are used to monitor activity on city network servers including successful/unsuccessful login attempts, file system access, hardware performance, etc. These logs provide detailed information about city network account ID's, file system structure, and hardware profiles.

c. Network Security Appliance Logs. All logs created by network security devices such as the anti-virus appliance, anti-SPAM appliance, content filtering appliance, etc., which are used to monitor specific types of unauthorized or malicious traffic on the city network. These logs identify specific network traffic patterns and/or protocols that are allowed or disallowed on the city network.

d. Application Logs. These logs are used to monitor activity on various database applications, but do not contain specific audits of database transactions. These logs can contain version information, program variables, and programming logic.

9. Emerging Technologies and Records Retention. As new information technologies emerge the Director of Information Technologies shall evaluate these technologies and their benefit to City operations. The Director shall consider whether any of these technologies provide the capacity to archive public records created by these technologies. Whenever it is economically and practically feasible to archive records created by such technologies that archiving shall be incorporated into any deployment of said technologies. Whenever the technologies do not provide for such archiving capabilities the Director of Information Technology shall consider whether the benefits of employing such technologies outweigh the risks that some public records may not be retained by deployment of such technologies. Where such benefits outweigh these risks City employees shall refrain from using such technologies for official communications purposes or for matters that would result in a public record if another format such as email or written communications were employed. In the event that such technologies are used for such communications purposes the employee shall preserve a copy of such communications by either copying them to their email account, downloading the communications to their city computer, making a computer file of the communications or by printing and retaining a copy of such communications. The Director shall also ensure that, as soon as practical and economically feasible, archiving systems are obtained for any information technology that is deployed without an archiving system.

10. Use of Technologies to Avoid Duty to Preserve Public Records Prohibited. No employee shall use or employ any form of communications or information technology with the intent or design to circumvent the records retention requirements of this ordinance. For example, Text Messaging

shall not be used in lieu of email to share or create a public record unless the employee complies with the provisions of subparagraph (3)(b)(9), above.

(4) Access to Records; Fees.

(a) Format For Delivery of Records.

1. Same Format as Record Exists & Redacted Records. Except as otherwise provided by law, any requester may receive or inspect a record in the very same format in which the City maintains the record. However, whenever it is necessary to redact or excise portions of a record in order to comply with the Wisconsin Public Records Laws, the redactions shall be made with the assistance of the Information Technology Department. Whenever electronic redaction or excisions cannot be done in a secure manner that preserves such redactions and prevents the viewing of the redacted information then such redactions should be made by hand, not electronically, and the requestor shall only receive a hard copy, not an electronic copy, of the redacted record. A requestor may not be charged for the time necessary to review a record and to redact or excise non-releasable materials.

2. E-mailing Records. When practicable, records may be e-mailed to the requestor. In order to ensure the integrity of City records, any e-mailed document shall be converted to a secure format prior to sending the document to anyone outside of the City government. There shall not be any reproduction charge for e-mailing records, however, such records may still be subject to payment of a location fee as established in Wis. Stat. § 19.35(3)(c).

(b) Reproduction Fees. To the extent possible, the Director of Information Technology and the Finance Director shall develop a uniform fee schedule for the reproduction of records that shall be used by every department and division. Such schedule shall include the following provisions and considerations: (Am. by ORD-11-00037, 3-8-11)

1. Fees imposed upon a records requestor may not exceed the actual, necessary and direct costs of reproducing and/or transcribing of the record, unless a fee is otherwise specifically established or authorized by state or federal law.

2. If the record exists in such a format that it cannot be easily reproduced, such as a mock-up of a building, then the custodian may photograph the record and may charge the requestor for the actual, necessary and direct costs of such photographing and photographic processing.

3. The fee schedule for photocopying records shall be:

a. No charge for copying records of which in the normal course of business ten (10) or more copies are made, such as agendas, minutes and reports;

b. Full cost of reproduction for materials such as films, tapes, computer printouts, etc. not otherwise identified in the schedule developed under this subsection. In such cases, the Department/ Division Head who is the records custodian, in consultation with the Finance Director, must determine the costs for reproduction of such records. The determination of these costs shall be made by utilizing a practice or factors that are as uniform as practicable across City departments/divisions. (Am. by ORD-11-00037, 3-8-11)

c. Other Fees.

i. Location Fee. If the cost of locating a requested record is fifty dollars ($50) or more, the requester shall pay the full

cost, as determined by the department or division head. Such cost shall not exceed the actual, necessary and direct cost of locating such record. Whenever it is determined that such location costs will exceed fifty dollars ($50) the requestor shall be required to post a deposit with the custodian that is equal to the reasonable good faith estimate of such costs.

ii. Mailing Fee. Custodians shall impose a fee upon a requester for the actual, necessary and direct cost of mailing or shipping of any copy or record that is mailed or shipped to the requester.

d. Fee Waivers. A custodian may provide copies of a record without charge or at a reduced charge where the department or division head determines in writing that waiver or reduction of the fee is in the public interest. The Common Council has determined that for all requests of twenty-five dollars ($25.00) or less it is in the public interest to waive reproduction/duplications fees for all non-profit 501(c)3 corporations.

e. Prepayment of Fees. Custodians may require prepayment by a requester of any fee or fees imposed under this Subdivision if the total amount exceeds five dollars ($5) and a custodian shall require prepayment by a requester of any fee or fees imposed under this subdivision if the total amount exceeds fifty dollars ($50). If prepayment is required, the custodian shall not process the request until such prepayment has been posted with the custodian.

(5) Special Rules Regarding Reproduction of E-mail Records.

(a) Reproducing E-mails Dated Earlier than April 1, 2004. E-mails dated April 1, 2004 or before were not stored in an archive. The restoration and location of these e-mails is difficult and labor intensive. Such requests often take more than thirty (30) days to comply with due to labor and technical issues. Custodians who receive requests for these records should inform the requestor of these issues. Such requests must be immediately forwarded to the Information Technology Director who may prepare an estimate of the actual, necessary and direct cost of locating such records and whom shall provide technical assistance to the custodian.

(b) Reproducing E-mails Dated April 1, 2004 or Later. All City of Madison e-mail transactions dated April 1, 2004 or later have been preserved in a searchable data archive. When requests are made for such records, custodians should clarify with the requestor, the various search terms and e-mail boxes that the requestor would have the City search for. Once the requestor has specified search terms, the custodian should contact the Information Technology Director for technical assistance in fulfilling the request.

(c) E-mail chains. E-mails are often sent to multiple recipients. A requestor will be provided with one copy of such an e-mail and all responses to that e-mail. Unless a requestor specifically requests otherwise, they will not be provided with multiple copies of such an e-mail showing receipt by each of the designated e-mail recipients.

(6) Time for Compliance and Procedures.

(a) Time. The fulfillment of public records requests is a high priority for the City. Therefore, each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of her/his determination to deny the request in whole or in part and the reasons therefore. If a request may take more than ten (10) business days to process, then

the custodian must respond to the requestor within those ten days with an estimate of when such processing shall be completed and an explanation of the reasons supporting that estimate.

(b) City Attorney Consultation Required. Before any custodian may deny access to any records or portion thereof, the custodian must consult with the City Attorney. Such consultation shall occur as soon as practicable after the custodian has assembled and reviewed the requested record. In any response to a requestor, the custodian shall include a statement that he or she consulted the City Attorney regarding the denial of access to any records. Any denial of access made by a custodian without such consultation and statement is not considered a response from the City of Madison.

(c) Public Records Opt-Out Policy and Procedures. The City shall develop a procedure whereby individuals may inform the City that their safety may be endangered by the release of any otherwise available public records and whereby such individuals may request that such records be maintained as confidential records. The Office of the City Attorney and IT shall work cooperatively to develop the necessary procedures and policies to facilitate such communications and to respond appropriately to such communications. (Cr. by ORD-12-00102, 8-15-12)

(7) No Destruction of Records While a Request is Pending or While a Denial of a Request is Being Appealed. No custodian may destroy any record at any time after the receipt of a request for inspection or copying of the record until after the request is granted or until at least sixty (60) days after the date that the request is denied. If any legal action is pending regarding or related to the record, the record may not be destroyed without the express authorization of the City Attorney. No record that is the object of or which has been produced pursuant to a discovery order or a subpoena may be destroyed without the express consent of the City Attorney.

(8) Retention Schedules. The City, in accordance with Wis. Stat. §§ 19.21(4)(b) and 16.61(3)(e), adopts the following records retention schedules:

(a) Retention Schedule. The Information Technology Director, in consultation with the City Attorney, shall develop and maintain the City of Madison's Records Retention Schedule in accordance with the provisions of Wis. Stats. §§ 16.61(3)(e) and 19.21(4) and such records shall be maintained in accordance with the provisions of that schedule. Such schedule must be approved by the Wisconsin Public Records Board and published by the Information Technology Director.

(b) Records that are Evidence. No record may be destroyed that has been identified as, or that may have value as, evidence in any civil or criminal legal proceeding, labor arbitration or disciplinary action. No record may be destroyed at any time within sixty (60) days of the denial of a request to review the record or any part thereof.

(c) Compliance with Federal or Other Retention Requirements. Notwithstanding the City of Madison Records Retention Schedule set forth in sub. (8)(a) above, custodians may not destroy any record where any contract, grant, funding conditions, state or federal statute require that such records be maintained for a longer period of time.

(d) Offer of Records to State Historical Society Before Destruction. The City is required to offer all obsolete records to the State Historical Society in accordance with Wis. Stat. § 19.21(4)(a), prior to destruction of those records. The Information Technology Director or any Department/Division Head, may apply to the State Historical Society for a waiver of this requirement as to certain categories of records under such person's authority that they reasonably believe have little or no significant historical value.

(Am. by ORD-14-00130, 7-23-14)

(9) Electronic Formatting or Other Reproduction of Records. Any City officer, or the director of any department or division of City government may, with the approval of the Director

of Information Technology, may retain and preserve public records in his/her possession by means of microfilm, or another reproduction method, optical imaging or electronic formatting. Such records shall meet the standards for photographic reproduction set forth in Wis. Stat. §§ 16.61(7)(a) and (b), 2001-2002 Wis. Admin. Code § PR 1 (current through Wis. Admin. Reg. No. 467, Nov. 1994) and Wis. Admin. Code § Adm. 12 (current through Wis. Admin. Reg. 554, Feb. 2002). Such records shall be considered original records for all purposes. Such records shall be preserved along with other files of the department or division and shall be open to public inspection and copying according to the provisions of state law and of Subsections (1) through (3) of this ordinance. This ordinance does not require that past copies of a record be converted to the new format(s). However, when the decision is made to convert old records to the new format, the original hardcopy of any document or record which has been converted to the new format may be destroyed once the Records Disposition Authorization for that records classification has been approved by the Wisconsin State Public Records Board and only when such destruction is permissible under Subsection (7) of this ordinance. (Am. by ORD-17-00029, 3-8-17)

(10) Severability. The provisions of this ordinance are severable. If any provision of this ordinance is held to be invalid or unconstitutional or if the application of any provision of this ordinance to any person or circumstance is held to be invalid or unconstitutional, such holding shall not affect the other provisions or applications of this ordinance which can be given effect without the invalid or unconstitutional provisions or applications. It is hereby declared the intent of the Common Council that this ordinance would have been adopted had any invalid or unconstitutional provision or applications not been included herein.

(Sec. 3.70 R. & Rec. by ORD-08-00093, 8-23-08)

3.71 OPEN MEETINGS OF MUNICIPAL BODIES.

(1) Council Findings. Subchapter IV of Ch. 19 of the Wisconsin Statutes quoted hereinafter, sets forth the public policy of the State of Wisconsin with reference to open meetings of governmental bodies. Such statutes read as follows:

"19.81 Declaration of Policy.

(1) In recognition of the fact that a representative government of the American type is dependent upon an informed electorate, it is declared to be the policy of this state that the public is entitled to the fullest and most complete information regarding the affairs of government as is compatible with the conduct of governmental business.

(2) To implement and ensure the public policy herein expressed, all meetings of all state and local governmental bodies shall be publicly held in places reasonably accessible to members of the public and shall be open to all citizens at all times unless otherwise expressly provided by law.

(3) In conformance with article IV, section 10 of the constitution, which states that the doors of each house shall remain open, except when the public welfare requires secrecy, it is declared to be the intent of the legislature to comply to the fullest extent with this subchapter.

(4) This subchapter shall be liberally construed to achieve the purposes set forth in this section, and the rule that penal statutes must be strictly construed shall be limited to the enforcement of forfeitures and shall not otherwise apply to actions brought under this subchapter or to interpretations thereof.

"19.82 Definitions. As used in this subchapter:

(1) 'Governmental body' means a state or local agency, board, commission, committee, council, department or public body corporate and politic created by constitution, statute, ordinance, rule or order; a governmental or quasigovernmental corporation; or a formally constituted subunit of

any of the foregoing, but excludes any such body or committee or subunit of such body which is formed for or meeting for the purpose of collective bargaining under subch. IV or V of ch. 111.

(2) 'Meeting' means the convening of members of a governmental body for the purpose of exercising the responsibilities, authority, power or duties delegated to or vested in the body. If one-half or more of the members of a governmental body are present, the meeting is rebuttably presumed to be for the purpose of exercising the responsibilities, authority, power or duties delegated to or vested in the body. The term does not include any social or chance gathering or conference which is not intended to avoid this subchapter.

(3) 'Open session' means a meeting which is held in a place reasonably accessible to members of the public, and open to all citizens at all times. In the case of a state governmental body, it means a meeting which is held in a building and room thereof which enables access by persons with functional limitations, as defined in s. 101.13(1).

"19.83 Meetings of governmental bodies.

(1) Every meeting of a governmental body shall be preceded by public notice as provided in s. 19.84, and shall be held in open session. At any meeting of a governmental body, all discussion shall be held and all action of any kind, formal or informal, shall be initiated, deliberated upon and acted upon only in open session except as provided in s. 19.85.

(2) During a period of public comment under s. 19.84(2), a governmental body may discuss any matter raised by the public.

"19.84 Public notice.

(1) Public notice of all meetings of a governmental body shall be given in the following manner:

(a) As required by any other statutes; and

(b) By communication from the chief presiding officer of a governmental body or such person's designee to the public, to those news media who have filed a written request for such notice, and to the official newspaper designated under ss. 985.04, 985.05 and 985.06 or, if none exists, to a news medium likely to give notice in the area

(2) Every public notice of a meeting of a governmental body shall set forth the time, date, place and subject matter of the meeting, including that intended for consideration at any contemplated closed session, in such form as is reasonably likely to apprise members of the public and the news media thereof. The public notice of a meeting of a governmental body may provide for a period of public comment, during which the body may receive information from members of the public.

(3) Public notice of every meeting of a governmental body shall be given at least 24 hours prior to the commencement of such meeting unless for good cause such notice is impossible or impractical, in which case shorter notice may be given, but in no case may the notice be provided less than 2 hours in advance of the meeting.

(4) Separate public notice shall be given for each meeting of a governmental body at a time and date reasonably proximate to the time and date of the meeting.

(5) Departments and their subunits in any university of Wisconsin system institution or campus are exempt from the requirements of subs. (1) to (4) but shall provide meeting notice which is reasonably likely to apprise interested persons, and news media who have filed written requests for such notice.

(6) Notwithstanding the requirements of s. 19.83 and the requirements of this section, a governmental body which is a formally constituted subunit of a parent governmental body may conduct a meeting without public notice as required by this section during a lawful meeting of the parent governmental body during a recess in such meeting or immediately after such meeting for the purpose of discussing or acting upon a matter which was the subject of that meeting of the parent governmental body. The presiding officer of the parent governmental body shall publicly announce the time, place and subject matter of the meeting of the subunit in advance at the meeting of the parent body.

"19.85 Exemptions.

(1) Any meeting of a governmental body, upon motion duly made and carried, may be convened in closed session under one or more of the exemptions provided in this section. The motion shall be carried by a majority vote in such manner that the vote of each member is ascertained and recorded in the minutes. No motion to convene in closed session may be adopted unless the chief presiding officer announces to those present at the meeting at which such motion is made, the nature of the business to be considered at such closed session, and the specific exemption or exemptions under this subsection by which such closed session is claimed to be authorized. Such announcement shall become part of the record of the meeting. No business may be taken up at any closed session except that which relates to matters contained in the chief presiding officer's announcement of the closed session. A closed session may be held for any of the following purposes:

(a) Deliberating concerning a case which was the subject of any judicial or quasi-judicial trial or hearing before that governmental body.

(b) Considering dismissal, demotion, licensing or discipline of any public employee or person licensed by a board or commission or the investigation of charges against such person, or considering the grant or denial of tenure for a university faculty member, and the taking of formal action on any such matter; provided that the faculty member or other public employee or person licensed is given actual notice of any evidentiary hearing which may be held prior to final action being taken and of any meeting at which final action may be taken. The notice shall contain a statement that the person has the right to demand that the evidentiary hearing or meeting be held in open session. This paragraph and par. (f) do not apply to any such evidentiary hearing or meeting where the employee or person licensed requests that an open session be held.

(c) Considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility.

(d) Considering specific applications of probation or parole, or considering strategy for crime detection or prevention.

(e) Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session.

(f) Considering financial, medical, social or personal histories or disciplinary data of specific persons, preliminary consideration of specific personnel problems or the investigation of charges against

specific persons except where par. (b) applies which, if discussed in public, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such histories or data, or involved in such problems or investigations.

(g) Conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved.

(h) Consideration of requests for confidential written advice from the ethics board under s. 19.46(2), or from any county or municipal ethics board under s. 19.59(5). (Am. by Ord. 12,245, 11-3-98)

(2) No governmental body may commence a meeting, subsequently convene in closed session and thereafter reconvene again in open session within 12 hours after completion of the closed session, unless public notice of such subsequent open session was given at the same time and in the same manner as the public notice of the meeting convened prior to the closed session.

(3) Nothing in this subchapter shall be construed to authorize a governmental body to consider at a meeting in closed session the final ratification or approval of a collective bargaining agreement under subch. IV or V of ch. 111 which has been negotiated by such body or on its behalf.

"19.86 Notice of collective bargaining negotiations. Notwithstanding s. 19.82(1), where notice has been given by either party to a collective bargaining agreement under subch. IV or V of ch. 111 to reopen such agreement at its expiration date, the employer shall give notice of such contract reopening as provided in s. 19.84(1)(b). If the employer is not a governmental body, notice shall be given by the employer's chief officer or such person's designee.

"19.87 Legislative meetings. This subchapter shall apply to all meetings of the senate and assembly and the committees, subcommittees and other subunits thereof, except that:

(1) Section 19.84 shall not apply to any meeting of the legislature or a subunit thereof called solely for the purpose of scheduling business before the legislative body; or adopting resolutions of which the sole purpose is scheduling business before the senate or the assembly.

(2) No provision of this subchapter which conflicts with a rule of the senate or assembly or joint rule of the legislature shall apply to a meeting conducted in compliance with such rule.

(3) No provision of this subchapter shall apply to any partisan caucus of the senate or any partisan caucus of the assembly, except as provided by legislative rule.

(4) Meetings of the senate or assembly committee on organization under s. 71.11(44)(c)3 or 77.61(5)(b)3 shall be closed to the public.

"19.88 Ballots, votes and records.

(1) Unless otherwise specifically provided by statute, no secret ballot may be utilized to determine any election or other decision of a governmental body except the election of the officers of such body in any meeting.

(2) Except as provided in Sub.(1) in the case of officers, any member of a governmental body may require that a vote be taken at any meeting in such manner that the vote of each member is ascertained and recorded.

(3) The motions and roll call votes of each meeting of a governmental body shall be recorded, preserved and open to public inspection to the extent prescribed in s. 19.21.

"19.89 Exclusion of members. No duly elected or appointed member of a governmental

body may be excluded from any meeting of such body. Unless the rules of a governmental body provide to the contrary, no member of the body may be excluded from any meeting of a subunit of that governmental body.

"19.90 Use of Equipment in Open Session. Whenever a governmental body holds a meeting in open session, the body shall make a reasonable effort to accommodate any person desiring to record, film or photograph the meeting. This section does not permit recording, filming or photographing such a meeting in a manner that interferes with the conduct of the meeting or the rights of the participants.

"19.96 Penalty. Any member of a governmental body who knowingly attends a meeting of such body held in violation of this subchapter, or who, in his or her official capacity, otherwise violates this subchapter by some act or omission shall forfeit without reimbursement not less than $25 nor more than $300 for each such violation. No member of a governmental body is liable under this subchapter on account of his or her attendance at a meeting held in violation of this subchapter if he or she makes or votes in favor of a motion to prevent the violation from occurring, or if, before the violation occurs, his or her votes on all relevant motions were inconsistent with all those circumstances which cause the violation.

"19.97 Enforcement.

(1) This subchapter shall be enforced in the name and on behalf of the state by the attorney general or, upon the verified complaint of any person, by the district attorney of any county wherein a violation may occur. In actions brought by the attorney general, the court shall award any forfeiture recovered together with reasonable costs to the state; and in actions brought by the district attorney, the court shall award any forfeiture recovered together with reasonable costs to the county.

(2) In addition and supplementary to the remedy provided in s. 19.96, the attorney general or the district attorney may commence an action, separately or in conjunction with an action brought under s. 19.96, to obtain such other legal or equitable relief, including but not limited to a writ of mandamus, an injunction or a declaratory judgment, as may be appropriate under the circumstances.

(3) Any action taken at a meeting of a governmental body held in violation of this subchapter is voidable, upon action brought by the attorney general or the district attorney of the county wherein the violation occurred. However, any judgment declaring such action void shall not be entered unless the court finds, under the facts of the particular case, that the public interest in the enforcement of this subchapter outweighs any public interest which there may be in sustaining the validity of the action taken.

(4) If the district attorney refuses or otherwise fails to commence an action to enforce this subchapter within 20 days after receiving a verified complaint, the person making such complaint may bring an action under subs. (1) to (3) on his or her relation in the name, and on behalf, of the state. In such actions, the court may award actual and necessary costs of prosecution, including reasonable attorney fees to the realtor if he or she prevails, but any forfeiture recovered shall be paid to the state.

"19.98 Interpretation by attorney general. Any person may request advice from the attorney general as to the applicability of this subchapter under any circumstances.

(Sec. 3.44(1) Am. by Ord. 12,196, 8-31-98)

(2) Place of Meetings. All boards, committees, subcommittees, commissions and authorities of the City of Madison shall hold all their meetings at some room in the City-County Building, the Madison Municipal Building, or at some other place of business accessible

to the general public, including but not limited to restaurants and hotels. No such meeting may be held in a location which is not accessible to persons with disabilities. (Am. by Ord. 10,363, 1-30-92; Renum. by ORD-07-00048, 4-12-07)

(3) Notification of Meetings. All boards, committees, subcommittees, commissions and authorities of the City of Madison shall give public notice of all their meetings by sending to the City Clerk, the official newspaper and those news media who have filed a written request for such notice, a statement as to the time, date, place, and subject matter of all meetings. This may be done by providing a copy of the meeting agenda. The Clerk shall make such notices available to the public. (Am. by Ord. 10,363, 1-30-92; Renum. by ORD-07-00048, 4-12-07)

(4) Compliance With Open Meeting Law. All of the provisions of Subchapter IV of Ch. 19, Wis. Stats., including the exceptions, shall be observed by all boards, committees, subcommittees, commissions and authorities of the City of Madison. Any member of such a governmental body who violates the provisions of that law as set forth in Sec. 19.96 thereof shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than three hundred dollars ($300) for each such violation.

(5) Any person may request advice from the City Attorney as to the applicability of this ordinance to all boards, committees, subcommittees, commissions and authorities of the City of Madison.

(Sec. 3.44 Am. by Ord. 5555, 8-4-76; Renum. by ORD-07-00048, 4-12-07)

3.72 PUBLIC ACCESSIBILITY TO MUNICIPAL DATA SETS.

(1) Declaration of Policy. It is in the best interest of city that its agencies and departments make their data available online using open standards. Making city data available online using open standards will make the operation of city government more transparent, effective and accountable to the public. It will streamline intra-governmental and inter-governmental communication and interoperability, promote efficient solutions for government, advance innovative strategies for social progress, and create economic opportunities.

(2) Definitions. As used in this ordinance:

"Agency" means any city office, department, division, or agency.

"Data" means final versions of statistical or factual information:

1. In alphanumeric form reflected in a list, table, graph, chart or other non-narrative form, that can be digitally transmitted or processed; and
2. Regularly created or maintained by or on behalf of and owned by an agency that records a measurement, transaction, or determination related to the mission of an agency. Such term shall not include information provided to an agency by other governmental entities, nor shall it include image files, such as designs, drawings, maps, photos, or scanned copies of original documents. Nothing in this ordinance shall be deemed to prohibit an agency from voluntarily disclosing information not otherwise defined as "data" in this subdivision.

"Department" means the Information Technology Department.

"Determination" means any final decision made by an agency with respect to a person, including, but not limited to:

1. Eligibility for services or benefits;
2. Issuing a permit;
3. Registration, certification and licensing; and
4. Liability for civil and criminal penalties.

"Measurement" means to quantify by means of comparison to a reference standard any characteristic of an observable event, occurrence or object.

"Open standard" means a technical standard developed and maintained by a voluntary consensus standards body that is available to the public without royalty or fee.

"Public data set" means a comprehensive collection of interrelated data that is available for inspection by the public in accordance with any provision of the Wisconsin Public Records Laws (Wis. Stats. §§ 19.31-19.37) and the Madison Public Records Ordinance (Sec. 3.70, MGO) and is maintained on a computer system by, or on behalf of, an agency. Such term shall not include:

1. Any data set or portion thereof to which an agency may deny access pursuant to the public records laws or any other provision of a federal or state law, rule or regulation or local law;
2. Any data set that contains a significant amount of confidential data pursuant to the preceding subsection and where removing such data would impose undue financial or administrative burden;
3. Data that reflects the internal deliberative process of an agency or agencies, including but not limited to negotiating positions, future procurements, or pending or reasonably anticipated legal or administrative proceedings;
4. Data stored on an agency-owned personal computing device, or data stored on a portion of a network that has been exclusively assigned to a single agency employee or a single agency owned or controlled computing device;
5. Materials subject to copyright, patent, trademark, confidentiality agreements or trade secret protection;
6. Proprietary applications, computer code, software, operating systems or similar materials; or
7. Employment records, internal employee-related directories or lists, and facilities data, information technology, internal service-desk and other data related to internal agency administration.
8. Legacy Data. Any public data set that, due to its size or complexity, or due to technology constraints, cannot be made available on the internet, shall be classified as legacy. Agencies shall make best efforts to avoid placing public data sets into the legacy classification.
9. Any data set or portion thereof which contains any personally identifiable information that can be associated with a particular individual through one or more identifiers or other information or circumstances and specifically includes, but is not limited to, a private individual's home address, personal electronic mail address, personal telephone number, social security number and/or driver's license number.

"Technical standard" means the common and repeated use of rules, conditions, guidelines or characteristics for products or related processes and production methods, and related management systems practices; and

1. The definition of terms;
2. Classification of components;
3. Delineation of procedures;
4. Specifications of dimensions, materials, performance, designs or operations;
5. Measurement of quality and quantity in describing materials, processes, products, systems, services or practices;
6. Test methods and sampling procedures; or
7. Descriptions of fit and measurements of size or strength.

"Transaction" means any interaction between an agency and any person related to the mission of an agency.

"Voluntary consensus standards body" means a domestic or international organization that develops and maintains a technical standard that utilizes a transparent

deliberative process, permits the participation of any party, and achieves general consensus, although not necessarily unanimity, of the participating parties, including a process for attempting to resolve any differences in viewpoint.

(3) Availability of Municipal Data Sets.

(a) Compliance Date and Annual Reports. By no later than September 30, 2013 and thereafter, the public data sets that agencies make available on the Internet shall be accessible through a single web portal that is linked to the city's website. Each agency shall be responsible for identifying and publishing data sets. The Department shall be available to agencies for consultation and technical support only. The Department shall not be responsible for identifying or publishing data sets. By December 31, 2013 and annually thereafter, if an agency cannot or will not make all of its publicly available data sets available through the City's website, the agency shall file a written report with the Department and with the Common Council setting forth which public data set or sets that it is not making available, the reasons why it cannot or will not do so and the date by which the agency expects that any such public data set or sets will be available on the city's website.

(b) Metadata. Such public data sets shall have metadata (information about the data set) made available to the public through the single web portal. Agencies will be responsible for providing the metadata as defined by the Department. The Department shall provide all agencies with a template for metadata.

(c) Technical Standards. Such public data sets shall be made available in accordance with technical standards published by the Department and shall be in a format that permits automated processing using open standards where practical and shall make use of appropriate technology to notify the public of all updates.

(d) Requirement to Keep Data Sets Current. Such public data sets shall be updated as often as is necessary, or at least annually, to preserve the integrity and usefulness of the data sets to the extent that the agency regularly maintains or updates the public data set.

(e) Data Set Users May Remain Anonymous. Such public data sets shall be made available without any registration requirement, license requirement or restrictions on their use provided that the department may require a third party providing to the public any public data set, or application utilizing such data set, to explicitly identify the source and version of the public data set, and a description of any modifications made to such public data set. Registration requirements, license requirements or restrictions as used in this section shall not include measures required to ensure access to public data sets, to protect against unlawful abuse or attempts to damage or impair use of the web site, or to analyze the types of data being used to improve service delivery.

(f) Data Sets Must Be Searchable. Such public data sets shall be accessible to external search capabilities.

(g) Prioritizing Availability of Data Sets. Requests received for inclusion of particular public data sets shall be considered by agencies in making determinations as to priority for public data set inclusion. Agencies shall also consider the following factors in prioritizing access to data sets:

1. Whether the data set can be utilized to increase agency accountability and/or responsiveness;
2. Whether use of the data set could improve public knowledge of the agency, its missions, operations and resources;
3. Whether it furthers the agencies missions;
4. Whether the data set creates or has the capacity to create economic opportunities;
5. Whether the data set responds to any need or demand identified by public consultation, and;

6. The accuracy and completeness of the data set, i.e., preliminary, inaccurate or misleading data sets should not be published in order to avoid misleading or confusing the public. Such a determination regarding publication does not foreclose a requesters access to such data sets under either the Wisconsin Public Records Laws (Wis. Stats. §§ 19.31-19.47) or the Madison Public Records ordinance (Sec. 3.70, MGO).

(h) Public Feedback. The Department shall investigate the feasibility of establishing an on-line forum or other mechanism to solicit feedback from the public.

(i) Preservation of Bandwidth. The Department may take reasonable measures to maintain bandwidth availability of the city's website.

(j) Cost Benefit Determination. Each agency, in consultation with the Department, shall determine whether the costs of converting any publicly available data set to a searchable and publishable digital format outweigh any potential public benefit derived from such publication. If an agency determines that such costs outweigh the benefits of publication, then such data sets shall be maintained in their original format subject to inspection as provided by the Wisconsin Public Records Laws (Wis. Stats. §§ 19.31-19.47) and the Madison Public Records ordinance (Sec. 3.70, MGO).

(k) No Release of Data Sets That Would Endanger Safety. In accordance with Wis. Stat. § 19.35(1)(am)2.a., Secs. 3.70(1) & (6)(c), MGO, the City shall not make available under this ordinance, any data or data set the release of which would endanger an individual's life or safety.

(4) Open Data Legal Policy. a. The Department shall conspicuously publish the following Open Data Legal Policy on the city's website:

"Public data sets made available on the web portal are provided for informational purposes. The City does not warranty the completeness, accuracy, content or fitness for any particular purpose or use of any public data set made available on the web portal, nor are any such warranties to be implied or inferred with respect to the public data sets furnished therein.

The City is not liable for any deficiencies in the completeness, accuracy, content or fitness for any particular purpose or use of any public data set, or application utilizing such data set, provided by any third party.

Discontinuance of Data: The City reserves the right to discontinue availability of content on this website at any time and for any reason. The City reserves the right to claim or seek to protect any patent, copyright, trademark, or other intellectual property rights in any of the information, images, software, or processes displayed or used at this website. If the City claims or seeks to protect any intellectual property rights in any of the information, images, software, or processes displayed or used at this website, then this website will so indicate on the webpage on or from which such information, images, software, or processes are accessed. These Terms of Use do not grant anyone any title or right to any patent, copyright, trademark or other intellectual property rights that the City may have in any of the information, images, software, or processes displayed or used at this website.

4.01 FINANCE DIRECTOR.

(1) Finance Department Established. The Finance Department is hereby established as a department of the City's structure.

(2) Finance Director. The office shall be managed and directed by the Finance Director who shall perform the duties of Comptroller as provided in Wis. Stat. § 62.09(10) and other duties as provided in these ordinances. The position of Finance Director as it becomes vacant shall be filled according to Sec. 3.54(9)(f) of these ordinances. The Finance

Director shall, upon being appointed, take an oath of office to perform faithfully and impartially the duties of his/her office and shall execute a fidelity bond to the City of twenty thousand dollars ($20,000), to be approved by the Mayor, conditioned upon the faithful performance of the duties of his/her office. (Am. by Ord. 9745, 3-30-89; ORD-14-00173, 12-10-14)

(3) Functions. The Finance Director shall see to the proper operation of Accounting Services, including Central Payroll and Purchasing Administrative Support, including the Administrative Services Team and Document Services, Risk Management, and Budget and Audit Services. (Am. by Ord. 11,764, 1-3-97)

(4) Accountability. The Finance Director shall report to the Finance Committee and the Common Council on the financial status and policies of the City and to the Mayor on day-to-day operations and administrative matters. (Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(5) Duties of the Finance Director.

(a) The Finance Director shall have custody and control of all financial books and records of the City except as otherwise expressly provided, and shall keep suitable books of accounts and records in which shall be entered all financial transactions of the City.

(b) All accounts, demands, or claims presented to the City for payment shall be upon forms prescribed by the Finance Director and furnished by the City, and no account, demand or claim shall be received by the City or any of its officers unless the same shall be made out upon such form.

(c) It shall be the duty of each head of departments, divisions, offices, boards, or commissions to file with the Finance Director a notice of any contract or agreement entered into on behalf of the City, of the sale of any supplies, articles, or materials, for any service performed or the levy of any special assessment. They shall file with the Finance Director a notice giving the date of commencement and completion of any work or improvement whether done under contract or otherwise. It shall be the duty of the Finance Director to cause the same to be entered and made a matter of record.

(d) All resolutions, agreements, and contracts requiring the expenditure of money, before being presented to the Mayor for her/his approval, shall be submitted to the Finance Director who shall endorse thereon a statement showing the availability of funds or otherwise, as the case may be. (Am. by ORD-14-00012, 1-14-14)

(e) The Finance Director shall direct all accounting, statistical, auditing, and other activities relating to the management of the City's fiscal affairs; shall contribute to City of Madison fiscal planning and control goals by providing financial statements, analytical reports, cost studies, performance standards, budgetary controls, and related management information to ascertain, help maintain, and continually improve the City's financial position; and shall meet monthly with the Finance Committee to report on and discuss the financial affairs of the City. (Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(f) The Finance Director shall develop and recommend a budget program that includes both long-range capital budgeting and the annual operating and capital budgets under the direction of the Mayor, Finance Committee, and Common Council. (Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(g) The Finance Director shall plan, develop and recommend procedures and practices to be observed in the issuance of bonds and promissory notes. He/she shall see to the preparation of required borrowing documents and shall decide the timing of the borrowing. He/she shall review borrowing priorities with the Mayor.

(h) The Finance Director shall perform such other duties as may be required by the Mayor or Common Council.

(6) Responsibilities of the Finance Director.

(a) The Finance Director shall keep abreast of current economic, financial, and municipal finance trends and interpret such information and developments as a guide to current and long-range planning with respect to her or his activities. (Am. by ORD-14-00012, 1-14-14)

(b) The Finance Director shall review and analyze the operations of other municipalities, as pertains to his/her objectives, and make appropriate applications or recommendations resulting therefrom.

(c) The Finance Director shall review and analyze the operations of local, special district, county, state, and federal taxing agencies and aid programs as they may pertain to the financial affairs of the City and shall submit recommendations relating thereto.

(d) The Finance Director shall prepare or review all program applications for participation in county, state, and federal programs and necessary subsequent reports relating thereto.

(e) The Finance Director shall plan, develop, and recommend insurance programs for the adequate protection of the City's properties and funds and with reference to exposure to liabilities on the part of the City as they may arise in the light of all foreseeable contingencies.

(f) The Finance Director shall see to it that all employees under her or his supervision are thoroughly trained in the responsibilities of their respective positions. (Am. by ORD-14-00012, 1-14-14)

(g) The Finance Director shall coordinate with the Planning and Community and Economic Development Director and the agency directors on the Public Works Team in the analysis of the physical development effects of all capital budget requests or projections. He/she shall receive recommendations and reports from the City Plan Commission and the Board of Public Works relating to this responsibility.

(h) The Finance Director shall maintain frequent contacts with the heads of other departments, divisions, offices, and semi-autonomous City agencies on mutual problems, interchanges of information, interdepartmental matters, accounting services, procedures, and budget matters and issues.

(Sec. 3.77 R. & Re-Cr. as Sec. 4.01 by Ord. 9146, 3-30-87; Am. by ORD-11-00037, 3-8-11; ORD-14-00128, 7-23-14)

4.02 BUDGET SYSTEM.

(1) Sections 65.02, 65.03, and 65.04 of the Wisconsin Statutes Adopted. The provisions of Wis. Stat. §§ 65.02, 65.03 and 65.04 except subsection (8) of Section 65.04 and subsection (1) of Section 65.03 relating to the budget system are hereby adopted for the City of Madison and shall be in full force and effect as ordinances of said City as if fully set forth herein, except that the Board of Estimates shall be called the Finance Committee, and shall consist of the Mayor and six alders, to be selected as set forth in Section 4.02(4) of this ordinance, and except that the Finance Committee shall make and submit the proposed budget to the Common Council on or before November 15 of each year. The Mayor shall be the chair of the Finance Committee. (Am. by Ord. 6033, 11-11-77; ORD-05-00167, 11-8-05; ORD-09-00147, 11-6-09; ORD-14-00012, 1-14-14)

(2) Procedure. It shall be the duty of each department to file annually with the Finance Director, on the date he or she shall specify and on forms provided by the Finance Director, an estimate in detail of the departmental needs for the ensuing fiscal year, including a statement of any permanent improvement to be made and an estimate of expenditures therefor, and including such information as the Finance Director may direct. The Finance Director shall review each departmental estimate and submit it and his or her recommendations thereon to the Mayor. Upon receipt of the departmental estimates with

the recommendations of the Finance Director, the Mayor shall review said estimates and recommendations and submit a proposed budget to the Finance Committee for its consideration. (Am. by Ord. 8762, 12-31-85; ORD-14-00012, 1-14-14)

(3) Audit.

(a) The Finance Committee shall provide a major audit program to the Common Council by the second meeting of the Common Council in February of each calendar year. The Common Council may direct additional audits of any organizational unit of City government to determine whether financial transactions have been made in a legal and proper way, to review program and performance accomplishments of the organizational unit or to determine whether the organizational unit carried out policies directed or approved by the Common Council. The Common Council shall designate which audits, if any, of any organizational unit are to be undertaken each year by the Internal Audit Section of the Finance Director's office. Each organizational unit shall be audited on a random basis subject to budgetary constraints. The following audits are exempt from the requirement of prior Common Council approval:

1. Financial audits performed with a pledge of confidentiality on a random basis.
2. Auditor investigations of defalcations, impropriety that may lead to discipline or criminal charges.
3. Audits that in the opinion of the Finance Director would be jeopardized by general prior knowledge of the audit.

(b) The Finance Director or her/his designee and the staff of the Internal Audit Section shall have full access to any books, records, notes, memoranda or other documents maintained by any organizational unit relating to its expenditures, revenues, structure, operations, instructions to employees, and any rule, policy or regulation relating to its operation whether oral or written and to all of the employees, appointees, volunteers, subcontractors, subgrantees and any person directly associated with the conduct or operation of the organization unit during regular business hours or at other times as may be mutually agreed. The organizational unit's business-related documents of any kind may be reviewed during business hours with or without advance notice to the head of the organizational unit. Failure of any of the above-listed persons associated with the organizational unit to cooperate fully with audit personnel or members of the Finance Committee shall be ground for discipline or removal from office or service or service in the organizational unit, withdrawal of funding, termination of contract or other appropriate penalty.

(c) The Finance Director shall control and be responsible for the methodology and conduct of the audit. The Finance Director may initiate other audits of organizational units in which the City has a direct or indirect pecuniary interest as the Finance Director may deem necessary to protect the City's interests. The Internal Audit Section shall prepare a draft report of the results of the audit for review by the Finance Committee and the audited organizational unit which review shall be limited to the correction of factual errors. The organizational unit may file a response to the report which response shall be a part of the final audit report. The Finance Director shall prepare resolutions for presentation to the Common Council accepting the final audit report and directing the implementation of the recommendations made by the Internal Audit Section. (Am. by ORD-14-00012, 1-14-14)

(d) The Deputy Finance Director or her/his designee shall also provide staff services to the Finance Committee to an extent not inconsistent with duties assigned the Finance Director under Paragraph 3. hereof.

(e) The Finance Committee shall monitor the chronological progress of the audits directed by the Common Council, ensure the cooperation of the involved organizational unit in the conduct of the audit, review the draft audit report with the Internal Audit Section and involved organizational unit to ensure that the report is factually correct, establish with the involved organizational unit a timetable for compliance with and implementation of the recommendations for corrections of identified problem areas or improvement of operations in the unit as approved by the Common Council, monitor the activity of the unit for continued compliance and implementation and report the same or failure thereof to the unit's appointing authority. The Committee may review the audit conclusions with the Internal Audit Section but shall not change nor direct the changing of any such conclusions. The Committee may review the recommendations of the Internal Audit Section for correction of identified problem areas or improvement of operation in the organizational unit and may submit a separate section of its recommendations to the Common Council, in the event of disagreement with those of the Internal Audit Section, in its final report of the results of the audit made to the Common Council. The Committee shall be supplied with all final audit reports conducted pursuant to this section.

(f) For purposes of this section, and unless the context requires otherwise, "Organizational Unit" shall mean any department, division, unit or subentity or agency thereof of City government, including but not limited to each board, commission, committee, ad hoc committee, examining board, public or quasi-public entity organized or authorized by the Common Council or which is funded in whole or in part by action of the Common Council, including the subgrantees or subcontractors thereof, the custodian or entity authorized to expend funds provided by the Common Council, all external facilities operations in which the City has a direct or indirect pecuniary interest.

(Sec. 4.02(3) Cr. by Ord. 10,678, Adopted 6-1-93)

(4) Selection of Alderpersons Members of Board. The Finance Committee shall consist of six (6) Alders, five (5) of whom shall be appointed by the Mayor, subject to confirmation by the Common Council. Once confirmed these members shall hold office for a term of two (2) years or until their successors are confirmed. The sixth member shall be the Common Council President serving ex officio but with power to vote. (Renumbered by Ord. 10,678, Adopted 6-1-93; Am. by ORD-09-00147, 11-6-09)

(5) Intradepartmental Transfers. The expenditures within the departments for each of the various departmental activities and the objects for which such expenditures shall be made shall not exceed the amount or the sum specified or determined in such annual operating budget; provided that the Finance Director is hereby authorized to approve intradepartmental transfer of any unencumbered balance. If such a transfer is between divisions of a department it must be approved by the Mayor as well. (Renumbered by Ord. 10,678, Adopted 6-1-93)

(6) Capital Budget and Capital Improvement Program.

(a) Capital Improvement Review Process. The Mayor or her/his designee shall consult with those members of staff the Mayor deems necessary, including the Finance Director, the Director of Public Works and the Director of Planning and Community and Economic Development and the Mayor or her/his designee shall annually review each departmental capital improvement estimate. (Cr. by Ord. 9813, 7-7-89; Am. by ORD-08-00085, 8-01-08)

(b) It shall be the duty of each department to file annually with the Finance Director by the date he/she shall specify and on forms provided by the Finance Director an estimate of its necessary capital improvements for the following six fiscal years and

estimates of the costs thereof which the Finance Director shall present to the Mayor or her/his designee. (Am. by Ord. 11,587, 5-21-96; Am. by ORD-08-00085, 8-01-08)

(c) Capital Budget. Upon receipt of the departmental estimates of capital improvement, the Mayor shall review said capital improvement estimates and submit a proposed Capital Budget for the ensuing fiscal year to the Finance Committee for their consideration. The Committee shall consider these items and make a proposed Capital Budget. (Am. by Ord. 9813, 7-7-89; Am. by ORD-08-00085, 8-01-08)

1. The Capital Budget shall be a part of the Budget and shall be summarized in the Budget Summary and the same statutory and ordinance requirements as to publications, notice and hearing shall apply to the Capital Budget as are required for the general annual budget.
2. The Capital Budget shall be considered part of the Capital Improvement Program, and adoption of the Capital Budget will constitute an appropriation of the items therein stated except those requiring the borrowing of money. The Capital Improvement Program adopted in previous years shall not be binding.
3. The Capital Budget shall contain proposed expenditures for land purchases and improvements in excess of three thousand dollars ($3,000); all projects requiring the borrowing of money including, but not limited to construction or reconstruction of public utilities, streets, sidewalks, storm and sanitary drainage facilities; new construction and construction of buildings in excess of five thousand dollars ($5,000); major alterations to buildings and facilities which are not routine repairs and which substantially enhance the value of a structure or change its use; the original equipment or motor vehicle purchases exceeding twenty thousand dollars ($20,000) in cost and having a life expectancy of ten (10) years or more; such other capital outlays as the Mayor and Common Council shall designate.

(d) Capital Improvement Program. It is the intent of this section that the Common Council shall, each year, adopt a statement of proposed expenditures for capital improvements for the following six fiscal years. This statement shall be adopted by resolution and be known as the Capital Improvement Program.

1. Upon receipt of the departmental estimates for the five years following the ensuing budget year, the Mayor shall review said capital improvement estimates and recommendations and submit a proposed Capital Improvement Program to the Finance Committee for their consideration.
2. The Finance Committee shall review all information regarding expenditures and anticipated revenue, and shall submit to the Common Council, with the budget, a proposed Capital Improvement Program.

(e) Referendum Procedure for Capital Projects.

1. Legislative Purpose. The legislative purpose of this ordinance is to provide to the people a means through referendum by which they may express their views and support of or opposition to major capital projects proposed to be undertaken by the City. The opportunity to directly influence the policy of the City through binding referendum with respect to the undertaking of major capital projects is found to be in the best interests of the City and its people.
2. The following terms whenever used or referred to in this subsection shall for the purposes of this subsection be construed as follows:
   a. Project shall mean and is to be identified as any line item designated by a separate fund number in the Capital Budget.

b. Estimated budget cost shall mean and is to be determined by the total funds to be expended on the project including future expenditures set forth in the seven-year projection for that project as it appears in the Capital Improvement Program.

c. Referendum shall mean election proceedings pursuant to the Statutes which govern special elections in general, and consistent with elections held pursuant to Wis. Stat. § 67.05(5).

d. Petition shall mean a petition the preparation and form of which is consistent with the provisions of Wis. Stat. § 8.15.

3. Petition for Referendum. The Capital Budget and the individual projects therein shall be deemed approved upon its adoption by the Common Council unless within thirty (30) days of the recording of the adopted budget with the City Clerk there shall be filed in the office of the City Clerk a petition requesting the submission of the question of the approval of an individual project, the estimated budgeted cost of which exceeds 1.5 million dollars ($1,500,000), to the electors. The petition shall be signed by electors numbering at least ten percent (10%) of the vote cast for governor in the City at the last general election, shall identify the project by the fund number and shall refer to only one project. If such petition is filed a binding referendum shall be held at the spring primary election on the question of the approval of the project; if there is no spring primary the referendum shall be held at the general spring election or at any special election called by the Common Council for this purpose.

4. Amendment to the Capital Budget. An amendment to the Capital Budget during the fiscal year which creates a new project meeting the requirements of this ordinance will be subject to the petition and referendum process if within thirty (30) days after the recording of the amendment in the office of the City Clerk a petition is filed which meets the requirements set forth above. If such petition is filed a referendum election will be held at the next succeeding election provided that such election takes place not less than six (6) weeks from the date of the filing of the petition with the City Clerk. The Council may call a special election for the purpose of conducting the referendum.

5. Limited Right to Referendum. The right to a referendum on a project is limited to the first year that funds are to be expended on that project. The failure to petition for a referendum in that year precludes a referendum in subsequent years even though the project appears and funds are to be expended pursuant to subsequent years Capital Budgets. Any modification, addition, amendment or alteration to a project or increase in cost of a project does not give rise to the right to a referendum hereunder even though said modification, addition, amendment or alteration or increase in cost results in an estimated budgeted cost in excess of 1.5 million dollars ($1,500,000). Only one referendum will be held for any eligible project hereunder and neither a change nor its appearance in subsequent years Capital Budgets shall give rise to the right to a second referendum on any eligible project.

6. Rejected Project. The results of any referendum shall be binding with respect to that project for the fiscal year in which the referendum election is held. A rejected project may be renewed in any future Capital Budget where it will if eligible hereunder be subject to the petition and referendum process as a new project.

7. Ordinance not Applicable to Following Projects. This ordinance and the right to petition for a referendum on any capital project hereunder shall not be applicable to the following programs and/or projects found in the budget:
   a. Street maintenance program.
   b. Assessable streets.
   c. Sidewalks program.
   d. Street reconstruction.
   e. Sanitary sewers.
   f. Storm sewers.
   g. Assessable tree program.
   h. Neighborhood parks.
   i. Street lighting.
   j. Heavy equipment.
8. Report on Issues Related to a Referendum Question. At least two (2) weeks prior to the day of a referendum election, the Finance Director shall produce an objective report on the issues related to the referendum question. Such report shall include arguments both for and against the project submitted to referendum election and be made available to all registered voters. (Am. by Ord. 8762, 12-31-85)
9. Severability. In the event that any section of this ordinance shall be declared or judged by a court of competent jurisdiction to be invalid or unconstitutional such adjudication shall in no manner affect the other sections of this ordinance which shall be in full force and effect as if the said section or said sections were not originally a part thereof.
10. Effective Date. This subdivision and the right to a referendum hereunder shall take effect with and be applicable to the 1980 Capital Budget and the projects therein.

(Sec. 4.02(5) Renumbered to (6) by Ord. 10,678, Adopted 6-1-93; Am. by ORD-11-00037, 3-8-11; Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

4.03 CONTINGENT FUND. The Finance Committee and the Common Council shall annually provide for a contingent fund of not less than one hundred thousand dollars ($100,000). No appropriation shall be made from said fund except upon an affirmative vote of three-fourths (¾) of all the members of the Common Council. (Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

4.04 SINKING FUND ACCOUNT.

(1) The City Treasurer shall open and maintain in the bank or banks designated by the Council for the deposit of monies belonging to the City, an account to be designated as the Sinking Fund Account, in which shall be deposited and kept all monies derived from taxes levied and collected for the payment of bonds and interest thereon, and all monies required by Wis. Stat. chs. 62 and 67, to be placed in a sinking fund; and no money shall be paid out of or withdrawn from said account except for the express purpose of investment in the manner provided by law.

(2) All bonds and securities in which money withdrawn from said account shall at any time be invested shall be obtained by the City Treasurer, and shall continue to remain a part of the sinking fund, and all interest accruing on monies, bonds, or other securities belonging to said fund shall be credited to the same and shall be deposited in the Sinking Fund Account.

(3) If any particular bond issue shall have been retired and there shall thereafter remain in the sinking fund any money derived from interest on the proceeds of taxes levied and collected

for the retirement of said bond issue, such money shall continue to be a part of the Sinking Fund Account and available for the purpose of retiring the bonds of any other issue that the Council shall determine.

4.05 RECEIVING OF MONIES—RECEIPT FOR SAME.

(1) The City Treasurer shall not receive any money into the treasury from any source whatever except on account of taxes levied and collected during the fiscal year for which she or he may then be serving, without giving a receipt therefor in the manner herein specified.

(2) Upon the payment of any money to the City Treasurer (except for taxes as hereinbefore provided), the City Treasurer shall make out a receipt in triplicate for the money so received by him or her. She or he shall file one of the copies thereof with the Finance Director who shall thereupon charge the amount thereof of the Treasurer and credit the proper account with the same. The payment of the money to any receiving agent of the City or to the City Treasurer shall be safeguarded in such manner as the Common Council shall direct.

(3) Electronic Payment Transaction Fee. The Treasurer may accept payment by credit card, debit card or any other electronic payment mechanism of a fee or tax that is required to be paid to the City. The Treasurer shall decide which fees and/or taxes may be paid by credit card, debit card or any other electronic payment mechanism and the manner in which the payments may be made. If the Treasurer permits the payment of a fee or tax by credit card, debit card or any other electronic payment mechanism, the Treasurer may charge a transaction fee for each transaction in an amount of not less than twenty-five cents ($0.25) United States Currency. The electronic payment transaction fee shall be amended from time to time, without amendment of this ordinance, if an increased fee is approved as part of the City Budget. (Cr. by ORD-10-00034, 4-1-10)

(Am. by ORD-11-00037, 3-8-11; ORD-14-00012, 1-14-14)

4.06 APPROVAL AND PAYMENT OF CLAIMS.

(1) Payment of claims other than tort claims may be made by the City Treasurer after the Finance Director shall have audited and approved each such claim as a proper charge against the treasury and shall have endorsed his or her approval thereon after the following conditions have been complied with:

(a) That funds are available therefor pursuant to the budget approved by the governing body.

(b) That the item or service covered by such claim has been duly authorized by the proper official, department head or board or commission.

(c) That the item or service has been actually applied or rendered in conformity with such authorization.

(d) That the claim is just and valid pursuant to law.

The Finance Director or City Clerk may require the submission of such proof and evidence to support the foregoing as in her or his discretion she or he may deem necessary.

(Am. by ORD-14-00012, 1-14-14)

(2) The Finance Director shall file with the Common Council monthly a list of the claims approved, showing the date paid, the name of the claimant, purpose and amount. (Am. by Ord. 8762, 12-31-85)

(3) There shall be an annual detailed audit of the financial transactions and accounts of the City of Madison, which said audit shall be performed by public accountants licensed under the provisions of Wis. Stat. ch. 135.

(Am. by ORD-11-00037, 3-8-11)

4.07 TIME FOR PAYMENT OF TAXES; INTEREST; PENALTY.

(1) All personal property taxes shall be paid on or before January 31. All real estate taxes and special assessments levied pursuant to Wis. Stat. § 62.21 and 66.0701 may be paid in two

installments, the first installment to be paid on or before January 31 and the second installment on or before July 31 next succeeding, in accordance with the provisions of Wis. Stat. § 74.11(2)(b). (Am. by Ord. 10,270, 6-14-91)

(2) Overdue or delinquent real estate taxes, personal property taxes and special assessments are subject to an interest charge of one percent per month or fraction of a month.

(3) This Section 4.07, MGO, will only apply to tax bills until the City Treasurer implements the multiple payment option ordinance in revised Sec. 4.07, MGO. (Cr. by ORD-13-00105, 6-12-13)

(Am. by Ord. 11,280, 7-3-95 and 7-17-95; Ord. 13,103, 7-6-02)

[EDITOR'S NOTE: The above Section 4.07, Time for Payment of Taxes, Interest; Penalty, is effective until the Multiple Payment Option Plan (ORD-13-00105) is implemented by the City Treasurer. When the Multiple Payment Option Plan takes effect, the above Section 4.07 will become ineffective, and the Section 4.07 set out below takes effect.]

4.07 MULTIPLE PAYMENT OPTION.

(1) Intent. The purpose of this Sec. 4.07, MGO is to establish a multiple installment payment option for the payment of real property taxes and personal property taxes for improvements on leased land as authorized by Wis. Stat. § 74.12.

(2) Personal Property Taxes, Special Charges, Special Assessments and Special Taxes. All personal property taxes, except those on improvements on leased land, special charges, special assessments and special taxes shall be paid on or before January 31, to the City Treasurer.

(3) Real Property Taxes. Pursuant to Wis. Stat. § 74.12, all real estate taxes and personal property taxes for improvements on leased land may be paid in one of the following ways to the City Treasurer:

(a) In full on or before January 31.

(b) In the following installments:

1. The first installment due January 31; one-fourth (¼) of the aggregate real property tax levied.
2. The second installment due March 31; one-fourth (¼) of the aggregate real property tax levied.
3. The third installment due May 31; one-fourth (¼) of the aggregate real property tax levied.
4. The fourth installment due July 31: one-fourth (¼) of the aggregate real property tax levied.

(4) Minimum Payment. The minimum payment amount for installments shall be one hundred dollars ($100) and a taxpayer shall pay the minimum installment payment on succeeding installment payment dates until fully paid. If the total real property tax or property tax levied on personal property for improvement on leased land is less than one hundred dollars ($100), the payment shall be made in full on or before January 31.

(5) Delinquent First Installment Payment. If the first installment payment of real property taxes or personal property taxes on leased land is not paid on or before five (5) working days after January 31, the entire amount of the remaining unpaid taxes for the parcel is delinquent as of February 1.

(6) Delinquent Second or Subsequent Installment Payment. If the second or subsequent installment payment of real property taxes or personal property taxes on leased land is not paid on or before five (5) working days after the dates specified in subs. (3)(b)2.-4., the entire amount of the remaining unpaid taxes for the parcel is delinquent as of the first day of the month after the payment is due.

(7) Delinquent Annual Payment.

(a) If all special assessments, personal property, except those on improvements on leased land, special charges, and special taxes that are due under sub. (2) are not paid in full on or before five (5) working days after January 31, the unpaid amounts are delinquent as of February 1.

(b) If any special assessments, special charges or special taxes are entered in the tax roll as charges against a parcel of real property and are delinquent, the entire annual amount of real property taxes on that parcel which is unpaid is delinquent as of February 1.

(8) Payment Priority. The allocation of tax payments shall be determined in accordance with Wis. Stat. § 74.12(11).

(9) Interest and Penalties on Delinquent Amounts. Overdue or delinquent real estate taxes, personal property taxes and special assessments, special charges and special taxes are subject to an interest charge of one percent per month or fraction of a month, pursuant to Wis. Stat. § 74.47(1); and penalty charge of one-half of one percent (0.5%) per month or fraction of a month imposed pursuant to Dane County Ordinance s. 26.41 in conformance with Wis. Stat. § 74.47(2).

(10) Payment of Delinquent Payments and Interest; To Whom Paid.

(a) All real property taxes, special assessments, special charges and special taxes that become delinquent and are paid on or before July 31, and all delinquent personal property taxes, whenever paid shall be paid together with interest and penalties charged from the preceding February 1 to the City Treasurer.

(b) All real property taxes, special assessments, special charges and special taxes that become delinquent and are not paid under par. (a) shall be paid, together with interest and penalties charged from the preceding February 1, to the Dane County Treasurer.

(11) Delinquent Taxes Returned; Collection by County.

(a) The City Treasurer shall retain the tax roll and make collections through July 31. On or before August 15, the City Treasurer shall return the tax roll to the Dane County Treasurer. The Dane County Treasurer shall collect all returned delinquent real property taxes, special assessments, special charges and special taxes, together with interest and penalty assessed from the previous February 1 as provided by Wis. Stat. § 74.47.

(b) The City Treasurer shall forward to the Dane County Treasurer all real property taxes, special assessments, special charges and special taxes received which were not settled for or retained for the taxation district under Wis. Stat. § 74.30.

(12) The City Treasurer may implement this ordinance for 2013 tax bills (mailed in December 2013 and payable in 2013 or 2014) or may, in the Treasurer's discretion, delay implementation for one year and implement the ordinance for 2014 tax bills)mailed in December 2014 and payable in 2014 or 2015). Current ordinances apply until this ordinance is implemented by the City Treasurer.

(Sec. 4.07 Rep. & Rec. by ORD-13-00105, 6-12-13)

[EDITOR'S NOTE: This Section 4.07 takes effect either with the 2013 or 2014 tax bills, as determined by the City Treasurer. Until then, the prior Section 4.07 remains in effect.]

4.071 MODIFIED REVERSE MORTGAGE LOAN PROGRAM FOR PAYMENT OF REAL ESTATE TAXES.

(1) Legislative Finding. The Common Council of the City of Madison hereby finds, in the interest of public health, safety and welfare, that the payment of real estate property taxes for property on which certain elderly owners reside could be considered a severe personal financial hardship. This loan program is intended to address that public need, subject to the limit of an annual budget appropriation.

(2) For the purpose of this ordinance, an eligible property owner shall be defined as any owner or owners who meet all of the following criteria:

(a) An owner who is 65 years of age or older and who owns and resides on a single-family property located within the City of Madison upon which property all or a portion of the real estate property taxes are due and payable.

(b) An owner who has a verified annual gross income equal to or less than the low income family limits for Madison, Wisconsin, published annually by the United States Department of Housing and Urban Development.

(c) An owner who has less than thirty thousand dollars ($30,000) in liquid assets. Liquid assets are defined as cash, marketable securities (stocks, bonds, treasury bills, notes and commercial paper), savings bonds, savings accounts, checking accounts, and the cash surrender value of life insurance policies.

(d) The cumulative amount disbursed under this section, plus accrued interest and other loans secured by the subject property does not exceed seventy (70) percent of the assessed value of the property as determined by the City Assessor. The Finance Director may require a letter report from a title company prior to disbursement, but this cost may be included in the maximum loan amount disbursed. (Am. by ORD-11-00037, 3-8-11)

(e) An owner who certifies to the Finance Director the payment of the real estate taxes or any installment of the real estate taxes is a severe personal financial hardship, and certifies to the above criteria. (Am. by ORD-11-00037, 3-8-11)

(3) The property owner shall sign a mortgage note and real estate mortgage in favor of the City of Madison at the time of closing, whereupon the mortgage will be recorded in the Office of the Dane County Register of Deeds. The recording fee is the responsibility of the owner, but may also be included in the loan amount disbursed. The owner may also apply for loan advances for subsequent real estate taxes and, in the event such additional application(s) are approved, shall only sign a new mortgage note in a consolidated amount that includes all principal amounts advanced and any unpaid accrued interest. Upon signing of the loan documents, the Finance Director will draw a check payable to the property owner and the City of Madison or Dane County. The property owner is responsible for paying the real estate taxes or installment thereof for which the loan is advanced. (Am. by ORD-11-00037, 3-8-11)

(4) The interest rate for loans hereunder shall be equal to the City's cost of general obligation borrowing plus one percent. The interest for such loans shall be paid as specified on the mortgage note. Interest may be accrued and paid in its entirety at the time the loan is repaid.

(5) The owner of such property, his, her or their heirs, personal representatives or assigns may repay such loan at any time, but, in any event, shall repay the loan, together with accrued interest, if any, prior to the subsequent sale or transfer of the property to such heirs or assigns, other than to a surviving spouse.

(6) All applicants shall sign an affidavit attesting to income and liquid asset criteria. Any person who provides false or inaccurate information on the application shall upon conviction thereof forfeit not less than one hundred dollars ($100) and not more than five hundred dollars ($500) and the entire amount of the loan, together with all accrued interest, shall be immediately due and payable.

(7) This is a Charter Ordinance and shall be effective sixty (60) days after passage and publication, subject, however, to the referendum procedures in Wis. Stat. § 66.0101(5).

4.08 SPECIAL ASSESSMENTS—PAYMENT IN INSTALLMENTS.

(1) Whenever any special assessments shall be levied to defray the cost of any public improvement, such special assessments may be paid in annual installments of not more than fifteen (15) in number for major improvements nor more than eight (8) for sidewalk repair and installation of street lights and street tree as determined by the Common

Council. However, the number of installments may not exceed ten (10) if the special assessments are made pursuant to Sec. 16.23(9) of these ordinances. (Am. by Ord. 8748, 12-31-85; ORD-06-00115, 8-22-06)

(2) The first installment shall include a proportionate part of the principal of the special assessment determined by the number of installments, together with interest at the rate of in effect at the time the assessment is levied. The interest rate for each calendar year shall be determined by the Finance Director at the beginning of each year using the cost of the prior year general obligation borrowing (%) plus one percent (1%) for administration rounded up to the next highest one-half percent (0.5%). Said interest rate shall be computed from the date the assessment is billed through the next succeeding October 31, and each subsequent installment shall include a like proportion of the principal and twelve (12) months interest upon the unpaid portion of such assessment. (Am. by Ord. 9452, 4-15-88; ORD-06-00115, 8-22-06; Am. by ORD-11-00037, 3-8-11)

(3) The first installment shall be entered in the first tax roll prepared after said installments shall have been determined as a special tax on the property upon which the special assessment was levied, and thereafter this tax shall be treated in all respects as any other municipal tax. One of the subsequent installments shall be entered in a like manner and with like effect in each of the annual tax rolls thereafter until all are levied.

(4) If any installment so entered in the tax roll shall not be paid to the municipal treasurer with the other taxes it shall be returned to the county as delinquent and accepted and collected by the county in the same manner as delinquent general taxes on real estate.

4.081 DEFERRED ASSESSMENTS.

(1) The Common Council of the City of Madison has made the following findings:

(a) In the interest of the public health, welfare and safety, it is often necessary to construct certain public improvements in areas which are undeveloped or outside the territorial limits of the City.

(b) The Council also recognizes certain public improvements may have to be constructed adjacent to property which has been designated a landmark by the City or is adjacent to and could be considered to be ancillary to a landmark. It may also find that the proposed public improvements would be of benefit to the property on which the landmark is sited or the property that is adjacent to and could be considered to be ancillary to the landmark only if the property was further improved or subdivided.

(c) The Council may find that a property located within the City, less than ten (10) acres in size, with its front and back sides fronting on different streets (not a corner lot), would only be able to have access or connection to the proposed public improvement if the property was further developed or subdivided.

(Am. by Ord. 6122, 2-7-78)

(2) The Common Council may defer the due date of any special assessment levied against property abutting on or benefited by a public improvement, which abutting property meets one of the following criteria:

(a) Is zoned or used for agriculture;

(b) Lies outside the City limits;

(c) Lies within an Employment District, as defined at page 2-95 of the adopted City of Madison Comprehensive Plan (January 2006), in which the City is installing all or part of the necessary infrastructure, and the Common Council finds that deferral of the assessments will facilitate the development of the new Employment District;

(d) The property has been designated a landmark by the City or is adjacent to, and could be considered to be ancillary to, a landmark; or,

(e) The property meets all of the following requirements:

1. Is equal to or less than ten (10) acres in size;

2. The front and back side of the property both have frontage along a public street;
3. The property does not take access to the street being assessed or will not be using the improvement until further subdivision or development; and,
4. Further subdivision or development of the property is reasonably possible such that the lot, or any portion thereof, could access the street or utilize the improvements being assessed.

(Am. by Ord. 6122, 2-7-78)

(f) The property is part of a multi-unit development already served by City sanitary sewer through the use of an existing private lift station, where the assessable sanitary sewer improvements are meant to eventually relieve the private lift station. (Cr. by ORD-13-00033, 3-27-13)

(3) If the Common Council defers the due date of a special assessment levied against property abutting on or benefited by a public improvement, the following shall apply:

(a) An annual interest charge on the total deferred assessment shall be added to the total assessment for each year of deferment. The interest rate shall be the rate in effect at the time the assessment was levied and deferred. This interest rate shall be determined as set forth in Sec. 4.08(2), MGO.

(b) A deferred special assessment must be paid within 10 years of the date of the resolution making the levy, unless the Common Council permits additional time by allowing payment of the assessment in installments, in which case the assessment shall be paid within the time prescribed by the resolution permitting installment payments. If installment payments are authorized after the deferral period, said installment payments are subject to the requirements of this Section, and, to the extent not contrary to this Section, those of Section 4.08.

(c) The deferral period plus any additional time following the deferral period shall not exceed eighteen (18) years, except if specifically authorized under an approved cooperative plan entered into by the City under Wis. Stat. § 66.0307.

(Am. by Ord. 7516, 9-17-81; ORD-06-00115, 8-22-06)

(4) (a) Except as provided in Subdivision (b), all outstanding deferred assessments on the property, or the remaining balance if installments are being applied following the deferral period, shall be paid in full prior to the occurrence of any of the following actions:

1. The property is connected to the public improvements.
2. The property takes access to a street for which the assessments were levied and deferred, and the property did not previously take access to the street.
3. Improvements are made to the property that substantially changes the use of the property.
4. An undeveloped property is developed.
5. Non-agricultural related improvements are made to an agricultural property.
6. The property is subdivided.
7. The property is sold.

(b) The requirements for full payment of all outstanding deferred assessments or installment payments of Subdivision (a) do not apply to the following:

1. The Common Council permits additional time for payment of the assessment due by allowing for payment of the remaining assessment in installments. If this occurs, the assessment shall be paid within the time prescribed by the resolution permitting installment payments.
2. The owner of the parcel enters into an agreement with the City to pay the assessment plus accrued interest, plus future interest over a stipulated period of time, in equal installments of principal plus variable installments of interest as determined by the City.

3. The Common Council permits collection of the proportional share of the total assessment due against the portion of the property subject to Subdivision (a), while allowing continued deferment or installment payments on the remaining portion of the property not otherwise subject to Subdivision (a).
4. The multi-unit development of which the property is a part of continues to use the private lift station relieved by the sanitary sewer improvements for which the assessments were levied. (Cr. by ORD-13-00033, 3-27-13)

(5) Any special assessment deferred under this section shall be a lien against the property assessed from the date of the resolution making the levy.

(6) Whenever the due date of a special assessment shall be deferred under this section the following note shall be added to the schedule of assessments or resolution: "In accordance with Madison General Ordinance 4.081, the assessment for parcel(s) _____ shall be deferred for _____ years with interest. Upon completion of the deferment period, payment shall be made with interest in _____ equal yearly installments. In the event of certain occurrences as outlined in Sec. 4.081(4), the assessments shall be paid in full prior to the end of the deferral period."

(Sec. 4.081 Am. by ORD-10-00023, 3-13-10)

4.082 QUALIFIED LOANS FOR PAYMENT OF SPECIAL ASSESSMENTS OR SPECIAL CHARGES.

(1) Legislative Finding. The Common Council of the City of Madison hereby finds that, in the interest of public health, safety and welfare, it is often necessary to construct improvements in areas in which property owners reside for whom the payment of the special assessments for the improvements or special charges for services rendered could be considered as a severe personal financial hardship. This loan program is intended to address that public need.

(2) For the purpose of this ordinance, an eligible property owner shall be defined as any owner or owners who meet all of the following criteria:

(a) An owner who owns and resides on a property located in the City of Madison within a special assessment improvement district and whose property has been specially assessed for said improvement or upon which a special charge has been imposed for current services rendered.

(b) An owner who has a verified annual gross income equal to or less than the low income family limits for Madison, Wisconsin, published annually by the United States Department of Housing and Urban Development.

(c) An owner who has less than thirty thousand dollars ($30,000) in liquid assets. Liquid assets are defined as cash, marketable securities (stocks, bonds, treasury bills, notes and commercial paper), savings bonds, savings accounts, checking accounts, and the cash surrender value of life insurance policies.

(d) The cumulative amount disbursed under this section, plus accrued interest and other loans secured by the subject property does not exceed seventy (70) percent of the assessed value of the property as determined by the City Assessor. The Finance Director may require a letter report from a title company prior to disbursement, but this cost may be included in the maximum loan amount disbursed.

(e) An owner who certifies to the Finance Director the payment of the special charge or special assessment or any installment of the special assessment is a severe personal financial hardship, and certifies to the above criteria.

(Am. by ORD-11-00037, 3-8-11)

(3) The property owner shall sign a mortgage note and real estate mortgage in favor of the City of Madison at the time of closing, whereupon the mortgage will be recorded in the Office of the Dane County Register of Deeds. The recording fee is the responsibility of the owner, but may also be included in the loan amount disbursed. Upon signing of the loan

documents, the Finance Director will draw a check payable to the property owner and the City of Madison. The property owner is responsible for paying the special assessments or special charges for which the loan is advanced. (Am. by ORD-11-00037, 3-8-11)

(4) The interest rate for loans hereunder shall be simple interest equal to the interest rate for payment of special assessments in installments which is in effect at the time the special assessments or special charges are levied, and shall be paid by either of the following methods. The owner shall elect the method of payment at the time the application for loan under this section is made.

(a) Interest may be accrued and paid in its entirety at the time the loan is repaid; or

(b) Interest may be paid annually until the loan is repaid.

(5) The owner of such property, his, her or their heirs, personal representatives or assigns may repay such loan at any time, but, in any event, shall repay the loan, together with accrued interest, if any, prior to the subsequent sale or transfer of the property to such heirs or assigns, other than to a surviving spouse.

(6) Until such time as the loan is repaid, the qualifications of said owner in accordance with the criteria enumerated in sub. (2)(a) through (d) above may be reviewed periodically by the Finance Director. In the event the owner no longer meets any one of the criteria, the Finance Director may determine whether all or any portion of the loan, together with accrued interest, shall be immediately due and payable. (Am. by ORD-11-00037, 3-8-11)

(7) All applicants shall sign an affidavit attesting to income and liquid asset criteria. Any person who provides false or inaccurate information on the application shall upon conviction thereof forfeit not less than one hundred dollars ($100) and not less than five hundred dollars ($500) and the entire amount of the loan, together with all accrued interest, shall be immediately due and payable.

(8) This is a Charter Ordinance and shall be effective sixty (60) days after passage and publication, subject, however, to the referendum procedures in Wis. Stat. § 66.0101(5).

(Sec. 4.082 Am. by Ord. 8436, 10-5-84; Ord. 12,543, 2-18-00; Rep. & Recr. by Charter Ord. 74, Adopted 9-4-01)

4.09 SPECIAL ASSESSMENTS FOR THE CONSTRUCTION OR RECONSTRUCTION OF SANITARY SEWERS, STORM SEWERS, AND STREET IMPROVEMENTS AND SPECIAL CHARGES FOR CURRENT SERVICES.

(1) It shall be the policy of the City of Madison to protect the health, safety and property of its residents and promote the general welfare through the installation, construction or reconstruction of public sanitary sewers and appurtenances; storm sewers and appurtenances; public streets including sidewalks, or transit or pedestrian malls, landscaping, street lights and associated amenities; major transportation structures such as highway interchanges, ramps, medians, traffic turn bays, overpasses, underpasses, segregated transportation corridors such as bike paths, pedestrian walkways, and bus lanes; and assessing all or a portion of the cost to benefiting properties. In doing so, the City of Madison recognizes that it has historically financed the cost of these needed public improvements by special assessments to benefited properties and that fairness and reasonableness dictates that when these improvements are constructed or reconstructed they should be financed in like fashion. The construction and reconstruction of sanitary sewers and appurtenances, streets including sidewalks constructed or reconstructed as a part of street improvements and related landscaping and amenities may be charged in whole or in part to the property benefited thereby in accordance with the provisions of Wis. Stat. § 66.0701, except that, the assessment for highways on or across town or city boundaries shall be in accordance with Wis. Stat. § 66.0707. (Am. by Ord. 10,374, Adopted 2-4-92; ORD-12-00003, 1-10-12; ORD-17-00030, 3-8-17)

(2) The establishment of special assessments for the aforementioned improvements represents an exercise of the police power of the City of Madison.

(3) Except for special charges for current services, prior to the exercise of any powers conferred by this Ordinance, the Common Council shall adopt a resolution declaring its intention to exercise such powers to construct or reconstruct public improvements. Such resolution shall describe generally the contemplated purpose, the limits of the proposed assessment district, the number of installments in which the special assessments may be paid and direct the proper municipal officer or employee to make a report thereon. Such resolution may limit the proportion of the cost to be assessed.

(4) The report prepared by the designated municipal officer or employee shall consist of:
- (a) Preliminary or final plans and specifications.
- (b) An estimate of the entire cost of the proposed work or improvement.
- (c) A schedule of proposed assessments, constituting an exercise of the police power of the City of Madison and a statement that the property against which the assessments are proposed is benefited.

(5) A notice shall be published in the official newspaper stating that the designated municipal official or employee has prepared the required report and that the Board of Public Works will hold a public hearing on the installation and assessments. Such notice shall be published as a Class I notice, under Wis. Stat. ch. 985, and mailed to every interested person whose address is known or can be ascertained with reasonable diligence. The hearing shall commence not less than ten (10) days and not more than forty (40) days after such publication and mailing. (Am. by ORD-12-00003, 1-10-12)

(6) The Board of Public Works shall hold a public hearing on the report submitted by the designated City official or employee, and at the conclusion of the public hearing, shall prepare a report to the Common Council which shall, at a minimum, consist of a recommendation on the report. In the alternative, the Board of Public Works is authorized to amend the report or recommend the Council place the report on file without public hearing, thus terminating this procedure.

(7) A notice shall be published in the official newspaper stating that the Board of Public Works has prepared a report on the designated City official or employee's report and that the Common Council will hold a public hearing on the assessments. Such notice shall be published as a Class I notice, under Wis. Stat. ch. 985, in the official newspaper and a copy of such notice shall be mailed to every interested person whose address is known or can be ascertained with reasonable diligence. The hearing shall commence not less than ten (10) and not more than forty (40) days after such publication and mailing. (Am. by ORD-12-00003, 1-10-12)

(8) The Common Council shall hold a public hearing on the assessments and after the hearing may approve, disapprove, modify, or rerefer the report to the Board of Public Works with such directions as it deems necessary. Upon adoption by the Common Council, the assessment shall be deemed authorized and made, and the date of adoption shall constitute the date of levy. Assessments so levied shall be a lien against the property from such date. A copy of the resolution adopted by the Common Council shall be mailed to every interested person whose address is known or can be ascertained with reasonable diligence. (Am. by ORD-12-00003, 1-10-12)

(9) Whenever the actual cost of any project shall, upon completion or after the receipt of bids, be found to vary materially from the estimates, or whenever any assessment is void or invalid for any reason, or whenever the Common Council shall determine to reconsider and reopen any assessment, it may, after giving the same notice as provided in Subsection (7) and after a public hearing, amend, cancel, or conform any such prior assessment.

(10) If the cost of the project shall be less than the special assessment levied, the Council, without notice or hearing, shall reduce each special assessment proportionately and where any assessments have been paid, and the excess over cost shall be refunded to the property owner.

(11) The Council may, without any notice or hearing, levy and assess the whole or any part of the aforementioned municipal improvements as a special assessment on the property

specially benefited thereby or impose a special charge upon property for all or part of the cost of current services rendered whenever notice and hearing thereon is in writing waived by all owners of the property affected by such special assessment or special charge. (Am. by Ord. 12,542, 2-18-00)

(12) The construction and repair of sidewalk which has not been made a part of street or highway improvement shall be assessed in accordance with Wis. Stat. § 66.0907.

(13) Special charges for current services rendered may be imposed through the allocation of all or part of the cost to the property served. Such current services may include without limitation because of enumeration, subdivision service costs under Sec. 16.23(9)(e), unpaid public facilities impact fees imposed under Chapter 20, MGO, mall-concourse special maintenance, street sprinkling, oiling and tarring, sealcoating and dust control, repair of sidewalks, curbs or gutters, garbage and refuse disposal, street lighting and/or traffic signal operation and maintenance, financing of lead service replacement for those property owners which meet the criteria of Sec. 4.082, MGO, and tree care. The amount to be charged may include direct and indirect costs, including the resulting damages, if any, interest on City funds used in anticipation of the collection of the special charges, a reasonable charge for administrative staff services, any architectural, engineering and legal services costs, and any other item of direct or indirect cost reasonably attributed to the work or services rendered. The amount to be charged against all property for the work or services rendered may be apportioned among the individual parcels served. For street sprinkling, oiling and tarring, sealcoating and dust control, and repair of sidewalks, curbs or gutters, unless notice and hearing is waived in writing as provided above, a notice shall be published in the official newspaper that the Common Council will hold a public hearing regarding the establishment of special charges for current services. Such notice shall be published as a Class I notice under Wis. Stat. ch. 985, and a copy of the notice shall be mailed to every interested person whose address is known or can be ascertained with reasonable diligence. The hearing shall commence not less than ten (10) and not more than forty (40) days after such publication and mailing. Such notice shall specify that on a certain date a hearing will be held by the Common Council as to whether the service in question shall be performed at the cost of the property owner, at which hearing anyone interested will be heard. For all other types of special charges, no public hearing is required and notice shall be as provided on the billing of the special charge. Such special charges shall not be payable in installments. If not paid within the period prescribed on the billing, such delinquent special charges shall become a lien as provided in Wis. Stat. § 66.0627(4) as of the date of such delinquency and shall automatically be extended upon the current or next tax roll as a delinquent tax against that property and all proceedings in relation to the collection, return and sale of the property for delinquent real estate taxes shall apply to such special charges. (Am. by Ord. 12,542, 2-18-00; Ord. 13,125, 8-28-02; ORD-06-00129, 9-21-06; ORD-09-00004, 1-24-09; ORD-12-00003, 1-10-12)

(14) Any person against whose land a special assessment has been levied under this ordinance shall have the right to appeal therefrom in the manner prescribed in Wis. Stat. § 66.0703(12), within forty (40) days of the day of the final determination by the governing body.

(Section 4.09 R. and Recr. by Ord. 8112, 10-3-83)

4.095 URBAN FORESTRY SPECIAL CHARGE.

(1) Intent and Purpose.

(a) The Common Council of the City of Madison hereby finds that:

1. The City, through its urban forestry program, provides a service to all real property in the City by maintaining, protecting and growing the City's urban forest.

2. The City's urban forestry program leads to increases in property value, greater commercial activity, increased livability of the City's neighborhoods, reduction in energy usage, cleaner air, better storm water manage-

ment and other tangible and intangible benefits. Every $1 spent on City trees yields an estimated $3.35 in benefits for the City of Madison. In addition, every street tree, a component of the City maintained portion of the urban forest, provides $122 in annual benefits, while collectively intercepting an estimated 115 million gallons of rainfall each year and removing over 175,000 pounds of pollutants from the environment.

3. Invasive species and fungal diseases known and unknown, currently threaten our urban forest and have a history of causing significant harm to the urban forest. The City is currently facing the loss of approximately 20% of the urban forest due to arrival of the emerald ash borer in 2013. According to the adopted Emerald Ash Borer Taskforce Report (RES-12-00729, File ID # 26893), the projected cost to remove and replace the approximately 22,000 terrace ash trees will be around $13 million over five years, and the cost to treat suitable trees would carry an annual cost of over $437,000. Removal, replacement and/or treatment of infested and healthy ash trees is necessary to prevent property damage, personal injury, and to reestablish the urban forest. These costs are significant and may fluctuate over time. Future infestations and diseases may cause similar harm in the future.

4. By creating this special charge, the City will be able to better perform its urban forestry obligations moving forward without sacrificing the level of service needed to adequately maintain, protect and grow the urban forest.

(b) This ordinance is adopted pursuant to those powers set forth in Wis. Stat. § 66.0627 and Sec. 4.09(13), MGO, in order to recover the costs to the City to maintain and manage the City's urban forest through its urban forestry program, which program provides a service to all real property in the City.

(2) Definitions.

(a) Urban Forest. The urban forest consists of all the trees located on public and private lands within the City.

(b) Urban Forestry Program. City operations on public lands that include, but are not limited to, the following services: planting, pruning, maintenance, treatment, integrated pest management, and the removal and stump grubbing of trees that are part of the Urban Forest.

(c) Program Costs. The Urban Forestry Program Costs shall include the costs to the City to perform the activities associated with the Urban Forestry Program. They do not include any costs incurred by the City that are reimbursed from other sources such as federal or state funding, grants, insurance proceeds, restitution, donations, endowments, or other third party sources, including, specifically, public nuisance abatement costs recovered under Sec. 23.40, MGO.

(3) Urban Forestry Charge. There is hereby imposed upon all real property in the City an annual urban forestry special charge pursuant to Sec. 4.09(13), MGO, and Wis. Stat. § 66.0627, which charge shall recover the City's annual urban forestry program costs.

(4) Administering the Charge. The urban forestry charge shall be administered by the City Forester and the Finance Department. The proceeds from the charge shall be used to pay for the services provided by the City's urban forestry program. The City Forester shall prepare an urban forestry special charge policy that establishes the method of calculating and apportioning the charge. This policy shall be submitted to the Common Council for approval, and shall be updated as necessary to ensure that the charge is properly applied.

(5) Determining the Urban Forestry Special Charge. The Common Council shall annually approve the urban forestry charge. As part of this approval process, the Forestry Section shall prepare a report to the Common Council of the City's urban forestry program costs. The report shall detail the past and future anticipated expenditures for the program. If, after approving the charge, the actual urban forestry program costs are found to vary

materially from the approved amount, the Forestry Section shall submit an updated report to the Common Council for consideration to account for the actual costs of the urban forestry program.

(6) Payment. Upon the Common Council's approval by resolution of the special charge or updated special charge under Subsection (5), the special charge shall be due by October 31. Payment may be made before that date, and any amount not paid to the City by that date will be considered delinquent and shall automatically be extended upon the current or next tax roll as a delinquent tax against that property and all proceedings in relation to the collection, return and sale of the property for delinquent real estate taxes shall apply to such special charges.

(7) Notice. Notwithstanding the provisions of Sec. 4.09(13) regarding notice, no notice or billing is required for the urban forestry special charge except for a Class I notice under Wis. Stat. ch. 985 within twenty (20) days of the Common Council's approval by resolution of the special charge or updated special charged under Subsection (5).

(8) Appeal. Within ten (10) days of the notice provided for under Subsection (7), a property owner may appeal the application of the urban forestry special charge policy to his or her property. A property owner may not appeal the total amount of the charge approved by the Common Council under Subsection (5) or the policy itself. This appeal shall be in writing to the City Forester and shall state the specific reasons why the property owner feels that the application of the policy to the property was erroneous and the relief being sought. If, upon review, the City Forester determines that all or part of the charge imposed is erroneous, unjust or unreasonable, the City Forester shall adjust the amount of the charge against the property. The property owner may appeal the City Forester's decision to the Administrative Review Board by providing written notice to the City Clerk within ten (10) days of the mailing of the City Forester's written decision on the appeal to the property owner. Upon the filing of the notice with the City Clerk, the appeal of the City Forester's decision shall follow the rules and procedures set forth in Sec. 9.49, MGO.

(9) Sunset. No urban forestry charge shall be imposed under this section for services performed by the City after December 31, 2018.

(Cr. by ORD-14-00162, 10-29-14)

4.10 BIWEEKLY PAYDAY FOR CITY EMPLOYEES.

(1) All employees of the City of Madison, including members of the Police and Fire Department and employees of all other branches of City administration and government, where the expenditure of funds of such department is subject to the control of the Common Council, shall be paid biweekly on the Friday occurring two weeks after the end of the biweekly work week. If the Friday falls on a holiday, then employees shall be paid on the preceding work day. As used in this subsection, a week is defined to be that period of time commencing on Sunday and terminating at midnight on the following Saturday. The Finance Director is authorized to make all the necessary adjustments to add the extra week between pay periods. Although there will be an extra week for payroll processing, all employees of the City of Madison will continue to be paid every two weeks.

(2) All department and division heads or in their absence or disability their designee shall file with the Finance Director the payrolls required by subsection (1) above indicating thereon the number of days worked by each employee, the number of days of sick leave and vacation taken, the number of hours of overtime worked or compensatory time used, together with such other information as may be prescribed by the Finance Director and the Human Resources Director. Failure to report overtime hours worked or the use of compensatory time off shall constitute just cause for discipline. In the absence or disability of the department or division head and the designee, the payroll shall be certified by the Mayor. (Am. by Ord. 10052, Adopted 6-19-90)

(Sec. 4.10 Am. by Ord. 8762, 12-31-85; Am. by ORD-11-00037, 3-8-11; ORD-15-00111, 10-28-15)

4.11 RESERVED FOR FUTURE USE. (R. by Ord. 7973, 3-25-83)

4.12 SALARIES OF MEMBERS OF POLICE AND FIRE DEPARTMENTS AUTOMATICALLY RAISED BEFORE RETIREMENT.

The salary of each member of the Police and Fire Department of the City of Madison, with the exception of the Chiefs of the said departments, as the same may be fixed by the Common Council, less any emergency increase, shall be and the same is hereby automatically increased in the sum of twenty dollars ($20) per month, beginning one month immediately preceding the retirement of such member on pension after twenty-two (22) years of service, provided that when such retirement shall be voluntary there shall be filed with the trustees of the Police and Fire Pension Fund at least two (2) months before the date of such retirement an application therefor. Provided, however, that if a member of the Police or Fire Department so retiring is receiving at the date of her or his retirement any emergency increases in addition to his base salary and the amount of said emergency increase is less than twenty dollars ($20), said automatic increase shall only be paid to the extent of the difference between twenty dollars ($20) and the amount of the emergency increase. If the amount of the emergency increase amounts to twenty dollars ($20) or more, no automatic increase shall accrue or be paid. (Am. by ORD-14-00012, 1-14-14)

4.13 FEES OF CITY CLERK. The salary fixed by ordinance for the City Clerk shall be in full compensation for all services of any kind rendered by her or him for the City, and all fees paid to and received by the City Clerk shall be turned in to the treasury, except fees received as a member of the Board of Review. (Am. by ORD-14-00012, 1-14-14)

4.14 LIABILITY OF THE CITY FOR ACTS OF AGENTS. No agent of the City having authority to employ labor or to purchase materials, supplies or any other commodities, shall have authority to bind the City in any way or incur any indebtedness for which the City may become liable without first notifying the Finance Director of such employment and having the record of appointment countersigned by the Finance Director. Each such appointment or purchase order shall be drawn against a specific appropriation, the money for which shall be available in the City Treasury and not subject to any prior labor claims or material purchase orders at the time when such employment is negotiated or purchase order drawn and no bill or invoice shall be presented to the Common Council for allowance except when preceded by such notice of employment or purchase order. The Finance Director shall keep a record of such employment and purchase orders and shall charge them against the proper appropriation. He or she shall notify the proper department of the exhaustion of any appropriation and shall require that all labor or purchases in such department be suspended until further appropriations are set aside for such purposes. (Am. by ORD-11-00037, 3-8-11; ORD-14-00012, 1-14-14)

4.15 LIABILITY OF TREASURER FOR VIOLATION OF THIS CHAPTER. Any City Treasurer who shall violate any of the provisions of this chapter which are applicable to said Treasurer shall be subject to a fine of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for each such violation.

4.16 RESERVE FUND.

(1) There is hereby established in the City of Madison, a fund separate and distinct from every other fund, and designated as the Municipal Reserve Fund. The sources of said fund shall be such monies, or securities, from any source whatsoever, as the Common Council may, by resolution, by a two-thirds (⅔) vote from time to time direct to be paid into said fund.

(2) The Finance Director shall keep a separate record, relating to such fund, including an accurate account of the transactions, investments, earnings and expenditures, and shall make a report annually, on or about the 15th day of January of each year, to the Common Council. (Am. by ORD-11-00037, 3-8-11)

(3) The City Treasurer shall, from time to time, recommend to the Common Council the investment of said fund, or part thereof, as it accrues. Disbursements, investments, sale or transfer of any securities held in said fund shall be, by resolution of the Common Council, on checks or City orders, signed by the City Clerk and the City Treasurer. (Am. by Ord. 9192, 5-14-87; ORD-08-00092, 8-23-08; ORD-11-00088, 6-28-11)

(4) All interest or income earned by said fund on its investments shall, when it accrues, be added to said fund to augment the same for the purposes for which said fund is provided, unless otherwise provided by a four-fifths (⅘) vote of the Common Council.

(5) Said municipal reserve fund, or any part thereof, may be expended for any municipal purpose with the consent of four-fifths (⅘) of the members-elect of the Common Council.

(6) The City Treasurer shall keep all cash on hand, belonging to said reserve fund, in a separate account in one of the depositories in the City of Madison. The said City Treasurer shall also designate a suitable, safe depository, wherein the City Treasurer shall keep all bonds, or other securities, in which said fund shall be invested. (Am. by Ord. 9192, 5-14-87; ORD-08-00092, 8-23-08)

4.17 SAVINGS RESULTING FROM USE OF GENERAL DEBT RESERVES.

In any year when general debt reserves are applied to reduce general fund debt service, an amount at least equal to the general debt reserves applied must be directly appropriated from the general fund for capital projects, unless the Common Council, by a separate vote of two-thirds (⅔) of all members during approval of the budget, votes to do otherwise.

(Cr. by ORD-12-00155, 12-19-12)

4.18 PAYMENT OF TAX EQUIVALENT AND OCCUPANCY FEE ON CITY OWNED PARKING FACILITIES AND ON-STREET METERED PARKING SPACES.

(1) In each calendar year, there shall be paid into the General Fund, as a payment in lieu of taxes, an amount equivalent to that which would be levied on the off-street land and improvements (except for parking stalls in the street right-of-way) operated as a Parking Utility by the City, based on the assessed valuations as determined by the City Assessor and the combination of the City mill rate as adopted by the Common Council in November and the most recent school district mill rate, less the State school tax credit. This Subsection shall be effective January 1, 2005.

(2) In addition to the amount in sub. (1), the Parking Utility shall pay into the General Fund at the same time an amount representing an occupancy fee for use of the right-of-way and for related City services such as snow plowing, the occupancy fee to be 10% (ten percent) of the gross revenues for on-street metered parking stalls. This Subsection shall be effective January 1, 2006.

(Am. by ORD-06-00009, 2-2-06)

4.19 CONDEMNATION ASSESSMENT FREEZE. Not printed. Held unconstitutional.

4.20 LIVING WAGE.

(1) Statement of Purpose. The City contracts with many persons to provide services to the public, and provides financial assistance to developers for the purpose of promoting economic development and job growth. Such public expenditures should be spent to set a community standard that permits workers to live above the poverty line. The Common Council finds that the use of City funds to promote the creation of living wage jobs will increase consumer income, decrease poverty, invigorate neighborhood businesses and reduce the need for taxpayer-funded social services programs. The purpose of this ordinance is to improve the quality of services to beneficiaries of City-contracted agencies and to assure that City employees, employees of City service contractors and subcontrac-

tors, and employees and contractors of recipients of City financial assistance earn an hourly wage that is sufficient to enable a family of four to live at or above the federal poverty level.

(2) Definitions. In this section:

(a) "City financial assistance" means any grant, cooperative agreement, loan, contract or any other arrangement by which the City provides or otherwise makes available assistance in an amount equal to $100,000 or more in the form of:

1. Funds;
2. Services of City personnel;
3. Real and personal property or any interest in or use of such property, including:
   a. Transfers or leases of such property for less than the fair market value, or for reduced consideration; and
   b. Proceeds from a subsequent transfer or lease of such property if the City's share of its fair market value is not returned to the City.
4. The sale and lease of, and the permission to use (on other than a casual or transient basis) City property or any interest in such property, the furnishing of services without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by the sale, lease or furnishing of services to the recipient;
5. "City financial assistance" includes, but is not limited to, capital revolving fund loans, redevelopment contracts, economic development agreements, revenue or loan agreements with an eligible participant or authorized developer under Wis. Stat. § 66.521, contracts with developers or other entities authorized by Wis. Stat. §§ 66.1333(5) and 66.1105(3)(e).
6. "City financial assistance" does not include public works contracts, supply procurement contracts, professional service contracts, contracts of insurance or guaranty, collective bargaining agreements, or contracts with nonprofit corporations, unless the nonprofit corporation passes City financial assistance in an amount equal to $100,000 or more through to a for-profit entity, in which case the for-profit entity shall be subject to this ordinance.

(b) "Employee" means any individual, except those excluded under Subsection (10), who may be required or directed by any employer, in consideration of direct or indirect gain or profit, to engage in any employment, or to go to or work or be at any time in any place of employment. "Employee" includes individuals whose work is permanent or temporary, or on a full-time or part-time basis.

(c) "Person" means any individual, partnership, joint venture, corporation, limited liability company or partnership, trust, association, or other entity that may employ individuals or enter into contracts.

(d) "Professional service contract" means any contract in which the majority of employees engaged in the performance of the contract perform work which:

1. Is predominantly intellectual and varied in nature, as opposed to work which involves routine mental, manual, mechanical or physical labor; and
2. Requires advanced knowledge in a field of science or learning customarily acquired by a prolonged course of specialized intellectual instruction and study in an institution of higher education or a hospital.

(e) "Recipient of City financial assistance" means any person, including that person's subcontractors, successors, assignees and transferees.

(f) "Service contract" means any contract with the City for the provision of services to any City department or agency with a budget under the control of the Common Council, which has a value exceeding $5,000. "Service contract" does not include

any contract which involves the purchase of goods or which is a professional service contract, public works contract under Sec. 62.15, Wis. Stats., or a contract with another unit of government.

(g) "Service contractor" means any person, including that person's subcontractors, successors, assignees, or transferees.

(3) Living Wage Requirement.

(a) All employees employed in work performed as part of a service contract, employed as City of Madison employees, employed in work performed under a contract funded by City financial assistance, employed by a contractor of a City financial assistance recipient and who expends at least twenty hours a week at the project site funded by City financial assistance, or employed by a recipient of City financial assistance in work performed at a project site funded by City financial assistance shall receive and be paid a City minimum hourly wage. The City minimum hourly wage shall be $7.91 through December 31, 1999. Thereafter, the City minimum hourly wage shall be calculated as follows:

1. Effective January 1, 2000 and continuing for the remainder of 2000, an hourly rate equal to 105% of the poverty level divided by 2080.
2. Effective January 1, 2001 and continuing thereafter, an hourly rate equal to 110% of the poverty level divided by 2080.
3. As used in this section, "poverty level" means an annual income equal to the U.S. Department of Health and Human Services' then most recently published poverty guideline for a family of four.

(b) Compliance with this Section shall be required for the term of the contract between the City and the service contractor or recipient of City financial assistance.

(c) Tipped employees, employees paid on commission, employees who receive meals or lodging or both from their employers, and employees whose compensation consists of more than hourly wages shall be paid an hourly wage which, when combined with the other compensation, will at least equal the City minimum hourly wage. The value of such meals or lodging shall be calculated pursuant to Chapter DWD 272, Wis. Admin. Code.

(d) Each employee employed in the performance of a service contract or employed in work performed under a contract funded by City financial assistance shall receive the full living wage. If an employee is performing both City and non-City work and it is not possible to separately account for the time associated with work under the City contract, then the employee shall receive the full living wage. No proportional calculation is allowed. If no bids are received on a City service contract and staff determines that compliance with this subdivision contributed to the lack of bids, the contract may be rebid with a waiver of the no proportional calculation requirement. This subdivision shall be applicable to all service contracts which are first advertised or amended after the effective date of this subdivision (d) and to all contracts funded by City financial assistance which are executed or amended after the effective date of this subdivision (d). (Created by ORD-07-00108, 9-22-07)

(4) Maintenance of Effort. No service contractor or recipient of City financial assistance may use the living wage requirement of this section to reduce the wage paid to any person employed by the service contractor or recipient.

(5) Provisions in Contracts. For purposes of carrying out the intent of this section, all provisions of this section are made part of all service contracts and contracts for the provision of City financial assistance. Every service contractor and recipient of City financial assistance shall bind its contractors and subcontractors in writing, as applicable, to the provisions of this section.

(6) Contract Bid and Request-for-Proposal Specifications. A digest of the provisions of this section shall be included in all specifications for financial assistance projects and service contract work upon which the City calls for bids or issues requests for proposals.

(7) Specifications for Contracts. No service contract and no contract between the City and a recipient of City financial assistance shall be entered into by the City unless such contract contains the following stipulation or its equivalent:

> "The contractor agrees to pay all employees employed by the contractor in the performance of this contract, whether on a full-time or part-time basis, a base wage of not less than the City minimum hourly wage as required by Section 4.20, Madison General Ordinances."

(8) Posting of Wage Rate. For every service contract and for every contract between the City and a recipient of City financial assistance the minimum hourly wage required by Subsec. (3) and the phone number of the City's Affirmative Action Department shall be kept posted by the contractor or recipient at the site of the work in a prominent place where it can be easily seen and read by persons employed in the performance of such contract. In addition, copies of the living wage requirement shall be supplied to any person employed by a recipient or employed in the performance of a service contract at the request of such person and within a reasonable period of time after the request.

(9) Enforcement.

Any person who has been found by the City to have submitted any false, misleading or fraudulent information, or to have failed to comply with the provisions of this section, may be subject to any of the following sanctions, imposed by the City:

1. Withholding of payments under the contract;
2. Termination, suspension or cancellation of the contract in whole or in part.
3. After a due process hearing, denial of the right of the person to bid on future City contracts, by herself or himself, partner or agent, or by a corporation of which she or he is a member, for a period of one year after the first violation is found and for a period of three years after a second violation is found.

(10) Exclusions. This section shall not apply to student learners, on-call employees, employees under the age of 18, or employees of sheltered workshops, as those terms are defined in Wis. Stat. ch. 104, to City Special Workers as defined in Section 3.54(4), MGO, or to laborers, workers or mechanics subject to either Section 4.23, MGO, or to 40 U.S.C. 276a. (Am. by Ord. 12,594, 6-6-00; ORD-14-00173, 12-10-14)

(11) Collective Bargaining Agreements. This ordinance may be superseded and made inapplicable, in whole or in part, by an expressed declaration to such effect in any signed collective bargaining agreement between a service contractor or a recipient of City financial assistance and a labor organization.

(12) Applicability. The provisions of this section shall apply to:

(a) A service contract or contract for the provision of City financial assistance consummated after the effective date of this ordinance;

(b) A service contract amendment consummated after the effective date of this ordinance which itself meets the requirements of this section;

(c) Supplemental financial assistance provided after the effective date of this ordinance which itself meets the requirements of this section.

(13) Penalty. In addition to the sanctions set forth in Subsection (9) above, any person, contractor, subcontractor, or recipient who violates this section or fails to comply with any of its requirements shall, upon conviction hereof, be subject to a forfeiture of not less than one dollar ($1.00) and not more than two hundred dollars ($200), and in addition shall pay all costs and expenses. Each day such violation continues shall be considered a separate offense.

(Sec. 4.20 Cr. by Ord. 12,363, 3-30-99)

4.21 ROOM TAX.

(1) In this section:

(a) "Hotel" or "motel" means a building or group of buildings in which the public may obtain accommodations for a consideration, including, without limitation, such establishments as inns, motels, tourist homes, tourist houses or courts, bed and breakfast establishments, lodging houses, rooming houses, summer camps, apartment hotels, resort lodges and cabins and any other building or group of buildings in which accommodations are available to the public, except accommodations, including mobile homes as defined in Sec. 66.0435(1)(d), rented for a continuous period of more than one month and accommodations furnished by any hospital, sanitoriums, or nursing homes, or by corporations or associations organized and operated exclusively for religious, charitable or educational purposes provided that no part of the net earnings of such corporations and associations inures to the benefit of any private shareholder or individual. (Am. by Ord. 11,240, 4-28-95)

(b) "Gross receipts" has the meaning as defined in Wis. Stat. § 77.51(4)(a), (b) and (c) insofar as applicable. (Am. by Ord. 11,240, 4-28-95)

(c) "Transient" means any person residing for a continuous period of less than one month in a hotel, motel or other furnished accommodations available to the public.

(2) Pursuant to Wis. Stat. § 66.0615, a tax is hereby imposed on the privilege and service of furnishing, at retail, except sales for resale, rooms or lodging to transients by hotelkeepers, motel operators and other persons furnishing accommodations that are available to the public, irrespective of whether membership is required for the use of the accommodations. Beginning January 1, 2007, such tax shall be at the rate of nine percent (9%) of the gross receipts from such retail furnishing of rooms or lodgings. The proceeds thereof shall be subject to annual appropriation by the Common Council. Such tax shall not be subject to the selective sales tax imposed by Wis. Stat. § 77.52(2)(a)1. and may not be imposed on sales to the federal government and persons listed under Wis. Stat. § 77.54(9a). (Am. by Ord. 11,503, 1-5-96; Ord. 12,311, 1-26-99; ORD-06-00159, 11-21-06)

(3) Collection of Tax. This section shall be administered by the City Treasurer. The tax imposed for the months of January, February, and March, 1969, and for each calendar quarter thereafter is due and payable on the last day of the month next succeeding the calendar quarter for which imposed. A return shall be filed with the City Treasurer, by those furnishing at retail such rooms and lodging, on or before the same date on which such tax is due and payable. Such return shall show the gross receipts of the preceding calendar quarter from such retail furnishing of rooms or lodging, the amount of taxes imposed for such period, and such other information as the City Treasurer deems necessary. Every person required to file such quarterly return shall, with her or his first return, elect to file an annual calendar year or fiscal year return. Such annual return shall be filed within ninety (90) days of the close of each such calendar or fiscal year. The annual return shall summarize the quarterly returns, reconcile and adjust for errors in the quarterly returns, and shall contain certain such additional information as the City Treasurer requires. Such annual returns shall be made on forms as prescribed by the City Treasurer. All such returns shall be signed by the person required to file a return or her or his duly authorized agent, but need not be verified by oath. The City Treasurer may, for good cause, extend the time for filing any return, but in no event longer than one month from the filing date. (Am. by Ord. 7164, 12-17-80; ORD-14-00012, 1-14-14)

(4) Every person furnishing rooms or lodging under Subsection (2) shall file with the City Treasurer an application for a permit for each place of business. Every application for a permit shall be made upon a form prescribed by the City Treasurer and shall set forth the name under which the applicant transacts or intends to transact business, the location of her or his place of business, and such other information as the City Treasurer requires. The application shall be signed by the owner if a sole proprietor and, if not a sole proprietor,

by the person authorized to act on behalf of such sellers. At the time of making an application the applicant shall pay to the City Treasurer a fee of two dollars ($2) for each permit. (Am. by ORD-14-00012, 1-14-14)

(5) After compliance with Subsection (4) and Subsection (14) by the applicant, the City Treasurer shall grant and issue to each applicant a separate permit for each place of business within the City. Such permit is not assignable and is valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.

(6) Whenever any person fails to comply with this section the City Treasurer may, upon ten (10) days notification and after affording such person the opportunity to show cause why her or his permit should not be revoked, revoke or suspend any or all of the permits held by such person. The City Treasurer shall give to such person written notice of the suspension or revocation of any of her or his permits. The City Treasurer shall not issue a new permit after the revocation of a permit unless she or he is satisfied that the former holder of the permit will comply with the provisions of this section. A fee of two dollars ($2) shall be imposed for the renewal or issuance of a permit which has been previously suspended or revoked. (Am. by ORD-14-00012, 1-14-14)

(7) If any person liable for any amount of tax under this section sells out her or his business or stock of goods or quits the business, her or his successors or assigns shall withhold a sufficient amount of the purchase price to cover such amount until the former owner produces a receipt from the City Treasurer that it has been paid or a certificate stating that no amount is due. If a person subject to the tax imposed by this section fails to withhold such amount of tax from the purchase price as required, she or he shall become personally liable for payment of the amount required to be withheld by her or him to the extent of the price of the accommodations valued in money. (Am. by ORD-06-00159, 11-21-06; ORD-14-00012, 1-14-14)

(8) The City Treasurer may, by office audit, determine the tax required to be paid to the City or the refund due to any person under this section. This determination may be made upon the basis of the facts contained in the return being audited or on the basis of any other information within the City Treasurer's possession. One or more such office audit determinations may be made of the amount due for anyone or for more than one period.

(9) The City Treasurer may, by field audit, determine the tax required to be paid to the City or the refund due to any person under this section. The determination may be made upon the basis of the facts contained in the return being audited or upon any other information within the City Treasurer's possession. Whenever the City Treasurer has probable cause to believe that the correct amount of room tax has not been assessed or that the tax return is not correct, the City Treasurer is authorized to examine and inspect the books, records, memoranda, and property of any person in order to verify the tax liability of that person or of another person. Nothing herein shall prevent the City Treasurer from making a determination of tax at any time. (Am. by Ord. 8895, 6-26-86)

(10) If any person fails to file a return as required by this section, the City Treasurer shall make an estimate of the amount of the gross receipts under subsection (2). Such estimate shall be made for the period for which such person failed to make a return and shall be based upon any information which is in the City Treasurer's possession or may come into her or his possession. On the basis of this estimate the City Treasurer shall compute and determine the amount required to be paid to the City, adding to the sum thus arrived at a penalty equal to ten per cent (10%) there-of. One or more such determinations may be made for one or more than one period. (Am. by ORD-14-00012, 1-14-14)

(11) A forfeiture of 25% of the room tax due for the previous year or $5,000, whichever is less, of the tax imposed, is hereby established and due and owing in the event that the room tax is not paid within 30 days after the due date of return. In addition to this forfeiture, all unpaid taxes under this section shall bear interest at the rate of twelve per cent (12%) per annum from the due date of the return until the first day of the month following the month

in which the tax is paid or deposited with the City Treasurer. All refunded taxes shall bear interest at twelve per cent (12%) per annum from the due date of the return until the first day of the month following the month in which said taxes are refunded. An extension of time within which to file a return shall not operate to extend the due date of the return for purposes of interest computation. If the City Treasurer determines that any overpayment of tax has been made intentionally or by reason of carelessness or neglect, or if the tax which was overpaid was not accompanied by a complete return it shall not allow any interest thereon. (Am. by Ord. 11,292, 7-11-95)

(12) Delinquent tax returns shall be subject to a twenty-five dollar ($25) late filing fee. The tax imposed by this section shall become delinquent if not paid by the due date of the return. (Am. by Ord. 8895, 6-26-86)

(13) If a person files a false or fraudulent return with the intent in either case to defeat or evade the tax imposed by this section, a penalty of fifty percent (50%) shall be added to the tax required to be paid, exclusive of interest and other penalties. (Am. by Ord. 8895, 6-26-86)

(14) In order to protect the revenue of the City, the City Treasurer may require any person liable for the tax imposed by this section to place with him or her, before or after a permit is issued, such security, not in excess of five thousand dollars ($5,000) as the City Treasurer determines. If any taxpayer fails or refuses to place such security, the City Treasurer may refuse or revoke such permit. If any taxpayer is delinquent in the payment of the taxes imposed by this section, the City Treasurer may, upon ten (10) days notice, recover the taxes, interest and penalties from the security placed with the City Treasurer by such taxpayer. No interest shall be paid or allowed by the City to any person for the deposit of such security. (Am. by Ord. 11,240, 4-28-95)

(15) Every person liable for the tax imposed by this section shall keep or cause to be kept such records, receipts, invoices and other pertinent papers in such form as the City Treasurer requires.

(16) All tax returns, schedules, exhibits, writings or audit reports relating to such returns, on file with the City Treasurer are deemed to be confidential, except the City Treasurer may divulge their contents to the following, and no others:

(a) The person who filed the return.

(b) Officers, agents, or employees of the Federal Internal Revenue Service or the State Department of Revenue.

(c) Officers, employees, or agents of the Finance Director. (Am. by Ord. 8762, 12-31-85; Am. by ORD-11-00037, 3-8-11)

(d) Such other public officials of the City of Madison, when deemed necessary.

(17) No person having an administrative duty under this section shall make known in any manner the business affairs, operations or information obtained by an investigation of records of any person on whom a tax is imposed by this section, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof to be seen or examined by any person, except as provided in subsection (16).

(18) Any person who is subject to the tax imposed by this section who fails to obtain a permit as required in subsection (4), or who fails or refuses to permit the inspection of her or his records by the City Treasurer after such inspection has been duly requested by the City Treasurer, or who fails to file a return as provided in this section, or who violates any other provisions of this section, shall be subject to a forfeiture not to exceed two hundred fifty dollars ($250). Each day, or portion thereof, that such violation continues is hereby deemed to constitute a separate offense. The total forfeiture imposed shall not exceed 5% of the tax imposed by this section. (Am. by Ord. 8895, 6-26-86; ORD-14-00012, 1-14-14)

4.22 THE MADISON AFFORDABLE HOUSING TRUST FUND.

(1) Creation; Purpose and Intent.

There is hereby created and established for the City of Madison a fund to be known and denominated as the Madison Affordable Housing Trust Fund. The Trust Fund shall be a continually renewable source of revenue to meet, in part, the housing needs of low income households in the City, as defined in (2)(b) below. The Trust Fund is to provide loans and grants to for-profit and non-profit housing developers for the acquisition, capital and soft costs necessary for the creation, repair and preservation of Affordable rental and owner-occupied housing. Preference shall be given to those projects that ensure that the Assisted Units remain Affordable for the longest period possible. Projects funded by the Trust Fund shall be disbursed throughout the City so no single neighborhood experiences a disproportionate concentration of housing units for low income households.

(2) Definitions.

In this section:

(a) "Affordable" means a housing unit that has an Affordable Housing Cost.

(b) "Affordable Housing Cost" means an amount satisfied by:

1. for owner-occupied housing, a housing payment inclusive of loan principal, loan interest, property taxes, property and mortgage insurance, and homeowners association dues which allows a household, whose gross income adjusted for family size is at or below eighty percent (80%) of Area Median Income, to purchase a home;
2. for rental housing, a housing payment, inclusive of a reasonable allowance for heating, which allows a household, whose gross income adjusted for family size is at or below sixty percent (60%) of Area Median Income, to rent a unit, while paying no more than thirty percent (30%) of their gross household income; and
3. for Housing Cooperatives and Limited Equity Cooperatives, a housing payment that allows a household whose gross income adjusted for family size is at or below sixty percent (60%) of Area Median Income, to purchase a home.

(c) "Area Median Income" means the median income for the greater Madison area adjusted for family size, as published by the United States Department of Housing and Urban Development.

(d) "Assisted Unit" means a housing unit that is Affordable and is assisted by the Trust Fund. Assisted Units shall be specifically identified in the deed restriction required under Sec. 4.22(7), MGO.

(e) "Committee" means the City of Madison Community Development Block Grant Committee created pursuant to Sec. 33.15, MGO.

(f) "Contingent Fund" means the fund created pursuant to Sec. 4.03, MGO.

(g) "Director" means the City's Community Development Division Director, or his or her designee.

(h) "Housing Cooperative" means a corporation that exists to provide housing to its owners, who are the individuals who live in the cooperative.

(i) "Limited Equity Cooperative" means a limited equity Housing Cooperative that limits the return allowed when its shares are sold.

(j) "Recipient" means any for-profit or non-profit housing developer that receives funds in the form of a loan or a grant from the Trust Fund. A Recipient may be an individual, partnership, joint venture, limited liability company or partnership, association or corporation.

(k) "Tax Incremental Financing Equity Participation Payment" means an equity payment received by the City from a developer pursuant to a TIF Development Agreement in which the tax incremental district has been dissolved.

(l) "Trust Fund" means the Madison Affordable Housing Trust Fund.

(3) Trust Fund; Sources of Trust Fund Moneys.

(a) There is also hereby established a Madison Affordable Housing Trust Fund, to be maintained by the Finance Director. All funds received by the City on behalf of the Trust Fund shall be deposited in the Trust Fund. Principal and interest from loan repayments, and all other income from Trust Fund activities, shall be deposited in the Trust Fund. All funds in the Trust Fund shall earn interest at least at the same rate as pooled investments managed by the City Treasurer. All interest earnings from the Trust Fund shall be reinvested and dedicated to the Trust Fund. (Am. by ORD-11-00037, 3-8-11)

(b) The Trust Fund shall consist of funds derived from the following:

1. Private cash contributions designated for the Trust Fund;
2. Payments in lieu of participation in current or future affordable housing programs;
3. Matching funds from a federal affordable housing trust fund;
4. Principal and interest from Trust Fund loan repayments and all other income from Trust Fund activities;
5. Any other appropriations as determined from time to time by legislative action of the Common Council, including, but not limited to, (i) Residual Contingent Reserve funds; (ii) Amounts from the Operating Budget equivalent to City fees collected from dedicated uses related to housing, such as reinspection fees; (iii) Tax Incremental Financing Equity Participation Payments; and (iv) Proceeds from the sale or use of surplus City land.

(4) Committee's Powers and Duties.

(a) The Committee shall have the following powers and duties:

1. Recommend policies, goals and objectives for the Trust Fund program to the Mayor and the Common Council;
2. Review project funding requests and recommend to the Mayor and the Common Council all disbursements from the Trust Fund;
3. Investigate and recommend to the Mayor and Common Council additional sources of money for deposit to the Trust Fund; and
4. Publish and distribute requests for proposals and notices of funding availability.

(b) All projects considered for funding will be reviewed prior to Committee action by the CDBG staff, and the Director shall submit to the Committee comments and recommendations.

(c) The Committee shall within ninety (90) days following the close of each fiscal year prepare and submit an annual report to the Common Council on the activities undertaken with funds from the Trust Fund. The report shall specify the number and types of units assisted, the amount loaned per Assisted Unit, the amount of state, federal and private funds leveraged, the geographic distribution of Assisted Units and a summary of statistical data relative to the incomes of assisted households, including their monthly rent or mortgage payments, and the sales prices of owner-occupied Assisted Units.

(5) Evaluation of Applications.

In evaluating requests for disbursements from the Trust Fund, the Committee and the Council shall give preference to developments:

(a) that leverage other public and private sources of funds;

(b) that seek loans from the Trust Fund, rather than grants, which will allow the Trust Fund to grow over time;

(c) that will tie up funds from the Trust Fund for shorter periods of time, rather than longer, which will allow the Trust Fund to be used to support a greater number of projects throughout the City;

(d) that are targeted to a mixture of household incomes, where Assisted Units are distributed throughout the building or development so as to avoid a disproportionate concentration in any one area;

(e) that ensure that the Assisted Units remain Affordable for the longest period possible;

(f) that lead to lower, long-term utility costs for occupants of Assisted Units;

(g) that meet the highest accessibility standards, as defined by federal, state and local requirements; and

(h) that are consistent with the Committee's framework and any other similar policy statements adopted by the Committee from time to time.

(6) Trust Fund Distributions.

The Trust Fund shall fund loans and grants in accordance with this Section, to assist Recipients in the creation, repair and preservation of Affordable Units. The Trust Fund program shall be administered by the Director. No disbursements shall be made from the Trust Fund without the prior recommendation of the Committee and authorization by the Common Council, subject to the following.

(a) The total disbursements from the Trust Fund in any calendar year shall be limited to fifty percent (50%) of the balance of the Trust Fund as of the prior January 1st.

(b) At least sixty percent (60%) of the funds eligible for disbursement annually shall be used to create, repair and preserve Affordable Units for households whose gross income, adjusted for family size, is at or below sixty percent (60%) of Area Median Income.

(c) At least fifty percent (50%) of funds eligible for disbursement annually shall be reserved for commitments to nonprofit corporations until September 1st, after which these reserved funds may be disbursed to any Recipient.

(d) The total disbursements from the Trust Fund for any one project shall be limited to twenty-five percent (25%) of the balance of the Trust Fund as of January 1st of the year prior to the disbursement.

(e) Recipients may use the funds directly or through an affiliated entity to pay for:

1. capital costs, including but not limited to the actual costs of rehabilitating or constructing Affordable Units;
2. preserving Affordable Units;
3. demolishing or converting existing non-residential buildings to create new Affordable Units;
4. real property acquisition costs;
5. accessibility modifications;
6. modifications for health, safety and energy conservation purposes; and
7. professional service costs, including but not limited to, those costs incurred for architectural, engineering, planning and legal services which are attributable to the creation, repair and preservation of Affordable Units, provided that no more than fifteen percent (15%) of the total funds allocated to the project from the Trust Fund may be used for such costs.

(f) Trust Fund moneys may not be used for operating expenses of any program, provided, however, that up to fifty percent (50%) of the interest income earned by the Trust Fund in the prior calendar year may be disbursed in the form of grants to be used by Recipients to pay for operating expenses of programs that provide direct assistance to buyers or renters, including, but not limited to, security deposit loan programs, private mortgage insurance guarantee programs, and homebuyer down payment assistance programs.

(g) No Recipient may refuse to lease or otherwise make unavailable any rental Assisted Units solely because an applicant for housing is a direct recipient of a federal, state or local governmental housing subsidy.

(7) Term of Affordability.

To ensure long term affordability, Assisted Units shall be deed restricted for at least thirty (30) years as follows:

(a) Owner-occupied Assisted Units shall be available only to households whose gross income, adjusted for family size, is at or below eighty percent (80%) of Area Median Income.

(b) Rental Assisted Units shall be available only to households whose gross income, adjusted for family size, is at or below sixty percent (60%) of Area Median Income.

(Sec. 4.22 Cr. by Ord. 13,476, 12-23-03; Rep. & Rec. by ORD-10-00086, 9-15-10)

4.23 RESERVED FOR FUTURE USE.

4.24 RETURNED PAYMENT CHARGES. There may be a processing charge of twenty-five dollars ($25) for any check, order, or electronic payment issued to the City or any department or utility thereof and returned unpaid by a financial institution due to insufficient funds or due to any other reason. Such charges shall be paid into the City Treasury and credited to the General Fund. (Cr. by Ord. 13,541, 3-17-04)

4.25 PROCUREMENT OF ITEMS OF APPAREL.

(1) Purpose. The City of Madison recognizes a public interest in avoiding purchasing from vendors and contractors who obtain goods that originate in sweatshops - places of work where the labor practices are inconsistent with international standards of human rights - and declares the City's intent to avoid such purchases and allocate its funds in a manner that enhances the rights and well-being of workers world-wide, while acquiring the best quality goods at reasonable cost.

The Common Council finds that contractors can have influence throughout their entire supply chain, and therefore have an obligation to workers in subcontractor and subsidiary factories in addition to their direct obligations to their own employees. The Common Council further finds that the apparel industry is one area where the City can have an impact on the rights and well-being of workers world-wide.

The purpose of this ordinance is to ensure that City procurement of apparel is made from responsible contractors and vendors who agree to adhere to the minimum employment standards required herein and to require their subcontractors and third-party suppliers to do the same, so that all employees involved in the City's procurement may be afforded the opportunity to a fair, humane work environment as described herein.

The Common Council finds the following labor practices inconsistent with international standards of human rights:

a. below-subsistence wages;
b. excessively long working hours;
c. unhealthy and unsafe working environments;
d. child, indentured, and forced labor;
e. disregard for local and international labor laws and workplace regulations;
f. disregard for fundamental women's rights;
g. repression of workers' rights to assemble and bargain collectively.

(2) Applicability - Procurement of Apparel. This ordinance shall apply to all City procurement of apparel, as defined herein, when the circumstances in sub. (a) or (b) are met:

(a) $5,000 or more in apparel with the same brand name purchased from a single contractor. All articles of apparel with the same brand name purchased from that contractor during the term of the contract, or if there is no contract, during the calendar year in which the purchase is made, shall be counted in reaching the $5,000 total; or

(b) $5,000 or more of a specific item of apparel purchased from a single contractor, during the term of the contract, or if there is no contract, during the calendar year in which the purchase is made.

(c) For purposes of this ordinance, "procurement" shall include the purchase, rental, lease, laundering or dry cleaning of apparel, whether by contract, purchase order, or other means; and allowance and voucher programs for city employees to make their own purchases, except where a city collective bargaining agreement establishes a clothing allowance or voucher program that specifies another method of purchase or identifies purchasing criteria in conflict with this ordinance, in which case the terms of the collective bargaining agreement shall control. This ordinance shall also apply to contracts for the provision of City financial assistance, if $5,000 or more of will be used for procurement of apparel under the circumstances in paragraph (2)(a) or (2)(b) above.

(Sec. 4.25(2) Am. by ORD-11-00066, 5-13-11)

(3) Definitions

(a) "Apparel" means all garments or items of clothing any part of which is a textile produced by weaving, knitting or felting; and all shoes and other footwear.

(b) "Contractor" or "vendor" means a person or entity from whom the City has a current procurement relationship as that term is used in sub (2) above, or who is bidding or proposing to provide apparel to the City under a procurement arrangement.

(c) "Employee" means any individual who may be required or directed by any employer, in consideration of direct or indirect gain or profit, to engage in any employment, or to go to or work or be at any time in any place of employment. "Employee" includes individuals whose work is permanent or temporary, or on a full-time or part-time basis.

(d) A "fair wage" is the total 'take home' or 'net' wage, earned during a country's legal maximum work week, but not more than 48 hours. A fair wage provides for the basic needs (housing, energy, nutrition, clothing, health care, education, potable water, childcare, transportation and savings) of an average family unit of employees in the manufacturing employment sector of the country divided by the average number of adult wage earners in the family unit of employees in the manufacturing employment sector of the country.

(e) "Subcontractor" means a person, partnership, corporation or other entity that enters into a contract with a contractor or vendor for performance of some or all of the City-contracted work. For purposes of this ordinance, "subcontractor" shall include all third-party suppliers or producers from whom the contractor or its contractors obtains or sources goods, parts or supplies for use on the city contract and is intended to include suppliers at all level of the supply chain.

(4) Employment Standards for Contractors and Vendors.

(a) Domestic Or Foreign Manufacturers, Presumption. It is presumed that all contractors, subcontractors, third-party suppliers and other entities involved in the production of goods under city contracts at locations within the United States are subject to and will follow all applicable federal, state and local laws such as labor, employment, and safety laws. While this ordinance is applicable to procurement of apparel from all sources, the standards in subsection (4) are intended primarily for subcontractors and suppliers located outside the United States where the applicable law or practices does not already provide the protections necessary to accomplish the goals of this Ordinance. Nothing in this Ordinance shall be construed to limit or reduce the responsibility of contractors located within the United States to follow applicable law in their jurisdiction.

(b) Standards. Contractors shall adhere to or exceed the following minimum employment standards, and shall require all subcontractors, as defined in sub. (3)(e), to do the same. Wherever the word "contractor" is used below, the same requirement shall apply to subcontractors as defined in sub. (3)(e).

These standards shall apply in all phases/aspects of the contractor's or their subcontractor's operations, including but not limited to, manufacture, assembly, finishing, laundering or dry cleaning, (where applicable), warehouse distribution, and delivery:

1. Wages and Benefits. Contractors should recognize that wages are essential to meeting employees' basic needs. Contractors shall pay employees, at minimum, wages and benefits which comply with all applicable laws and regulations, and which provide for essential needs and establish a dignified fair wage for workers and their families. This must always meet or exceed any applicable minimum wage, or other "fair wage," "living wage" or other law that requires a wage that exceeds the applicable minimum wage, whichever is higher.

2. Working Hours. Hourly and/or quota-based wage employees shall not be required to work more than 48 hours per week or the limits on regular hours allowed by the law of the country of manufacture, whichever is lower, and be entitled to at least one (1) day off in every seven (7) day period, as well as holidays and vacations off.

3. Overtime Compensation. All overtime hours must be worked voluntarily by employees. In addition to their compensation for regular hours of work, hourly and/or quota-based wage employees shall be compensated for overtime hours at such a premium rate as is legally required in the country of manufacture or, in those locations where such laws do not exist, at a rate at least one and one-half their regular hourly compensation rate.

4. Child Labor. Contractors shall not employ any person at an age younger than 15 (or 14, where, consistent with International Labor Organization practices for developing locations, the law of the country of manufacture allows such exception). Contractors and sub-contractors agree to consult with governmental, human rights, and nongovernmental organizations, and to take reasonable steps as evaluated by the City and any independent monitoring agency acting on behalf of the City, to minimize the negative impact on children released from employment as a result of implementation or enforcement of the Ordinance.

5. Forced Labor. There shall not be any use of prison labor, indentured labor, bonded labor or other forced labor.

6. Health and Safety. Contractors shall provide a safe and healthy working environment to prevent employee accidents and injury to health arising out of or occurring in the course of employment or as a result of the operation of their facilities. In addition, contractors shall ensure that all operations comply with all workplace safety and health regulations established by the national government where the production facility is located, or with Title 29 CFR

of the Federal Code of Regulations, enforced by Federal OSHA (Occupational Safety and Health Administration), whichever regulation is more strict.

The contractor shall ensure that its operations comply with all health and safety conventions of the International Labor Organization (ILO) ratified and adopted by the country in which the production facility is located.

7. Nondiscrimination: No person shall be subject to any discrimination in employment; including but not limited to hiring, employment, recruitment or recruitment advertising, salary rates of pay or other forms of compensation, benefits, advancement, transfer, selection for training including apprenticeships, discipline, demotion, termination or retirement; on the basis of race, religion, marital status, age, color, sex, handicap, national origin or ancestry, income level or source of income, arrest record or conviction record, less than honorable discharge, physical appearance, sexual orientation, political beliefs, or student status as those terms are defined in Section 39.03; and any other basis as may be added by amendment to Sec. 39.02(9)(b) and/or 39.03.

8. Harassment or Abuse. Every employee shall be treated with dignity and respect. No employee shall be subject to any physical, sexual, psychological, or verbal harassment or abuse. Contractors will not use or tolerate any form of corporal punishment.

9. Freedom of Association and Collective Bargaining. Contractors shall recognize and respect the right of employees to freedom of association and collective bargaining. No employee shall be subject to harassment, intimidation or retaliation as a result of their efforts to freely associate or bargain collectively. Contractors and sub-contractors shall not cooperate utilize corrupt with governmental agencies and other organizations that use the power of the State to prevent workers from organizing a union of their choice. Contractors shall allow union organizers free access to employees and shall recognize the union of the employees' choice. In addition to respecting the right of employees to freedom of association and collective bargaining, contractors must source from factories where the above commitment has been demonstrated as exemplified by the following:

   a. There exist clear channels through which workers can voice their complaints regarding working conditions and such complaints are addressed in a prompt and effective manner;

   b. The workers have a representative voice in workplace decisions;

   c. Management negotiates with the workers in good faith.

10. Reserved.

11. Women's Rights.

Women workers will receive equal remuneration, including benefits; equal treatment; equal evaluation of the quality of their work; and equal opportunity to fill all positions open to male workers.

Pregnancy tests will not be a condition of employment, nor will they be demanded of employees.

Workers who take maternity leave will not face dismissal nor threat of dismissal, loss of seniority or deduction of wages, and will be able to return to their former employment at the same rate of pay and benefits.

Workers will not be forced or pressured to use contraception.

Workers will not be exposed to hazards, including glues and solvents, that may endanger their safety, including their reproductive health.

Contractors and sub-contractors shall provide appropriate services and accommodation to women workers in connection with pregnancy.

(c) Effect of Applicable Local Law: Contractor (and any subcontractors or third party suppliers) must comply with all applicable laws and regulations of the jurisdiction where it is located. Where there is a conflict between this Ordinance and the local laws or regulations, the more strict restriction shall apply. However, where the law conflicts with this Ordinance to the extent that the local law is less strict than the minimum standards stated herein, or where adherence to this ordinance would result in a violation of the law of the country or jurisdiction in question, contractors will be deemed in compliance on an existing contract if they take effective actions as determined by the City and/or any monitoring entity acting on behalf of the City, to achieve full compliance with this ordinance to the extent reasonable, considering the applicable laws. See sub. (7)(c)5. regarding nonrenewal when compliance is deemed impossible.

(d) Contractors shall refrain from any actions that would diminish the protections afforded by this Ordinance.

(5) Bid Specifications and Pre-Award Procedures.

(a) Contract Bid and Request-for-Proposal Specifications. A copy of this Ordinance or a sufficient summary and link to the entire text shall be included in all specifications for all contracts or requests for financial assistance to which this ordinance may apply.

(b) Bidder Disclosure Statements. The City shall require for each bid or proposal to which this ordinance applies under sub. (2), each bidder, proposer or potential contractor to submit disclosure statements that include the information below, to the city and/or the city's independent monitoring agency, if any, with the knowledge that this information may be disclosed to the public, subject to applicable public records law. Compliance with this requirement shall be determined using procedures adopted by the Committee on Sweatfree Purchases (Committee). Such procedures may include, but are not limited to, the use of a formula or other criteria to rank compliance based upon the quality and/or quantity of the disclosure statements completed by bidders. Any such procedures, and any changes thereto, shall be adopted by the Committee at a properly-noticed public meeting of the Committee before being included in any bids, and reported to the Common Council when the Committee makes its annual report required by Sec. 4.25(9)(a), MGO. If the pre-award disclosure reveals a violation of this ordinance or a statement that the proposed contractor will not or cannot comply with this ordinance, the City reserves the right not to award the contract to that contractor. The disclosures shall include:

1. The names, addresses, and phone numbers of each facility involved in the production of goods covered by this policy.
2. The names, business addresses, and phone numbers of the principal officers of each facility involved in the production of goods covered by this policy.

3. The base hourly wage of non-supervisory production employees, percent of wage level paid as health benefit, other benefits, regular deductions from paychecks, normal working hours per day and week, actual working hours per day and week over the last three months, and overtime policy.
4. The raw number of each type good produced in a given factory for the City.
5. A sworn statement that each of the proposed production facilities, including any sub-contractors, complies with all requirements of this ordinance.
6. Any other information deemed necessary by the City for the administration and enforcement of this Ordinance.

(Am. by ORD-11-00144, 10-27-11)

(c) Transparency. Bidders, proposers and contractors shall provide access to the City of Madison and the City's independent monitoring agency, if any, to archived and contemporary inspection and monitoring reports for all facilities producing goods for the contract in question and shall require their subcontractors to allow the same access.

(6) Requirements for Contracts and Other Procurement Arrangements.

(a) Mandatory Contract Language. No contract to which this Ordinance applies under Subsection (2) be entered into by the City unless such contract contains the following language:

"The contractor shall follow labor practices consistent with international standards of human rights, meaning that, at a minimum contractor shall adhere to the minimum employment standards found in Section 4.25 of the Madison General Ordinances and shall require all subcontractors and third-party suppliers to do the same. For purposes of Sec. 4.25, "Subcontractor" means a person, partnership, corporation or other entity that enters into a contract with the contractor for performance of some or all of the City-contracted work and includes all third-party suppliers or producers from whom the contractor or its contractors obtains or sources goods, parts or supplies for use on the city contract and is intended to include suppliers at all level of the supply chain. The standards in Sec. 4.25 shall apply in all aspects of the contractor's and subcontractor's operations, including but not limited to, manufacture, assembly, finishing, laundering or dry cleaning, (where applicable), warehouse distribution, and delivery. Contractor acknowledges that by entering into this contract, Contractor shall be subject to all of the requirements and sanctions of Sec. 4.25 of the Madison General Ordinances.

All applicable contracts must also include the list of sanctions in sub. (7)(c).

(b) Inclusion by Reference in all Contracts. For purposes of carrying out the intent of this ordinance, all provisions of this section are made part of all applicable contracts for procurement under this ordinance.

(c) Every contractor and vendor shall bind its contractors and subcontractors, in writing, to the provisions of this Ordinance.

(d) Continuing Disclosure and Transparency. All contractors operating under an existing contract applicable under sub (2), shall submit quarterly sworn disclosure statements containing the information required in sub. (6)(b), to the City (or its independent monitoring agency, if any,) the content of which shall meet any requirements that may be established as part of the compliance procedures adopted by the Committee on Sweatfree Purchases under Sec. 4.25(5)(b). Disclosures that reveal a violation of the ordinance or statement that contractor will not or cannot comply with this ordinance may be grounds for sanctions without further investigation, or may be investigated for action under this ordinance and the

contract. The City and its independent monitoring organization, if any, shall have complete and unfettered access to all contractor's and subcontractor's facilities utilized under a contract to which this Ordinance applies. The transparency requirements in sub. (6) above shall continue to apply to contractors under an existing contract. (Am. by ORD-11-00144, 10-27-11)

(7) Monitoring and Enforcement.

(a) Complaints. Any person may complain that one or more standards of this ordinance are being violated. The City and/or any independent monitoring agency acting on behalf of the city shall receive complaints and investigate the merits of such complaints.

(b) Independent Monitoring Agency. The City may choose to contract for investigation and monitoring services with a qualified, independent monitoring agency that is not financed by the industry to which this ordinance applies under subsection (2). The purpose of such arrangement would generally be to receive complaints and provide monitoring, inspection, investigation, and remediation services at locations that are too distant or impractical for the City to do itself. Any such services would be subject to the specific terms of any contract the City makes with the agency.

(c) Violation, Remediation and Sanctions. If the City determines there has been a violation of this ordinance, appropriate city staff or the independent monitoring agency, if any, shall inform the contractor of the determination and discuss the violation with the contractor. The purpose of the discussion is to encourage the contractor to change its practices rather than to cease doing business with the contractor. To that end, the City may at its sole option prescribe appropriate measures for the contractor to take in order to comply with the Ordinance, however nothing in this subsection shall be construed to limit the city's remedies under an existing contract or other remedies available at equity or at law. The sanctions for violating the ordinance under an existing contract are as follows and this list of sanctions shall be included in every applicable contract:

1. Withholding of payments under an existing contract.
2. Liquidated damages. The contractor may be charged liquidated damages on an existing contract of two thousand dollars ($2,000) per violation, or an amount equaling twenty percent (20%) of the value of the apparel, garments or corresponding accessories, equipment, materials, or supplies that the City demonstrates were produced in violation of the contract and/or this ordinance per violation; whichever is greater.
3. Termination, suspension or cancellation of a contract in whole or in part.
4. Nonrenewal when a contract calls for optional renewals.
5. Nonrenewal for lack of progress or impossible compliance. The City reserves the right to refuse to renew a contract that calls for optional renewals, when the contractor cannot comply with the minimum standard under (4)(b) and the noncompliance is taking place in a country where:
   a. Progress toward implementation of the standards in this Ordinance is no longer being made; and
   b. Compliance with the employment standards in the Ordinance is deemed impossible by the City and/or any independent monitoring agency acting on behalf of the City. Such determination shall be made in the sole opinion of the City and may be based upon examination of reports from governmental, human rights, labor and business organizations and after consultation with the relevant contractors and sub-contractors and any other evidence the City deems reliable.

6. Disqualification of the contractor from bidding or submitting proposals on future City contracts, or from eligibility for future city procurements as defined in sub. (2), whether or not formal bidding or requests for proposals are used, for a period of one (1) year after the first violation is found and for a period of three (3) years after a second or subsequent violation is found. The disqualification shall apply to the contractor who committed the violation(s) whether that be under the same corporate name, or as an individual, or under the name of another corporation or business entity of which he or she is a member, partner, officer, or agent.

(d) Submission of False Information. Any person who has been found by the City to have submitted any false, misleading or fraudulent information to the City or its independent monitoring agency (if any), either in their request for bids or proposals or other pre-award submissions; or during the term of the contract, may be subject to any of the above sanctions.

(e) Penalty. In addition to any of the sanctions set forth elsewhere in this ordinance, any contractor or vendor or other person who violates any portion of this ordinance or fails to comply with any of its requirements shall, upon conviction hereof, be subject to a forfeiture of not less than one-hundred dollars ($100) and not more than five hundred dollars ($500), plus applicable costs. Each day such violation continues shall be considered a separate offense. Prosecution or imposition of a forfeiture under this paragraph shall not preclude imposition of other sanctions listed above, nor shall the imposition of such sanctions be construed as a limitation on prosecution.

(f) Nothing in this ordinance shall be construed as a limit upon any remedies at law or equity that the city may have to enforce a contractual relationship or otherwise enforce this ordinance.

(8) Severability. The provisions of this ordinance shall be severable and if any of the provisions shall be held in contravention of the Constitution and laws of the State of Wisconsin or of the United States by a court of competent jurisdiction, the validity of the rest of the ordinance shall not be affected. It is hereby declared to be the intent of this ordinance that the same would have been adopted had such unconstitutional or unlawful provision, if any, not been included herein.

(9) Committee on Sweatfree Purchases.

(a) Purpose, Duties, Responsibilities. There is hereby created a Committee on Sweatfree Purchases, for the purpose of ongoing evaluation and assistance in the application of this ordinance and the furtherance of its purpose. On an annual basis, this committee shall provide the Common Council with a report describing any suggested recommendations regarding the ordinance, including the feasibility of expanding the ordinance beyond its original application to apparel only as described in subsection (2). This committee is also encouraged to communicate with other units of government to encourage similar policies to further increase the effectiveness of this ordinance in achieving its policy goals.

(b) Composition and Appointment of Members. The Ad Hoc Task Force on Sweatfree Purchases shall consist of five (5) voting members and one (1) alternate member. Membership shall include one (1) alderperson who serves concurrently as an appointed member of the Finance Committee. The remaining four (4) members and one alternate shall be residents of the City of Madison of legal voting age. At least one (1) of the remaining four members shall be a student representative on the University of Wisconsin-Madison's Labor Licensing Committee. Appointments shall be made by the Mayor, subject to the approval of the Common Council. (Am. by ORD-16-00081, Pub. 9-15-16, Eff. 4-18-17)

(c) Term. The alderperson member shall serve for a term of two (2) years. Resident members shall serve for three (3) years. Any vacancies shall be filled by the Mayor, subject to approval of the Common Council, for a term filling out the remainder of the vacated member's term. (Am. by ORD-17-00030, 3-8-17)

(d) Officers and Staff. The members of the Committee shall annually elect a chairperson from among its membership. The Committee shall be staffed by an employee of the Office of the Finance Director involved in Purchasing Services, who shall also serve as its secretary. (Am. by ORD-11-00037, 3-8-11)

(e) Meeting Schedule. The Task Force shall meet as often as necessary, but at minimum four times per year.

(f) Compensation. Members of the Committee shall serve without compensation.

(Sec. 4.25 Cr. by ORD-05-00162, 10-27-05)

4.26 CITY PURCHASING.

(1) Council Authorization. This ordinance authorizes the Finance Director, or the Mayor and City Clerk, to enter into contracts on behalf of the City of Madison if the contracts meet the criteria of this ordinance. Contracts that do not meet the criteria set forth in this ordinance, and are not otherwise authorized by law, rule or regulation, shall be authorized separately by the Common Council, by resolution or otherwise. This ordinance does not apply to public works contracts required to be bid pursuant to Wis. Stat. § 62.15.

(2) Goods and Supplies. The City may purchase supplies, equipment, goods and materials (collectively, "goods") when the costs of the same have been included in the approved City budget. Except as otherwise authorized by the Common Council, purchases of goods shall be made by the Finance Director, under this section and Sec. 4.27, MGO, pursuant to policies adopted by the Mayor or the Finance Director that include a competitive process, and on forms approved by the City Attorney. A contract for the purchase or rental of goods that includes maintenance or repair services for the goods is considered a contract for the purchase of goods for purposes of this subsection.

(3) Services. The City may contract for the purchase of services. Except as otherwise directed by the Common Council, contracts for the purchase of services may be entered into without Council resolution when all the following conditions are met:

(a) The funds for the services are included in the approved City budget.

(b) The City has engaged in a Request for Proposals (RFP) or the contractor has been selected through another other competitive bidding process that has been approved by the Finance Director, including but not limited to a competitive selection conducted by the State of Wisconsin or a purchasing consortium, or the contract is exempt from such a requirement pursuant to sub. (4) of this ordinance.

(c) The City Attorney has approved the form of the contract.

(d) The contract complies with other laws, resolutions, and ordinances.

(e) The contract is for a period of one (1) year or less, or the contract is for a period of more than one (1) year but not more than three (3) years and the cost of the services does not average more than fifty thousand dollars ($50,000) per year of the contract, provided that this subparagraph is subject to sub. (4)(b) of this ordinance for non-competitive contracts.

(4) Exceptions to RFP Process. The City may enter into negotiated contracts without a competitive bidding process for the purchase of services if the following are met:

(a) One or more of the following criteria are present as found by the Finance Director:

1. Public exigency will not permit the delay incident to advertising or other competitive processes;
2. The service required is available from only one person or firm;
3. The services are for professional services to be provided by attorneys;
4. The services are to be rendered by a university, college, or other educational institution;

5. No acceptable bids have been received after formal advertising;
6. Service fees are established by law or professional code;
7. A particular consultant has provided services to the City on a similar or continuing project in the recent past, and it would be economical to the City on the basis of time and money to retain the same consultant;
8. The contract is for twenty-five thousand dollars ($25,000) or less; or
9. Otherwise authorized by law, rule, resolution, or regulation.

(b) If the aggregate amount of the fee for services will exceed twenty-five thousand dollars ($25,000) and the contract was not subject to a competitive bidding process, the contract shall meet one of the exceptions in sub. (4)(a) and be approved by the Common Council by resolution, except for emergencies under sub. (4)(c).

(c) Emergency Services.

The Finance Director/designee, and department/division heads or their designees, may purchase services in any dollar amount if necessitated by or resulting from an emergency, without a competitive selection process and without Common Council approval. The Finance Director/designee may sign a contract for such services in a form approved by the City Attorney and Risk Manager. The Finance Director shall promptly report any such emergency services contracts over twenty-five thousand dollars ($25,000) to the Common Council.

(5) Execution of Contracts. Except as otherwise authorized by resolution or ordinance, contracts shall be signed by the Mayor and the City Clerk. Contracts allowed under subs. (2), (3), or (4)(a) may be signed by the Finance Director or designee. All contracts shall be on forms approved by the City Attorney.

(6) Cooperative Purchasing. The Finance Director, or designee, is authorized to sign agreements in a form approved by the City Attorney for the purpose of joining a purchasing consortium or other cooperative purchasing organization, if the members of the organization are all units of government, or if the organization is not-for-profit. Such agreements include but are not limited to intergovernmental agreements for cooperative purchasing as authorized by Wis. Stats. §§ 66.0301(2) or 66.0303(2).

(Cr. by ORD-06-00180, 12-5-06; Am. by ORD-11-00037, 3-8-11; Am. by ORD-13-00150, 9-11-13)

4.27 PURCHASING DIVISION.

(1) The Purchasing Division shall be administered by a Purchasing Agent whose duties shall be performed by the Administrative Analyst/Purchasing.

(2) The Purchasing Agent shall, under the supervision of the Finance Director:

(a) Purchase supplies, materials, and equipment for the various departments, divisions, and offices of the City of Madison.

(b) Prepare bid specifications in cooperation with the appropriate department heads.

(c) Advertise for bids for purchases and for the razing of City-owned structures when bids are required by state laws or by City ordinances or other directives of the Common Council.

(d) Submit recommendations to the Common Council regarding bids received pursuant to (c) above.

(e) Maintain records and submit reports as directed by the Finance Director, the Mayor, and Common Council.

(f) (R. by Ord. 10,689, 6-25-93)

(g) (R. by Ord. 10,689, 6-25-93)

(Renumbered from Sec. 3.17 by ORD-07-00047, Am. by Ord. 8762, 12-31-85; Am. by ORD-11-00037, 3-8-11)

4.28 TIF APPLICATION FEE.

Upon submission of an initial TIF application or initial spreadsheets supporting a request for TIF assistance, each applicant shall pay to the City a non-refundable TIF application fee equal to one-half of one percent of the amount of TIF assistance requested.

(Cr. by ORD-14-00041, 3-6-14)

4.29 AFFILIATED ORGANIZATIONS FOR THE CITY OF MADISON.

(1) Definition. An Affiliated Organization (AO) is a non-governmental tax-exempt organization, legally separate from the City of Madison, designed to raise funds and contribute to functions carried on by the City. Such organizations are usually called "The Friends of _____", or "The _____ Foundation" or similar names.

(2) Registration and Reporting. All Affiliated Organizations shall be registered with the City Clerk. Registration information shall include the name and address of the organization, members of the AO's Board of Directors, any employees or officers, and the City agency with which the AO is affiliated. The registration shall be updated annually on or before December 31. The Finance Director will notify any AO that, pursuant to the guidelines of the Government Accounting Standards Board, is considered a component unit of the City. Any AO deemed a component unit shall provide the City, in a timely manner, with such information as may be necessary for the City's annual audit, which information may be included in the City's annual financial statement.

(3) Finances. Funds collected by AOs shall be subject to control of the AO, pursuant to policies adopted by the AO. Except as specifically approved by the Common Council or by the Mayor and Finance Director, no city staff shall have control over funds of an AO and, when allowed, shall be subject to any policies approved by the Mayor.

(4) Gifts to the City. AOs may make gifts to the City on such terms as the AO determines, provided, however, that the City may determine not to accept a gift if the conditions are not appropriate. In order to be acceptable, gifts to the City must be irrevocable and be for a general or designated public purpose. City boards and commissions may establish policies for the receipt of gifts, consistent with this ordinance, within the authority of the board or commission, and will file such policies with the Finance Director. Gifts to the City by any AO registered under this ordinance may be accepted by the City without action by the Common Council. Gifts from other entities up to ten thousand dollars ($10,000) may be accepted by Department heads with the approval of the Mayor; gifts from other entities over ten thousand dollars ($10,000) shall be accepted by resolution of the Common Council. Any gifts or grants not otherwise accounted for in an agency's budget must be appropriated by the Common Council. Gifts include in-kind contributions.

(5) Form. All AOs shall have articles of incorporation and bylaws, copies of which shall be made available on request of the Finance Director.

(6) Contracts for Projects. Any AO intending to make recurring gifts to the City for a capital project, on which the City is expected to spend funds in advance of receipt of the gifts, shall enter into a contract with the City setting forth the arrangements and obligations of the AO for such gifts.

2. Tie.
3. Shirt.
4. Blouse.

5. Skirt.
6. Winter slacks.
7. Winter overcoats.
8. Raincoat.
9. Rain hat or cap.
10. Storm boots.

They shall receive such salary as is provided in Section 3.54 of the General Ordinances, said salary to be paid from the parking utility budget and to be subject to change upon recommendation of the Chief of Police.
(Am. by Ord. 12,759, 2-7-01)

(4) Crossing Guards and School Crossing Guards. Crossing guards and school crossing guards, the location of which shall be determined by the Transportation Commission subject to Sec. 3.14(5)(g) of the Madison General Ordinances, after study and recommendation by the Traffic Engineer, shall be appointed by the Chief of Police and shall serve at her or his discretion as it regards efficiency and conduct. The Transportation Commission shall adopt guidelines to be used in determining the need for crossing guards. The Traffic Engineer shall consult with the Police Department and the Madison Public Schools Safety Coordinator before making a recommendation. Crossing guards and school crossing guards shall direct and guide children at street and railroad crossings where assigned. They shall not have the power of arrest. All crossing guards shall be furnished a standard uniform and insignia as prescribed by the Chief of Police which shall remain the property of the Police Department. Training and supervision shall be under the direction of the Police Department. (Am. by Ord. 5943, 8-15-77; ORD-14-00012, 1-14-14)

(5) Pedestrian/Bicycle Monitors. Pedestrian/Bicycle Monitors shall be noncommissioned personnel under the jurisdiction of the Chief of Police who shall be responsible for their supervision and direction. They shall be appointed to the hourly position of Pedestrian/Bicycle Monitor by the Chief of Police and hold their positions in accordance with the provisions of Section 3.53 of the Madison General Ordinances. Their duties shall be to patrol assigned areas during designated periods to check for bicycle and pedestrian violations; to issue citations or violation notices on forms prescribed by the Department; to answer inquiries and give directions to the public and to be of service within the range of their job assignment; and to perform such other duties as are assigned. They shall not be City police officers. They shall wear one uniform prescribed by the Chief of Police. (Cr. by Ord. 6246, 5-10-78)

5.02 TRAFFIC BUREAU.

(1) There is hereby created within the Madison Police Department a Traffic Bureau consisting of a Captain of Traffic, a Traffic Lieutenant and such other officers as may be detailed to such Traffic Bureau by the Chief of Police. (Am. by ORD-14-00012, 1-14-14)

(2) Such Bureau shall be in charge and under the direction of an officer to be known as Captain of Traffic, who shall be appointed by the Chief of Police subject to the approval of the Police and Fire Commission.

(3) The Captain of Traffic shall make a thorough study of traffic conditions in the City of Madison, have full charge of the enforcement of traffic regulations, and full direction of said Traffic Bureau, subject only to the orders of the Chief of Police, and shall be charged with the duty of training and directing the members of the traffic squad.

(4) (a) There is hereby created a position to be known as Traffic Lieutenant, to be appointed by the Chief of the Police Department, subject to the approval of the Police and Fire Commissioners. The salary of such Traffic Lieutenant shall be the regularly established salary of a Police Lieutenant.

(b) Said Traffic Lieutenant shall be under the supervision of the Captain of the Traffic Bureau and shall be in charge of making reports on all motor vehicle accidents happening within the City of Madison and coming to the attention of the Police Department.

5.03 DUTIES OF CHIEF OF POLICE.

(1) The Chief of Police shall have general supervision over the Police Department and be responsible for the efficiency thereof. In the case of absence, disability or suspension of the Chief of Police, the duties of the Chief of Police shall be performed by the Deputy Chief of Police and in the event of absence, disability or suspension of the Deputy Chief of Police, the duties of the Chief of Police shall be performed by that Inspector of Police who was first appointed to that office and has had the longest continuous service therein. In the case of the suspension or removal of the Chief of Police the salary of the Deputy Chief of Police or the Inspector of Police who performs the duties of the Chief of Police in accordance with this ordinance shall be the same salary as that being earned by the Chief of Police. (Am. by Ord. 9599, 10-14-88)

(2) The Chief of Police and all full paid officers of the department shall devote all their time to the work of said department, and shall not engage in any other business except that the Mayor may authorize Police Department personnel to engage in part-time employment during their spare time and aside from their duties on the department insofar as such spare time employment will not interfere with or diminish their ability to perform their Police Department duties. Further provided that no member of the Police Department personnel shall be permitted to work more than fifteen (15) hours per week in part-time employment. (Am. by ORD-14-00012, 1-14-14)

(3) It shall be the duty of the Chief of Police and of all police officers to preserve the public peace, and to suppress all riots, disturbances, and breaches of the peace, and they shall, with or without process, apprehend all disorderly persons or disturbers of the peace and take them before the Circuit Court of Dane County.

(4) The Chief of Police shall see that all ordinances of the City of Madison are enforced. Whenever any violation of any ordinance shall come to her or his knowledge or shall come to the knowledge of any member of the Madison Police Department, whether by personal observation or by information from others, the Chief of Police or such member of the department shall make complaint and cause the person so offending to be prosecuted. (Am. by ORD-14-00012, 1-14-14)

5.04 SALARIES.

(1) The members of the Police Department shall be paid such salaries and allowances as the Common Council shall from time to time determine subject, however, to the provisions of Section 62.13 (7) of the Wisconsin Statutes, and subject further to the provisions of Section 4.12 of these ordinances.

(2) The salaries of members of the department shall be in lieu of all fees, percentages, and commissions; and all fees, percentages and commissions of every kind, other than rewards offered for the apprehension of criminals which may be retained by the member receiving the same, shall be paid into the City Treasury and applied by the Treasurer as provided in Section 62.13 (9) (a) of the Wisconsin Statutes.

5.05 BAIL.

(1) Release of Arrested Person. The Chief of Police, whenever in her/his opinion the circumstances may require, may receive of any person who may have been accused of violating any ordinance and has been arrested therefore, a sum of money not exceeding the maximum amount of the penalty which may be imposed in such case, and release such person from arrest until the opening of Municipal Court on the next succeeding day when the court may be in session, or until a time for the hearing of the case. (Am. by Ord. 10,720, 8-27-93)

(2) Forfeiture of Bail. When any person so arrested and released shall fail to appear personally or by her/his attorney at the time fixed for the hearing of the case and upon the

order of the court forfeiting bail, the money deposited with the Chief of Police shall be retained and paid into the Municipal Court and disbursed in the same manner as are fines imposed for violation of City ordinances. (Am. by Ord. 10,720, 8-27-93)

(3) Stipulation Procedures.

(a) Any person to whom a traffic citation has been issued for violating any section or sections of the Madison General Ordinances, enacted pursuant to the State of Wisconsin Motor Vehicle Code, except as listed herein, in answer to the charges as set forth in said citation, and upon payment of the appropriate amount set in the forfeiture schedule may, if agreeable with the City Attorney and Chief of Police, enter into a stipulation with the City of Madison, represented by the City Attorney, for a disposition of the alleged violation stated in the citation. Such stipulation may provide for a plea or stipulation of guilt or nolo contendere and for a forfeiture of a deposit of money as a penalty.

(b) The violator shall be required to confirm in writing that she or he has been informed that her or his driving record will be charged with points in the case of moving violations, and the number of points, which is cause for revocation of an operator's license. (Am. by ORD-14-00012, 1-14-14)

(c) The amount of the deposit for penalty received therewith shall be filed and deposited with the City Treasurer who shall furnish a receipt to the Chief of Police or his/her designee for the money paid over to him/her. (Am. by ORD-14-00012, 1-14-14)

(d) All such stipulations shall be entered into within five (5) days following the date of the violation commencing at 6:00 p.m. on the day the citation is issued, unless for good cause shown the City Attorney or Chief of Police, who may extend such time limit.

(e) No police officer or City authority shall be personally or officially responsible for the payment of any dishonored check received in payment of any penalty.

(f) No stipulation shall be made under this section for violation of any of the following Madison General Ordinances: Section 12.64, Operation Under Influence of Intoxicant; Section 12.63, Reckless Driving; Section 12.68, Duty Upon Striking Person or Attended or Occupied Vehicle; Section 12.69, Duty Upon Striking Property on or Adjacent to Highway; and Section 12.70, Duty to Report Accident; or any Case Involving Arrest.

(4) Parking, Nonmoving Vehicle and Pedestrian Violations.

Any person receiving a citation alleging a parking violation may pay the amount specified in the forfeiture schedule to the City Treasurer in lieu of an appearance in court when this method meets the approval of the Chief of Police or City Attorney.

5.06 ASSISTANCE IN MAKING ARREST - LIABILITY FOR RESISTING OR OBSTRUCTING AN OFFICER.

(1) Whoever, without reasonable excuse, refuses or fails upon command, to aid any person known to her or him to be a peace officer may be fined not more than one hundred dollars ($100). This section does not apply if under the circumstances the officer was not authorized to command such assistance.

(2) Whoever knowingly resists or obstructs an officer while such officer is doing any act in her or his official capacity and with lawful authority, may be fined not more than five hundred dollars ($500). In this section:

(a) "Officer" means a peace officer or other public officer or public employee having the authority by virtue of her or his office or employment to take another into custody.

(b) "Obstructs" includes without limitation knowingly giving false information to the officer or knowingly placing physical evidence with intent to mislead the officer in the performance of his or her duty including the service of any summons or civil process. (Am. by Ord. 9977, 3-14-90)

(3) Whoever hinders, delays or prevents an officer from properly serving or executing any summons or civil process, is civilly liable to the person injured for any actual loss caused thereby and to the officer or the officer's superior for any damages adjudged against either of them by reason thereof.

(Am. by ORD-14-00012, 1-14-14)

5.07 DUTY OF CHIEF TO SECURE EVIDENCE AND KEEP RECORD IN PERSONAL INJURY CASE.

(1) Whenever any person has sustained injuries upon any street or sidewalk within the City of Madison, or has been injured in any manner so that said City of Madison may be sued for damages as a result of such injury, it shall be the duty of the Chief of Police of said City, immediately upon learning of the accident or occurrence whereby such injuries have been sustained, to secure or cause to be secured, the names and statements of all persons who witnessed such accident or occurrence; the said Chief of Police shall also notify the City Attorney thereof as soon as possible for her or him to do so.

(2) The Chief of Police shall keep a written record of all evidence or information secured by her or him pursuant to the preceding subsection, and shall furnish a duplicate copy of such record to the City Attorney.

(Am. by ORD-14-00012, 1-14-14)

5.08 REGULATION OF PRIVATE ALARM SYSTEMS.

(1) Findings and Purpose. The Madison Police Department (MPD) has historically responded to all alarm activations within the City of Madison. The incidence of false alarms has increased on an annual basis and is expected to continue to increase as the City grows and the number of alarm installations grows with it. Today, the false alarm rate is approximately ninety seven percent (97%). In 1983, in response to a false alarm rate of ninety eight percent (98%), the Madison Common Council enacted Sec. 5.08, MGO, with a provision to penalize businesses and residences for false alarm calls responded to by MPD. The ordinance established a graduated penalty structure based upon the number of false alarm calls in a twelve (12) month cycle. The MPD crime prevention office handles the compiling of data related to false alarms and the citation paperwork. The crime prevention office has had to dedicate increasing hours to handling false alarms. This increase has reduced the Crime Prevention Officer's ability to focus on the primary goals of the Crime Prevention Unit, which are outreach and education relative to personal safety and property security. The time spent responding to and searching locations where false alarms are activated may endanger the public by preventing, diverting or delaying police officers from patrolling a neighborhood, responding to calls for service, including bona fide emergencies, and investigating and solving crimes. Time spent responding to false alarms also reduces the amount of time officers can devote to important community policing efforts. Based upon these findings, the City of Madison Police Department will now respond to certain alarm devices only when the response has been verified as set forth in this ordinance.

The purpose of this section is to establish standards and controls of the various types of emergency alarm signals from alarm devices or systems that require a police response. This section applies to any person, business, firm, corporation or any commercial entity owning, operating or maintaining any alarm devices or alarm systems designed to summon the police to any location in response to a signal or other transmission generated or produced by such devices.

(2) Definitions. For the purpose of this ordinance, the following definitions shall apply:

"Alarm" means any sound, signal or message generated by an alarm system, alarm user or other person, to which police personnel are expected to respond.

"Alarm user" means the person, partnership, corporation or other entity of any kind in control of any building, structure or facility or portion thereof, wherein an alarm system is in operation.

"Alarm System" means any system, device, or mechanism which, when activated, transmits a telephonic, wireless, electronic, video, or other form of message to an alarm system monitoring company, or some other number, or emits an audible or visible signal that can be heard or seen by persons outside the protected premises, or transmits a signal beyond the premises in some other fashion, except any system, device, or mechanism primarily protecting a motor vehicle or a medical alert alarm. An alarm system or alarm device may consist of one or more components (e.g. motion detector, window breach detector or similar components) all reporting to a central alarm station.

"Automatic dial device" means any device that automatically sends over regular telephone lines, by direct connection, a prerecorded voice message or coded signal indicating the existence of some type of emergency to which police personnel are expected to respond.

"Central alarm station" means a facility having the receiving, recording and transmitting equipment to which remote alarm devices and electrical protection circuits are connected, and where operators supervise an alarm panel and upon receipt of emergency signals indicating burglaries or robberies, may relay a message to the police department and may notify an alarm agent for the purpose of responding to the alarm signal.

"Control" means the power or authority to manage, superintend, direct or oversee a building, structure, or facility or portion thereof.

"False Alarm" means the reporting of, or activation of, any monitored or non-monitored alarm system where police arrive at the premises and determine that there is no evidence of intrusion, commission of any unlawful act, or emergency on the premises that would warrant a call for police assistance or investigation. An alarm shall be presumed to be false if the responding police do not locate evidence of intrusion, commission of an unlawful act, or emergency on the premises that might have caused the alarm to sound. When responding police find unsecured doors or windows where there is no evidence of forced entry or other evidence of criminal intent, the alarm is presumed to be false. False alarm includes an alarm caused by a power outage, but shall not include alarms activated by unusually severe weather conditions or other causes which are identified by the Chief of Police or his or her designee to be beyond the control of the Alarm User.

"Human Activated Alarm" includes robbery alarms, duress alarms, Varda alarms, panic alarms and also any system, device or mechanism activated by an individual on or near the premises to alert others that a robbery or any other crime is in progress, or that the user is in need of immediate assistance or aid in order to avoid injury or serious bodily harm, which meets the following criteria:

a) The system is installed on real property;
b) It is designed to be activated by an individual for the purpose of summoning assistance to the premises;
c) It transmits a telephonic, wireless, electronic, video or other form of message or emits an audible, visible, or electronic signal that can be heard, seen or received by persons outside the protected premises; and
d) It is intended to summon police assistance to the premises.

"Mechanically activated alarm" includes property alarms, intrusion alarms and burglary alarms and any other system, device, or mechanism for the detection and reporting of any unauthorized entry or attempted entry or property damage upon real

property protected by the system, which may be activated by sensors or other techniques and, when activated, transmits a telephonic, wireless, electronic, video or other form of message, or emits an audible or visible signal that can be heard or seen by persons outside the protected premises, or transmits a signal beyond the protected premises.

"Police" and "Police Department" means the City of Madison Police Department and its personnel and includes other law enforcement agencies assisting the Madison Police Department.

"Responder" means a private guard, alarm company guard, private entity, or person contacted by an alarm system monitoring company, or any other person, who verifies that there is evidence of intrusion, commission of an unlawful act, or emergency on the premises that would warrant a call for police assistance or investigation of a property. Responders for alarm system monitoring companies requesting police response will notify the police dispatcher what alarm system monitoring company requested them to respond. Responders will meet police at the premises.

"Year" means the period of time commencing upon the occurrence of a first and initial false alarm and terminating one calendar year thereafter.
(Sec. 5.08(2) Am. by ORD-10-00083, 9-15-10)

(3) Alarm Requirements.

(a) Alarm system user responsibility. It shall be the duty of the alarm user to properly use the alarm system, ensure that all alarm users are instructed in the proper use of the alarm system and are aware of the provisions of this chapter, and to maintain the alarm in proper working order. The alarm user shall maintain at each alarm site a complete set of written operating instructions for each alarm system. Any special codes, combinations, or passwords must not be included in these instructions.

(b) Response Required. The alarm system user or designee shall respond to the premises following activation of an alarm at the premises after being requested to do so by the Police Department. The response shall be made within a reasonable time and, in any event, not later than thirty (30) minutes after being requested to do so by the Police Department.

(c) Audible Alarms. Police personnel may silence any audible alarm that has continued to emit sound after forty five (45) minutes and shall not be liable to the alarm user for any damage to the alarm system caused thereby or for any other matter arising out of silencing the alarm.

(d) Automatic Dial Alarms. No person shall install or use any device, which, when activated, automatically dials a public telephone line of the Police Department or the Dane County 911 Dispatch Center. All automatic dial systems shall dial a private answering service, such as a central alarm station run by an alarm business.

(e) Simulated Alarms. No person shall install or use any alarm system that emits a sound similar to that of an emergency vehicle, siren or civil defense warning system.

(4) Alarm Companies and Private Responders.

(a) Every alarm company shall provide its alarm customers with a complete set of written operating instructions for the alarm system, written information on the applicable law relating to false alarms, including the forfeiture amounts, and written guidelines on how to prevent false alarms.

(b) Every alarm company shall provide training to its alarm customers in the proper use of the alarm system, including instructions on how to prevent false alarms.

(c) After responding to a Property, Intrusion or Burglary alarm signal or notification and visually verifying that evidence of criminal activity exists at the alarm site, a Responder shall personally, or through an alarm company, report the verified

Property, Intrusion or Burglary alarm notification to the Police Department and remain at the alarm site until responding police officers arrive and release the Responder.

(5) Police Response To Alarm Notifications.

(a) Police will not respond to Mechanically Activated Alarms. Police officers will be dispatched to an alarm site only after a Responder has verified evidence of an intrusion, commission of an unlawful act, or emergency on the premises that would warrant a call for police assistance or investigation of a property.

(b) Police will respond to any Human Activated Alarms, including, but not limited to, those emitted from a holdup, panic, or duress alarm, any alarm system installed by law enforcement and any other alarm system that is activated by a human being.

(6) Misuse of Alarm System. Use of an alarm system in the absence of an actual emergency situation, which results in the response of police personnel; or use of an alarm system rather than a telephone to summon police personnel in any situation where such telephone use would not create an immediate threat to the safety of the caller or other persons; or use of an alarm system to summon police to incidents where all suspects are believed to have left the scene, is a false alarm and misuse of the alarm system. Misuse of an alarm system is unlawful. (Am. by ORD-10-00083, 9-15-10)

(7) Penalty For False Alarm. Alarm users shall not have, permit or allow false alarms to occur at any building, structure, facility or portion thereof under their control and where an alarm system is in operation. The Police Department shall notify the Alarm User of the existence of a false alarm within ten (10) days of its occurrence or it shall be deemed not to be a false alarm. A forfeiture of not less than one hundred dollars ($100) nor more than two hundred fifty dollars ($250) shall be imposed for each false alarm generated from an alarm system at a building, structure, facility or portion thereof, under the control of an Alarm User.

(8) Exceptions. None of the provisions of this ordinance shall apply to any official governmental body or subdivision thereof, which owns, operates and maintains its own alarm equipment.

(9) Severability. If any part or parts of this ordinance are for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Common Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases might be declared invalid.

(10) Penalty. An alarm company, a private responder, an alarm user, or a person in control of an alarm system commits an offense if he or she violates any provision of this section by either commission of an act that is forbidden or omission of a duty or responsibility imposed upon him or her by this ordinance and is subject to a forfeiture of not more than two hundred fifty dollars ($250) for each offense unless another penalty is herein provided.

5.09 CHIEF TO KEEP RECORD OF RECEIPTS AND EXPENDITURES—TO REPORT TO COUNCIL.

(1) When any money shall be paid to the Chief of Police for bail or on execution or for any fine or penalty or for fees received by the Chief of Police or any police officer, it shall be the Chief's duty to make a record thereof in a book to be kept by the Chief for that purpose and to pay said money over to the City Treasurer or proper officer entitled thereto and take receipt therefore.

(2) The Chief of Police shall report quarterly to the Common Council, or oftener if required and account for all monies received by the Chief, accompanied with the Treasurer's receipt therefore. The Chief of Police shall also report a detailed statement of all monies necessarily expended or expenses necessarily incurred by him or her in and about the duties of the Chief of Police's office and furnish proper vouchers therefore whenever practicable. The Chief of Police shall report to the Common Council during the month of

February in each year the work done by the Police Department during the preceding year, ending December 31; also the condition, needs and defects of the department, and shall make such recommendations as to the Chief may seem necessary and proper.
(Am. by ORD-14-00012, 1-14-14)

5.10 POLICE PENSION FUND.

(1) The Police Pension Fund of the City of Madison shall be managed by a Board of Trustees as provided by Wis. Stat. § 62.13 (9), which subsection is hereby adopted by reference thereto.

(2) Every City officer being charged with any funds, fees, monies, or other property required by Wis. Stat. § 62.13 (9) to be paid into the Police Pension Fund, shall pay said monies or turn over said property to the City Treasurer as Treasurer of the Pension Board and receive and accept the receipt of said Treasurer therefore.

5.11 BADGE AND UNIFORM TO BE WORN. All regular police officers except the Chief and Inspector of Police and such officers as may be assigned by the Chief for detective or other special duties shall within thirty (30) days after their appointment provide themselves with appropriate uniforms such as are prescribed by the Board of Police and Fire Commissioners and the Chief of Police, and shall when on duty wear full uniform with a badge or insignia of their office on the outside of their outermost garment over the left breast, conspicuously displaying the same so that the entire surface thereof may be seen. (Am. by ORD-14-00012, 1-14-14)

5.12 REST DAYS AND HOURS OF LABOR.

(1) Rest Day. Each police officer in the service of the City of Madison shall receive one (1) full rest day of twenty-four (24) consecutive hours in each seven (7) days of work except in cases of positive necessity by some sudden and serious emergency which in the judgment of the Chief of Police demands that such day of rest be not given at such time. (Am. by ORD-14-00014, 1-14-14)

(2) Hours of Labor. The regular hours of labor for all commissioned personnel of the Police Department shall be not less than eight (8) in twenty-four (24) or forty (40) in any seven (7) day period. Provided, however, that as an emergency measure due to the shortage of manpower, there is temporarily established a work week averaging forty-four (44) hours per week for which purpose commissioned personnel may be assigned to a maximum additional eight (8) hours per seven (7) day week, in which event overtime payment at the hourly rate of time and one half rate of pay shall be paid for such scheduled time worked in excess of forty (40) hours up to and including forty-eight (48) hours in any seven (7) day period, any time worked in excess of a regularly scheduled eight (8) hour day to be compensated for by compensatory time off at the regular rate. Time spent on sick leave, vacation, or on compensatory time off shall be counted as time worked in figuring the first forty (40) hours of any forty-eight (48) hour scheduled work week. Provided further that overtime payment of salary as provided for in this ordinance is to be applied only to commissioned personnel formally placed on an average forty-four (44) hour work week emergency status by written order of the Chief of Police. Further provided that in cases of positive necessity by some sudden emergency which in the judgment of the Chief of Police demands that such work days be extended beyond the periods limited in this ordinance, overtime worked by police officers in such emergency shall be placed to the credit of such police officers and additional days of rest given therefore. (Am. by ORD-14-00012, 1-14-14)

5.13 FINGERPRINTING SERVICES. The Police Department is hereby authorized to make available to the public, fingerprinting services, although it is not required to so do. The fee for each card containing fingerprints shall be determined by the Chief of Police. (Cr. by Ord. 9083, 1-29-87; Am. by Ord. 12,613, 6-29-00; ORD-06-00162, 11-21-06)

5.14 POLICE RECORD LETTERS. The Police Department is hereby authorized, but is not required, to provide letters including notarizations regarding an individual's own police record. The fee for each letter shall be seven dollars ($7.00). (Cr. by Ord. 9082, 1-29-87; Am. by Ord. 12,613, 6-29-00)

6.01 WHO COMPOSE THE FIRE DEPARTMENT.

(1) Fire Department. The Fire Department shall be under the supervision of the Fire Chief who shall be responsible for the protection of life and property against fire, the prevention and extinguishment of fires, the removal of fire hazards, and emergency rescue and lifesaving operations. The Fire Chief shall be responsible for the care and maintenance of all property and equipment of the division.

(2) Composition of Fire Department. The Fire Department shall consist of one chief to be known as the "Fire Chief" and other subordinate commissioned officers to be appointed as provided by Wis. Stat. § 62.13, and special personnel and other special duty personnel as may be needed to serve temporarily or in time of emergency to be appointed by the Mayor or Fire Chief. There shall be additional civil service employees to be appointed by the Fire Chief to hold their positions under Sec. 3.53, MGO. The number of commissioned and noncommissioned personnel is to be determined by the Common Council, except that any reduction in commissioned personnel is to be accomplished in accordance with Wis. Stat. § 62.13.

(Am. by ORD-14-00012, 1-14-14; ORD-14-00124, 7-11-14)

6.02 DUTIES.

(1) The Fire Chief shall have general supervision of the Fire Department and be responsible for the efficiency thereof. The Assistant Fire Chiefs shall discharge the duties of the Fire Chief in case of the absence, disability, or suspension of the Fire Chief.

(2) The Fire Chief and full paid firefighters shall devote all their time to the work of the said department and shall not engage in any other business, except that the Mayor may authorize Fire Department personnel to engage in part-time employment during their

spare time and aside from their duties in the department insofar as such spare time employment will not interfere with or diminish their ability to perform their Fire Department duties.
(Am. by ORD-14-00124, 7-11-14)

6.03 SALARIES.
The members of the Fire Department shall be paid such salaries and compensation as the Common Council shall determine subject, however, to provisions of Wis. Stat. § 62.13(7).
(Am. by ORD-14-00124, 7-11-14)

6.04 CONTROL OF FIRE ALARM SYSTEM. The electric Fire and Police Alarm System shall be under the control and supervision of the Traffic Engineer, who shall have the entire care and management of the rooms, apparatus, lines, boxes and machinery of said system, and shall be responsible for the constant good repair and working of the same. The Traffic Engineer shall have the power to make such regulations relating to the administration of the Fire Alarm System as shall from time to time be found necessary or convenient.

6.05 RESERVED FOR FUTURE USE. (R. by ORD-07-00127, 10-5-07)

6.06 RESERVED FOR FUTURE USE. (R. by ORD-07-00127, 10-5-07)

6.07 RESERVED FOR FUTURE USE. (R. by ORD-07-00127, 10-5-07)

6.08 DESTRUCTION OF PROPERTY TO PREVENT THE SPREAD OF FIRE.
During the progress of any fire the Chief of the Fire Department, or in case of her or his absence or disability the Deputy Chiefs or Assistant Chiefs, shall have the power to order the removal or destruction of any property necessary to prevent the further spread of fire. (Am. by ORD-14-00012, 1-14-14)

6.09 REGULATING AND CONTROLLING PRIVATE ALARM SYSTEMS.
All of Section 5.08 of the Madison General Ordinances entitled "Regulating and Controlling Private Alarm Systems" shall apply to this chapter just as if the above were set forth herein. (Cr. by Ord. 5592, 9-13-76)

6.10 RESERVED FOR FUTURE USE. (R. by ORD-07-00127, 10-5-07)

6.11 RESERVED FOR FUTURE USE. (R. by Ord. 4296, 8-29-73)

6.12 RESERVED FOR FUTURE USE. (R. by ORD-07-00127, 10-5-07)

6.13 RESERVED FOR FUTURE USE. (R. by ORD-07-00127, 10-5-07)

6.14 FIREFIGHTERS TO HAVE SAME AUTHORITY AS POLICE OFFICERS. The Chief, the Deputy Chiefs, the Assistant Chiefs, Captains, Lieutenants and all full paid firefighters of the Fire Department, shall have the same powers and authority as police officers of the City of Madison while going to, attending and returning from a fire. (Am. by ORD-14-00012, 1-14-14)

6.15 AUTHORITY OF THE CHIEF—TO KEEP RECORD—TO REPORT TO COUNCIL.
Subject to the rules and regulations provided for by Section 6.02 of this chapter, the Chief of the Fire Department shall have control over the members of the department; the Fire Chief shall also have control of all apparatus and property of the department subject to the direction of the Mayor and shall keep said apparatus repaired; the Fire Chief shall also keep an itemized record of all his or her official transactions and account for any money received or disbursed by him or her; the Fire Chief shall keep a record of each alarm of fire, showing the date, the exact time and the

number of the box or other source from which it is received; the Fire Chief shall report to the Mayor during the month of February in each year, the conditions, needs and defects of the department, and shall make such suggestions as to him or her may seem proper. (Am. by ORD-14-00012, 1-14-14)

6.16 CAUSES OF FIRE—INVESTIGATIONS. The Chief of the Fire Department shall investigate or cause to be investigated the cause, origin and circumstances of every fire occurring in the City, by which property has been destroyed or damaged, when the damage exceeds twenty-five dollars ($25), except that all fires of unknown origin shall be reported, and shall especially make investigation as to whether such fire was the result of carelessness, accident or design. Such investigation shall be begun within two (2) days of the occurrence of such fire and shall be subject to the supervision and direction of the State Fire Marshall as provided by law. (See Wis. Stat. § 165.55 (1971).) (Am. by Ord. 4296, 8-29-73)

6.17 PENSION FOR FIREFIGHTERS. For the purpose of establishing a permanent Firefighter's Pension Fund, there is set apart to be retained by the City Treasurer for such purpose all sums collected or received by such Treasurer under the requirements of Wis. Stat. § 62.13(10)(a). Every City officer being charged with any funds, fees, monies or other property by law required to be paid into said funds shall pay said monies or turn over said property to the City Treasurer as treasurer of the Pension Board and receive and accept the receipt of said Treasurer therefor. (Am. by ORD-14-00012, 1-14-14)

6.18 RESERVED FOR FUTURE USE. (R. by Ord. 4296, 8-29-73)

6.19 FIRE DEPARTMENT EMERGENCY RESCUE AMBULANCE SERVICE.

(1) Emergency rescue ambulance service in the City of Madison shall be under the control of the Fire Department, the operation and coordination of which shall be in accordance with procedures set forth in this section.

(2) Requests for emergency ambulance service will be received by or forwarded to the Fire Department Alarm Dispatcher, and it shall be her or his responsibility to dispatch emergency units to the scene. Such units shall consist of rescue ambulances operated by the Fire Department or ambulances operated by private companies when municipally owned vehicles are not available. The dispatcher may also dispatch such other Fire Department units as necessary when conditions warrant. (Am. by ORD-14-00012, 1-14-14)

(3) The Fire Department Dispatcher shall ascertain to the best of her or his ability by questioning the person requesting emergency rescue ambulance service whether or not an emergency exists, and in the event the conveyance requested does not in her or his judgment constitute an emergency, the call shall be referred to a private ambulance company. (Am. by ORD-14-00012, 1-14-14)

(4) Emergency rescue ambulance vehicles will be dispatched regardless of whether the accident or incident occurred on public or private property.

(5) (a) Any person not a resident of the City of Madison conveyed in a Fire Department emergency rescue ambulance vehicle to any hospital or similar facility shall be charged a conveyance fee as established from time to time by the Common Council.

(b) A person who is a resident of the City of Madison conveyed in a Fire Department emergency rescue ambulance vehicle to any hospital or similar facility shall be charged a conveyance fee as established from time to time by the Common Council.

(c) The conveyance fee may be waived in whole or in part based upon ability to pay determined by available resources for the payment of the conveyance fee and the

conveyed person's income level or the income level of the parent or guardian of the conveyed person in the event the conveyed person is less than 18 years old. The schedule for waiver of fee shall be established by the Common Council.

(Am. by Ord. 9649, 12-30-88)

(6) The Finance Director shall administer the billing system for the collection of Fire Department fees. (Sec. 6.19(6) R.; 6.19(7) renumbered to (6) and Am., and 6.19(8) R. by Ord. 7646, 2-18-82; Am. by ORD-11-00037, 3-8-11; ORD-15-00110, 10-28-15)

6.20 - 6.39 RESERVED FOR FUTURE USE. (Section 6.20 R. By Ord. 4296, 8-29-73)

6.40 PENALTY.

If any person shall violate any provision of this chapter for which a penalty is not provided therein, she or he shall be subject to a fine of not less than ten dollars ($10) nor more than two hundred dollars ($200). (Am. by ORD-14-00012, 1-14-14)

7.01 BOARD OF HEALTH FOR MADISON AND DANE COUNTY.

(1) Creation. The Board of Health for Madison and Dane County is hereby created to serve as the Board of Health for the City of Madison Department of Public Health and the Dane County Division of Public Health and upon full merger, will serve as the Board for the Madison and Dane County Health Department.

(a) (Rep. by ORD-13-00110, 6-12-13)

(2) Composition, Terms. The Board of Health for Madison and Dane County shall consist of eight (8) members. Appointees who are not elected officials shall have a demonstrated interest or competence in the field of public health or community health and shall reflect the diversity of the community.

(a) The Mayor shall appoint one (1) alder member subject to confirmation by the Common Council.

(b) The County Executive shall appoint one (1) supervisor member subject to confirmation by the County Board. The supervisor shall reside outside the City.

(c) The Mayor and the County Executive shall jointly appoint six (6) members. A good faith effort shall be made to appoint one (1) licensed physician, one (1) environmental health expert, and one (1) registered nurse. The physician shall be appointed from a list submitted by the Dane County Medical Society. The nurse shall have experience in community health practice.

The appointments shall be as follows:

1. Three (3) members shall be City residents and shall be subject to confirmation by the Common Council.
2. Three (3) members shall be County residents who reside outside of the City and shall be subject to confirmation by the County Board.
3. The board members' term shall be as follows:
   a. The alder and supervisor terms shall be for two (2) years.
   b. The remaining six (6) board members terms shall be for three (3) years, staggered so that two (2) board members' term expire each year (one each from the city and the county). In January, 2008, these board members shall determine, by lot, which members have initial terms of one (1), two (2) or three (3) years. Thereafter the terms shall be for three (3) years.

7.04 HUMANE OFFICERS ABATEMENT ORDERS.

(1) The Board of Health for Madison and Dane County is hereby designated and authorized, pursuant to Wis. Stat. § 173.03(2), to affirm, modify, or withdraw abatement orders issued under Wis. Stat. § 173.11 by any humane officer or law enforcement officer.

(2) Any person named in an abatement order may appeal such order to the Board of Health for Madison and Dane County within ten (10) days of service of the order. The notice of appeal must state the grounds for the appeal with specificity. The Board of Health for Madison and Dane County shall schedule a hearing to be held within ten (10) days of the receipt of the notice of appeal, unless the appellant agrees to a later date. The Board of Health for Madison and Dane County shall make reasonable efforts to notify the appellant, the officer issuing the abatement order, and any other interested party of the hearing and the opportunity to present evidence and testimony at the hearing. The hearing shall be informal in nature. Within ten (10) days after the hearing, the Board of Health for Madison and Dane County shall determine whether to affirm, modify and affirm, or withdraw the abatement order and shall issue their decision in writing and serve it upon the appellant and other interested parties.

(3) Any person adversely affected by a decision under subsection (2) may seek judicial review by commencing an action in circuit court within thirty (30) days after the date that the decision is issued.

(R. & R. by ORD-08-00120, 10-24-08)

7.05 INSPECTION OF HEALTH CONDITIONS—ACCESS TO PREMISES—POWER TO ABATE HEALTH NUISANCES.

(1) It shall be the duty of the Director of Public Health Madison and Dane County and Chief of Police and their designee and they shall have the power, whenever they may deem it

necessary, and whenever they shall be so required by the Director of Public Health Madison and Dane County in order to promote the public health, to enter upon any premises and into any house to ascertain every nuisance that may exist, and examine into the condition and the number of persons inhabiting such house, and to inspect the cellars, privies, cesspools, and drains of such premises, and to order the dispersion or removal of families or persons from buildings or apartments so much crowded as to be suspected of being infected or liable to be infected with any pestilential or other dangerous disease, and from houses which are not fit for human habitation and to order the abatement and removal of such nuisances in any such house, or on such premises. The Director of Public Health Madison and Dane County, Health Inspector, or any member of the Police Department shall have the right to enter upon any premises and into any house to ascertain whether or not such house or premises are connected with the public sewer system of the City and to examine into the condition and manner of the construction of such sewer connection, and to inspect the cellars, cesspools, privies, drains, and grease-traps on such premises, and in case they find any violation of any ordinance of the City regulating the manner of construction of such sewer connections, or in the manner in which it is being used by the occupants of any building or premises, they shall immediately report such violation to the City Engineer, and the Plumbing Inspector.

(2) Definition. "Health Nuisance" means a substance, activity or condition that is known to have the potential to cause acute or chronic illness, to endanger life, to generate or spread infectious diseases, or otherwise injuriously to affect the health of the public.

(3) Unlawful to Refuse Access for Examination of Health Conditions on Premises. It shall be unlawful for any person to refuse to the Director of Public Health Madison and Dane County and his/her designee, or any member of the Police Department, free access to any building or premises for the purpose of examining the health conditions therein or thereon or to hinder or obstruct the free examination of such building or premises.

(4) Search Warrant. Whenever the Director of Public Health Madison and Dane County or his/her designee shall deem it necessary for the preservation of the health of the inhabitants of the City to enter any building in the City for the purpose of examining into or removing or preventing any health nuisance, source of filth, or cause of sickness, and shall be refused such entry, or the building is unoccupied, the Director of Public Health Madison and Dane County or his/her designee may make complaint under oath to the judge of the County Court of Dane County, stating the facts in the case, and request such court to issue a warrant directing a police officer of the City, commanding the officer to take sufficient aid, and being accompanied by the Director of Public Health Madison and Dane County or his/her designee, to the place where such nuisance, source of filth or cause of sickness complained of may be, and if upon inspection the same shall, in the judgment of such persons inspecting, exist, to destroy or remove the same under the direction of the Director of Public Health Madison and Dane County.

(5) Abatement of Health Nuisances. Whenever any health nuisance, source of filth or cause of sickness shall be found on private property, the Director of Public Health Madison and Dane County or his/her designee shall order the owner or occupant thereof to remove or abate the same at the owner's expense within a reasonable time which shall be specified in the notice and if the owner shall refuse or neglect to comply with such order, the owner shall be subject to a fine of not less than ten dollars ($10) nor more than one hundred dollars ($100), and each day on which any person shall so refuse or neglect to comply with such order after service of the same may be considered a separate offense and a separate penalty collected therefor. Whenever such owner or occupant shall refuse or neglect to remove or abate said condition, the Director of Public Health Madison and Dane County shall cause the same to be removed or abated and the City shall recover the expenses incurred thereby from the said owner or occupant, or from such other person as shall have caused or permitted the same. In case the owner is absent from the City, notice to the person who receives the rent or has charge of the property shall be deemed notice to the

owner. If any owner or occupant is required to remove any nuisance, source of filth or cause of sickness by filling up low or marshy places upon the property owned or occupied by him or her and fails or neglects to do so within the time specified in the notice, then the Director of Public Health Madison and Dane County shall cause such work to be done by the appropriate entity and the cost thereof shall be collected from the owner of the premises. When the Director of Public Health Madison and Dane County or his/her designee shall cause any such health nuisance, source of filth or cause of sickness existing on private property to be removed or abated in accordance with the provisions of this section, and the owner of such property fails to pay for the expense of such removal or abatement, then the costs thereof shall be levied and collected as a special tax upon the lot or land upon which such work was done.

(6) It shall be unlawful for any individual to create or permit a health nuisance.

(7) Any person who violates sub. (6) shall be subject to a penalty of not more than one thousand dollars ($1000). Each and every day of violation shall constitute a separate offense.

(Sec. 7.05 Am. by ORD-08-00120, 10-24-08; ORD-14-00045, 3-6-14; ORD-15-00009, 1-28-15)

7.06 CONTAGIOUS DISEASES.

(1) Duty of Director of Public Health Madison and Dane County. It shall be the duty of the Director of Public Health Madison and Dane County upon the appearance of any communicable disease, as defined in chapter 252 of the revised statutes of Wisconsin, within the limits of the City, to investigate immediately all the circumstances, and to promptly take such measures for the prevention, suppression and control of any such disease as she or he deems needful and proper. The Director of Public Health Madison and Dane County shall cause to be quarantined and placarded any house or building within the City wherein there exists, or where there shall have recently existed a communicable disease, and to continue such quarantine for such reasonable length of time as may prevent the spread of disease. (Am. by ORD-06-00176, 12-8-06; ORD-14-00012, 1-14-14)

(2) Persons Quarantined Not to Leave Premises. No person, whether afflicted with any communicable disease as defined in chapter 252 of the Wisconsin Statutes, or not, shall visit or depart from any premises which shall have been quarantined by the Director of Public Health Madison and Dane County until given permission by such Director of Public Health Madison and Dane County. Any person who shall violate the provisions of this subsection shall be subject to a fine of not less than five dollars ($5) nor more than five hundred dollars ($500). (Am. by ORD-06-00176, 12-8-06)

(3) Physicians to Report Existence of Communicable Diseases. A physician knowing or having reason to know that a person treated or visited by him or her has a communicable disease, or having such disease, has died, shall report the same to the Director of Public Health Madison and Dane County. Any physician who shall refuse or neglect to give such notice for a period of twenty-four (24) hours shall be subject to a fine of not less than five dollars ($5) nor more than twenty-five dollars ($25) for each day of such refusal or neglect after the expiration of said twenty-four (24) hours. (Am. by ORD-14-00012, 1-14-14)

(4) Removal of Persons Afflicted With Communicable Diseases. The Director of Public Health Madison and Dane County, Health Inspectors and the Chief of Police and each of them is authorized to remove or cause to be removed, when so instructed by the Director of Public Health Madison and Dane County, any person afflicted with any dangerous communicable disease to such place as may be deemed expedient and appropriate; and they shall, under the direction of the Director of Public Health Madison and Dane County, destroy any furniture, clothing, or other property which may cause the spreading of such disease, or cause it to be removed or disinfected. (Am. by ORD-08-00120, 10-24-08)

(Am. by ORD-15-00009, 1-28-15)

7.07 REGULATIONS REGARDING FOODS HANDLED BY PUBLIC PLACES.

(1) No meats, fish, fruit, vegetables, or other articles of food shall be sold or offered or held for sale as food unless the same is fresh or properly preserved, sound, wholesome, and safe for use as food, nor shall any flesh of any animal which died by disease be sold or offered for sale in the City of Madison.

(2) All fruits and vegetables and other articles of food liable to contamination from dirt, flies, or other sources, when displayed outside of any building in any open window, or doorway or upon any sidewalk, street or alley, shall be elevated to a distance of at least twenty-four (24) inches above the floor or sidewalk and shall be covered with some suitable material to protect such articles of food from contamination and the sale or offering for sale of such articles of food that have been exposed to filth of any source or polluted in any manner by animals, insects, or vermin is hereby prohibited and declared unlawful.

(3) All places where food products are manufactured or prepared or sold to the public shall be maintained in a clean and sanitary condition and no foods shall be prepared, handled or cared for in any unclean manner or near any filthy object nor by any person wearing filthy clothing, nor by any person afflicted with a loathsome or venereal disease; and all sweeping, dusting, and cleaning in any such place shall be done with a moist cloth, or combined with sprinkling or other methods so as to allay the dust. All foodstuffs shall be suitably covered or otherwise protected from contamination. No sleeping room, urinal, water closet, ash pit, or coal bin shall connect directly with any room used for cooking preparation or storage of food.

(4) When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing, unless other effective means are provided to prevent the entrance of flies.

(5) Ice cream and butter sold or offered for sale in the City of Madison shall in every particular be standard and as fixed by the laws of the State of Wisconsin at the time the same is sold or offered for sale.

(6) The Director of Public Health Madison and Dane County is hereby authorized and directed to seize and destroy any articles of food or drink which are offered or held for sale as food or drink which have become tainted, decayed, spoiled, or otherwise unwholesome or unfit to be eaten or drunk.

(7) The term food as used herein includes all articles used for food or drink by man, whether simple, mixed, or combined.

(8) Food and Drink Permit.

(a) No person, firm, or corporation shall sell at retail, offer for sale at retail, or hold for sale at retail any meat, fish, fruit, vegetables or other articles of food without possessing a food and drink permit in good standing. Such permit shall not be transferable from one location to another or from one person to another except as provided in Wis. Stat. § 254.64. The permit shall be posted in a conspicuous place in the premises named in the permit. Only a person who complies with the requirements of this ordinance shall be entitled to receive and/or retain a permit.

(b) Application. At least seven (7) days prior to opening for business the owner or operator shall make application to the Clerk of the City of Madison for a permit. The owner or operator shall place her/his personal signature upon the application. The City Clerk shall transmit such application to Public Health Madison and Dane County. Public Health Madison and Dane County shall make such inspections as are necessary to determine whether all requirements of this ordinance have been satisfied. Permits shall be issued by the City Clerk only after the application therefor has been approved in writing by the Director of Public Health Madison and Dane County.

(c) Emergency Temporary Suspension. Any permit issued pursuant to this ordinance may be temporarily suspended or a method of operation or use of specific equipment temporarily prohibited by the Director of Public Health Madison and

Dane County upon observation of violation of any of the provisions of this ordinance upon the premises named in the permit, if the Director of Public Health Madison and Dane County has reasonable cause to believe that the violation or violations create an immediate danger to health. Suspension of all operations authorized by the permit may be ordered only if a more limited order will not remove the immediate danger. Reinstatement of the permit shall occur pursuant to Sec. 7.08(8) of the Madison General Ordinances. This order shall take effect immediately upon delivery to the operator or other person in charge of the establishment. The order shall be accompanied by written notice of the procedures for reinstatement and notice of the right to a hearing before a subcommittee of the Health Commission consisting of three members appointed by the Chair. Such hearing, which shall follow the procedures in Sec. 7.07(8)(d), must be held no later than fourteen (14) days after service of the notice unless both parties agree to a later date. The decision shall be issued within ten (10) days of the hearing. It may reverse, affirm or modify the order of the Director of Public Health Madison and Dane County and may order one or more of the options set forth in Wis. Stat. § 66.0417(3). Review of the decision shall be as provided in Sec. 7.07(8)(e) below.

(d) Suspension/Revocation. In addition to any other penalty provided by these ordinances, any permit may be suspended or revoked, by the Subcommittee of the Board of Health for Madison and Dane County formed for such purpose or by the Board of Health for Madison and Dane County as set forth below, upon serious or repeated violations of this ordinance. The permit shall not be suspended or revoked until the permit holder has had notice and an opportunity for a hearing. If the Director of Public Health Madison and Dane County is requesting suspension of a permit, the matter shall be heard before a subcommittee of the Board of Health for Madison and Dane County consisting of three (3) members appointed by the Chair. If the Director of Public Health Madison and Dane County seeks revocation of the permit, the hearing shall be before the Board of Health for Madison and Dane County, provided that the Board of Health for Madison and Dane County shall nevertheless have the authority to either suspend or revoke such permit. The licensee shall be notified in writing of the charges against her or him at least ten (10) days prior to the hearing. At the hearing the licensee and the Director of Public Health Madison and Dane County shall have the opportunity to cross-examine witnesses, may call witnesses in her or his own behalf or may be represented by counsel. Within ten (10) days of the hearing, the administrative hearing body shall issue a written decision stating the reasons therefor. If ordered, suspension shall be for a period not to exceed six (6) months; revocation shall be for a period of one (1) year. (Am. by ORD-05-00033, 2-24-05)

(e) Judicial Review. The decision of the administrative hearing body shall be a final determination and shall be subject to review in court as may be provided by law. Any person aggrieved by the decision may seek review thereof within thirty (30) days after the date of the final determination.

(f) Properly prepared plans for licensed premises which are hereafter constructed, reconstructed or extensively altered shall be submitted to the Director of Public Health Madison and Dane County and signed approval shall be obtained from the Director of Public Health Madison and Dane County before work is begun.

(g) The annual fee for the food and drink permit shall be based upon the anticipated gross annual food and drink sales for the licensing year as set forth in the tables below. The licensing year shall be from July 1 through the following June 30. The permit fee herein established shall be for one year or a fractional part thereof. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of fifteen percent (15%) of the license fee. Payment of the late

filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. For the licensing years commencing July 1, 2017, and subsequent thereto:

Anticipated Gross Annual Food and Drink Sales	Annual Permit Fee
$0 - $10,000	$190

(h) Holders of malt beverage licenses and intoxicating liquor licenses pursuant to Chapter 38 of these ordinances otherwise required to possess a food and drink permit, need not include the anticipated gross sales of such beverages regulated by said ordinance sections in determining the fee for the food and drink permit.

(Am. by Ord. 11,176, 2-14-95; Ord. 12,562, 5-3-00)

(9) Micro Market Permit.

(a) A micro market is an unstaffed, self-checkout retail food establishment selling prepackaged time- and temperature-controlled food located within a business.

(b) No person, firm, or corporation shall operate a micro market without possessing a food and drink permit in good standing. The permit shall be posted in a conspicuous place in the premises named in the permit. Only a person who complies with the requirements of this ordinance shall be entitled to receive and/or retain a permit.

(c) The annual fee for the micro market permit shall be sixty dollars ($60) for the licensing year commencing July 1, 2017, and subsequent thereto. The licensing year shall be from July 1 through the following June 30. The permit fee herein established shall be for one year or a fractional part thereof. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of fifteen percent (15%) of the license fee. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license.

(Sec. 7.07(9) Cr. by ORD-16-00111, 12-14-16)

(10) Reinspection Fee. If Public Health Madison and Dane County reinspects a retail food establishment or restaurant because Public Health Madison and Dane County finds a violation of this Chapter, Public Health Madison and Dane County shall charge the retail food establishment or restaurant owner or operator a reinspection fee of one hundred and fifty dollars ($150) for the first inspection and two hundred and fifty dollars ($250) for the second and subsequent reinspections. A reinspection fee is payable when the reinspection is completed, and is due upon written demand from Public Health Madison and Dane County. (Cr. by Ord. 10,745, 10-15-93; Am. by Ord. 12,728, 12-14-00; Ord. 13,505, 2-20-04; ORD-06-00156, 11-23-06; ORD-16-00111, 12-14-16)

(11) Permit Contingent on Payment of Fees. The City Clerk may not issue or renew a food and drink permit unless the permit applicant pays all fees which are due and payable under this section. (Cr. by Ord. 10,745, 10-15-93)

(12) Any person violating the provisions of this section shall be punished by a fine of not less than twenty dollars ($20) nor more than two hundred dollars ($200) and each day of violation shall constitute a separate offense. (Renumbered by Ord. 10,745, 10-15-93)

(Am. by ORD-15-00009, 1-28-15; Renum. by ORD-16-00111, 12-14-16)

7.075 GENERAL FOOD REGULATIONS.

The following regulations also apply to all eating and drinking establishments, retail food establishments, and soda fountains.

(1) Adoption by Reference. Wis. Stat. § 97.30 and Wis. Admin. Code chs. ATCP 74 and ATCP 75 and subsequent amendments, additions and recodifications are adopted by reference except for those provisions found elsewhere in the Madison General Ordinances which impose stricter standards, in which case the said ordinance provisions shall prevail. (Cr. by Ord. 10,745, 10-15-93; Am. by Ord. 13,497, 1-23-04)

(2) Miscellaneous Beef Products.

(a) Chopped beef or ground beef shall consist of chopped fresh and/or frozen beef with or without seasoning and without the addition of beef fat as such, shall not contain more than thirty percent (30%) fat, and shall not contain added water, binders, or extenders.

(b) Hamburger shall consist of chopped fresh and/or frozen beef with or without the addition of beef fat as such and/or seasoning, shall not contain more than thirty percent (30%) fat, and shall not contain added water, binders, or extenders.

(c) Beef patties shall consist of chopped fresh and/or frozen beef with or without the addition of beef fat as such and/or seasoning. Binders or extenders and/or partially defatted beef fatty tissue may be used without added water or with added water only in amounts such that the product's characteristics are essentially that of a meat pattie. The product must be labeled with ingredients in descending order of prominence.

(Renumbered by Ord. 8760, 12-31-85)

(3) Any food placed or displayed for sale on the outside of any building, in any open window, doorway, or upon any sidewalk, street or alley or from any conveyance shall be securely protected from flies, rodents, other animals, dust, dirt and all other injurious contamination and shall be elevated to a distance of at least twenty-four (24) inches above the floor or sidewalk. (Renumbered by Ord. 8760, 12-31-85)

(4) Samples. The Director of Public Health Madison and Dane County or his/her authorized representative shall have free access at reasonable hours to secure samples or specimens of any food after paying or offering to pay for such sample. It is the duty of the Director of Public Health Madison and Dane County or his/her authorized representative to make examinations of samples thus secured. (Renumbered by Ord. 8760, 12-31-85; Am. by ORD-14-00012, 1-14-14)

(5) Holding Orders.

(a) Whenever the Director of Public Health Madison and Dane County or authorized representative has reasonable cause to believe that any food is adulterated or misbranded and is dangerous to health or misleading to the injury or damage of the purchaser or consumer, she or he shall issue and deliver to the owner or custodian thereof a holding order prohibiting the sale or movement of such food for any purpose until the analysis of examination of the sample obtained has been completed. Such holding order shall be effective for a period no longer than fourteen (14) days from the time of delivery thereof.

(b) No food described in any such holding order so issued and delivered shall be sold or moved for any purpose without the approval of the Director of Public Health Madison and Dane County or her/his authorized representative until such analysis or examination has been completed within the time specified above. If the Director of Public Health Madison and Dane County or her/his authorized representative

upon completed analysis or examination determines that the food described in such holding order is not adulterated or misbranded, then the owner or custodian thereof shall be promptly so notified in writing, and such holding order shall terminate upon such notification.

(c) Where the analysis or examination shows such food is adulterated or misbranded and is dangerous to Health or misleading to the injury or damage of the purchaser or consumer, the owner or custodian thereof shall be so notified within the effective time of the holding order. Upon receipt of such notice the food subject to the holding order shall not be sold or otherwise moved without the approval of the Director of Public Health Madison and Dane County or her/his authorized representative and shall only be sold or otherwise moved in a manner authorized by the Director of Public Health Madison and Dane County or her/his authorized representative or under her/his direction.

(Renumbered by Ord. 8760, 12-31-85; Am. by ORD-14-00012, 1-14-14)

(6) Penalties. Any person who violates any provision of this ordinance shall be fined not less than ten dollars ($10) nor more than two hundred dollars ($200). Each and every violation of the provisions of this ordinance shall constitute a separate offense. (Renumbered by Ord. 8760, 12-31-85)

(Sec. 7.075 Cr. by Ord. 5523, 6-30-76; Am. by ORD-15-00009, 1-28-15)

7.08 REGULATIONS GOVERNING EATING AND DRINKING ESTABLISHMENTS.

(1) Definitions. The following definitions shall apply in the interpretations and the enforcement of this ordinance:

Approved. Wherever the word "approved" appears in this regulation, it shall mean approved by Public Health Madison and Dane County unless otherwise specified.

Director of Public Health Madison and Dane County. The term "Director of Public Health Madison and Dane County" shall mean the Director of Public Health Madison and Dane County or her/his authorized representative.

Employee. The term "employee" shall mean any person who is engaged in the preparation or serving of food or drink, or who comes in contact with any eating or drinking utensils and who is employed in a room in which food or drink is prepared or served.

Food Establishment. Food establishments are defined as an operation that stores, prepares, serves, vends, sells or otherwise provides food for human consumption. The term includes, but is not limited to, a restaurant, retail food establishment, and temporary food establishment.

Permit. The term "permit" as used in this ordinance means a "permit to operate an eating or drinking establishment."

Restaurant. The term "restaurant" shall mean restaurant, coffee shop, cafeteria, short order cafe, luncheonette, tavern, sandwich stand, and all other eating and drinking establishments. Kitchens or other places in which meals, lunches or sandwiches are prepared for sale elsewhere, and any conveyance or place from which meals, lunches, or sandwiches are sold are termed "restaurant" for the purpose of this ordinance. The term "restaurant" does not apply to churches, religious and fraternal organizations which occasionally prepare and serve or sell meals or lunches to transients or the general public.

Temporary Food Establishment. Temporary food establishment is defined as a food establishment that operates at a fixed location for a period of no more than fourteen (14) consecutive days in conjunction with a single event or celebration such as a fair, carnival, circus, public exhibition, anniversary sale, or occasional sales promotion.

Utensils. "Utensils" shall mean any kitchenware, tableware, glassware, cutlery, containers, or other equipment with which food or drink comes in contact during storage, preparation or serving.

(Am. by ORD-16-00111, 12-14-16)

(2) Permits. It shall be unlawful for any person, who does not possess a food and drink permit in good standing, to operate a restaurant in the City of Madison. (Am. by Ord. 8189, 12-28-83)

(3) Authority to Restrict Permit. The Chief of Police or designee may reasonably limit or restrict the operation of a restaurant including mobile carts within such areas of the City as necessary to prevent a traffic hazard, or to protect life and property. Such limitation or restriction shall be for only as long as necessary to restore order and peace. (Cr. by Ord. 11,851, 4-24-97)

(4) Examination and Condemnation of Unwholesome or Adulterated Food and Drink. Samples of food, drink, and other substances may be taken and examined by the Director of Public Health Madison and Dane County as may be necessary for the detection of unwholesomeness or adulteration. The Director of Public Health Madison and Dane County may condemn and forbid the sale of or cause to be removed or destroyed, any food or drink which is unwholesome or adulterated. (Am. by ORD-15-00009, 1-28-15)

(5) Inspection of Restaurants. At least once every twelve (12) months the Director of Public Health Madison and Dane County shall inspect every restaurant located within the City of Madison. In case the Director of Public Health Madison and Dane County discovers the violation of any of the provisions of subsection (6) of this ordinance, he/she shall make a second inspection after the lapse of such time as is reasonably necessary for the defect to be remedied, and the second inspection shall be used in determining compliance with the requirements of this ordinance. Any violation of the same item of this ordinance on such second inspection shall be grounds for suspension of permit.

One copy of the inspection report shall be posted by the Director of Public Health Madison and Dane County upon an inside wall of the restaurant, and said inspection report shall not be defaced or removed by any person except the Director of Public Health Madison and Dane County. Another copy of the inspection report shall be filed with the records of Public Health Madison and Dane County.

The person operating the restaurant shall upon request of the Director of Public Health Madison and Dane County permit access to all parts of the establishment and shall permit viewing any or all records of foods purchased.
(Am. by Ord. 7899, 12-29-82; ORD-15-00009, 1-28-15)

(6) Sanitation Requirements for Restaurants. All restaurants shall comply with the following sanitation requirements.

(a) Floors. The floors of all rooms in which food or drink is stored, prepared or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, shall be smooth, and shall be kept clean and in good repair.

(b) Walls and Ceilings. Walls and ceilings of all rooms shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth washable surface.

(c) Doors and Windows. When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing unless other effective means are provided to prevent the entrance of flies.

(d) Lighting. All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

(e) Ventilation. All rooms in which food or drink is stored, prepared, or served, or in which utensils are washed, shall be well ventilated. Grills shall be equipped with an effective hood containing filters and a fan to exhaust smoke and fumes.

(f) Toilet Facilities. Every restaurant shall be provided with adequate and conveniently located toilet and approved handwashing facilities for the public and its employees conforming with the General Ordinances of the City of Madison except that:

1. Access of the public toilets shall not be through an area where food or utensils are stored or processed.

2. Employees' toilets opening directly into a food storage or preparation area shall have self-closing doors.

3. Handwashing signs shall be kept posted in toilet rooms used by employees.

(g) Water Supply. Adequate safe water under pressure shall be convenient in any room where food is prepared or utensils are washed. Private water supply installation shall be in conformance with the Wisconsin Well Construction and Pump Installation Code. Private water supplies shall be sampled at least once every six (6) months and shall conform to the standards of Public Health Madison and Dane County.

For the safety of the occupants of the building the general water supply shall not exceed one hundred fifty (150) degrees Fahrenheit.

It is recommended that water hardness in the hot water supply should not exceed five (5) grains in hardness.

(Am. by Ord. 7899, 12-29-82; ORD-15-00009, 1-28-15)

(h) Lavatory Facilities. Separate handwashing facilities in the food preparation area shall be provided. Hot and cold running water, soap and approved hand drying facilities shall be available.

(i) Construction of Utensils and Equipment. All multi-use utensils and all show and display cases or windows, counters, shelves, tables, refrigerating equipment, sinks, and other equipment or utensils used in connection with the operation of a restaurant shall be so constructed as to be easily cleaned and shall be kept in good repair. Work surfaces shall be constructed of hardwood or other approved corrosion resistant material.

(j) Cleaning and Bactericidal Treatment of Utensils and Equipment.

1. All equipment, including display cases or windows, counters, shelves, tables, refrigerators, stoves, hoods, and sinks, shall be kept clean and free from dust, dirt, insects, and other contaminating material. All cloths used by waiters, chef, and other employees shall be clean. Single-service containers shall be used only once.

2. All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively sanitized after each use.

3. Manual Cleaning. The following procedures and equipment shall be used where manual dishwashing is practiced.

   a. Dish Tables. Adequate area shall be provided on either end of sinks for storage and draining of eating and drinking utensils.

   b. Scraping. Washing shall be preceded by manual or water scraping or preflushing.

   c. Washing. Multi-use utensils shall be thoroughly washed in warm water and soap or detergent. Wash water shall be kept clean by frequent changing.

   d. Sanitizing of Hand-Washed Dishes. Following hand washing, all utensils shall be sanitized by either of the following two methods:

      i. First Method. Submerge all utensils for thirty (30) seconds in clean water maintained at a temperature of one hundred seventy (170) degrees Fahrenheit or more.

      A suitable thermometer shall be provided for the continuous determination of the temperature of the water used for hot-water sanitizing.

      ii. Second Method. All utensils shall be submerged or rinsed following the washing operation in water at a minimum temperature of one hundred ten (110) degrees Fahrenheit to remove soap or detergent, and then be submerged for at least two (2) minutes in a hypochlorite solution. The

solution shall be made up with a chlorine concentration of at least one hundred (100) parts per million and shall be discarded when the chlorine concentration goes below fifty (50) parts per million. All hypochlorite solutions shall be prepared fresh at least three (3) times each day prior to its use in sanitizing the dishes used at each main meal period, and at least twice each day if only glassware is sanitized. Soaps, water softeners, washing compounds and detergents shall not be added to sanitizing solutions. Utensils should be racked in baskets so that all surfaces will be reached by the chemical solution while submerged. Other chemical sanitizing solutions may be approved for use by the Director of Public Health Madison and Dane County in which case the concentration will be specified. A three compartment dishwashing tank shall be necessary in order to meet the requirements of this section. (Am. by ORD-15-00009, 1-28-15)

4. Mechanical Cleaning. The following procedures and equipment shall be acceptable where mechanical utensil washing is employed:
   a. Tables. Adequate tables shall be provided for storing, scraping, racking and drying of utensils. In all new or remodeled installations the drying area shall be adequate to provide a forty-five (45) second drying period after utensils leave dish machine.
   b. Scraping. (water scraping; preflushing; prerinsing) Gross soil on utensils shall be removed by scraping before utensils enter dish machine.
   c. Racking. Utensils shall be placed in racks in a manner so that each utensil will be fully exposed to unrestricted preflushing, washing and rinsing.
   d. Washing. Utensils shall be subjected to wash water temperature between one hundred forty (140) degrees—one hundred sixty (160) degrees Fahrenheit and adequate detergent for at least twenty (20) seconds.
   e. Sanitizing. Utensils shall be subjected to a sanitizing rinse of at least one hundred eighty (180) degrees Fahrenheit for at least ten (10) seconds in spray type machines, and thirty (30) seconds or immersion type machines with water temperature at least one hundred seventy (170) degrees Fahrenheit. No mechanical dishwasher utilizing a chemical sanitizer may be used without written approval by Public Health Madison and Dane County. (Am. by Ord. 7899, 12-29-82; ORD-15-00009, 1-28-15)
   f. Water Pressure. In spray type machines wash and rinse waters shall have fifteen (15) to twenty-five (25) pounds per square inch flow pressure.
   g. Thermometers. Easily readable thermometers shall be provided to show the temperature of the wash water and of the rinse water entering the rinse spray arms of spray type machines or in the rinse tank of immersion type machines.
   h. Maintenance. All dishwashing equipment shall be maintained in the proper state of repair so as to provide clean and sanitary utensils.
   i. Operation. Dishwashing operations shall be such as to insure proper operation of dish machine equipment and comply with this

ordinance. Clear and explicit instructions on the dishwashing operation shall be kept posted where readily visible to the dish machine operator.

5. Drying Cloths. Where used, an adequate supply of clean drying cloths shall be readily available to the dishwashing area. Soiled cloths shall be kept in an area or container not readily accessible to the dishwashing area.

6. Glass Washer. Approved automatic cold water glass washers using an approved chemical sanitizer are acceptable.

(k) Storage and Handling of Utensils and Equipment. After bactericidal treatment utensils shall be stored in a clean, dry place protected from flies, dust and other contamination, and shall be handled in such a manner as to prevent contamination. Single-service utensils shall be purchased only in sanitary containers, shall be stored therein in a clean, dry place until used, and shall be handled in a sanitary manner. Drinking straws and toothpicks shall be either wrapped or kept in sanitary dispensers, protected from handling during filling, storage and dispensing and from other sources of contamination.

Where ice cream and frozen desserts are dipped or ladled, running water dipper wells shall be provided.

(l) Plumbing and Disposal of Wastes. All wastes shall be properly disposed of, and all garbage and rubbish shall be kept in suitable receptacles in such manner as not to become a nuisance. All plumbing shall be so designed, installed and maintained as to prevent contamination of the water supply, food, drink or equipment.

(m) Refrigeration. All readily perishable food and drink shall be kept at or below forty (40) degrees Fahrenheit except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of. Dry refrigeration shall be used in all permanent installations.

(n) Wholesomeness of Food and Drink. All food and drink shall be clean, wholesome, free from spoilage, and so prepared as to be safe for human consumption. All meat, milk, fluid milk products, ice cream, and other frozen desserts served shall be from approved sources. Milk and fluid milk products shall be served in the individual original containers in which they were received from the distributor or from a bulk container equipped with an approved dispensing device; provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service. The dipping of milk, for milk drinks is prohibited. All oysters, clams, and mussels shall be from approved sources, and if shucked shall be kept until used in the containers in which they were placed at the shucking plant.

No custards (pastries, puddings, etc.) over twenty-four (24) hours old shall be served.

(o) Storage, Display and Serving of Food and Drink. All food and drink shall be so stored, displayed, and served as to be protected from dust, flies, vermin, depredation and pollution by rodents, unnecessary handling, droplet infection, overhead leakage, and other contamination. No birds or animals shall be allowed in any area used for the conduct of eating and drinking establishment operations except service animals may be permitted in dining areas. Necessary measures in compliance with current practices approved by the Director of Public Health Madison and Dane County for the elimination of insects and rodents shall be taken. (Am. by ORD-06-00176, 12-8-06; ORD-15-00009, 1-28-15)

(p) Cleanliness of Employees. All employees shall wear clean outer garments and shall keep their hands clean at all times while engaged in handling food, drink, utensils, or equipment. Employees shall not expectorate or use tobacco in any form in any area in which food is prepared. Hairnets or caps shall be worn by employees working in any food preparation area.

(q) Miscellaneous. The premises of all restaurants shall be kept clean and free of litter or rubbish. None of the operations connected with a restaurant shall be conducted in any room used as living or sleeping quarters. Adequate lockers or dressing rooms shall be provided for employees' clothing and shall be kept clean. Soiled linens, coats, and aprons shall be kept in containers for this purpose. A properly charged fire extinguisher shall be provided and kept convenient to the cooking area.

(7) Temporary Restaurant.

(a) Permit. No temporary restaurant shall be operated without a permit. Application for said permit must be filed with the office of the City Clerk at least seven (7) days prior to the event. For temporary restaurant permit applications received less than seven (7) days prior to the event, a twenty-five dollar ($25) late fee per event will be added to the total permit fee. (Am. by Ord. 9618, 11-11-88; ORD-12-00075, 6-20-12)

(b) Fee. Pursuant to Wis. Stat. § 97.615, the fee for an annual permit to operate a temporary food establishment may be one hundred and twenty-five dollars ($125). (Am. by Ord. 11,817, 3-31-97; Ord. 13,306, 4-30-03; ORD-06-00156, 11-23-06; ORD-16-00111, 12-14-16)

(c) Grounds. The temporary food establishment shall be located in clean surroundings which shall be kept free of litter. Where needed, containers for napkins, paper service, bags and wrappers shall be provided and conveniently located. (Am. by ORD-16-00111, 12-14-16)

1. Water. Adequate water from a safe sanitary source shall be readily available.
2. Toilet Facilities. Approved toilet facilities must be convenient for personnel and patrons and shall be properly maintained.
3. Wastes. Arrangements for proper storage and disposal of garbage, rubbish and liquid wastes shall be made before the application for a permit is filed.

(d) Construction. A suitable roof or cover shall be provided. Sidewalks may be required where they may be deemed necessary for the proper protection of a food or patrons. The floors shall be maintained in a sanitary manner.

1. Kitchen. The kitchen area shall be enclosed or screened or flies absent.
2. Equipment. All equipment shall be so constructed as to be easily cleanable and shall be in good working order.

(e) Operation. The operation of a temporary food establishment shall be such as to assure clean wholesome food. (Am. by ORD-16-00111, 12-14-16)

1. Handwashing Facilities. Hot and cold water, soap and approved toweling shall be provided and shall be convenient to the food preparation and serving areas.
2. Shields. Grills, griddles and ranges not in a kitchen enclosure shall be equipped with a suitable shield covering front, ends and a portion of the top.
3. Refrigeration. Refrigeration shall be adequate, not above forty (40) degrees Fahrenheit, for the proper storage of all perishable food or drink. Dry refrigeration shall be used wherever practicable. The pouring lips of bottles containing milk or other beverages shall not be submerged for cooling. Ice used in food or drink shall be from an approved source and so handled as to avoid contamination.
4. Meat and Dairy Products. Meat and dairy products shall be from approved sources.

5. Dishwashing. Where manual dishwashing is employed the following procedure shall be followed:
   a. Wash. Utensils shall be washed in hot water and suitable soap or detergent. Wash water shall be frequently changed.
   b. Rinse. After washing the utensils shall be rinsed in clean water.
   c. Sanitizing. Multiple use utensils shall be sanitized by submerging for thirty (30) seconds in water maintained at one hundred seventy (170) degrees Fahrenheit or submerged for two (2) minutes in a water solution containing one hundred (100) parts per million available chlorine or other equivalent approved sanitizer.
   d. Drying. When practicable utensils should be air dried. When toweling must be employed an adequate supply of clean towels must be readily available. Soiled towels shall be removed to an area or container not readily accessible to the drying operation.

(f) Storage of Food and Utensils. Food and utensils shall be stored in a clean dry place protected from insects, dust, splash and other contamination.

(g) Preparation and Serving of Food. All foods shall be prepared in a clean, safe manner. Foods being displayed shall be protected from dust, dirt, insects and other contamination.

(h) Cleanliness. All personnel shall keep their hands and fingernails clean. Clothing shall be clean. Hairnets or caps shall be worn by persons preparing or portioning food.

(i) Disease Control. All personnel preparing, serving food or handling utensils shall comply with subsection (9) (Disease Control) of the ordinance.

(j) Registration Required. A temporary food establishment shall register with the department prior to commencing operations in any twelve-(12) month period between July 1 and June 30 of the succeeding year. Failure to register a temporary restaurant or temporary retail food operation shall be a violation of this ordinance punishable by a forfeiture of not less than fifty dollars ($50) nor more than one hundred dollars ($100) for the first offense and not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for a second or subsequent offense in any five- (5) year period. Registration under this section shall be required without regard to the number of days of operation anticipated by the owner or operator of the facility and without regard to whether the facility is exempt from the requirement to obtain a license under state law. (Cr. by ORD-16-00111, 12-14-16)

(k) Inspection. Without regard to whether a temporary restaurant or temporary retail food operation is required to obtain a license under state law, the department is authorized to inspect any such operation at any time and to issue a cease operations order if unsanitary conditions are found to exist. The Department shall cause any such order to be posted in a prominent and conspicuous place on the premises. (Cr. by ORD-16-00111, 12-14-16)

(8) Reinstatement of Permit. The owner or operator of any restaurant for which the permit has been suspended may at any time make application for the reinstatement of the permit. Within three (3) days after the receipt of a satisfactory application, accompanied by a statement signed by the applicant to the effect that the violated provisions of this ordinance have been conformed with, the Director of Public Health Madison and Dane County shall make a reinspection, and thereafter as may additional reinspections as she or he may deem necessary to assure her/himself that the applicant is again complying with the requirements, and in case the findings indicate compliance, shall reinstate the permit. (Am. by ORD-14-00012, 1-14-14; ORD-15-00009, 1-28-15)

(9) Disease Control. No person who is affected with any disease in a communicable form or is a carrier of such disease shall work in any restaurant and no restaurant shall employ any

such person. All medically suspected cases of communicable disease shall be studied by Public Health Madison and Dane County to determine presence or absence of communicable disease. Until it can be determined by examination and/or tests that communicable disease is not present, the employee shall not work in a restaurant.

No person with any open lesion which may subject any food or utensil to contamination therefrom shall prepare or serve food or handle restaurant utensils. (Am. by Ord. 7899, 12-29-82; ORD-15-00009, 1-28-15)

(10) Adoption by Reference. Wis. Admin. Code ch. ATCP 75, Restaurants, and subsequent amendments, additions and recodifications, are adopted by reference. (Cr. by Ord. 8309, 4-16-84; Am. by ORD-12-00035, 3-28-12)

(11) Sections in this code that are more restrictive or not covered in the Wis. Admin. Code ch. ATCP 75, shall be enforced over the Wis. Admin. Code ch. ATCP 75, unless the conflicting provisions of the state code are mandatory. (Cr. by Ord. 8309, 4-16-84; Am. by ORD-12-00035, 3-28-12)

(12) Penalties. Any person who violates any provision of this ordinance shall be fined not less than twenty dollars ($20) nor more than two hundred dollars ($200). Each and every violation of the provisions of this ordinance shall constitute a separate offense. (Renumbered and Am. by Ord. 8309, 4-16-84)

(13) Unconstitutionality Clause. Should any section, subsection, sentence, paragraph, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of said ordinance shall not be affected thereby. (Renumbered by Ord. 8309, 4-16-84)

(14) Appeal.

(a) Pursuant to Wis. Admin. Code § ATCP 75.106(3), any operator aggrieved by an order of the Director of Public Health Madison and Dane County may request a hearing to appeal the order. A request for a hearing shall be submitted to the Board of Health for Madison and Dane County within fifteen (15) days after issuance of the order; otherwise, the right to request a hearing shall be deemed waived. (Am. by ORD-12-00035, 3-28-12)

(b) The matter shall be heard before a subcommittee of the Board of Health for Madison and Dane County consisting of three (3) members appointed by the Chair. All parties shall be notified of the date, time and location of the hearing to be set no more than thirty (30) days nor less than ten (10) days after the request has been received by the Board of Health for Madison and Dane County. At the hearing the operator and the Director of Public Health Madison and Dane County may be represented by counsel, shall have the opportunity to present evidence, and shall be able to call and cross-examine witnesses. Within ten (10) days of the hearing, the subcommittee shall issue a written decision stating the reason therefor.

(c) The decision of the subcommittee shall be a final determination and shall be subject to review in Circuit Court of Dane County as may be provided by law. Any party aggrieved by the decision may seek review thereof within thirty (30) days after the date of the final determination.

(Sec. 7.08(14) Am. by Ord. 11,897, 7-14-97; Ord. 13,170, 10-23-02; ORD-05-00033, 2-24-05; ORD-15-00009, 1-28-15)

7.085 REGULATIONS GOVERNING SODA FOUNTAINS.

(1) Definitions. The following definitions shall apply in the interpretations and the enforcement of this ordinance:

(a) Soda Fountain. The term "soda fountain" shall mean a place of business, or a designated area within another place of business, where any one or combination of ice cream, ice milk, sherbets, syrup flavors, fruit and soft drinks are served in individual portions to the public. The term soda fountain shall not refer to places

of business where soft drinks are served only in the original container or to locations where only individually pre-wrapped or packaged-at-the-factory portions of ice cream, ice milk or other frozen mixtures of milk and flavors are sold.

(b) Employee. The term "employee" shall mean any person who is engaged in the preparation or serving of food or drink, or who comes in contact with any eating or drinking utensils and who is employed in a room in which food or drink is prepared or served.

(c) Utensils. "Utensils" shall mean any kitchenware, tableware, glassware, cutlery, containers, or other equipment with which food or drink comes in contact with during storage, preparation, or serving.

(d) Director of Public Health Madison and Dane County. The term "Director of Public Health Madison and Dane County" shall mean the Director of Public Health Madison and Dane County or his/her authorized representative. (Am. by ORD-08-00120, 10-24-08; ORD-15-00009, 1-28-15)

(e) Approved. Wherever the word "approved" appears in this regulation, it shall mean approved by Public Health Madison and Dane County unless otherwise specified. (Am. by Ord. 7899, 12-29-82 ORD-15-00009, 1-28-15)

(2) Permits. It shall be unlawful for any person to operate a soda fountain in the City of Madison who does not possess a food and drink permit. (Am. by Ord. 8189, 12-28-83)

(3) Reserved For Future Use. (R. by Ord. 8189, 12-28-83)

(4) Examination and Condemnation of Unwholesome or Adulterated Food and Drink. Samples of food, drink, and other substances may be taken and examined by the Director of Public Health Madison and Dane County as may be necessary for the detection of unwholesomeness or adulteration. The Director of Public Health Madison and Dane County may condemn and forbid the sale of or cause to be removed or destroyed, any food or drink which is unwholesome or adulterated.

(5) Inspection of Soda Fountains. At least once every six (6) months the Director of Public Health Madison and Dane County shall inspect every soda fountain located within the City of Madison. In case the Director of Public Health Madison and Dane County discovers the violation of any item of sanitation, he/she shall make a second inspection after the lapse of such time as is reasonably necessary for the defect to be remedied, and the second inspection shall be used in determining compliance with the requirement of this ordinance. Any violation of the same item of this ordinance on the third consecutive inspection shall call for immediate suspension of permit.

One copy of the inspection report shall be posted by the Director of Public Health Madison and Dane County upon an inside wall of the soda fountain, and said inspection report shall not be defaced or removed by any person except the Director of Public Health Madison and Dane County. Another copy of the inspection report shall be filed with the records of Public Health Madison and Dane County.

The person operating the soda fountain shall upon request of the Director of Public Health Madison and Dane County permit access to all parts of the establishment relevant to the soda fountain operation.
(Am. by Ord. 7899, 12-29-82; ORD-15-00009, 1-28-15)

(6) Sanitation Requirements for Soda Fountains. All soda fountains shall comply with the following sanitation requirements:

(b) Walls and Ceilings. Walls and ceilings of all rooms shall be kept clean and in good repair. All walls and ceilings of rooms in which food or drink is prepared shall be finished in light color. The walls of all rooms in which food or drink is prepared or utensils are washed shall have a smooth, washable surface.

(c) Doors and Windows. When flies are prevalent, all openings into the outer air shall be effectively screened and doors shall be self-closing unless other effective means are provided to prevent the entrance of flies.

(d) Lighting. All rooms in which food or drink is stored or prepared or in which utensils are washed shall be well lighted.

(e) Ventilation. All rooms in which food or drink is stored, prepared, or served, or in which utensils are washed shall be well ventilated.

(f) Toilet Facilities. Every soda fountain shall be provided with adequate and conveniently located toilet facilities for its employees and conforming with the General Ordinances of the City of Madison except that:

1. Employees' toilets opening directly into a food storage or preparation area shall have self-closing doors.
2. Handwashing signs shall be kept posted in toilet rooms used by employees.

(g) Water Supply. Adequate safe water under pressure shall be convenient in any room where food is prepared or utensils are washed. Private water supply installation shall be in conformance with the Wisconsin Well Construction and Pump Installation Code. Private water supplies shall be sampled at least once every six (6) months and shall conform to the standards of the Public Health Madison and Dane County. (Am. by Ord. 7899, 12-29-82)

(h) Lavatory Facilities. Adequate handwashing facilities convenient to the food preparation area shall be provided. Hot and cold running water, soap and approved hand drying facilities shall be available.

(i) Construction of Utensils and Equipment. All multi-use utensils and all show and display cases or windows, counters, shelves, tables, refrigerating equipment, sinks, and other soda fountain equipment or utensils used in connection with the operation of a soda fountain shall be so constructed as to be easily cleaned and shall be kept in good repair. Work surfaces shall be constructed of corrosive resistant material.

(j) Cleaning and Bactericidal Treatment of Utensils and Equipment.

1. All equipment, including display cases or windows, counters, shelves, tables, refrigerators, and sinks, shall be kept clean and free from dust, dirt, insects, and other contaminating material. All cloths used by waiters and other employees shall be clean. Single-service containers shall be used only once.
2. All multi-use eating and drinking utensils shall be thoroughly cleaned and effectively sanitized after each use.
3. Manual Cleansing. The following procedures and equipment shall be acceptable where manual dishwashing is practiced.
    a. Dish Tables. Adequate area shall be provided on either end of sinks for storage and drainage of eating and drinking utensils.
    b. Scraping. When practical, washing shall be preceded by manual or water scraping or preflushing.
    c. Washing. Multi-use utensils shall be thoroughly washed in warm water and soap or detergent. Wash water shall be kept clean by frequent changing.
    d. Sanitizing. Utensils shall be sanitized by one of the following methods: Submerging in water maintained at one hundred eighty (180) degrees Fahrenheit for thirty (30) seconds; or submerging for two (2) minutes in a solution containing two hundred (200) parts per million available chlorine or other equivalent solution approved by the Director of Public Health Madison and Dane County.

Where chemicals (chlorine or other) are used as sanitizing agents, a clear water rinse shall be provided between the wash and sanitizing tanks.

4. Mechanical Cleaning. The following procedures and equipment shall be acceptable where mechanical dishwashing is employed.

   a. Dish Tables. Adequate area shall be provided for storing, scraping, racking and drying of utensils. In all new or remodeled installations drying area shall be adequate to provide a forty-five (45) second drying period after utensils leave dish machine.

   b. Scraping. (Water scraping; preflushing; prerinsing) Gross soil on utensils shall be removed by scraping before utensils enter dish machine.

   c. Racking. Utensils shall be placed in racks in a manner so that each utensil will be fully exposed to unrestricted preflushing, washing and rinsing.

   d. Washing. Utensils shall be subjected to wash water temperature between one hundred forty (140) degrees - one hundred sixty (160) degrees Fahrenheit and adequate detergent for at least twenty (20) seconds.

   e. Sanitizing. Utensils shall be subjected to a sanitizing rinse of at least one hundred eighty (180) degrees Fahrenheit for at least ten (10) seconds in spray type machines and thirty (30) seconds or more in immersion type machines.

   f. Water Pressure. In spray type machines wash and rinse waters shall have fifteen (15) to twenty-five (25) pounds per square inch flow pressure.

   g. Thermometers. Easily readable thermometers shall be provided to show the temperature of the wash water and of the rinse water entering the rinse spray arms of spray type machines or in the rinse tank of immersion type machines.

   h. Maintenance. All dishwashing equipment shall be maintained in the proper state of repair so as to provide clean and sanitary utensils.

   i. Operation. Dishwashing operations shall be such as to insure proper operation of dish machine equipment and comply with this ordinance. Clear and explicit instructions on the dishwashing operation shall be kept posted where readily visible to the dish machine operator.

5. Drying Cloths. Where used, an adequate supply of clean drying cloths must be readily available to the dishwashing area. Soiled cloths shall be kept in an area or container not readily accessible to the dishwashing area.

(k) Storage and Handling of Utensils and Equipment. After bactericidal treatment utensils shall be stored in a clean, dry place protected from flies, dust and other contamination, and shall be handled in such a manner as to prevent contamination as far as practicable. Single-service utensils shall be purchased only in sanitary containers, shall be stored therein in a clean, dry place until used, and shall be either wrapped or kept in sanitary dispensers, protected from handling during filling, storage and dispensing and from other sources of contamination.

Where ice cream and frozen desserts are dipped or ladled, running water dipper wells shall be provided.

(l) Plumbing and Disposal of Wastes. All wastes shall be properly disposed of, and all garbage and rubbish shall be kept in suitable receptacles in such manner as not be become a nuisance. All plumbing shall be so designed, installed and maintained as to prevent contamination of the water supply, food, drink, or equipment.

(m) Refrigeration. All readily perishable food and drink shall be kept at or below forty (40) degrees Fahrenheit except when being prepared or served. Waste water from refrigeration equipment shall be properly disposed of. Dry refrigeration shall be used in all permanent installations.

(n) Wholesomeness of Food and Drink. All food and drink shall be clean, wholesome, free from spoilage, and so prepared as to be safe for human consumption. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from approved sources. Milk and fluid milk products shall be served in the individual, original containers in which they were received from the distributor or from a bulk container equipped with an approved dispensing device; provided, that this requirement shall not apply to cream, which may be served from a dispenser approved for such service. The dipping of milk for milk drinks is prohibited.

(o) Storage, Display and Serving of Food and Drink. All food and drink shall be so stored, displayed and served as to be protected from dust, flies, vermin, depredation and pollution by rodents, unnecessary handling, droplet infection, overhead leakage, and other contamination. No animals or fowl shall be kept or allowed in the area in which food or drink is prepared or stored. Necessary measures in compliance with current practices approved by the Director of Public Health Madison and Dane County for the elimination of insects and rodents shall be taken.

(p) Cleanliness of Employees. All employees who work in the soda fountain area only shall wear clean aprons or other suitable covering over street clothes. They shall wear hairnets or caps, and shall keep their hands clean at all times while engaged in handling food, drink, utensils or equipment. Employees shall not expectorate or use tobacco in any form in any area in which food is prepared.

(q) Miscellaneous. The premises of all soda fountains shall be kept clean and free of litter or rubbish. None of the operations connected with a soda fountain shall be conducted in any room used as living or sleeping quarters. Adequate lockers or dressing rooms shall be provided for employees' clothing and shall be kept clean. Soiled linens, coats, and aprons shall be kept in containers for this purpose.

(7) Reinstatement of Permit. Any soda fountain the permit of which has been suspended may at any time make application for the reinstatement of the permit. Within three (3) days after the receipt of a satisfactory application, accompanied by a statement signed by the applicant to the effect that the violated provisions of this ordinance have been conformed with, the Director of Public Health Madison and Dane County shall make reinspection, and thereafter as many additional reinspections as she or he may deem necessary to assure himself that the applicant is again complying with the requirements, and in case the findings indicate compliance, shall reinstate the permit. (Am. by ORD-14-00012, 1-14-14)

(8) Disease Control. No person who is affected with any disease in a communicable form or is a carrier of such disease shall work in any soda fountain and no soda fountain shall employ any such person. All medically suspected cases of communicable disease shall be studied by Public Health Madison and Dane County to determine presence or absence of communicable disease. Until it can be determined by examination and/or tests that communicable disease is not present, the employee shall not work in a soda fountain.

A tuberculin skin test, or miniature chest x-ray (70mm or better) is required annually. A fourteen inch by seventeen inch (14" x 17") chest x-ray shall be required of any personnel having a positive skin test or questionable miniature x-ray.

A report of the required annual tuberculin test or x-ray shall be kept on file by the Director of Public Health Madison and Dane County. A report stating compliance shall be furnished foodhandler and operator by Public Health Madison and Dane County.

No person shall prepare or serve food or handle soda fountain utensils with any open lesion which may subject any food or utensil to contamination therefrom.
(Am. by Ord. 7899, 12-29-82)

(9) Penalties. Any person who violates any provision of this ordinance shall be fined not less than twenty dollars ($20) nor more than two hundred dollars ($200). Each and every violation of the provisions of this ordinance shall constitute a separate offense. (Am. by Ord. 8309, 4-16-84)

(10) Unconstitutionality Clause. Should any section, subsection, sentence, paragraph, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of said ordinance shall not be affected thereby.

(11) Appeal. Anyone in interest being dissatisfied with an order of the Director of Public Health Madison and Dane County may appeal to the Director of Public Health Madison and Dane County and may commence an action in the Circuit Court for Dane County against the Director of Public Health Madison and Dane County as defendant to vacate or modify the order on the ground that it is unlawful or unreasonable.
(Am. by ORD-15-00009, 1-28-15)

7.09 EMERGENCY CONTRACEPTION ACCESS.

(1) Statement of Purpose. The purpose of this section is to enable women to prevent unintended pregnancies by ensuring timely access to emergency contraception at pharmacies.

(2) Definitions. For the purpose of this section words and phrases used shall have the meanings designated in Wis. Stat. § 450 and Phar 10 Wis. Admin. Code unless the context clearly indicates a different meaning, with the following additions and modifications for use in this section only:

Department shall mean Public Health Madison and Dane County. (Am. by ORD-15-00009, 1-28-15)

Director shall mean the Director of Public Health Madison and Dane County or the Director's designee. (Am. by ORD-15-00009, 1-28-15)

Dispense shall mean to fill a valid patient request, presented to a pharmacist, in accordance with professional standards of practice.

Emergency Contraception shall mean a drug, medicine, oral hormonal compound or mixture that prevents pregnancy after sexual intercourse and is approved by the Federal Food and Drug Administration. It does not include any drug or medicine that is prescribed to terminate a pregnancy.

Pharmacy shall mean any place in which prescription drugs, as defined in Wis. Stats. § 450.01(20), are compounded or dispensed and which is licensed under Wis. Stat. § 450.06. It shall not mean a pharmacy located within:

a. Hospitals as defined under Wis. Admin. Code § DHS 124.02. or

b. Nursing homes as defined by Wis. Stat. § 50.01(3) or

c. Home health agencies as defined by Wis. Stat. § 50.49.
(Am by ORD-12-00035, 3-28-12)

Sexual Assault Victim shall mean a female who alleges or for whom it is alleged that she has suffered a sexual assault.

(3) Pharmacy Requirements. A pharmacy that cannot immediately dispense emergency contraception must provide the name, address and phone number of a pharmacy that is known to dispense emergency contraception. The pharmacy must conspicuously post, at

or adjacent to each counter where prescription drugs are dispensed a sign not smaller than eleven by eight and one-half inches (11" × 8 ½"). The sign lettering shall be in bold and clearly visible. The sign must contain the following language:

"NOTICE: This pharmacy is currently out of Emergency Contraception (EC). EC, sometimes called "the morning after pill," is a FDA approved high dose of oral contraception that should be taken as soon as possible after unprotected intercourse to prevent pregnancy. The FDA approves this up to 72 hours (3 days) after unprotected intercourse, some studies indicate that this product can be effective up to 120 hours (5 days) after unprotected intercourse. You do not need a prescription to obtain EC if you are 18 or older; if you are under 18, you must get a doctor's prescription. A location where EC is known to be available is [name of pharmacy], [address of pharmacy], or the pharmacist here will refer you to another pharmacy that is known to have the medication in stock."

(4) A pharmacy that does not stock emergency contraception must provide the name, address and phone number of a pharmacy that is known to dispense emergency contraception. The pharmacy must conspicuously post, at or adjacent to each counter where prescription drugs are dispensed a sign not smaller than eleven by eight and one-half inches (11" × 8 ½"). The sign lettering shall be in bold and clearly visible. The sign must contain the following language:

"NOTICE: This pharmacy does not stock Emergency Contraception (EC). EC, sometimes called "the morning after pill," is a FDA approved high dose of oral contraception that should be taken as soon as possible after unprotected intercourse to prevent pregnancy. The FDA approves this up to 72 hours (3 days) after unprotected intercourse. Some studies indicate that this produce can be effective up to 120 hours (5 days) after unprotected intercourse. You do not need a prescription to obtain EC if you are 18 or older; if you are under 18, you must get a doctor's prescription. A location where EC is known to be available is [name of pharmacy], [address of pharmacy], or the pharmacist here will refer you to another pharmacy that is known to have the medication in stock."

(5) Written Information. The Board of Health for Madison and Dane County shall develop and prepare written information relating to emergency contraception for the prevention of pregnancy. The information shall be clearly written and readily comprehensible in a culturally competent manner. The information shall explain in a medically and factually accurate and unbiased manner information regarding emergency contraception, including but not limited to the following:

(a) The pharmacological nature of emergency contraception;
(b) The effectiveness of emergency contraception in preventing pregnancy;
(c) Where emergency contraception can be obtained; and
(d) How emergency contraception is administered.

(6) Responsibilities of the Director. The Director shall:

(a) Investigate every complaint of noncompliance with this section;
(b) Determine whether the complaint is substantiated;
(c) Compile the substantiated complaints and analyze them at least annually, to determine if there is any pattern of failure to provide services or notice under this section;
(d) Prepare an annual report that summarizes the substantiated complaints and actions taken by involved parties to address those complaints. This report shall be readily made available to the public: and
(e) On an annual basis, review the above listed signage language to insure that it is the most accurate and complete information available.

(7) Complaint Investigation. Any person deprived of information about or access to emergency contraception in violation of this section may file a complaint with the Director. Any person with knowledge of a pharmacy that has deprived information about

or access to emergency contraception in violation of this section may file a complaint with the Director. Pharmacies must allow the Director to thoroughly investigate complaints of noncompliance with this section. Pharmacies may not threaten, intimidate, impede, interfere with or otherwise obstruct the Director's investigation process. Pharmacies shall not knowingly give false information to the Director.

(8) Penalties.

A pharmacy that violates this section shall forfeit: not less than two hundred and fifty dollars ($250) nor more five hundred dollars ($500) for the first offense; not less than five hundred dollars ($500) nor more than two thousand five hundred dollars ($2500) for each subsequent offense. Each day of violation and every violation of any provision of this ordinance may constitute a separate offense.

(9) Effective Date. This ordinance shall become effective on January 1, 2007.

(10) Severability. The provisions of this section are severable. If any provision of this section is held to be invalid or unconstitutional or if the application of any provision of this section to any person or circumstance is held to be invalid or unconstitutional, such holding shall have no affect on the other provisions or applications of this section which can be given effect without the invalid or unconstitutional provisions or applications. It is hereby declared to be the intent of the Common Council that this section would have been adopted had any invalid or unconstitutional provision or applications not been included herein.

(Cr. by ORD-06-00174, 12-8-06)

7.10 - 7.14 RESERVED FOR FUTURE USE. (R. by Ord. 7822, 9-23-82)

7.15 REGULATION OF TATTOOING AND BODY-PIERCING.

(1) Adoption by Reference. Wis. Admin. Code. ch. SPS 221, and Wis. Stats. §§ 463.10(4) and 463.12(4), and all subsequent amendments, additions and recodifications thereto are hereby adopted by reference. It is the intent of the City that where there may be conflict between this subsection and the remainder of this section that the most stringent provision shall apply. (Am. by ORD-12-00035, 3-28-12; ORD-16-00111, 12-14-16)

(2) Definitions. Words and phrases in this section have the meanings designated in Wis. Admin. Code ch. SPS 221, unless the context clearly indicates a different meaning with the following additions or modifications for use in this section only: (Am. by ORD-16-00111, 12-14-16)

"Department" means Public Health Madison and Dane County. (Am. by ORD-15-00009, 1-28-15)

"Ear piercer" means a person who performs ear piercing on a patron, at that patron's request.

"Ear piercing" means to perforate an ear and to place a foreign object in the perforation to prevent the perforation from closing.

"Establishment" means an entity comprised of one or more practitioners, organized as a corporation, limited liability company, partnership, sole practitioner or other association operating in a single building, structure, area or location at which tattoos are applied, body or ear piercing is performed or all of the above . The establishment area shall be separately maintained from other business activities.

"Patron" means a person receiving a tattoo, body or ear pierce.

"Person" means an individual, partnership, limited liability company, corporation, association, or other entity.

"Piercing gun" means a hand-held tool, which is able to be disinfected and is manufactured exclusively for piercing the ear.

"Piercing stud" means a single-use prepackaged sterilized ear piercing stud.

"Special event" means a show, bazaar, fair or other occurrence lasting up to a maximum of seven (7) consecutive days at which a collection of establishments practice their art in a single location, whether public or private premises.

"Tattoo" means, as a noun, an indelible mark or design on a person created by inserting pigment under the surface of the person's skin by a needle prick or other means of puncture.

"Temporary combined establishment" means a temporary establishment at which both tattooing and body piercing are performed.

"Temporary establishment" means an establishment operating at a special event. (Am. by Ord. 12,823, 5-18-01; ORD-12-00035, 3-28-12)

(3) When ear piercing with a needle, tattooing or body piercing the tattooist or piercer must comply with the requirements found in Wis. Admin. Code ch. SPS 221. Ear piercing conducted with a piercing gun shall be performed in accordance with the following procedures: (Am. by ORD-16-00111, 12-14-16)

(a) Instruments. Any portion of the piercing gun that comes into contact with the patron's skin must be disinfected prior to each use. All soiled instruments shall be stored separately from disinfected instruments.

(b) Patrons. An ear piercer may not pierce an ear without first obtaining the patron's signature on an informed consent form approved by the department. A patron under the age of 18 may not be ear-pierced unless an informed consent form has been signed by the patron's parent or legal guardian in the presence of the practitioner. An ear piercer may not pierce a patron's ear if that patron appears to be under the influence of alcohol or a mind-altering drug or has evidence of skin lesions or skin infections on the ear that is to be pierced. (Am. by ORD-16-00111, 12-14-16)

(c) Preparation and Care of Ear. Before beginning a procedure, the ear piercer shall clean the area of the ear that is being pierced and apply an antiseptic solution. The solution shall be applied with cotton, gauze or single-use toweling, which shall then be properly disposed. After completing a procedure the ear piercer shall provide the patron with both oral and written instructions on the care of the pierce.

(d) Environment. Floors shall be constructed of smooth, durable and non-porous material and shall be maintained in clean condition and in good repair. Carpeting is prohibited. The establishments shall provide access to public toilets and handwashing facilities. Easily cleanable waste containers with non-absorbent, durable plastic liners shall be used for disposal of all tissues, towels and similar items used on patrons. Equipment shall be stored in closed cabinets exclusively used for that purpose. Establishments shall be maintained in a clean, sanitary and vermin-free condition. No smoking or consumption of food or drink is permitted in the area where ear piercing is performed.

(e) Personnel. No person with an exposed rash, skin lesion, boil or who is under the influence of alcohol or a mind-altering drug may engage in the practice of ear piercing. The ear piercer shall conform to good hygiene practices during procedures, this includes but is not limited to:

1. Thoroughly wash his/her hands and the exposed portions of his/her arms with dispensed soap and tempered water before and after each ear piercing.
2. Wear clean, washable outer clothing.
3. Wear non-absorbent gloves during the procedure. These gloves shall be disposed of properly after each procedure.
4. If interrupted during a procedure, the ear piercer shall rewash his/her hands and put on new gloves, if the interruption required the use of hands.

(Am. by ORD-12-00035, 3-28-12)

(4) Enforcement. Enforcement procedures shall be in accordance with Wis. Stat. § 66.0417. The department's administrator of this ordinance may utilize City of Madison commissioned police officers to enforce any aspect of this ordinance, pursuant to Sec. 5.03(4), M.G.O.

(5) Appeal. Any person aggrieved by an order of the department issued pursuant to Wis. Admin. Code ch. SPS 221 or this section, may appeal such order in accordance with the provisions of Sec. 66.0417, Wis. Stats. to a subcommittee of the Board of Health for Madison and Dane County. The subcommittee, consisting of at least three (3) members, may affirm, set aside, or modify the order by majority vote. That decision shall be final and may be appealed to the Circuit Court of Dane County. (Am. by ORD-05-00033, 2-24-05; Am. by ORD-12-00035, 3-28-12; ORD-16-00111, 12-14-16)

(6) Licensing and Fees.

(a) Requirement.

1. Establishment. No person may operate a tattoo or body-piercing establishment or combination thereof on an annual or temporary basis unless the person has obtained a license and paid fees as specified in this section.

2. Practitioner. No person may tattoo or body pierce another within the City unless the person has obtained a license and paid fees as specified in Wis. Admin. Code ch. SPS 221. (Am. by ORD-16-00111, 12-14-16)

(b) Licensing. Application for licensing shall be made thirty (30) days prior to issuance. The licensing year shall be from July 1 through the following June 30. The permit fee herein established shall be for one year or a fractional part thereof, except that a license initially issued during the period beginning on April 1 and ending on June 30 expires on June 30 of the following year. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of 15% of the filing fee. Payment of the late filing fee shall not relieve any person from any other penalties set forth in this section or in the ordinances for failure to possess or obtain a license. (Am. by ORD-16-00111, 12-14-16)

(c) Temporary Licensing. At special events every separate table or booth or area shall be considered a temporary establishment and must be licensed as such before the onset of the event. Every practitioner must possess a current and valid State of Wisconsin practitioner license issued by the City of Madison, the State or other Wisconsin municipality acting on behalf of the State before the practitioner can operate at a special event. An application for a temporary license shall be submitted to the City Clerk's office thirty (30) days prior to the special event to allow for processing.

(d) Fees.

1. Annual establishment fees shall be:

a. Tattoo or body-piercing establishments, $286.

b. Ear-piercing establishments, $187.

c. Combined tattoo and body-piercing establishments, $374.

d. Pre-inspection, one-time only, $225.

e. First Reinspection Fee, $150 (Cr. by ORD-16-00111, 12-14-16)

f. Subsequent Reinspection Fee, $250 (Cr. by ORD-16-00111, 12-14-16)

(Am. by ORD-12-00075, 6-20-12)

2. Temporary establishment fees shall be:

a. Tattoo or body-piercing or ear-piercing establishments, or combined; first day, $75.

b. Tattoo or body-piercing or ear-piercing establishments, or combined; each day after first day, $25.

3. (R. by ORD-08-00008, 1-24-08)

(Am. by Ord. 12,823, 5-18-01; Ord. 13,306, 4-30-03; Ord. 13,505, 2-10-04; ORD-06-00156, 11-23-06)

(7) Penalty.

(a) Any person who violates any provision of this ordinance may be fined not less than twenty-five dollars ($25), nor more than one thousand dollars ($1,000). Each day of violation and every violation of any provision of this ordinance may constitute a separate offense. (Am. by ORD-09-00043, 3-19-09)

(b) In addition to the above penalties, the department may order the suspension or revocation of the license issued to a practitioner or an establishment under this section.

(c) Wis. Stat. § 66.0417(5)(b), regarding the impeding of city inspectors in the performance of their duties and the giving of false information to such inspectors, and all subsequent amendments, additions, and recodifications thereto are hereby adopted by reference.

(Sec. 7.15 Cr. by Ord. 12,356, 3-30-99; Am. by Ord. 12,823, 5-18-01)

7.16 - 7.26 RESERVED FOR FUTURE USE.

7.27 SALE OF MERCURY FEVER OR BASAL THERMOMETERS.

(1) It shall be unlawful for any person, firm or corporation to sell or offer for sale at retail any fever thermometer or basal thermometer containing mercury.

(2) Any person, firm or corporation who violates the provisions of this ordinance may be subject to a forfeiture of not less than twenty dollars ($20), nor more than two hundred dollars ($200) for each offense. Each day of violation shall constitute a separate offense.

(3) This section shall become effective on April 1, 2001.

(Sec. 7.27 Cr. by Ord. 12,774, 3-13-01)

(1) It shall be unlawful for any person, persons, firm, or corporation to kill or slaughter any beeves, sheep, calves, hogs or any other animals within the limits of the City of Madison without having first obtained a permit therefor as hereinafter provided.

(2) Any person, persons, firm, or corporation that may desire to kill or slaughter any beeves, sheep, calves, hogs, or any other animals, or that may desire to use, erect, or maintain a slaughterhouse, packing house, building, or place in said City for the slaughter of any such

animals shall first make application in writing for that purpose to the Common Council of said City, specifying the particular location of where such slaughterhouse, packing house, or building is to be erected, maintained or used.

(3) If the Common Council shall deem such location a suitable place to carry on such business, it may issue a permit for the conducting of such business at such place, which permit shall specify the place at which such business may be conducted.

(4) No such slaughterhouse, packing house, building, or place, shall be so conducted as to be or become a public nuisance.

(5) Any person, persons, firm, or corporation violating any of the provisions of this section shall be fined not less than five dollars ($5) nor more than one hundred dollars ($100).

7.31 MANUFACTURE OF FERTILIZER.

(1) It shall be unlawful for any person, firm or corporation to engage in the processing or manufacture of commercial fertilizer within the limits of the City of Madison without having first obtained a permit therefor as hereinafter provided; provided, however, that this ordinance shall not apply to a slaughterhouse or meat packing establishment where the manufacture or processing of fertilizer is merely incidental to the packing and processing of meat and meat products.

(2) Any person, firm or corporation that may desire to engage in the business of processing or manufacturing commercial fertilizer in the City of Madison shall first make application in writing for that purpose to the Common Council of said City specifying the particular location where such processing or manufacturing is to be carried on. If the Common Council shall deem such location a suitable place to carry on such business it may issue a permit for the conducting of such business at such place, which permit shall specify the place at which such business may be conducted.

(3) Any person, firm or corporation violating any of the provisions of this section shall be fined not less than ten dollars ($10) nor more than one hundred dollars ($100). Each day that such business is carried on in violation of this section shall be deemed a separate offense.

7.32 DEPOSIT OF RUBBISH AND REFUSE ON STREETS, PUBLIC GROUNDS, OR IN LAKES OR IN ANY MANNER TO CREATE ANY STENCH OR NUISANCE.

(1) No person shall deposit or cause to be deposited in Lake Mendota, Lake Monona, Lake Wingra or the Yahara River, or in or upon any public street, water or grounds in the City of Madison, or in any other place in said City, any dead animal, rubbish, refuse, filth, offal or any other substance that will contaminate or tend to contaminate the said waters, or that will obstruct any sidewalk, gutter, street or alley, or that will in any manner create any bad or noisome stench or nuisance, or that will endanger or tend to endanger public health; and the Director of Public Health Madison and Dane County or Health Inspectors, are hereby empowered to summarily remove or cause to be removed any such dead animal, rubbish, refuse, filth, offal, or other substance so deposited contrary to the provisions of this section. (Am. by ORD-15-00009, 1-28-15)

(2) Any person who shall violate any provision of this section shall be subject to a fine of not exceeding five hundred dollars ($500) and shall also be liable for the expense of the removal of any matter deposited contrary to the provision of this section. (Am. by Ord. 5043, 6-6-75)

7.321 DEPOSITING HUMAN WASTE PRODUCTS REGULATED. Proper disposal of animal waste shall be limited to burial where lawfully permitted and flushing in the toilet. Proper disposal of dog waste shall be limited to burial where lawfully permitted, flushing in the toilet, and disposal in a waste receptacle so designated in a public park or park area, wherein dogs are permitted.

(2) No owner or keeper of any animals shall appear with such animal on any sidewalk, street, park or other public area or on any private property neither owned nor occupied by said person without the means of removal of any feces left by the animal.

(3) Any person violating any provision of this ordinance may be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than two hundred dollars ($200).

(4) Owners or keepers of animals that are working in their official police capacity are exempt from this ordinance in situations where safety or professional duties would be compromised. (Rep. & Recr. by ORD-07-00115, 9-22-07)

(Sec. 7.322 Am. by Ord. 11,547, 3-14-96)

7.33 CONNECTION WITH SEWER MAINS.

(1) (a) The owner or owners of any building used for human habitation or assembly or any building from which there are liquid wastes either domestic or industrial capable of being a public health hazard or nuisance, when such building is located adjacent to a sanitary sewer and water main or in a block through which such sewer and water system extends, shall when so ordered by the Director of Public Health Madison and Dane County connect with such sewer within sixty (60) days of a notice in writing so to do.

(b) Any building used for purposes other than the owner's residence when connected to a water supply which does not meet the minimum requirements of the Wisconsin Well Code shall when so ordered by the Director of Public Health Madison and Dane County disconnect the building from the questionable water supply and connect to the adjacent municipal water supply within sixty (60) days from a notice in writing so to do.

(2) If any person fails to comply with such order within said time the City may cause such connection to be made and the expense thereof shall be assessed as a special tax against such property, and the same shall be collected in all respects like other taxes upon real estate. Proceedings under this subsection shall not bar the City from prosecution under Sec. 7.60 for the violation, neither shall prosecution for the violation bar proceeding under this subsection. (Am. by Ord. 8322, 5-11-84)

(3) (R. by Ord. 8322, 5-11-84)

(Am. by ORD-15-00009, 1-28-15)

7.34 EMPTYING OF DRAINS AND SEWERS. No person shall permit any drain or sewer from the dwelling house, barn, stable, shop, or other building on the premises occupied or owned by her or him to empty or run into any open sewer or gutter or into any of the streets or public alleys or upon or over any sidewalk. (Am. by ORD-14-00012, 1-14-14)

7.35 SEPTIC TANKS, DRY WELLS, TILE FIELDS, SCAVENGERS.

(1) No person shall construct any septic tank, dry well or tile disposal field within the City of Madison without first having obtained a permit from the Director of Public Health Madison and Dane County and paying a fee therefor in the amount of ten dollars ($10) to

the City Treasurer. No such permit shall be issued where a public sewer is accessible. When a permit is issued for areas where public sewer is not available, all restrictions relative to sewage disposal shown on the subdivision plat shall be complied with.

(a) No such permit shall be issued for any septic tank, disposal field or dry well where the disposal field or dry well area or any part thereof will be in violation of paragraph (b) hereof.

(b) It shall be unlawful for any person to cause, suffer or permit any septic tank effluent disposal area or dry well or any part thereof to be constructed or reconstructed within two hundred (200) feet of any lake or river shoreline or within ten (10) feet above any water table in areas where soils are principally sand or gravel or within one hundred (100) feet of any lake or river shoreline or within four (4) feet above any water table in areas where soils are other than principally sand or gravel.

(c) Applicants for such permit shall furnish a detailed plan of the proposed installation specifying the location of the building served, size and design of septic tank, and location of absorption system in relation to any lot line, shoreline or existing water well. Sufficient percolation tests shall also be furnished by the applicant and, if required by the Director of Public Health Madison and Dane County for a specific property, sufficient soil borings shall be furnished. The Director of Public Health Madison and Dane County shall establish compliance with all municipal and state laws, including regulations contained within Wis. Admin. Code chs. SPS 383-387, before issuing the permit. (Am. by ORD-12-00149, 12-5-12)

(2) All vehicles used by scavengers as provided in Section 9.19 shall be under the supervision of Public Health Madison and Dane County. Vehicles shall be kept clean. Flies shall be prevented from gaining access to contents. (Am. by Ord. 7899, 12-29-82)

(3) Sludge, Scum and Liquid Effluent.

(a) Sludge, scum and any liquid effluent whatsoever when removed from a septic tank sewage disposal system is hereby declared to be a public nuisance and a health hazard and a menace to individual and public health.

(b) Removal and disposal of wastewater, sludge, and scum from a private septic system shall be done in accordance with Wis. Admin. Code ch. NR 113.

(Am. by ORD-12-00140, 11-12-12)

(Am. by ORD-15-00009, 1-28-15)

7.36 COLLECTION AND DISPOSITION OF GARBAGE.

(1) Definition. The word "garbage" as used in this section shall be held to include every refuse accumulation of animal or vegetable matter that attends the preparation, use, or cooking of meats, fish, fowl, fruits, and vegetables, and the dealing in or storing of foodstuffs by retail dealers, excepting, however, the refuse accumulation incident to the dealing in or storing of raw meats by retail dealers, commonly known as meat markets, and the refuse and waste material incident to manufactories and wholesale dealers, which shall not be deemed to be included under the provisions of this section.

(2) Supervision of Garbage Collection. The collection, removal and disposal of garbage shall be under the direction and control of the Sanitation Supervisor and said work shall be done under the supervision of the said Supervisor in strict conformity with the provisions of this section and with such additional rules and regulations as may be made from time to time by the Common Council.

(3) Garbage Vehicles. The City shall own its own garbage vehicles for the collection and removal of garbage. The vehicle boxes for the collection and removal of garbage shall be kept clean, and shall be of suitable size, water tight, and with metallic lining and properly covered.

(4) Authority of Supervisor to Hire Persons and Vehicles. The said Supervisor shall have authority to hire such persons as may be necessary to properly collect the said garbage,

and to deliver the same to the point of disposal, and shall also have authority to hire teams and vehicles, if at any time the teams and vehicles owned by the City shall not be sufficient to properly collect and remove the garbage.

(5) Manner of Removal and Disposition of Garbage. All garbage shall be removed and disposed of in such manner as the Common Council shall from time to time designate and direct.

(6) Persons Who May Collect Garbage.

(a) No person, unless he or she has a contract with the City of Madison, permitting him or her to collect and remove garbage, or unless he or she be a City employee acting under the direction of the Sanitation Supervisor shall collect or remove any garbage from premises located within the corporate limits of the City of Madison.

(b) No person residing within the corporate limits of the City of Madison or being an inhabitant of said City shall deliver garbage to any person for removal from his or her premises except to a contractor with the City for that purpose or to a City employee acting under the direction of the Common Council or the Sanitation Supervisor of the City of Madison.

(Am. by ORD-14-00012, 1-14-14)

(7) (a) Vessels for Holding Garbage to be Provided - Manner of Depositing Garbage in Same. It shall be the duty of all householders, tenants, hotel keepers, boarding house keepers, restaurants and all retail dealers dealing in or storing food-stuffs, excepting those dealers which handle only raw meat, commonly known as meat markets, to provide or cause to be provided and at all times to keep or cause to be kept, portable vessels or containers for holding garbage, said vessels or containers to be watertight, provided with handles and covers which shall not be removed except when necessary. Garbage containers for residences must not be less than five (5) gallons nor more than fifteen (15) gallons in size. Garbage containers of restaurants, hotels, boarding houses and retail stores as above defined shall not be more than thirty-five (35) gallons in size. If more capacity is needed additional containers or vessels must be provided as ordered by the Sanitation Supervisor. All containers or vessels shall be constructed of or lined with metal and shall be kept in a clean and sanitary manner at all times.

(b) Placing of Garbage Containers. Garbage containers or vessels shall be kept in the rear of the house or buildings or in such other place as shall be designated by the Sanitation Supervisor which is easily accessible to the collector, not above the ground floor, but shall not be placed on the sidewalk, street, alley or other public place or in any manner so as to create a nuisance. When leaky or in any way defective such containers or vessels shall be replaced with new containers or vessels as ordered by the Sanitation Supervisor. The Sanitation Supervisor is hereby authorized to permit or order the installation of approved types of garbage container receivers either below or above the surface of the ground or the construction of such shields or enclosures for containers or vessels as will abate a garbage nuisance.

(c) Preparation of Garbage. All garbage from residences shall be drained and wrapped in paper before being placed in garbage containers or vessels. Garbage dealers, as above provided, shall deposit garbage in garbage containers, after draining, without wrapping. It shall be unlawful for any person to place in the garbage containers any ashes, earth, glass, crockery, tin cans, excess paper, paper boxes or other refuse than garbage. Containers containing any of the above shall not be emptied by the collector. Persons not conforming to these rules shall not be entitled to garbage collection service.

(Am. by ORD-05-00060, 4-6-05)

(8) Garbage not to be Deposited in any Other Place or Manner Than Herein Provided. It shall be unlawful for any person to deposit garbage in any other place or in any other manner than as herein provided or as provided in Section 7.361. (Am. by Ord. 9747, Adopted 4-4-89)

(9) Garbage From Retail Stores - Charge for Collection of Same. Whenever any garbage shall be accumulated in the conducting of any grocery store or any similar retail business engaged in the sale of food or foodstuffs, except where said food or foodstuffs shall be sold for consumption on the premises, and excepting meat markets, as hereinbefore provided, such garbage shall be collected in the same manner as otherwise provided in this section, and all of the provisions of this section shall be applicable except that a charge may be made from time to time as may be directed by the Common Council.

If the Council shall direct that such charge be made, the Sanitation Supervisor shall render to each such retail dealer not less than once in six (6) months, a bill for the removal of garbage from its place of business during the preceding six (6) months, or such other period as the Council may designate, based upon such schedule of fees as shall be determined by the Common Council; and said retail dealer shall thereupon, within twenty (20) days after receipt of such bill, pay the amount specified therein to the City Treasurer. In case any such amount shall not be paid within the time allowed, the City Treasurer shall proceed to enforce collection of the same by legal action, with such penalty as the Council may provide in its schedules; and the person, persons, firm or corporation neglecting or refusing to pay any such fee or penalty shall be deemed guilty of a violation of this section. (Am. by ORD-14-00012, 1-14-14)

(10) Garbage Removal to be at Expense of City. All garbage shall be collected, removed, and disposed of at the general expense of the City excepting as provided in subsection (9) hereof, and except that where it may be necessary for the health or general welfare of the City that carcasses of large animals be removed, the Sanitation Supervisor may order such carcasses removed and disposed of and the expense thereof charged to the person, firm, or corporation who was the owner or possessor of such animal.

(11) Time of Collection of Garbage. Garbage shall be collected at such times as may be necessary to insure sanitary conditions within the City. The Sanitation Supervisor shall arrange a schedule showing the times when garbage shall be collected, and shall publish the same in the official newspaper of the City, and in such other form as may best be adapted to inform the residents of the time of garbage collection throughout the year. (Am. by ORD-17-00030, 3-8-17)

(12) Incinerators. The provisions of this section shall not apply to the collection or disposal of garbage from premises where the garbage is promptly disposed of in an incinerating plant operated on said premises, the construction, maintenance and the operation of which is safe and sanitary, and approved in such respects by the Director of Public Health Madison and Dane County and Chief of the Fire Department. (Am. by ORD-15-00009, 1-28-15)

(13) Penalty. Any person violating any of the provisions of this section shall be punished by a fine of not less than ten dollars ($10) nor more than two hundred dollars ($200) for each offense.

7.361 COMPOSTING.

(1) Purpose and Intent. The purpose of this section is to promote the recycling of yard wastes through composting, and to establish minimum standards for proper compost maintenance.

(2) Definitions. Composting shall mean a controlled biological reduction of organic wastes to humus. Yard waste shall mean leaves, grass clippings, garden debris and brush.

(3) Maintenance. All compost piles shall be maintained using approved composting procedures to comply with the following requirements:

(a) All compost piles other than compost piles consisting solely of yard waste, excluding fruit, shall be enclosed in a free standing compost bin. Each compost bin shall be no larger in volume than one hundred twenty-five (125) cubic feet, and shall be no taller than five (5) feet.

(b) All compost piles and bins shall be so maintained as to prevent the attraction or harborage of rodents and pests. The presence of rodents in or near a compost pile or bin shall be cause for Public Health Madison and Dane County to proceed under Section 7.05(4). (Am. by ORD-15-00009, 1-28-15)

(c) All compost piles and bins shall be so maintained as to prevent unpleasant odors. Compost bins containing horse manure or fruits shall be kept covered, except when turning. All compost piles or bins shall be located not less than three feet from a property line or building.

(d) No compost pile or bin shall be located in any yard except a rear yard. All piles or bins shall be placed between the rear building wall, excluding all portions of a building which are occupied seasonally, and the rear lot line extended to the side lot line.

(e) On a reverse corner lot, no compost pile or bin shall be located less than ten (10) feet from the rear property line.

(f) Subdivisions (d) and (e) shall not apply to a compost pile or bin located in a side yard substantially screened from view from the street and from the ground level of the adjacent residences by shrubs and other plantings or by fencing, provided that such plantings or fencing shall at all times exceed the height of the compost bin or pile by no less than one foot.

(4) Ingredients.

(a) No compost bin shall contain any of the following:

1. Lakeweeds;
2. Cooked food scraps, except coffee grounds and tea leaves;
3. Fish, meat or other animal products;
4. Manures other than horse manure;
5. Large items that will impede the composting process.

(b) Permitted ingredients in a compost bin shall include:

1. Yard waste;
2. Raw vegetables and fruit scraps that are suitable for composting;
3. Horse manure;
4. Commercial compost additives.

(5) Owner Responsibility. Every owner or operator shall be responsible for maintaining all property under his or her control in accordance with the requirements of this subsection.

(6) Penalty. Any person violating Section 7.361 shall be subject to a forfeiture of not less than ten dollars ($10) or more than two hundred dollars ($200). Each day such violation continues shall be considered a separate offense.

(Cr. by Ord. 9747, Adopted 4-4-89)

7.37 RAT ERADICATION.

(1) Purpose. This ordinance is designed to and is enacted as a police and sanitary regulation for the protection of the public health and particularly to prevent the propagation and spread of bubonic plague through the medium of rats.

(2) Buildings to be Kept Free of Rats. All buildings, places and premises whatsoever in the City shall be placed, and shall continuously be kept by the owner, person in charge or the occupant thereof in a clean and sanitary condition and free from rats.

(3) Rat Infested Building a Nuisance. All buildings, structures, or any parts thereof, that are infested with rats are hereby declared to be and are public nuisances, and the Director of Public Health Madison and Dane County of this City is hereby authorized and empowered to abate the same under the provisions of subsection (4) of Section 7.05 of this chapter. (Am. by ORD-15-00009, 1-28-15)

(4) No Dumping of Rubbish. No rubbish, waste or manure shall be placed, left, dumped or permitted to accumulate or remain in any building, place or premises in said City so that the same shall or may afford food or a harboring or breeding place for rats.

(5) Rat Harborage to be Prevented. All buildings and basement walls of all storerooms, warehouses, residences or other buildings within the City, all chicken yards or pens, chicken coops or houses, and all barns and stables, shall be so constructed or repaired as to prevent rats from being harbored underneath the same or within the walls thereof, and all food products or other products, goods, wares, and merchandise likely to attract or to become infested with or infected by rats, whether kept for sale or for any other purpose, shall be so protected as to prevent rats from gaining access thereto or coming in contact therewith.

(6) Extermination. Whenever rat holes, burrows, or other evidences of rat infestation are found on any premises or in any building within the City, it shall be the duty of the owner or manager of such property to exterminate the rats or to cause the rats to be exterminated. Within ten (10) days after extermination, the owner or manager shall cause all of the rat holes or burrows in the ground to be filled with earth, ashes, or other suitable material.

(7) Ratproofing. It shall be the duty of the owner or manager of any building in the City of Madison to make such building reasonably ratproof, to replace broken basement windows, and when necessary to cover the basement window openings with hardware cloth or other suitable material for preventing rats from entering the building through such window openings. The owner or manager of any premises upon which sheds, barns, coops or similar buildings are located shall eliminate the rat harborages from within and under such buildings by ratproofing, raising the buildings above the ground, or by some other suitable method; or such sheds, barns, coops or other buildings shall be razed.

(8) No person, firm or corporation shall have or permit upon any premises owned, occupied or controlled by him/her or it, any nuisance detrimental to health, or any accumulation of filth, rubbish, garbage, decaying animal or vegetable matter, or any animal or human excrement; and it shall be the duty of the Director of Public Health Madison and Dane County to cause any such person, firm, or corporation to be notified to abolish, abate and remove such nuisance and in case such person, firm or corporation shall fail, neglect or refuse to remove the same within one day after receiving such notice, such nuisance may be removed and abated under and by order of the Director of Public Health, and the person, firm or corporation whose duty it was to abate or remove such nuisance in addition to incurring penalties provided in this chapter shall be indebted to the City of Madison for the costs and charges incurred by the City of Madison by reason of the existence and removal of such nuisance. (Am. by ORD-14-00012, 1-14-14; ORD-15-00009, 1-28-15)

7.38 MANURE. Manure from horses and cattle shall be kept in a covered, water-tight receptacle, which shall not be opened except while the manure is being placed in or taken from the same. This section shall apply to livery, feed, or sale stables.

7.39 EXPECTORATING IN PUBLIC PLACES PROHIBITED.

(1) No person shall spit, expectorate, or deposit any sputum, spital, saliva, phlegm, mucus, cigarette or cigar stubs, tobacco juice, or wads of tobacco upon the floor or stairway or any part of any theatre, public hall or building, or upon the floor or any part of any railroad car or motor bus or any other public conveyance in the City of Madison, or upon any public sidewalk in the City of Madison.

(2) Any person violating the provisions of this section shall be subject to a penalty of not less than ten dollars ($10) nor more than one hundred dollars ($100) for each offense.

(Am. by Ord. 7847, 10-15-82; ORD-06-00046, 4-22-06)

7.40 POISON IVY PROHIBITED.

(1) The existence within the limits of the City of Madison of the weed "Rhus Radicans" sometimes called "Radicans Toxicondendron" and "Toxicondendron Radicans", commonly known as poison ivy, is hereby declared to be a public nuisance and a menace to the

public health; and the owner, occupant or person in charge of any property within the City of Madison who shall permit such weed to exist or grow upon any such property shall be deemed guilty of a violation of this section. Each day or fraction of a day on which such weed shall be permitted to exist shall constitute a separate offense.

(2) If any such weeds shall not be destroyed within forty-eight (48) hours after the notice of their existence shall have been given to the owner, occupant or person in charge of the property upon which they are growing, it shall be the duty of the Weed Commissioner to enter upon the property and cause the same to be destroyed at the expense of such property. If any such charge shall not be paid before the preparation of the next tax roll, such charge shall be added to the roll as a special tax and collected in the same manner as other special assessments.

7.41 PENALTY FOR RESISTING DIRECTOR OF PUBLIC HEALTH MADISON AND DANE COUNTY OR NEGLECTING TO COMPLY WITH ORDER OF PUBLIC HEALTH MADISON AND DANE COUNTY. Any person who shall in any way resist any Director of Public Health Madison and Dane County or other officer whose duty it shall be to carry out the provisions of this chapter, while acting in the performance of his/her duty, or who shall resist any such officer in the quarantining or placarding of any house, or who shall remove, deface, or mutilate any placard on said premises, or who shall refuse to obey any order of Public Health Madison and Dane County or Director of Public Health Madison and Dane County issued pursuant to and under authority of the Statutes of the State of Wisconsin or the ordinances of the City of Madison, shall be subject to a fine of not less than twenty dollars ($20) nor more than two hundred dollars ($200) for each offense. (Am. by Ord. 8309, 4-16-84; ORD-15-00009, 1-28-15)

7.42 DUMPING OF RUBBISH.

(1) (a) It shall be unlawful for any person, firm or corporation owning real estate within the City or within one mile of the corporate limits of said City to permit or allow the dumping of garbage, ashes, rubbish, miscellaneous wastes, manure or other substances upon said real estate unless permit therefor is granted by Public Health Madison and Dane County. Such permit shall expire on the 31st day of December of the year in which granted and must be renewed annually. Such dumping without permit is hereby declared a nuisance. Where garbage, ashes, rubbish, manure or other substances are dumped or deposited on the property for which no permit has been authorized under the provisions of this ordinance it shall be the duty of such owner to cause such garbage, ashes, rubbish, manure or other substances to be removed, and in case of the failure of such owner to remove as aforesaid upon ten (10) days notice by Public Health Madison and Dane County such refusal shall constitute an offense and such owner shall be punished under provisions of subsection (5) of this ordinance. (Am. by Ord. 7899, 12-29-82)

(b) No person, firm or corporation shall dump, deposit anywhere within the City or within one mile of corporate limits of said City except in such a place as may be authorized by Public Health Madison and Dane County by permit as described in Subdivision (a) of Subsection (1) of this section, any garbage, ashes, rubbish, miscellaneous wastes, manure or other substances which may contain disease germs or be scattered by the wind, or decompose or become filthy, noxious, or unhealthful. Such dumping without a permit is hereby declared to be a nuisance. It shall also be unlawful to dump or deposit any waste material upon private property unless the written consent of the owner or owner's authorized agent, shall first be obtained and filed with Public Health Madison and Dane County and a permit obtained from the said Department. Such permit shall expire on the 31st day of December of the year in which it is issued and shall be subject to annual renewal. (Am. by Ord. 7899, 12-29-82; ORD-14-00012, 1-14-14)

(c) Public Health Madison and Dane County may, when requested, furnish to the owner of any property within the City a sign or signs citing the prohibitions on dumping under Section 7.42 of the Madison General Ordinances and setting forth the penalties therefor. The owner may post such sign on his/her property. (Cr. by Ord. 9342, 11-30-87)

(2) Upon application filed with Public Health Madison and Dane County and upon Public Health Madison and Dane County finding that the creation and operation of a dump at a particular location will not be or become a nuisance, Public Health Madison and Dane County may issue such permit and include such conditions in said permit as Public Health Madison and Dane County shall deem necessary to insure that the particular dump will not become a nuisance and to protect the health and welfare of the public. Such permit shall not authorize any person to dump any of said substances on private property above the street grade and it shall not be lawful to dump any dirt, ashes, rubbish or other material in any such place unless the same is carefully leveled at the time it is so deposited. In granting the permit Public Health Madison and Dane County may specify the kinds of material that may be dumped at any particular dumping area. (Am. by Ord. 7899, 12-29-82)

(3) Where the owner of private property permits said property to be used for dumping as herein provided, the owner shall be responsible for sanitation and maintenance of such private dumping grounds and Public Health Madison and Dane County may clean and level the same at the owner's expense after twenty-four (24) hours' written notice to such owner. Whenever Public Health Madison and Dane County shall clean and level any dumping ground as herein provided the expense thereof shall be entered as a special tax on the first tax roll prepared after the performance of said work and thereafter said tax shall be treated in all respects as any other City tax and in addition thereto the owner of such property shall be personally liable to the City for such expense. (Am. by Ord. 7899, 12-29-82)

(4) As to any dumps operated outside of the City limits and within one (1) mile thereof, the provisions of this ordinance shall be subject to the approval of the town board of the town in which said dump is located and the owner of private dumps in such towns shall in addition to the permit required by Public Health Madison and Dane County as herein provided, also secure the written permission of the county board where such permission may be required under any county ordinance provision. (Am. by Ord. 7899, 12-29-82)

(5) Any person violating any of the provisions of this section shall be subject to a fine of not more than two thousand dollars ($2000). Each day during which the provisions of this section shall be violated shall be deemed a separate offense. (Am. by Ord. 9342, 11-30-87)

(Am. by ORD-15-00009, 1-28-15)

7.43 RESERVED FOR FUTURE USE. (R. by Ord. 7823, 9-23-82)

7.44 MINIMUM STANDARDS FOR PUBLIC SWIMMING POOLS. Wis. Admin. chs. SPS 390 and ATCP 76 and all subsequent amendments, additions and recodifications thereto are hereby adopted by reference. The minimum standards as provided herein shall apply to all public swimming pools except where a more stringent standard is provided in chs. SPS 390 and ATCP 76 in which case the provision of the Wisconsin Administrative Code shall apply.

(1) Public Swimming Pool Licenses.

(a) No person, firm or corporation may operate a public swimming pool unless the Director of Public Health Madison and Dane County has first issued a Public Swimming Pool license to the operator of the pool. No license shall be issued unless the swimming pool is in full compliance with Sec. 7.44, MGO, Wis. Admin. Code chs. SPS 390 and ATCP 76.

At least seven (7) days prior to opening for business the owner or operator of a public swimming pool shall make application to the Clerk of the City of

Madison for a license. The owner or operator of the public swimming pool shall place her/his personal signature upon the application. The City Clerk shall transmit such application to Public Health Madison and Dane County. Public Health Madison and Dane County shall make such inspections as are necessary to determine whether all requirements of this ordinance have been satisfied. Licenses shall be issued by the City Clerk only after the application therefore has been approved in writing by the Director of Public Health Madison and Dane County. (Am. by ORD-14-00012, 1-14-14)

(b) Public Swimming Pool licensing year shall be from July 1 through the following June 30. However, licenses issued on or after April 1 of one year shall be effective through June 30 of the following year.

(c) No license shall be issued unless the operator shall have first submitted an application for a license and a license fee. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of fifteen percent (15%) of the license fee. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license.

Category	License Fee
Indoor Swimming Pool	$954
Outdoor Swimming Pool	$504
Each Additional Indoor Pool	$477
Each Additional Outdoor Pool	$318

(Am. by Ord. 12,055, 3-13-98; Ord. 13,306, 4-30-03; Ord. 13,446, 11-7-03; Ord. 13,505, 2-10-04; ORD-06-00156, 11-23-06; ORD-12-00075, 6-20-12)

(d) In addition to any other remedies provided by Sec. 7.44, MGO, Wis. Admin. Code chs. SPS 390 and ATCP 76, any license issued pursuant to this subsection may be suspended for up to thirty (30) days or revoked by the Director of Public Health Madison and Dane County for noncompliance with the provisions of Sec. 7.44, MGO, Wis. Admin. Code chs. SPS 390 and ATCP 76. Upon denial of a license or revocation or suspension of the license of any operator of a public swimming pool the operator may appeal the determination of the Director of Public Health Madison and Dane County to the Board of Health for Madison and Dane County within ten (10) days of the determination by filing a notice of appeal with the City Clerk who shall then promptly notify the members of the Administrative Hearings Committee of the appeal who shall promptly convene for consideration of the appeal. By majority vote, the Committee may reverse or modify the determination of the Director of Public Health Madison and Dane County. Any further appeal shall be to the Circuit Courts of Dane County. (Am. by ORD-05-00033, 2-24-05; ORD-08-00120, 10-24-08)

(2) Penalty. Any person violating any of the provisions of this chapter for which a penalty is not already provided herein shall be punished by a forfeiture of not less than ten dollars ($10) nor more than one hundred dollars ($100) for each offense. Each day or portion thereof shall constitute a separate offense.

(Sec. 7.44 R/Re-Cr by Ord. 11,211, 3-31-95; Am. by Ord. 13,446, 11-7-03; ORD-12-00035, 3-28-12; ORD-15-00009, 1-28-15)

7.45 AIR POLLUTION CONTROL.

(1) The purpose of this subsection is to prohibit or strictly control the burning of materials in the City of Madison because of the air and water pollution which results from such burning. It is felt that only by completely prohibiting the outside burning of rubbish, leaves and other combustibles, can this unnecessary pollution be abated.

(2) No person, firm or corporation shall build or burn any bonfire or burn in the open any wood, grass, trash, rubbish or other material or permit the same to be done within the City of Madison upon any public street, court or alley, or upon any premises, except upon application for and issuance of a time specific permit therefore by Public Health Madison and Dane County and the Madison Fire Department, provided that this subdivision shall not apply to the burning of wood in interior fireplaces nor to the burning of charcoal or similar substances outdoors for noncommercial cooking when such burning is done without danger of spread of fire. (Am. by Ord. 7899, 12-29-82)

(3) The use of outdoor portable incinerators, drums, barrels or other containers or outdoor or inside fireplace for the burning of leaves, trash, garbage or refuse is hereby prohibited, except upon application for and issuance of a time specific permit by Public Health Madison and Dane County and the Madison Fire Department. (Am. by Ord. 7899, 12-29-82)

(4) Any burning permitted under Subsections (2) or (3) shall be done in a safe and nuisance free manner in accordance with Madison Fire Department rules and regulations at times, locations and in a manner specified by the Madison Fire Department.

(5) Copies of all burning permits issued shall be immediately forwarded to the Chief of Police and Director of Public Works, who with the Director of Public Health Madison and Dane County and the Fire Department Chief will examine semiannually all permits issued during the previous period and establish future permit issuing policies.

(6) Burning permits may be canceled by the issuing authorities, Public Health Madison and Dane County and the Fire Department, by written notice to the permit holder of the reasons for the cancellation. (Am. by Ord. 7899, 12-29-82)

(Am. by ORD-15-00009, 1-28-15)

7.46 WATER POLLUTION CONTROL.

(1) Legislative Intent. This ordinance is designed to prevent any potentially polluting substance from reaching lakes or streams where it can create hazard to health, a nuisance or produce ecological damage and to assess responsibility and costs of clean-up to the responsible party.

(2) Definitions. In this section:

"Person" means an individual, owner, operator, corporation, partnership, association, limited liability company, municipality, interstate agency, state agency or federal agency.

"Potentially polluting substance" means any dredged soil, solid waste, incinerator residue, sewage, garbage, refuse, oil, sewage sludge, munitions, chemical wastes, biological materials, radioactive substance, heat, wrecked or discarded equipment, rock, sand, cellar dirt, sump pump residue, and industrial, municipal and agricultural waste discharged into water. (Cr. by Ord. 12,171, 7-20-98)

(3) Discharge or Release Prohibited. It shall be unlawful for any person to release, discharge, or permit the escape of any potential polluting substance into the waters of Lakes Mendota, Monona, Wingra or any part of Lake Waubesa adjacent to the boundaries of the City of Madison, or into any lake or stream in or under the jurisdiction of the City of Madison, or into any street, sewer, ditch or drainageway leading into any lake or stream, or to permit the same to be so discharged to the ground surface. (Am. and Renum. by Ord. 12,171, 7-20-98)

(4) Exception. This section shall not apply to discharge of non-storm water permitted in accordance with Section 7.47.

(5) Clean-up of Spilled or Accidentally Discharged Wastes. Any persons delivering, hauling, disposing, storing, discharging or otherwise handling potentially polluting substances, solid or liquid, such as, but not limited to, the following: fuel oil, gasoline, solvents, industrial liquids or fluids, milk, grease trap and septic tank wastes, sewage sludge, sanitary sewer wastes, storm sewer catch-basin wastes, oil or petroleum wastes, shall

immediately clean up any such spilled material to prevent its becoming a hazard to health or safety or directly or indirectly causing the pollution to the lakes and streams under the jurisdiction of the City of Madison. (Am. and Renum. by Ord. 12,171, 7-20-98)

(6) Duty of Notification. Spills or accidental release of hazardous materials or potentially polluting substances at a site or of a quantity or nature that cannot adequately be cleaned up by the responsible person shall be reported immediately to the emergency number for the Madison Police Department, 911, so that assistance can be given by the proper agency. (Am. and Renum. by Ord. 12,171, 7-20-98)

(7) Financial Liability. The person responsible for the release, escape or discharge of potentially polluting substances may be held financially liable for the cost of any clean-up or attempted clean-up deemed necessary or desirable and undertaken by the City of Madison, or its designated agent, in an effort to minimize the polluting effects of the discharged substance. (Am. and Renum. by Ord. 12,171, 7-20-98)

(8) Storage of Polluting Substances. It shall be unlawful for any person to store any potentially polluting substances unless such substances are stored in such manner as to securely prevent them from escaping onto the ground surface and/or into any street, sewer, ditch or drainageway, lake or stream in or under the jurisdiction of the City of Madison. (Am. and Renum. by Ord. 12,171, 7-20-98)

(9) Enforcement Responsibility. The Director of Public Health Madison and Dane County or her/his designee shall have the administrative responsibility for the enforcement of this ordinance. (Am. and Renum. by Ord. 12,171, 7-20-98; Am. by ORD-15-00009, 1-28-15)

(10) Penalty. Any person failing to comply with this ordinance may be subject to a fine of not less than fifty dollars ($50) no more than two thousand dollars ($2000). Each day of violation shall constitute a separate offense. (Am. and Renum. by Ord. 12,171, 7-20-98; Am. by ORD-08-00140, 12-23-08)

(Sec. 7.46 R. & Recr. by Ord. 5041, 6-4-75; Am. by Ord. 12,171, 7-20-98)

7.47 REGULATIONS OF DISCHARGE OF NONSTORM WATER.

(1) Legislative Intent. This ordinance with its effluent quality requirement has as its specific objectives, the prevention of the introduction of materials in quantity or concentration that may:

(a) Be potentially dangerous to human health;

(b) Be potentially harmful, toxic, injurious, or destructive to the assemblage of native plants, animals, and aquatic organisms, normally found in our lakes, streams and wetlands;

(c) Contribute adversely to the nutrient problem of the Madison lakes;

(d) Degrade the esthetic quality of the receiving water;

(e) Adversely affect the quality of the groundwater within the City;

(f) Impair any designated Federal, Wisconsin, Dane County, or City of Madison water quality standards or delay achievement of Wisconsin's water quality goals.

(Am. by Ord. 12,170, 7-20-98)

(2) Definitions. In this section:

"Department" means Public Health Madison and Dane County. (Am. by ORD-15-00009, 1-28-15)

"Effluent" means an overflow or discharge.

"Groundwater(s)" means the portion of subsurface water which is within the zone of saturation and includes but is not limited to perched water tables, shallow regional groundwater tables, and aquifiers or zones that are seasonally, periodically or permanently saturated.

"Nonstorm water" means water from a source other than melting snow or rainfall.

"Permit" means a permit for the discharge of pollutants issued by the Department.

"Person" means an individual, owner or operator, corporation, partnership, association, limited liability company, municipality, interstate agency, state agency, or federal agency.

"Potential polluting substance" means any dredged soil, solid waste, incinerator residue, sewage, garbage, refuse, oil, sewage sludge, munitions, chemical wastes, biological materials, radioactive substance, heat, wrecked or discarded equipment, rock, sand, cellar dirt, sump pump residue, and industrial, municipal and agricultural waste discharged into water.

"Storm water" means storm water runoff, snow or ice melt runoff, and surface runoff and drainage.

"Surface water(s)" means all natural and artificial named and unnamed lakes and all naturally flowing streams, but does not include cooling lakes, farm ponds and facilities constructed for the treatment of wastewaters.

"Wastewater" means cooling water, contaminated storm water, noncontact cooling water, process wastewater, sewage or any combination of these. (Cr. by Ord. 12,170, 7-20-98)

(3) Permit. No person shall discharge any nonstorm water or connect any nonstorm water facility to the storm sewer system, or directly into any lake or stream in or under the jurisdiction of the City of Madison, or into any ditch or drainageway leading into such lakes and streams without first having obtained a permit therefor as required by this section. (Am. and Renum. by Ord. 12,170, 7-20-98)

(4) Application. The aforesaid permit shall be obtained by submitting a written application to the Department on forms provided by the City one month prior to the commencement of discharge. The applications shall include, but not be limited to, the following:

(a) Name, location and description of the applicant's property;

(b) Name and address of the owner of the property;

(c) Name, address and telephone number of property owner's agent or contact person.

(d) Name, address and telephone number of plumbing or consulting firm, if applicable.

(e) Source of or type of wastewater, estimated peak flow in gallons per minute, estimated daily average flow in gallons per day, estimated temperature at point of discharge, and a list of any expected chemical additives or other substances discharged, and their concentration;

(f) A sketch drawn to scale of the property, showing:

1. location of discharge, and
2. receiving sewer or other receiving drainage or water body, and
3. proper sampling facility within the building, or
4. a four (4) foot diameter Madison Standard Storm Sewer Manhole or other approved access point for the purpose of sampling.

(Am. and Renum. by Ord. 12,170, 7-20-98)

(5) Availability and Connect Cost. The receiving sewer, ditch, or drainageway shall have sufficient capacity and the effluent shall not damage said sewer, ditch or drainageway as determined by the City Engineering Division. The City Engineer shall estimate the cost for the sewer connection and the cost to extend service to the applicant's property line. (Am. and Renum. by Ord. 12,170, 7-20-98)

(6) Effluent Quality Requirements.

(a) The effluent shall not pollute surface water or groundwaters and the effluent shall not degrade the quality of the receiving water below standards established by the State of Wisconsin. (Am. by Ord. 7899, 12-29-82)

(b) Guided by applicable City, State and Federal water quality requirements, the Department shall establish effluent quality requirements for each proposed

nonstorm water discharge to the storm sewer system or into any lake or stream in or under the jurisdiction of the City or into any ditch or drainageway leading into such lakes and streams. (Am. by Ord. 8646, 8-2-85)

(c) Effluent quality requirements may be revised from time to time as required by law. Discharges pursuant to initially prescribed requirements shall not create a vested right of the permit holder to continue such discharge. Permit holders must at all times meet revised effluent quality requirements for the nonstorm water specifically approved for discharge under the permit.

(d) Wis. Admin. Code chs. NR 102-106, are adopted by reference.

(Am. and Renum. by Ord. 12,170, 7-20-98)

(7) Sampling Facilities and Plumbing Standards. Required sampling facilities shall be installed prior to the commencement of any discharge or upon completion of any repair or alteration to any existing source of discharge. Permit holders shall comply at all times with state or local plumbing codes. (Am. and Renum. by Ord. 12,170, 7-20-98)

(8) Approval Process.

(a) The City Engineer or designee and the Director of Public Health Madison and Dane County or designee shall review the application according to the effluent quality requirements. If the requirements are met, the applicant shall be issued a permit by the Department.

(b) Fees. The applicant shall pay to the City:

1. a nonrefundable seventy-five dollar ($75) application fee at the time of application before discharge begins;
2. the cost of connection and extension of service before discharge begins;
3. an annual discharge permit fee prior to July first for each year. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of 15% of the license fee or a minimum of $3.00, whichever is greater. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. The annual discharge permit fee shall be in accordance with the following schedule of discharge volumes and said volumes shall be based upon the best available data:

Annual Discharge in Gallons	Fee
Up to 50,000	$150
50,001 to 100,000	180
100,001 to 1,000,000	240
1,000,001 to 10,000,000	480
10,000,001 to 100,000,000	840
Greater than 100,000,000	1440

Discharge fees for new sources of discharge shall be based upon the best available estimates of discharge volume. (Am. by ORD-08-00141, 12-23-08)

(c) The owner or owner's agent shall admit to the property at any reasonable time duly authorized City employees to sample the effluent quality and/or inspect all required plumbing facilities;

(d) To have a permit in good standing, the applicant shall maintain the prescribed effluent quality requirements.

(e) Any change in type or amount of flow of discharge requires the written approval of the City Engineer and Director of Public Health Madison and Dane County. (Am. & Renum. by Ord. 12,170, 7-20-98)

(9) Revocation of Permit.

(a) If investigation reveals that the effluent in any way does not meet the effluent quality requirements prescribed by the Department or the permitted volume discharges, the owner or owner's agent shall be notified and given a time specified not to exceed thirty (30) days by the permit-issuing authorities within which to correct the deficiencies noted. Failure to make correction within the specified time limits will result in automatic revocation of the permit.

(b) After a permit has been so revoked, a new application shall be made and acted upon through the procedures set out herein before discharge may again be started. (Am. by Ord. 7899, 12-29-82)

(Am. and Renum. by Ord. 12,170, 7-20-98)

(10) Appeal.

(a) Any applicant or permit holder aggrieved by an order of the Director of Public Health Madison and Dane County may request a hearing to appeal the order. A request for a hearing shall be submitted to the Board of Health for Madison and Dane County within fifteen (15) days after issuance of the order; otherwise, the right to request a hearing shall be deemed waived.

(b) The matter shall be heard before a subcommittee of the Board of Health for Madison and Dane County consisting of three (3) members appointed by the Chair. All parties shall be notified of the date, time and location of the hearing to be set no more than thirty (30) days nor less than ten (10) days after the request has been received by the Board of Health for Madison and Dane County. At the hearing the applicant or permit holder and the Director of Public Health Madison and Dane County may be represented by counsel, shall have the opportunity to present evidence, and shall be able to call and cross-examine witnesses. Within ten (10) days of the hearing, the subcommittee shall issue a written decision stating the reason therefor. The decision shall be mailed to the addresses provided by the parties.

(c) The decision of the subcommittee shall be a final determination and shall be subject to review in Circuit Court of Dane County as may be provided by law. Any party aggrieved by the decision may seek review thereof within thirty (30) days after the date of the final determination.

(Cr. by Ord. 12,170, 7-20-98; Am. by ORD-05-00033, 02-24-05)

(11) Limitation on Regulation. Nothing in these regulations shall prevent ordering effluents that do not meet prescribed effluent quality requirements out of the storm sewer or stopping their discharge into any stream or lake in or under the jurisdiction of the City of Madison. (Renum. by Ord. 12,170, 7-20-98)

(12) Inspection of Records. All permit records shall be open to public inspection. (Renum. by Ord. 12,170, 7-20-98)

(13) Penalty. Any person who shall violate the provisions of this ordinance or who shall refuse to comply with any lawful order issued pursuant to the provisions of this ordinance shall be fined not less than fifty dollars ($50) nor more than two thousand dollars ($2000) for each and every violation hereof, each day of violation shall constitute a separate offense. (Am. by ORD-08-00140, 12-23-08)
(Am. & Renum. by Ord. 12,170, 7-20-98)

(Am. by ORD-15-00009, 1-28-15)

7.48 REGULATION OF THE SALE, APPLICATION AND USE OF FERTILIZERS.

(1) Purpose. The Common Council finds that the Madison lakes are natural assets which enhance the environmental, recreational, cultural and economic resources of the Madison area and contribute to the general health and welfare of the public. The Common Council further finds that Madison lake water quality may be maintained and improved if the City is able to regulate the amount of nutrients and contaminants including phosphorus

contained in fertilizer entering the Madison lakes as a result of runoff from lawns and turf. The purpose of this ordinance is to set forth regulations which will enable the City to protect its water resources for the health, safety, and welfare of the public without detracting from the natural beauty of homeowners' lawns and gardens.

(2) Definitions.

"Distribute" has the meaning specified under Wis. Stat. § 94.64(1)(d).

"Fertilizer" has the meaning specified under Wis. Stat. § 94.64(1)(e).

"Impervious surface" means a highway, street, sidewalk, parking lot, driveway, or other material that prevents infiltration of water into the soil.

"Turf" has the meaning specified under Wis. Stat. § 94.643(1)(b).

(3) It shall be unlawful for any person to apply to turf within the City any fertilizer, liquid or granular, that is labeled as containing phosphorus or available phosphate.

(4) It shall be unlawful for any person to apply or deposit any fertilizer on an impervious surface. If such application occurs, the fertilizer must be immediately contained and either legally applied to turf or any other lawful site, or returned to the original or other appropriate container.

(5) Time of Application. It shall be unlawful for a person to apply fertilizer when the ground is frozen or when conditions exist which promote or create runoff.

(6) It shall be unlawful for any person to display or distribute for retail sale fertilizer labeled as containing phosphorus or available phosphate. This prohibition shall apply to the fertilizer content of a product that combines fertilizer with a pesticide. Signs may be posted advising customers that fertilizer containing phosphorus or available phosphate is available upon request for uses permitted by sub. (7)(a). A sign containing the regulations set forth in this section and the effects of phosphorus on Dane County's waters must be prominently displayed where fertilizers are sold. (Am. by ORD-05-00034, 2-24-05)

(7) Exceptions.

(a) Subsection (3) shall not apply when:

1. a tissue, soil or other test by UW-Extension Laboratory or another state-certified soil-testing laboratory and performed within the last three years indicates that the levels of available phosphorus in the soil is insufficient to support healthy turf growth, as determined by the University of Wisconsin Extension Service, provided that the proposed fertilizer application shall not contain an amount of phosphorus or available phosphate exceeding the amount and rate of application recommended in the soil test evaluation;
2. the property owner or an agent of the property owner is first establishing or re-establishing turf via seed or sod procedures, and only during the first growing season.

(b) Any person who applies a fertilizer containing phosphorus or available phosphate pursuant to the aforementioned exceptions shall, consistent with the product label instructions, water such fertilizer into the soil where it is immobilized and generally protected from loss by runoff.

(c) Subsection (6) regarding the prohibition of the distribution of fertilizer containing phosphorus shall not apply when the customer states:

1. a tissue, soil or other test by UW-Extension Laboratory or another state-certified soil-testing laboratory and performed within the last three years indicates that the levels of available phosphorus in the soil is insufficient to support healthy turf growth, as determined by the University of Wisconsin Extension Service;
2. the property owner or an agent of the property owner is first establishing or re-establishing turf via seed or sod procedures, and only during the first growing season.

(Am. by ORD-05-00034, 2-24-05)

(8) Penalty. Any person who violates this ordinance shall pay a forfeiture of not less than fifty dollars ($50) nor more than two thousand dollars ($2000) for each offense.

(Sec. 7.48 Cr. by Ord. 4654, 8-2-74; Am. by Ord. 13,532, 2-24-04; ORD-09-00154, Pub.11-20-09, Eff. 4-1-10)

7.49 STANDARDS FOR EXTERIOR PAINTING AND REMODELING.

(1) Scope. Owners of buildings and structures built before 1978 shall paint or remodel or cause to be painted or remodeled any painted exterior surface of such buildings or structures in conformity with the standards set forth in this section. These standards also apply if the age of the building or structure cannot be established by the owner to the satisfaction of Public Health Madison and Dane County.

(a) Painting or remodeling includes but is not limited to work involving construction, alteration, repair, painting, paint removal or decorating.

(b) A painted exterior surface means an exterior surface covered with a paint or other surface coating material.

(c) An exterior surface may include but is not limited to walls; windows, window assemblies and trim; soffit; facia; doors, door assemblies and trim; porch and balcony floors and ceilings; columns; handrails and guardrails; and foundations.

(Sec. 7.49(1) Am. by Ord. 11,910, 7-29-97; ORD-15-00009, 1-28-15)

(2) Standards for Paint Removal Methods.

(a) The following methods shall not be used to remove paint or other surface coating materials without the use of adequate engineering controls:

1. Open flame burning;
2. Power tool cleaning including but not limited to machine sanding or machine grinding;
3. Open-air abrasive blasting or stripping using sand, steel grit, steel shot, aluminum oxide, water or other abrasive media.

(b) The methods listed in Subdivision (a) above may be used only with adequate engineering controls to the extent feasible to reduce public exposure to lead. Adequate engineering controls include but are not limited to vacuum attachments equipped with high efficiency particulate accumulator (HEPA) filters, partial containment structures, total containment structures under negative pressure or other method approved by the Director of Public Health Madison and Dane County. (Am. by ORD-15-00009, 1-28-15)

(3) Safety Procedures.

(a) All windows, doors, HVAC intake vents and other entry ways into the building or structure shall be kept closed, or sealed if necessary, while work is being performed. (Am. by Ord. 11,910, 7-29-97)

(b) Plastic sheeting shall be used to prevent accumulation of dust and debris on the soil, vegetation or other surfaces adjacent to the work area. At a minimum, plastic sheeting shall be securely attached to the building or structure and extend the length of the work area. (Am. by Ord. 11,910, 7-29-97)

(c) All visible dust and debris in and around the work area and all waste work materials such as tape, plastic sheeting, mop heads, cleaning cloths, sponges, disposable clothing, filters and other disposable work materials must be cleaned up at the end of each work day during the entire painting or remodeling project. The dust, debris and disposable work materials must be placed in double 4 mil or single 6 mil plastic bags.

(d) Waste generated during the project shall be disposed of in conformance with all applicable local, state and federal laws and regulations. Waste shall be transported and disposed of in such a manner as to prevent lead from becoming airborne.

(4) Warning Notice. At least two warning signs shall be conspicuously posted adjacent to the work area. The signs shall be posted at the beginning of the project and remain posted until the project has been completed. The signs shall measure at least eleven (11) inches by eight (8) inches and display the following wording:

Caution - Paint Removal Work Area
Danger to Children and Pregnant Women

(5) Exemption. Persons are exempt from this ordinance if there is no lead-bearing paint present on the surfaces to be painted or remodeled or if there is no lead-bearing paint disturbed by the painting or remodeling process. Lead-bearing paint means any paint or other surface coating material containing more than 0.06% lead by weight, or showing a lead concentration of more than 0.7 milligrams of lead per square centimeter (0.7 mg/cm2) of surface area. This determination must be made prior to removing or disturbing the paint by a laboratory certified to do lead analysis through the Environmental Lead Laboratory Accreditation Program. Paint chip samples must be collected according to instructions provided by the accredited laboratory. Acceptable paint chip samples must include all layers of paint and omit any surface material such as wood, masonry, etc. A finding of no lead-bearing paint must be supported with written documentation showing who performed the testing specifying the company or lab name and address and technician name, the date of testing, the test method used, the location and type of surface tested and the test result for each sample. (Am. by Ord. 11,910, 7-29-97)

(6) Penalties. Any person violating any of the provisions of this ordinance shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than one thousand dollars ($1000) and each day or fraction of a day on which any provision of this ordinance is violated shall be deemed a separate offense.

(7) (R. by Ord. 11,910, 7-29-97)

(Sec. 7.49 Cr. by Ord. 10,886, 4-15-94)

7.50 PRE-INSPECTION PERMITS AND FEES AND CHANGES OF OWNERSHIP AND REINSPECTION FEES.

(1) Requirement. Before opening for business, every operator of an enterprise requiring: a food and drink permit; a hotel, motel, tourist rooming house, bed and breakfast establishment permit; a public swimming pool permit; or a recreational, educational camp or campground permit, shall obtain a permit from Public Health Madison and Dane County through application made upon a form furnished by the Department. A permit or license shall not be granted to an operator without a pre-inspection. The permit or license shall be conspicuously displayed in or near the licensed facility. (Am. by Ord. 11,817, 3-31-97; ORD-15-00009, 1-28-15)

(2) Change of Ownership. Every operator of an enterprise requiring a food and drink permit, a hotel or tourist rooming house or a swimming pool shall promptly notify Public Health Madison and Dane County in writing of his or her intention to cease operations and shall also supply the Department with the names and post office addresses of any prospective new operators. (Am. by ORD-15-00009, 1-28-15)

(3) Requested Inspections. Any operator or prospective operator of an enterprise requiring a food and drink permit or a hotel or tourist rooming house license or a swimming pool license, who requests an inspection shall pay the pre-inspection fee herein set forth before said inspection.

(4) Pre-Inspection Fees. Pursuant to authority set forth in Wis. Stat. § 97.615, the fee for a pre-inspection shall be three hundred seventy-five dollars ($375) for each inspection. A separate pre-inspection fee shall be paid for each category of permit or license. Except food and drink establishments that are primarily retail or taverns that do not serve food and do not engage in food processing the pre-inspection fee shall be one hundred dollars

($100) for each pre-inspection. (Am. by Ord. 11,817, 3-31-97; Am. by Ord. 12,729, 12-14-00; Ord. 13,306, 4-30-03; Ord. 13,505, 2-10-04; ORD-06-00156, 11-23-06; ORD-12-00075, 6-20-12)

(5) Inspection Fees. Public Health Madison and Dane County may charge a State of Wisconsin licensed operator or entity an inspection fee of twenty five dollars ($25) per day.

(6) Re-Inspection Fees. If Public Health Madison and Dane County re-inspects an establishment regulated under Madison General Ordinance Chapter 7 because Public Health Madison and Dane County finds a violation of this Chapter, Public Health Madison and Dane County shall charge the establishment owner or operator a re-inspection fee of one hundred and fifty dollars ($150) for the first re-inspection and two hundred and fifty dollars ($250) for second and subsequent re-inspections. A re-inspection fee is payable when the re-inspection is completed, and due upon written demand from Public Health Madison and Dane County.

(7) Plan Review Requirement and Fee. Public Health Madison and Dane County shall require an operator of a new or extensively remodeled food establishment to submit equipment layout plans, equipment schedules, detailed descriptions of food processing operations, and menus for review as requested. Public Health Madison and Dane County shall charge the establishment owner or operator of a new food establishment three hundred seventy-five dollars ($375) for a plan review and two hundred and fifty dollars ($250) for a plan review of an existing licensed food establishment that will be extensively remodeled .

(8) Fees for Special Conditions Inspections. Public Health Madison and Dane County may charge for an inspection or consultation services that are not directly related to Public Health Madison and Dane County's permitting and licensing responsibilities. Public Health Madison and Dane County may charge the operator or entity requesting the inspection or consultation a fee of two hundred and fifty dollars ($250).

(9) Fees for Hazard Analysis and Critical Control Point (HAACP) Plan Review. Public Health Madison and Dane County may charge a fee of one hundred dollars ($100) for an HAACP plan review and subsequent annual verification to the operator or entity required by law to submit an HAACP plan for approval.

(Section 7.50 Cr. by Ord. 8551, 3-18-85; Am. by ORD-16-00111, 12-14-16)

7.51 HOTELS, MOTELS, BED AND BREAKFAST ESTABLISHMENTS AND TOURIST ROOMING HOUSES. (Title Am. by Ord. 8743, 12-31-85; Ord. 13,384, 8-23-03; ORD-16-00111, 12-14-16)

(1) Adoption by Reference. Wis. Admin. Code chs. ATCP 72 and 73 and subsequent amendments, additions and recodifications, are adopted by reference except for those provisions found elsewhere in the Madison General Ordinances which impose stricter standards, in which case the said ordinance provisions shall prevail. (Am. by Ord. 8743, 12-31-85; ORD-12-00035, 3-28-12)

(2) Definitions.

Department. Whenever the term "department" is used in the aforesaid Wisconsin Administrative Code, it shall be construed to mean Public Health Madison and Dane County unless the context clearly demonstrates otherwise. (Am. by ORD-15-00009, 1-28-15)

Bed and Breakfast Establishments means any place of temporary lodging that provides eight (8) or fewer rooms for rent to no more than a total of twenty (20) tourists or other transients for a length of stay not to exceed twenty-one (21) consecutive days, is the owner's principal residence, is occupied by the owner at the time of rental and while renters are on the premises, and in which the only meal served is breakfast. (Am. by Ord. 10,948, 7-30-94; ORD-13-00146, 9-11-13)
(Am. by Ord. 8743, 12-31-85)

(3) Fees. The annual fee for Hotels, Motels, and Tourist Rooming Houses shall be based upon the number of rooms held open for the use of the public on the licensed premises. The annual fee for Bed and Breakfast Establishments shall be a flat rate. The licensing year shall be from July 1 through the following June 30. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of fifteen percent (15%) of the license fee or a minimum of three dollars ($3.00), whichever is greater. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. The fee herein established shall be for one year or a fractional part thereof.

Hotels and Tourist Rooming Houses:

Number of Rooms	License Fee
1 - 4	$149
5 - 30	$209
31 - 99	$297
100 - 199	$429

7.55 OUTDOOR WOOD BOILERS PROHIBITED. (Health/Building Inspection)

(1) Definition. "Outdoor wood boiler" as used in this section means any self-contained stove designed for the combustion of solid fuel and connected to a home or other building through underground piping. Outdoor wood boilers are also called wood-fired furnaces, wood-fired stoves, and outdoor furnaces.

(2) No person shall install, use, or maintain any outdoor wood boiler within the City of Madison.

(3) Pre-existing Outdoor Wood Boilers. Any person with an outdoor wood boiler installed and operating prior to the effective date of this Ordinance, may apply for a permit to continue to operate the boiler under the following conditions:

a. All outdoor wood boilers shall be operated in accordance with the manufacturer's directions, except as otherwise provided herein.

b. No industrial waste, rubber, plastic, used motor oil, toxic chemicals, hazardous waste, yard waste, painted or chemically treated wood, processed wood products, household garbage, cardboard, waste paper or animal waste shall be burned in the outdoor wood boiler.

c. Outdoor wood boilers shall not be operated between April 1 and October 15.

d. Outdoor wood boilers shall not be operated in a manner that produces excessive smoke, dust, or odors.

e. Outdoor wood boilers shall meet all applicable state and federal emission standards.

f. Upon the transfer of title of a home or other building with an outdoor wood boiler, neither the valid permit nor the right to operate the existing boiler shall be transferred to the new owner.

(4) Permits for Pre-Existing Wood Boilers. The permit shall be issued by the City Clerk based on an application form provided by that office and payment of a $50 fee. The permit shall be valid for one year from the date of issue and may be renewed only by the original permit holder.

(5) Any person who shall violate any provision of Section (3) shall have their permit revoked.

(6) Boilers for utility, municipal, industrial and research purposes constructed under WDNR air emissions permits and in compliance with air quality standards are exempt from this ordinance.

(7) Any person operating an outdoor wood boiler without a permit upon conviction of such may be subject to a forfeiture of not more than two hundred ($200) dollars. Each day such violation continues shall be considered a separate offense.

(Sec. 7.55 Cr. by ORD-09-00029, 2-19-09)

8.01 PURCHASING AGENT TO HAVE CHARGE OF PERSONAL PROPERTY.
In addition to the duties and powers vested in the Purchasing Agent under the provisions of Section 4.27(2)(a) of the City Ordinances, there is hereby vested in her or him the supervision of all movable property belonging to the City unless express provision is made to the contrary by ordinance. Said Purchasing Agent shall be accountable for all personal property belonging to the City and shall make such provision for storage and care of such property as shall be necessary or desirable for the safekeeping of such property. (Am. by ORD-14-00012, 1-14-14)

8.02 INVENTORY. The Purchasing Agent shall keep and maintain a perpetual inventory of personal property of such City, and shall file copies of inventory with the Finance Director. He or she shall notify the Finance Director of purchase of new equipment and the disposition of any City property belonging to the City, by sale or otherwise. (Am. by Ord. 8762, 12-31-85; ORD-11-00037, 3-8-11; ORD-14-00012, 1-14-14)

8.03 PERSONS IN CHARGE OF CITY PROPERTY TO BE RESPONSIBLE FOR SAME.
Any officer or employee of the City receiving supplies, articles or materials shall be responsible to the Mayor and the Purchasing Agent for the preservation of the same in good order and condition, reasonable wear and tear excepted; and except as to such supplies, articles or materials as are consumed in the business of the City each such officer or employee shall be responsible for any loss or damage caused by negligence, abuse or misconduct on her/his part. (Am. by ORD-14-00012, 1-14-14)

8.04 PROPERTY UNSUITABLE FOR USE TO BE REPORTED TO PURCHASING AGENT.
It shall be the duty of any officer or employee of the City having in her/his possession or under her/his immediate control any personal property belonging to the City to report and turn over any such personal property which has become unsuitable for use by such department because of deterioration or for any other reason, to the Purchasing Agent who shall dispose of the same as hereinafter provided. (Am. by ORD-14-00012, 1-14-14)

8.05 TRANSFER OF PERSONAL PROPERTY FROM ONE DEPARTMENT TO ANOTHER.
If at any time the Purchasing Agent shall find that any such property reported to be used in some other department of the City, the Purchasing Agent may turn such property over to the department needing the same upon receipt of a requisition therefor from the head of such department; and the one department shall thereupon be credited with the return of such property, which shall be charged to the department receiving the same. Every such transaction shall be reported by the Purchasing Agent to the Finance Director. (Am. by ORD-11-00037, 3-8-11; ORD-14-00012, 1-14-14)

8.055 SALEABLE LOGS.
Upon a determination that a former City tree could have marketable value if sold for lumber, City divisions may inform the Parks Superintendent, who may take possession of any such City-owned logs. Any such saleable logs may be stockpiled and sold or disposed of by the Parks Superintendent

in a manner consistent with the City's interests, which may include consideration of non-monetary interests such as the reuse of local materials. If any logs are sold or disposed of under this Section, the Parks Superintendent shall report annually to the Council about the program and the manner of disposition.
(Cr. by ORD-15-00058, 5-27-15)

8.06 DISPOSAL OF PERSONAL PROPERTY VALUED AT LESS THAN TWO HUNDRED DOLLARS. The Purchasing Agent shall have the power to dispose of or sell any personal property belonging to the City, which has become deteriorated or unfit for City use, and which shall have an estimated value of not more than two hundred dollars ($200), said value to be determined by the Purchasing Agent, without securing bids therefor. Proceeds of such sale shall be paid to the City Treasurer.

8.07 DISPOSAL OF PERSONAL PROPERTY VALUED AT MORE THAN TWO HUNDRED DOLLARS. Any personal property belonging to the City which has become deteriorated or unfit for City use, and which shall have an estimated value of more than two hundred dollars ($200) in the opinion of the Purchasing Agent, shall be disposed of as follows:

(1) Notice of the time and place of the sale of such property shall be published in the official newspaper or posted in such places within the City as to attract probable purchasers, at least ten (10) days before such sale.

(2) At least ten (10) days before such sale, written notice shall be given to the heads of City departments, containing a brief description of such property, its location and an estimate of its value.

(3) The Purchasing Agent shall make and preserve an accurate record of such sale and the proceeds thereof shall be paid to the City Treasurer within ten (10) days after said sale.

8.075 DISPOSAL OF SURPLUS CITY REAL PROPERTY.

(1) Definitions.
"City department" includes City agencies, departments and divisions, but does not include the City's Community Development Authority ("CDA"), Parking Utility, Water Utility, Sewer Utility, or Stormwater Utility (the "Utilities").
"Real property" includes land, air rights, subterranean rights, and appurtenances conveyed with and/or affixed to the land (e.g., buildings).

(2) Surplus Property Notification. When a City department determines real property surplus to its needs, the department shall provide written notice to the Director of the Economic and Community Development Division (ECDD). The written notification shall include maps, plats, or other drawings showing the surplus property, a legal description of the property and any restrictions or conditions as may be recommended or suggested for incorporation into the conveyance instrument.

(3) Surplus Property Disposal Method Determination. The ECDD Director shall determine the method of disposal for the surplus property using the following procedures:

(a) If there is an approved City plan or project for which the surplus property is needed, the property shall be conveyed/transferred to the appropriate City department, CDA or Utility, subject to any restrictions or conditions authorized by resolution adopted by the Common Council.

(b) If sub. (a) does not apply, the ECDD Director shall provide written notification to all City departments, the CDA and Utilities of the availability of the surplus property and request an indication of each City department, CDA or Utility's interest in the property or its knowledge of any restrictions or conditions which should be placed on the property if disposal proceeds.

1. If only one (1) City department, CDA or Utility expresses interest in the property, the property shall be conveyed/transferred to that department, CDA or Utility.

2. If two (2) or more City departments, CDA or Utilities express interest in the property, the requests shall be reviewed by the City Engineer. Its recommendations shall be forwarded to the Common Council for a decision. The surplus property shall then be conveyed/transferred to the appropriate City department, CDA or Utility, subject to any restrictions or conditions authorized by resolution adopted by the Common Council. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(c) If subs. (a) and (b) do not apply, the ECDD Director and the Director of the Department of Planning and Economic and Community Development ("DPECD"), after consultation with the Alderperson of the aldermanic district within which the property is located, shall determine if it is in the best interests of the City to sell the property by direct sale to either tenants who currently lease or occupy the property or to owner(s) of an abutting property located within the City of Madison. If it is determined that such a sale is in the best interests of the City and there is only one party interested in purchasing the property, the intent to sell the property in this way and the terms and conditions of the sale shall be submitted to the Common Council for approval. If more than one of the prospective purchasers described in this subdivision express interest in the property, the procedures described in sub. (d) shall apply, except that the Committee described in sub. (d) may limit bids to these prospective purchasers.

(d) If subs. (a), (b) and (c) do not apply, the ECDD and DPECD Directors, after consultation with the Alderperson of the aldermanic district within which the surplus property is located, shall determine if it is in the best interests of the City to dispose of the property either by direct sale or through a public bid process. If it is determined that it is in the best interests of the City to dispose of the property by direct sale, the terms and conditions of the sale shall be submitted to the Common Council for approval. If it is determined to be in the best interests of the City to dispose of the property through a public bid process, the Mayor shall create a Criteria and Selection Committee ("Committee") and appoint the members who shall perform the duties herein described.

1. Committee Membership. The Committee shall consist of at least five (5) persons, including:
   a. The Alderperson of the aldermanic district in which the property is located;
   b. Two (2) additional Alderpersons;
   c. A representative of the Mayor (either staff or resident); and (Am. by ORD-17-00030, 3-8-17)
   d. A resident of the neighborhood.

   The number of Committee members may be increased but shall not exceed seven (7) members. The Real Estate Manager shall be responsible for staff support to the Committee, communications with potential bidders, and the technical details of the public bid proposal process.

2. Committee Duties and Responsibilities. The Committee shall be responsible for the following:
   a. Identification of the type of use desired for the surplus property and any special terms or conditions that are important to the City.
   b. Establishment of criteria with point values to be used in the evaluation of bid proposals submitted by potential purchasers of the property.
   c. Evaluation of the bid proposals submitted by potential purchasers and selection of the purchaser.

3. Common Council Concurrence. Once the Committee establishes the criteria and point values, the Real Estate Manager shall prepare a

resolution for introduction to the Common Council directing the Real Estate Manager to proceed with the public bid process for the sale of the surplus property.

4. Bid Proposal Selection. The Committee shall receive, open, and evaluate the bid proposals subject to the selection criteria and point values. The Committee may request additional information from the bidders or City staff prior to selection of a bid proposal. The Committee may select the bid proposal that it determines to be in the best interests of the City regardless of whether it has the highest point value. The Committee shall reserve the right to reject any and all bid proposals. Upon selection of a bid proposal, the Real Estate Manager shall prepare a resolution for adoption by the Common Council accepting the Committee's selection and authorizing the sale of the surplus property.

5. Surplus Property Conveyance. The surplus property shall be conveyed to the selected purchaser by Quit Claim Deed, subject to any restrictions, terms, and conditions of sale adopted by the Common Council.

(Sec. 8.075 Cr. by ORD-07-00130, 10-5-07)

8.08 CITY BUILDINGS—PLANS AND SPECIFICATIONS TO BE FILED IN THE BUILDING INSPECTION DIVISION OF THE DEPARTMENT OF PLANNING AND COMMUNITY AND ECONOMIC DEVELOPMENT—DIRECTOR OF THE BUILDING INSPECTION DIVISION TO BE SUPERINTENDENT OF CONSTRUCTION OF PUBLIC WORKS.

(1) All architects hereafter employed by the City of Madison to present plans and specifications for City buildings shall prepare and place on file with the Director of the Building Inspection Division a full and complete set of detailed plans and specifications for all such buildings or other structures designed by them, and said plans and specifications shall be kept on file in the office of the Building Inspection Division of the Department of Planning and Community and Economic Development and shall be and remain the property of the City of Madison.

(2) In the construction of all buildings and other structures for the City of Madison, except structures erected by the Board of Education, no change shall be made in the plans and specifications for said buildings and other structures after the contracts for said work shall have been let unless said changes shall have received the approval of the Director of the Building Inspection Division, the superintending architect and the Mayor.

(3) In the construction of all public works except those superintended by the City Engineer, the Superintendent of the Water Department or the Board of Education, the Director of the Building Inspection Division is hereby designated as superintendent of construction of the City of Madison, and it shall be her/his duty, in connection with the superintending architect, to make inspection from time to time of the work as it progresses, and see that the contractor is carrying out said work according to the plans and specifications, and to make such recommendations to the superintending architect and the Common Council, as in her/his opinion are desirable. (Am. by ORD-14-00012, 1-14-14)

(4) The City Engineer shall have charge of the supervision and maintenance of all City buildings, and particularly the heating equipment in the fire stations, and in such other buildings the supervision and maintenance of which is not otherwise provided for in the Madison General Ordinances.

(Am. by Ord. 8081, 7-29-83; ORD-06-00184, 12-21-06; ORD-08-00109, 10-7-08)

8.09 EIGHT HOUR DAY ON CONTRACT FOR MUNICIPAL BUILDINGS.

(1) Each and every contract hereafter made for the erection, construction, remodeling or repairing of any municipal structure, building, street, sewer or any other public work to which the City of Madison or any officer, agent or board thereof is a party, except the Board of Education, which may involve the employment of laborers, workers or

mechanics, shall contain a stipulation, or if not in writing an oral agreement, that no laborer, worker or mechanic in the employ of the City or of a contractor, subcontractor, agent or other person doing or contracting to do all or part of the work contemplated by the contract, shall be permitted to work more than eight (8) hours in any one calendar day, except in cases of extraordinary emergencies. (Am. by ORD-14-00012, 1-14-14)

(2) The phrase "extraordinary emergencies" as used in this ordinance shall mean and include only such as grow out of the necessity of protecting property or human life when endangered by reason of riot or attack of the public enemy, or endangered by fire, flood or storm, or out of the necessity of protecting the City against public liability, or where the work is such that it must be completed on the day it is started.

8.10 RESERVED FOR FUTURE USE. (Rep. by ORD-15-00115, 10-28-15)

8.11 FOREST HILL CEMETERY.

(1) Map. The map of Forest Hill Cemetery as made by O. H. St. G. Anson in September 1902, together with subsequent additions thereto on file in the office of the City Clerk of the City of Madison, is hereby declared to be the map of Forest Hill Cemetery, and the sections, lots and divisions, streets, alleys and paths as designated and shown on said map and the additions thereto are hereby declared to be fixed and determined beyond alteration, except by ordinance of the Common Council, and then only to such extent as shall not interfere with private rights; subject, nevertheless, to the lotting, subdividing, and numbering of such portions of said grounds as have not already been lotted and numbered.

(2) Management and Control. Forest Hill Cemetery and Mausoleum (hereinafter "the Cemetery") shall be under the management and control of the Madison Board of Park Commissioners (hereinafter "Park Commissioners"). The Park Commissioners shall have the power and authority to adopt such rules and regulations for the management of the Cemetery and relating to the use of the Cemetery and interments therein as they shall deem advisable.

(3) Cemetery Manager. The Cemetery Manager, under the direction of the Park Commissioners, shall have the control and management of the Cemetery as to the laying out and subdividing of the same, and the clearing up and improving of the grounds and buildings and the ornamentation thereof, and shall have charge of all interments made in the Cemetery.

(4) Sale of Lots. The sale of lots, niches and crypts (hereinafter "Lots"), in the Cemetery shall be under the control of the Park Commissioners who shall determine the sale price of all Lots. Subject to such rules and regulations as may from time to time be adopted by the Park Commissioners: 1) all conveyances of cemetery lots shall be by deed executed by the Mayor and City Clerk and shall be recorded in a book kept by the Cemetery Manager and when so executed and recorded shall vest the title for burial purposes only in the grantee, her/his heirs, and assigns; and 2) all mausoleum sales shall be made by completion of a Memorial Purchase Agreement and said Agreement shall be kept in the office of the Cemetery Manager. From and after May 1, 1950, forty percent (40%) of the price paid for each cemetery lot shall be deposited by the City Treasurer into the "Cemetery Perpetual Care Fund" hereinafter mentioned in subsection (7) hereof to be used for the maintenance and care of such lot so sold insofar as the earned income of such payment into such fund shall be sufficient for that purpose. In addition, fifty percent (50%) of the price paid for each mausoleum niche or crypt shall be deposited into the Mausoleum Perpetual Care Fund to be used for the maintenance and care of same insofar as the earned income of such payments into such fund shall be sufficient for that purpose. The Park Commissioners may impose and collect such fees for interment, foundation fees, disinterment, special maintenance work and planting as it shall deem necessary and proper.

(5) Assessment Upon Lots.

(a) The Park Commissioners is hereby authorized and empowered to make annual assessments upon the lots, or parts of lots, in Forest Hill Cemetery subject to the limitations provided in Section 157.11 of the Wisconsin Statutes.

(b) A record of such assessments made upon each lot or part of lot shall be kept by the Cemetery Manager and no interment shall be permitted on any lot or part of lot on which an assessment is due until such assessment shall have been paid. When uniform care has been given for five (5) consecutive years or more and the assessments are unpaid and after giving notice thereof as provided in Wis. Stat. § 157.11(2), title to all the unoccupied part of the lot shall pass to the City of Madison and may be sold, the proceeds to be used for the perpetual care of the occupied portion of the lot.

(6) Disposition of Receipts. All monies derived in any manner from the Cemetery shall be paid into the treasury of the City of Madison subject to the perpetual care funds noted in subsection (4) of this ordinance.

(7) Perpetual Care Funds. That part of the sale price of Cemetery Lots paid into the Perpetual Care Funds and set aside for the purpose of providing care and maintenance of such Lots shall be retained as separate Funds to be maintained by the City Treasurer. The earned income of the Funds may be used by the Park Commissioners for the maintenance and care of such Lots insofar as the income from such funds shall be sufficient for that purpose. It shall be the duty of the City Treasurer to issue to any person who buys a Lot, a portion of the purchase price of which is paid into such Funds, a receipt for such payment. In addition thereto any person may pay or turn over to said Funds any money or property, the principal or income of which is to be used for the care and maintenance of any Lot, vault, tomb or other structure in said Cemetery insofar as the proceeds from such Funds shall be sufficient for that purpose and the City Treasurer shall execute to such person a receipt therefor.

(8) Burial Permits—Records of Burials. No burials shall be permitted in the Cemetery until a permit therefor shall have been issued by the proper person authorized to issue burial permits as provided by Wis. Stat. § 69.18, and unless the interment fees shall have been first paid, except for cemetery expenses pursuant to Wis. Stat. § 49.30, approved by the county, applicable tribal governing body or organization responsible for interment. The applicant for an interment or disinterment shall also furnish to the Cemetery Manager the name and address of the next of kin of the deceased and the name and address of the person authorizing the interment or disinterment. If the Manager approves the application for interment or disinterment, she/he shall keep a record thereof, together with the grave, Lot and section number upon which interment or disinterment is made.

(9) No Burial Unless Lot Paid For. No interment shall be permitted upon any Lot in the Cemetery until the Lot shall be paid for, except for interments where the expenses shall be paid pursuant to Wis. Stat. § 49.30.

(10) "Soldier's Rest" including Alice W. Waterman Plot. All portions of Forest Hill Cemetery lying within the designated area situated east of Section 29 of said cemetery and commonly known as "Soldier's Rest" and a strip twenty (20) feet in width immediately south of said area, and extending the whole length thereof, are hereby set apart and dedicated for the sole use and purpose of the burial of federal soldiers; and all that portion of Forest Hill Cemetery situated south of the area above described and lying within the stone coping enclosure erected by Mrs. Alice W. Waterman is hereby set apart and dedicated for the sole use and purpose of the burial of confederate soldiers; with the proviso and exception that the portion of said area selected by the said Alice W. Waterman with the approval of the superintendent of the cemetery be and the same is hereby dedicated as a burial place for herself. The Cemetery Manager is hereby authorized and directed to take the same measures for the proper care and maintenance of said areas as are taken with regard to lots in said cemetery purchased by private parties.

(11) Catlin Memorial Chapel. The memorial chapel erected by Mrs. C. J. Catlin and Miss Lucia B. Catlin as a memorial chapel in 1878 in part of Section 30 of Forest Hill Cemetery is set apart and forever dedicated for use as a memorial chapel in compliance with the letter of donation, and the grounds adjacent thereto are set apart for use in connection with it and shall be in charge of the Cemetery Manager to be cared for and maintained as other cemetery property and used under the restrictions contained in the letter of donation.

(12) Portions of Cemetery Set Aside for Burial of Soldiers.

(a) The entire tracts known as sections thirty-five (35) and forty-one (41) in Forest Hill Cemetery are hereby set aside and reserved for the burial of soldiers, sailors, marines, army nurses and officers who have served or may serve in any war or campaign in which the United States has been or may hereafter be engaged, including such soldiers, sailors, marines, army nurses and officers who served in the Korean conflict between June 25, 1950 and January 31, 1955, also including such soldiers, sailors, marines, army nurses and officers who served during the Vietnam conflict between August 5, 1964 and a date to be set in the future by the President of the United States.

(b) The burial rights under subdivision (a) above are limited to domiciliaries of the City of Madison at the time of their death. However, this residence requirement does not apply to the surviving widow or widower of a spouse who is already buried in these sections. The provisions of this subsection may be waived if the Cemetery Manager receives a certification from the County Veterans Service Officer that because of unusual circumstances or unnecessary hardship a particular veteran and her or his spouse should be buried in Forest Hill Cemetery. (Am. by ORD-14-00012, 1-14-14)

(c) The production of authentic proof of war or campaign service of a deceased veteran who served in any war or campaign together with a permit duly issued by the Service Officer of Dane County appointed and acting under the supervision of Wis. Stat. § 45.53, shall be sufficient evidence and authority for the Cemetery Manager to permit interment in sections thirty-five (35) and forty-one (41). The term "veteran of World War II" shall be deemed to include any person discharged or released from active duty under conditions other than dishonorable, or retired, who served in the active military or naval service of the United States on or after December 7, 1941, and before 12:00 noon, December 31, 1946. Provided further that the term "active military service" shall include active duty as a member of the Women's Army Auxiliary Corps, Women's Army Corps, Women's Reserve of the Navy and Marine Corps, and Women's Reserve of the Coast Guard.

(d) The interment of the spouse of a living veteran of any of the wars of the United States will be permitted in the appropriate sections above reserved when the requirements of subdivision (c) have been established and fully complied with. The spouse of a deceased veteran of any of the wars of the United States may reserve the grave space adjoining that of such deceased veteran and like reservation may be made by one or both parents of an unmarried deceased veteran provided that either of said parents be a veteran of any of the wars of the United States.

(13) Indian Mounds. The Indian mounds located in sections fifteen (15) and thirty-five (35) shall be preserved and remain undisturbed.

(14) Driving in Cemetery. No person shall operate a vehicle in the grounds of Forest Hill Cemetery on other than the laid out avenues thereof, and upon conviction shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than Two hundred dollars ($200) for each offense, plus the cost of repair, unless authorized by the Cemetery Manager.

(15) Injury to Monuments, Shrubs, Etc. Any person who shall injure or deface any monument or tree, shrub or other plant, or who shall carry away any flower left upon any grave or Lot in said Cemetery shall be subject to a forfeiture of not less than one dollar ($1) nor more than one hundred dollars ($100) for each offense.

(16) Throwing of Rubbish. It shall be unlawful to throw or deposit rubbish on any drives, walks or any other part of the Cemetery except in the receptacles provided therefor, and any person violating the provisions of this subsection shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than one hundred fifty dollars ($150) for each offense.

(17) Cemetery Manager May Remove Certain Articles From Lots.
The Cemetery Manager shall have the right to enter upon any lot to remove any tree, shrub, ornament or other thing which he or she deems detrimental to adjacent lots, drives or walks, prejudicial to the general appearance of the grounds, dangerous to pedestrians, or which hinders the proper care of such lots. (Am. by ORD-14-00012, 1-14-14)

(18) Skiing and Sledding Prohibited. It shall be unlawful for any person to ski or sled in the cemetery when such skiing or sledding is prohibited by signs erected at the cemetery entrances. Upon conviction, a violator shall be subject to a forfeiture of not less than $25 nor more than $200, plus the cost of any repairs.

(Sec. 8.11 Am. by Ord. 11,939, 9-26-97)

8.12 MADISON PUBLIC LIBRARY.

(1) Organization and Library Board.

(a) In pursuance of the provisions of Wis. Stat. ch. 43, there shall be and there is hereby established a free public library and reading room for the use of the inhabitants of the City of Madison to be known as the Madison Public Library.

(b) The City of Madison accepts the gift of seventy-five thousand dollars ($75,000) offered by Andrew Carnegie for a free library building and assents to the conditions upon which said gift was offered; namely, that the City shall furnish a suitable site for such library building, and that the City will support the said free library at a cost of not less than seventy-five hundred dollars ($7,500) per year and the City of Madison obligates itself to levy and collect an annual tax for the support and maintenance of such library of not less than seventy-five hundred dollars ($7,500) per year.

(c) The management of the Madison Public Library shall be under the supervision of a Library Board composed of nine (9) members to be appointed by the Mayor subject to the approval of the Common Council. Only one member of such board shall be a member of the Common Council. The Mayor shall appoint the Superintendent of Schools or her/his representative as a member of the Library Board.

The Library Board shall appoint the Library Director subject to a five-year employment contract as described in Sec. 3.54(9)(f) of these ordinances. (Am. by ORD-14-00173, 12-10-14)

(d) Board Appointments.

1. The Mayor shall make appointments subject to Council approval to fill the two terms expiring in 1967 and shall appoint the Superintendent of Schools or her/his representative to a three year term. (Am. by ORD-14-00012, 1-14-14)
2. The Mayor shall appoint two members, subject to Council approval, to fill the two terms expiring in 1968 for three year terms.
3. The Mayor shall appoint members subject to Council approval to fill the four terms expiring in 1969 in the following manner:
   a. One vacancy shall be appointed to a two year term, and

b. The three remaining vacancies shall be appointed for three year terms.

4. After the initial appointment, all members of the board shall hold office for a term of three years and three of said members shall be appointed each year. The appointment shall be dated from the first day of July in the year in which such appointments are made.

(2) Library To Be A Depository Of Certain City Records.

(a) The Madison Public Library, through the Central Library, is hereby designated as a depository and reference library for City documents hereinafter identified. The head of each City Department and Division, Board, Commission and Committee shall promptly send or deliver to the Central Library, Reference Department, as soon as printed or otherwise reproduced at the expense of the City, two (2) copies of each annual report, special study, consultant report, or other document intended for public distribution. Such reports shall be preserved for the use of the Common Council, City officials and employees and the general public.

(b) Any Department, Division, Board, Commission or Committee which concludes that compliance with the requirements of this ordinance shall produce a hardship may request an exemption from the Finance Director. (Am. by ORD-11-00037, 3-8-11)

(c) Nothing in this ordinance shall be construed to conflict with the duties of the City Clerk as set forth in the Wisconsin Statutes or elsewhere in these City Ordinances.

(3) Prohibited Conduct.

(a) Definitions.

"Library" means any branch or unit of the Madison Public Library.

"Library Material" means any book, plate, picture, photograph, engraving, painting, drawing, map, newspaper, magazine, pamphlet, broadside, manuscript, document, letter, public record, microfilm, audio recording in any format, audiovisual materials in any format, magnetic or other tapes, computer software, computer hardware and peripherals, electronic data processing records, artifacts or other documentary, written or printed materials, regardless of physical form or characteristics, or portions thereof of any of the foregoing materials, belonging to, on loan to or otherwise in the custody of the Madison Public Library.

"Security Device" means any object, item or technology capable of triggering an alarm or alert system when an someone attempts to remove a library material without a first having such item properly deactivated by a library official, agent or employee. This term shall also apply to any device or technology that is capable of being concealed on or within library materials and which can later positively identify an item as being library property. An example of such technology would be an implanted microchip.

"Value" means the reasonable replacement cost of an item, including the reasonable administrative costs associated with obtaining a replacement item (as determined by Library Board policy).

(b) Use of A Library Card.

1. No person may use, present or cause to be presented as valid, any canceled, fictitious, fraudulently obtained, stolen, forged or altered library card.

2. As a condition of obtaining and using a library card and all of the privileges which attach thereto, library cardholders are financially responsible for the loss or damage of all materials checked out from the library under their library card, including all materials checked out on that card by others with or without the cardholder's consent. It shall be an affirmative defense to prosecution under this section if the cardholder proves by a preponderance of the evidence that their library card was lost or stolen prior to the checking out of the library materials in question.

3. As a further condition of obtaining and using a library card and all of the privileges that attach thereto, library cardholders must comply with all library rules and policies.

(c) Failure to Return Library Materials. No person may fail to return overdue, borrowed library material past the maximum overdue date set at the time such materials were checked out of the library. Such overdue dates shall be determined by the official library policy. Each individual item borrowed constitutes a separate violation of this act.

(d) Theft of Library Materials.

1. No person may intentionally take and carry away, transfer, conceal or retain possession of any library material without the consent of a library official, agent or employee and with the intent to deprive the library of possession of the material.

2. The concealment of library material beyond the last station for borrowing library material in a library is evidence of intent to deprive the library of possession of the material. The discovery of library material which has not been borrowed in accordance with the library's procedures or taken with consent of a library official, agent or employee and which is concealed upon the person or among the belongings of the person or concealed by a person upon the person or among the belongings of another is evidence of intentional concealment on the part of the person so concealing the material. The intentional removal of a security device from library materials without the consent of a library official, agent or employee is evidence of intent to deprive the library of the material.

3. An official or adult employee or agent of a library who has probable cause for believing that a person has violated this subsection in his or her presence may detain the person in a reasonable manner for a reasonable length of time to deliver the person to a peace officer, or to the person's parent or guardian in the case of a minor. The detained person shall be promptly informed of the purpose for the detention and be permitted to make phone calls, but shall not be interrogated or searched against his or her will before the arrival of a peace officer who may conduct a lawful interrogation of the accused person. Compliance with this subsection entitles the official, agent or employee affecting the detention to the same defense in any action is as available to a peace officer making an arrest in the line of duty.

(e) Fraudulent Registration and Use of Library Materials.

1. No person shall directly or indirectly make or cause to be made any false statement regarding the person's own identity or residence when the person knows his or her statement to be false and when the person intends that false statement to be relied upon for registration for or use of library materials.

2. Evidence that a person has the intent under sub. 1 above is shown by the person doing any of the following:

a. Directly or indirectly giving false or misleading information on a library registration form.

b. Presenting false or fictitious credentials or documents for the purpose of obtaining a library card or the use of library materials.

c. Using a library card that was obtained in violation of this subsection to check out library materials.

(f) Alteration of Identification Markings or Security Devices.
No person shall do any of the following:

1. Remove, alter or conceal any part of an identification mark, label, stamp, writing or attachment that identifies any item or material as the property of the library unless authorized library personnel have marked the item as being discarded from the library's collections.
2. Remove, alter, conceal, destroy or deactivate any security device which is affixed, implanted or otherwise attached to library items or materials and which is designed to alert library personnel to the unauthorized removal of library materials or which otherwise identifies library materials as being the property of the library.

(g) Penalty. Any person violating this ordinance shall be subject to a forfeiture of not less than $10 nor more than $250 for a first offense; not less than $100 nor more than $500 for a second offense within one year; and not less than $500 nor more than $1,000 for a third and subsequent violation within one year.

(h) Confiscation of Library Cards. Whenever a library card which belongs to another or appears to be altered or fraudulently obtained is displayed to a law enforcement officer or library employee or agent, that person shall take possession of the card and return it to the library.

(Sec. 8.12 Rep & Recr. by Ord. 13,543, 3-17-04)

8.125 LIBRARY FACILITY CATERING PERMIT.

(1) Library Facility Catering Permit Required. No person may provide catering services at a library facility without a valid library facility catering permit issued under this section or contrary to any conditions thereof.

Catering services may also be made available at any library facility by agreement between the City and a caterer following a request for proposals process approved by the Common Council.

(2) Definitions. For the purposes of this section, the following definitions apply:

(a) Catering Services. Food and non-alcohol beverage services provided by a person where the food and beverages are fully or partially prepared, stored and handled off-site, and then served by that person on-site.

(b) Gross Catering Sales. A permittee's gross sales of catering services provided at a library facility pursuant to a permit issued under this section.

(c) Library Facility. A public facility located within a public library that contains a kitchen or other area designated for storing, handling and preparing food or beverages. This definition does not extend to public libraries that lack a kitchenette.

(3) Classes of Permits.

(a) Annual Permit. An annual permit shall be valid from January 1 through December 31 of the calendar year. A permit may be issued for the upcoming calendar year no earlier than December 1 of the preceding year.

(b) Single-Event Permit. A single-event permit shall be valid only for the date(s) and facility stated therein.

(c) Multiple-Facility Permit. An annual permit may be issued for multiple library facilities, provided the permittee meets the requirements set forth in this ordinance for each library facility.

(4) Permit Application. An application for a library facility catering permit shall be made in writing to the Library Director on forms supplied by the Library and shall detail the name and address of the person or organization seeking the permit, the library facility, or facilities, for which the permit is being sought, the class of permit being sought, and the dates for which a permit is being sought. The application may include any other information as may be required by the Library Director. The application shall include an application fee, the certificate of insurance as required under sub. (6)(f), and an agreement

to abide by all conditions set forth in sub. (6). An application for a permit shall be made at least thirty (30) days prior to the date the applicant intends to provide catering services at a library facility. A late permit application may be accepted at the Library Director's discretion.

(5) Permit Fee. A reasonable fee for each class of library facility catering permits shall be set by the Library Board. The fee shall be paid to the Library and shall be adjusted from time-to-time to allow the City to recover its costs of administering the library facility catering program consistent with the requirements of Wis. Stat. § 66.0628. This fee may be different for each library facility, and may include a late fee for untimely applications and a facility orientation session fee that differentiates between group sessions and individual sessions.

(6) Permit Conditions. Every permit issued under this section is subject to the following permit conditions:

(a) Compliance with Laws and Rules. A permittee shall abide by all federal, state, and local laws, ordinances and regulations, as well as the specific library facility rules and conditions. Every permit granted under this section is subject to the permittee maintaining a valid food and drink permit from Public Health Madison and Dane County.

(b) Facility Orientation. Prior to performing any catering services at the library facility, the permittee must undergo a facility orientation session with Library staff. This orientation session shall be required of each permittee annually, except that Library staff may waive this requirement at their discretion. No facility orientation session fee shall apply if this requirement is waived.

(c) Facility Usage Fee. In exchange for allowing permittee's use of the City's library facilities to offer their catering services, a permittee shall agree, as a condition of the permit, to remit to the City twelve percent (12%) of the permittee's gross catering sales arising from catering activities at the permitted library facilities as a usage fee. This amount shall be remitted to the City within ten (10) days of a catering service event, or as otherwise agreed to by the Director and the permittee. The permitttee shall provide the City any documentation necessary to substantiate the payment made.

(d) Special Conditions. The Library may require any other special conditions of a permit that are necessary to protect the City's property, and the health, safety, and welfare of the public. Any such special conditions shall be indicated in writing as an addendum to the permit, and, for annual permits, may be imposed on an event-by-event basis. A permittee may challenge a proposed special condition by appealing the proposed condition to the Library Director.

(e) Indemnification. As a condition of the granting of the permit, the permittee shall agree to hold harmless, defend, and indemnify the City, its officers, officials, employees and agents, from and against all claims, suits, liability, damages, expenses and penalties arising from the permittee's operations or use of the library facilities pursuant to a permit granted under this Section, whether caused by or contributed to by the negligence of the City, its officers, officials, employees and agents.

(f) Insurance. At the time of the application, the permittee shall be required to furnish a Certificate of Insurance to the City of Madison Risk Manager, on a form acceptable to the City, providing evidence of commercial general liability insurance with minimum limits of one million dollars ($1,000,000) per occurrence, naming the City of Madison, its officers, officials, agents and employees named as additional insureds. The City of Madison Risk Manager reserves the right to require higher limits and other coverage terms and conditions at his/her discretion. Applicant shall keep required insurance in full force and effect throughout the term of the permit. Said insurance shall provide that the City receive written notice

thirty (30) days prior to any cancellation, nonrenewal or material change in the policy. This insurance condition may be waived in those instances where the City of Madison Risk Manager, in consultation with the City Attorney's office, determines that this requirement can be waived.

(7) Revocation of Permit. In the event that the permittee fails to abide by any of the conditions of the permit, the City shall provide written notice to the permittee of the violation of the permit conditions, and give the permittee at least five (5) days to cure the violation. If permittee fails to cure the violation, the permit shall be revoked and the permittee shall not be eligible for a new library facility vending permit for at least twelve (12) months, unless otherwise approved by the Library Director. However, if a determination is made that revocation is reasonably necessary to protect the health, safety or welfare of the public, the Library Director may immediately revoke a permit granted under this section.

(8) Appeal. An appeal of the Library Director's decision to deny or revoke a permit under this section, or impose a special condition of a permit under this section, shall be made in writing and state the reasons for the denial, revocation, or special condition. This decision may be appealed to the Library Board by providing written notice of the appeal to the City Clerk within thirty (30) days of the mailing of the notice to the applicant, and must state the reasons for the appeal. The Library Board shall hear the appeal at its next meeting, unless the notice is received within ten (10) days of the next meeting at which point the hearing shall be at the following meeting. At the hearing, the Library Board shall either affirm the action of the Library Director, or overturn the action upon a showing that the requirements of this ordinance have been met. If the decision is upheld, the Library Board shall, at its next meeting, adopt a written determination of its decision, which decision shall be sent to the appellant within ten (10) days of the determination. Appeal of the Library Board's decision shall be by Certiorari to Circuit Court and shall be commenced within thirty (30) days of the date of the decision sought to be reviewed or be waived.

(9) Violations. Any person violating any of the provisions of this section shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500) for each offense. Each day or portion thereof that a violation exists or continues shall be considered a separate offense.

(Section 8.125 Cr. by ORD-15-00089, 9-11-15)

8.13 FLEET SERVICE DIVISION.

(1) The Fleet Service Division shall be supervised by the Fleet Service Superintendent.

(2) The Fleet Service Superintendent shall have supervision over the Municipal Service Garage and shall be responsible for servicing, maintenance and repair of all municipal motor equipment. She or he shall advise the Mayor, Common Council and all City officials on all matters relating to municipal motor equipment, including replacement and procurement. (Am. by ORD-14-00012, 1-14-14)

(Am. by Ord. 7513, 9-11-81; ORD-06-00097, 8-2-06)

8.14 MUNICIPAL PARKING FACILITIES.

(1) Management. The management, operation and control of all automobile parking facilities owned by the City of Madison shall be under the direction of the Transit and Parking Commission of the City of Madison. The Transit and Parking Commission is authorized to enact such rules as may be necessary and proper to insure and promote the safe, efficient and proper operation of such parking facilities as may be owned and operated by the City of Madison. (Am. by Ord. 12,460, 9-3-99)

(2) Operation.

(a) Weight of Vehicles. It shall be unlawful to park any vehicles having a gross weight in excess of 5,999 pounds in any parking facility owned and operated by the City of Madison.

(b) Manner of Parking. It shall be unlawful to park any vehicle in any municipal parking facility or garage except within the limits of a designated parking stall and except so as to occupy not more than one designated parking space. No more than one vehicle shall occupy any such parking space. When prohibited by an official sign, no vehicle shall be backed into a parking stall in a municipal parking facility; except persons for whom the Department of Transportation of the State of Wisconsin has issued a special registration plate under Wis. Stat. §§ 341.14(1) to (1r), or a special identification card under Wis. Stat. § 343.51, may back into a marked stall reserved for vehicles displaying said plates or identification cards. (Am. by Ord. 9739, 3-30-89; Ord. 12,460, 9-3-99)

(c) Rates. The Transit and Parking Commission shall establish such fees and charges for parking privileges in the various municipal parking facilities owned and operated by the City of Madison as the Commission shall determine reasonable. Such fees may be based on hourly, daily, weekly or monthly parking, and may be measured by personal attendants, pay-on-foot stations, exit stations, pre-payment receipt dispensers, daily payment stamps, "after hours" parking fee notices, parking meters or any other reasonable and accurate means of measurement. The established fees shall be posted in a conspicuous place at or near the entrance of each parking facility. The prohibitions against parking in a municipal parking facility without making proper payment are as follows:

1. a. Metered Parking and Pre-payment Receipts. No person shall park a vehicle in any municipal parking facility owned and operated by the City of Madison without payment of the appropriate fee (as established by the Transit and Parking Commission) in the designated meter adjacent to the parking stall when payment is collected by a parking meter or in the appropriate pre-payment receipt dispenser located within the parking facility when payment is collected by a pre-payment receipt dispenser.

   b. Overtime Parking at Meters. No person shall park, stop or leave standing a vehicle in any municipal parking facility at a metered parking stall for a longer period than the applicable time limit specified on the meter adjacent to the parking stall. The absence of or complete functional failure of a parking meter adjacent to any parking space shall exempt operators of vehicles from the provisions of this paragraph related to metered parking. (Cr. by Ord. 13,412, 9-24-03)

2. Exit from Attended Facility. No person shall park and then exit in a vehicle from a municipal parking facility while an attendant is on duty for the purpose of collecting parking fees, without doing one of the following:
   a. Paying the appropriate fee for parking to the personal attendant of the parking facility.
   b. Paying the appropriate fee for parking at the pay-on-foot station or exit station. (Am. by Ord. 10,433, 5-1-92; Ord. 13,412, 9-24-03)
   c. Using other payment means made available by the Parking Utility, and following all directions for payment, including but not limited to making payment of the appropriate parking fee and any processing fees within a certain number of days if so directed. (Cr. by Ord. 13,412, 9-24-03)

3. Exit from Unattended Facility. No person shall park and then exit in a vehicle from a municipal parking facility while there are no Parking Utility employees on duty for the purpose of collecting parking fees, without doing one of the following:
   a. Paying the appropriate fee for parking at the pay-on-foot station or exit station. (Cr. by Ord. 13,412, 9-24-03)

b. Making payment, within the number of days indicated, of the appropriate fees indicated on the "Parking Fee Notice" placed on the vehicle.

c. Using other payment means made available by the Parking Utility, and following all directions for payment, including but not limited to making payment of the appropriate parking fee and any processing fees within a certain number of days if so directed.

4. Exit From Facility Causing Damage to Public Property. No person shall cause damage to city property in connection with a violation under paragraph 2. or 3. of this section. (Cr. by ORD-11-00110, 8-10-11)

5. Applicability. The registered owner is presumed to be the operator of any vehicle found parked or operating in violation of this subsection. Except for prohibitions under paragraph 4., the prohibitions in this subsection shall not apply to operators or owners of vehicles who display a permit sticker or carry a card issued by the Parking Utility, or have otherwise received special authorization from the Parking Utility. (Renum. & Am. by ORD-11-00110, 8-10-11)

(d) Trespassing on Municipal Parking Facilities.

1. It shall be unlawful for any person not engaged in the parking or operation of a motor vehicle or the parking of a bicycle in a designated bicycle rack, or not having business to attend to in connection with the parking of a motor vehicle or bicycle, to trespass or loiter on any municipal parking facility owned and operated by the City of Madison.

2. No person shall enter or remain upon the premises of a municipal parking facility, except while actually parking a motor vehicle or parking a bicycle in a designated bicycle rack or while proceeding directly to or from a parked vehicle or bicycle. No person shall utilize the premises of a municipal parking facility except for the purpose of proceeding to or from an available parking stall. No person shall enter or remain within or on a motor vehicle within a municipal parking facility except for the period of time reasonably necessary to park said vehicle or to prepare said vehicle to leave said facility. No person shall ride a bicycle or skateboard in any parking facility except for the period of time reasonably necessary to park said bicycle in designated bicycle racks. No person may ride any play vehicles or use in-line skates, as those terms are defined in Chapter 340 of the Wisconsin Statutes, in any municipal parking facility.

(Am. by Ord. 12,460, 9-3-99)

3. Subparagraphs 1. and 2. above shall not apply:

a. During special events authorized and approved by the Common Council.(Am. by Ord. 12,460, 9-3-99)

4. a. No person shall park any motor vehicle within the premises of a parking facility when such person has been issued four or more City of Madison parking citations which remain unsatisfied. No person shall park any vehicle within the premises of a parking facility when such vehicle's registered owner shall have been, by the time of such parking, issued four or more City of Madison parking citations which remain unsatisfied.

b. For the purposes of this ordinance a City of Madison parking citation is considered unsatisfied under any of the following conditions:

i. The City has obtained a court judgment against the person issued the citation and that judgment has not been fully satisfied.

ii. The person issued the citation has neither paid the amount due on the citation nor requested a municipal court trial by the date stated in the citation.

c. For the purposes of this section, the registered owner is presumed to be the operator of any vehicle found parked or operating in violation of Sec. 8.14(2)(d)4.a.

5. No person shall park any vehicle within a parking facility which vehicle has been issued four or more Parking Fee Notices which remain unpaid.

6. The provisions of Subsections (2)(d)4.a. and 5. may only be enforced at parking facilities where signs have been conspicuously posted at all entrances to such facilities informing motorists of the prohibitions of these subsections.

(Sec. 8.14(2)(d) Am. by Ord. 11,927, 8-30-97; Am. by Ord. 12,460, 9-3-99)

(e) Trailers. It shall be unlawful to park, stop or leave standing, any type of trailer or mobile home, whether attached to a motor vehicle or detached, in any parking facility owned and operated by the City of Madison and no person shall operate a motor vehicle with a trailer or mobile home attached in any such parking facility. This subsection shall not apply when vehicular access to and from the parking facility is controlled by an attendant during pre-paid special events or other special parking circumstances, in which case access to the facility and manner of parking shall be controlled by the attendant. (Am. by Ord. 13,412, 9-24-03)

(f) Distributing Leaflets. It shall be unlawful to distribute or dispense in any manner, other than person-to-person, any advertisement, leaflet or publication in any municipal parking facility owned or operated by the City of Madison. The issuance of citations or leaflets necessary to the operation of such facilities is not prohibited by this ordinance.

(g) Possession and Consumption of Intoxicants Prohibited.

1. No person shall consume a fermented malt beverage or intoxicating liquor upon the premises of an automobile parking facility except at the time and in the area specified in paragraph (d)3.b. above.

2. No person shall knowingly transport or have under his or her control upon the premises of an automobile parking facility a fermented malt beverage or intoxicating liquor unless said intoxicating liquor container has not previously been opened and displays an unbroken U.S. Department of Revenue seal or unless the said fermented malt beverage container has not previously been opened except at the time and in the area specified in paragraph (d)3.b. above.

(Sec. 8.14(2)(g) Am. by Ord. 11,592, 6-3-96)

(h) Pre-Payment Receipt Display. When pre-payment is made by any method authorized under this section that produces a receipt or ticket dispensed to a parking patron, the receipt or ticket shall be displayed face-up, on the driver's side of the dashboard in such a manner that the entire receipt may be visible from the outside of the vehicle. (Cr. by Ord. 7902, 12-29-82; Am. by Ord. 13,412, 9-24-03)

(i) Tampering or Misuse of Receipt/Stamp Prohibited. It shall be unlawful for any person to tamper with or in any fashion alter or modify a pre-payment receipt or to display a receipt(s) or part(s) of receipt(s) in such a fashion as to make it appear that the lawful payment has been made for the time the vehicle has been parked but no such lawful payment has been made. It shall also be unlawful to tamper with, produce, use or present for payment any stamp or other symbol purporting to represent prepayment for parking unless said stamp or symbol has been authorized by the City of Madison Transportation Commission. Any person violating this subsection (2)(i) shall be subject to a forfeiture of not less than $100 nor more than $200 for each violation. (Am. by Ord. 9739, 3-30-89)

(j) Receipt Transfer Prohibited. Upon exiting a parking facility it shall be unlawful to present to the parking attendant a receipt or ticket indicating the date and time the vehicle entered the facility which is not the same receipt or ticket which was received by the operator of the vehicle upon entering into the facility. It shall also be unlawful to present a receipt or ticket which has been altered to indicate a time and date which is not the time and date the vehicle actually entered the facility. (Cr. by Ord. 8003, 4-26-83)

(3) Penalty.

(a) Except as provided below, any person violating the provisions of Subsections (2)(b) of this ordinance shall be subject to a forfeiture of not less than five dollars ($5) nor more than fifty dollars ($50); (Am. by Ord. 12,460, 9-3-99)

(b) Any person violating the provisions of Subsection (2)(c)1. in any municipal parking facility or (2)(c)1. of this ordinance in the Brayton Lot shall be subject to a forfeiture of not less than eight dollars ($8) nor more than fifty dollars ($50); (Am. by Ord. 12,460, 9-3-99)

(c) Any person violating Subsections (2)(c)2. or 3. of this ordinance shall be subject to a forfeiture of not less than five dollars ($5) nor more than one hundred and fifty dollars ($150). (Am. by Ord. 12,460, 9-3-99; Ord. 13,760, Adopted 12-14-04; ORD-10-00015, 2-18-10)

(d) Any person violating the provisions of Subsection (2)(j) of this ordinance shall be subject to a fine of not less than ten dollars ($10) nor more than five hundred dollars ($500). (Am. by Ord. 13,760, Adopted 12-14-04)

(e) Except as provided in (g) below, any person violating the provisions of Subsection (2)(d) of this ordinance shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than five hundred dollars ($500). (Cr. by Ord. 11,927, 8-30-97; Am. by Ord. 12,460, 9-3-99; Ord. 13,760, Adopted 12-14-04)

(f) Any person violating any of the other subsections of this ordinance shall be subject to a fine of not less than five dollars ($5) nor more than one hundred and fifty dollars ($150). (Renumbered from (e) to (f) by Ord. 11,927, 8-30-97; Am. by ORD-10-00015, 2-18-10)

(g) In the event any vehicle is towed for a violation of this section, the total forfeiture shall be not less than fifty-five dollars ($55) nor more than five-hundred and fifty dollars ($550). (Renumbered from (f) to (g) by Ord. 11,927, 8-30-97; Am. by Ord. 12,460, 9-3-99; Ord. 13,760, Adopted 12-14-04)

(h) Any person violating Sec. 8.14(2)(c)4. of this ordinance shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500). (Cr. by ORD-11-00110, 8-10-11)

(4) Towing for Parking Violations. The police department is authorized to remove, by towing, any vehicle from a parking facility found to be parked in violation of the provisions of this ordinance. In addition to any other penalties, such towing shall subject the operator of such a vehicle to the provisions of Sec. 12.1331(3), MGO. (Cr. by Ord. 11,927, 8-30-97)

8.15 REGULATION OF PRIVATE USE OF GREENWAYS, PARK LANDS, AND THE SOUTHWEST BIKE PATH.

(1) Greenways and Park Lands.

(a) Public Nuisance. Private use of City-owned or leased greenways and park lands including, but not limited to, fences, retaining walls, outbuilding sites, dog runs, play equipment and gardens, storage of piers, boat hoists, or other private personal property, planting or pruning of trees and shrubs, mowing of grass on park lands, chemical treatment of grass on park lands or greenways, or mowing of grass on greenways when posted for no mowing is a public nuisance and is prohibited unless approval to use City-owned or leased greenways is obtained

pursuant to Subdivision (b) or the private use is pursuant to a valid permit issued under Sec. 8.33, MGO. (Am. by Ord. 12,992, 1-25-02; Ord. 13,177, 11-5-02; ORD-10-00109, 11-17-10; ORD-13-00109, 6-12-13)

(b) The City Engineer may approve planting native grasses and/or forbs or removal of invasive species in a City-owned or leased greenway, provided that:

1. the applicant is the owner of land abutting the greenway where the use is proposed;
2. the City's ability to maintain the greenway is not adversely impacted by the proposed use;
3. the applicant pays to the City Treasurer a fee of one hundred twenty-five dollars ($125);
4. the applicant agrees to indemnify, defend, and hold harmless the City and its officers, employees and agents against all loss or expense by reason of any claim or suit, or of liability imposed by law upon the City or its officials, agents, or employees for damages because of bodily injury, including death at any time resulting therefrom, sustained by any person or persons or on account of damage to property, including loss of use thereof, arising from, in connection with, caused by or resulting from activities related to an approved use of a greenway, whether caused or contributed to by the negligent acts of the City, its officials, employees, or agents.

The approval may contain conditions, including but not limited to, the duration of the approval and the geographic limits for the proposed use. The applicant shall notify all property owners within one hundred (100) feet of the greenway where the proposed use is located at least three (3) days prior to the date the proposed use begins. (Cr. by ORD-06-00175, 12-8-06)

(2) Southwest Bike Path.

(a) Public Nuisance. Except as set forth in (b), private use of the Southwest Bike Path right-of-way for fences, retaining walls, sheds or other outbuildings, gardens and/or other landscaping, stairs, play equipment, dog runs parking of vehicles or storage of personal property is a public nuisance and is prohibited.

(b) 1. Vegetation including but not limited to grasses, perennials, small shrubs and trees. No vegetation, however, shall be planted in any drainage ditch or swale abutting the bike path, which at maturity will be closer than fifteen (15) horizontal feet or sixteen (16) vertical feet from the edge of the bike path surface. Planting of any tree that will attain twenty (20) or more feet at maturity requires prior approval of the Forestry Section of the Madison Parks Department.

2. Fences that existed prior to April 1, 2000 may remain, as long as they do not present a hazard for the users of the bike path, as determined by the City Engineer. All such fences, however, shall be removed when the property is transferred to a new owner after the above date.

3. Stairs for private use shall be allowed only if they comply with current building codes; the owner provides evidence of insurance, naming the City as an additional insured; indemnifies the City for any and all claims relating to the stairs; and obtains a permit from City Engineering.

4. Temporary mesh fences not exceeding thirty (30) inches in height, for the purpose of delineating gardens. Such fences shall not extend the full width of a property or otherwise give the appearance of defining private property.

5. Retaining walls not exceeding twenty-four (24) inches. Retaining walls, terraces, foot paths, and small stepping stones are permitted only to the extent that they delineate gardens, and they may not function as stairs.

6. Outbuildings without foundations that existed prior to April 1, 2000 may remain as long as they do not present a hazard to the users of the bike path, as determined by the City Engineer. All such outbuildings, however, shall be removed when the property is transferred to a new owner after the above date.

7. Outbuildings with permanent foundations that existed prior to April 1, 2000 may remain as long as they do not present a hazard to the users of the bike path and if a permit is obtained from City Engineering.

(c) Not withstanding the exceptions in (b) above, any private encroachment that interferes with the operation, maintenance or future construction of the bike path or appurtenances, as determined by the City Engineer, is a public nuisance and is prohibited.

(3) Bicycle-Sharing Facilities. It shall not be a violation of this ordinance for bicycle-sharing facilities that are part of a City-sponsored bicycle-sharing program, as those terms are defined in Sec. 10.33, MGO, to be placed on City-owned or leased greenways and park lands or the Southwest Bike Path, provided that the owner of the facility has a valid bicycle-sharing facility privilege under Sec. 10.33 for the location and the Board of Parks Commissioners and/or the City Engineer, or their designees, as the case may be, approve the actual location of the bicycle-sharing facilities that will be located on City-owned or leased greenways and park lands or the Southwest Bike Path. (Cr. by ORD-11-00044, 3-23-11)

(4) Abatement. If the City determines that a public nuisance exists pursuant to (1) or (2), notice to remove such public nuisance or cease such public nuisance activity shall be sent to the owner, occupant, or person causing, maintaining, or permitting the public nuisance. If the public nuisance is not removed within the time specified in the notice, the City shall remove the public nuisance or cause it to be removed. The cost of abatement shall be assessed as a special charge to the owner, occupant, or person causing, maintaining, or permitting the public nuisance. Any property held by the City after removal is subject to disposal thirty (30) days after a notice of removal is mailed to the owner, occupant or person causing, maintaining, or permitting the public nuisance. (Renumbered by ORD-06-00175, 12-8-06; ORD-10-00109, 11-17-10; Renum. by ORD-11-00044, 3-23-11)

(5) Appeal. Any person aggrieved by a determination that a public nuisance exists may appeal within fifteen (15) days of the mailing of the notice to remove the public nuisance or cease such public nuisance activity. Appeal shall be to the Board specified on the notice and will be either the Board of Public Works or the Board of Park Commissioners, depending on which Board has the control and management of the public property at issue. All requests for appeal shall be filed with the City Clerk and must inform the Board of the reasons for the appeal. Within thirty (30) days, the Board shall hold a hearing at which the parties may offer testimony and documents. Within twenty (20) days of the hearing, the Board shall affirm, modify, or reverse the determination that a public nuisance exists. Appeal from the action of the Board shall be to Circuit Court within thirty (30) days of the determination of the Board. (Renumbered by ORD-06-00175, 12-8-06; ORD-10-00109, 11-17-10; Renum. by ORD-11-00044, 3-23-11)

(6) Penalty. Any person violating this ordinance shall, upon conviction thereof, be subject to a forfeiture of not less than ten dollars ($10) nor more than five hundred dollars ($500). Each day such violation continues shall be considered a separate offense. In addition to any other penalty imposed by this ordinance, the City Attorney may maintain an action pursuant to Wis. Stat. ch. 823, to abate the nuisance. (Cr. by Ord. 5672, 11-17-76; Am. by Ord. 12,836, 6-26-01; Renumbered by ORD-06-00175, 12-8-06; Renum. by ORD-11-00044, 3-23-11)

(Section 8.15 Am. by ORD-08-00019, 2-23-08)

8.16 UNAUTHORIZED MOTORIZED VEHICLES PROHIBITED ON PUBLIC LANDS. It shall be unlawful to operate or park any unauthorized motorized vehicle in or upon any portion of public land including, but not limited to, parks, median strips, parkways, school grounds or open space easements, unless designated as a park drive, roadway, parking area or temporary parking area within such public land. Every temporary parking area shall be designated by signs and the extent of its limits shall be clearly marked. "Motorized vehicle" means any self-propelled device in, upon or by which any person or property is or may be transported or drawn. Any person violating the provisions of this ordinance shall be subject to a fine of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for the first offense and not less than fifty dollars ($50) nor more than two hundred dollars ($200) for the second or subsequent conviction within a year. (Am. by Ord. 8941, 8-29-86; ORD-10-00015, 2-18-10)

8.17 VENDING IN PUBLIC PARKS.

(1) It shall be unlawful for any person, without having applied for and obtained a parks vending permit under this section, to set up any refreshment, concession or other vending stand, to display any foods, beverages, goods or information regarding services or lessons; or to sell any foods, beverages, goods, services or lessons:

(a) In or upon any park, playground, recreation area, bathing beach or athletic field owned or operated by the City of Madison; provided, however, that vending in Elizabeth Link Peace Park shall be regulated under Section 9.13(6) of the Madison General Ordinances and not under this section; or

(b) Upon any street, alley, sidewalk, public square or pleasure drive located upon or adjacent to any park, playground, recreation area, bathing beach or athletic field owned or operated by the City of Madison.

(2) (a) Application for all parks vending permits, except Olbrich Gardens Special Event Vending Permits, shall be made to the Superintendent of Parks or designee on forms supplied by the Parks Division. Such forms shall include the name and address of the person or organization seeking such privilege and the date or dates of the proposed activity, and any other information as may be required by the Superintendent of Parks or designee.
(Am. by Ord. 11,564, 5-1-96; Ord. 13,225, 1-25-03)

(b) A reasonable fee for each class of parks vending permit for nonprofit and all other vendors shall be set by the Park Commission and may be adjusted by the Commission from time to time. The fee shall be paid to the City Treasurer. For purposes of vending permit fees under this section, a nonprofit vendor is any individual or group who has obtained a designation as a tax-exempt entity, contributions to which are tax deductible, pursuant to 26 U.S.C. Sec. 501(c)(3). A nonprofit group may obtain one permit for all persons conducting vending activities for the group. All other vendors shall apply for and obtain a permit for each person vending, except for special event permits under Sec. 8.17(2)(b)4., below.

Parks vending permits shall be of four (4) classes:

1. Annual Permit. An annual permit shall be issued on the fifteenth (15th) day of April each year, or thereafter when applied for and shall expire on the fourteenth (14th) day of April following issuance. Applicant for annual permit under this paragraph shall be made at least thirty (30) days prior to the date the applicant intends to begin vending. (Am. by Ord. 12,731, 12-14-00; Ord. 13,225, 1-25-03)
2. Daily Permit. A daily permit shall set forth the exact date(s) of operation and shall be valid only for the date(s) stated therein. (Am. by Ord. 12,731, 12-14-00; Ord. 13,225, 1-25-03)
3. Olbrich Gardens Special Event Vending Permit. A special event vending permit for Olbrich Botanical Gardens shall set forth the exact date(s) on

which such business shall be carried on and shall be valid only during the dates specified. The procedures for application and issuance of a permit under this paragraph shall be determined by the Executive Director of the Olbrich Botanical Gardens, or designee. (Am. by Ord. 13,225, 1-25-03)

4. Special Event Vending Permit. Special event sponsors may purchase a vending permit for up to seven (7) vendors for the duration of a special event. Any additional vendors must apply for and obtain a daily or annual permit as provided elsewhere in this section. The special event permit shall set forth the exact dates and times of the event, the names of the vendor(s) under the permit, and shall only be valid for those vendor(s) and the dates and times specified. The event sponsor shall have adequate liability insurance in force as required by Sec. 8.17(2)(c) of these ordinances. (Cr. by Ord. 13,225, 1-25-03)

(Sec. 8.17(2)(b) Am. by Ord. 11,978, 12-12-97; Ord. 12,511, 12-20-99; Ord. 13,225, 1-25-03)

(c) Every permittee under this section shall have and maintain adequate general liability insurance including products liability coverage with minimum limits of one million dollars ($1,000,000) in the aggregate naming the City, its officers, employees and agents as additional insureds, and shall agree to indemnify, defend, and hold the City, its employees and agents harmless against all claims, liability, loss, damage, or expense incurred by the City as the result of any injury to or death of any person or damage to property caused by or resulting from the activities of the permittee. For a permit to be issued, every applicant for a parks vending permit shall provide not less than three (3) business days prior to the effective date of the permit, a Certificate of Insurance, on a form acceptable to the City, evidencing this coverage. Said insurance shall indemnify and defend the City, its officers, employees and agents against all claims, liability, loss, damages or expenses, whether caused by or contributed to by the negligence of the City, its officers, employees or agents. Said insurance shall provide that the City receive written notice thirty (30) days prior to any cancellation, nonrenewal or material change in the policy. (Am. by Ord. 13,225, 1-25-03)

(d) Every permittee who intends to vend food or beverages shall also make application for a Food and Drink license or an Itinerant Restaurant license and shall have approval of the Health Department prior to the issuance of the vending permit.

(3) The Park Commission may review applications for parks vending permits and may delegate the authority to review initial applications and renewals for parks vending permits to a designee of the Parks Division. The Park Commission or authorized designee may grant a parks vending permit only for those transactions which:

(a) Are customarily associated with public use and enjoyment of parks and park properties;

(b) Are in furtherance of public use and enjoyment of the park; or

(c) Are incidental to an appropriate recreational or cultural use of said properties.

(Am. by Ord. 13,225, 1-25-03)

(4) After review of the application under the criteria set forth above, and any other criteria or guidelines established by the Commission, the Commission may grant or deny the permit. If the designee of the Parks Division reviews an application, s/he may issue the permit or recommend denial to the Park Commission based upon the criteria set forth subsection (3) or any other criteria or guidelines established by the Commission. The designee shall place the matter of the application and recommended denial on the agenda for the next available Commission meeting and notify the applicant of the time and place for the meeting. The Commission may grant or deny the permit and shall consider the recommendation of the

designee of the Parks Division and the criteria found herein. If a permit is denied, the Commission shall state the reasons in writing and provide the written determination to the applicant within ten (10) days of the determination. (Am. by Ord. 13,225, 1-25-03)

(5) An appeal from the decision of the Park Commission or designee to grant or deny a parks vending permit may be taken to the Common Council by any person aggrieved by the decision. Such appeal shall be taken by filing with the City Clerk within ten (10) days of the written determination a Notice of Appeal specifying the grounds therefor in respect to the decision of the Park Commission or designee. The Common Council shall fix a reasonable time for the hearing of the appeal and give public notice thereof as well as due notice to the parties in interest, and decide the same within a reasonable time. The decision of the Common Council shall be a final administrative decision for purposes of judicial review. Any person aggrieved by the decision of the Common Council may, within thirty (30) days, commence an action seeking the remedy available by certiorari. (Am. by Ord. 13,225, 1-25-03)

(6) Recreation programs sponsored or conducted by the Madison Metropolitan School District are exempt from the provisions of this section.

(7) A permit issued under this section shall be conspicuously displayed on the vending stand or site at all times and shall contain the information as may be required elsewhere in this section, or by the Park Commission or authorized designee. (Am. by Ord. 13,225, 1-25-03)

(8) Any person violating the provisions of this section shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500) for each offense. Each day or portion thereof that a violation exists or continues shall be considered a separate offense.

(Sec. 8.17 Am. by Ord. 11,467, 12-14-95; Ord. 13,314, 5-6-03)

8.175 PARKS FACILITY CATERING PERMIT.

(1) Parks Facility Catering Permit Required. No person may provide catering services at a parks facility without a valid parks facility catering permit issued under this section or contrary to any conditions thereof.

(2) Definitions. For the purposes of this section, the following definitions apply:

(a) Catering Services. Food and beverage services provided by a person where the food and beverages are fully or partially prepared, stored and handled off-site, and then served by that person on-site. This definition does not include alcohol sales, delivery services where the person preparing the food does not serve the food on-site, or food and beverage service covered by a parks vending permit issued under Sec. 8.17.

(b) Net Catering Sales. A permittee's net sales of catering services provided at a parks facility pursuant to a permit issued under this section. Where catering services are either donated or provided at reduced rates, net catering sales shall be based upon the market value of food and beverage provided.

(c) Parks Facility. A public facility located within a public park that contains a kitchen or other area designated for storing, handling and preparing food or beverages. This definition does not extend to park shelters that lack a kitchenette. It also excludes any parks facility where catering services have been made available by agreement between the City and a caterer following a request for proposals process approved by the Common Council.

(3) Classes of Permits.

(a) Annual Permit. An annual permit shall be valid from January 1 through December 31 of the calendar year. A permit may be issued for the upcoming calendar year no earlier than December 1 of the preceding year.

(b) Single-Event Permit. A single-event permit shall be valid only for the date(s) and facility stated therein.

(c) Multiple-Facility Permit. An annual permit may be issued for multiple parks facilities, provided the permittee meets the requirements set forth in this ordinance for each parks facility.

(4) Permit Application. An application for a parks facility catering permit shall be made in writing to the Parks Superintendent on forms supplied by the Parks Division and shall detail the name and address of the person or organization seeking the permit, the park facility, or facilities, for which the permit is being sought, the class of permit being sought, and the dates for which a permit is being sought. The application may include any other information as may be required by the Parks Superintendent. The application shall include an application fee, the certificate of insurance as required under Subdivision (6)(f), and an agreement to abide by all conditions set forth in Subsection (6). An application for a permit shall be made at least thirty (30) days prior to the date the applicant intends to provide catering services at a parks facility. A late permit application may be accepted at the Parks Superintendent's discretion.

(5) Permit Fee. A reasonable fee for each class of parks facility catering permits shall be set by the Board of Park Commissioners. The fee shall be paid to the City Treasurer and shall be adjusted from time-to-time to allow the City to recover its costs of administering the parks facility catering program consistent with the requirements of Wis. Stat. § 66.0628. This fee may be different for each parks facility, and may include a late fee for untimely applications and a facility orientation session fee that differentiates between group sessions and individual sessions.

(6) Permit Conditions. Every permit issued under this section is subject to the following permit conditions:

(a) Compliance with Laws and Rules. A permittee shall abide by all federal, state, and local laws, ordinances and regulations, as well as the specific parks facility rules and conditions. Every permit granted under this section is subject to the permittee maintaining a valid food and drink permit from Public Health Madison and Dane County.

(b) Facility Orientation. Prior to performing any catering services at the parks facility, the permittee must undergo a facility orientation session with Parks Division staff. This orientation session shall be required of each permittee annually, except that Parks Division staff may waive this requirement at their discretion. No facility orientation session fee shall apply if this requirement is waived.

(c) Facility Usage Fee. In exchange for allowing permittee's use of the City's park facilities to offer their catering services, a permittee shall agree, as a condition of the permit, to remit to the City ten percent (10%) of the permittee's net catering sales arising from catering activities at the permitted parks facilities as a usage fee. This amount shall be remitted to the City within ten (10) days of a catering service event, or as otherwise agreed to by the Superintendent and the permittee. The permittee shall provide the City any documentation necessary to substantiate the payment made.

(d) Special Conditions. The Parks Division may require any other special conditions of a permit that are necessary to protect the City's property, and the health, safety, and welfare of the public. Any such special conditions shall be indicated in writing as an addendum to the permit, and, for annual permits, may be imposed on an event-by-event basis. A permittee may challenge a proposed special condition by appealing the proposed condition to the Parks Superintendent.

(e) Indemnification. As a condition of the granting of the permit, the permittee shall agree to hold harmless, defend, and indemnify the City, its officers, officials, employees and agents, from and against all claims, suits, liability, damages, expenses and penalties arising from the permittee's operations or use of the parks

facilities pursuant to a permit granted under this Section, whether caused by or contributed to by the negligence of the City, its officers, officials, employees and agents.

(f) Insurance. At the time of the application, the permittee shall be required to furnish a Certificate of Insurance to the City of Madison Risk Manager, on a form acceptable to the City, providing evidence of commercial general liability insurance with minimum limits of one million dollars ($1,000,000) per occurrence, naming the City of Madison, its officers, officials, agents and employees named as additional insureds. The City of Madison Risk Manager reserves the right to require higher limits and other coverage terms and conditions at his/her discretion. Applicant shall keep required insurance in full force and effect throughout the term of the permit. Said insurance shall provide that the City receive written notice thirty (30) days prior to any cancellation, nonrenewal or material change in the policy. This insurance condition may be waived in those instances where the City of Madison Risk Manager, in consultation with the City Attorney's office, determines that this requirement can be waived.

(7) Revocation of Permit. In the event that the permittee fails to abide by any of the conditions of the permit, the City shall provide written notice to the permittee of the violation of the permit conditions, and give the permittee at least five (5) days to cure the violation. If permittee fails to cure the violation, the permit shall be revoked and the permittee shall not be eligible for a new parks facility vending permit for at least twelve (12) months, unless otherwise approved by the Parks Superintendent. However, if a determination is made that revocation is reasonably necessary to protect the health, safety or welfare of the public, the Parks Superintendent may immediately revoke a permit granted under this section.

(8) Appeal. An appeal of the Parks Superintendent's decision to deny or revoke a permit under this section, or impose a special condition of a permit under this section, shall be made in writing and state the reasons for the denial, revocation, or special condition. This decision may be appealed to the Board of Parks Commissioners by providing written notice of the appeal to the City Clerk within thirty (30) days of the mailing of the notice to the applicant, and must state the reasons for the appeal. The Board of Parks Commissioners shall hear the appeal at its next meeting, unless the notice is received within ten (10) days of the next meeting at which point the hearing shall be at the following meeting. At the hearing, the Board of Parks Commissioners shall either affirm the action of the Parks Superintendent, or overturn the action upon a showing that the requirements of this ordinance have been met. If the decision is upheld, the Board of Parks Commissioners shall, at its next meeting, adopt a written determination of its decision, which decision shall be sent to the appellant within ten (10) days of the determination. Appeal of the Board of Parks Commissioners' decision shall be by Certiorari to Circuit Court and shall be commenced within thirty (30) days of the date of the decision sought to be reviewed or be waived.

(9) Violations. Any person violating any of the provisions of this section shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500) for each offense. Each day or portion thereof that a violation exists or continues shall be considered a separate offense.

(10) This ordinance shall be effective July 1, 2015.

(Sec. 8.175 Cr. by ORD-15-00064, 6-24-15)

8.18 PARKING REGULATED IN CERTAIN PARKS.

(1) Parking Regulated at Law Park.

(a) It shall be unlawful for the operator of any motor vehicle to park such vehicle upon the roadways in or upon any part of Law Park, except where designated and

set aside for vehicle parking and only within the limits of a designated parking stall, and according to the other parking regulations found elsewhere in this section.

(b) One or more temporary parking areas, designated by sign and delineated by roping off the periphery of the area, may be established by the City or by a person or entity who has obtained written permission from the Parks Commission, to serve the needs of patrons of special events in Law Park which have been approved by the Parks Commission.

(c) Blair Parking Lot.

1. No person shall park, stop, or leave standing any vehicle in a metered stall in the parking lot commonly known as the Blair Lot in the most easterly part of Law Park, between the hours of 6:00 a.m. and 6:00 p.m. Monday through Friday, without having deposited in the meter adjacent to the parking stall, a United States coin, or coins, at the rate established by the Parking Utility and approved by the Park Commission. The absence or complete functional failure of a parking meter adjacent to any parking space shall exempt operators of vehicles from the provisions of this paragraph but shall not provide an exemption from any other applicable law or ordinance.
2. No person shall park, stop, or leave a vehicle standing at a metered stall in the Blair lot for a longer period than the applicable time limit specified on the meter adjacent to the parking stall. The absence or complete functional failure of the parking meter adjacent to the parking stall shall exempt operators of vehicles from the provisions of this paragraph but shall not provide an exemption from any other applicable law or ordinance.
3. No person shall park, stop, or leave a vehicle standing in a parking stall in the Blair Lot that has been reserved by official sign or markings, for vehicles bearing a permit issued by the Parking Utility, during the times indicated on official sign or markings, without a permit issued by the Parking Utility.

(2) Parking Regulated at Brittingham Park.

No person shall park, stop or leave standing any vehicle, whether attended or unattended, in the Brittingham Park parking lots for more than three (3) hours or when the park is closed, except with the prior approval of the Superintendent of Parks.

(3) Parking Regulated at Olbrich Bathhouse.

No person shall park, stop or leave standing any vehicle at the Olbrich Bathhouse parking lot whether attended or unattended between the hours of 7:00 p.m. and 4:00 a.m.

(4) Parking Regulated at Gates Of Heaven Synagogue.

(a) No person shall park, stop or leave standing any vehicle within the Gates of Heaven Synagogue parking lot, whether attended or unattended, for more than three (3) hours between 4:00 a.m. and 10:00 p.m.

(b) No person shall park, stop or leave standing any vehicle within the Gates of Heaven Synagogue parking lot, whether attended or unattended, between the hours of 10:00 p.m. and 4:00 a.m.

(5) Parking Regulated at Henry Vilas Park.

No person shall park, stop or leave standing any vehicle, whether attended or unattended, in any of the roadways, parking lots, or other areas designated for motorized vehicles within Henry Vilas Park for more than three (3) hours or when the park is closed, except with the prior approval of the Superintendent of Parks.

(Am. by ORD-12-00094, 7-27-12)

(6) Parking Regulated at Quarry Park.

(a) No person shall park, stop or leave standing any vehicle along any roadway within Quarry Park, whether attended or unattended, for more than three (3) hours between 8:00 a.m. and 5 p.m., Monday through Friday.

(b) No person shall park, stop or leave standing any vehicle along any roadway within Quarry Park, whether attended or unattended, between the hours of 10:00 p.m. and 4:00 a.m.

(Cr. by ORD-07-00084, 7-20-07)

(7) Parking Regulated at Olin-Turville Park. No person shall park, stop or leave standing any vehicle in the lower or southern parking lot of Olin-Turville Park, whether attended or unattended, for more than three (3) hours.

(Cr. by ORD-10-00041, 4-27-10)

(8) Penalty. Any person violating the provisions of this ordinance shall be subject to a forfeiture of not less than twenty dollars ($20) nor more than forty dollars ($40) for the first offense and not less than fifty dollars ($50) nor more than one hundred dollars ($100) for the second or subsequent convictions within a year. (Renumbered by ORD-07-00084, 7-20-07; ORD-10-00041, 4-27-10)

8.185 WATERCRAFT AND/OR OTHER BOATING EQUIPMENT STORAGE ON CITY PROPERTY REGULATED.

(1) No person shall leave, store or permit any watercraft, boat trailer, or other boating equipment to remain on any City of Madison property for a period greater than eight (8) continuous hours without a permit issued by the Parks Superintendent or his/her designee. "Watercraft" means any contrivance used or designed for navigation on water.

(2) Persons desiring to leave or store watercraft equipment on City property shall make application in writing to the Parks Department on a form provided by the City, identifying the type of watercraft equipment to be stored and the location of the storage. Said application shall be accompanied by a permit fee established by the Parks Commission, which shall be on file in the Parks Department office and approved by the Parks Commission. Upon receipt of the application and approval of the proposed storage location and watercraft for storage, a permit shall be issued which permit must be attached to the watercraft or boating equipment in a conspicuous location visible for inspection at all times.

(3) Any person who shall violate any provision of this section shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than two hundred dollars ($200). Each day of violation shall constitute a separate violation.

(Sec. 8.185 Cr. by Ord. 9778, 5-12-89)

8.188 ANCHORING AND MOORING OF WATERCRAFT REGULATED.

(1) No person shall anchor or moor any watercraft within twenty-five (25) yards of any boat launch or pier in any of the following places except temporarily for the purpose of launching or removal of a boat from the waters and while the watercraft is attended by a person capable of moving the watercraft in case of an emergency or to avoid the obstruction of traffic:

(a) The launch sites at Marshall Park, Warner Park, Tenney Park, Olin Park, Law Park and Olbrich Park.

(b) The piers at Marshall Park, Warner Park, Tenney Park, Olin Park, Law Park, Olbrich Park and James Madison Park.

(2) This section does not apply to any person whose use of the above noted launch sites or piers is consistent with a valid agreement entered into with the City of Madison.

(3) Any person who shall violate any provision of this section shall be subject to a forfeiture of not less than twenty dollars ($20) nor more than one hundred dollars ($100) for the first

offense, not less than forty dollars ($40) nor more than two hundred dollars ($200) for the second offense within a year and not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for the third or subsequent conviction within a year.

(Sec. 8.188 Cr. by Ord. 9779, 5-12-89; ORD-13-00082, 5-29-13)

8.19 ANIMALS PROHIBITED IN CERTAIN AREAS.

(1) Dogs Prohibited in Parks and on School Grounds.

(a) Prohibition. Except as provided for under Subdivision (b), no owner, keeper or handler of a dog shall allow, cause or permit such dog to enter or remain in either:

1. Any public park in the City of Madison; or,

8.25 TRAPPING ON PUBLIC LANDS PROHIBITED EXCEPT BY PERMIT.

(1) It shall be unlawful to engage in the act of trapping on any lands owned by the City of Madison without having first secured a written permit from the City Clerk.

(2) "Trapping" as used in this section includes taking, or attempting to take, any wild animal by means of setting or operating any device, mechanism or contraption that is designed, built or made to close upon, hold fast or otherwise capture a wild animal or animals. When the word "trap" is used as a verb, it shall have the same meaning as the word "trapping" as defined herein.

(3) Persons desiring to trap on City owned lands shall make application in writing to the City Clerk to so do, on a form provided by her or him describing thereon the City owned lands upon which they wish to trap. Said application shall be accompanied by a permit fee of five dollars ($5). The City Clerk shall forward such application to the City department or departments having jurisdiction over the City lands. The City Clerk shall issue such trapping permit only after receiving written approval therefor from such department having jurisdiction over the City owned lands upon which the proposed trapping is to occur. (Am. by ORD-14-00012, 1-14-14)

(4) Any persons who shall violate any of the provisions of this section shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than five hundred dollars ($500). Each day that a condition exists which violates a provision of this section shall be determined to be a separate offense. (Am. by Ord. 13,760, Adopted 12-14-04)

(5) Notwithstanding any other provision of this ordinance, the applicant shall as part of her/his application agree upon issuance of a permit to indemnify and hold harmless the City of Madison, its agents, employees, servants and assigns from any claims, demands, damages, actions, causes of action or suits of whatsoever kind or nature arising out of said applicant's act of trapping on City owned lands. (Am. by ORD-14-00012, 1-14-14)

8.26 TEMPORARY STRUCTURE PROHIBITED WITHOUT PERMIT.

(1) No person, group or corporation may erect, build, maintain or store any temporary structure in any City park without first paying a fee and receiving a permit to erect, build, maintain or store same. Temporary structure shall include but not be limited to any staging platforms, tents, buildings, trailers, bleachers or similar non City supplied items. Each such structure shall require a separate permit. This provision shall not apply to any temporary structure which has a base area of sixty (60) square feet and a height of five (5) feet or less.

(2) Any temporary structure erected, built, maintained or stored in any City of Madison park without a permit issued by the City's Park Division shall be removed at the owner's expense which shall be in addition to and in excess of any forfeiture or storage fees for violating subsection (1).

(3) Every permittee, if performing the installation of the temporary structure, and every rental company providing the temporary structure and installing it in a City park shall have and maintain adequate general liability insurance coverage with minimum limits of $500,000 combined single limits per occurrence naming the City, its officers, employees, and agents as additional insureds. The Permittee shall furnish a Certificate of Insurance, on a form provided by the City, evidencing this coverage. Said insurance shall indemnify and defend the City, its officers, employees, and agents against all claims, liability, loss, damages or expenses, whether caused by or contributed to by the negligence of the City, its

officers, employees, or agents. Said insurance shall provide that the City receive written notice thirty (30) days prior to any cancellation, nonrenewal or material change in the policy.

(4) Any person violating the provisions of subsection (1) shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than two hundred dollars ($200).

(Sec. 8.26 Cr. by Ord. 10,432, 5-1-92)

8.265 LODGING IN PARKS PROHIBITED.

(1) It shall be unlawful for any person to lodge, to live in for a time, or to take habitation in any portion of a public park within the City of Madison. Evidence of lodging shall include but not be limited to bedrolls, mattresses, blankets, cooking utensils, clothing, and other personal belongings.

(2) Penalty. Any person who violates this section shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than two hundred dollars ($200). Each and every day during which a violation continues shall be deemed to be a separate violation.

(Sec. 8.265 Cr. by Ord. 10,849, 2-28-94)

8.27 SNOW MOBILE AND CROSS-COUNTRY SKI REGULATIONS.

(1) It shall be unlawful for the operator of any snowmobile to operate or park such snowmobile in or on any City owned property in the City of Madison which has not been designated and posted as a "Snowmobile Operation Area," or upon any body of water over which the City of Madison has regulatory jurisdiction except as provided in Section 25.23(3)(d) of the Madison General Ordinances.

(2) This ordinance shall not apply to law enforcement or park maintenance personnel operating snowmobiles while on duty or where such operation is permitted by Wisconsin Statute.

(3) It shall be unlawful for any person to cross-country ski in Elver and Odana Parks unless the person is in possession of a City or County permit issued for such purpose and is utilizing trails that are clearly marked and groomed for cross-country skiing.

(4) Any person violating the provisions of this section shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for the first offense and not less than fifty dollars ($50) nor more than two hundred dollars ($200) for the second or subsequent offense within twelve months. (Am. by Ord. 13,760, Adopted 12-14-04)

(Am. by Ord. 12,512, 12-20-99)

8.28 NAMING OF PARKS. The assignment of names to new public parks and the reassignment of names to existing public parks shall be made by Resolution of the Common Council. The Park Commission shall notify the Common Council of the acquisition of new park land requiring names. The Common Council may, by resolution, reassign names of parks as it deems appropriate. (Cr. by Ord. 4392, 11-30-73)

8.29 PUBLIC ADDRESS SYSTEMS IN PARKS.

(1) No public address systems or sound amplification devices shall be used in any public park within the City of Madison except as permitted by this section. The Parks Superintendent may issue permits in accordance with this section. A permit shall not exempt the holder from the provisions of Sec. 24.08. (Am. by Ord. 6357, 8-24-78)

(2) Applications for permission to use such systems or equipment shall be made to the Superintendent of Parks on forms supplied by the Parks Division. Such application forms shall include the name of the organization seeking such permission, the name and address of the person responsible for the activity, and the date or dates of the proposed activity.

(3) The Superintendent may limit the hours of operation and the location within the park of any such system or equipment so as to insure the benefit of such system or equipment to

the group seeking its use and to minimize any unreasonable interference with the peace and enjoyment of other users of the park and those adjacent to such park. Only the hours of operation and location of such system or equipment may be regulated by this section. The Superintendent shall consider applications in the order they are received.

(4) (a) The decisions of the Parks Superintendent may be appealed to the Park Commission. Appellant shall, in writing, notify the Parks Superintendent of the appeal within five (5) days of the Parks Superintendent's decision, stating in such notice the decision appealed from and reasons why such decision should be changed or modified. Within two (2) working days thereafter, the Parks Superintendent shall file such appeal notice with the President of the Park Commission who shall schedule a time for the matter to be heard. Appellant shall be given at least five (5) days notice of the hearing, may be represented by counsel, may cross-examine witnesses, and may present witnesses. The proceedings shall be recorded. Within five (5) days after the hearing, the Board of Park Commissioners shall file a written decision in the matter with the City Clerk and shall cause a copy thereof to be mailed to the appellant, by regular mail, at appellant's address listed in the application.

(b) The decision of the Board of Park Commissioners may be appealed to the Common Council whose decision shall be final. The appeal to the Common Council shall be upon the record before the Board of Park Commissioners. Appellant shall, in writing, notify the City Clerk of such appeal within five (5) days of the decision of the Board of Park Commissioners, and shall within twenty (20) days thereafter file with the City Clerk the original and five (5) copies of the transcript of the record made before the Board of Park Commissioners. The City Clerk shall then cause the matter of the appeal to be placed on the agenda of the Common Council for its next regular meeting and shall notify the appellant of the time and place wherein such appeal shall be heard. The matter shall be heard by the Common Council solely on the record and no additional testimony shall be permitted before the Common Council. The President of the Board of Park Commissioners, or its designee, and the appellant may present arguments to the Common Council in support of their respective positions. Within five (5) days after the hearing, the Common Council shall file a written decision in the matter with the City Clerk who shall cause a copy thereof to be mailed to the appellant, by regular mail, at appellant's address listed in the application.

(5) The Police Department is authorized to require the discontinuance of any such system or equipment operating outside the prescribed hours or location. Any person violating the provisions of this ordinance shall be subject to a forfeiture of not less than twenty dollars ($20) nor more than fifty dollars ($50).

(Sec. 8.29 Cr. by Ord. 5307, 2-10-76)

8.30 RADIO-CONTROLLED TOYS PROHIBITED IN PARKS.

(1) Definitions.

(a) Radio Controlled Toy - any toy, model, ship, boat, airplane or similar device, propelled by a motor and where directional and/or operational controls are remotely directed by means of a radio transmitter.

(b) Environmentally Sensitive Area - any park, or area thereof, where the Superintendent of Parks or the Parks Commission makes a determination that the operation of a radio controlled toy would threaten critical habitat areas for park wildlife, and/or pollute or destroy critical park ecology.

(2) Prohibitions/Restrictions.

(a) The Superintendent of Parks may prohibit the operation of any radio controlled toy in any park or portion thereof which has been determined to be an environmentally sensitive area. The Superintendent of Parks may restrict the use

of radio controlled toys in any park or portion thereof where such restrictions are necessary to ensure the protection of park resources and the harmonious use of the parks for all of their visitors.

(b) No person shall operate any radio controlled toy in any park or portion thereof where such operation is prohibited and is posted. No person shall operate any radio controlled toy in any park or portion thereof in any manner inconsistent with or contrary to posted restrictions regarding the operation of such devices.

(c) No person shall operate any radio controlled toy in any portion of the Henry Vilas Zoo property. (Cr. by ORD-11-00168, 12-6-11)

(3) Any person violating Section (2)(b) of this ordinance shall be subject to a forfeiture of not more than two hundred dollars ($200).

(4) The Park Commission shall cause signs to be posted in parks where the use of radio-controlled toys is prohibited or restricted.

(Sec. 8.30 Am. by Ord. 11,981, 12-12-97)

8.31 BICYCLES IN PARKS.

(1) Purpose and Intent. The Common Council finds that as the use of City parks increases, it is in the public interest to protect and preserve parkland resources while making these resources accessible to the multiplicity of City park users. The Common Council specifically authorizes the Park Commission to identify trails within parkland suitable for bicycle use. The use of bicycles on trails not designated for that specific use denigrates the parkland by accelerating erosion and endangers hikers because of inadequate sight clearance. It is the intent of this ordinance to reconcile the desires of individual park users with the need to preserve the resources for all residents and to that end to designate certain parks and park areas for use consistent with safety, preservation of natural resources and recreational enjoyment. (Am. by ORD-17-00030, 3-8-17)

(2) Definitions.

"Bicycle" has the meaning specified in Wis. Stat. § 340.01(5).

"City park" means City-owned property designated and operated as a park for general recreational use but does not include greenways or conservation parks.

"Conservation park" has the meaning specified in Sec. 8.40(2), MGO.

"Natural area" means any area not mowed on a regular basis to turf 6" or less in height.

"Roadway" means highway as defined in Wis. Stat. § 340.01(22).

"Trail" means any maintained travel route through a natural area, the surface of which may be dirt, mowed turf, gravel, wood chips or boardwalk.

(3) Bicycles Allowed. Any person may ride a bicycle:

(a) in a City park on paved roadways, parking areas, paved paths and mowed turf areas which are not trails.

(b) anywhere in Quarry Park.

(c) on two designated trails in Edna Taylor Park, providing access to Femrite Drive and Glendale School, respectively.

(d) on one designated trail through Owen Park, running from Inner Drive to Bordner Drive.

(e) other specific areas designated and posted according to an order issued by the Park Commission.

(4) Prohibitions.

(a) It shall be unlawful for any person to ride a bicycle on any trail or natural area in any City park except trails or areas designated and posted as open to bicycles, according to an order issued by the Park Commission.

(b) It shall be unlawful for any person to ride or operate any bicycle within areas of the Henry Vilas Zoo unless specific permission has been granted by the Henry Vilas Zoo Director. (Am. by ORD-11-00168, 12-6-11)

(c) It shall be unlawful for any person to ride a bicycle on a mowed turf area in City parks when such area has been designated and posted as closed to bicycles, according to an order issued by the Park Commission.

(5) Penalty. Any person violating this ordinance shall be subject to a fine of not less than ten dollars ($10) nor more than fifty dollars ($50).

(Cr. by Ord. 8055, 6-17-83; Am. by Ord. 12,497, 11-19-99)

8.32 DISC GOLF.

No person may play disc golf in the designated disc golf courses located in City parks unless the person has obtained an annual permit for use of the City disc golf courses. Designated disc golf courses are any areas within a City park set aside for use as a disc golf course that include multiple holes, designated tee box areas, fairways, and baskets, where the use has been approved by the Board of Park Commissioners. The revenue from the permit fee shall be put in a segregated fund to be used for the establishment and maintenance of disc golf courses within the City parks system. The permit fee shall be established by the Board of Park Commissioners. Any person violating this ordinance shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for the first offense and not less than fifty dollars ($50) nor more than two hundred dollars ($200) for the second or subsequent conviction within a year. (Sec. 8.32 Cr. by ORD-13-00032, 3-27-13)

8.33 EDIBLE LANDSCAPING ON CITY-OWNED LANDS.

(1) Purpose. The purpose of this ordinance is to encourage the planting and harvesting of locally-grown fruits, vegetables, nuts and other edible plant forms for public consumption, and to regulate the permitting, placement and maintenance of such edible landscapes on certain City-owned land. This ordinance is not intended to replace the already established process for siting and managing community gardens, and is not intended to permit plantings on public land that are only accessible to the permittee. All plantings under this ordinance shall be the property of the City and shall be publicly accessible. Permits must be obtained for any and all plantings under this ordinance.

(2) Applicability. This ordinance shall be applicable to land owned solely by the City. This ordinance shall not be applicable to rooftops, medians, or rights-of way, including but not limited to street terraces, or to lands abutting bike paths or greenways, as the permissibility of plantings and the use and maintenance of those locations is governed by other existing ordinances.

(3) Definitions. For the purpose of this section, the following words shall have the meanings indicated.

(a) Applicant means the person applying for an edible landscaping permit to plant and/or maintain edible landscapes on City-owned land.

(b) City-owned land means real property owned in fee by the City of Madison, including the subterranean, surface and air rights of such land.

(c) Department or Division Head means the individual whose agency is responsible for the City-owned land for which an applicant seeks an edible landscaping permit, or his or her designee.

(d) Edible landscape means any plant, other than invasive species as defined by Wis. Admin. Code ch. NR 40, that bears fruit, seeds, nuts, vegetables or other parts edible by humans.

(e) Permittee means the person who has obtained a valid edible landscape permit, and the person's agents, employees, members, officers and volunteers.

(f) Person means any individual, partnership, association, corporation, joint venture, limited liability company, partnership, trust or other entity that may enter into contracts.

(4) Administration. This section shall be administered by the Department or Division Head whose agency is responsible for the City-owned land for which an applicant seeks an edible

landscaping permit. Each Department or Division Head is authorized to issue edible landscaping permits. The Food and Alcohol Policy Administrator shall, in consultation with the relevant Department or Division Heads, establish a standard application and permitting process, including an on-line option, to allow applicants to submit an application in one place, regardless of which Department or Division is responsible for the land. This process shall be submitted to the Food Policy Council for its review and approval. (Am. by ORD-15-00116, 10-28-15)

(5) Application for Edible Landscaping Permit. Application for a permit shall be made to the relevant Department or Division Head. The Food and Alcohol Policy Administrator shall, in consultation with the Department or Division Heads, develop criteria for the review of applications and the issuance of permits. These criteria shall be submitted to the Food Policy Council for its review and approval. The term of each permit shall be determined by the Department or Division Head, but may not be less than three years. No fee shall be charged in connection with an application or issuance of a permit. Each permit shall expire December 31. Denials of permits may be appealed in accordance with subsection (6)(l) of this ordinance. Permits may be assigned by any permittee, provided the successor permittee submits an application. A completed application shall include all of the following:

(a) The name, address and telephone number of the applicant, and the name of the applicant's authorized agent if the applicant is not an individual.

(b) A planting plan, drawn to scale, showing the size and location of the proposed planting area, a description of the genus and species of each plant intended to be planted and its location within the planting area, along with each plant's approximate height at maturity and a plan to confine any vegetation that may grow outside of the permitted area.

(c) Evidence that the alderperson of the district and applicable neighborhood association, if any, has been notified in writing.

(d) An agreement between the applicant and the City prepared by the Food and Alcohol Policy Administrator and in a form acceptable to the City Attorney and the City Risk Manager, that the applicant will hold harmless, the City, its officers, officials, boards, committees, employees and agents, from and against all liability, damages, claims and penalties resulting from the planting, use, consumption, maintenance, or presence of the applicant's edible landscape on City-owned land. The agreement may be signed by the Department or Division Head on behalf of the City.

(e) Any supplementary information required by the Department or Division Head. (Am. by ORD-15-00116, 10-28-15)

(6) Standards. Every person shall plant, use, maintain, harvest and remove an edible landscape as follows:

(a) No person may plant or maintain an edible landscape on City-owned land without having obtained a permit in accordance with this ordinance.

(b) All vegetation planted by a permittee on City-owned land shall be the property of the City.

(c) Each permittee is responsible for contacting Digger's Hotline to identify and mark any underground utilities prior to digging within the City-owned land.

(d) All edible landscapes shall follow the planting plan approved by the Department and Division Head. If the permittee wishes to alter the approved planting plan, the permittee shall submit a new application.

(e) No vehicular access shall be allowed in the area designated for the edible landscape without the prior written consent of the Department or Division Head.

(f) No temporary or permanent improvements may be placed on the City-owned land by the permittee, with the exception that facilities for water service may be permitted at the permittee's cost and expense, subject to the prior written approval

of the Department or Division Head. The permittee shall be responsible for the cost of all water, sewer and any other utility charges billed to the designated edible landscape area.

(g) Notwithstanding subsection (6)(f) above, a permittee may post a sign in the permitted area containing information about the planting and the permittee, and stating that all fruits, vegetables, nuts and other edible plant forms are available for public harvest. All signs shall be reviewed and approved by the Department or Division Head. Any chemical agent, insecticide or fertilizer proposed for use by the permittee must be applied in accordance with the City's Pest Management Policy and approved prior to each and every use by the Department or Division Head. When chemical agents are applied, permittees shall post a sign at the permitted area stating the type of chemical agent and date of application.

(h) All cherry pickers, ladders, shears and saws used by the permittee to maintain plantings within the City-owned land shall be used and operated in a safe manner. Each permittee shall ensure that any person who intends to use a chainsaw shall have completed a chainsaw safety class, have appropriate safety equipment, and sign a waiver of liability on a form to be approved by the City's Risk Manager prior to using a chainsaw on City-owned land.

(i) All edible landscapes shall be maintained so as to be confined to the permitted area.

(j) The permittee shall remove all refuse and prune or remove all dead plant material from the City-owned land no later than November 15. Throughout the permit term, the permittee shall maintain the planted area in the presentable condition, consistent with the general appearance of the City-owned land in which it is located. All edible produce shall be removed promptly so as to not create a hazard or nuisance due to rotting.

(k) No person shall sell, or allow to be sold, any fruits, vegetables, nuts or other edible plant forms grown on City-owned lands.

(l) If any permittee fails to comply with the terms of the permit or this ordinance, the City may, at the direction of the Department or Division Head, terminate or refuse to renew the permit and remove and dispose of all edible landscaping. The Department or Division Head shall notify the applicant or permittee and the alder of the district thirty (30) days prior to the denial, termination or non-renewal of a permit. Any applicant who is denied a permit and any permittee whose permit is terminated or non-renewed may appeal such determination within fifteen (15) days of the mailing of the notice from the Department or Division Head to deny, terminate or non-renew the permit. Appeal shall be: to the Board of Park Commissioners for determinations made by the Park Superintendent or designee; to the Board of Public Works for determinations made by the City Engineer or designee; and to the Board of Water Commissioners for determinations made by the Water Utility Manager or designee. All requests for appeal shall be filed with the City Clerk and must inform the applicable Board of the reasons for the appeal. Within thirty (30) days of receiving the appeal, the Board shall hold a hearing at which the parties may offer testimony and documents. Within thirty (30) days of the hearing, the Board shall affirm, modify or reverse the determination made by the Department or Division Head and shall send a copy of the decision to the permittee by regular mail. Appeal from the action of any Board shall be by certiorari to Circuit Court within thirty (30) days of the determination of the Board.

(7) Use. Each permittee's use of the City-owned lands shall be non-exclusive. Edible produce grown on City-owned lands as provided in this ordinance shall not be the property of the permittee but shall be available for harvest and personal consumption by any individual without fee or charge.

(Sec. 8.33 Cr. by ORD-13-00063, 4-24-13)

8.34 GAMBLING IN PARKS PROHIBITED.

(1) The following conduct in and about Madison's parks is prohibited:

(a) The making of a bet; or

(b) Loitering or remaining in the immediate area where gambling is occurring with intent to make a bet;

(c) Receiving, recording or forwarding a bet or offer to bet; or

(d) Maintaining or possessing any record, paraphernalia, tickets, certificates, bills, slips, tokens, paper, writing or other device used, or to be used, or adapted, devised or designed for use in gambling.

(2) Definitions found in Wis. Stat. ch. 945, shall be used here where applicable.

(3) Violators shall be subject to a forfeiture of not less than $50 nor more than $500 for a first offense; not less than $100 nor more than $500 for a second offense within one year; and not less than $200 nor more than $500 for a third and subsequent violation within one year.

(Sec. 8.34 Cr. by Ord. 8900, 6-26-86)

8.35 PRESERVATION OF SHORELINE PARKS.

(1) All City of Madison public parks bordering on lakes or navigable waterways shall be protected as public open space. Voter approval by city referendum shall be required for any change in the legal status of and before beginning or continuing major construction in any of these public parks.

(2) The words major construction as used in this ordinance mean erecting a building or structure, changing land elevations or shore contours, and paving over land, but do not include:

(a) Replacing an existing building or structure with another building or structure of equivalent size and similar purpose.

(b) Maintenance and repairs to an existing building or structure or to an existing paved area.

(c) Construction required to eliminate safety hazards or provide accessibility to the people with disabilities. (Am. by ORD-06-00099, 8-2-06)

(d) Construction required for purposes of erosion control or to enhance the water quality of adjacent lakes or waterways.

(e) Construction with a total cost of less than $500,000, if the construction is completed in calendar year 1992, or less than $500,000 increased by 5% annually each year after calendar year 1992, if the construction is completed in a calendar year after 1992. For purposes of determining whether the $500,000 limit applies, the cost of all construction completed in the same public park in the two preceding calendar years and not qualifying for exclusion under subdivisions (a) through (d) herein, shall be added to the cost of all construction in that public park not qualifying for exclusion under subdivisions (a) through (d) in the year the determination is made.

(f) Construction which when completed would result in both:

1. A total including previously existing buildings, structures and paved areas, of less than three (3) acres of the public park in which the construction is occurring being covered by buildings, structures and pavement, and;

2. A total, including previously existing boat docks, piers and buildings or structures extending out into or over the water, of less than 300 linear feet of the shoreline in the public park in which the construction is occurring, being occupied by boat docks, piers, buildings or structures.

(g) Construction which when completed would result in both:

1. A total including previously existing buildings, structures and paved areas of less than five percent (5%) of the public park in which the construction is occurring being covered by buildings, structures and pavement, and;
2. A total, including previously existing boat docks, piers and buildings or structures extending out into or over the water, of less than ten percent (10%) of the shoreline, in the public park in which the construction is occurring, being occupied by boat docks, piers, buildings or structures.

(3) Exceptions. This ordinance shall not be applicable to the following:

(a) Construction within Olbrich Botanical Gardens.
(b) Construction within Henry Vilas Zoo.
(c) Any change in the legal status of the properties located at 640, 646 and 704 East Gorham Street. (Cr. by ORD-11-00155, 11-8-11)
(d) Any construction or change in the legal status of that portion of Olbrich Park located northeast of the Union Pacific Railway and south and southwest of Starkweather Creek arising from the sale, lease or redevelopment of the Garver Feed Mill.

(Am. by ORD-14-00164, 10-29-14)

(4) For purposes of this ordinance two or more areas designated as separate public parks but which are contiguous to each other shall be considered to be a single public park. (Renum. by ORD-11-00155, 11-8-11)

(5) For purposes of this ordinance, a public park bordering on lakes or navigable waterways means all of a public park any part of which is contiguous to lakes or navigable waterways. (Renum. by ORD-11-00155, 11-8-11)

(6) The Common Council, the Mayor and all other City employees and bodies shall make all necessary financial, personnel and administrative provisions for carrying out this charter ordinance. (Renum. by ORD-11-00155, 11-8-11)

(7) (R. by ORD-14-00164, 10-29-14)

(Sec. 8.35 Cr. by Charter Ord. 65, Adopted by Referendum 4-7-92)

8.36 PLAY GOLF ON CITY LANDS RESTRICTED TO GOLF COURSES.

It shall be unlawful for any person to play golf, practice or hit a golf ball from or cause a golf ball so hit to land upon, any City park, conservation area, boulevard, greenway or special park facility unless the play, practice or striking of the golf ball was done on or from a golf course in an attempt to legitimately play a hole thereon. Any person who shall violate any of the provisions of this section shall, upon conviction, be subject to a forfeiture of not less than twenty dollars ($20) nor more than one hundred dollars ($100) for each offense. (Cr. by Ord. 10,699, 7-30-93)

8.37 PLAY OF TOURNAMENT WITHOUT PERMIT PROHIBITED.

(1) It shall be unlawful for any person, group, organization or corporation to play, cause to be played or permit the play of any organized game, match, tournament or other activity in City Parks, for which a fee is charged to a team or participant, without first obtaining a permit from the Park Division and paying all service, special use and deposit fees as established by the Board of Park Commissioners.

(2) Recreation programs sponsored or conducted by the Madison Metropolitan School District and tournaments held in municipal golf courses are exempt from the provisions of this ordinance.

(3) Any person violating the provisions of this ordinance shall be subject to a forfeiture of not less than two hundred fifty dollars ($250) nor more than one thousand dollars ($1,000).

Each game or match played, in violation of this ordinance, shall be deemed to be a separate violation. The Park Division and Police Department are authorized to require the discontinuance of any game, match, tournament or other activity in violation of this ordinance and to enforce the Division's permit system. In addition to the penalties provided herein, any person found in violation of this ordinance shall be required to pay the costs of any damage caused during such illegal usage.

(Sec. 8.37 Cr. by Ord. 11,221, 3-31-95)

8.38 MONONA TERRACE COMMUNITY AND CONVENTION CENTER.

(1) Purpose. Monona Terrace is a multiple-use space designed to accommodate both public access and uninterrupted use by Convention Center lessees. Under proper and uniform circumstances, the Common Council may subject this City-owned and maintained space to reasonable municipal regulation and control to ensure the health, safety and welfare of the public and Convention Center lessees. The Common Council finds that the combination of pedestrian and vehicular traffic at or adjacent to Monona Terrace and the need to maximize the use and enjoyment of Monona Terrace by both the public and Convention Center lessees necessitates the enactment of this section.

(2) Definitions. For purposes of this section, the following definitions apply:

(a) Bicycle has the meaning found in Wis. Stat. § 340.01(5).

(b) In-line skates has the meaning found in Wis. Stat. § 340.01(24m).

(c) Monona Terrace means the premises known as 1 John Nolen Drive and includes the Monona Terrace Community and Convention Center building and grounds and excludes the Monona Terrace Parking Structure, the John Nolen Drive right-of-way beneath Monona Terrace and outside of the tunnel, the railroad corridor under Monona Terrace, and Olin Terrace. The legal description may be found in Resolution 54,136, adopted May 6, 1997.

(d) Olin Terrace means the public right-of-way originally platted as Wiskonsin [sic] Avenue between West Wilson Street and the southerly ownership lines of blocks 86 and 87 on the original plat of the City.

(e) Olin Terrace Pedestrian Way means the walkway on Olin Terrace extending southeast from the West Wilson Street sidewalk to the beginning of the entry circles of the main entrance of the Monona Terrace Community and Convention Center building.

(f) Play vehicle has the meaning found in Wis. Stat. § 340.01(43m).

(g) Vehicular traffic means devices in, upon or by which any person or property may be transported and includes play vehicles.

(3) Monona Terrace, Olin Terrace and Olin Terrace Pedestrian Way shall be closed to all vehicular traffic with the following exceptions:

(a) Bicycles, play vehicles and in-line skates are permitted on the bicycle path located south of the Monona Terrace Community and Convention Center.

(b) Authorized City service and maintenance vehicles, authorized emergency vehicles, vehicles authorized pursuant to a Special Use Permit under Sec. 8.39, MGO, or facility rental agreement, or vehicles otherwise authorized by law are permitted on Monona Terrace, Olin Terrace and Olin Terrace Pedestrian Way. (Am. by ORD-12-00055, 4-25-12)

(c) A bicycle may be walked by the operator on Olin Terrace Pedestrian Way and parked in an adjacent area wherever a bike rack is provided.

(d) This Subsection is not intended to restrict at Monona Terrace, Olin Terrace or Olin Terrace Pedestrian Way the use of assistive devices for children or for persons with a disability that limits or impairs the ability to walk as defined in Wis. Stat. § 340.01(43g).

(4) Severability. Each provision or any portion of this section shall be considered separable, and the finding of the invalidity of any portion by a court of competent jurisdiction shall not affect the validity or enforceability of any other portion.

(5) Penalty. Any person violating any section of this ordinance may be subject to a forfeiture of not less than $20 nor more than $300, exclusive of costs.

(Cr. by Ord. 12,168, 7-20-98)

8.39 OLIN TERRACE USE PERMIT.

(1) Purpose. Olin Terrace is a multipurpose space owned and maintained by the City for the use and enjoyment of visitors to the Monona Terrace Community and Convention Center ("Community and Convention Center") and the general public in the ordinary way. It also provides the primary pedestrian entrance for access on foot to and from the Community and Convention Center. Under proper and uniform circumstances the Common Council may allow special use, subject to reasonable municipal regulation and control. This ordinance is enacted to regulate and control Olin Terrace to the end that the health, safety and general welfare of the public is ensured and the good order of the City is maintained and operations at the Community and Convention Center are not adversely affected.

(2) Definitions. Within this section the following definitions apply:

(a) City means City of Madison.

(b) Clerk means the City Clerk of Madison.

(c) Monona Terrace means the premises known as 1 John Nolen Drive and includes the Monona Terrace Community and Convention Center building and grounds and excludes the Monona Terrace Parking Structure, the John Nolen Drive right-of-way beneath Monona Terrace and outside of the tunnel, the railroad corridor under Monona Terrace, and Olin Terrace. The legal description may be found in Resolution 54,136, adopted May 6, 1997.

(d) Olin Terrace means the public right-of-way originally platted as Wiskonsin [sic] Avenue between West Wilson Street and the southerly ownership lines of blocks 86 and 87 on the original plat of the City.

(e) Olin Terrace Pedestrian Way means the walkway on Olin Terrace extending southeast from the West Wilson Street sidewalk to the beginning of the entry circles of the main entrance of the Monona Terrace Community and Convention Center building.

(f) Olin Terrace Use Commission means the public body charged with reviewing applications for an Olin Terrace Use Permit under this ordinance.

The voting membership of the Olin Terrace Use Commission ("Commission") shall consist of a staff representative from each of the following City departments or divisions:

1. Monona Terrace - Operations;
2. Risk Manager;
3. Parks Division;
4. Police Department;
5. Fire Department;

Commission coordination shall be provided by Monona Terrace. Membership on this Staff Commission shall not require mayoral appointment or Common Council approval. The head of each department or division listed above shall designate an individual to serve on the Commission on a regular basis for an indefinite term. The Department head may assign another individual to attend and vote in the absence of the regularly-assigned staff person. This Commission is considered a "full" or "formal" committee under Sec. 33.27, MGO, and subject to all applicable provisions of that section, including Sec. 33.27(2)(a), MGO.

(g) Person means any person or persons, firm, partnership, association, corporation, company or organization of any kind.

(h) Special Use means the following:

1. any meeting, demonstration, picket line, rally or gathering of more than fifty (50) persons for a common purpose as a result of prior planning, or
2. whether or not resulting from prior planning, any gathering of more than fifty (50) people that interferes with or has a tendency to interfere with the normal flow of pedestrian traffic on Olin Terrace and to and from the entry of the Monona Terrace Community and Convention Center, or
3. any gathering, regardless of the number of people, that includes the placement of any equipment (excluding personal assistive mobility devices).

(3) No person shall participate in any special use of the Olin Terrace or Olin Terrace Pedestrian Way unless a permit has been issued under this ordinance.

(4) Exceptions.

(a) An Olin Terrace Use Permit shall not be required of a person who leases or reserves Olin Terrace and/or the Olin Terrace Pedestrian Way through a facility rental agreement or similar process established by the Monona Terrace Community and Convention Center for users of the center in the ordinary course of business.

(b) The City and other government units as defined in Wis. Stat. § 108.02(17) shall be exempt from sub. (7) of this ordinance.

(5) Application Process.

(a) A person shall make written application on a form provided by the Clerk and file the completed application at the Clerk's office or electronically, if available.

(b) The form shall set forth the following information regarding the proposed use:

1. The name, address, and telephone number of the person seeking to use Olin Terrace or Olin Terrace Pedestrian Way.
2. The name(s), address(es) and telephone number(s) of the headquarters of the organization for which the use is requested and if any, the authorized and responsible heads or officers of the organization.
3. The date, start and end times for which the use is requested.
4. The approximate number of persons expected to participate in the use of the space.
5. A detailed and accurate description of the proposed use including the exact space for which use is requested, a description of all proposed equipment and a diagram showing equipment location.
6. A description of any recording or sound amplification equipment to be used in connection with the proposed use and schedule for any proposed sound amplification. All use of sound is subject to Sec. 24.04, MGO.
7. A statement of whether the use of any city equipment, city electricity or other facilities is requested and agreement to pay costs for the same. 8. A crowd control plan.
9. Any additional information as may reasonably be found necessary by the Commission in meeting its fair determination regarding the request for use.

(c) Deadline for Application.

1. An application for a permit shall be filed not less than fourteen (14) days prior to the date of the proposed use.
2. The deadline for filing may be waived by the Chief of Police or designee if after due consideration of the date, time, nature of use, anticipated number of participants, City services required, the Chief or designee determine that the Commission will have sufficient time to objectively review the application, provide a safe and successful use and ensure the comfort, convenience and safety of the general public.

3. No application shall be considered complete and thus, timely filed, unless all information required by this ordinance has been provided.

(d) Issuance Process.

1. Upon receipt of a complete application and any accompanying materials, the Clerk shall immediately forward copies to the Commission for review.
2. The Commission shall evaluate a timely filed application according to the standards set forth elsewhere in this ordinance and shall either approve the application with conditions as appropriate to ensure the safety of the public and provide for an orderly use of the space or deny the application.
3. The approval or denial of the application shall be made within twenty-one (21) days of receipt of all materials and no later than five (5) days before the proposed use to allow for a timely appeal as provided elsewhere in this section.
4. The Clerk shall issue the permit, including any special provisions or conditions.
5. If the Team has denied a permit, the reason(s) shall be set forth in writing and the applicant notified either in person or by certified mail and shall include information on appealing the decision.
6. Upon the issuance of an Olin Terrace Use Permit, the Team shall notify the Clerk, Mayor, the City Attorney and the Monona Terrace Board.

(6) Standards for Issuance. Except to the extent they are inconsistent with the provisions of any other section of the Madison General Ordinances, the standards established within this subsection and as amended from time to time, shall govern the issuance of special use permits. An Olin Terrace Use Permit shall be issued to an applicant unless:

(a) The time and size of the proposed use would substantially interrupt the safe and orderly movement of pedestrian and vehicular traffic in the vicinity of Olin Terrace; or

(b) The concentration of persons would unduly interfere with proper fire and police protection of, or other emergency service to Monona Terrace or through Olin Terrace, or to areas adjacent to Olin Terrace; or

(c) Another special use permit has already been granted for substantially the same time at or adjacent to Olin Terrace or the Olin Terrace Pedestrian Walkway, another person has leased or reserved the space under sub. (4)(a) for substantially the same time, or has a rental agreement with the Community and Convention Center for an event of such size and/or duration that issuing a Special Use permit would substantially interfere with the rental event; or

(d) The size or time of the special use would require so great a diversion of City police as to prevent normal police protection of the City or to prevent adequate police protection at another previously scheduled City-wide event; or

(e) The use is reasonably likely to cause injury to persons or property and there is inadequate planning for crowd control of participants; or

(f) Adequate sanitation or other necessary health facilities will not be available at the event; or

(g) There is an insufficient number of parking places within a reasonable distance to accommodate the number of vehicles expected; or

(h) The time, size or nature of the proposed use is incompatible with the normal activity at that location so as to impermissibly intrude on the comfort and convenience of guests at Monona Terrace and adjacent neighbors and an alternative channel of communication is available; or

(i) The proposed use or event will have a significantly adverse environmental impact; or

(j) The proposed use would violate another city ordinance, state or federal law; or

(k) The purpose of the event includes sales of food, goods, or other merchandise (i.e. vending), or

(l) The proposed use would violate one or more of the following rules of conduct for Olin Terrace and the Pedestrian Way. The following rules apply to any person on Olin Terrace or the Pedestrian Way, whether or not a Special Use permit has been requested or granted:

1. Special use shall not take place outside the normal hours for the rooftop of the Monona Terrace Community and Convention Center, or otherwise overnight, except for a person that has or will have a facility rental agreement for a multi-day event at the Convention Center that includes the use of the Olin Terrace and/or Pedestrian Way may leave permitted equipment in place overnight.
2. No person shall plug into any electrical source on the Monona Terrace, Olin Terrace, Olin Terrace Pedestrian Walkway or other adjacent City property without a Special Use Permit and an agreement in place for payment to the city.
3. The special use shall not include the attachment of signs or any other equipment to Olin Terrace structures, benches, planters, or any other city amenity; and signs may not be posted or displayed within a planter.
4. No person shall cause damage to plantings on the Olin Terrace or Pedestrian Way.
5. The special use shall not include chalk or similar drawing, writing or marking of any kind on the pavement, pavers or any other surface of the Olin Terrace and no person shall make or cause to be made any such markings. Sec. 23.06(6), MGO, creating an exception to the general prohibition against Damage to Property for water soluble chalk, shall not apply to any such markings made anywhere on Olin Terrace or the Pedestrian Way.
6. Tents, shelters, structures, or any other equipment that must be anchored or attached to the ground are prohibited unless the placement and method of attachment are specifically approved as a condition of the permit or under a facility rental agreement. Any tent or other structure designed or intended for housing, sleeping, or overnight shelter for or occupancy by persons, regardless of the method of attachment or construction, is prohibited.
7. Any other rule found in the official "Monona Terrace Community and Convention Center Policy and Rules for Public Demonstrations and Gatherings" adopted by the Monona Terrace Board.

(7) Fees.

(a) A nonrefundable fee of fifty dollars ($50) to cover the administrative costs of processing the proposed permit application shall be submitted at the time the permit application is filed, except as set forth in sub. (4)(b) herein.

(b) If the applicant requests the use of any City equipment or any City services, the applicant shall pay prior to the issuance of the permit, the charges for use of that equipment and those services in accordance with a schedule of rental fees approved by the Monona Terrace Community and Convention Center Board.

(c) As a condition to approval of an application, the applicant shall agree to pay, within twenty (20) days of billing, any additional actual costs for City services and equipment incurred by the City by the occasion of the special use and its participants.

(8) Insurance.

(a) The applicant for an Olin Terrace Use Permit shall agree to indemnify, defend, and hold the City and its employees and agents harmless against all claims, liability,

loss, damage, or expense incurred by the City on account of any injury to or death of any person or any damage to property caused by or resulting from the activities for which the permit is granted.

(b) The requirement of insurance and applicable minimum limits shall be determined by the City Risk Manager according to objective standards including but not limited to the size and nature of the event, the number of expected participants, the potential for physical injury or property damage caused by participants.

(c) If insurance has been determined to be required for an event under sub. (b) above, the applicant shall furnish a Certificate of Insurance providing evidence of Commercial General Liability coverage with minimum limits of one million dollars ($1,000,000) per occurrence or a higher limit if determined by the Risk Manager to be necessary on a case by case basis. Such Commercial General Liability coverage shall include coverage for contractual liability and list the City of Madison, its officers, officials, employees and agents as additional insureds. The certificate of insurance shall provide a thirty (30) day written notice to the City upon cancellation, nonrenewal, or material change in the policy. If insurance is determined to be required for an event, the applicant shall provide the Certificate of Insurance described above no less than five (5) days prior to the event.

(9) Appeal Procedure.

(a) Any applicant wishing to appeal the denial of an Olin Terrace Use Permit shall file the appeal and the basis of the appeal in writing with the Clerk within ten (10) calendar days of the decision, if delivered in person, or of the mailing of the notice of denial, if delivered by mail. Upon receipt of an appeal, the Clerk shall notify the secretary of the Commission, Monona Terrace Director and Chair of the Monona Terrace Community and Convention Center Board.

(b) Appeal Subcommittee. The appeal shall be heard by a subcommittee of the Monona Terrace Community and Convention Center Board ("Board"). The Board shall create a subcommittee of three (3) Board members. The Board Chair shall appoint current board members to the subcommittee as needed to hear appeals without further action of the Board.

(c) The Appeal Subcommittee shall schedule a hearing as soon as possible, in compliance with open meetings requirements, after receiving notice of the appeal. At the hearing, the applicant and the City shall have the opportunity to be represented by counsel, to present evidence, call and cross-examine witnesses.

(d) The Appeal Subcommittee shall issue a written decision if possible before the date of the requested Special Use but in no case more than ten (10) calendar days after the hearing.

(e) The decision of the Appeal Subcommittee shall be a final determination for purposes of judicial review. Any party aggrieved by the determination may seek review by following the procedures for judicial review in Sec. 9.49(7), MGO.

(10) Termination of Permit. An Olin Terrace Use Permit for an event in process may be terminated by the Chief of Police or designee if participants engage in violent or destructive behavior causing injury to persons or damage to property, if termination is reasonable and necessary in the face of imminent danger or threat to public safety, or if there is a substantive violation of the conditions of the permit and termination is necessary and reasonable. A permit may be terminated by the Fire Chief or designee if termination is a reasonable and necessary response in the face of imminent danger or threat to public safety.

(11) Severability. Each provision or any portion of this section shall be considered separable, and the finding of the invalidity of any portion by a court of competent jurisdiction shall not affect the validity or enforceability of any other portion.

(12) Penalty. Any person who shall do any of the following may be subject to a forfeiture of not less than thirty dollars ($30) nor more than three hundred dollars ($300) for each violation:

(a) Hold, sponsor or conduct any special use of Olin Terrace or Olin Terrace Pedestrian Way for which a use permit is required without first having obtained a permit as herein provided; or

(b) Knowingly participate in an activity for which a special use permit is requested without a valid permit having been granted or after a permit has been terminated pursuant to sub. (9) above; or

(c) As an applicant, knowingly fail to comply with a condition of the permit; or

(d) Provide false or inaccurate information on the special use application; or

(e) Disobey a lawful order of a police officer after the officer has informed the person of the condition of the permit that has been or is being violated; or

(f) Violate the rules of conduct in Sec. 8.39(6)(l) or any other subsection of this ordinance.

(Sec. 8.39 Cr. by Ord. 12,169, 7-20-98; Am. by ORD-12-00055, 4-25-12)

8.40 PRESERVATION OF CONSERVATION PARKS.

(1) Purpose and Intent.

(a) Findings. The Common Council finds that its conservation parks program contains unique plant communities, wildlife populations, geological functions, and historical sites; large and diverse wetland systems; and relatively undisturbed examples of native biological communities.

(b) Intent. The Common Council declares that it is important to the residents of Madison that the City preserve Madison's native landscapes, its plant and animal populations for residents' careful use and full enjoyment. The following regulations are enacted to secure this natural beauty and the concomitant recreational opportunities for current and future generations. (Am. by ORD-17-00030, 3-8-17)

(2) Definitions. Within this section, the following definitions apply:

"Alcohol beverages" has the meaning set forth in Wis. Stat. § 125.02.

"All-terrain vehicle" has the meaning set forth in Wis. Stat. § 340.01(2)(g).

"Camp" means the use of premises for temporary habitation and may include the building of campfires, preparation and eating of food, and lodging overnight.

"Conservation Park" means a designated parkland within the City of Madison, operated and maintained by the Parks Division for education and passive recreational purposes compatible with the preservation of the City's natural resources.

"Firearm" has the meaning set forth in Wis. Stat. § 25.01(1).

"Motor vehicle" has the meaning set forth in Wis. Stat. § 340.01(35).

"Parks Superintendent" means the Superintendent of the City Division of Parks, the Conservation Resources Supervisor or other designee of the Parks Superintendent.

"Snowmobile" has the meaning set forth in Wis. Stat. § 340.01(58a).

"Wildlife" means all living creatures, not human, wild by nature, endowed with sensation and power of voluntary motion, including but not limited to mammals, birds, fish, amphibians, reptiles, crustaceans, mollusks, and arthropods.

(3) Hours. Conservation parks are open to the public between 4:00 a.m. and one hour after sunset. It shall be unlawful for any person to be in a conservation park at any other time unless that person has special permission from the Parks Superintendent.

(4) Rules. Conservation park visitors shall obey the following rules:

(a) Stay on designated and maintained trails at all times unless permission to be elsewhere in the park has been granted by the Parks Superintendent.

(b) Drive motor vehicles on entrance roads and in parking lots only.

(c) Ride or walk bicycles on entrance roads, in parking lots and on trails that are clearly designated for bicycles.

Any person who violates a rule is in violation of this ordinance.

(5) Prohibitions. In the City's conservation parks it shall be unlawful to:

(a) possess, sell, give away or consume any alcohol beverages in all areas of the park including any parking lot.

(b) hunt, trap, possess, carry or discharge any firearm, pneumatic or spring-loaded pellet gun, or any bow or cross-bow of any kind whether or not cased or trigger-locked, whether loaded or unloaded, unless permission has been granted by the Parks Superintendent, Mayor, or Chief of Police.

(c) remove, damage or disturb any plant, wood, timber, rocks, stone, earth, signs, fences, or other materials which are part of the natural environment, unless written permission has been given by the Parks Superintendent.

(d) remove, damage, pursue, molest, or disturb any wildlife, unless written permission has been granted by the Parks Superintendent or unless this provision conflicts with a special order of the State Department of Natural Resources.

(e) camp or build fires.

(f) bring dogs, horses or other pets into the park, except as set forth in Sec. 8.19(1)(a)1. and 2.; and (2), M.G.O.

(g) disturb research projects.

(h) dump or leave any waste, trash, debris, rubbish, pollutant, leaves, earth or other fill in the park except in receptacles provided for such purpose, unless special permission has been granted by the Parks Superintendent.

(i) deface, alter or disfigure any natural conditions, real or personal property in the park.

(j) drive snowmobiles or all terrain vehicles in the park.

(k) release or abandon any pet or wildlife in the park or introduce any plant, chemical or other agent in the park, unless permission to do so has been granted by the Parks Superintendent.

(6) Maintenance.

(a) The City of Madison Parks Division may conduct controlled burns of vegetation and brush piles within areas designated as conservation parks for the purpose of managing and maintaining the conservation parkland area.

(b) The burning of vegetation and brush piles in conservation parks is a land management practice that naturally promotes weeding and fertilizing.

(c) Such controlled burns shall be conducted only on public property and shall comply with the standards set forth in a burning permit issued by the City of Madison Fire Department

(Cr. by Ord. 13,657, 7-28-04)

(7) Enforcement.

(a) Any resident who desires to register a complaint under this section shall contact the Parks Superintendent or the Chief of Police. (Am. by ORD-17-00030, 3-8-17)

(b) In any prosecution brought to enforce the provisions of this section, the defendant shall have the full and complete burden of proving that any exemption exists or applies.

(c) City employees or emergency personnel acting in the scope of their employment shall be exempt from Subsection (3), (4) and (5).

(Renumbered by Ord. 13,657, 7-28-04)

(8) Penalty.

(a) Any person who violates any provision of this section shall be subject to a forfeiture of not less than thirty-five dollars ($35) and not more than three hundred dollars ($300).

(b) The removal, damage to or destruction of each plant or wildlife species shall be a separate violation of this ordinance.

(Renumbered by Ord. 13,657, 7-28-04)
(Sec. 8.40 Cr. by Ord. 12,372, 5-6-99)

8.41 DOWNTOWN COORDINATING COMMITTEE.

(1) Purpose. The Common Council finds that it is in the public interest to create a Downtown Coordinating Committee to provide a forum for public information and stewardship regarding the use of public space in the Downtown Area, and to periodically review regulations and policies affecting the Downtown Area, with particular emphasis on State Street and the Capitol Square, as a high-quality urban space for pedestrians in an environment that promotes healthy businesses. For purposes of this ordinance, the "Downtown Area" shall be defined as all geographical areas within the jurisdiction of the City of Madison between Blair Street, Lake Mendota, North Park Street, Regent Street, Proudfit Street, North Shore Drive, and Lake Monona. This geographical definition of the Downtown Area shall be for the sole purpose of guiding the issues to be considered by the Downtown Coordinating Committee under this ordinance.

(2) Composition and Appointment of Members. The Downtown Coordinating Committee shall consist of nine (9) voting members and two (2) alternate members. Membership shall include two (2) or three (3) alderpersons. The remaining six (6) or seven (7) members and two alternates shall be persons residing within the City of Madison. At least one (1) of the resident members shall be a permanent resident of the Downtown area, and one shall be a representative of the downtown business community. Appointments shall be made by the Mayor, subject to the approval of the Common Council. (Am. by ORD-17-00030, 3-8-17; ORD-17-00038, 3-29-17)

(3) Terms. Alderperson members shall serve for terms of two (2) years, expiring with the respective Aldermanic term. Resident members shall serve for three (3) years. Any vacancies shall be filled by the Mayor, subject to approval of the Common Council, for a term filling out the remainder of the vacated member's term. (Am. by ORD-17-00030, 3-8-17)

(4) Officers and Staff. The members of the Committee shall annually elect a chairperson and vice chairperson from among its membership. An alderperson may serve as either chairperson or vice chairperson, but alderpersons shall not serve in both positions. The Committee shall be staffed by the Director of the Department of Planning and Community and Economic Development or designee, who shall be a non-voting member and shall serve as Secretary to the Committee. Staff support will be provided by other Divisions as needed. (Am. by ORD-05-00141, 8-19-05)

(5) Duties and Responsibilities. The Downtown Coordinating Committee shall:

(a) Consider ongoing issues of operation, design, safety, maintenance and use of the Downtown Area; and provide advice on the development, implementation, and revisions to plans for improvements to be made in the Downtown Area; through periodic review of the implementation and enforcement of policies, regulations and city services that affect the quality of State Street and the Capitol Square as a high-quality urban space for pedestrians in an environment that promotes healthy businesses. This includes policies, regulations and city services that affect pedestrians, including people with disabilities; bicyclists; Mall Concourse maintenance; parking for bicycles, mopeds and automobiles; loading and unloading; motorized vehicles; signage and advertising; vending; sidewalk cafes; and streetscape items such as benches, planters and other street fixtures.

(b) Provide a forum for public information and stewardship for topics that affect the use of public space in the Downtown Area including trash, care of terrace trees and plants, use of sidewalks, placement of utility boxes and building maintenance.

(c) Consider any proposed ordinance amendments or new ordinances or resolutions regarding planning in the Downtown Area; or impacting upon the ongoing operation, safety, maintenance, enjoyment, use of, and scheduling and operation of special events in the Downtown Area.

(d) Serve as a forum for sharing information and providing advisory recommendations regarding the above duties and issues of concern in the Downtown Area.

(6) Rules of Procedure. The Committee may adopt rules of Procedure not in conflict with these Ordinances and which may from time to time be amended by the Committee. The Committee may delegate powers and responsibilities to a subcommittee or subcommittees as allowed under Section 33.01(4) of the Madison General Ordinances. At any meeting in which a member has a personal or financial interest in the issue being discussed, that member shall abstain from participating in any discussion or voting on any matter concerning that issue, shall not be counted for purposes of determining a quorum, and the minutes of any such meeting shall reflect the abstention accordingly.

(7) Compensation. Members of the Committee shall serve without compensation.

(Cr. by Ord. 12,655, 7-28-00; Am. by ORD-13-00092, 5-29-13)

8.42 FEEDING BIRDS ON PUBLIC PROPERTY PROHIBITED.

(1) It shall be unlawful for any person, unless specifically authorized by the City of Madison Parks Department, to feed anything to any bird on public property within the City of Madison.

(2) It shall be unlawful for any person, unless specifically authorized by the Henry Vilas Zoo Director, to feed anything to any bird on Henry Vilas Zoo property. (Cr. by ORD-11-00168, 12-6-11)

(3) Any person who violates this section shall be subject to a forfeiture of not less than ten dollars ($10) nor more than one hundred dollars ($100) for each offense. (Sec. 8.42(2) Renum. to (3) by ORD-11-00168, 12-6-11)

(Cr. by Ord. 13,130, 8-28-02)

8.43 PUBLIC SWIMMING POOLS.

(1) The City may own, operate, or contract to own or operate one or more municipal swimming pools, and may accept gifts toward the construction or operation of municipal swimming pools.

(2) Municipal swimming pools shall be under the jurisdiction of the Board of Park Commissioners.

(3) The City establishes fees for the use of municipal swimming pools that are sufficient to cover all the direct costs of pool operation, together with an appropriate reserve for repairs and replacements a goal for the operation of any municipal swimming pool that the revenues from pool operations be sufficient to cover the direct costs of pool operations, including any appropriate reserves, over a period of time. This goal shall not be interpreted to restrict the outlay of funds to subsidize specific targeted users or any other ancillary services related to a pool.

(Cr. by ORD-05-00085, 5-10-05)

8.44 LOST OR ABANDONED PROPERTY.

(1) Charter Ordinance. By this ordinance, the City of Madison is exercising its authority under Article XI, sec. 3 of the Wisconsin Constitution, Wis. Stat. § 66.0101, and Wis. Stat. § 62.11(5). The City of Madison hereby determines not to be covered by the provisions of Wis. Stat. §§ 66.0139 and 170.105, with respect to lost or abandoned property. The City adopts this Charter Ordinance to create uniform rules for the treatment of lost or abandoned property that comes into the possession of city employees, officials or agents, and for the safety of the public in identifying and removing packages left in public places.

(2) Definitions. For the purpose of this ordinance, the following definitions apply:

(a) "Lost Property" means personal property, money or chattels that have been lost or abandoned or left on public property without the permission of the public owner. Lost property does not include (i) items left on the terrace or in garbage or recycling containers for the scheduled sanitation pick up, (ii) items seized as evidence in police investigations, or (iii) automobiles or bicycles, which are covered by Secs. 12.128(4) and 12.761, MGO, respectively.

(b) "Appropriate City Agencies" shall mean the Madison Police Department, Madison Fire Department, and any of the Divisions of the Department of Public Works and Transportation (Parks, Water Utility, Engineering, Streets, Madison Metro, Traffic Engineering and Parking).

(3) Requirement.

(a) Except as provided in Subdivision (b), if any City employees, officials or agents obtain possession of Lost Property within the scope of their public duties, the Lost Property shall be turned over to one of the Appropriate City Agencies.

(b) City employees, officials or agents may immediately dispose of Lost Property that either

1. Has an estimated aggregate replacement value of fifty dollars ($50) or less;
2. Consists of contraband or any dangerous materials, including flammable, explosive or incendiary materials, or other materials that pose a danger to persons or property;
3. Is perishable;
4. Poses a public health risk; or
5. Has no sentimental, medical or legal value. Sentimental items of value include but are not limited to photographs, family bible, jewelry, letters, drawings or children's art.

(4) The Appropriate City Agencies shall develop, within six (6) months of the effective date of this ordinance, uniform city-wide procedures for the notification of the City's impending removal of the Lost Property (where applicable) and the holding and disposal of Lost Property subject to Subsection (3)(a). The procedures shall include the following elements:

(a) Preparation and retention of an electronic log of Lost Property obtained and disposed of, to include a description of the property, where it was obtained, and how the property was disposed.

(b) Maintain a posting in one identified place in the City-County Building, with instructions for locating and accessing the electronic log of Lost Property.

(c) A method of ascertaining whether a person claiming Lost Property has reasonably demonstrated a right to the property, and a record of any Lost Property returned to such person.

(d) The methods of disposal of Lost Property that has remained unclaimed for a period of forty-five (45) days after acquisition of the property, which may include public auction, sale of the property through the Internet, transfer to non-profit entities, disposal as waste, or other reasonable methods of disposal. For purposes of disposal of the property, property that has remained unclaimed for a period of forty-five (45) days becomes the property of the City. For purposes of this subparagraph, Madison Metro may dispose of property that remains unclaimed after fourteen (14) days of acquisition.

(5) Property found by members of the public is subject to Wis. Stat. §§ 170.07-170.10.

(6) This is a Charter Ordinance and shall be effective upon sixty (60) days from passage and publication subject, however, to the referendum procedures in Wis. Stat. § 66.0101(5).

9.01 DUTY OF CLERK WITH REGARD TO LICENSES; PAYMENT OF TAXES, CLAIMS, FORFEITURES, JUDGMENTS, ETC., APPEAL.

(1) The City Clerk shall be charged with the enforcement of all ordinances relating to licenses unless other provision is made by the Common Council for the enforcement.

(2) The payment of all personal property taxes, special assessments, and room taxes imposed pursuant to Section 4.21 of these ordinances, all forfeitures or judgments resulting from conviction for violation of any Madison General Ordinance except moving traffic violations, and all other judgments due and owing from any applicant to the City of Madison at the time of the application for any license or permit provided for in these Ordinances, and any of the same relating to the property or business previously licensed if the new license is granted consequent or conditionally upon the sale or transfer of the business or stock in trade or furnishings or equipment of the premises or of the ownership or control of a corporation is a condition precedent to the granting of such license or permit. If the personal property tax bill has not been issued, the Treasurer shall require advance payment based on the previous year's mill rate multiplied by the premises' or property's or business' current year's valuation. No license or permit application shall be granted until the Treasurer has certified on the application that all required payments have been made.

(a) Payment Plans. Notwithstanding Subsection (2), the City Clerk may issue a license or permit to an applicant who owes money to the City for unpaid forfeitures or judgments resulting from conviction for violation of any Madison General Ordinance if the applicant:

1. Has entered into a payment plan for payment of the money owed to the City;

2. Has made payments to the City under said payment plan; and

3. Is current with such payments.

(Cr. by ORD-15-00112, 10-28-15)

(3) Alleged errors in amounts claimed to be due the City may be appealed to a committee comprised of the Assessor, the City Treasurer and the Finance Director or their designees. The committee shall have no authority to review any matter for which a review or appeal procedure has been provided by statute or other ordinance. Within five (5) days of being informed of an amount claimed due, the person seeking review shall pay the amount claimed and file a written notice of appeal with the Clerk stating the bases for the appeal and specifying the alleged error. Upon payment, the applicant may file the application for the license or permit if otherwise qualified. As soon as practicable, the committee shall hold a hearing at which the person shall present evidence to substantiate the claimed error, call witnesses in his/her own behalf, may cross-examine witnesses and may be represented by legal counsel. After holding the hearing, the committee shall by majority vote make findings of fact and conclusions and shall correct any established errors. Any amount improperly required paid shall be refunded promptly, together with interest at the rate of twelve percent (12%) per annum from the date the amount was paid to the City to the date of refund. (Am. by ORD-11-00037, 3-8-11)

(Am. by Ord. 9243, 8-14-87; ORD-08-00092, 8-23-08)

9.02 EXPIRATION OF LICENSES. All licenses provided for by ordinances of the City of Madison shall be by annual licenses and shall expire on the thirtieth (30th) day of June following their issuance, unless it is otherwise specifically stated.

9.03 LICENSING AND REGULATING PUBLIC DANCES AND DANCE HALLS. (Title Am. by Ord. 5204, 10-31-75; Ord. 13,764, 1-1-05)

(1) (a) Definitions. The term "public dance" or "public ball" as used in this section shall be taken to mean any dance or ball to which the public may gain admission with or without payment of a fee, except those which are permitted by Section 9.29 of the Madison General Ordinances.

(b) The term "public dance hall" as used herein shall be taken to mean any room, place or space in which a public dance or public ball may be held.

(c) (R. by Ord. 7200, 1-29-81, Effective 6-30-81)

(d) A nonprofit organization is any individual or group who has obtained a designation as a tax-exempt entity, contributions to which are tax deductible pursuant to 26 U.S.C. Sec. 501(c)(3). (Cr. by Ord. 9007, 11-14-86)

(2) Exceptions. School, Church and Other Non-Profit Organization Sponsored Dances. The requirements of Subsection (3)(a) related to the payment of a fee shall not be required for any public dance held in any public or parochial school hall or church hall or in a City of Madison Community Center when such dance is held under the auspices of the school or church authority or a parent-teacher association or the Madison Board of Education, nor for any public dance held under the auspices of a nonprofit organization. (Sec. 9.03(2) Am. by Ord. 10,882, 4-15-94)

(3) (a) Dance Hall Licenses. It shall be unlawful to hold any public dance or public ball in the City of Madison until the dance hall in which the same is held shall first have been duly licensed for such purposes. The annual license fee shall be three hundred dollars ($300). Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of twenty-five percent (25%) of the license fee. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. A license for one (1) day only requires the payment of a fee of thirty dollars ($30). Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. (Am. by Ord. 9092, 2-13-87; Ord. 13,601, 5-11-04; ORD-10-00038, 5-1-10)

(b) (R. by Ord. 7200, 1-29-81, Effective 6-30-81)

(c) Expiration of License. Each license granted hereunder shall expire on the thirtieth (30th) day of June of each year.

(d) Dance Hall Licenses to be Posted. The dance hall license shall be posted in a conspicuous place within the licensed hall.

(e) Liquor Not to be Sold. No dance hall license shall be issued for any premises licensed to sell fermented malt beverages or intoxicating liquor.

(4) Hall Must Comply With Health and Fire Regulations, etc. No license for public dance hall shall be issued until it shall be found that such hall complies with and conforms to all ordinances, health, and fire regulations of the City and of the State; that it is properly ventilated, and supplied for sufficient toilet conveniences and is a safe and proper place for the purpose for which it is to be used. (Am. by Ord. 7200, 1-29-81, Effective 6-30-81)

(5) Application for License - Inspection - Report. Applications for dance hall licenses shall be made to the City Clerk, who shall thereupon notify the Chief of Police, Director of Public Health Madison and Dane County, Chief of the Fire Department, Director of the Building Inspection Division and the Alcohol License Review Committee. These officers shall severally inspect or cause to be inspected the premises sought to be licensed, to determine whether the dance hall complies with the regulations, ordinances, and laws applicable thereto. These officers shall furnish a recommendation as to whether a license should be granted or refused. No license shall be issued until after such officers have all filed with the City Clerk a written report of the facts and an affirmative recommendation that the license be granted and the Common Council shall have approved the same. (Am. by Ord. 9092, 2-13-87; ORD-08-00109, 10-7-08; ORD-15-00009, 1-28-15)

(6) Revocation or Suspension of License by Common Council. The following provisions shall apply for the revocation or suspension of any license issued pursuant to the provision of this section of the Madison General Ordinances.

(a) Complaint. Upon complaint made in writing under oath by the Chief of Police or by any resident of the City of Madison and filed with the City Clerk that any such person licensed pursuant to the provision of this chapter has violated any provision of this chapter or keeps or maintains a disorderly or riotous, indecent or improper house or that he or she has sold or given away any intoxicating liquor or any fermented malt beverage to any minor, or to persons intoxicated or bordering upon intoxication, to known habitual drunkards, or that he or she has not observed and obeyed any order of the Common Council or police officers of the City of Madison made pursuant to law or for other good reason, the Common Council shall issue a summons, to be signed by the Clerk, commanding the person so complained of to appear before them on a day and at a place in such summons named, not less than five (5) nor more than ten (10) days from its date, and show cause why his/her license should not be revoked or suspended. Such summons shall be served at least five (5) days before the time at which such person is commanded to appear and may be served either personally or upon the person in charge of the place to which such license relates. Said complaint shall set forth the offense allegedly committed, the date, time and place of said offense and the facts constituting said alleged offense. (Am. by ORD-14-00012, 1-14-14)

(b) Procedure on Hearing; Effect of Revocation. If such person shall not appear as required by the summons, the complaint shall be taken as true; and if the Common Council shall deem its allegation sufficient, the license shall be suspended or revoked and notice thereof shall be given to the person whose license is so revoked; but if such person shall appear and deny the complaint, each party may produce witnesses under oath and be heard by counsel. If upon such hearing the Common Council shall find the complaint to be true, the license shall be suspended for not less than ten (10) days nor more than ninety (90) days or revoked; and if untrue, the proceeding shall be dismissed without costs to the accused; and if the complaint be found by the Common Council to be malicious and without probable cause, the cost shall be paid by the complainant, and the Common Council may require security therefor before issuing the summons as aforesaid. When a license is revoked, it shall be so entered of record by the Clerk, and no other license shall be granted to such person within twelve (12) months of the date of its revocation nor shall any part of the money paid for any license so revoked be refunded.

(c) Other Provisions. Any license issued pursuant to Section 9.03 of the Madison General Ordinances shall be subject to such further regulations and restrictions as may be imposed by the Common Council of the City of Madison by amendment to this section or by the enactment of new ordinances. If any licensee shall fail or neglect to meet the requirements imposed by such new restrictions and regulations, his/her license may be revoked in accordance with this section. If any new amendment or ordinance enacted by the Common Council shall provide for revocation of all or any class of existing licenses and the issuance of new licenses or shall impose such new restrictions as to render it impossible for any licensee under an existing license to meet such restrictions, then and in such case the unused portion of the fee paid for such license shall be refunded or applied on any new license issued to such licensee by the Common Council. In case of revocation of any license or any violation of any provision of this ordinance in accordance with this section or for any reasonable cause except the imposition of new restrictions, no refund shall be made of any part of the license fee. If a license issued hereunder is not used within fifteen (15) days after its issuance, its usage is discontinued for a

period of fifteen (15) days or more, such situation shall be grounds for cancellation of the license in accordance with the provisions of this section. (Am. by ORD-14-00012, 1-14-14)

(7) Dance Halls to be Kept Sanitary. All public dance halls shall be kept at all times in a clean, healthy and sanitary condition, and all stairways and other passages and all rooms connected with a dance hall shall be kept open and well lighted.

(8) Power of Police to Stop Dance. The Chief of Police or any police officer shall have the power and it shall be his/her duty to cause the place, hall or room where any dance or ball is held or given to be vacated whenever any provision of any ordinance or any law of the state with regard to public dances and public balls is being violated or whenever any indecent act shall be committed, or when any disorder of a gross, violent, or vulgar character shall take place. (Am. by ORD-14-00012, 1-14-14)

(9) Duty of Owner of Dance Hall. It shall be the duty of the owner of every ballroom, or other space rented or used for public dances, as well as of the person or association giving the dance, to see that the provisions of this section and all other laws and regulations relative to public dances and public dance halls are complied with.

(10) Floor Manager. Any person conducting a public dance or renting a public dance hall shall have a floor manager in control of the premises continuously from a half (½) hour before the dancing begins until the dance hall is closed. It shall be the duty of the floor manager to see that standards of decency and good taste are maintained and that disorderly, familiar, or objectionable conduct is not tolerated and to take efficient steps promptly to remove objectionable persons and stop objectionable practices.

(11) Advertising. In all circulars, newspaper advertisements, or other announcement of a public dance, the name of the person under whose auspices the dance is to be held shall be printed in a conspicuous manner. Whenever a public dance is given under the auspices of an organization, the name of at least two (2) of the responsible officers of the association shall be printed as above provided.

(12) Persons Under Eighteen not to Attend Dances. It shall be unlawful to permit any person under the age of eighteen (18) to attend or to take part in any public dance unless such person is chaperoned by a parent or legal guardian or unless the dance is held under the auspices of school or church authority or a parent-teacher association or the Madison Board of Education. It shall be unlawful for any person to misrepresent his or her age in order to obtain admission to a public dance hall, or to be permitted to remain therein when such person is in fact, because of age, not permitted to attend or participate in a public dance under the provisions of this section. It shall also be unlawful for any person to represent himself to be a parent or guardian of any person under the age of eighteen (18) in order that such person may obtain admission to a public dance when the person making this representation is not in fact either a parent or legal guardian of such other person. (Am. by Ord. 8857, 4-28-86)

(13) Reserved for Future Use. (R. by Ord. 10,882, 4-15-94)

(14) Miscellaneous Police Regulations. It shall be unlawful for any person or organization, business or social, conducting a public dance or for any manager or other agent of such person or organization:

(a) To permit any person under eighteen (18) years of age to enter or remain in a public dance hall during a public dance unless chaperoned by a parent or legal guardian or unless subsection (12) applies. (Am. by Ord. 8857, 4-28-86)

(b) To issue pass checks or other checks permitting a person or persons to leave and re-enter the dance hall building except during a definite intermission period of fifteen (15) minutes.

(c) To permit any fermented malt beverages or intoxicating liquor to be sold, offered for sale, served or consumed in any room in which dancing is permitted or to permit dancing in any room in which fermented malt beverages or intoxicating liquor is sold, offered for sale, served or consumed.

(d) To permit any person under the influence of liquor or drugs to participate in or to be allowed to remain at any public dance.

(e) To permit idlers, loiterers or other hangers-on to be on or about the dance hall premises.

(f) (R. by Ord. 6855, 12-21-79)

9.035 PRIVATE TEEN DANCE CLUBS.

(1) Purpose. The purpose of this section is to provide for properly regulated private teen dance clubs conducted primarily for teenagers.

(2) Private Teen Dance Club Defined. A private teen dance club licensed under this section shall mean a private club providing dances primarily for persons between the ages of fourteen (14) and eighteen (18), admission for which may be gained by membership card and the payment of an admission fee or charge.

(3) Provisions of 9.03 Applicable. The following subsections of 9.03 shall apply: (2) Exceptions; (3)(c) Expiration of License; (3)(d) Dance Hall Licenses to be Posted; (3)(e) Liquor Not to be Sold; (4) Hall Must Comply With Health and Fire Regulations, etc; (5) Application for License—Inspection—Report; (6) Revocation or Suspension of License by Common Council; (7) Dance Halls to be Kept Sanitary; (8) Power of Police to Stop Dance; (9) Duty of Owner of Dance Hall; (10) Floor Manager; (11) Advertising; (14) Miscellaneous Police Regulations, except paragraph (a). Premises licensed hereunder shall be included within the term "public dance hall" used in these subsections, but shall not constitute a public dance hall for other purposes. (Am. by Ord. 6949, 4-4-80)

(4) License Required. No person shall operate a private teen dance club without a license issued hereunder. An annual license may be issued for a fee of two hundred fifty dollars ($250). Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of twenty-five percent (25%) of the license fee. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. (Am. by Ord. 8846, 4-11-86; Ord. 13,601, 5-11-04; ORD-10-00038, 5-1-10)

(5) Age Limit on Admissions. No person licensed hereunder shall permit on the premises where a private teen dance club is operated any person under the age of fourteen (14) unless accompanied by her or his parent or legal guardian. It is the intention of the Council that dances conducted hereunder shall be primarily for young persons and therefor any person licensed hereunder shall discourage the attendance at such dances of persons eighteen years of age or older except employees of the licensee, chaperones, dance inspectors or other authorized persons. (Am. by ORD-14-00012, 1-14-14)

(6) Time Limits. No premises licensed under this section may be open as a private teen dance club after 10:30 p.m. Sunday through Thursday and 11:30 p.m. Friday and Saturday, except on January 1 the premises may be open until 12:45 a.m. (Am. by Ord. 9347, 12-21-87)

9.04 LICENSING OF THEATERS OR PUBLIC ROOMS USED FOR EXHIBITION PURPOSES.

(1) Who Shall Obtain Licenses. No person, firm, association or corporation shall conduct or operate any opera house, theater, vaudeville theater, moving picture theater, show house, or any exhibition or show in any public room, nor give or conduct any show or performance therein or in any other building or room to which the public may be admitted, within the limits of the City of Madison, without first having obtained a license therefor as provided in this section; provided, however, that when any license shall be issued no further license fee shall be imposed upon any company or person exhibiting in such theater, opera house, vaudeville theater, moving picture theater or public room in which an exhibition or show is held while the license therefor shall be in effect. City owned

theaters shall be exempt from the licensing requirements in this section except for the provision in Subsection (2) below regarding the certificate from the Director of the Building Inspection Division. (Am. by Ord. 10,517, 11-11-92; ORD-08-00109, 10-7-08)

(2) Certificate From Director of the Inspection Division. Any person, firm, association, or corporation desiring to obtain a license to operate or conduct any opera house, theater, vaudeville theater, moving picture theater, show house, or public room in which any exhibition or show is given within the limits of the City of Madison shall, before any license shall be issued, procure from the Director of the Building Inspection Division a certificate that said applicant has fully complied with all the provisions and requirements of the ordinances of the City of Madison, and the laws of the State of Wisconsin governing the construction and equipment of opera houses, theaters, vaudeville theaters, moving picture theaters, show houses, or public rooms used for exhibition or show purposes. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(3) Application for License.

(a) Every person, firm, association or corporation desiring to obtain a license for the operation of any opera house, theater, vaudeville theater, moving picture theater, show house, or public room used for show or exhibition purposes shall file with the City Clerk of the City of Madison an application in writing for such license, which application shall be made by the person or persons desiring the same, or his/her or their authorized agent. Such application shall state the name or names of the party desiring such license, and such other information as may be required by the City Clerk, and which application shall specify the premises for which such license is desired. Each application shall be accompanied with a certificate of the Director of the Building Inspection Division as provided in subsection (2) hereof, together with a deposit of the license fee as hereinafter required. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08; ORD-14-00012, 1-14-14)

(b) No exhibition, representation or show to which the public is admitted upon the payment of a fee or thing of value shall be presented or offered in any building, room, or structure which does not comply with all the regulations of the State of Wisconsin or the City of Madison with regard to sanitation, ventilation, fire prevention, health and safety; and it shall be unlawful to present or offer any such exhibition, representation or show in any frame building, tent, or other temporary structure, excepting that this subsection shall not apply to circuses or menageries licensed under Section 9.05 of the ordinances.

(4) No License to be Issued to Minors or Irresponsible Persons. No license shall be issued hereunder to any minor, or to any irresponsible person, or to any person not of good character.

(5) Conditions of License - Licenses Subject to Ordinance.

Every licensee and every license hereunder shall at all times be subject to the ordinances of the City at any time in force or coming into force during the term of such license. (Am. by Ord. 5673, 11-17-76)

(6) Expiration of Licenses. Licenses shall be granted only by the Common Council of the City of Madison and shall expire on the thirtieth (30th) day of June following the date of their issuance.

(7) Fees. The annual license fee for theaters shall be as follows: three hundred dollars ($300) for each theater having a seating capacity of five hundred (500) persons or less; four hundred dollars ($400) for each theater having a seating capacity of more than five hundred (500) persons and less than twelve hundred (1,200); six hundred dollars ($600) for each theater having a seating capacity of twelve hundred (1,200) persons or more. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of twenty-five percent (25%) of the license fee. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. Payment

of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. (Am. by Ord. 9022, 12-11-86; Ord. 13,601, 5-11-04; ORD-10-00038, 6-15-10)

(8) Definition of Theater. Every edifice or part of edifice used for the purpose of dramatic or operatic or other representations, plays, or performances for admission to which entrance money is received, not including halls or armories rented or occasionally used for concerts or theatrical representations and not including edifices owned by religious, educational, or charitable institutions, societies, or organizations where all the proceeds from admissions inure exclusively to the benefit of such institutions, societies, or organizations, or exclusively to the benefit of persons in the military or naval forces of the United States, shall be regarded as a theater.

(9) Suspension and Revocation of Licenses. Any license issued hereunder may be suspended at any time by the Mayor, upon proof furnished her or him of the violation of any of the ordinances of the City of Madison or the Laws of the State of Wisconsin. Any such suspension shall, however, be reported by the Mayor to the Common Council at its first session thereafter. Any person aggrieved by such action of the Mayor may appeal therefrom to the Common Council, and the Common Council shall grant to such person a hearing, and said Council shall then determine whether such license shall be revoked. (Am. by ORD-14-00012, 1-14-14)

(10) Assignment of Licenses - Temporary Permits. Licenses which shall be issued under the provisions of this section shall not be assigned except with the consent of the Common Council as herein provided. Any person, firm, association, or corporation to whom or to which any license issued under the provisions of this section shall have been in terms assigned, may make application to the Common Council stating that such license has been so assigned and requesting the Common Council to approve such assignment. The Common Council is hereby authorized to approve such assignment if it shall be satisfied that the applicant is qualified under the provisions of this section and is a fit and proper party to hold such license. If any such assignee, after she or he shall have made her/his application to the Common Council, desires to conduct or operate any opera house, theater, vaudeville theater, moving picture theater, show house, or any exhibition or show in any public room under said license pending the action of the Council upon her/his application for approval of such assignment, s/he may apply to the City Clerk for temporary permit so to do and the City Clerk is hereby authorized, subject to the approval of the Mayor, to issue such temporary permit pending the action of the Common Council. No such temporary permit shall be issued by the City Clerk unless the applicant therefore shall have first paid the City Treasurer the sum of ten dollars ($10), and the assignment of any license hereunder shall not be approved by the Common Council unless the applicant shall have paid into the City Treasury the sum of ten dollars ($10), provided, however, that in cases where payment of ten dollars ($10) is made for a temporary permit no additional fee shall be required on account of the assignment of any such license. (Am. by ORD-14-00012, 1-14-14)

(11) Licensing Outdoor Theaters.

(a) License. No person, firm, association or corporation shall conduct or operate an outdoor or drive-in theater within the limits of the City of Madison without having first obtained a license therefor as provided in this subsection.

(b) Definition. For the purposes of this ordinance an outdoor theater is defined to be a parcel of land having specifically designated boundaries, entrances and exits, equipped with a screen and sound equipment for showing moving pictures for a fee or admission charge to occupants of automobiles parked within the designated area.

(c) Application for License. Every person, firm, association or corporation desiring to obtain a license for the operation of an outdoor theater shall file with the City Clerk an application in writing on a form to be furnished by the City Clerk, which

application shall be signed by the applicant or her/his or its duly authorized agent. Such application shall state the name and address of the applicant and any person or persons owning an interest in the proposed theater, and if the applicant be a corporation it shall give the names and addresses of the officers of the corporation. Each application shall clearly describe the location of the theater, the number of cars which the theater is designed to accommodate, and such other information as may be required by the Common Council. The license fee provided herein shall accompany such application. Before any license shall be issued the applicant shall procure and file with the application, a certificate from the Director of the Building Inspection Division that said applicant has fully complied with all the provisions and requirements of the ordinances of the City of Madison and the Laws of the State of Wisconsin governing the construction and equipment of outdoor theaters and a certificate from the City Director of Planning and Community and Economic Development of Madison that all zoning requirements pertaining to outdoor or drive-in theaters have been complied with. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08; ORD-14-00012, 1-14-14)

(d) Granting of License. The City Clerk shall, when satisfied that the applicant has fully complied with all the requirements and provisions of this subsection and the zoning and building requirements as shown by paragraph (c) above, present the application with the accompanying certificates to the Common Council. Licenses hereunder shall be granted only by the Common Council. If the application is approved and the license granted, the City Clerk shall issue such license.

(e) License Fee and Period. The term of the license provided for under this subdivision shall be for the period January 1 to December 31 and the license fee for any license granted pursuant to this subsection shall be one thousand dollars ($1,000) to be apportioned as follows: five hundred dollars ($500) for the period from January 1 to June 30 and five hundred dollars ($500) for the period from July 1 to December 31. Provided further, however, that the license fee for outdoor theaters for the period January 1 to December 31 shall be two hundred fifty dollars ($250) per year, or any fraction thereof, in those situations where the owners or operators of any outdoor theater have made application to the State Highway Commission of Wisconsin for the operation and maintenance at the cost of the licensee of a controlled traffic control signal at the highway exit of such outdoor theater and where said application has been approved by the State Highway Commission of Wisconsin, provided, however, that said traffic control signals shall be installed and in operation at the time of the granting of said license. Provided, further, that where an applicant for a license under the provisions of this subsection submits proof of the filing with the State Highway Commission of the right to install a controlled traffic control signal at the highway exit of such outdoor theater but said application has not been acted upon by the State Highway Commission or the traffic control signal installed, a license may nevertheless be granted for the twenty dollar ($20) annual fee upon the said applicant filing a bond with the City of Madison in the amount of one thousand dollars ($1,000) conditioned that said highway traffic control signal will be installed and in operation within forty-five (45) days from the granting of said license. In the event of the failure of the licensee to install and to put into operation said traffic control signal within said period of thirty (30) days the full semiannual license fee or fees of five hundred dollars ($500) shall be due and payable.

(f) No License to Minor or to Irresponsible Persons. No license shall be issued hereunder to any minor, or to any irresponsible person, or to any person not of good character.

(g) Licensees and Licenses Subject to Ordinances. Each licensee and every license issued hereunder shall at all times be subject to the ordinances of the City at any time in force or coming into force during the term of such license.

(h) Suspension and Revocation. Any license issued hereunder may be suspended at any time by the Mayor upon reasonable evidence furnished her or him of the violation of any ordinance of the City of Madison or any Laws of the State of Wisconsin. Any such suspension shall, however, be reported by the Mayor to the Common Council at its first meeting thereafter. Any person aggrieved by such action of the Mayor may appeal therefrom within twenty (20) days to the Common Council, and the Common Council shall grant to such person a hearing, and said Council shall then determine whether such license shall be revoked. If no appeal is taken the suspension shall stand. In the event of suspension or revocation no refund of any portion of the license fee shall be made. (Am. by ORD-14-00012, 1-14-14)

(i) Assignment of Licenses. Licenses which shall be issued under the provisions of this section shall not be transferred or assigned except with the consent of the Common Council as herein provided. Any person, firm, association or corporation to whom or to which any license issued under the provisions of this section is proposed to be assigned shall make and file with the City Clerk an application therefor in writing on the same form and with the same information as though applying for a new license which application shall be accompanied by a fee of ten dollars ($10). If the application qualifies according to the provisions in (c) above, the City Clerk shall refer said application to the Common Council which may approve said assignment by a majority vote. If the Common Council approves such assignment the City Clerk shall recall the original license and issue a new license.

(j) Regulation. Every licensee of any outdoor theater shall provide such personnel as may be required to insure that patrons of the theater conduct themselves in a proper manner, and shall be responsible for the enforcement and observation of all the provisions of this subsection.

(12) Penalty. Any person, society, club, or corporation who shall violate the provisions of this section shall be subject to a fine of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for each and every offense, and each day on which any such violation exists shall be deemed a separate offense.

9.05 ADULT ENTERTAINMENT ESTABLISHMENTS AND ADULT ENTERTAINMENT TAVERNS.

(1) Definitions. For the purpose of this section, the following words and phrases shall mean:

Adult Book or Video Store. An adult book store is an establishment which is used for selling, renting or loaning, for monetary consideration, the following materials, when such activity constitutes a substantial or significant part of the business conducted therein:

1. Any pictures, photographs, drawings, motion picture films or similar visual representations or images of a person or portions of a human body which are distinguished or characterized by their emphasis on matters depicting, or describing or relating to specified sexual activities or specified anatomical areas as defined herein or
2. Any book, pamphlet, magazine, printed matter, however reproduced, or sound recording which contains any matter enumerated in Paragraph 1. above.
3. Significant part of the business means dedication or use of more than ten percent of the available floor, wall and display space to the sale, rental or loan of the subject matter referenced in Paragraphs 1. and 2. above,

including space devoted to the viewing of videotapes or films, or display and advertisement of subject matter referenced herein in excess of ten percent of the total merchandise for sale, rental or loan.

4. Material, however distributed, which is published by a medical products manufacturer, a medical or health association, an insurance company, or by a consumer education organization shall not be considered part of the business of operating an adult book or video store.

Adult Entertainment Establishment. An adult entertainment establishment is an adult book or video store or an adult motion picture theater.

Adult Entertainment Taverns. An adult entertainment tavern is any establishment licensed to sell fermented malt beverages or intoxicating liquor pursuant to Chapter 38 of these ordinances which is used for presentations or service distinguished or characterized by an emphasis on exposure to view of human genitals, pubic area, buttocks or anus; or a female's vulva or breasts below the top of the areola ; or male genitals in a discernable turgid state, even if opaquely covered; or on acts of or acts which simulate erotic touching, sexual intercourse, masturbation, flagellation, sodomy, bestiality, necrophilia, sadomasochistic abuse, fellatio, cunnilingus, or any sexual acts prohibited by Wis. Statutes. (Cr. by Ord. 12826, 6-6-01)

Adult Motion Picture Theater. An adult motion picture theater is an enclosed building used for presenting or exhibiting a motion picture film, show or other presentation having as its dominant theme or distinguished or characterized by an emphasis on exposure to view of human genitals, pubic area, buttocks or anus; or a female's vulva or breasts below the top of the areola; or male genitals in a discernable turgid state, even if opaquely covered; or on acts of or acts which simulate erotic touching, sexual intercourse, masturbation, flagellation, sodomy, bestiality, necrophilia, sadomasochistic abuse, fellatio, cunnilingus, or any sexual acts prohibited by Wis. Statutes.

Booths, cubicles, rooms, compartments or stalls separate from the common areas of the premises shall mean such enclosures as are specifically offered to the public or members of that establishment for hire or for a fee as part of a business operated on the premises which offers as part of its business the entertainment to be viewed within the enclosure; which shall include, without limitation, such enclosures wherein the entertainment is dispensed for a fee, but a fee is not charged for mere access to the enclosure.

The phrase "booths, cubicles, rooms, compartments or stalls separate from the common areas of the premises" does not mean enclosures which are private offices used by the owners, managers, or persons employed on the premises for attending to the tasks of their employment, and which are not held out to the public or members of the establishment for hire or for a fee or for the purposes of viewing entertainment for a fee, and which are not open or available to any persons other than owners, managers or employees.

Council. The Common Council of the City of Madison.

Operator. Any person, partnership, corporation, or other entity operating, managing, renting, conducting, maintaining or owning any adult entertainment establishment, or adult entertainment tavern.

Specified Anatomical Area means:

1. Less than completely and opaquely covered human genitals, pubic region, buttocks and female breasts below a point immediately above the top of the areola.
2. Human male genitals in a discernible turgid state, even if opaquely covered.

(Cr. by Ord. 13,759, 1-5-05)

Specified Sexual Activities simulated or actual:

1. Showing of human genitals in a state of sexual stimulation or arousal.

2. Acts of masturbation, sexual intercourse, sodomy, bestiality, necrophilia, sadomasochistic abuse, fellatio or cunnilingus.
3. Fondling or erotic touching of human genitals, pubic region, buttock or female breasts.

(Cr. by Ord. 13,759, 1-5-05)

(Am. by Ord. 12,826, 6-6-01)

(2) License.

(a) Except as provided in Subdivision (d) below, from and after the effective date of this ordinance, no adult entertainment establishment or adult entertainment tavern shall be operated or maintained in the City without first obtaining a license to operate issued by the City.

(b) A license may be issued only for one adult entertainment establishment or adult entertainment tavern located at a fixed and certain place. Any person who desires to operate more than one adult entertainment establishment or adult entertainment tavern must have a license for each.

(c) No license or interest in a license may be transferred to any person.

(d) All adult entertainment establishments or adult entertainment tavern existing at the time of the passage of this ordinance must submit an application for a license within ninety (90) days of the passage of this ordinance. If an application is not received within such ninety-day period, then such existing adult entertainment establishment or adult entertainment tavern shall cease operations.

(Am. by Ord. 12,826, 6-6-01)

(3) Application for License.

(a) Any person desiring to secure a license shall make application to the City Clerk. The application shall be filed in quadruplicate with and dated by the City Clerk. A copy of the application shall be distributed promptly by the City Clerk to the City Police Department, the City Health Department, the Zoning Administrator, to the applicant, and to the Alcohol License Review Committee in the case of applications for an adult entertainment tavern license.

(b) The application for a license shall be upon a form provided by the City Clerk. An applicant for a license interested directly in the ownership or operation of the business shall furnish the following information under oath:

1. Name and address.
2. Written proof that the individual is at least eighteen (18) years of age.
3. The address of the adult entertainment establishment or adult entertainment tavern to be operated by the applicant.
4. If the applicant is a corporation, the application shall specify the name of the corporation, the date and state of incorporation, the name and address of the registered agent and the name and address of all shareholders owning more than five percent (5%) of the stock in such corporation and all officers and directors of the corporation.

(c) Within twenty-one (21) days of receiving an application for an adult entertainment establishment license, the City Clerk shall notify the applicant whether the application is granted or denied.

(d) Within twenty-one (21) days of receiving a recommendation from the Alcohol License Review Committee to grant a license for an adult entertainment tavern, the City Clerk shall notify the applicant whether the application is granted or denied.

(e) Whenever an application is denied or a license is not renewed, the City Clerk shall advise the applicant in writing of the reasons for such action. If the applicant requests a hearing within ten (10) days of receipt of notification of denial or nonrenewal, a public hearing shall be held within ten (10) days thereafter before the Council. If a public hearing is requested, it shall be held within ten (10) days

thereafter before the Council. The Council shall make a determination on the denial or nonrenewal of the license within twenty (20) days of the scheduled public hearing and shall provide notification of the determination in writing to the licensee within five (5) days of the determination. The notification shall contain reasons for the denial or nonrenewal of the license. Judicial review by certiorari may be sought within thirty (30) days of a termination under (c), (d), or (e) if a public hearing is requested. If a licensee makes a timely appeal, no nonrenewal shall be effective until a final judicial decision is rendered. (Am. by Ord. 13,358, 7-5-03; ORD-06-00144, 11-2-06)

(f) Failure or refusal of the applicant to give any information relevant to the investigation of the application or the applicant's refusal or failure to appear at any reasonable time and place for examination under oath regarding such application or the applicant's refusal to submit to or cooperate with any investigation required by this section shall constitute an admission by the applicant that s/he is ineligible for such license and shall be grounds for denial thereof by the City Clerk.

(Am. by Ord. 12,826, 6-7-01)

(4) Standards for Issuance or Renewal of License. To receive a license to operate an adult entertainment establishment or adult entertainment tavern, an applicant must meet the following standards:

(a) If the applicant is an individual:

1. The applicant shall be at least eighteen (18) years of age.
2. The applicant shall not have been found to have previously violated this ordinance within five (5) years immediately preceding the date of the application.

(b) If the applicant is a corporation:

1. All officers, directors and stockholders required to be named under Subsection (3)(b) shall be at least eighteen (18) years of age.
2. No officer, director or stockholder required to be named under Subsection (3)(b) shall have been found to have previously violated this section within five (5) years immediately preceding the date of the application.

(c) If the application is a partnership, joint venture or any other type of organization where two or more persons have a financial interest:

1. All persons having a financial interest in the partnership, joint venture or other type of organization shall be at least eighteen (18) years of age.
2. No person having a financial interest in the partnership, joint venture or other type of organization shall have been found to have violated any provision of this ordinance within five (5) years immediately preceding the date of the application.

(d) A valid Zoning Certificate obtained from the Zoning Administrator pursuant to Sec. 28.202(3). (Am. by ORD-12-000134, 1-2-13)

(e) The license may include conditions that have been agreed to by the City and the applicant pursuant to a court order in the settlement of an action to enforce this ordinance. (Cr. by Ord. 13,550, 3-19-04)

(Am. by Ord. 12,826, 6-6-01)

(5) Fees. The annual license fee of one thousand one hundred dollars ($1,100) plus the applicable publication fee as set for in Sec. 38.05(3)(b), MGO, shall be submitted with the application for an adult entertainment establishment license or an adult entertainment tavern license. If the application is denied, one half of the fee shall be returned. (Am. by Ord. 12,826, 6-6-01; ORD-05-00096, 5-24-05; ORD-06-00154, 11-23-06; ORD-10-00038, 5-1-10; ORD-17-00009, 2-20-17)

(6) Display of License. The license shall be displayed in a conspicuous public place in the adult entertainment establishment. (Am. by Ord. 12,826, 6-6-01)

(7) Renewal of License.

(a) Every license issued pursuant to this ordinance shall terminate on June 30 of each year, unless sooner revoked, and must be renewed before operation is allowed on July 1. Any operator desiring to renew a license shall make application to the City Clerk. The application for renewal must be filed not later than sixty (60) days before the license expires. The application for renewal shall be filed in quadruplicate with and dated by the City Clerk. A copy of the application for renewal shall be distributed promptly by the City Clerk to the City Police Department, the City Health Department and to the operator. The application for renewal shall be upon a form provided by the City Clerk and shall contain such information and data given under oath or affirmation as is required for an application for a new license.

(b) A license renewal fee of one thousand dollars ($1,000) shall be submitted with the application for renewal of either an adult entertainment establishment license or an adult entertainment tavern license. In addition to the renewal fee, a late penalty of twenty-five percent (25%) of the license fee shall be assessed against the applicant who files for a renewal less than thirty (30) days before the license expires. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. If the application is denied, one half of the total fees collected shall be returned. (Am. by Ord. 13,601, 5-11-04; ORD-05-00096, 5-24-05; ORD-06-00154, 11-23-06; ORD-10-00038, 5-1-10)

(c) If the City Police Department, City Health Department, Zoning Administrator or Alcohol License Review Committee is aware of any information bearing on the operator's qualifications, that information shall be filed in writing with the City Clerk.

(Am. by Ord. 12,826, 6-6-01)

(8) Revocation of License.

(a) The Common Council may revoke or suspend a license for any of the following reasons:

1. Discovery that false or misleading information or data was given on any application or material facts were omitted from any application.
2. The operator or any employee of the operator violates any provision of this section or any rule or regulation adopted by the Common Council pursuant to this chapter provided, however, that in the case of a first offense by an operator where the conduct was solely that of an employee, the penalty shall not exceed a suspension of thirty (30) days if the Council shall find that the operator had no actual or constructive knowledge of such violation and could not by the exercise of due diligence have had such actual or constructive knowledge.
3. The operator becomes ineligible to obtain a license.
4. Any cost or fee required to be paid by this chapter is not paid.
5. Any intoxicating liquor or fermented malt beverage is served or consumed on any premises of an adult entertainment establishment not licensed pursuant to Chapter 38 of these ordinances.

(Am. by Ord. 13,759, 1-5-05)

(b) The Council, before revoking or suspending any license, shall give the operator at least ten (10) days written notice of the charges against the operator and the opportunity for a public hearing before the Council. If the operator does not file a timely request for a public hearing, the allegations set forth in the charges shall be taken as true, and within ten (10) days the Common Council shall meet and determine whether the charges are sufficient to revoke or suspend a license. Within five (5) days of such determination, the Common Council shall provide written notification to the licensee of its findings and shall include reasons for suspension or revocation. If a public hearing is requested, it shall be held within ten (10) days

thereafter before the Council. The Council shall make a determination on the suspension or revocation of the license within twenty (20) days of the scheduled public hearing and shall provide notification of the determination in writing to the licensee within five (5) days of the determination. The notification shall contain reasons for a suspension or revocation of the license. Appeal of either of the above written determinations of the Council to revoke or suspend a license shall be pursuant to Sec. 9.49, Madison General Ordinances. Judicial review by certiorari may be sought within thirty (30) days of a determination under this subdivision. If a licensee makes a timely appeal of the Council's determination to suspend or revoke a license, no suspension or revocation shall be effective until a final judicial decision is rendered pursuant to Sec. 9.49(6)(b)3. (Am. by Ord. 13,759, 1-5-05; ORD-06-00144, 11-2-06)

(c) The transfer of a license or any interest in a license shall automatically and immediately revoke the license.

(d) Any operator whose license is revoked shall not be eligible to receive a license for one year from the date of revocation. No location or premises for which a license has been issued shall be used as an adult entertainment establishment or adult entertainment tavern for one (1) year from the date of revocation of the license. (Am. by Ord. 12,826, 6-6-01)

(9) Physical Layout of Adult Entertainment Establishment. Any adult entertainment establishment having available for customers, patrons or members any booth, room or cubicle for the private viewing of any adult entertainment must comply with the following requirements:

(a) Access. Each booth, room or cubicle shall be totally accessible to and from aisles and public areas of the adult entertainment establishment and shall be unobstructed by any door, lock or other control-type devices.

(b) Construction. Every booth, room or cubicle shall meet the following construction requirements:

1. Each booth, room or cubicle shall be separated from adjacent booths, rooms and cubicles and any nonpublic areas by a wall.
2. Have at least one side totally open to a public lighted aisle so that there is an unobstructed view at all times of anyone occupying same.
3. All walls shall be solid and without any openings, extended from the floor to a height of not less than six feet and be light colored, nonabsorbent, smooth textured and easily cleanable.
4. The floor must be light colored, nonabsorbent, smooth textured and easily cleanable.
5. The lighting level of each booth, room or cubicle when not in use shall be a minimum of ten (10) foot candles at all times as measured from the floor.

(c) Occupants. Only one individual shall occupy a booth, room or cubicle at any time. No occupant of same shall engage in any type of sexual activity, cause any bodily discharge or litter while in the booth. No individual shall damage or deface any portion of the booth.

(10) Operator Responsibility.

(a) Every act or omission by an employee constituting a violation of the provisions of this ordinance shall be deemed the act or omission of the operator if such act or omission occurs, either with the authorization, knowledge or approval of the operator or as a result of the operator's negligent failure to supervise the employee's conduct, and the operator shall be punishable for such act or omission in the same manner as if the operator committed the act or caused the omission.

(b) Any act or omission of any employee constituting a violation of the provisions of this ordinance shall be deemed the act or omission of the operator for purposes of determining whether the operator's license shall be revoked, suspended or renewed.

(c) No employee of an adult entertainment establishment or adult entertainment tavern shall allow any minor to loiter around or to frequent an adult entertainment establishment or to allow any minor to view any activity allowed in an adult motion picture theater or adult entertainment tavern.

(d) The operator shall maintain the premises in a clean and sanitary condition at all times. The operator shall submit a fixed cleaning and sanitizing schedule to the Health Department for approval, and once approved, adhere to that schedule.

(e) The operator shall maintain at least ten (10) foot candles of light in the public portions of the establishment, including aisles, at all times. However, if a lesser level of illumination in the aisles shall be necessary to enable a patron to view any activity in a booth, room or cubicle adjoining an aisle, a lesser amount of illumination may be maintained in such aisles provided, however, at no time shall be there be less than one (1) foot candle of illumination in such aisles as measured from the floor.

(f) The operator shall conspicuously post inside each booth, stall, partitioned portion of room, or individual room an unmutilated and undefaced sign or poster supplied by the health department which contains information regarding sexually transmitted diseases and the telephone numbers from which additional information can be sought.

(g) The operator shall post regulations concerning booth occupancy, on signs, with lettering at least one inch high, that are placed in conspicuous areas of the establishment and in each of the viewing enclosures.

(h) The operator shall comply with all conditions attached to a license pursuant to Sec. 9.05(4)(e). (Cr. by Ord. 13,550, 3-19-04)

(i) The operator shall insure compliance of the establishment and its patrons with the provisions of this ordinance, including any license conditions pursuant to Section 9.05(4)(e). (Am. by Ord. 13,550, 3-19-04)

(Am. by Ord. 12,826, 6-6-01)

(11) Patron Responsibility.

(a) No person shall occupy an enclosure already occupied by another person, regardless of whether permission to enter has been given.

(b) No person shall at any time engage in specified sexual activities or cause any bodily discharge or litter associated with such sexual activity while in the enclosure. (Am. by Ord. 13,759, 1-5-05)

(c) No person shall remove, destroy, or deface any signs or posters, or destroy or deface any information, brochures, or pamphlets, whether supplied by the Health Department or posted by the operator.

(d) No person shall damage or deface any portion of the enclosure.

(12) Exclusions. All private and public schools, as defined in Wis Stat. ch. 115, hospitals, medical clinics and public health facilities, located within the City of Madison, are exempt from obtaining a license hereunder when instructing pupils or patients/clients in sex education, prenatal, family planning, or child birth classes as part of their curriculum or services.

(13) Enforcement. It shall be the duty of the Health Department, the Building Inspection Division and the Police Department to administer and enforce the provisions of this ordinance. (Am. by ORD-08-00109, 10-7-08)

(14) Penalty.

(a) In addition to the revocation, suspension or nonrenewal of any license issued under this ordinance, any person found to be in violation of any provision of this ordinance shall be subject to a forfeiture of not less than one hundred dollars ($100) nor more than three hundred dollars ($300) and in the case of an operator shall result in the suspension or revocation of any license up to one (1) year.

(b) Each violation of this ordinance shall be considered a separate offense, and any violation continuing more than one day shall be considered a separate offense.

(15) Severability. If any provision of this ordinance is deemed invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the other provisions of the same.

(Sec. 9.05 Cr. by Ord. 10,919, Adopted 5-17-94; Am by Ord. 12,926, 6-6-01; ORD-06-00144, 11-2-06)

(1) Definitions. In this section:

(a) "Carry" means to go armed with.

(b) "Concealed" means hidden from ordinary observation.

(c) "License document" means a valid license issued under Wis. Stat. § 175.60 or an out-of-state license.

(d) "Licensee" means an individual holding a valid license to carry a concealed weapon under Wis. Stat. § 175.60.

(e) "Out-of-state licensee" means an individual who is twenty-one years of age or over, who is not a Wisconsin resident, and who has been issued an out-of-state license.

(f) "Photographic identification card" means one of the following:

1. An operator's license issued under Wis. Stat. ch. 343 or an identification card issued under Wis. Stat. § 343.50; or

2. A license or card issued by a state other than Wisconsin that is substantially equivalent to a license or card under sub. 1.

(g) "Weapon" means a handgun, an electronic weapon, as defined in Wis. Stat. § 941.295(1c)(a), a knife other than a switchblade knife under Wis. Stat. § 941.24, or a billy club.

(2) It shall be unlawful for a licensee or out-of-state licensee to carry a concealed weapon within the City without having his or her license document and photographic identification card.

(3) Exceptions. This section does not apply if the licensee or out-of-state licensee was carrying a concealed weapon in the following locations:

(a) In his or her own dwelling;

(b) In a place of business he or she owns; or

(c) On land he or she owns, leases or legally occupies.

(4) Penalty. Any person who violates this ordinance shall be subject to a penalty of not more than twenty-five dollars ($25).

(a) Exemption. Any person is exempted from a forfeiture under this section, if the person presents, within forty-eight (48) hours of receiving a citation, his or her license document or out-of-state license and photographic identification to the Madison Police Department.

(Sec. 9.06 Cr. by ORD-11-00146, 10-27-11)

9.07 RESERVED FOR FUTURE USE. (R. by Ord. 7202, 1-22-81, Effective 6-30-81)

9.08 AMUSEMENT DEVICES.

(1) Definitions.

(a) "Amusement device" means any machine, game, or similar device, whether or not operated by coins, slugs, tokens, or similar items which permits a person or operator to use the device as a game or contest of skill or amusement, whether or not the device registers a score, which may cause a person or operator of the same to secure some amusement, enjoyment, or entertainment, and which is not a gambling device. The term shall include, but not be limited to because of enumeration, electronic or mechanical game machines, pinball machines, shuffleboard, and pool or billiard tables. (R. & Re-Cr. by Ord. 10,373, 2-14-92)

(b) A "distributor" shall mean any person who as owner or lessor distributes or leases any amusement device to any person for use in the City of Madison.

(2) Licensing of Amusement Device Distributors.

(a) License of Amusement Devices. Any person, corporation or other legal entity which has possessory control of any premises in which is located any amusement device available for play shall license said device with the City Clerk as described herein. The license fee for the amusement device operated by a coin of five cents (5¢), or more, shall be per annum; and shall be based on the number of amusement devices located on the premises as follows:

Number of Amusement Devices	Fee
1	$55
2-3	$110
4-6	$220
7-10	$385
11-20	$605
21-30	$1,155
31-44	$1,705
45+	$2,475

The license fee for each amusement device operated by a coin of a value of less than five cents (5¢) shall be two dollars and fifty cents ($2.50) per annum. Said license fee shall be paid to the City Treasurer at the time of license. If the City Clerk is satisfied that the amusement device(s) should be entitled to be licensed, the Clerk shall issue a license for said device(s). The license shall be conspicuously displayed along with any other licenses issued to such registrant. The license application shall show the ownership of the device(s) for which license is sought. If the registrant does not own the device(s) so licensed, the owner of the device(s) shall permanently affix a tag or similar item showing the owner's name and address. Such license shall remain effective until the thirtieth (30th) of June following issuance at which time and on the first (1st) of July of each and every year thereafter. The license shall not be transferable. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of twenty-five percent (25%) of the license fee. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. (Am. by Ord. 9022, 12-11-86; Ord. 13, 601, 5-11-04; ORD-10-00038, 5-1-10)

(b) It shall be unlawful for any person, corporation or other legal entity to have on premises under possessory control any unlicensed amusement device available for play.

(Sec. 9.08(2) Am. by Ord. 7392, 4-20-81; ORD-06-00154, 11-23-06)

(3) Police Officer May Seize Any Gambling Device. Any police officer or special investigator of the City of Madison may seize or cause to be seized any gambling device, slot machine or any amusement device upon which there is not affixed a registration symbol as herein required, and deliver the same into the custody of the Chief of Police of the City of Madison. Unless the lawful owner thereof shall prove her/his title thereto and demand possession within thirty (30) days from the date such machine is seized, said device shall be destroyed on the written order of said Chief of Police. (Am. by ORD-14-00012, 1-14-14)

(4) Counterfeiting Registration Symbol Prohibited. Any person who shall counterfeit a registration symbol or who shall transfer such registration symbol from one amusement device to another, or who shall make any false statement in any application for a license or registration under this ordinance shall upon conviction be penalized in the manner and to

the extent as provided in subsection (5) hereof and upon conviction said person, firm or corporation shall be disqualified from registering any further amusement devices for the current year.

(5) Penalty. A violation of any of the provisions of this section shall be punishable by a fine of not less than twenty-five dollars ($25) nor more than two hundred dollars ($200).

9.09 CIGARETTE LICENSE.

(1) Definitions. For purposes of this section, the following definitions apply:

"Cigarette" has the meaning set forth in Wis. Stat. § 139.30.

"Person" means an individual, partnership, firm, company, limited liability company, corporation, whether tenant, owner, lessee, licensee, franchisee, or their agent, heir or assigns.

"Tobacco products" has the meaning set forth in Wis. Stat. § 139.75.

(2) It shall be unlawful for any person, in any manner, directly or indirectly, upon any pretense or by any device, to manufacture, to directly or indirectly sell, exchange, barter, dispose of or give away, or keep for sale any cigarettes or tobacco products in the City of Madison without first obtaining a license therefor, as hereinafter provided.

(3) License for the manufacture, sale, exchange, barter, disposition of or giving away or keeping for sale of cigarettes or tobacco products in the City of Madison shall be issued by the City Clerk. Every such license shall be issued on the first (1st) day of July in each year or thereafter whenever applied for and shall continue in force from date of issuance until the succeeding thirtieth (30th) day of June, unless sooner revoked for a violation of this section as herein provided.

(4) Every person desiring a license under this section shall file with the City Clerk a written application therefor stating the name of the person and the place for which such license is desired. Every license shall be signed by the City Clerk and shall name the licensee and the place wherein he or she is authorized to conduct such business and the same shall not be delivered until the applicant shall produce and file with such Clerk a receipt showing the payment of the license fee.

(5) Fee.

(a) Pursuant to Wis. Stat. § 134.65, the license fee shall be one hundred dollars ($100.00) payable to the City Treasurer.

(b) A nominal portion of the fee shall be used for the administration of the licensing process. The balance shall be used for the enforcement of the youth access to tobacco compliance check program, enforcement of this section, and education of licensees.

(c) Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of twenty-five percent (25%) of the license fee. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license. (Am. by Ord. 8846, 4-11-86; ORD-10-00038, 5-1-10)

(6) Any person violating any of the provisions of this section may be subject to a fine of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) for the first offense and not less than twenty-five dollars ($25) nor more than two hundred dollars ($200) for the second or subsequent offense; and each day when any cigarettes or tobacco products are manufactured, sold or disposed of within the City of Madison without a license having been issued therefor shall be a separate offense. (Am. by Ord. 4592, 5-28-74)

(Sec. 9.09 Am. by Ord. 12,289, 12-14-98)

(EDITOR'S NOTE: Pages 9-17 through 9-52 deleted due to repeal of Chapter 9 Sections by Ord. 8576, 5-6-85, and simultaneous creation of Chapter 38, Ord. 8575, 5-6-85)

9.12 VENDING OVERSIGHT COMMITTEE.

(1) Creation. The Common Council finds that it is in the public interest, effective May 31, 1998, that the Mall/Concourse Operating Committee, created by Substitute Resolution 44,669 adopted June 7, 1988, be dissolved. In place of the Mall/Concourse Operating Committee, there is hereby created for the City of Madison a Vending Oversight Committee ("VOC").

(2) Composition, Appointments and Terms. The Vending Oversight Committee shall consist of five (5) voting members, one (1) alternate voting member, and up to four (4) non-voting, technical advisors, as follows:

(a) Five (5) voting members and one (1) alternate. The voting membership shall include one (1) alderperson from a downtown district and one (1) from another part of the City, one (1) resident of the State Street or Capitol Concourse area eligible to vote in the City, two (2) residents, and (1) alternate. As of the effective date of this ordinance (ORD-07-00138) no person who currently holds a City of Madison vending license under Sec. 9.13 shall be appointed as a voting member of the VOC or any subcommittee of the VOC. (Am. by ORD-17-00030, 3-8-17)

(b) Not more than four (4) non-voting technical advisors, who shall be vendors holding a valid vending license under Sec. 9.13 from the City of Madison, or others with specialized knowledge or interest in street vending and the duties and responsibilities of the VOC. Technical advisors shall serve a regular term of appointment, may sit at the table and participate in discussion of all matters before the VOC (except a matter affecting that vendor's license under Sec. 9.13), but shall not vote on any matters. Technical advisors may be appointed to subcommittees but only in their non-voting, advisory capacity. If a technical advisor's vending license is suspended, revoked, non-renewed or other adverse action is taken against the license, s/he shall not sit at the table or participate in any discussions at the meeting(s) at which the license is scheduled for action, and s/he shall lose their VOC appointment and the position is deemed vacated as of the date of the VOC's decision taking action against the license. If no action is taken against the license, the vendor may remain in his/her position as technical advisor.

(c) The Greater State Street Business Association ("GSSBA") or successor organization may recommend a voting member or a non-voting technical advisor, subject to sub. (2)(d) below.

(d) Appointments of all members and non-voting technical advisors shall be made by the Mayor, subject to approval of the Common Council.

(e) Quorum. The quorum shall be determined according to Sec. 33.01(3)(c). Non-voting advisors shall not be counted for purposes of establishing a quorum.

(f) Appointment Terms. The full term for alderperson members shall be two (2) years. The full term for resident members and non-voting technical advisors shall be three (3) years. All vacancies shall be filled by the Mayor, subject to approval of the Common Council, for a term filling out the remainder of the vacated member's term. (Am. by ORD-17-00030, 3-8-17)

(3) Officers. The members of the VOC shall annually elect a chairperson and vice chairperson from among its voting membership at the Committee's first meeting in June. See Section 33.01(2) regarding eligibility of alderpersons as officers. The Director of Planning and Community and Economic Development or designee, a non-member, shall act as Executive Secretary to the VOC. The Executive Secretary shall prepare the agenda and minutes of the VOC's meetings and shall perform such other duties as the VOC shall direct. (Am. by Ord. 12,557, Adopted 3-21-00; Ord. 13,616, 5-21-04)

(4) Duties and Responsibilities.

(a) Administer Section 9.13, Madison General Ordinances, the regulations promulgated under Sec. 9.13 Madison General Ordinances, and any other regulations or procedures relating to vending within the City.

(b) Ensure a venue for public input into vending regulations within the City.

(c) Conduct investigations, hearings and miscellaneous proceedings as required by Section 9.13, Madison General Ordinances.

(d) Duties of Non-voting Technical Advisors. Participate in discussions and provide technical advice and input to the VOC, as described in sub. (2)(b).

(Am. by Ord. 12,557, Adopted 3-21-00)

(5) Rules of Procedure. The VOC shall adopt Rules of Procedure and Basic Policies which may from time to time be amended by the VOC. Such rules may include provision for delegation of the powers and responsibilities of the VOC to a Subcommittee or Subcommittees composed exclusively of VOC members.

(6) Compensation. Members of the VOC shall serve without compensation.

(Sec. 9.12 Cr. by Ord. 12,144, 6-1-98; Am. by ORD-07-00138, 10-18-07)

9.13 LICENSE FOR SELLING ON PUBLIC STREETS.

(1) Unless otherwise provided in a subsection of this ordinance, it shall be unlawful for any person to vend, sell or offer for sale or procure the sale of any services, goods, wares, tokens, or foodstuffs, or any other article of any kind by putting up a booth, preparing or setting up the vending cart, stand or equipment, preparing food, beverage or articles for sale, stopping a vehicle or person on foot, interacting with potential customers in or around the vending site, taking names for the purpose of making future sales, offering applications or other materials for future sales, or in any other manner participating in the vending operation or attempting to publicly sell or offer for sale any such articles or services upon any highway, street, alley, sidewalk, or public square, unless such person shall have first applied for and obtained the appropriate license(s) required by this Ordinance.

For purposes of this subsection and the licenses described under 9.13(3)(a), "vending" includes the activities described above and any other activity that furthers the vending operation at the vending site, whether or not the vending cart or stand is open for business. "Vending" does not include the act of delivering the cart, equipment, or necessary equipment and supplies to and from the vending site. However, unlicensed individuals shall not remain in or around a vending cart, stand or site for any length of time, whether open or closed for business, unless expressly permitted under another subsection of this Ordinance or unless they are customers waiting to be served. Subsections 9.13(6), (7), (10) and (11) set forth specific criteria for licensing and persons permitted at the vending site in specific vending areas. In case of a conflict between this subsection and subs. (6), (7), (10) and (11), subs. (6), (7), (10) and (11) shall control.

No license issued under this Ordinance shall be denied for reasons prohibited under Sec. 39.03(5) of the Madison General Ordinances.

(Am. by Ord. 12,009, Adopted 1-6-98; Am. by ORD-08-00130, 11-22-08; ORD-13-00126, 7-10-13; ORD-16-00019, 3-7-16)

(a) (Rep. by ORD-16-00019, 3-7-16).

(b) 1. Street Vending Near Parks, etc. Vending, as defined herein, upon any highway, street, alley, sidewalk, public square or pleasure drive located upon or adjacent to any park, playground, recreation area, bathing beach or athletic field owned or operated by the City of Madison are subject to further regulations set forth in Section 8.17 of the Madison General

Ordinances. No street vending license shall be issued for the locations defined above unless the applicant demonstrates compliance with the requirements of Sec. 8.17, MGO.

2. Street Vending on Certain Streets Near Schools Prohibited. Street vending is prohibited upon any highway, street, alley, sidewalk, pleasure drive, or portion thereof if the street is designated "arterial" or "collector" on the "Street Functional Class Map" maintained by the City Traffic Engineer, has a posted speed limit greater than 25 miles per hour, and is located directly adjacent to, or directly across the street, alley, highway or pleasure drive from any school property, unless approval to vend in that location is granted to the vendor under paragraph b. below.

   a. For purposes of this paragraph, "school property" includes all property owned or operated by a public school as defined in Wis. Stat. § 115.01(1) or owned or operated by a private school as defined in Wis. Stat. § 115.001(3r).

   b. Procedure for Approval to Vend Near Schools. A licensed vendor may apply to the Vending Oversight Committee (VOC) for permission to vend near a school where street vending is prohibited by this section, by submitting a written application designed for this purpose to the Vending Coordinator, who shall place the application on the agenda of the next available VOC meeting. Prior to hearing the application, the VOC shall require proof that the vendor has notified, in writing, the official in charge of the school in question, the alder of the district where the school is located, and the neighborhood association registered with the City (if any), of the vendor's intent to apply for such permission and the date, time and place of the VOC meeting where the application will be heard. The written notification must be sent via electronic email, faxed or postmarked at least seven (7) days before the date of the meeting and copies must be provide to the VOC. The vendor must appear in-person at the VOC meeting for the VOC to consider his/her application. The VOC shall approve or deny the application to vend near a school based upon objective criteria that takes into account the proposed location of vending equipment, the speed limit on the street in question, vehicular and pedestrian traffic flow and safety, proximity and effect on the surrounding residential neighborhood, and issues of student safety, and shall render a verbal decision at the meeting.

(Sec. 9.13(1)(b)2. Am. by ORD-09-00172, 12-31-09)

3. Street Vending Prohibited on Bicycle Paths, Bicycle Ways and Recreational Trails. Notwithstanding anything to the contrary in this ordinance, street vending is prohibited on any bicycle path, bicycle way or other recreational trail owned, operated or maintained by the City of Madison, whether paved or unpaved or any other surface. This prohibition applies to the entire width of any right-of-way or other property lines designated for or associated with the bicycle path, bicycle way, or other recreational trail. This prohibition does not apply to vending sites in the Camp Randall High Density Vending Area that have been approved under procedures required elsewhere in this ordinance and in accordance with any agreement(s) regarding the maintenance or use of the Southwest Commuter Bike Path to which the City is a party. (Cr. by ORD-11-00167, 12-6-11)

4. Temporary Prohibition of Basic Street Vending for Conventions. The Common Council finds that it is in the interest of the City to encourage the

integrity, comprehensiveness and success of certain conventions and events taking place at Dane County's Alliant Energy Center campus or other government-operated convention centers located in or adjacent to the City of Madison. Therefore, the Common Council may by resolution, after referral to the Vending Oversight Committee, declare up to fifteen (15) days during any calendar year during which street vending will be prohibited at particular locations throughout the City that have been identified as major entry ways to the City and/or adjacent to the Dane County Alliant Energy Center campus or other location(s) where a business convention or similar event is taking place. Any such resolution shall include the date(s) and time(s) of the prohibition, geographic boundaries and a map or diagram of the temporary prohibition zone and a finding by the Common Council that the prohibition is necessary to ensure the success and integrity of the event. This procedure may not be used to prohibit vending in the State Street Mall/Capitol Concourse, High Density Vending, Southeast Campus Vending, UW Football Game Day Vending or Late Night Vending areas or to prohibit vending in an area where a Street Use Permit has already been approved under Sec. 10.056.

a. Notice Procedure for Temporary Basic Street Vending Prohibition. The organization or individual requesting a temporary vending prohibition under this section shall provide written notice of the date, time and place of the Vending Oversight Committee and Common Council meetings where such resolution will be considered to: The Street Vending Coordinator; Director of Planning and Community and Economic Development; the Superintendent of Parks; and all persons holding a Basic Street Vending License on file with the Department of Planning and Community and Economic Development and City Clerk. The written notice shall be provided not less than seven (7) business days prior to the meeting. To be effective such a resolution must be adopted not less than four (4) weeks prior to the start date of the temporary prohibition and published by the City Clerk in the same manner as is provided for the adoption of an ordinance. The publication notice shall include a diagram of the temporary prohibition zone.

b. Violation. No person shall conduct any vending activities, as defined in Sec. 9.13(1), within a location and during a time when street vending has been temporarily prohibited under this section.

(Sec. 9.13(1)(b)4. Cr. by ORD-11-00167, 12-6-11)

(Sec. 9.13(1)(b) Am. by ORD-09-00150, 11-2-09)

(c) (Rep. by ORD-16-00019, 3-7-16).

(d) All Basic Street Vendor licenses shall contain the following language on the face of the license: "NOTE: Additional licenses are required to vend in these areas: State Street Mall/Capitol Concourse, Langdon Street and Camp Randall high density areas, Southeast Campus area, Late Night Vending, and certain streets over 25 mph adjacent to a school. Vending may be limited to certain sites in the UW Game Day Vending area. Vending in a City Park or on a street, sidewalk or pleasure drive adjacent to any park, playground, recreation area, beach or athletic field requires an additional license from the Parks Division under Sec. 8.17, MGO. Street vending is prohibited on a bike path, bicycle way or recreational trail. Street vending may be prohibited near convention centers, by Resolution. See Sec. 9.13, MGO for details." (Am. by Ord. 12,009, Adopted 1-6-98; Am. by ORD-16-00019, 3-7-16)

(e) Any license issued under this chapter and any vending site assignment made under this chapter or under regulations adopted pursuant to it shall be nontransferable. (Cr. by Ord. 12,009, Adopted 1-6-98)

(Am. by ORD-09-00066, 4-2-09)

(2) Special Event Umbrella License.

(a) Requirement. Special Event sponsors shall purchase an umbrella Special Event Vending License to cover the street vending activities of all persons vending solely as a participant in a street use permitted event under Sec. 10.056, MGO, or a city-sponsored event. The Special Event Vending License is required for any event participant conducting activities for which a license would be required by Sec. 9.13 or an "E Permit" would be required by Sec. 9.54, except currently-licensed street vendors or Sec. 9.54 permit holders that the sponsor has allowed to remain in their assigned site within the event perimeter. The event sponsor need not include the following participants on the Special Event Vending License: licensed street vendors, sidewalk cafes and merchant vendors with assigned sites within the event perimeter (if not invalidated under Sec. 9.13(6)(k)1.b.), T and E permit holders under Sec. 9.54 with assigned sites within the perimeter (if not invalidated under Sec. 9.13(6)(k)1.b.) and authorized event participants using a table to distribute information but not making any sales whether or not that person holds a T permit. Participants covered by the Special Event Vending License are subject to any alternate vending rules established pursuant to Sec. 9.13(6)(k)1.c.

(b) Application. Application for a Special Event Vending License shall be filed with the Parks Division on a form designed for that purpose. The application shall include information about the event and event sponsor, a list of all participants required by sub. (a), proof that each participant holds of a State of Wisconsin seller's permit (if required) as evidenced by the seller's permit number or a statement from the State of Wisconsin Department of Revenue that a seller's permit will be issued, and proof that the event sponsor holds adequate liability insurance as required in Sec. 9.13(6)(m).

(c) Licenses and Fees. Special Event Vending Licenses shall be issued in the name of the event sponsor, who shall be responsible for the conduct and supervision of all vending activities under the Special Event Vending License, whether or not said event sponsor is present at the vending location, however this does not preclude enforcement of ordinance violations against persons conducting the vending activities under such license. Activities conducted under the Special Event Vending License are subject to any special rules established under Sec. 9.13(6)(k). The license shall make reference to the approved Street Use Permit and shall set forth the start and end times and date(s) of the event, the location and perimeter of the event, including vending locations (if specified), and shall be valid only during the date(s) and at the location(s) specified. The Special Event Vending License fee is based on the number of vendors participating in the event who are required to be listed by sub. (a), and covers all such street vending activities for the duration of the event. Fees for a Special Event Vending License approved by the Parks Division are payable to the City Treasurer as follows:

1-25 vendors	$400
26-100 vendors	$675
101-300 vendors	$975
301 or more vendors	$1700
City-sponsored event	(No fee if entirely sponsored by the City)

(Am. by Ord. 10,552, Adopted 11-24-92; Ord. 12,793, 4-9-01; Ord. 13,272, 3-11-03; Ord. 13,615, 5-21-04; ORD-09-00171, 12-31-09; ORD-11-00076, 5-31-11; ORD-12-00043, 4-19-12; ORD-13-00067, 4-24-13; ORD-14-00050, 3-6-14)

(3) Application for any street vending license (except the Special Event vending license) shall be filed with the Director of Planning and Community and Economic Development or designee, shall contain such information as she/he may require, shall specify in detail the food, goods or services to be offered for sale, shall be approved and issued by her/him if all applicable ordinance and regulation requirements have been met conspicuously displayed at the place where such sales are being made. In addition to the Licenses in this section, special licenses and/or site assignments are required for vending in the Mall/Concourse Vending Area, under Sec. 9.13(6), Late Night Vending under Sec. 9.13(6)(n), High Density Vending Areas under Sec. 9.13(7), Southeast Campus Vending Area under Sec. 9.13(10), and UW Football Game Day Vending Area under Sec. 9.13(11). Street vending licenses are not transferable. (Am. by ORD-15-00091, 9-11-15; ORD-16-00019, 3-7-16)

(a) Basic Street Vendor License Fees and Durations:

1. Basic Street Vendor License (Annual). Two hundred dollars ($200) payable to the City Treasurer. Annual licenses shall be issued on the fifteenth (15th) day of April each year, or thereafter when applied for, and shall expire on the fourteenth (14th) day of April following its issuance.
2. Basic Street Vendor License (Monthly). One hundred ($100) payable to the City Treasurer. Such license shall be issued for thirty (30) days and shall set forth the date of expiration.

(Am. by Ord. 13,506, 2-10-04; Ord. 13,615, 5-21-04; ORD-06-00154, 11-23-06; ORD-16-00020, 3-7-16)

3. Basic Street Vendor Community Service Rebate. Certain vendors may qualify for a community service credit toward future street vending license fees as follows:
   a. For every five (5) hours a mobile grocery store as defined in Sec. 9.13(4)(s) is in operation within an NRT (Neighborhood Resource Team) target neighborhood during the calendar year, the vendor is eligible for a ten percent (10%) rebate of fees paid for Basic Street Vendor license(s) purchased for the mobile grocery for the vending season that began in that calendar year, up to a total of one hundred dollars ($100) per Basic license or fifty percent (50%) of the total vending license fees, whichever is greater. The rebate(s) earned will be applied toward the next street vending license(s) purchased by that vendor.
   b. Eligible Neighborhoods. An NRT target neighborhood, for purposes of this vending license rebate only, is a neighborhood within a geographical area identified as a focus area on a map maintained by the City for that purpose, and subject to the approval of the Mayor, except that downtown NRT target neighborhoods are not eligible.
   c. Rebate Procedure. Eligible vendors may request the license fee rebate by recording the date(s) and hours of operation in an NRT target neighborhood on a form provided by the Street Vending Coordinator. A single form recording all hours for the calendar year, approved by an NGT (Neighborhood Guidance Team) leader of the applicable neighborhood and signed by the vendor, must be filed with the Street Vending Coordinator not later than December 1 of the calendar year for which the rebate is requested. The Vending Coordinator shall apply the rebate as a credit toward future street vending license(s) purchased by the same vendor. The

rebate is not transferrable to other vendors. Subject to approval by the Finance Director, the license fee credit shall have no expiration. A vendor may request a refund rather than a credit if the vendor can demonstrate circumstances that satisfy the Street Vending Coordinator and the Mayor that s/he will not be operating as a street vendor in the next vending season and a refund is appropriate. The rebate and refund procedures, including the December 1 request deadline, are subject to approval of the Finance Director.

(Sec. 9.13(3)(a)3. Cr. by ORD-13-00125, 7-10-13)

4. Umbrella Basic License (Mall/Concourse Food Vendors only). Six hundred dollars ($600) for an annual license, payable to the City Treasurer, issued on April 15 or thereafter when applied for, and expiring on April 14 following its issuance. This license is available to a licensed Mall/ Concourse Food Vendor to provide the basic licensing necessary for any supplemental vendors working in the Food Vendor's vending site, per Sec. 9.13(6)(e)1.c. The Food Vendor shall provide the Street Vending Coordinator, in writing, the name, date of birth and address of each worker listed on the Umbrella Basic License, and any workers added to or deleted to the license during the licensing period, within fourteen (14) days of the change. (Cr. by ORD-16-00019, 3-7-16)

(b) Insurance. In addition, to hold a valid license, the vendor shall have in force adequate liability insurance as defined in Sec. 9.13(6)(m) of these ordinances.

(Am. by Ord. 12,793, 4-9-01)

(c) Change of Address. A vendor to whom a street vending license has been issued under this subsection shall inform the designee of the Director of the Department of Planning and Community and Economic Development of any change of address of the primary vendor named on the street vending license, in writing, if the address change occurs during the time period for which the vending license was issued. (Cr. by Ord. 13,046, 4-9-02)

(d) Food Vendor Community Service License Rebate. With the approval of the Mayor, the City may offer a license fee rebate to licensed food vendors who participate in City-sponsored neighborhood events in an NRT target neighborhood, as defined in Sec. 9.13(3)(a)3.b. Participating vendors may be eligible for a rebate of fees paid for street vending license(s) held by the food vendor based on their participation in one event or a series of events. Any rebate(s) earned will be applied toward future street vending license(s) purchased by that vendor, using the rebate procedure in Sec. 9.13(3)(a)3.c. Rebate criteria will be established by the Mayor and made available to participating vendors. (Cr. by ORD-13-00125, 7-10-13)

(Sec. 9.13(3) Am. by Ord. 12,009, Adopted 1-6-98; Ord. 12,022, 2-16-98; Ord. 12,358, 3-30-99; ORD-09-00066, 4-2-09; ORD-09-00171, 12-31-09)

(4) General Restrictions on Vending. The Director of Planning and Community and Economic Development, or designee, shall have concurrent authority with the Chief of Police, or designee, to enforce the following city-wide restrictions on street vending. Any vending conducted pursuant to Sec. 9.13 of the Madison General Ordinances shall be subject to the following, unless a different standard is established herein for vending in specified areas:

(a) No vending equipment shall be permitted within a ten (10) foot radius of a fire hydrant nor within a five (5) foot radius of a standpipe.

(b) No vending or display shall be permitted within five (5) feet of the sides of bus shelters or bus stops nor in a manner which interferes with the use of the bus stop or with ingress or egress to the bus shelters.

(c) Unless otherwise authorized within Sec. 9.13, regulations established pursuant to Sec. 9.13 or Sec. 10.056 of the Madison General Ordinances, no vending equipment shall be permitted within ten (10) feet of a curbcut or a marked crosswalk, except that vending equipment of a licensed Mall/Concourse vendor shall be permitted, within two (2) feet of a marked crosswalk in a properly designated vending site or sidewalk cafe site, if consistent with public safety as determined by Traffic Engineering. (Am. by Ord. 12,419, 7-23-99; Ord. 12,557, Adopted 3-21-00)

(d) All street vending equipment and displays shall be placed only upon paved surfaces, except for specifically assigned vending sites in the Camp Randall High Density Vending Area under Sec. 9.13(7), and in otherwise lawful locations for Basic Street Vending on Regent Street from West Washington Avenue to Breese Terrace, and equipment adjacent to a mobile grocery store, as defined in Sec. 28.211, if the mobile grocery store is owned and operated by a non-profit entity and operating as a street vendor with a Basic Street Vendor license from a lawful parking space on the street. For purposes of this paragraph, a paved surface includes concrete, asphalt, cement, brick, pavers, or other impervious surface. (Am. by ORD-11-00036, 3-8-11; ORD-12-00081, 6-20-12; Am. by ORD-12-000134, 1-2-13)

(e) Pedestrian Sidewalk Access.

1. All vending activities shall be conducted so as to maintain a minimum width of six (6) feet of unobstructed public pedestrian walkway adjacent to the vending site.

2. Except as otherwise permitted in Sec. 9.13 or Sec. 10.056 of the Madison General Ordinances or in regulations adopted pursuant to authority granted thereunder, no vending equipment, including sidewalk café or merchant vending equipment, may be placed on any portion of a public sidewalk between the edge of the sidewalk closest to the property line if clearly defined or, if not so defined, the face of the abutting building or structure, and an imaginary line six (6) feet therefrom. "Sidewalk" has the meaning given in Wis. Stat. § 340.01(58). This section shall not apply to sidewalk cafes under Sec. 9.13(6)(j)2.e. (Am. by Ord. 12,793, 4-9-01; ORD-05-00135, 8-5-05)

(Am. by ORD-11-00036, 3-8-11)

(f) No vending equipment or vending activities shall be permitted adjacent to any truck, freight or passenger loading zone or adjacent to any parking space for people with disabilities or loading zone. (Am. by ORD-06-00099, 8-2-06)

(g) No vending equipment shall be permitted within two (2) feet of the adjacent street curb or within two and one-half (2½) feet of a parking meter.

(h) No vendor shall be permitted to use any of the amenities, such as benches, flower planters, trees, bus shelters, kiosks, light poles or any other utility poles for display of merchandise or to attach any ropes or other vending equipment to any of the aforementioned.

(i) Vending equipment and displays, including signage, shall be directed away from the street. In addition, merchandise shall be displayed in a manner in which attention to it is not focused from the street and which does not require or encourage prospective buyers to enter or walk upon the street in order to examine it.

(j) Appearance of Vending Site and Equipment. Vendors must maintain their vending site areas and vending equipment in a clean and hazard-free condition.

1. Vending Site Perimeter. For purposes of this requirement, the maximum size of the "vending site" shall be the actual dimensions of an assigned site,

or a perimeter of not more than ten by twelve feet (10' x 12') around the vendor if vending in an area where an assigned site is not required, except the following are not subject to this vending site size restriction:

a. Mobile Grocery Stores. A mobile grocery store, as defined in Sec. 28.211, if owned and operated by a non-profit entity and operating as a street vendor with a Basic Street Vendor license. The vending site size for a mobile grocery store shall be determined by the size of the mobile grocery store vehicle.

b. Ice Cream Trucks. A street vendor selling ice cream, ices, and/or frozen confections from a license motor vehicle, if meeting all licensing requirements of Public Health Madison and Dane County and holding a Basic Street Vending License. The vending site size shall be determined by the size of motor vehicle.

(Am. by ORD-12-00081, 6-20-12; Am. by ORD-12-00134, 1-2-13)

2. Equipment. All equipment present at the vending site shall be completely contained within the perimeter of the vending site and no equipment shall extend or be placed outside this perimeter, except as may be allowed elsewhere in this ordinance or the Regulations, and except that a mobile grocery store, defined in Sec. 28.211 and owned and operated by a non-profit entity, when operating with a Basic Street Vendor license, may use stairs or similar equipment necessary to facilitate customers access to and from the mobile grocery store. Equipment placement is further restricted by other provisions in 9.13(4).

Unless otherwise specified, each vendor vending from an enclosed cart or push cart may only use the vending cart, one (1) chair, and one (1) trash receptacle. Vendors vending from an enclosed cart or push cart are limited to the equipment listed above and may not use any additional freestanding equipment, however umbrellas or awnings securely attached to the cart may be used. If using vending apparatus other than a cart, a mobile grocery or an ice cream truck, one (1) freestanding tent or similar structure may be used but must maintain a minimum vertical clearance of seven (7) feet measured from ground level to the lowest point of the tent or other structure and a maximum height of eleven (11) feet at the highest point. Any freestanding structures of any kind shall be sufficiently wind-resistant and securely anchored. No part of any equipment, whether attached or detached, shall protrude beyond the perimeter of the vending site (as defined herein.)

(Am. by ORD-12-00081, 6-20-12)

3. Equipment Appearance. All equipment used at the vending site shall be in a clean, sanitary, hazard-free condition and maintained in a presentable appearance and in good repair, without noticeable holes or other structural defects. Visible exterior surfaces of all equipment shall be maintained so as to prevent chipping, cracking or other deterioration of the paint or exterior surface.

(Am. by ORD-15-00119, 10-28-15)

(k) A vendor shall be present within the vending site at all times during which items are displayed or sold, except that a vendor may leave his or her vending site unattended during lawful vending hours for a maximum of ninety (90) minutes. (Am. by ORD-11-00093, 7-13-11)

(l) No vending equipment or merchandise may be stored on any street, sidewalk or alley or public square when the vendor is not present unless a different restriction

is established pursuant to a street use permit issued under Sec. 10.056 of these ordinances or pursuant to regulations adopted under this chapter, and except as set forth in Sec. 9.13(4)(k). (Am. by ORD-11-00093, 7-13-11)

(m) All vending equipment, including carts, tables, apparatus and merchandise shall be removed from the streets, sidewalks, terrace area or other vending location during times when vending is prohibited, unless a different restriction is established pursuant to a street use permit issued under Sec. 10.056 of these ordinances, pursuant to regulations adopted under this chapter, and except as specified for Mall/Concourse sidewalk cafes in Sec. 9.13(6)(l)1.d. and city-wide sidewalk cafes in Sec. 9.13(5)(h). (Am. by ORD-13-00100, 6-12-13)

(n) It shall be unlawful for any person, after having been warned that such activity is prohibited, to engage in any vending or solicitation whether for charitable or commercial purposes in the sidewalk area between the imaginary line connecting the sparkle light poles and the face of the adjacent building of any sidewalks on State Street and of the outside sidewalks on the Capitol Square, unless such activity has been approved as part of a Street Use Permit issued under Sec. 10.056 or is otherwise authorized pursuant to Sec. 9.13(6) as it relates to vending from a vending site.

(o) No display shall violate any terms of any agreement(s) between the City of Madison and the Federal Transit Administration or other agency(ies)of the U.S. government for funding the reconstruction or maintenance of State Street and the Capitol Square.

(p) It is unlawful for any vendor licensed under Sec. 9.13 to permit any other person to vend at that vendor's vending site, unless that person is properly licensed or otherwise authorized under Sec. 9.13 to vend from that vendor's site. (Am. by Ord. 12,793, 4-9-01)

(q) The Madison Police Department and the Director of Planning and Community and Economic Development shall have concurrent authority to remove or cause the removal of any vending equipment or merchandise found on the street, sidewalk, terrace or other vending location in violation of Sec. 9.13 or Sec. 10.056 of the Madison General Ordinances or any regulations established pursuant thereto. In addition to any forfeiture, the violator shall be liable for any removal, towing and storage charges incurred by either department.

(r) Vending Hours Restricted in Residential Areas. Street vending shall be prohibited between the hours of 9:00 p.m. and 6:00 a.m. on any street or sidewalk located within any residentially zoned district listed under Sec. 28.021(1) and as indicated on official Zoning District Maps on file in the office of the City Zoning Administrator, except for city-wide sidewalk cafes which are subject to Sec. 9.13(5)(h). (Am. by ORD-12-00134, 1-2-13; ORD-13-00100, 6-12-13)

(s) Non-Mall/Concourse Food Vending, Equipment Size, Safety Requirements.

1. Applicability. This subsection (4)(s) applies to vendors selling food in areas other than the Mall/Concourse and High Density Vending areas, except ice cream truck vendors as described in Sec. 9.13(4)(j)1.b. All food vendors are subject to inspection, regulation and licensing according to state and local health code requirements for food and drink service. When used in this sub. (4)(s), "mobile grocery store" shall mean a mobile grocery store as defined in Sec. 28.211, owned and operated by a non-profit entity, operating with a Basic Street Vendor license.

2. Equipment Size in Food Vending Sites.

a. All food vending carts, stands or other allowable food vending equipment, including those of Late Night food vendors, shall be of a size that fits entirely within the dimensions of the "vending site" perimeter as required by 9.13(4)(j)1. Unless otherwise specified,

each food vendor vending from an enclosed cart or push cart may only use the vending cart, one (1) chair, and one (1) trash receptacle. All food vendors shall provide a trash receptacle of at least 10 (ten) gallons within their vending site for customer use. Mobile grocery stores are exempt from this provision.

3. Equipment Placement and Appearance. See 9.13(4)(j) and other applicable provisions of 9.13(4).

4. Additional Regulations Applicable to Citywide Food Vendors. In addition to the other provisions of 9.13(4), the following parts of the Regulations Governing Vending on the State Street Mall/Capitol Concourse shall apply to all street vendors selling food, City-wide, except these regulations do not apply to food vendors in High Density Vending areas (see 9.13(7) and Regulations therein) or to ice cream trucks as described in Sec. 9.13(4)(j)1.b.:

   a. Section VI, "Regulation of Vending Site Cleanliness and Safety."
   b. Section VII, "Non-Cart Food Vendor Physical Specifications." Mobile grocery stores are exempt from this provision.
   c. The following paragraphs only of Section VIII, "Regulation of Food and Non-Food Vending Carts:" Paragraph B. (Physical Specifications) 4. and 5. only, except mobile grocery stores are exempt from all of Sec. VIII, Paragraph B., Paragraph C., (Electricity) and Paragraph E. (Fire Extinguishers).
   d. Section IX, "Miscellaneous Regulations," Paragraph A. (Restrictions on Mobility), (except mobile grocery stores), Paragraph B. (Removal of Carts and Equipment), except mobile grocery stores are exempt from Paragraphs B.1. and 2., and Paragraph C. (Restrictions on Food Preparation), except mobile grocery stores are exempt from Paragraphs C.2. and 3.

(Am. by ORD-09-00066, 4-2-09, ORD-10-00013, 2-4-10; ORD-12-00081, 6-20-12; ORD-12-00081, 6-20-12)

(Sec. 9.13(4)(s) Am. by ORD-15-00119, 10-28-15)

(t) Changes to Assigned Vending Site Dimensions. The approved dimensions of any assigned street vending site are not guaranteed to remain available. Public construction, street improvements or redesign may result in a vending site being moved, reduced in size or eliminated at any time. All vending site dimensions are subject to change if the City makes changes to the construction of the sidewalk and/or streetscape that affect the vending site, including but not limited to the addition or removal of planters, trees, benches, bike racks, bus shelters, sculptures, or any other public amenity. (Cr. by ORD-06-00060, 5-2-06; Am. by ORD-09-00066, 4-2-09; Rep. & Recr. by ORD-10-00013, 2-4-10)

(u) Reserved for Future Use. (Rep. by ORD-10-00013, 2-4-10)

(v) Noise Levels at Vending Site. Noise levels emanating from the vending site shall be kept to a minimum, shall not be directed toward the street or sidewalk, and shall be reasonable so as not to disturb the peace and quiet of those in the vicinity, including but not limited to residents, merchants, and customers. No sound amplification shall be permitted at a non-cart vending stand. Vendors utilizing an enclosed vending cart may use amplification inside an enclosed vending cart only, and any music or other audio shall be kept to a volume such that it cannot be heard outside of the cart beyond the first customer in line at the window or service area.

No audio or video equipment, such as speakers and video display monitors, shall be permitted at a non-cart vending stand, nor affixed to or used outside a vending cart. This ordinance shall apply in addition to the general restrictions regarding noise and amplification found in Chapter 24 of the Madison

General Ordinances. Vendors shall be subject to all applicable City ordinances regarding noise and amplification and this ordinance shall not be interpreted to expand or contradict those other ordinances. In the event of a conflict, the more strict regulation or ordinance shall apply. (Cr. by ORD-09-00037, 3-14-09)

(Sec. 9.13(4) Am. by Ord. 12,009, Adopted 1-6-98; Ord. 12,557, Adopted 3-21-00; ORD-05-00018, 02-15-05)

(5) Citywide (Non-Mall/Concourse) Sidewalk Cafe Licenses. Establishments holding a food and drink permit, and located anywhere in the City but the State Street Mall/Capitol Concourse (as defined in 9.13(6)(c)), may be eligible for a Citywide Sidewalk Cafe License, to allow sidewalk café seating for service of food and beverages on the public sidewalk directly adjacent to the establishment. Citywide Sidewalk Cafés shall be located against the building except as allowed under sub. (e).

(a) Eligibility. An establishment holding a food and drink permit is eligible for a citywide sidewalk café only if it meets all of the following eligibility criteria:

1. The entire sidewalk surface for the proposed sidewalk café must be paved. For purposes of this section, a paved surface includes concrete, asphalt, cement, brick, pavers, or other impervious surface. Paved areas of the establishment's private property may be included within the boundary of the proposed café, if immediately adjacent to the paved public sidewalk.

2. The paved portion of the adjacent public sidewalk must be at least nine (9) feet wide;

3. An establishment is not eligible if sidewalk café placement would result in a violation of Sec. 9.13(4)(d) (requiring a minimum of a six (6)-foot wide unobstructed public pedestrian walkway on the public sidewalk adjacent to all vending sites).

4. An establishment is not eligible if, in the opinion of the Vending Coordinator, immovable, obtrusive or too numerous public amenities on the adjacent sidewalk make café placement impractical, or when existing amenities would create obstacles to accessibility if a sidewalk café were added to that location.

5. An establishment is not eligible if, in the opinion of the Vending Coordinator, the grade or slope of the adjacent public sidewalk is prohibitive, if the sidewalk does not offer a sufficiently level surface for food and drink service, or if café placement would present a safety hazard due to any other elements of the topography or layout of the sidewalk, regardless of the width or square footage of the adjacent public sidewalk.

(b) Application. Establishments holding a food and drink permit, and meeting the eligibility criteria in sub. (a), may apply for a Citywide Sidewalk Cafe License. The Vending Coordinator or designee shall inspect the proposed café location for compliance with sub. (a) and to make placement suggestions upon receipt of application, or prior to submission, if requested by the applicant. The application procedure for a Citywide sidewalk café shall be the same as for Sidewalk Cafes on the Mall/Concourse, under 9.13(6)(i).

(c) License Fees. The annual license fee for a Citywide Sidewalk Café vendor license shall be three dollars ($3.00) per square foot of the café's approved dimensions, as measured by the Vending Coordinator. The square footage of any tree grate or other obstruction that is considered unusable in the opinion of the Vending Coordinator shall be subtracted from the total square footage of the café for fee purposes. The information required to be displayed on the license shall be the same as for a Sidewalk Café on the Mall/Concourse, under 9.13(6)(h) Annual licenses

shall be issued on the fifteenth (15th) day of April each year or thereafter when applied for and shall expire on the fourteenth (14th) day of April of the year following its issuance. The license fee shall be paid to the City Treasurer.
(Am. by ORD-15-00120, 10-28-15)

(d) Café Placement and Dimensions. Sidewalk cafes permitted under this section shall be located next to the building, except as allowed in sub. (e). All sidewalk cafes shall be placed within the approved boundaries of the sidewalk cafe site as set forth on the approved application. All components of the sidewalk café shall be placed in compliance with sub. (a), "Eligibility," and the following criteria:

1. Sidewalk cafes shall be placed against the building.
2. Sidewalk cafes shall extend no further than the side property lines of the establishment's street frontage.
3. No sidewalk cafe may obstruct the minimum of six feet (6') unobstructed public pedestrian walkway required to be maintained on the adjacent public sidewalk. This 6' walkway shall be measured from the outside of the café enclosure to the:

   - curb edge,
   - roadside edge of sidewalk if there is an unpaved terrace,
   - edge of the roadway if there is no curb, or
   - the near edge of any curbside public amenities such as parking meters, trees, or light posts located adjacent to the proposed café and shall be otherwise free from obstructions and public amenities. The points of measurement shall be determined by the Vending Coordinator, according to these standards.

4. Café Width. The maximum café width shall be determined by the width of the adjacent public sidewalk, according to Table 1. below. Sidewalk width shall be measured from the building face to the edge of the curb (or roadside edge of the sidewalk if there is an unpaved terrace)
5. Café Furniture. Maximum table size and furniture configuration shall be as required by Table 1. below.

TABLE 1:

Sidewalk Width	Maximum Café Width	Maximum Table Size & Configuration
less than 9'	café not permitted	n/a
9' - 10'11"	3' café	24" in diameter, single file row
11' - 15'	5' café	(see Regulations Governing Vending on Mall/Concourse)
15' or more	5' or wider, at discretion of the Vending Coordinator	(see Regulations)

6. shall be enclosed on all sides (the building face may serve as one side of the enclosure), following the sidewalk café enclosure requirements of the Regulations Governing Vending on the State Street Mall/Capitol Concourse.
7. shall have at least one (1) unobstructed entrance of at least three feet (3') and not more than six feet (6') in width, the position of which allows sufficient access to the public entrance to/egress from the restaurant. (Am. by ORD-12-00088, 6-26-12)
8. shall not be placed on any grass, lawn or other non-paved areas of the right-of-way.

9. shall comply with all other applicable requirements of this ordinance. In the event of a conflict with another section, the more strict requirement shall control.

(e) Alternate Placement. Case-by-Case Determination: The Vending Coordinator may, on a case-by-case basis and at his/her discretion, allow variances to Sections 9.13(5)(d) 1., 4., 5., and 6. and approve a sidewalk café accordingly, after inspection of the site, if in the opinion of the Vending Coordinator such a variance is necessary in order to permit a sidewalk café for an otherwise eligible establishment.

(f) Other Regulations. Citywide sidewalk cafes shall be subject to Sec. 9.13(4), "General Restrictions on Vending," all sections of 9.13 that apply to sidewalk cafes on the Mall/Concourse, and the "Regulations Governing Vending on the State Street Mall/Capitol Concourse," except when explicitly otherwise stated. In the event of a conflict in language which cannot be resolved by the express language of the sections in question, the more strict requirement shall apply.

(g) Appeals. A decision to grant or deny a citywide sidewalk café license under this section may be appealed under the procedures set forth in Sec. 9.13(6)(i)2.

(h) Hours of Operation, Alcohol Service. Citywide sidewalk cafes shall operate only when the establishment is open for business, and are exempt from any earlier closing time for street vending in the area where the establishment is located. If the establishment holds an alcohol beverage license, alcohol service shall stop and all containers of alcohol beverages shall be off the tables and removed from the café by 1:00 a.m. unless an earlier closing time has been required on the establishment's alcohol beverage license. (Cr. by ORD-13-00100, 6-12-13)

(Subsec. (5) R./ReCr. by Ord. 12,009, Adopted 1-6-98; Am. by ORD-07-00101, 8-23-07)

(6) Regulations and Procedures for Vending on the State Street Mall/Capitol Concourse.

(a) Scope and Definition of Mall/Concourse: The physical design of the State Street Mall/Capitol Concourse Improvement District as defined by Resolution No. 25,620, adopted by the Common Council on November 13, 1973; Resolution No. 33,431, adopted by the Common Council on September 12, 1978; and by Resolution No. 35,194, adopted by the Common Council on December 11, 1979, is suited to street selling of handcrafted goods, personally prepared food and limited goods by contiguously-located, street-level or corresponding non-street level merchants and sidewalk cafes subject to such regulations as necessary to maintain the orderly use of the public streets and to protect the public health. The Mall/Concourse is defined to include the 100 through 800 blocks of the State Street Mall and the Capitol Concourse consisting of the first blocks of North and South Carroll Streets, the first blocks of East and West Main Streets, the first blocks of North and South Pinckney Streets and the first blocks of East and West Mifflin Streets as well as the additional areas included in the State Street Mall/Capitol Concourse Improvement District, Elizabeth Link Peace Park and the Municipal Building Vending Area. (Am. by ORD-07-00193, 12-20-07)

(b) Limitation on Products to be Sold Within the Mall/Concourse. Only handcrafted goods and personally prepared food as defined in Section 9.13(6)(e)3. and 7. of the Madison General Ordinances and in any regulations approved by the Common Council pursuant to Sec. 9.13(6)(c) of the Madison General Ordinances may be sold or offered for sale by within the Mall/Concourse Area and all such sales shall be limited to designated vending sites, except that non-personally prepared food may be sold in sidewalk cafes. Only goods traditionally, customarily and currently sold inside a merchant's store may be sold by a merchant vendor and only during normal business hours and on days designated in this chapter. (Am. by Ord. 12,793, 4-9-01)

(c) Regulating Authority and Intent.

1. The Vending Oversight Committee (VOC) is empowered to create additional regulations not inconsistent with the provisions of Sec. 9.13 or these Ordinances and subject to approval by the Common Council. The VOC shall submit proposed regulations to the Common Council by formal resolution or report. Any such regulations shall be effective upon adoption of the sponsoring resolution or report, and a copy of any adopted regulations shall be maintained on file at the offices of the City Clerk and the Department of Planning and Community and Economic Development. The VOC may regulate the following:

   a. The number, size and location of vending sites and sidewalk cafes, except that all site locations within the State Street Mall/Capitol Concourse area shall also be approved by the Superintendent of Parks, or designee.

   b. The procedure governing allocation or assignment of vending sites among vendors holding valid vending licenses.

   c. The procedure governing application for and granting of Mall/ Concourse vending licenses.

   d. The procedure governing revocation or suspension of Mall/ Concourse vending licenses.

   e. Physical specifications for and aesthetics of vending carts, sidewalk cafes, signage and equipment.

   f. The regulations, criteria and procedure for determining whether an item to be sold by a vendor is a handcrafted good or personally prepared food. This includes but is not limited to criteria which are specific to individual crafts.

   g. Special standards for merchant vending including, but not limited to, time, location, site and equipment specifications and restrictions.

   h. The procedure and criteria for determining whether an item to be sold by a merchant is traditionally, customarily and currently sold inside the merchant's store.

   i. Any other matters regarding vending on the Mall/Concourse or in High Density Vending Districts.

(Am. by Ord. 12,419, 7-23-99; Ord. 12,557, Adopted 3-21-00)

2. The Common Council may at any time by ordinance or resolution adopt rules and regulations governing vending on the Mall/Concourse.

(d) Events Programming and Enforcement. The Superintendent of Parks or designee may initiate and shall coordinate the programming of all events on the State Street Mall/Capitol Concourse. The Director of Planning and Community and Economic Development, or designee, shall apply and enforce the provisions of Sec. 9.13 and any regulations adopted pursuant to the procedures set forth in Sec. 9.13. (Am. by Ord. 12,419, 7-23-99; Ord. 12,557, Adopted 3-21-00)

(e) Definitions.

1. Art and Crafts or Food Vendor. To be eligible for a license for the sale of handcrafted goods or personally prepared food a vendor must be:

   a. Arts and Crafts Vendor. An Arts and Crafts Vendor is defined as one (1) or two (2) individuals who offer for sale only 'handcrafted goods' as defined in Sec. 9.13(6)(e)3. if both individuals are solely and regularly involved in both the production and the sale of the goods. In addition, an Arts and Crafts Vendor may be a corporation, cooperative or partnership provided that no more than two (2) people are all solely and regularly involved in all phases of both

the production and the sale of the goods. The names of all such individuals shall be listed on the application and license. An Arts and Crafts Vendor shall be licensed to sell only the handcrafted goods indicated on the face of the license from one arts and crafts vending site. "Arts and Crafts Vendor" also includes a vendor meeting the criteria in this paragraph operating as a Spray Paint Artist as described in the Regulations, Section II.F.1.e. All sections of this ordinance applicable to an Arts and Crafts vendor (or "craft" vendor) shall apply to a Spray Paint Artist unless explicitly stated otherwise. (Am. by Ord. 13,064, 4-9-02; Ord. 13,272, 3-11-03; ORD-12-00064, 5-9-12)

b. Food Vendor. A Food Vendor is an individual who offers for sale only personally prepared food for which that individual is regularly involved in all phases of both the production and the sale of the food. In addition, a food vendor may be a corporation, cooperative or partnership; however, the application and license shall designate a primary individual who is all regularly involved in all phases of the production process and responsible for the vending operation and who holds a valid Basic street vending license or is included on a Umbrella Basic License held by the food vendor under Sec. 9.13(3). A Food Vendor shall be licensed to sell only the personally prepared food items indicated on the face of the license from one assigned food vending site. (Am. by Ord. 12,793, 4-9-01; ORD-09-00066, 4-2-09; ORD-13-00126, 7-10-13; ORD-16-00019, 3-7-16)

c. Persons Permitted at Arts and Crafts and Food Vending Sites.

i. Persons Permitted at Arts and Crafts Sites. The individually licensed vendor, at least one of the primary individual vendors listed on an arts and craft vending license, or the primary individual designated on a license issued to a corporation, cooperative or partnership must be present at the vending site at all times during which items are displayed, offered for sale or sold. Other individuals who work on handcrafted items may be present at the vending site solely to assist and need not be named on the license or hold a Basic license. No unlicensed assistant shall sell, offer for sale, accept money, engage in prolonged commercial interactions or other transactions with customers or engage in any other direct vending activities.

ii. Persons Permitted at Food Vending Sites. The individually licensed food vendor, or the primary individual designated on a license issued to a corporation, cooperative or partnership must be present at the vending site at all times when open for business. Primary vendors must hold a Basic license or be included on the Umbrella Basic license held by the food vendor.

Supplemental Food Vendors. A food vendor may employ supplemental vendors who need not be individually named on the food vending application or license and who conducts vending activities such as selling, accepting money, and engaging in commercial interactions with customers. Any supplemental vendors under this paragraph must hold valid basic street vendor licenses or be included

on an Umbrella Basic License held by the food vendor, within fourteen (14) days of being employed by the food vendor.

New Employees. In addition, new employees of food vendors may be present at food vending sites without holding a valid Basic street vending license or without being named on an Umbrella Basic License, for up to fourteen (14) days from the date of hire as provided in b. above, provided that the food vendor provides written notice to the Street Vending Coordinator of the employee's name and date of hire. Such properly-noticed new employees may assist the food vendor in vending activities, such as selling, offering for sale, accepting money, and engaging in prolonged commercial interactions with customers or engage in any other direct vending activities.

Helpers. Other individuals may be present at the vending site solely to assist and need not hold a Basic license. Activities such as operating vending vehicles, loading and unloading, food or drink preparation, or working on handcrafted items are acceptable assistance activities. No unlicensed assistant or person not named on the Food Vending License or covered by a Basic or Umbrella Basic license shall sell, offer for sale, accept money, engage in prolonged commercial interactions or other transactions with customers or engage in any other direct vending activities.

(Am. by Ord, 12,793, 4-9-01; ORD-13-00126, 7-10-13; ORD-16-00019, 3-7-16)

2. a. Contiguously-Located, Street-Level Merchant or Restaurant.

A merchant or restaurant is considered to be "contiguously-located, "street-level" if its place of business is located on the ground floor of a building with a street address that abuts a public sidewalk and there is space on that sidewalk that is not otherwise prohibited for vending by the Madison General Ordinances.

b. Corresponding Non-Street-Level Merchant or Restaurant. A merchant or restaurant is considered to be a corresponding non-street-level business if it is located in the same building as a contiguously-located, street-level business, but not on the ground floor.

3. Handcrafted Goods. Handcrafted goods are those goods produced and created entirely by an Arts and Crafts vendor, as defined in Sec. 9.13(6)(e)1.a., with his or her own hands, from raw or basic materials changing these materials into a significantly different shape, design, form, or function. An item shall not be considered handcrafted if anyone other than the vendor(s) named on the Arts and Crafts Vending license was involved in production. Handcrafted goods shall not include food items, beverages or any other product intended for internal consumption. Commercially grown, manufactured or processed goods in their finished form do not constitute handcrafted goods. Any good containing a commercially produced item as a significant part of the good shall not be considered handcrafted unless such commercially produced item has been substantially changed in

function or character. For purposes of this section, cut flowers and Christmas trees shall be considered handcrafted goods. (Am. by Ord. 13,272, 3-11-03)

4. Licensed Mall/Concourse Vendor. A Mall/Concourse vendor is a Food Vendor, Arts and Crafts Vendor, Merchant Vendor or Sidewalk Café, as those terms are defined within Sec. 9.13(6)(e) to whom a valid Mall/ Concourse vending license has been issued pursuant to this section. In addition, to be considered a fully licensed Mall/Concourse vendor under this section, the vendor must hold a valid basic street vendor license issued pursuant to Sec. 9.13(3) herein, and must have adequate liability insurance in force as required in Sec. 9.13(3) herein. Persons acting solely as the primary designated vendor of a corporation, cooperative or partnership, assistants under Sec. 9.13(6)(e)1.c., or supplemental food vendors under Sec. 9.13(6)(e)1.b. are not required to provide separate proof of insurance, and persons acting solely as assistants are not required to hold a basic street vendor license under Sec. 9.13(3). (Am. by Ord. 12,793, 4-9-01; ORD-09-00066, 4-2-09)

5. Merchant Vendor. A merchant vendor is a contiguously-located, street-level merchant whose business fronts on or abuts a street in the Mall/ Concourse, or a merchant whose business is located in the same building as a contiguously-located, street-level merchant, to whom a valid Mall/ Concourse vending license has been issued pursuant to this section and who has adequate liability insurance in force as required in Subdivision (m) of this ordinance and who has a basic street vendor issued pursuant to Section 9.13(3) of the Madison General Ordinances. However a restaurant contiguously-located to the Mall/Concourse shall not be construed to be a merchant vendor. (Am. by ORD-09-00066, 4-2-09)

6. "Municipal Building Vending Area" includes the 200 block of Martin Luther King, Jr. Boulevard, the 10 blocks of East and West Doty Street, the 10 blocks of East and West Wilson Street, the 200 block of South Pinckney Street and the 200 block of South Carroll Street.

7. Personally Prepared Food. Personally prepared food is food or beverage produced by the vendor from raw or basic ingredients, changing the nature, form, shape or function. Any food sold on the Mall/ Concourse shall comply with City and State Health Regulations. In addition, the category 'personally prepared food' shall include the following:
   a. Fruit sold by the piece or in individual-sized portions.
   b. Condiments and other incidental ingredients given free with personally prepared food, but not including commercially packaged, prepared or produced drinks.
   c. Coffee if prepared and brewed from beans that are locally roasted, meaning roasted at a facility located in Dane County, and tea brewed by the vendor from loose ingredients. (Am. by ORD-16-00106, 12-2-16)
   d. Food grown or raised by vendor.
   e. Hotdogs, bratwurst or other sausages, and commercially produced buns. (Am. by ORD-08-00034, 3-21-08)
   f. Milk in individual portion sized containers.
   g. Commercially produced soda water beverages in containers not made of glass or other shatterable material sold in conjunction with a personally prepared food item. Soda water beverage as used herein means all beverages commonly known as soft drinks or soda water.

8. Sidewalk Cafe. Sidewalk cafe shall mean any group of tables, chairs, benches, barriers or partitions, trash containers and suitable decorative devices maintained upon any part of the public right-of-way for use by an establishment with a valid food and drink permit in the sale to the public of food, refreshments, and beverages of all kinds.

9. Vending Year. Vending year shall mean the calendar year beginning April 15 and ending April 14 of the immediately following year.

(f) Arts/Crafts and Food Vending Sites. The Vending Oversight Committee (VOC) shall determine, by regulation, the number, size and location of food vending sites and arts and crafts vending sites for each vending year. Each vending site may be occupied by only one vendor at a time except for craft vending sites on the 700 and 800 blocks of the State Street Mall where, at the discretion of the first craft vendor occupying an individual vending site, the site may be shared with additional craft vendors. Notwithstanding the foregoing, an Arts and Crafts Vendor operating as a Spray Paint Artist may not share a site with another craft vendor, shall operate only within a designated Spray Paint site, and follow all site assignment procedures specific for Spray Paint Artists established in the Regulations or elsewhere in this ordinance. A vendor may not occupy more than one vending site at any given time. In addition, the VOC shall determine the method for allocating or assigning food vending sites among licensed food vendors and the method for allocating or assigning arts and crafts vending sites among licensed arts and crafts vendors. The mere possession of a valid food or arts and crafts vending or sidewalk cafe license by a vendor shall not in and of itself entitle the vendor to the use of a vending site on a specific day or a minimum number of days during the vending year, and each Mall/Concourse vending license shall be issued subject to the regulations promulgated by the VOC and approved by the Common Council regarding allocation or assignment of vending sites. Failure to become fully licensed and approved or to consistently use the assigned site by May 1st of a given vending year shall be grounds for the site to be assigned to another vendor for the remainder of that vending year.

Special Saturday vending areas shall be created, by regulation, designating an increased number of vending sites on the Mall/Concourse for use on Saturdays. These vending sites are for crafts and food and will be in addition to the existing vending sites, but will in no way infringe upon the yearly assigned food sites. During Saturday special events, any rules for 'Exclusive Vending Rights' during the special event adopted by the Common Council under Sec. 9.13(6)(k) shall apply to all vendors. (Am. by Ord. 12,793, 4-9-01; ORD-12-00064, 5-9-12)

(g) Mall/Concourse Vending License Required. No person shall sell or offer to sell, any goods, foodstuffs, or any other article of any kind or otherwise conduct any of the activities described in Sec. 9.13(1) on the State Street Mall/Capitol Concourse without holding a valid Mall/Concourse Vending License or being designated as a primary vendor on a valid Mall/Concourse Vending license issued to a corporation, cooperative or partnership, and without all of the other necessary licenses required under this ordinance or another ordinance or law. A Mall/Concourse Vending license is not required for a vendor participating under Special Event Vending License pursuant to Sec. 9.13(2) herein. Only one Mall/Concourse Vending License in each category listed in Sec. 9.13(6)(h)2., i.e., arts and crafts, food, sidewalk cafe, merchant vendor, may be issued to a vendor for any single vending period. This paragraph shall not apply to vendors operating in late night food vending areas under Sec. 9.13(6)(n). (Am. by Ord. 12,793, 4-9-01; Ord. 13,046, 4-9-02; ORD-05-00018, 2-15-05; ORD-09-00066, 4-2-09; ORD-13-00067, 4-24-13; ORD-16-00019, 3-7-16)

(h) Mall/Concourse Vending Licenses and Fees.

1. Categories of Mall/Concourse Vending Licenses:
   a. Food Vending Licenses issued to food vendors.
   b. Arts and Crafts Vending Licenses issued to arts and crafts vendors.
   c. Sidewalk Cafe Licenses issued to establishments eligible for sidewalk cafes.
   d. Merchant Vendor Licenses issued to contiguously-located, street-level merchants or corresponding non-street-level merchants in the same building by order of priority established in Sec. 9.13(6)(h)4. below.

2. Additional License Requirements.
   a. Basic License. Food Vendors, Arts and Crafts Vendors and individuals working in the vending site (except helpers as described in Sec. 9.13(6)(e)1.c.ii.) must also hold a Basic Street Vending license or Umbrella Food Vending License, if applicable, under Sec. 9.13(3). Merchant Vendors and Sidewalk Cafes do not require a Basic Street Vending License.
   b. Health Licensing. All food vendors required to be licensed under Chapter 7 of the Madison General Ordinances shall obtain a food and drink permit and a mobile restaurant base license and operate from a licensed restaurant for food preparation, food storage and utensil cleaning activities.

3. Fees. Mall/Concourse licenses and fees are as set forth below. All fees are paid to the City Treasurer: (Am. by Ord. 13,046, 4-9-02; ORD-15-00059, 5-27-15)
   a. Annual License. Annual licenses shall be issued on April 15 of each year or thereafter when applied for and shall expire on April 14 of the year following its issuance.
      i. Food Vendors. one thousand dollars ($1000) for the full season and pro-rated to five hundred dollars ($500) for a license issued November 1 or later to a first-time food vendor, as described in Sec. V.E. of the Regulations Governing Vending on the State Street Mall/Capitol Concourse. (Am. by ORD-15-00059, 5-27-15; ORD-16-00020, 3-7-16)
      ii. Arts and Craft Vendors. four hundred dollars ($400.)
      iii. Merchant Vendors. two hundred fifty dollars ($250), except as indicated in v. below. (Am. by ORD-12-00063, 5-9-12)
      iv. Sidewalk Cafes.

      Standard Annual Fees. The annual sidewalk café license fee shall be determined by the size of the café using a fee-per-square foot of the café's approved dimensions measured by the Vending Coordinator. The square footage of any tree grate or other obstruction that is considered unusable in the opinion of the Vending Coordinator shall be subtracted from the café's total square footage for fee purposes. Except as indicated in v. below, the annual fees shall be as follows:

      Remainder of 2015 vending season: Four dollars and fifty cents ($4.50) per square foot.

      2016 vending season: Four dollars and fifty cents ($4.50) per square foot.

2017 vending season: Five dollars ($5.00) per square foot.

2018 vending season and thereafter: Five dollars and fifty cents ($5.50) per square foot.

(Am. by ORD-14-00050, 3-6-14; ORD-15-00120, 10-28-15)

v. 400 Block West Gilman Street. The annual fee for a sidewalk café located in the 400 block of West Gilman shall be three dollars ($3.00) per square foot effective with the 2016 vending season.

Cafes Adjacent to Street Vending Sites. If a Saturday-only street vending site (established on the official map) is located adjacent to an establishment that qualifies for a sidewalk café, and the size of the café is reduced on Saturdays by the presence of the street vending site, the café's annual license fee shall be reduced by five percent (5%) for that vending season. The license shall be approved for both the full size and the reduced Saturday size.

Construction Discount. For sidewalk cafes located on a block or series of blocks that experiences public road construction under a City of Madison Public Works contract during any portion of the vending season, the annual fee for that vending season shall be 33% of the total as calculated above. A vendor shall be entitled to this reduced fee if, at the time the vendor applies for the annual license, the Common Council has adopted a resolution approving plans and specifications for a phase of road construction to take place anytime during the vending season in question (Am. by Ord. 13,506, 2-10-04; ORD-15-00120, 10-28-15)

vi. Late Night Vending License. See Sec. 9.13(6)(n) for Late Night Vending license fees.

(Sec. 9.13(6)(h)3.a. Am. by ORD-09-00066, 4-2-09)

b. Monthly License. Only arts and crafts vendors are eligible for a Monthly License. The fee shall be as follows:

i. Arts and Crafts Vendors. one hundred twenty-five dollars ($125).

Monthly licenses shall expire thirty (30) days from the date of issuance.

c. Additional Mall/Concourse Vending Fees. In addition to the license fees set forth above, there shall be the following additional fees:

i. Saturday-Only Arts/Crafts Site Reservation. A separate site reservation fee of one hundred dollars ($100) for craft vendors who wish to reserve a specific vending site until 7:30 a.m. at the Saturday craft vending area which site shall be assigned to them by the Director of Planning and Community and Economic Development or designee pursuant to the regulations on Saturday Vending Site Assignment adopted pursuant to Section 9.13(6)(c) and (f).

ii. Daily Arts/Crafts Site Reservation. A separate site reservation fee of one hundred dollars ($100) dollars for craft vendors who wish to reserve a specific craft vending site on

the 400, 500, and 700 blocks of State Street until 11:00 a.m. each day, which shall be assigned to them by the Director of Planning and Community and Economic Development, or designee, and be subject to the to the regulations adopted pursuant to Section 9.13(6)(c) and (f).

(Sec. 9.13(6)(h)3.c. Am. by ORD-11-00064, 5-4-11)

d. (R. by ORD-07-00137, 10-18-07)

e. Non-Profit Exemption. Qualified non-profit organizations, otherwise meeting the criteria for Mall/Concourse vending, may apply for an annual license under subparagraph (h)3.a. and may be exempt from paying the annual license fee, upon approval of the Vending Oversight Committee. (Am. by Ord. 13,046, 4-9-02)

(Sec. 9.13(6)(h)3. Am. by Ord. 12,022, 2-16-98; Ord. 12,358, 3-30-99; Ord. 12,557, Adopted 3-21-00; Am. by Ord. 12,793, 4-9-01; Ord. 13,506, 2-10-04;ORD-09-00160, 12-5-09)

4. A licensed Mall/Concourse vendor shall inform the designee of the Director of the Department of Planning and Community and Economic Development of any change of address of the vendor or the primary vendor named on the license, in writing, occurring during the license period. (Cr. by Ord. 13,046, 4-9-02; Renumbered by ORD-06-00013, 2-24-06)

5. Each Mall/Concourse Vending License shall contain such information on its face as may be required by the Street Vending Coordinator and the Regulations for Vending on State Street Mall/Capitol Concourse.

6. In addition to other permits, the Mall/Concourse Vending License shall be conspicuously displayed by the vendor at the vending area occupied by the vendor.

(Sec. 9.13(3)(h) Am. by ORD-16-00019, 3-7-16)

(i) Procedures For Granting a Mall/Concourse Vending License.

1. Application. All applications for a Mall/Concourse Vending License shall follow the procedures set forth hereunder unless a different procedure is established for a particular category of vending or for vending in a particular specified area. In addition, the Vending Oversight Committee (VOC) may establish additional or distinct procedures and criteria for the granting of licenses under any vending category including, without limitation, the establishment of a committee to review applicants for any one or more category or class of vending license or aspect or regulation of a category or class.

a. Application for a Food Vending License or Arts And Crafts Vending License shall be filed with the Director of Planning and Community and Economic Development, or designee and shall contain such information as shall be required by regulation and such additional information as s/he shall require in order to determine whether the requirements of the ordinance have been met. Such additional information may include but shall not be limited to documentation or other evidence, such as invoices for raw materials, demonstrations or explanations of design or production techniques, which evidence or illustrate that the item in question is handcrafted or personally prepared. (Am. by ORD-16-00019, 3-7-16)

b. Application for a Mall/Concourse Sidewalk Cafe or Merchant Vendor License shall be filed with the Director of Planning and Community and Economic Development, or designee on a form

prescribed by the Vending Oversight Committee (VOC). The application for new and returning sidewalk cafes shall include a scale drawing of the site, including the location of all trees, poles, benches, gratings, and other amenities or obstructions, and the location of the proposed furniture and other vending equipment. All applications shall be accompanied by a photograph, catalogue page(s) or detailed renderings of the tables, chairs barriers or other furniture or equipment being considered for use, including the location and number of chairs, with dimensions and color included. The application shall also contain any information required by regulation or by the Director of Planning and Community and Economic Development. (Am. by Ord. 12,419, 7-23-99; Ord. 12,557, 3-21-00; ORD-09-00066, 4-2-09)

c. Any applicant for a Sidewalk Cafe License who wishes to sell alcohol beverages must also follow the procedures set forth in Chapter 38 for obtaining an alcohol beverage permit. All actions by the ALRC shall also require the approval of the Common Council.

d. A copy of the Application and all attachments shall be transmitted by the Director of Planning and Community and Economic Development, or designee, to the City Clerk. (Am. by Ord. 12,557, 3-21-00)

2. Initial Determination Appeal and Review. Upon receipt of an application for a license the Director of Planning and Community and Economic Development, or designee, shall review all applications for a vending license under this section for compliance with the applicable ordinance(s) and regulations, and shall make a determination within ten (10) days of the date of the application using the procedures below.

a. If all the applicable requirements are clearly and unambiguously met in the opinion of the Director of Planning and Community and Economic Development, or designee, the appropriate license shall be promptly approved by her/him and issued by the City Clerk, with the following exceptions: an applicant for a Food Vendor License must first participate and obtain a satisfactory rating in an annual Food Vending Review pursuant to regulations established under this chapter, and no applicant who has been issued one (1) or more health ordinance citation or civil complaint or two (2) or more vending ordinance citations or complaints may participate in the Fall Food Vending Review nor be issued a Food Vending License.

b. If the Director of Planning and Community and Economic Development or designee determines that the applicable requirements of the ordinance and regulations are not met, s/he shall deny the license and state the reasons in writing to the applicant within ten (10) business days of the date of the application. The applicant may re-apply in order to address the reasons for denial or may appeal the denial to the Common Council by filing a written notice of the appeal with the Director, within five (5) days of the Director's written determination. The Director shall refer the appeal to the VOC for a hearing. The applicant shall be notified in writing of the time, date and place of the hearing at least ten (10) days prior to the hearing, unless both parties agree in writing to shorter notice. (Am. by Ord. 13,272, 3-11-03)

c. The sole issue at the hearing shall be whether the correct decision was made by the Director of Planning and Community and Economic Development, or designee, based on the information contained in the application and any supporting documentation submitted with it. New or additional information shall not be grounds for an appeal and any such information shall not be allowed at the hearing. Such information, however, may be the basis of a re-application to the Director of Planning and Community and Economic Development, or designee, under this Chapter. At any such hearing the parties shall have the opportunity to question witnesses, may call witnesses in her or his own behalf or may be represented by counsel. All testimony shall be recorded. The Committee shall report its findings and recommendations in writing to the Common Council which shall convene to consider the report and recommendations. After due consideration of the Committee's report and any evidence presented, the Common Council may by majority vote affirm, reverse, or modify the decision of the Director of Planning and Community and Economic Development, or designee, and shall issue its decision in writing. If no decision is made within sixty (60) days from the date of filing the Notice of Appeal, the appeal shall be deemed denied. If the application is approved, the Director of Planning and Community and Economic Development, or designee, shall sign the application and the license shall be issued by the City Clerk upon proper payment of fees.

d. The decision of the Common Council shall be a final determination and shall be subject to review in court as may be provided by law. Any person aggrieved by the decision may seek review thereof within thirty (30) days after the date of the final determination.

e. Any approval by the Director of Planning and Community and Economic Development, or designee, or Common Council of any category of Mall/Concourse vending license shall be deemed to be a conditional approval in the absence of approval by other necessary City agencies.

3. Renewal of Mall/Concourse Vending Licenses. There shall be no renewal of any Mall/Concourse Vending License. All applicants shall follow the process above for granting an initial license.

a. Any Mall/Concourse license holder who applies for a Mall/Concourse Vending license and has been issued two (2) or more citations or civil complaints for vending-related ordinance violations within the previous vending year must appear before the VOC prior to any action by the Director of the Department of Planning and Community and Economic Development on the application for the purpose of a formal expression of concern by the VOC at which the applicant shall be required to present a detailed plan for preventing such violations in the future. If the applicant fails to appear after service of written notice to appear, no further action may be taken by the Director of the Department of Planning and Community and Economic Development and the license shall be deemed denied. (Am. by Ord. 12,793, 4-9-01)

b. If the applicant has committed three (3) or more vending-related offenses in the previous vending year as charged in citations or civil complaints, the Director of the Department of Planning and

Community and Economic Development may deny a request for a Mall/Concourse vending license based on the number, nature and seriousness of the offenses committed. Such determination may be appealed pursuant to Sec. 9.13(6)(i)2. above. (Am. by Ord. 12,793, 4-9-01)
(Am. by Ord. 13,272, 3-11-03)

(j) Miscellaneous Restrictions on Merchant Vendors and Sidewalk Cafes.

1. Miscellaneous Restrictions on Merchant Vendors.

a. Merchandise may only be displayed during normal business hours when the merchant's corresponding place of business is open. (Am. by Ord. 13,614, 5-21-04; ORD-06-00059, 5-20-06; Am. by ORD-07-00063, 5-18-07; ORD-12-00063, 5-9-12)

b. Merchandise may only be displayed in specific sites defined by the street frontage of the street level merchant's or restaurant's place of business and otherwise complying with the requirements of Sec. 9.13, between the imaginary line connecting the sparkle light poles on one side (or no closer than six (6) feet to the building face, allowing a minimum of six (6) feet unobstructed pedestrian walkway, if there are no sparkle light poles) and no closer than two feet from the face of the adjacent street curb on the other side in the specific location and configuration approved on the application pursuant to Sec. 9.13(6)(i). This requirement applies to vending on State Street and the sidewalks on the outside of the streets comprising the Capitol Square. (Am. by Ord. 12,793, 4-9-01; ORD-06-00013, 2-24-06; ORD-06-00147, 11-2-06)

c. Vending in the State Street Mall/Capitol Concourse Improvement District on streets or sidewalks other than State Street and the Capitol Square, is only permitted in specific sites defined by the street level merchant's or restaurant's place of business and otherwise complying with the requirements of Sec. 9.13, between six feet from the inside edge of the sidewalk on one side and no closer than two feet from the face of the adjacent street curb on the other side in the specific location and configuration approved pursuant to Sec. 9.13(6)(i). (Am. by Ord. 12,793, 4-9-01; ORD-06-00013, 2-24-06)

d. An attendant or sales person shall either be present within the approved merchant vending site at all times at which items are displayed or sold or immediately available within the corresponding place of business. In addition to other requirements herein, the merchant vending site and merchandise displayed therein shall be maintained in an orderly and organized fashion.

2. Miscellaneous Restrictions on Sidewalk Cafes.

a. The space specifications in Sec. 9.13(6)(j)1.b. above shall apply to all sidewalk cafes located on State Street Mall or the Capitol Concourse as defined herein, except sidewalk cafes at locations described in Subparagraph e., below. The space specifications in Sec. 9.13(6)(j)1.c. shall apply to sidewalk cafes on any other streets within the district. The remainder of this paragraph shall apply to all sidewalk cafes within the Mall/Concourse: No sidewalk cafes may obstruct the pedestrian right of way required by the City to be maintained adjacent to the sidewalk cafe. All sidewalk cafes shall remain within the approved boundaries of the sidewalk cafe site as set forth on the approved application and shall be surrounded by

enclosure(s) as required by the Regulations Governing Vending on the State Street Mall/Capitol Concourse. See those Regulations and sec. 9.13(4) for additional placement requirements. (Am. by Ord. 12,557, Adopted 3-21-00; Ord. 12,793, 4-9-01; ORD-05-00135, 8-5-05)

b. R. by ORD-06-0047, 4-22-06.

c. Except in the case of sidewalk cafes having permanent facilities approved as a conditional use by the Plan Commission, all tables, chairs, and all other materials and equipment must be removed from the site no later than thirty (30) minutes after the close of business until normal opening of business each day. Nothing herein shall in any way be deemed to limit the right of the Plan Commission to review any matters within the Plan Commission's jurisdiction. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; ORD-13-00100, 6-12-13)

d. The procedures in Sec. 9.13(8)(a)for revocation, suspension or nonrenewal of a Vending License shall govern revocation, suspension or nonrenewal of a Sidewalk Cafe License issued under this section. Revocation or suspension of an alcohol beverage license for a sidewalk cafe shall follow the procedures in Section 38.10 of the Madison General Ordinances.

e. Alternative Sidewalk Café Placement.

i. Sidewalk Cafes in 100 Block of Martin Luther King Jr. Boulevard. Sidewalk cafes located within the 100 block of Martin Luther King Jr. Boulevard, due to the unusual width and design of the sidewalk between the roadway and the property line of adjacent buildings, shall be located between the building face and a distance of twelve (12) feet from the building face, and shall not be wider than the side property lines of the corresponding restaurant's street frontage. (Cr. by Ord. 12,793, 4-9-01)

ii. Sidewalk Cafes on the Capitol Square. Due to the width and unique design and layout of sidewalks on the Capitol Square, restaurants located on the 10 blocks of E. and W. Mifflin, N. and S. Pinckney, E. and W. Main, and N. and S. Carroll Streets may choose a sidewalk cafe location that either complies with 9.13(6)(j)2.a. if the layout of the permanent amenities on sidewalk in front of the business allows, or placed next to the building, but not both. Sidewalk cafes located next to the building shall be no wider than the side property lines of corresponding restaurant's street frontage, shall extend no more than five (5) feet from the building face, shall be enclosed on all sides (except the building face may serve as one side of the enclosure), and shall otherwise comply with all applicable requirements of this ordinance and the Regulations Governing Vending on the State Street Mall/Capitol Concourse. (Am. by ORD-05-00135, 8-5-05)

iii. 500, 600 and 700 Blocks of University Avenue (North Side).

Due to the unique design of the roadway, bus lanes and pedestrian ways on University Avenue, particularly the wide sidewalks, absence of permanent street amenities,

and proximity to the bus lane, sidewalk cafes located on the North side of the street within the 500, 600 and 700 blocks of University Avenue shall be placed next to the building. Sidewalk cafes shall be no wider than the side property lines of corresponding restaurant's street frontage, shall extend no more than five (5) feet from the building face, shall be enclosed on all sides, (except the building face may serve as one side of the enclosure), and shall otherwise comply with all applicable requirements of this ordinance and the Regulations Governing Vending on the State Street Mall/Capitol Concourse.

(Cr. by ORD-07-00102, 8-23-07)

iv. Alternate Placement: Case-by-Case Determination. The Vending Coordinator may, on a case-by-case basis and at his/her discretion, allow a sidewalk café on portions of the Mall/Concourse other than State Street to be placed up against the building using the criteria in sub. i. above, or to split a sidewalk café into two (2) sections for one establishment if, after inspection of the site, in the opinion of the Vending Coordinator, such a variance is necessary to permit a sidewalk café for an otherwise eligible establishment.

In order to be eligible, the paved portion of the adjacent sidewalk must be at least nine (9) feet wide, the entire sidewalk area proposed for café placement must be paved with concrete, asphalt, cement, brick, pavers or other impervious surface, and placement of the café must allow at least six (6) feet of unobstructed public pedestrian walkway on the adjacent public sidewalk. An establishment is not eligible for a sidewalk café if, in the opinion of the Vending Coordinator, the grade or slope of the adjacent public sidewalk is prohibitive, if the sidewalk does not offer a sufficiently level surface for food and drink service, of if the café placement would present a safety hazard due to any other elements of the topography or layout of the sidewalk, regardless of the width or available square footage of the adjacent public sidewalk.

An establishment shall be eligible for a 2-part sidewalk café if made necessary by permanent public amenities positioned in the sidewalk adjacent to the establishment, if there is sufficient space for an enclosed sidewalk café on both sides of the amenity(ies). In that case the café is considered one licensed café site that is split into two sections.

An establishment is eligible for two separate sidewalk cafés if located on a street corner or if it has two street frontages and both adjacent sidewalk areas are otherwise eligible. The café on the State Street side shall conform to the rules above for placement on State Street. The café on the other side shall be placed against the curb under the general rule in sub. 2.a. above if space allows, or may be placed against the building under the rules of sub. i. if, in the opinion of the Vending Coordinator, placement against

the building is more safe and consistent with the traffic and pedestrian flow on the corresponding street. In this case, the establishment shall obtain two sidewalk café licenses. The placement rules in this paragraph shall also apply to an establishment with multiple addresses, under Sec. 9.13(6)(j)4.a.iii.

(Cr. by ORD-07-00139, 10-18-07)

3. Sidewalk Cafes with Alcohol Beverage License.

a. Consumption of alcohol beverages in all sidewalk cafes shall be limited to persons seated at tables in the sidewalk cafe site.

b. A sidewalk café licensee serving alcohol beverages shall be responsible for policing the area of the sidewalk cafe to be sure that customers are of the legal drinking age and that alcohol beverages are not removed from the premises, consistent with the applicable requirements for alcohol beverage license holders in Chapter 38, MGO.

c. For sidewalk cafes within the State Street Mall/Capitol Concourse Vending Area (as defined in Sec. 9.13(6)(a)) alcohol service shall stop and all containers of alcohol beverages shall be off the tables and removed from the café by 1:00 a.m., unless an earlier closing time has been required on the establishment's alcohol beverage license. There shall be no sale of alcohol for consumption at a sidewalk cafe after 1:00 a.m. or the time specifically indicated on the alcohol beverage license, whichever is earlier, until normal opening of business each day.

4. Assignment of Merchant Vendor and Sidewalk Cafe Sites Among Street-Level and Non-Street Level Businesses.

a. Merchant vendor and sidewalk cafe site eligibility shall be determined as follows:

i. Contiguous Street-Level Businesses. A contiguously-located, street-level merchant or restaurant, as defined in sec. 9.13(6)(e)2.a., shall apply for the appropriate merchant vendor or sidewalk cafe license and site by March 15 prior to the vending season. The site shall be assigned to that vendor if all other applicable licensing criteria is met.

ii. Corresponding Non-Street Level Businesses. If a merchant or sidewalk cafe' vending site is not assigned to the street-level business after March 15, any merchant or restaurant in the building including non-street level businesses defined in 9.13(6)(e)2.b. may apply for the appropriate license and site. Site assignments shall be issued on a first come, first served basis. In the event that more than one such application is received for the same sidewalk site on the same day, the site shall be assigned by lottery by the Director of Planning and Community and Economic Development or designee.

iii. Multiple Addresses. If a restaurant has more than one street address abutting a public sidewalk that is otherwise available for a sidewalk cafe, the restaurant is eligible for a sidewalk café vending site at both addresses. Merchants with multiple street addresses must choose only one address (and corresponding street frontage) for a merchant vend-

ing site. If multiple business tenants use the same street addresses, the site(s) shall be allocated among street-level and non-street level businesses as described above. (Am. by ORD-06-00147, 11-02-06)

(k) Vending During Street Use Events.

1. Special Event Vending Approvals. When a Street Use Permit is requested under Sec. 10.056 (a "street use event"), the applicant may request one or more of the following special approvals: invalidation of street vending licenses and Sec. 9.54, MGO, permits, permission to select participating vendors for the event, and suspension of some or all restrictions on street vending under this ordinance (collectively, "approvals"), using the procedures below. Any approvals under this section are subject to the issuance of a valid Street Use Permit for the event.

a. Invalidation of Vending Licenses. To encourage the integrity, comprehensiveness and success of a street use event taking place on any street, alley, sidewalk or public square in the City, the applicant may request that some or all categories of street vending license(s) or permits issued under Sec. 9.54 ("licenses") will not be valid within the perimeter of the street use event. Invalidation of licenses shall only occur within the perimeter approved in the Street Use Permit. Invalidation shall not be approved more than ten (10) times per year at the same location (i.e. same street block.) Invalidation of licenses is not available for serial street use permits of more than five (5) days.

When licenses are invalidated, street vendors or permit holders under Sec. 9.54 ("licensees") whose licenses have been invalidated cannot conduct the activities authorized by their license in anywhere within the perimeter of the event, unless selected by the event sponsor under Sec. 9.13(6)(k)1.b. ("Selection of Vendors.") Licensees with assigned sites inside the event perimeter cannot operate from the assigned site during the event. Such licensees may operate outside the event perimeter only as follows: by moving into an unoccupied vending site outside the event perimeter if allowed for that type of vending elsewhere in Sec. 9.13, by following any applicable procedures for relocating under Sec. 9.54, or if the City assigns the licensee a temporary site under Sec. 9.13(6)(k)3.

b. Selection of Vendors. A street use applicant may request permission to select vendors to participate in the applicant's event. If approved, the event sponsor must obtain a Special Event Umbrella Vending License under Sec. 9.13(2) covering all persons selling food or any other item as part of the event, if required to be listed on such license by Sec. 9.13(2).

c. Suspension of Rules: A street use applicant may request suspension of specific provisions of Sec. 9.13 or the regulations adopted thereto within the perimeter and for the duration of a street use event, and may request alternate vending rules for the event. This option is available for events held anywhere in the city where this ordinance restricts vending to certain types of food or articles, or only from assigned sites. It is not necessary to suspend the rules regarding vending equipment size or placement for vendors operat-

ing under a special event umbrella license within the perimeter of a street use event, however, all applicable state and local health, electrical and fire code provisions will continue to apply and cannot be suspended under this procedure. If granted, the rules and procedures approved through this process will control over any conflicting section of Sec. 9.13 or the Regulations.

d. 700-800 Blocks of State Street - Suspension of Rules. Certain vending rules may be suspended by the Street Use Staff Commission for street use events held entirely within the "podium area" of the 700 block of State Street, or anywhere in the 800 block of State Street. The Street Use Staff Commission may approve the suspension of portions of Sec. 9.13 and the Mall/Concourse Regulations to allow vending of non-personally prepared food and non-handcrafted items within the event. The street use applicant must demonstrate that vending such items is necessary to ensure the integrity and success of the event. If granted, suspension of rules under this paragraph shall be indicated on the street use permit and does not require Common Council approval.

2. Special Approvals Process.

a. Street Use Applicants seeking any of the approvals in sub. 1. shall so indicate on their street use permit application. Applications requesting special approvals for this first time are due ninety (90) days prior to the event start date. Applicants for events that have received prior approval under this section shall notify the Parks Division of their intent to repeat the event as soon as possible during the calendar year.

b. The Parks Division shall prepare each year, prior to the event season, one or more resolutions for the Common Council listing all known events for the calendar year seeking special approvals under this section and the type of approval(s) requested. (Events seeking approval under Sec. 9.13(6)(k)1.d. for the 700 or 800 block of State Street need not be included.) The resolution shall include sufficient details for the Council to consider the requested approvals, and additional details about first-time events if deemed necessary by Parks Division.

c. The Common Council shall consider the requested approvals not less than fourteen (14) days prior to the event start date. If license invalidation is requested under Sec. 9.13(6)(k)1.a., the applicant shall provide at least one (1) week's written notice of the Common Council meeting to the Street Vending Coordinator, any licensed street vendors (including merchant vendors and sidewalk cafes) with assigned sites in the event perimeter, and any Sec. 9.54 permit holders with assigned sites in the event perimeter. The notice shall include all of the details required for the resolution and information about participating in the event including fees. The Common Council may grant the approvals authorized in Sec. 9.13(6)(k)1.a.,b., and c. after making a finding that the requested approval(s) are necessary to maintain the integrity, comprehensiveness and success of the special event. License invalidation shall not be approved unless the applicant also satisfactorily demonstrates and the Council finds that special conditions exist warranting the exclusive

vending rights. The Street Use Permit issued by the Street Use Staff Commission shall include a reference to the approvals granted by the Common Council.

3. Relocating Vendors Outside Event Perimeter. Whether or not invalidation of licenses under Sec. 9.13(6)(k)1.a. has been granted, the Street Vending Coordinator may relocate vendors or Sec. 9.54 permittees ("licensees") with assigned sites within the perimeter of a street use event to a location outside the event perimeter, to avoid interference with the event. Any such relocated sites shall be in addition to existing vending or Sec. 9.54 sites that have not been invalidated.

4. Prohibition Against Vending During Street Use Event.

a. No person holding a Street Vending License of any kind may conduct the activities authorized by his/her license has been invalidated under Sec. 9.13(6)(k)1.b., or otherwise in violation of the special vending approvals granted under Sec. 9.13(6)(k)1. This prohibition does not apply to licensees who have been selected by the event sponsor to participate in the event, or relocated outside the perimeter of a street use event under sub. 3. above.

b. No person shall conduct any street vending activity within the perimeter of a street use event unless the vendor is covered by the sponsor's special event vending license, or the vendor was selected by the sponsor to vend at the event using the vendor's existing street vending license as allowed in Sec. 9.13(2).

(Sec. 9.13(6)(k) Rep. & Rec. by ORD-13-00067, 4-24-13)

(l) Miscellaneous Vending Restrictions.

1. Hours. The permitted hours for all street vending on the State Street Mall/Capitol Concourse shall be from 5:00 a.m. to 1:00 a.m., with the following exceptions:

a. Permitted hours in the 500 block of North Frances Street (Concrete Park) shall be from 5:00 a.m. to 8:00 p.m., except that vendors with an assigned site in Late Night Vending area L3 may vend during the Late Night Vending hours established under Sec. 9.13(6)(n). (Am. by ORD-14-00062, 6-26-14)

b. Permitted hours in the Late Night Vending areas shall be as established in Sec. 9.13(6)(n).

c. Permitted hours for vending may be modified pursuant to a resolution adopted by the Common Council under Sec. 9.13(6)(k).

d. All vending equipment (including sidewalk cafés licensed under this section) shall be completely removed during the hours in which vending is not permitted, except that sidewalk café equipment shall be removed no later than thirty (30) minutes after the establishment closes, and Mall/Concourse Food Vendors with Saturday-only assigned food vending sites may park and leave food carts securely locked and unattended in the assigned sites between 12:00 a.m. and 5:00 a.m. on Saturdays only, from the third Saturday in April through the second Saturday in November. (Am. by ORD-15-00040, 4-8-15)

e. Sidewalk cafes on the Mall/Concourse may remain open until the establishment closes, subject to the provisions of Sec. 9.13(6)(j)3. regarding alcohol service.

(Am. by ORD-05-00018, 2-15-05; ORD-09-00066, 4-2-09; ORD-13-00100, 6-12-13)

2. Use of Electricity. Use of AC electricity may occur on the Mall/Concourse only upon compliance with this ordinance, the "Regulations Governing Vending on the State Street Mall/Capitol Concourse" and any rules and regulations of the Traffic Engineering Division including the fee schedule.

The following restrictions shall apply to electrical use by vendors on the Mall/Concourse, in addition to any rules and regulations of the Traffic Engineering Division:

a. Vendors shall only be eligible to use the city's 110 volt outlets.

b. Vendors using the City's AC electrical outlets shall have a circuit breaker installed in accordance with the National Electrical Code (NEC) not exceeding 15 amps on line between the appliance and the power source (City electric receptacle). (Am. by ORD-08-00033, 3-21-08)

c. Generators. Mall/Concourse vendors may use one generator in lieu of an AC electrical source. Generators must operate at 60 decibels or lower. (Am. by Ord. 12,419, 7-23-99)

d. All electrical equipment and wiring in a vending cart, regardless of whether powered by AC or a generator, shall comply with the NEC (National Electrical Code). Vendors shall follow any other regulations for electrical use in the "Regulations Governing Vending on the State Street Mall/Capitol Concourse.

e. Vendors using the City's AC electrical outlets shall pay the fee established by the Traffic Engineering Division or otherwise established by the City for such electrical use.

(Am. by ORD-06-00147, 11-2-06; ORD-12-00065, 5-9-12)

3. Emergency Vehicle Access. In the exercise of its authority under Section 9.13(6), Madison General Ordinances, the VOC, subject to the approval of the Common Council, shall locate the vending areas in the 700 and 800 blocks of the State Street Mall in such a manner that an emergency vehicle access lane at least eighteen (18) feet wide and continuous over the entire length of the 700 and 800 blocks of the State Street Mall shall be maintained at all times and shall be kept clear of all obstructions.

4. Relocation of Vendors. The Director of Planning and Community and Economic Development and the Chief of Police, or designees, have the authority to relocate designated vending sites elsewhere on the State Street Mall/Capitol Concourse or to eliminate them in the interest of public safety during construction or emergencies and as elsewhere provided in these ordinances. In the event that the Superintendent of Parks or designee requires the relocation or elimination of a vending site for maintenance, cleaning or construction, s/he or designee shall notify the Department of Planning and Community and Economic Development. The Superintendant of Parks, with approval of the Director of Planning and Community and Economic Development, may relocate vending sites and create additional, temporary sites in this vending area when deemed in the best interests of the City, however this procedure shall not be used in place of any of the procedures in Sec. 9.13(6)(k). Any vendor operating in such temporary sites must hold all licenses required for vending in the relocated or temporary site and, if applicable, pay any additional daily license fee established by the City. Nothing in this ordinance shall be construed to limit the authority of the police to temporarily relocate or eliminate a vending site in the case of an emergency. (Am. by Ord. 13,272, 3-11-03; ORD-12-00043, 4-19-12)

5. Changes to Vending Site Dimensions. The approved dimensions of a sidewalk café under Sec. 9.13(5) or (6), a merchant vending site or other assigned street vending site are not guaranteed to remain available. Public construction, street improvements or redesign may result in a vending site being moved, reduced in size or eliminated at any time. All vending site dimensions (including sidewalk cafes and merchant vending sites) are subject to change if the City makes changes to the construction of the sidewalk and/or streetscape that affect the vending site, including but not limited to the addition or removal of planters, trees, benches, bike racks, bus shelters, sculptures, or any other public amenity.

(Cr. by ORD-10-00013, 2-4-10)

6. Snowfall Procedures for Food, Arts/Crafts, and Late Night Vendors.

a. Snow Removal. If a Food or Arts and Crafts Vendor's assigned site has accumulated snow when the vendor arrives, and the vendor wishes to vend, the vendor must clear the snow from the site before placing the cart or other vending equipment in the site, and may not use another site nor otherwise alter the position of the cart from its approved position within the vendor's assigned site. Vendors with sites on the Capitol Concourse or Municipal Building Vending Area shall push the snow toward, but not into, the road, and Vendors with sites in the 700 and 800 blocks of State Street shall push the snow toward the middle of the mall. Vendors shall keep a four foot (4') perimeter around the vending cart or equipment clear from accumulating snow at all times. This procedure also applies to Late Night Vendors in the 500 block of North Frances Street (Concrete Park) and any other LNV site on a sidewalk or sidewalk area. (Am. by ORD-14-00062, 3-26-14)

b. Snow Emergencies. Late Night Vendors in the 500 block of North Frances Street (Concrete Park) and any other LNV site on a sidewalk or sidewalk area, Mall/Concourse Food Vendors and Arts and Crafts Vendors shall not vend on any day when the City has declared a snow emergency under Sec. 12.045(1). (Am. by ORD-14-00062, 3-26-14)

c. Street Vending Snow Day. The Superintendent of Parks or designee may declare a "street vending snow day" when a full snow emergency under Sec. 12.045 has not been declared but additional time is needed for city staff to safely remove snow and ice from the streets and sidewalks. When a Street Vending Snow Day has been declared, Mall/Concourse Food Vending equipment cannot be placed before 11:00 a.m. and must be removed by 1:30 p.m., notwithstanding anything to the contrary in this ordinance or the Regulations adopted thereto. The Parks Division will announce the snow day no later than 8:00 a.m. of the affected day by emailing a list of vendors provided by the Street Vending Coordinator and using a call-in telephone number established for this purpose.

(Sec. 9.13(6)(l)6. Cr. by ORD-13-00175, 10-23-13)

(m) Liability Insurance. To hold a valid license, the vendor must have in force adequate liability insurance and must agree to indemnify, defend, and hold the City, its employees and agents harmless against all claims, liability, loss, damage, or expense incurred by the City as the result of any injury to or death of any person or damage to property caused by or resulting from the activities for which the license is granted. As evidence of liability insurance, the applicant shall furnish a

Certificate of Insurance, on a form acceptable to the City, evidencing the existence of commercial general liability insurance (including contractual liability insurance) naming the City of Madison, its employees and agents as additional insureds, with minimum limits of one million dollars ($1,000,000.00) in the aggregate. The Certificate of Insurance shall provide thirty (30) days written notice to the City upon cancellation, or nonrenewal or material change in the policy.

To hold a valid sidewalk cafe license or merchant vendor license, the vendor must have in full force adequate liability insurance. Adequate liability insurance is insurance the terms and conditions of which shall at minimum comply with those terms and conditions specified in paragraph 1 of this subdivision (m) and may include any additional terms and conditions required by the City Real Estate office or agreement of the parties. (Am. by Ord. 13,272, 3-11-03; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(n) Late Night Vending (LNV) Areas.

1. Certain areas within the Mall/ Concourse and downtown area are established for vending food and drink between the hours of 9:00 p.m. and 4:00 a.m.

Vendors operating as licensed Late Night Vendors are not considered Mall-Concourse Food Vendors, do not need a Mall/Concourse Vending License, and need not participate in the food cart review. Vendors operating as licensed Late Night Vendors are not subject to other portions of Section 9.13(6) or the Regulations Governing Vending on the State Street Mall/Capitol Concourse adopted under Sec. 9.13(6)(c), except Secs. 9.13(6)(k), (exclusive use and special events), (6)(l)2. (use of electricity), (6)(l)3. (emergency vehicle access), (6)(l) 4. (relocation), (6)(m) (insurance), and those Regulations listed in Sec. 9.13(4)(s) (safety requirements for non-Mall/Concourse food vending). Late Night vending is subject to Sec. 9.13(4), all other applicable portions of this Ordinance, and applicable traffic and parking laws.

2. Licenses Required: One (1) Late Night Vending License shall be required for each vending cart or food stand. Additionally, every person working or performing vending activities as defined in Sec. 9.13(1) must hold a valid basic street vendor license under 9.13(3).

No person shall vend (as defined in Sec. 9.13(1)) in an LNV area during LNV hours without the licenses required hereunder and without an LNV zone or site assignment.

3. Late Night Vending Areas:

a. Zone A: 300 Block of North Frances. Zone A is located on the west side of the 300 block of North Frances Street as shown on the official LNV map approved by the VOC and on file at the Office of Business Resources ("official LNV map"). A maximum of one (1) licensed Late Night Vendor may vend from a legal parking space within Zone A at any one time. Only a licensed Late Night Vendor who has been assigned to Zone A may vend in Zone A, and the vendor will be assigned to this zone by seniority under Sec. 9.13(6)(n)4.b. (Am. by ORD-17-00055, 6-19-17)

b. Zone B: 400 Block of West Gilman. Zone B is located on the south side of the street in the 400 block of West Gilman Street, near University Avenue, as shown on the official LNV map. A maximum of one (1) licensed Late Night Vendor may vend from a legal parking space within Zone B at any one time. Only a licensed Late Night Vendor who has been assigned to Zone B may vend in Zone B, and a vendor will be assigned to the zone by seniority under Sec. 9.13(6)(n)4.b. (Am. by ORD-17-00055, 6-19-17)

c. Zone C: 400 Block of North Broom Street. Late Night Vending may occur on the west side of the 400 block of North Broom Street beginning with the first legal parking space to the south of the northern-most driveway on the west side of the street, and anywhere that street vending may lawfully occur on the east side of the 400 block of North Broom Street, as shown on the official LNV map. A maximum of two (2) licensed Late Night Vendors may vend from legal parking spaces within Zone C at any one time. Only licensed Late Night Vendors who have been assigned to Zone C may vend in Zone C, and vendors will be assigned to a zone by seniority under Sec. 9.13(6)(n)4.b. (Am. by ORD-13-00075, 5-14-13)

d. Concrete Park/Frances Plaza: 500 Block of North Frances (L3). Late Night Vending in this area may occur at three assigned sites: two (2) full-sized food cart sites and one (1) site for a full-sized or small push cart, with each site location shown on the official LNV map and is prohibited in any other location. Sites will be assigned by seniority under Sec. 9.13(6)(n)4. See Sec. 9.13(6)(n)6.a. for the definition of small push carts. (Cr. by ORD-13-00075, 5-14-13)

e. University and Lake Site (L4). One (1) small push cart site shall be located on the sidewalk on the north side of University Avenue near the northeast corner of the intersection with Lake Street, with the exact location determined by the Vending Coordinator and shown on the official LNV map. This site will be assigned to a licensed Late Night Vendor by seniority under Sec. 9.13(6)(n)4. See Sec. 9.13(6)(n)6.a. for the definition of small push carts.

4. Application, Site Assignment. Vendors holding a basic street vendor license may apply for a Late Night Vending License at the Office of Business Resources, using an application form created by the Vending Coordinator, as follows:

a. Applications for an LNV zone or an assigned site must be filed no later than April 1 to be eligible for zone or site assignment for the upcoming vending season (April 15-April 14). The vendor must accept the zone or site in writing and purchase a Late Night Vending License within ten (10) calendar days of receiving notification of the assignment, or will forfeit the assignment. Failure to use an assigned LNV zone or site by June 1st will result in forfeiture of the assignment. Only one (1) Late Night zone or site will be assigned per vendor, per season, and such assignments are not transferrable.

b. Late Night Site Assignment Procedure. All applicants shall be ranked according to a seniority system. Seniority shall be calculated by counting the number of vending seasons that the vendor has purchased an LNV license (of any duration) issued under Secs. 9.13(3)(a) 1. or 2., counting backwards from the present, and subtracting any demerit points (see Sec. 9.13(6)(n)5.). However, a vendor may take one (1) vending season as a sabbatical (not purchase a license that season) without losing seniority, but that year will not be counted toward the vendor's total number of years of seniority. If a vendor goes two (2) consecutive vending seasons without purchasing a LNV license, the vendor will lose all years of seniority and be placed at the bottom of the seniority list upon their next application for a site. For individual applicants, the

name on the current LNV application and the LNV license used for seniority must be the same. If more than one applicant was issued an LNV license on the same date, the time of day that the license is created will determine seniority. If the time is not available, seniority will be determined by a coin toss conducted by the Vending Coordinator or designee.

Applicants shall list three (3) zone and/or site preferences on the application. The vendor with the most seniority (minus any demerit points) will be assigned his/her first preferred zone or site, the next vendor assigned to his/her first available preferred zone or site, and so on; until all applicants have been assigned a zone or site or until all are full. If applicants remain after all LNV areas are filled, a waiting list will be created, using the same seniority system. Late applicants and vendors who forfeit their Late Night assignment will be placed at the bottom of the waiting list. Any zone or site that becomes available during the vending season after initial assignments have been made shall be offered to the highest-ranking vendor on the waiting list.

(Am. by ORD-09-00066, 4-2-09; ORD-11-00064, 5-4-11; ORD-14-00092, 5-7-14)

5. Demerit Points for Late Night License Applications. One (1) year of seniority will be subtracted for each demerit point described below:

a. One (1) demerit point will be assessed for any violation of Sec. 9.13, the Regulations adopted thereto, or any other violation listed in Sec. 9.13(8)(a) (except for serious health code violations described below). A violation counts as a demerit point if charged in a citation or civil or criminal complaint with a date of violation in the previous vending season.

b. Serious Health Code Violations. Five (5) demerit points will be assessed if the applicant's food and drink permit has been suspended or revoked for seven (7) or more consecutive days during the previous vending season, or if the applicant's vending cart or mobile base kitchen has been ordered by the Public Health Madison and Dane County to suspend or cease all operations for seven (7) or more consecutive days during the previous vending season. (Am. by ORD-15-00009, 1-28-15)

c. For purposes of Sec. 9.13(6)(n)5.a. and b., violations issued to the person named on the basic street vending license, the holder of the mobile cart license(s), if applicable, and the person or business listed as the applicant for the Late Night Vending license will all be counted.

d. If an applicant's vending license has ever been suspended or revoked under Sec. 9.13(8), the number of days the license was been suspended or revoked shall be subtracted from the total number of days counted for seniority. Suspensions or revocations against the person named on the basic street vending license and the person or business applying for the late night vending license shall be counted.

6. Late Night Vending License Fees. Late Night Vending licenses are issued per food vending cart or stand, valid from April 15 to April 14, with the following fees:

a. Small push-carts that can be moved by hand, of a size and construction that does not meet the definition of "vehicle" under Wis. Stat. § 340.01(74) and that fit entirely within a footprint of 4 feet by 8 feet: $200/annual.

b. All other food vending carts or stands: $500/annual.

(Am. by ORD-14-00050, 3-6-14)

7. Violations. No person shall conduct the activities for which an LNV license is required herein without having been issued a valid LNV license, and no person shall vend in any LNV zone or site without being assigned to that zone or site. For those areas listed in Sec. 9.13(6)(n)3., no person shall vend in a location other than one of the assigned sites. No person shall violate any other provision of Sec. 9.13(6)(n).

(Sec. 9.13(6)(n) Am. by ORD-09-00037, 3-14-09; ORD-14-00062, 3-26-14)

(Sec. 9.13(6) Am. by Ord. 12,009, Adopted 1-6-98; Am. by Ord. 12,557, Adopted 3-21-00)

(7) Regulations and Procedures for Vending in High Density Vending Areas.

(a) Purpose and Regulating Authority. It is the intent of the Common Council to control and regulate the use of streets and sidewalks to the end that the safe use of sidewalks by pedestrians is ensured and the health, safety and general welfare of the public is protected and maintained. Consistent with this policy, the purpose of these regulations is to assure the safe and orderly performance of selling on streets, sidewalks, alleys and public squares in "high density vending areas" as defined herein. The Vending Oversight Committee (VOC) is empowered to create additional regulations governing vending in High Density Vending Areas as defined herein, not inconsistent with the provisions of Sec. 9.13 or these Ordinances, and subject to Common Council approval. The VOC shall submit proposed regulations to the Common Council by formal resolution or report. Any such regulations shall be effective upon adoption of the sponsoring resolutions or report, and a copy of any adopted regulations shall be maintained on file at the offices of the City Clerk and the Department of Planning and Community and Economic Development.

(b) Definition of High Density Vending Area. High density vending areas are those areas which because of special circumstances, including but not limited to the location, the proximity of a business district or public buildings, the intensity and density of vending, the amount of pedestrian and/or vehicular traffic or the proximity to fairgrounds, parks, stadiums or other areas where special events are held require special regulations and restrictions to protect the health, safety and general welfare of the public and to maintain the good order of the City. The following locations are established as high density vending areas:

1. "Langdon Street High Density Vending Area" includes the 700-800 blocks of Langdon Street between Park and Lake streets on both the north and south sides of the street. (Am. by Ord. 13,046, 4-9-02)

2. "Camp Randall High Density Vending Area" includes the following: The 10-200 blocks of North Spooner Street and Lathrop Street (between University Avenue and Regent Street); the 10 block of South Breese Terrace and the 10-200 blocks of North Breese Terrace (between University Avenue and Monroe Street); the 100-200 blocks of North Randall Avenue (between Campus Drive and Monroe Street); the 1400-1700 blocks of Regent Street (between Spooner Street and Randall Avenue); the 1400-1600 blocks of Monroe Street (between Garfield Street and North Randall Avenue); the 1600 and 1700 blocks of Chadbourne Avenue, Hoyt Street and Summit Avenue (between North Spooner Street and North Breese Terrace); the 1500 block of Madison Street (between Regent Street and Oakland Avenue); the southern half of the 1500 block of Jefferson Street (from 1403 Jefferson Street south to Oakland Avenue); the 800 block of Oakland Avenue (between Regent Street and Madison Street); Crazylegs Lane from Regent Street to Monroe Street; and Little Street from Breese Terrace to Monroe Street. (Am. by ORD-11-00131, 9-28-11)

(c) High Density Vending License Required. No person shall sell or offer for sale any services, goods, foodstuffs or any other article of any kind in a high density vending area as established in this section unless a high density vending license for the specified high density vending area, in addition to all other licenses or permits required by law or ordinance, has been obtained. All goods or services sold at the high density vending site must be capable of immediate delivery at the vending site at the time of sale. The sale of goods or services that are not immediately delivered on the site is prohibited. Each high density vending area license shall be issued subject to the applicable restrictions in the Madison General Ordinances and any regulations relating to high density vending promulgated by the Vending Oversight Committee (VOC) and approved by the Common Council. The licensee shall display the High Density Vending License conspicuously within the high density vending site. (Am. by Ord. 12,793, 4-9-01; Ord. 13,046, 4-9-02)

(d) Vendor. To be eligible for a license to vend in a high density vending area a vendor may be one, two or three individuals regularly involved in the sale of the food, merchandise or service. The vendor listed on the application and license and any other person conducting vending at the vending site must hold a valid Basic Street Vendor License under Sec. 9.13(3). A vendor may also use other individuals solely to assist as helpers at the vending site provided that these individuals may not engage in any vending activities. Activities such as operating vending vehicles, loading and unloading, food or drink preparation, arranging or stocking merchandise, may be considered acceptable assistance activities. No unlicensed assistant shall sell, offer for sale, accept money, engage in prolonged commercial interactions or other transactions with customers or engage in any other direct vending activities. (Am. by Ord. 12,793, 4-9-01; Ord. 13,046, 4-9-02; ORD-09-00066, 4-2-09)

(e) Application for High Density Vending Licenses and Fees. Application for a High Density Vending License shall be filed with the designee of Director of Planning and Community and Economic Development and shall contain the name and photograph of the individual responsible for all activities at the vending site, any other information as the Clerk or Director of Planning and Community and Economic Development, or designee and the Regulations Governing Vending in the High Density Vending Area. Only one (1) High Density Vending License may be issued to a vendor as defined in Sec. 9.13(7)(d) for each High Density Vending Area during any single vending period. All license fees shall be paid to the City Treasurer. The following types of High Density Vending licenses are available:

1. Camp Randall Football Season License. A football season license shall be effective only in the Camp Randall High Density Vending Area and only on the days on which official University of Wisconsin football games are held at the stadium. The fee shall be four hundred seventy-five dollars ($475) for vendors selling goods/services and six hundred dollars ($600) for vendors selling food. Such license shall set forth the exact days on which such business may be carried on.

2. Langdon Street 30-Day License. A thirty (30) day license for the sales of goods and services is available for the Langdon Street High Density Vending Area. The license fee shall be one thousand dollars ($1000). (Am. by ORD-14-00050, 3-6-14)

3. A vendor to whom a High Density Vending License has been issued under this subsection shall inform the designee of the Director of the Department of Planning and Community and Economic Development of any

change of address of the primary vendor named on the license, in writing, if the address change occurs during the time period for which the license was issued.

(Sec. 9.13(7)(e) Am. by Ord. 12,022, 2-16-98; 12,358, 3-30-99; 12,557, Adopted 3-21-00; Am. by Ord. 12,793, 4-9-01; Ord. 13,046, 4-9-02; Ord. 13,506, 2-10-04; ORD-16-00020, 3-7-16)

(f) Liability Insurance. To hold a valid high density vending area license, the vendor must have in force adequate liability insurance as defined in Sec. 9.13(6)(m) of the Madison General Ordinances.

(g) Vending Sites. The Vending Oversight Committee (VOC), after considering the recommendations of the Department of Planning and Community and Economic Development, the Department of Transportation and the Police Department, shall determine by regulation subject to approval by the Common Council the number, size, location, and method of site assignment for vending sites in High Density Vending Areas. Each vending site may be occupied by only one vendor at a time and no vendor may occupy more than one vending site at any given time. The mere possession of a valid high density vending license shall not in and of itself entitle the vendor to the use of a high density vending site on a specific day or a minimum number of days during the vending year. (Am. by Ord. 12,793, 4-9-01; Am. by Ord. 13,272, 3-11-03)

(h) Miscellaneous Regulations.

1. Vehicles Prohibited. No vendor shall drive or permit another to drive a motor vehicle upon any sidewalk area for the purpose of depositing vending carts or other equipment thereon. This prohibition does not apply to permanent or temporarily established driveways.

2. Vendor Parking Regulated. No vendor or any person assisting a vendor shall park, stop or leave standing within the perimeter of the high density vending area any vehicle for a period longer than the applicable time limit established in Chapter 12 of the Madison General Ordinances.

3. Vending Hours. No vending shall occur except between the hours of 8:00 a.m. and midnight. All vending equipment including carts, tables, apparatus and merchandise shall be removed from the entire vending site during times when vending is prohibited. (Am. by ORD-15-00092, 9-11-15)

4. Relocation of Vendors. The Director of Planning and Community and Economic Development or designee has the authority to relocate designated vending sites elsewhere in the high density vending area or to eliminate them in the interest of public safety during construction or when temporary bus stops or routes are added on streets in high density vending areas and, as necessary, so as to avoid interference with activities and equipment which are part of a special event for which a street use permit has been issued pursuant to Sec. 10.056 of the Madison General Ordinances. Additionally, the Superintendant of Parks, with approval of the Director of Planning and Community and Economic Development, may relocate vending sites and create additional, temporary sites in these vending areas when deemed in the best interests of the City. Any vendor operating in such temporary sites must hold all licenses required for vending in the relocated or temporary site and, if applicable, pay any additional daily license fee established by the City. Nothing in this paragraph shall limit the authority of the Police to temporarily relocate or remove a vending site in the case of an emergency. (Am. by ORD-12-00043, 4-19-12)

5. Special Restrictions on Vending in the Camp Randall High Density Vending Area. In light of the special physical characteristics and unique needs arising in the Camp Randall High Density Vending Area, the following special restrictions shall apply:
   a. Vending equipment and displays may be directed toward the street provided that there is a distance of at least five (5) feet between the nearest edge of the vending site and the adjacent street curb.
   b. Vending sites established pursuant to Section 9.13(7)(g) may be located in unpaved portions of the street right-of-way as appropriate.
   c. The requirement to obtain a High Density Vending Area License shall not apply to ambulatory vendors engaged solely in the resale of tickets for the stadium event of the same day provided the vendor possess a valid Basic vending license and photo identification badge issued pursuant to Section 9.13(3) of the Madison General Ordinances. (Am. by ORD-15-00091, 9-11-15)
   d. Camp Randall High Density sites U (former Kiwanis lease area) and V (former Shriners lease area) may include city-owned land that is not the street or sidewalk, as indicated on the official map attached to the Regulations Governing Vending in the High Density Vending Area. (Cr. by ORD-15-00092, 9-11-15)
6. Changes to Vending Site Dimensions. The approved dimensions of a High Density Vending site are not guaranteed to remain available. Public construction, street improvements or redesign may result in a vending site being moved, reduced in size or eliminated at any time. All vending site dimensions are subject to change if the City makes changes to the construction of the sidewalk and/or streetscape that affect the vending site, including but not limited to the addition or removal of planters, trees, benches, bike racks, bus shelters, sculptures, or any other public amenity. (Cr. by ORD-10-00013, 2-4-10; Am. by ORD-15-00092, 9-11-15)

(Sec. 9.13(7) Am. by Ord. 12,009, Adopted 1-6-98)

(8) Procedure for Revocation, Suspension or Nonrenewal of Vending License.

(a) General Procedure. In addition to any other penalty provided under this Chapter, any category or type of street vending license issued hereunder may be revoked, suspended or not renewed for a stated period of time or otherwise limited by the imposition of conditions or restrictions by the Common Council, after notice and hearing as provided herein, for any of the following: any violation of Sec. 9.13 or any rules adopted pursuant thereto; any violation of Sec. 10.056; serious or repeated violations of Chapter 7; serious or repeated violations of Chapter 12 restrictions on parking, stopping or standing; any violations of any other Madison General Ordinance or state statute where the circumstances of the offense are substantially related to vending activities. (Am. by ORD-09-00066, 4-2-09)

1. The Director of Planning and Community and Economic Development, upon his/her own initiative, or with the recommendation of the Superintendent of Parks, Director of Public Health Madison and Dane County, the Traffic Engineer or the Chief of Police, may commence proceedings under Sec. 9.13(8)(a) at any time. In addition, if a licensee has committed three (3) or more violations described above within twelve (12) months, as charged in citations or civil complaints, the Director of Planning and Community and Economic Development or designee shall commence proceedings under this subsection. Any such proceedings shall be brought in a hearing before the Vending Oversight Committee (VOC). (Am. by ORD-15-00009, 1-28-15)

2. The licensee shall be notified in writing of the charges, the right to a hearing, and the date, place and time for the hearing at least ten (10) calendar days prior to the hearing. At the hearing the Director of Planning and Community and Economic Development, or designee, shall present evidence of the alleged violation(s). The parties shall have the opportunity to question witnesses, may call witnesses in their own behalf or may be represented by counsel. All testimony shall be recorded. At the conclusion of the hearing the VOC shall make findings and recommendations and shall direct the Director of Planning and Community and Economic Development, or designee, to report its findings and recommendations to the Common Council and to the alleged violator within five (5) working days.
3. The Common Council shall convene to consider the report and recommendations of the Committee within thirty (30) calendar days of the Committee recommendation, or at the earliest possible time after thirty (30) days that a quorum can be attained. If the Director of Planning and Community and Economic Development, or designee, or alleged violator wishes to present any additional evidence they may do so and the Common Council may upon its own motion consider additional evidence as necessary to fairly decide the issue.
4. After due consideration of the fact finding report, the recommendations of the VOC and any additional evidence presented, the Common Council may by majority vote suspend the license holder's license for a period of time not to exceed six (6) months or revoke or not renew the license for a period not to exceed one year or place conditions or restrictions on the license for the remainder of the vending year in accordance with (c) below. The violator shall be notified within five (5) working days of the findings and determination of the Common Council.
5. The decision of the Common Council shall be a final determination and shall be subject to review in court as may be provided by law. Any person aggrieved by the decision may seek review thereof within thirty (30) days after the date of the final determination.

(b) Special Procedure for Certain Complaints Relating to Mall Vendor License.

1. Whenever a complaint is made that a license holder is in violation of the provisions of this Chapter or of regulations adopted hereunder relating to the requirements that all food or goods offered for sale or sold by a Mall Vendor be personally prepared or handcrafted, the complaint shall be in writing stating the specific provision violated and signed by the person making it. A complaint made upon the initiative of the Director of Planning and Community and Economic Development, or designee, or the Vending Oversight Committee (VOC) shall be signed by the Director of Planning and Community and Economic Development or designee or the chair of the Committee respectively. The Director of Planning and Community and Economic Development, or designee will immediately send a copy of the complaint to the alleged violator.
2. Thereafter, the Director of Planning and Community and Economic Development, or designee, and one member of the VOC who is not the Chair shall promptly investigate the allegations made in the complaint. This investigation may include inspection of the alleged violator's work place and method of operation, review of written evidence in the form of invoices and other business records, interview of witnesses and other relevant areas of inquiry. The investigation and a written report of the fact-finding shall be completed within ten (10) business days. If the report

determines that there is probable cause to believe that a violation has been committed relating to the requirements that all food be personally prepared and all goods be handcrafted, the process set forth in (8)(a)1. through 5. above shall be instituted. If the fact-finding concludes that the allegations are unsubstantiated, the report shall be submitted to the VOC at its next regular meeting. The VOC may, by majority vote, accept the report or request that further investigation be conducted.

(Am. by Ord. 12,419, 7-23-99)

(c) Placement of Restrictions or Conditions. In lieu of revocation or suspension, the Common Council may by majority vote place reasonable conditions or restrictions on the license for the remainder of the vending year in order to effectuate the provisions of this chapter and ensure compliance by the license holder. No condition imposed may be contrary to or inconsistent with any ordinance, regulation or statute regulating vending activities. Permitted restrictions or conditions may only include the following: quantity and size of display tables and other equipment; days or hours of operation; monitoring of vending site by licensee; number of attendants or sales persons at site. If any licensee shall fail or neglect to comply with the conditions or restrictions imposed by the Common Council her/his license may be suspended or revoked in accordance with this section.

(d) Vending While License is Suspended or Revoked Prohibited. No person or business whose vending license issued under Sec. 9.13 has been suspended or revoked under sub. (8) shall participate in street vending as described in 9.13(1), or conduct any other activity for which the license in question is required, while that license is suspended or revoked. Any such violation shall be punishable by forfeiture under Sec. 9.13(9) and this penalty shall be in addition to any other penalty or consequence available under these Ordinances. (Cr. by ORD-08-00130, 11-22-08)

(Sec. 9.13(8) Cr. by Ord. 12,009, Adopted 1-6-98)

(9) Enforcement; Penalties. The Director of Planning and Community and Economic Development, or designee, is authorized to enforce the provisions of Sec. 9.13 and any regulations adopted pursuant to the procedures set forth in Sec. 9.13. Any person or licensee violating any provision of Section 9.13 or the regulations adopted hereto shall be subject to a forfeiture of not less than thirty dollars ($30) nor more than three hundred dollars ($300.00) for each separate violation of the ordinance or regulation.

Nothing in this subsection shall bar or in any way affect proceedings under Section 9.13(8) entitled "Procedure for Revocation, Suspension or Nonrenewal of Vending License."

Neither shall proceedings under Section 9.13(8) bar the City from prosecuting for violations of Sec. 9.13 or any other law or ordinance.

(Sec. 9.13(9) Cr. by Ord. 12,009, Adopted 1-6-98; Am. by Ord. 12,557, Adopted 3-21-00; Am. by ORD-08-00130, 11-22-08)

(10) Southeast Campus Vending Area. The Southeast Campus Vending Area is established due to circumstances present within this geographic location, including but not limited to the proximity of business, university, and residential uses, buildings situated primarily with zero setbacks, high volume of pedestrian traffic, varying sidewalk space, and the volume of vehicle traffic, making this area appropriate to limit street vending to assigned sites only with regulations in addition to the city-wide vending requirements elsewhere in this ordinance.

(a) Vending Area. The Southeast Campus Vending Area shall be established within a perimeter specified on an official vending area map, approved by the Vending Oversight Committee and maintained in the Office of Business Resources. The Vending Oversight Committee (VOC) shall approve the perimeter of the area by

approving the official map. Any subsequent changes to the perimeter shall be upon the recommendation of the VOC to the Common Council as an amendment of this ordinance.

(b) Limited Hours. Vending in the Southeast Campus Vending area shall be from 9:00 a.m. to 8:00 p.m. Vending at any other time in this area is prohibited.

(c) Type of Vending Permitted in Southeast Campus Vending Area, Equipment. Vending in this area shall be limited to food vending and vending of any non-food items. Equipment permitted within the vending site shall be limited to the following: for food vendors, one food cart, table or stand as allowed for the size of the assigned site, one trash receptacle required by Sec. 9.13(4)(u), and one portable chair may be used. For non-food vendors, one cart, stand or table and one portable chair may be used. All other equipment or loose items are prohibited.

(d) Vending From Assigned Sites Only, Site Size, Locations. Vending in this area shall be from assigned sites only and is prohibited in any other location. The Vending Coordinator shall recommend and the Vending Oversight Committee (VOC) shall establish the number and location of vending sites in the Southeast Campus Vending Area consistent with Sec. 9.13(4) on an official map that shall be maintained by and available at the Office of Business Resources. The VOC may approve subsequent changes to the number and location of vending sites. Any changes to the vending sites shall take effect ten (10) business days after the VOC meeting at which the change was approved. The vending site size shall be the default of 10×12 feet under Sec. 9.13(4)(t), or 4 x 8 feet, and the size shall be specified on the official map. Some sites may be restricted to use by push-cart food vendors only. "Push-cart" shall have the meaning given in Sec. 9.13(6)(n)6.a. (Late Night Vending). All vending activities must take place within the dimensions of the assigned site. All applicable provisions of Sec. 9.13(4) not in conflict with this section shall apply to vending in this area.

(e) No Electrical Sites. There will be no electrical sites, all carts/equipment must be self-powered.

(f) Vending Licenses Required. A two hundred dollar ($200) annual Southeast Campus Vending Area license, and a Basic Street Vendor license, shall be required to vend in this area. The Southeast Campus license will be valid from April 15 to April 14 and only available to those assigned a site in this area. Additionally, every person working or performing vending activities at an assigned site in this area must hold a valid basic street vendor license under Sec. 9.13(3). No person shall vend (as defined in Sec. 9.13(1)) in the Southeast Campus Vending area without the licenses required hereunder. (Am. by ORD-14-00050, 3-6-14; ORD-16-00020, 3-7-16)

(g) Application, Site Assignment Procedure.

1. Application. Vendors holding a basic street vendor license may apply for a site assignment and a Southeast Campus Vending License at the Office of Business Resources, using an application form created by the Vending Coordinator. Applications must be filed no later than April 1 to be eligible for site assignment for the upcoming vending season (April 15-April 14). The vendor must accept the site in writing and purchase a Southeast Campus license within ten (10) calendar days of receiving notification of the site assignment, or will forfeit the site assignment. Failure to use an assigned vending site by June 1st will result in forfeiture of the site assignment. Only one (1) Southeast Campus site will be assigned per vendor, and site assignments are not transferrable.

2. Site Assignment (Seniority System). Site assignment shall be determined by seniority. Seniority shall be calculated by counting the number of consecutive, uninterrupted years the applicant has purchased a basic street

vendor license (of any duration) under Sections 9.13(3)(a)1. or 2., counting backwards from the present and subtracting any demerit points. However, a vendor may take one (1) vending season as a sabbatical (not purchase a license that season) without losing seniority, but that year will not be counted toward the vendor's total number of years of seniority. If a vendor takes two (2) sabbaticals in a three (3) year period, the vendor will lose all years of seniority and be placed at the bottom of the seniority list upon their next application for a site. For individual applicants, the name on the Southeast Campus application and the basic street vendor license used for seniority must be the same. If the applicant is a business organization, the basic street vendor license used for seniority must be in the name of an officer, member, partner, or the sole proprietor of the business. If more than one applicant has held a basic street vendor license for the same number of years, the date, and if necessary, time of day the license was issued, will determine seniority. If the date and/or time is not available, seniority will be determined by a coin toss conducted by the Vending Coordinator or designee. Applicants shall list three (3) site preferences on the application. The vendor with the most seniority (minus any demerit points) will be assigned his/her first preferred site, the next vendor assigned to his/her first available preferred site, and so on; until all applicants have been assigned a late night site or until the sites are full. If applicants remain after all sites are filled, a waiting list will be created, using the same seniority system. Late applicants and vendors who forfeit their Southeast Campus assignment will be placed at the bottom of the waiting list. Any site that becomes available after initial site assignments have been made shall be offered to the highest-ranking vendor on the waiting list.

(Am. by ORD-11-00064, 5-4-11)

3. Demerit Points. One (1) year of seniority will be subtracted for each demerit point described below:

   a. One (1) demerit point will be assessed for any violation of Sec. 9.13, the Regulations adopted thereto, or any other violation listed in Sec. 9.13(8)(a) (except for serious health code violations described below). A violation counts as a demerit point if charged in a citation or civil or criminal complaint with a date of violation in the previous vending season.

   b. Serious Health Code Violations: Five (5) demerit points will be assessed if the applicant's food and drink permit has been suspended or revoked for seven (7) or more consecutive days during the previous vending season, or if the applicant's vending cart or mobile base kitchen has been ordered by the Public Health Madison and Dane County to suspend or cease all operations for seven (7) or more consecutive days during the previous vending season. (Am. by ORD-15-00009, 1-28-15)

   c. For purposes of Sec. 9.13(6)(n)5.a. and b., violations issued to the person named on the basic street vending license, the holder of the mobile cart license(s), if applicable, and the person or business listed as the applicant for the Southeast Campus vending site will all be counted.

   d. If an applicant's vending license has ever been suspended or revoked under Sec. 9.13(8), the number of days the license was been suspended or revoked shall be subtracted from the total number of days counted for seniority. Suspensions or revocations

against the person named on the basic street vending license and the person or business applying for the late night vending license shall be counted.

(h) Relocation of Vendors. The Director of Planning and Community and Economic Development and the Chief of Police, or designees, have the authority to temporarily relocate vending sites elsewhere within the Southeast Campus Vending Area, or to eliminate them in the interest of public safety during construction or emergencies or for other reasons expressly provided elsewhere in these ordinances. The Superintendant of Parks, with approval of the Director of Planning and Community and Economic Development, may relocate vending sites and create additional, temporary sites in this vending area and offer such sites to licensed vendors for a daily license fee, when deemed in the best interests of the City. Any vendors operating in such sites must hold all licenses required for Southeast Campus vending and, if applicable, pay any additional daily license fee established by the Superintendant of Parks. Nothing in this ordinance shall be construed to limit the authority of the police to temporarily relocate or eliminate a vending site in the case of an emergency. (Am. by ORD-12-00043, 4-19-12)

(Sec. 9.13(10) Cr. by ORD-10-00042, 4-27-10)

(11) UW Football Game Day Vending Area. The purpose of the UW Football Game Day vending area is to establish assigned sites for Basic Street Vending on Regent Street and other streets near Camp Randall Stadium on days when there is a UW home football game. This area is outside the perimeter of the Camp Randall High Density Area but close enough to the stadium to require assigned vending sites due to the very high volume of vehicle and pedestrian traffic on UW home football game days.

(a) Vending Area. The UW Football Game Day Vending Area shall be established within a perimeter specified on an official vending area map, approved by the Vending Oversight Committee (VOC) and maintained in the Office of Business Resources. The VOC shall approve perimeter of the area by approving the official map at meeting of the VOC. Any subsequent changes to the perimeter shall be voted on by the VOC at a properly-noticed meeting.

(b) Dates and Times. The UW Football Game Day Vending Area is only in effect from 12:00 a.m. to 11:59 p.m. on days when the University of Wisconsin Football team has a home game at Camp Randall Stadium. The time restrictions applicable to city-wide vending in residential areas in Sec. 9.13(4)(r) apply to all street vending in this area, including on game days.

(c) Vending License Required. Every person working or performing vending activities at an assigned site in this area must hold a valid basic street vendor license under Sec. 9.13(3). No additional vending license is required. No person shall vend (as defined in Sec. 9.13(1)) in the UW Football Game Day Vending Area without the licenses required hereunder.

(d) Vending From Assigned Sites Only, Site Size, Locations. All street vending in this area shall be from assigned sites only and is prohibited in any other location within the vending area, with the exception of vendors holding a valid basic street vending license and conducting entirely mobile vending of non-food items only, without the placement of any equipment, merchandise or other supplies on the ground. Such licensed street vendors may vend merchandise in this area with or without an assigned site, in compliance with all other applicable requirements of Sec. 9.13, MGO. The Vending Coordinator shall recommend and the VOC shall establish and make changes to the number and location of assigned vending sites on the official map adopted under par. (a) above. Once established by the VOC, a site may be limited to food or non-food only by the Vending Coordinator. The default vending site size for this area shall be four feet by eight feet (4' × 8') for non-food and ten feet by twelve feet (10' × 12') for food, unless another size is

specified on the official map. All vending activities must take place within the dimensions of the assigned site. All applicable provisions of Sec. 9.13(4) not in conflict with this section shall apply to vending in this area.

(e) Type of Vending Permitted in Regent Street UW Football Game Day Vending Area. Any items that may be sold with a basic street vending license may be sold be in this vending area, subject to applicable health codes and other laws, and subject to the Vending Coordinator's designation of the site as a food-only or non-food only, under Sec. 9.13(11)(d) above.

(f) Equipment. All equipment must fit into the footprint of the assigned vending site and must comply with all applicable provisions of Sec. 9.13(4) not in conflict with this section.

(g) No Electrical Sites. There will be no electrical sites, all equipment must be self-powered.

(h) Application, Site Assignment Procedure.

1. Application. Applications for a site assignment in the UW Football Game Day Vending Area shall be filed at the Office of Business Resources, using an application form created by the Vending Coordinator. To be guaranteed an assigned site for the first home football game, applications shall be filed by the last Friday in July. Applications will be accepted after this date and throughout the UW Football season if spaces remain available. Site assignments are valid for the duration of the UW football season. Once approved, the vendor must accept the assigned site in writing and obtain a current Basic Street Vendor license within ten (10) calendar days of receiving notification of the site assignment, or will forfeit the site assignment. Only one (1) UW Football Game Day Vending Area site will be assigned per vendor, and site assignments are not transferrable.

2. Site Assignment (Seniority System). Site assignment shall be determined by consecutive years of seniority. Seniority shall be calculated by counting the number of consecutive, uninterrupted years the applicant has purchased a basic street vendor license (of any duration) under Sections 9.13(3)(a)1. or 2., counting backwards from the present and subtracting any demerit points. However, a vendor may take one (1) vending season as a sabbatical (not purchase a license that season) without losing seniority, but that year will not be counted toward the vendor's total number of years of seniority. If a vendor takes two (2) sabbaticals in a three (3) year period, the vendor will lose all years of seniority and be placed at the bottom of the seniority list upon their next application for a site. For individual applicants, the name on the application and the basic street vendor license used for seniority must be the same. If the applicant is a business organization, the basic street vendor license used for seniority must be in the name of an officer, member, partner, or the sole proprietor of the business. If more than one applicant has held a basic street vendor license for the same number of years, the date, and if necessary, time of day the license was issued, will determine seniority. If the date and/or time is not available, seniority will be determined by a coin toss conducted by the Vending Coordinator or designee. Applicants shall list three (3) site preferences on the application. The vendor with the most seniority (minus any demerit points) will be assigned his/her first preferred site, the next vendor assigned to his/her first available preferred site, and so on; until all applicants have been assigned a site or until the sites are full. If applicants remain after all sites are filled, a waiting list will be created, using the same seniority system. Late applicants and vendors who forfeit their UW Football Game

Day Vending Area assignment will be placed at the bottom of the waiting list. Any site that becomes available after initial site assignments have been made shall be offered to the highest-ranking vendor on the waiting list.

3. Demerit Points. One (1) year of seniority will be subtracted for each demerit point described below:
   a. One (1) demerit point will be assessed for any violation of Sec. 9.13, the Regulations adopted thereto, or any other violation listed in Sec. 9.13(8)(a) (except for serious health code violations described below). A violation counts as a demerit point if charged in a citation or civil or criminal complaint with a date of violation in the previous vending season.
   b. Serious Health Code Violations. Five (5) demerit points will be assessed if the applicant's food and drink permit has been suspended or revoked for seven (7) or more consecutive days during the previous vending season, or if the applicant's vending cart or mobile base kitchen has been ordered by the Public Health Madison and Dane County to suspend or cease all operations for seven (7) or more consecutive days during the previous vending season. (Am. by ORD-15-00009, 1-28-15)
   c. For purposes of Sec. 9.13(6)(n)5.a. and b., violations issued to the person named on the basic street vending license, the holder of the mobile cart license(s), if applicable, and the person or business listed as the applicant for the Southeast Campus vending site will all be counted.
   d. If an applicant's vending license has ever been suspended or revoked under Sec. 9.13(8), the number of days the license was suspended or revoked shall be subtracted from the total number of days counted for seniority. Suspensions or revocations against the person named on the basic street vending license and the person or business applying for the UW Football Game Day site shall be counted.

(i) Relocation of Vendors. The Director of Planning and Community and Economic Development and the Chief of Police, or designees, have the authority to temporarily relocate vending sites elsewhere within the UW Football Game Day Vending Area, or to eliminate them in the interest of public safety during construction or emergencies or for other reasons expressly provided elsewhere in these ordinances. Additionally, the Superintendant of Parks, with approval of the Director of Planning and Community and Economic Development, may relocate vending sites and create additional, temporary sites in this vending area when deemed in the best interests of the City. Any vendor operating in such temporary food sites must hold all licenses required for vending in the relocated or temporary site and, if applicable, pay any additional daily license fee established by the City. Nothing in this ordinance shall be construed to limit the authority of the police to temporarily relocate or eliminate a vending site in the case of an emergency. (Am. by ORD-12-00043, 4-19-12)

(Sec. 9.13(11) Cr. by ORD-11-00111, 8-10-11)

(12) Top of State Vending Overlay District Area. The Top of State Vending Overlay District ("TOSVOD") is established due to circumstances present within this geographic location within the State Street Mall/Capitol Concourse Vending Area. Those circumstances include the proximity of business, museums, the State Capitol, and residential uses; varying sidewalk space with some buildings with zero setbacks in close proximity to large open spaces on North Carroll and West Mifflin Streets; high volume of pedestrian traffic; the volume of transit, delivery and vehicle traffic; all making this area appropriate for

additional street vending opportunities beyond those currently permitted in the Mall/ Concourse vending area, including those that encourage retail business incubators, micro-business, and entrepreneur opportunities with an emphasis on products that translate to brick and mortar retail.

(a) Definitions.

"Director" shall mean the Director of the Department of Planning and Community and Economic Development, or designee.

"Mall/Concourse Regulations" shall mean the Regulations Governing Vending in the State Street Mall/Capitol Concourse Vending Area.

"Satellite Sidewalk Café" ("satellite café") shall mean a sidewalk café located in the TOSVOD as described in sub. (d)7. herein.

"Sidewalk Café" shall mean a Mall/Concourse Sidewalk Café as defined in Sec. 9.13(6)(e)8.

(b) Vending Area. The Top of State Vending Overlay District is established as an overlay area within the Mall/Concourse Vending Area, with its perimeter specified on an official map approved by the Vending Oversight Committee and maintained in the Office of Business Resources. The Vending Oversight Committee (VOC) shall approve the perimeter of the area by approving the official map and may approve changes to the perimeter using the same process.

(c) Vending Sites. Vending sites in this area will be as follows:

1. A variety of TOSVOD sites with the exact number and location will be determined by the Director and set forth on the official TOSVOD map created under sub. (b) and maintained on file at the Office of Business Resources. Vending site size shall be 10×12 feet as required by Sec. 9.13(4)(t). In determining the number and location of sites the Director shall comply with all applicable provisions of Sec. 9.13(4). All vending activities must take place within the dimensions of the assigned site.
2. Satellite Sidewalk Café sites.
3. Existing Mall/Concourse food vending sites.

(d) Vending Permitted in Top of State Vending Overlay District. Vending in this area shall be limited to the following enumerated items:

1. Mall/Concourse Food Vending. Any designated Mall/Concourse food vending sites within the TOSVOD shall remain in effect and vending from these sites is regulated by Sec. 9.13(6) and the regulations adopted therein.
2. Mobile Merchant Vending. Businesses holding a current Merchant Vending License under Sec. 9.13(6)(h)1.d. may vend merchandise from their business and the other items permitted for licensed TOSVOD vendors, in a TOSVOD site.
3. Food. Licensed TOSVOD vendors may sell farmers market products and value-added food products from a TOSVOD site.
4. Handcrafted Goods. Licensed TOSVOD vendors and licensed Arts and Crafts Vendors may sell handcrafted goods as defined in Sec. 9.13(6)(e)3. from a TOSVOD site.
5. Upcycled Goods. Goods that are created by re-using discarded objects or material in such a way as to create a product of higher value than the original parts may be sold by a licensed TOSVOD vendor in a TOSVOD site.
6. Other Goods. Licensed TOSVOD vendors may sell other goods, not listed above, that may lawfully be sold with a Basic street vending license and which the Director determines:
   a. Are sold with the intent that the vendor could eventually become a brick and mortar retailer, and

b. Are not merchandise that derives from a consultant-driven business that prohibits brick and mortar stores as a part of its businesses model.

7. Satellite Sidewalk Cafés.

a. Eligibility. A restaurant holding a food and beverage license located within or directly adjacent to the TOSVOD perimeter is eligible for a satellite sidewalk café in the TOSVOD as set forth herein.

b. Location, Equipment. Size and placement of a satellite café shall be on a case-by-case basis at the discretion of the Director taking into account the location of other sites in the TOSVOD, the placement criteria below and applicable provisions of Sec. 9.13(4). Such cafés shall be subject to the furniture, enclosure and equipment requirements for sidewalk cafés in the Mall/Concourse Regulations, except that the Director may approve modified enclosures when existing features of the streetscape provide a sufficient barrier to serve as a portion of the enclosure for the café space that will comply with ADA requirements and other safety concerns, upon consultation with the Mall Maintenance crew and the Police Department. In addition, each satellite café shall include, within the confines of the café enclosure, or on the enclosure, signage not to exceed 10 x 12 inches in area, to identify the restaurant holding the license.

c. Placement Criteria. The paved portion of the adjacent sidewalk must be at least nine (9) feet wide, the entire sidewalk area proposed for café placement must be paved with concrete, asphalt, cement, brick, pavers or other impervious surface, and placement of the café must allow at least six (6) feet of unobstructed public pedestrian walkway on the adjacent public sidewalk. A satellite café shall not be placed in a location where, in the opinion of the Director, the grade or slope is prohibitive, if the location does not offer a sufficiently level surface for food and drink service, of if café placement would present a safety hazard due to any other elements of the topography or layout of the sidewalk, regardless of the width or available square footage of the right of way within the TOSVOD.

d. Satellite Café Fee. The license fee for a satellite café for an establishment that does not already have a traditional sidewalk café shall be the same as a Mall/Concourse Sidewalk Café under Sec. 9.13(6)(h)3.a.iv. Establishments that hold a current license for a traditional sidewalk café are eligible for a satellite café license without an additional license fee.

e. Eligibility, size, placement and total number of Satellite cafés within the TOSVOD shall be at the discretion of the Director.

f. No Alcohol Service. There shall be no service or consumption of alcohol beverages in a satellite sidewalk café.

8. Other Mall/Concourse Vending. Because the TOSVOD overlays the Mall/Concourse Vending Area, any vending permissible in the Mall/Concourse Vending Area may occur within the TOSVOD with the appropriate license(s) and in compliance with all ordinances and regulations governing such vending.

(e) Hours. The hours for vending in the TOSVOD shall be from 9:00 a.m. to 8:00 p.m., Sunday through Friday, and 3:00 pm. to 8:00 p.m. on Saturdays, with the following exceptions:

1. Licensed Mall/Concourse Food Vendors with a food vending site within the TOSVOD may vend during hours permitted for that license.
2. On dates and times during which a Street Use Permit has been issued for an event in this area, the Street Use Permit shall supersede the TOSVOD vending activities whether or not invalidation of vending licenses have been granted for the event.
3. Vending in the TOSVOD shall be subject to the Snowfall Procedures for Food, Arts/Crafts and Late Night Vendors in Sec. 9.13(6)(l)6.

(f) Equipment. Equipment permitted within this area shall be limited to:

1. TOSVOD Sites. Equipment permitted to be used in an Arts and Crafts Vending site under Sec. 9.13(6)(f) and the Regulations Governing Vending on the State Street Mall/Capitol Concourse Vending Area may be used in a TOSVOD site. Vendors using a TOSVOD site for food under sub. (d)3. herein shall also provide a trash receptacle within their vending site perimeter.
2. Mall/Concourse Food Vending Sites. All equipment permitted for licensed Mall/Concourse Food Vendors may be used in a Mall/Concourse food vending site within the TOSVOD, and all equipment that is required for such vendors shall be used as required elsewhere in this ordinance or the Mall/Concourse Regulations.
3. Satellite Sidewalk Cafés. Equipment permitted for a sidewalk café under Sec. 9.13(6)(e)8., the Mall/Concourse Regulations, and sub. (12)(d)7. herein shall be permitted in a Satellite Sidewalk Café, subject to adequate space at the discretion of the Director.
4. Electricity. None of the TOSVOD sites will have electrical access and all vending operations must be self-powered.

(g) Vending Licenses Required. A fifty dollar ($50) annual TOSVOD license, and a Basic Street Vendor license, shall be required to vend from a TOSVOD site. The TOSVOD license will be valid from April 15 to April 14 and must be purchased prior to using the reservation process in sub. (h)2. Additionally, every person working or performing vending activities at an assigned site in this area must hold a valid Basic Street Vendor license under Sec. 9.13(3). Merchant Vendors defined in Sec. 9.13(6)(h)1.b. holding a valid merchant vending license and vendors holding a valid Mall/Concourse Arts and Crafts vending license under Sec. 9.13(6)(e)1.a. are exempt from paying the TOSVOD license fee in this paragraph and will be issued TOSVOD licenses upon meeting application requirements established by the Director. A separate sidewalk café license shall be required for Satellite Sidewalk cafés under sub. (d)7.d. herein. No person shall vend, as that term is defined in Sec. 9.13(1), in the Top of State Vending Overlay District without the license(s) required hereunder.

(h) Application, Site Assignment Procedure.

1. Application. Vendors may apply for a Basic Street Vendor license and a TOSVOD license through an application process established by the Office of Business Resources. The Director shall establish an application process for those holding a current Sidewalk Café, Merchant Vending or Arts/ Crafts license wishing to vend in the TOSVOD.
2. Site Assignment Calendar for TOSVOD Sites. Reservations for TOSVOD site assignments will be made on a first-come, first-served basis, at the discretion of the Director. The Director shall exercise discretion to curate an appropriate mix of vendors and goods consistent with the purpose of

this area. The Director shall establish a calendar system that allows eligible vendors to view and request certain sites and dates and the Director to assign sites on a month-by-month basis. Holding a TOSVOD license does not guarantee a site assignment on all desired dates and times. Vendors may view the sign-up calendar prior to purchasing a license. Vendors may not sign up for more than six (6) consecutive (excluding Saturdays) days at the same site unless approved in advance by the Director. If applicants remain after all sites are filled, or there are late applications for a monthly assignment cycle, the Director shall create, maintain and administer a waiting list and assign sites to those on the waiting list if any sites become available.

3. Application for Satellite Café. Businesses eligible for a Satellite café shall apply with the Director using the existing Sidewalk Café application procedures set forth in Sec. 9.13(6) and the Mall/Concourse Regulations. If all requirements are met, a separate Satellite Café license shall be issued that includes all of the information required for a Sidewalk Café license in the Mall/Concourse Regulations.

(i) Relocation of Vendors. In addition to the authority set forth elsewhere in this section, the Director and the Chief of Police, or designees, have the authority to temporarily relocate or eliminate vending sites within the Top of State Vending Overlay District Area in the interest of public safety during construction or emergencies or for other reasons expressly provided elsewhere in these ordinances. Nothing in this ordinance shall be construed to limit the authority of the police to temporarily relocate or eliminate vending equipment, activities or sites in an emergency.

(Sec. 9.13(12) Cr. by ORD-17-00045, 4-27-17)

9.14 SOLICITOR'S AND CANVASSER'S PERMITS.

(1) Permit Required. No person shall travel from house to house for the purpose of soliciting contributions for any cause from the occupants thereof, or to canvass for orders for goods, wares, merchandise, or services of any character or description, or for the purposes of offering to give or to furnish any goods, wares, merchandise, or services to any such occupant or to induce or invite such orders, without having first applied for and received from the City Clerk a Solicitor's Permit so to do.

(2) Exemptions. The provisions of this section shall not apply to the following: representatives of Junior Achievement of Madison and the Madison Chapter of the Distributive Education Club; real estate brokers and insurance agents licensed by the state of Wisconsin; candidates for political office; merchants delivering goods in the regular course of business; governmental agents in the performance of their official duties; nor to peddlers licensed under Section 9.15 of the Madison General Ordinances.

(3) Application. Any person desiring to secure such a Solicitor's Permit shall apply therefor in writing over her or his signature to the City Clerk on forms provided by the City, and such application shall state the following: (Am. by ORD-14-00012, 1-14-14)

(a) Name, description and signature of applicant.

(b) A copy of applicant's fingerprints taken by an authorized law enforcement agency, either Municipal, County, State or Federal.

(c) A photograph approximately two inches by two inches (2" x 2") showing the head and shoulders of said person, which has been taken not more than one (1) year prior to such application.

(d) Permanent home address and full local address of the applicant and, in the case of transient merchants, the local address from which proposed sales will be made.

(e) A brief description of the nature of the business and the goods to be sold.

(f) If employed, the name and address of the employer, together with credentials establishing the exact relationship.

(g) The length of time for which the right to do business is desired.

(h) The source of supply of the goods or property proposed to be sold or orders taken for the sale thereof, where such goods or products are located at the time said application is filed, and the proposed method of delivery.

(i) A statement as to whether or not the applicant has been convicted of any crime, misdemeanor, or violation of any municipal ordinance, the nature of the offense and the punishment or penalty assessed therefor.

(j) The three cities or villages where applicant carried on business immediately preceding date of application and the addresses from which such business was conducted in those municipalities.

(k) At the time of filing the application, a nonrefundable fee of one hundred ten dollars ($110) shall be paid to the City Clerk to cover the cost of investigation of the facts stated therein. The fee for an annual renewal application shall be one hundred ten dollars ($110). (Am. by Ord. 9367, 12-21-87; Ord. 13,601, 5-11-04; ORD-06-00154, 11-23-06; ORD-10-00038, 5-1-10)

(4) Group solicitation permit without fee for certain nonprofit organizations. Any nonprofit organization desiring to solicit money or property or desiring to sell or distribute any item of literature or merchandise for which a fee is charged or solicited from persons other than members of such organization upon the streets, in office or business buildings, by house to house canvass, or in public places for a charitable, fraternal, labor, religious, patriotic or political purpose shall be exempt from the provisions of Section (3) of this ordinance provided there is filed a sworn application in writing on a form to be furnished by the City Clerk which shall give the following information:

(a) Name and purpose of the cause for which permit is sought;

(b) Names and addresses of the officers and directors of the organization;

(c) Period during which solicitation is to be carried on;

(d) Whether or not any commission, fees, wages or emoluments are to be expended in connection with such solicitation and the amount thereof.

Upon being satisfied that such organization is a charitable, fraternal, labor, religious, patriotic or political organization, the Clerk shall issue a permit without charge to such organization to solicit in the City. Such organization shall furnish all of its members, agents, or representatives conducting solicitation credentials in writing stating the name of the organization, name of agent and purpose of solicitation.

(5) Investigation and Issuance.

(a) Upon receipt of each application, it shall be referred to the Chief of Police, who shall immediately institute such investigation of the applicant's business and conduct a background check including a criminal history inquiry through the Wisconsin Central Repository and shall endorse the application in the manner prescribed in this section within thirty (30) days after it has been filed by the applicant with the Clerk. (Am. by Ord. 6805, 11-14-79; ORD-16-00008, 1-13-16)

(b) If as a result of such investigation, the applicant's character or business responsibility is found to be unsatisfactory, the Chief of Police shall endorse on such application her/his disapproval and her/his reasons for the same, and return the said application to the City Clerk, who shall notify the applicant in writing that her/his application is disapproved and that no permit will be issued.

(c) If as a result of such investigation, the character and business responsibility of the applicant are found to be satisfactory, the Chief of Police shall endorse on the

application her/his approval and return the application to the City Clerk, who shall deliver the applicant her/his permit. The Clerk shall keep a permanent record of all permits issued.

(Am. by ORD-14-00012, 1-14-14)

(6) Veterans. Any veteran who holds a special state license issued pursuant to Wis. Stat. § 440.51 shall be exempted from the securing of a permit as provided herein. (Am. by Ord. 11,557, 3-29-96)

(7) Exhibition of Permit. Such permit shall be carried at all times by the applicant to whom issued, when soliciting or canvassing in the City, and shall be exhibited by any such applicant whenever he or she shall be requested to so do by any police officer or any person solicited. Each solicitor or canvasser must secure a personal permit. No permit shall be used at any time by other than the person to whom it is issued.

(8) Revocation of Permit. Any such permit may be revoked in writing by the City Clerk for any of the following causes:

(a) Fraud, misrepresentation or false statement contained in the application for license.

(b) Fraud, misrepresentation or false statement made in the course of carrying on her or his business as solicitor, canvasser, peddler, transient merchant, itinerant vendor. (Am. by ORD-14-00012, 1-14-14)

(c) Any violation of this ordinance.

(d) Conviction of any crime or misdemeanor involving moral turpitude.

(e) Conducting the business of peddler, canvasser, solicitor, transient merchant, itinerant merchant or itinerant vendor, as the case may be, in an unlawful manner or in such a manner as to constitute a breach of the peace or general welfare of the public.

(9) Appeal. Any person aggrieved by the action of the City Clerk in the denial or revocation of a permit may appeal to the Administrative Review Board, by following the procedures set forth in Section 9.49(6) of these ordinances. (Am. by Ord. 12,645, 7-7-00)

(10) Reapplication. No applicant to whom a license has been refused or whose license has been revoked shall make further application until a period of at least six (6) months has elapsed unless she or he can show that the reason for such rejection or revocation no longer exists. (Am. by ORD-14-00012, 1-14-14)

(11) Expiration of Permit. No permit shall be issued for a longer period than one (1) year except permits issued between July 1, 2010 and June 30, 2011, shall expire on December 31, 2011. All annual permits issued under the provisions of this ordinance shall expire at midnight on the thirty-first (31st) day of December in the year when issued. Other than annual permits shall expire at midnight on the date specified for expiration in the permit. (Am. by ORD-11-00092, 7-13-11)

(12) Renewal. Renewal licenses shall be obtained on or before December 31 of each year or be subject to a late fee of twenty-five percent (25%) of the license fee. (Cr. by ORD-10-00038, 5-1-10; Am. by ORD-11-00092, 7-13-11)

(13) Severance Clause. The provisions of this ordinance are declared to be severable and if any section, sentence, clause or phrase of this ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this ordinance. (Renum. by ORD-10-00038, 5-1-10)

(14) Penalty. Any person, firm, or corporation violating any provisions of this ordinance shall be subject to a forfeiture of not more than three hundred dollars ($300) for each offense, and each day or fraction of a day on which any provision of this ordinance is violated shall be deemed a separate offense. (Am. by Ord. 13,760, Adopted 12-14-04; Renum. by ORD-10-00038, 5-1-10)

9.15 LICENSING OF HAWKERS, PEDDLERS AND TRUCKERS.

(1) Definitions.

(a) A "trucker" within the meaning of this section is a person who transports produce not grown by himself, in a truck or other vehicle, from a point without or within the state, and who sells the same direct from such vehicle to retail merchants without advance order.

(b) A "hawker" or "peddler" within the meaning of this section is a person who goes from place to place selling or attempting to sell goods, wares or merchandise at retail. No person distributing, selling, or offering for sale any excess agricultural products which such person shall have actually raised or grown in this state shall be deemed a hawker or peddler under this section.

(2) License Required. Before any person shall engage in or follow the business or occupation of a hawker, or a peddler, or trucker within the City of Madison he or she shall procure an annual license from the City of Madison authorizing him or her to do so, as herein provided. (Am. by ORD-14-00012, 1-14-14)

(3) Application. Any person desiring to secure a Trucker's or Peddler's Permit shall apply therefor in writing over her/his signature to the City Clerk on forms provided by the City, and such application shall state the following: (Am. by ORD-14-00012, 1-14-14)

(a) Name and signature of applicant.

(b) A copy of applicant's fingerprints taken by an authorized law enforcement agency, either Municipal, County, State or Federal.

(c) A photograph approximately two inches by two inches (2" x 2") showing the head and shoulders of said person, which has been taken not more than one (1) year prior to such application.

(d) Permanent home address and full local address of the applicant and, in the case of transient merchants, the local address from which proposed sales will be made.

(e) A brief description of the nature of the business and the goods to be sold.

(f) The length of time for which the right to do business is desired.

(g) The source of supply of the goods or property proposed to be sold, where such goods or products are located at the time said application is filed, and the proposed method of delivery.

(h) A statement as to whether or not the applicant has been convicted of any crime, misdemeanor, or violation of any municipal ordinance, the nature of the offense and the punishment or penalty assessed therefor.

(i) The three cities or villages where applicant carried on business immediately preceding date of application and the addresses from which such business was conducted in those municipalities.

(Am. by Ord. 8789, 2-14-86)

(4) Term of License. Each license shall be issued on the first (1st) day of July each year, or thereafter when applied for, and shall expire on the thirtieth (30th) day of June following its issuance.

(5) Investigation and Issuance.

(a) Upon receipt of each application, it shall be referred to the Chief of Police, who shall immediately institute such investigation of the applicant's business and conduct a background check including a criminal history inquiry through the Wisconsin Central Repository and shall endorse the application in the manner prescribed in this section within two (2) weeks after it has been filed by the applicant with the Clerk. (Am. by ORD-16-00008, 1-13-16)

(b) If as a result of such investigation, the applicant's character or business responsibility is found to be unsatisfactory, the Chief of Police shall endorse on such application her/his disapproval and her/his reasons for the same, and return the said application to the City Clerk, who shall notify the applicant in writing that her/his application is disapproved and that no permit will be issued.

(c) If as a result of such investigation, the character and business responsibility of the applicant are found to be satisfactory, the Chief of Police shall endorse on the application her/his approval and return the application to the City Clerk, who shall issue the applicant her/his permit. The Clerk shall keep a permanent record of all permits issued.

(New Sub. (5) Cr. by Ord. 8789, 2-14-86; Am. by ORD-14-00012, 1-14-14)

(6) Fees.

(a) A person desiring to engage in such business or occupation, shall pay to the City Treasurer a nonrefundable license fee therefor of one hundred ten dollars ($110.00). Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late fee of twenty-five percent (25%) of the license fee. (Am. by ORD-10-00038, 5-1-10)

(b) The daily license fee for those not desiring an annual license shall be thirty dollars ($30.00) payable to the City Treasurer.

(Am. by Ord. 9367, 12-21-87; Ord.; Ord. 13,601, 5-11-04)

(7) Chief of Police May Suspend License. Any license issued pursuant to this section may be suspended by the Chief of Police upon the conviction of the licensee of any violation of the ordinances of the City of Madison and in the event any licensee under this section shall be convicted of a second offense for the violation of this section or for the violation of Sections 10.23; 10.25; 10.26; 12.02, Subsections (1), (3), (4) and 12.06(2), the licensee shall forthwith forfeit any license held under this section without further notice and no license shall thereafter be granted to such person for a period of one (1) year from the date of such forfeiture or revocation. Any suspension of a license ordered by the Chief of Police pursuant to this section shall be subject to review by the Common Council upon request of the licensee. (Renumbered by Ord. 8789, 2-14-86)

(8) Penalty. Any person who shall violate the provisions of this section shall be subject to a penalty of not less than ten dollars ($10) nor more than one hundred dollars ($100) for each offense, and every day that any person shall sell or dispose of goods, wares, and merchandise as a hawker or peddler without such license shall constitute a separate offense. (Renumbered by Ord. 8789, 2-14-86)

9.16 CLOSING OUT SALES.

(1) License Required. It shall be unlawful for any person, partnership, firm, or corporation, to conduct at retail, within the City of Madison any sale of goods, wares or merchandise under the circumstances hereinafter stated, without a license having been issued to said person, partnership, firm, or corporation to conduct such sale, in the manner hereinafter provided. Every person, partnership, firm or corporation is hereby required to obtain such license before it shall, at retail, conduct a sale or advertise for sale any goods, wares, or merchandise represented in any manner to be the goods, wares or merchandise of a bankrupt, insolvent, assignee, liquidator, adjuster, administrator, trustee, executor, receiver, wholesaler, jobber, manufacturer, or of any business that is in liquidation, that is closing out, or department thereof, that has lost its lease or has been or is being forced out of business, that is disposing of stock on hand because of damage by fire, water, smoke or other cause, or that for any reason is forced by circumstances to dispose of stock on hand. Every person, partnership, firm or corporation is hereby required to obtain such license before it shall conduct a sale of, or advertise, goods, wares and merchandise for sale if such advertisement or representation, expressed or implied, tends to lead people of the City of Madison to believe that such sale is a selling out or closing out of the business conducting the sale.

(2) Application to Contain. Every person, partnership, firm or corporation requiring a "closing out sale license" shall make an application in writing to the City Clerk of the City by filing with the Clerk of said City an application on the form provided by said Clerk and attach thereto an inventory containing a complete and accurate list of the stock of goods,

wares and merchandise on hand to be sold at such sale and shall have attached thereto an affidavit by the applicant for such license, or his, their, or its duly authorized agent, from which it shall appear that the information set forth in said inventory is true and correct to the knowledge of the person making such affidavit. Said affidavit shall include the names and addresses of the principals, such as the partners, officers, and directors and the principal stockholders and owners of the business, and the inventoried merchandise. Said inventory shall contain the cost price of the respective articles enumerated therein, together with the date of such purchase or purchases and the identity or identities of the seller or sellers. If the goods, wares and merchandise were purchased by the applicant or the person, partnership, firm or corporation for whom she or he is acting as agent, for a lump sum or other circumstances that make the listing of the cost price for each article impracticable, said inventory shall state the lump sum paid for said goods, wares and merchandise and the circumstances of the purchaser of the same. Said application shall further specify the name and address of the applicant, and, if an agent, the person, partnership, firm or corporation, for whom she or he is acting as agent, the place at which said sale is to be conducted and the period of time during which the proposed sale is to continue, which time shall not exceed sixty (60) successive days, Sundays and legal holidays excepted, from the date of the issuance of said license. (Am. by ORD-14-00012, 1-14-14)

(3) Extension of License - Fee. The period of time during which a sale may be conducted under a "closing out sale license" may be extended by the Mayor if, at any time during the term of the license, a written application for such extension duly verified by affidavit of the applicant shall be filed by said licensee with the Mayor. Said application for an extension of said license shall state the amount of the goods, wares and merchandise listed in the original inventory which still remains in the possession of the applicant for sale and shall state the length of time for which an extension is requested. No extension of the license shall be granted if any goods, wares or merchandise shall have been added to the stock of merchandise listed in the inventory, filed as required by Subsection (2) hereof, since the date of the issuance of the license, and the applicant shall satisfy the Mayor by affidavit or otherwise, as directed by him/her that no goods, wares or merchandise have been added to the said stock since the date of the issuance of the license. The Mayor of said City may, in consideration of the facts, upon hearing said petition, grant or deny a supplemental license and if said supplemental license is granted the period of the extension shall be determined by the Mayor, provided that said extension shall not exceed thirty (30) days from the expiration of the original license. If said supplemental license is granted, the same shall be issued by the Mayor of said City upon the payment of an additional license fee of twenty-five dollars ($25) per day, for the time during which said supplemental license is granted. (Am. by ORD-14-00012, 1-14-14)

(4) Restrictions. It shall be unlawful to sell, offer or expose for sale, at any sale for which a license is required by the terms of this section, any goods, wares or merchandise not listed in the inventory required by Subsection (2), except that any person, partnership, firm or corporation may, in the regular course of its business, conduct a sale of merchandise represented to have been purchased from a bankrupt, insolvent, assignee, liquidator, adjuster, administrator, trustee, executor, receiver, wholesaler, jobber, manufacturer, or a person, partnership, firm or corporation in liquidation, or that has been forced out of business, and at the same time sell at its place or places of business other goods, wares and merchandise, if the goods, wares and merchandise for the sale of which a license is required by the terms of this section, shall be distinguished by a tag or otherwise so that said goods, wares and merchandise of said class are readily ascertainable to prospective purchasers and shall not label or tag other goods, wares and merchandise in any manner as to indicate to, or lead, a purchaser or prospective purchaser to believe that said merchandise is of the class or classes for which a license is required by the terms hereof. Each article of goods sold, not listed in the inventory filed, or sold without a license, or after a license shall have expired, or otherwise sold in violation of the provisions hereof,

shall constitute a separate offense under this ordinance, and any false or misleading statement in said inventory, application or renewal application shall constitute a violation of this section.

(5) Issuance of License. The City Clerk shall verify the details of such inventory as filed in connection with an application for such license and shall also verify the items of merchandise sold during any sale under said license, and it shall be unlawful for any person, partnership, firm or corporation to whom the "closing out sale license" has been issued to refuse to furnish on demand to the City Clerk or any person designated by her or him for that purpose, all the facts connected with the stock on hand or any other information that she or he may reasonably require in order to make a thorough investigation of all phases connected with the said sale, so far as they relate to the rights of the public. (Am. by ORD-14-00012, 1-14-14)

(6) Fees. The fee for such license shall be, and the same is hereby fixed as follows:
For a period not exceeding fifteen (15) days, fifty dollars ($50).
For a period not exceeding thirty (30) days, one hundred dollars ($100).
For a period not exceeding sixty (60) days, two hundred dollars ($200).
And a further fee of one dollar ($1) per thousand dollars of the price set forth on the inventory provided for in Subsection (2); provided that no such license shall be issued for more than sixty (60) days. (Am. by Ord. 13,601, 5-11-04)

(7) Exception. The provisions of this section shall not apply to sales by public officers or sales under judicial process.

9.17 REGULATING TRANSIENT MERCHANTS.

(1) Registration Required. It shall be unlawful for any transient merchant to engage in sales within the City of Madison without being registered for that purpose as provided herein.

(2) Definitions.

Charitable organization shall include any benevolent, philanthropic, patriotic, or eleemosynary person, association or corporation, or one purporting to be such.

Clerk means the City Clerk.

Merchandise shall include personal property of any kind, and shall include merchandise, goods, or materials provided incidental to services offered or sold. The sale of merchandise includes donations required by the seller for the retention of goods by a donor or prospective customer.

Permanent merchant means any person who, for at least one year prior to the consideration of the application of this ordinance to said merchant has continuously operated an established place of business in the local trade area among the communities bordering the place of sale or has continuously resided in the local trade area among the communities bordering the place of sale and now does business from her/his residence.

Transient merchant means any individual, partnership, limited liability company, or corporation who engages in the retail sale of merchandise at any place, other than house to house, in this state temporarily, and who does not intend to become and does not become a permanent merchant of such place. For purposes of this section, sale of merchandise includes a sale in which the personal services rendered upon or in connection with the merchandise constitutes the greatest part of value for the price received, but does not include a farm auction sale conducted by or for a resident farmer of personal property used on the farm, or the sale of produce or other perishable products at retail or wholesale by a resident of this state or activities regulated and licensed under Sections 9.14 or 9.15 of these ordinances.

(Am. by Ord. 12,038, 3-2-98)

(3) Exemptions. The following shall be exempt from all provisions of this ordinance:

(a) Any person delivering newspapers, fuel, dairy products or bakery goods to regular customers on established routes.

(b) Any person selling merchandise at wholesale to dealers in such merchandise.

(c) Any person selling agricultural products which the person has grown.

(d) Any permanent merchant or employee thereof who takes orders at the home of the buyer for merchandise regularly offered for sale by such merchant within this city and who delivers such merchandise in their regular course of business.

(e) Any person who has an established place of business where the merchandise being sold is offered for sale on a regular basis, and in which the buyer has initiated contact with, and specifically requested, a home visit by said person.

(f) Any person who has had, or one who represents a company which has had, a prior business transaction, such as a prior sale or credit arrangement, with the prospective customer.

(g) Any person selling or offering for sale a service unconnected with the sale or offering for sale of merchandise.

(h) Any person holding a sale required by statute or by order of any court and any person conducting a bona fide auction sale pursuant to law.

(i) Any employee, officer or agent of a charitable organization who engages in direct sales for or on behalf of said organization, provided that there is submitted to the clerk proof that such charitable organization is registered under Wis. Stat. § 440.42. Any charitable organization engaging in the sale of merchandise and not registered under Wis. Stat. § 440.42, or which is exempt from that statute's registration requirements, shall be required to register under this ordinance. (Am. by Ord. 11,916, 8-18-97)

(j) Any person who claims to be a permanent merchant, but against whom complaint has been made to the clerk that such person is a transient merchant; provided that there is submitted to the clerk proof that such person has leased for at least one year, or purchased, the premises from which she/he has conducted business in the market area for at least one year prior to the date the complaint was made.

(k) Any individual licensed by an examining board as defined in Wis. Stat. § 15.01(7).

(l) This ordinance does not apply to transient merchants while doing business at special events authorized by the Common Council of the City of Madison.

(4) Registration.

(a) Individual and partnership applicants for registration must complete and return to the clerk a registration form furnished by the clerk which shall require the following information regarding each individual applicant and each general partner of the partnership:

1. Name, permanent address and telephone number, and temporary address, if any.
2. Date of birth, height, weight, color of hair and eyes.
3. Name, address and telephone number of the person, firm, association, partnership, limited liability company or corporation that the transient merchant represents or is employed by, or whose merchandise is being sold.
4. Temporary address and telephone number from which business will be conducted, if any.
5. Nature of business to be conducted and a brief description of the merchandise, and any services offered.
6. Proposed methods of delivery of merchandise, if applicable.
7. Make, model and license number of any vehicle to be used by applicant in the conduct of her/his business.
8. Most recent cities, villages, towns, not to exceed three, where applicant conducted her/his business.
9. Place where applicant can be contacted for at least seven days after leaving this city.

10. Statement as to whether applicant has been convicted of any crime or ordinance violation related to applicant's transient merchant business within the last five years, and the nature of the offense and the place of conviction.

(Sec. 9.17(4)(a) Am. by Ord. 11,916, 8-18-97)

(b) Individual and partnership applicants shall present to the clerk for examination the following for each individual and each general partner of the partnership:

1. A driver's license or some other proof of identity as may be reasonably required.

2. A city certificate of examination and approval from the sealer of weights and measures where applicant's business requires use of weighing and measuring devices approved by the City Sealer.

(c) A corporation or limited liability company which has named a current registered agent for service and process in Wisconsin through the Wisconsin Secretary of State's Office and which establishes that it is in good standing with such Office, may register with the Clerk in its corporate or limited liability company name by an authorized agent if the corporation or limited liability company uses only its own employees to transact a business for which the registration is sought. If such corporation or limited liability company is eligible to register in its own name, it shall provide a statement establishing it to be in good standing with the Wisconsin Secretary of State, a statement authorizing the person making the application to do so on behalf of the corporation or limited liability company, and all the information requested on the Clerk's form except the birth date and personal description of the person making the registration.

(d) At the time the registration is returned, a non-refundable fee of one hundred dollars ($100) shall be paid to the Clerk to cover the cost of processing said registration. The individual and partnership applicant shall sign a statement appointing the Clerk as agent to accept service of process in any civil action brought against the applicant arising out of any sale or service performed by the applicant in connection with the direct sales activities of the applicant, in the event the applicant cannot, after reasonable effort, be served personally.

A corporation or limited liability company eligible to register in its own name is exempt from appointing the Clerk as agent for service of process if the corporation or limited liability company identifies its current agent registered with the Wisconsin Secretary of State for such purposes on the Clerk's form.

Upon payment of said fee and the signing of said statement, the Clerk shall register the applicant as a transient merchant and date the entry. Said registration shall be valid for a period of one year from the date of entry, subject to subsequent refusal as provided in Section (5)(b) below. (Am. by ORD-10-00038, 5-1-10)

(Sec. 9.17(4) Am. by Ord. 12,038, 3-2-98)

(5) Investigation.

(a) Upon receipt of each application, the Clerk may refer it immediately to the Chief of Police who may make and complete an investigation of the statements made in such registration.

(b) The Clerk shall refuse to register the applicant if it is determined, pursuant to the investigation above, that the application contains any material omission or materially inaccurate statement; complaints of a material nature have been received against the applicant by authorities in the most recent cities, villages and towns, not exceeding three, in which the applicant conducted similar business; the applicant was convicted of a crime, statutory violation or ordinance violation

within the last five (5) years, the nature of which is directly related to the applicant's fitness to engage in direct selling; or the applicant failed to comply with any applicable provision of Sec. (4)(b) above.

(6) Appeal. Any person refused or denied registration may appeal the denial through the appeal procedure provided by ordinance or resolution of the Common Council, or if none has been adopted, under the provisions of Wis. Stats. §§ 68.07 through 68.16.

(7) Regulation of Transient Merchants.

(a) Prohibited Practices.

1. A transient merchant shall be prohibited from calling at any dwelling or other place between the hours of 9:00 p.m. and 9:00 a.m. except by appointment; calling at any dwelling or other place where a sign is displayed bearing the words "No Peddlers," "No Solicitors" or words of similar meaning; calling at the rear door of any dwelling place; or remaining on any premises after being asked to leave by the owner, occupant or other person having authority over such premises.
2. A transient merchant shall not misrepresent or make false, deceptive or misleading statements concerning the quality, quantity, or characteristics of any merchandise offered for sale, the purpose of her/his visit, her/his identity or the identity of the organization she/he represents. A charitable organization transient merchant shall specifically disclose what portion of the sale price of the merchandise being offered will actually be used for the charitable purpose for which the organization is soliciting. Said portion shall be expressed as a percentage of the sale price of the merchandise.
3. No transient merchant shall impede the free use of sidewalks and streets by pedestrians and vehicles. Where sales are made from vehicles, all traffic and parking regulations shall be observed.
4. No transient merchant shall make any loud noises or use any sound amplifying device to attract customers if the noise produced is capable of being plainly heard outside a one-hundred foot radius of the source.
5. No transient merchant shall allow rubbish or litter to accumulate in or around the area in which she/he is conducting business.
6. No transient merchant nor any person acting under her or his control shall handle any food items offered for sale nor participate in the sale of any food item if such merchant or person has any sign or symptom that she or he has a communicable disease which may be transmitted through food handling. (Cr. by Ord. 10,704, 7-30-93)

(b) Disclosure Requirements.

1. After the initial greeting and before any other statement is made to a prospective customer, a transient merchant shall expressly disclose her/his name, the name of the company, limited liability company, partnership or organization she/he is affiliated with, if any, and the identity of merchandise or services she/he offers to sell. (Am. by Ord. 12,038, 3-2-98)
2. If any sale of merchandise is made by a transient merchant, or any offer for the later delivery of merchandise is taken by the seller, the buyer shall have the right to cancel said transaction if it involves the extension of credit or is a cash transaction of more than twenty-five dollars ($25) in accordance with the procedure as set forth in Wis. Stat. § 423.202; the seller shall give the buyer two copies of a typed or printed notice of that fact. Such notice shall conform to the requirements of Wis. Stats. §§ 423.202(1)(a)(b) and (c), (2) and (3). (Am. by Ord. 11,916, 8-18-97)
3. If the transient merchant takes a sales order for the later delivery of merchandise, she/he shall, at the time the order is taken, provide the buyer with a written statement containing the terms of the agreement, the

amount paid in advance whether full, partial, or no advance payment is made, the name, address and telephone number of the seller, the delivery or performance date, and whether a guarantee or warranty is provided and, if so, the terms thereof.

(c) After the transient merchant has registered, the Chief of Police or designee may reasonably limit or restrict the privilege to sell within such areas of the City of Madison as necessary to prevent a traffic hazard, or to protect life and property. Such limitations or restrictions shall be for only as long as necessary to restore order and peace. (Cr. by Ord. 11,851, 4-24-97)

(8) Records. The Chief of Police shall report to the Clerk all convictions for violation of this ordinance and the Clerk shall note any such violation on the record of the registrant convicted.

(9) Revocation of Registration.

(a) Registration may be revoked by the Common Council after notice and hearing, if the registrant made any material omission or materially inaccurate statements in the application for registration, made any fraudulent, false, deceptive or misleading statement or representation in the course of engaging in transient sales, violated any provision of this ordinance or was convicted of any crime or ordinance or statutory violation which is directly related to the registrant's fitness to engage in selling.

(b) Written notice of the hearing shall be service personally or pursuant to Sec. (4)(d) above on the registrant at least seventy-two (72) hours prior to the time set for the hearing. Such notice shall contain the time and place of hearing and a statement of the acts upon which the hearing will be based.

(10) Penalty. Any person, limited liability company, partnership or corporation adjudged in violation of any provision of this ordinance shall forfeit not less than twenty-five dollars ($25) nor more than one thousand dollars ($1000) for each violation per day plus costs of prosecution. Each violation shall constitute a separate offense. (Am. by Ord. 12,038, 3-2-98)

(11) Severance Clause. The provisions of this ordinance are declared to be severable, and if any section, sentence, clause or phrase of this ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this ordinance; they shall remain in effect, it being the legislative intent that this ordinance shall stand notwithstanding the invalidity of any part.

(Sec. 9.17 R. & Re-Cr. by Ord. 10,651, Adopted 5-4-93)

9.18 RESERVED FOR FUTURE USE. (R. by Ord. 10,721, 8-27-93)

(a) No person shall engage in:

1. The business of a scrap and recycling dealer except a licensed scrap or recycling dealer.
2. The business of motor vehicle salvage dealer except a licensed motor vehicle salvage dealer.
3. The business of a scrap and recycling collector except a licensed scrap and recycling collector or licensed scrap and recycling dealer.
4. The business of a motor vehicle storage dealer except a licensed motor vehicle storage dealer.
5. The business of a solid waste hauler except a licensed solid waste hauler.

(b) A separate license shall be required for each type and place of business except as provided in Subparagraph 3 of Subdivision (a) of this subsection.

(c) Nothing herein shall be construed as requiring a license of any business or manufacturer which may as an incidental part of its business or operation, buy, collect, gather, store or sell any of the items defined in sub. (2) as "scrap and recycling."

(4) Application For License.

(a) No license shall be granted hereunder until and unless the person desiring the same shall first have paid to the City Treasurer the fee hereinafter required and filed with the City Clerk of the City of Madison written application therefore, which shall be in duplicate, and shall be filed by the applicant and contain the following information on blanks provided by the City Clerk:

1. The full name and residence of the applicant; and in case of a firm or association the full names and residences of the members of the firm or association; and in case of a corporation the full names and residences of the officers thereof; whether any of them has been convicted of a felony or a misdemeanor and if so, what offense, when and in what court; whether he or any of them has held a license or been a member of a partnership or association or an officer in a corporation which was licensed hereunder; and whether such license was ever revoked or renewal thereof was ever refused, and if so, when. The Chief of Police and the City Clerk shall investigate the record of each applicant and report her/his findings to the Common Council at the regular meeting next preceding the date on which such application is to be acted upon. (Am. by ORD-14-00012, 1-14-14)
2. The address and legal description of the premises for which the license is desired, or, if the application is for a scrap and recycling collector's license or a solid waste haulers license, the location of his/her office and of the premises on which his/her truck, trailer or other vehicle will be located when it is not being operated in connection with the business. (Am. by ORD-14-00012, 1-14-14)
3. The type of license for which he or she is applying. (Am. by ORD-14-00012, 1-14-14)
4. A complete statement of the business to be carried on.
5. An enumeration of the articles and merchandise to be handled on the premises.
6. Such application shall also contain such other information as the Common Council may from time to time require.

(b) The statement made in the application shall be sworn to before an officer competent to administer oaths. Any false statement contained in such application shall be cause for revocation of any license issued pursuant thereto.

(c) Each applicant for a license shall execute a permit granting the Police Department, the Fire Department and the Building Inspection Division of the Department of Planning and Community and Economic Development of the City and any member thereof permission to inspect and search the premises. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(d) Upon the filing of an application for a scrap and recycling dealer's license or a motor vehicle salvage dealer's license, the applicant shall provide with the application a valid zoning certificate from the Zoning Administrator that the proposal site complies with all zoning requirements pursuant to Sec. 28.202(3), MGO.

(e) No applicant to whom a license has been refused shall directly or indirectly make further application for the same location or part thereof until a period of at least one (1) year shall have elapsed since the last previous rejection.

(f) Applicants for a Solid Waste Hauler license shall at the time of application provide proof that the Applicant has all required state and federal licenses and permits to

collect solid waste and recyclables also list the source of waste hauled, including but not limited to: residential, commercial, or other and the anticipated location of disposal facilities, transfer facilities or end-users;

(g) A Solid Waste Hauler shall provide, either independently or through duly licensed subcontractors, collection of mandatory recyclables at least once monthly to all customers for whom such hauler provides collection of solid waste destined for disposal. A Solid Waste Hauler may not offer and his or her customers may not subscribe to "trash only" collection service unless recycling services is provided by the City or a subcontractor or unless the Solid Waste Hauler obtains an exemption from the City. Exemptions may be provided for Solid Waste Haulers whose customers who market their mandatory recyclables directly to recycling brokers, or whose manufacturers self haul their mandatory recyclables to recycling facilities that are fully licensed or permitted, or to City drop off sites. Exemptions will be granted at the discretion of the Streets Superintendent or his or her designee.

(h) A Solid Waste Hauler shall provide recycling instructions to all new customers and to all customers on at least an annual basis.

(i) No Solid Waste Hauler shall dispose of recyclables or yard waste that are properly prepared and put out for recycling.

(j) Solid Waste Haulers and Scrap and Recycling Dealers shall report to the Streets Superintendent or his or her designee, the approximate quantities of recycling, solid waste, and yard waste collected within the borders of the City of Madison on an annual basis. These reports will be due by the first day of February of the following year collection of the material was done and shall be in a form approved by the Streets Superintendent, or his or her designee.

(5) Fees.

(a) The combined scrap and recycling, motor vehicle salvage and solid waste hauler license, permits a licensee to operate as a scrap and recycling business, motor vehicle salvage business or as a solid waste hauler, or any combination thereof. The license fee shall be two thousand dollars ($2,000).

(b) The license fee shall be two hundred fifty dollars ($250) per annum, or for a fractional part thereof, for each scrap and recycling collector with a single truck, trailer, or other vehicle. The fee shall be one thousand dollars ($1,000) for a scrap and recycling collector with between two (2) and five (5) trucks, trailers, or other vehicles and five thousand dollars ($5,000) for scrap or recycling collector with six (6) or more trucks.

(c) The license fee shall be two hundred fifty dollars ($250) per annum, or for a fractional part thereof, for each motor vehicle storage business.

(d) Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of twenty-five percent (25%) of the license fee. License fees that are not renewed by July 31 of each year shall be subject to a late fee of fifty percent (50%) of the license fee. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license.

(Am. by Ord. 9367, 12-21-87; Ord. 13,601, 5-11-04; ORD-10-00038, 5-1-10; ORD-13-00120, 6-26-13)

(6) License Numbers. All licenses shall be numbered consecutively for each type of business licensed hereunder and the City Clerk shall furnish to each licensee a card setting forth her/his or its name, the number of such license, the type of business and a legal description of the premises for which it was issued. The license card or cards shall be posted in a conspicuous place on the premises. The licensee shall cause her/his or its name and such license number or numbers to be printed in plain letters and figures at least three (3) inches

high and of such color as to be plainly read at a distance of at least sixty (60) feet from both sides of each vehicle used in connection with the business licensed hereunder. (Am. by ORD-14-00012, 1-14-14)

(7) Term and Expiration of Licenses.

(a) Expiration. All licenses issued hereunder shall expire on the thirtieth (30th) day of June following the date of their issuance unless sooner revoked for cause or by passage of an ordinance by the City of Madison further restricting the business for which such license shall have been issued as hereinafter provided.

(b) Liquidation. When a renewal of a license is denied for the continuation of any business previously licensed under the provisions of this ordinance, such licensee shall have a period of three (3) months in which to wind up his or her business during which time he or she shall be required to comply with all the terms and conditions of this section. (Am. by ORD-14-00012, 1-14-14)

(8) Revenues and Expenses. The City Clerk is authorized to secure the necessary blanks or cards and the expense thereof shall be properly allowed and paid by the City out of the General Fund, and all monies derived from such licenses shall be turned into the General Fund.

(9) Restrictions Applicable to All Licenses.

(a) Unlawful to Collect Scrap and Recycling Left for City. No person and no licensee hereunder shall pick up, gather, or collect scrap and recycling or refuse left on terraces for collection by the City of Madison.

(b) Purchase From Certain Persons. No purchase shall be made from any child or children under eighteen (18) years of age, or from any intoxicated persons or habitually intoxicated persons, or unknown persons by any licensee hereunder.

(c) Hours of Business. No licensee hereunder shall conduct her or his business or any operation pertaining to such occupation between the hours of 8:00 p.m. and 6:00 a.m. on other days; except that a motor vehicle salvage dealer may in the case of an emergency pick up and return a vehicle to the yard and may in the case of a breakdown on the highway remove and sell parts for repair of such vehicle. (Am. by ORD-14-00012, 1-14-14)

(d) Other Business. No licensee shall do business as a pawnbroker or dealer in secondhand articles in this City unless licensed as such.

(e) Not to Create Nuisance. No licensee shall conduct or carry on any business described in Section 9.21 in such manner as to disturb unduly the peace and quiet of the neighborhood. All premises used for any of the business aforesaid shall at all times be kept in a clean and wholesome condition and in full compliance with all the ordinances of the City and in accordance with the reasonable rules, regulations, and directions of the Common Council. None of the materials mentioned in the preceding sections shall be sorted in a public street, alley, or sidewalk.

(f) Rodents and Vermin Control. Effective means for the elimination of the rodents and vermin commonly infesting junk and motor vehicle salvage yards shall be administered by all licensees hereunder.

(g) Garbage. It shall be unlawful for any licensee hereunder to store any garbage materials on the premises licensed thereunder, except in compliance with the ordinances pertinent to garbage.

(h) Storage of Combustible Scrap and Recycling. No licensee shall store combustible scrap and recycling in any building unless said building is approved by the Director of the Building Inspection Division as complying with Chapter 29 (Building Code) of the Madison General Ordinances and the Chief of the Fire Department as complying with Chapter 34 (Fire Prevention Code) of the Madison General Ordinances. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(i) Chief of Police to Hold Goods for Identification. The Chief of Police may, in his or her discretion, cause any article in the possession of a licensee hereunder which he or she shall have reason to believe was sold or exchanged by some person other than the lawful owner thereof, to be held for the purpose of identification by its lawful owner for such reasonable length of time as the Chief of Police shall deem necessary. (Am. by ORD-14-00012, 1-14-14)

(10) Restrictions on Scrap and Recycling, Motor Vehicle Salvage and Storage Yards.

(a) Every scrap and recycling yard, motor vehicle salvage yard and motor vehicle storage yard shall be enclosed by a solid substantial enclosure, not less than six (6) feet nor more than eight (8) feet in height. Such solid fence shall be approved by the Director of the Building Inspection Division.

As an alternate to the solid fence, the Director of the Building Inspection Division may approve a chain link fence not less than six (6) feet nor more than eight (8) feet in height in combination with a landscaping/screening plan meeting the general intent and purpose of Section 28.142(1).

(Am. by Ord. 8300, 4-16-84; ORD-08-00109, 10-7-08; Am. by ORD-12-00134, 1-2-13)

(b) The fence required by this subsection shall be painted and maintained in a proper condition of repair and no picture, sign, bill, placard, pamphlet, notice or other thing shall be posted or affixed thereon.

(c) No materials, vehicles or equipment shall be parked, displayed or in any manner permitted to rest or remain on the premises outside the enclosure; except that wreckers may be parked on the apron of a garage or repair shop.

(d) The contents of the premises of every scrap and recycling yard and motor vehicle salvage yard shall be so arranged as to not rest against or project through, underneath or over the top of the enclosure.

(e) All openings for vehicle ingress and egress in such enclosure shall be of such construction as is deemed suitable by the Director of the Building Inspection Division to shield the contents of the yard from street view. When a gate is employed to shield street view, it shall be of solid construction with no openings therein except as provided in this subdivision, and such gate shall at all times be kept closed except at times of vehicle ingress or egress. A separate entrance such as the Director of the Building Inspection Division deems suitable for pedestrian ingress and egress shall be provided. The Building Inspection Division of the Department of Planning and Community and Economic Development may, upon application of the licensee, permit certain designated openings in the gate or enclosure to permit police inspection of the yards. Such opening shall be not larger than eighteen inches by twelve inches (18" x 12") and shall in all cases be screened with quarter (1/4) inch hardware cloth. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(f) No licensee hereunder shall extend the boundaries of her or his operation beyond those stated in the license except upon submitting a new license application and tendering the return of his present license conditional upon the granting of the new license. No part of the old license fee shall be refunded or applied to the new license. (Am. by ORD-14-00012, 1-14-14)

(11) Report Required. A written record of all motor vehicles purchased or sold for salvage or junk and of all motor vehicles delivered or held for storage purposes shall be maintained for a period of three (3) years by each person or firm licensed hereunder to engage in the motor vehicle salvage business, junk business, or the motor vehicle storage business and shall be open to police inspection. Such record shall contain a description of all vehicles as to color, manufacturer, and model year, license numbers if on the vehicle, engine numbers or vehicle identification numbers (V.I.N.), and the names and addresses of the sellers and the purchasers. Said records shall be kept in a separate ledger or file and shall pertain only to motor vehicles. (Am. by Ord. 4740, 9-26-74)

(12) Requirements Regarding Sales by Salvage Dealers. It shall be unlawful for any person engaged in the motor vehicle salvage business to sell for use on the public highways any used or secondhand motor vehicle which does not meet all the requirements of Wis. Stats. §§ 347.01 through 347.49.

(13) Combined Motor Vehicle Salvage and Automobile Dealers.
Any person who is licensed to operate both as a motor vehicle salvage dealer under the provisions of this ordinance and as a dealer under Wis. Stat. ch. 218 shall as a condition of accepting and of retaining such motor vehicle salvage license, display upon such lot only such vehicles as are operable, roadworthy and licensable; all other vehicles, including those in the process of being repaired or reconditioned, shall be:
(a) Retained within a garage or repair shop approved by the Director of the Building Inspection Division, or
(b) Otherwise concealed from view within such used motor vehicle lot as the Director of the Building Inspection Division may direct.
(Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(14) Restrictions Applicable to Scrap and Recycling Dealers and Scrap and Recycling Collectors.
(a) Time Before Disposal. No nonferrous metals shall be disposed of within forty-eight (48) hours after purchase thereof by any licensee hereunder.
(b) Records Required. Each scrap and recycling dealer and scrap and recycling collector shall in a bound book keep a daily record in the English language of articles purchased and the name and address of the seller when such person is known to the licensee. When the seller is unknown to the licensee, the licensee shall record the name, age and address, and indicate what identification card was inspected by the licensee, and the identifying number thereof, or if the card bears no number, the certifying officer. Any certified identification card issued by a public agency and giving a description of the person to whom it is issued shall be deemed sufficient to comply with the provisions of this paragraph. When articles are purchased in bulk, they may be designated by a general description of the lot.

(15) Sales by Scrap and Recycling Collectors. Scrap and recycling collectors shall sell scrap and recycling only to a licensed scrap and recycling dealer.

(16) Revocation.
(a) Upon complaint being made in writing by any three (3) residents or any official of the City of Madison to the Common Council that any licensee hereunder has violated any of the provisions of this section, the Common Council shall summon such licensee to appear before it at the time specified in the summons, which shall be not less than three (3) days after the date of the service thereof, to show cause why her/his license shall not be revoked. The Common Council shall thereupon proceed to hear the matter and if it finds that the allegations of said complaint are true may revoke the license of such person. The provisions hereunder shall not be effective unless the licensee hereunder has received notice from the Building Inspection Division of the Department of Planning and Community and Economic Development of the City of Madison that a complaint has been filed with the Common Council as to the operation of her/his premises and such licensee has been given a reasonable time to correct the condition complained of or to otherwise satisfy such complaint. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08; ORD-14-00012, 1-14-14)
(b) Whenever a license is revoked, the licensee shall have a period of forty-five (45) days from the date of such revocation to liquidate his/her business during which time he or she shall be required to comply with all the terms and conditions of this section. (Am. by ORD-14-00012, 1-14-14)
(c) Any person, any member of a partnership or association and any officer or director of a corporation whose license has been revoked shall be ineligible to

apply for any license required under this ordinance during a period of two (2) years from the date of such revocation and no partnership, association or corporation retaining, associating or organizing with such revokee in the capacity of member, officer or director or principal stockholder shall be eligible for a license or any renewal of a license during the continuance of such association in said capacity while such infirmity in the eligibility of such revokee continues. It shall be cause for revocation if any partnership, association, or corporation during the term of their license becomes associated in said capacity with any revokee during the term of said infirmity.

(d) Every partnership, association or corporation holding a license hereunder shall notify the City Clerk of any change in the members of such partnership or association or in the officers, directors or principal stockholder of such corporation within ten (10) days of such change and shall furnish such further information as the City Clerk may require in order to show their continuing eligibility to hold a license hereunder.

(17) Severability. The several terms and provisions of this section shall be deemed severable, and if any provision hereof or the application hereof to any person or circumstances is held invalid, the remainder of the section and the applicability of such provisions to other persons and circumstances shall not be affected thereby.

(18) Penalty.

(a) Any person who shall violate any of the provisions of this section shall be punished by a penalty of not less than twenty-five dollars ($25) nor more than two hundred dollars ($200). Each day that a condition exists which violates the provisions of this section shall be deemed a separate offense.

(b) In the event that any licensee hereunder shall be convicted of a second offense, such offender in addition to the penalties hereinbefore provided, shall forthwith forfeit any license issued hereunder without further notice and no license shall thereafter be granted to such person for a period of one (1) year from the date of such revocation.

(Sec. 9.21 Am. by ORD-12-00157, 2-6-13)

9.22 PURCHASE AND SALE OF SCRAP MATERIAL.

(1) Definitions. In this section:

(a) "Commercial account" means a commercial enterprise with which a scrap material dealer maintains an ongoing and documented business relationship.

(b) "Commercial enterprise" means a corporation, partnership, limited liability company, business operated by an individual, association, state agency, political subdivision, or other government or business entity, including a scrap material dealer.

(c) "Ferrous scrap" means scrap metal, other than scrap metal described in subs. (d) to (f), consisting primarily of iron or steel, including large manufactured articles that may contain other substances to be removed and sorted during normal operations of scrap metal dealers.

(d) "Metal article" means a manufactured item that consists of metal, is usable for its original intended purpose without processing, repair, or alteration, and is offered for sale for the value of the metal it contains, except that "metal article" does not include antique or collectible articles, including jewelry, coins, silverware, and watches.

(e) "Nonferrous scrap" means scrap metal consisting primarily of metal other than iron or steel, but does not include any of the following:

1. Aluminum beverage cans.
2. Used household items.
3. Items removed from a structure during renovation or demolition.

4. Small quantities of nonferrous metals contained in large manufactured items.

(em) "Plastic bulk merchandise container" means a plastic crate, pallet, or shell used by a product producer, distributor, or retailer for the bulk transport or storage of retail containers of bottled beverages.

(f) "Proprietary article" means any of the following:

1. A metal article stamped, engraved, stenciled, or otherwise marked to identify the article as the property of a governmental entity, telecommunications provider, public utility, cable operator, as defined in Wis. Stat. § 66.0420(2)(d), or an entity that produces, transmits, delivers, or furnishes electricity, or transportation, shipbuilding, ship repair, mining, or manufacturing company.
2. A copper conductor, bus bar, cable, or wire, whether stranded or solid.
3. An aluminum conductor, cable, or wire, whether stranded or solid.
4. A metal beer keg.
5. A manhole cover.
6. A metal grave marker, sculpture, plaque, or vase, if the item's appearance suggests the item has been obtained from a cemetery.
7. A rail, switch component, spike, angle bar, tie plate, or bolt used to construct railroad track.
8. A plastic bulk merchandise container.

(fm) "Scrap dealer" means a scrap plastic dealer or scrap metal dealer.

(g) "Scrap metal" means a metal article; metal removed from or obtained by cutting, demolishing, or disassembling a building, structure, or manufactured item; or other metal that is no longer used for its original intended purpose and that can be processed for reuse in a mill, foundry, or other manufacturing facility.

(h) "Scrap metal dealer" means a person who is licensed as a scrap and recycling dealer under Sec. 9.21 who is engaged in the business of buying or selling scrap metal or plastic bulk merchandise containers, as defined in this Sec. 9.22.

(i) "Scrap plastic dealer" means a person engaged in the business of buying or selling plastic to be processed for reuse in a mill or other manufacturing facility.

(2) Purchases of Ferrous Scrap. A scrap metal dealer may purchase scrap metal other than nonferrous scrap, a metal article, or a proprietary article from any person over the age of eighteen (18).

(3) Purchases of Nonferrous Scrap, Metal Articles, Proprietary Articles.

(a) Subject to sub. (b), a metal dealer may purchase nonferrous scrap, metal articles, or proprietary articles from any person who is over the age of eighteen (18) if all of the following apply:

1. If the seller of nonferrous scrap, metal articles, or proprietary articles is an individual, at the time of the sale, the seller provides to the scrap dealer the seller's motor vehicle operator's license or other government-issued, current photographic identification that includes the seller's full name, current address, date of birth, and recognized identification number. If the seller is not an individual, at the time of the sale, the individual who delivers the seller's nonferrous scrap, metal articles, or property articles provides to the dealer the deliverer's motor vehicle operator's license or other government-issued, current photographic identification that includes the deliverer's full name, current address, date of birth, and recognized identification number.
2. The scrap dealer records and maintains at the scrap dealer's place of business the seller's or deliverer's identification information described in

sub. 1., the time and date of the purchase, the number and state of issuance of the license plate on the seller's or deliverer's vehicle, and a description of the items received, including all of the following:

a. The weight of the scrap or articles.

b. A description of the scrap or articles that is consistent with guidelines promulgated by a national recycling industry trade organization. This sub. 2.b. does not apply to plastic bulk merchandise containers.

3. With respect to a purchase of nonferrous scrap or a metal article the scrap dealer obtains the seller's signed declaration that the seller is the owner of the items being sold.

4. With respect to a purchase of a proprietary article, one of the following applies:

a. The scrap dealer receives from the seller documentation, such as a bill of sale, receipt, letter of authorization, or similar evidence, that establishes that the seller lawfully possesses the proprietary article.

b. The scrap dealer documents that the scrap dealer has made a diligent inquiry into whether the person selling the proprietary article has a legal right to do so, and, not later than one business day after purchasing the proprietary article, submits a report to the Madison Police Department describing the proprietary article and submits a copy of the seller's or deliverer's identifying information under sub. 1.

(b) This subsection does not apply to purchases of nonferrous scrap, metal articles, or proprietary articles by a scrap dealer from a commercial account, if the scrap dealer creates and maintains a record of its purchases from the commercial account that includes all of the following:

1. The full name of the commercial account.

2. The business address and telephone number of the commercial account.

3. The name of a contact person at the commercial account who is responsible for the sale of nonferrous scrap, metal articles, or proprietary articles to the scrap dealer.

4. The time, date, and value of each of the scrap dealer's purchases from the commercial account.

5. A description of the predominant types of nonferrous scrap, metal articles, or proprietary articles the scrap dealer has purchased from the commercial account.

(c) Except as provided under sub. (4), a scrap dealer may disclose personally identifiable information recorded or maintained under this subsection only to a successor in interest to the scrap dealer, including a successor in interest that arises as a result of a merger, sale, assignment, restructuring, or change of control.

(4) Other Provisions.

(a) A scrap dealer shall make the records required under sub. (3)(a)2. to 5. and (b) available to a law enforcement officer who presents the agent's credentials at the scrap dealer's place of business during business hours.

(b) A scrap dealer shall maintain the records required under sub. (3)(a)2., 4., and 5. and (b)4. and 5. for not less than two (2) years after recording it. A scrap dealer shall maintain the records required under sub. (3)(b)1. to 3. regarding a commercial account for not less than two (2) years after the dealer's most recent transaction with the commercial account.

(c) Notwithstanding Wis. Stat. § 19.35(1), a law enforcement officer or agency that receives a record under sub. (a) or a report under sub. (c) may disclose it only to another law enforcement officer or agency.

(5) Penalties.

(a) 1. A scrap dealer who knowingly violates this section and who has not knowingly committed a previous violation of this section is subject to a fine not to exceed one thousand dollars ($1,000).

2. A scrap dealer who knowingly violates this section and who has knowingly committed one previous violation of this section is subject to a fine not to exceed ten thousand dollars ($10,000).

(b) Each day on which a scrap dealer knowingly violates this section constitutes a separate violation.

(6) Electronic Reporting.

(a) A scrap dealer shall electronically submit to the Madison Police Department a report of each purchase of nonferrous scrap, metal articles, and proprietary articles not later than the business day following the purchase, including each seller's or deliverer's name, date of birth, identification number, and address, and the number and state of issuance of the license plate on each seller's or deliverer's vehicle, by electronically transferring it from their computer to the Police department approved data server. All records must be transmitted completely and accurately and in accordance with standards and procedures established by the Police Department.

(b) If a scrap dealer is unable to successfully transfer the required reports electronically, the scrap dealer shall notify the Police Department of the reason the dealer is unable to transfer the required reports and shall provide the Police Department with an estimated time of compliance. The scrap metal dealer shall provide the Police Department with electronic copies of all reportable transactions that have not been transmitted electronically in a form approved by the Police Department by 5:00 p.m. of the next business day after the due date, unless the scrap dealer electronically transfers the data prior to that time.

(Section 9.22 Cr. by ORD-12-00157, 2-6-13)

9.23 REGULATIONS OF MOBILE HOMES AND MOBILE HOME PARKS. (Title Am. by Ord. 8235, 1-30-84)

(1) Definitions.

(a) A "mobile home" means any vehicle or structure intended for or capable of human habitation, or, designed primarily for sleeping purposes, mounted on wheels or jacks, and/or capable of being moved from place to place, either by its own power or by power supplied by some vehicle used or to be used, excepting a device used exclusively upon stationary rails or tracks.

(b) A "mobile home park" means any park, court, site, lot, parcel, or tract of land designed, maintained, intended or used for the purpose of supplying a location or accommodations for more than one (1) mobile home and shall include all buildings used or intended for use as a part of the equipment thereof, whether or not a charge is made for the use of the mobile home park and its facilities. (g) "Screening" means the procedure used by an operator to determine that a prospective tenant meets the operator's minimum financial standards and other reasonable requirements established by the operator. Screening must comply with Sec. 39.03 and Sec. 32.10, Madison General Ordinances. (Cr. by ORD-05-00151, 10-12-05)

(h) "Security Deposit" means the total of all payments and deposits given by a tenant to the operator as security for the performance of the tenant's obligations, and includes all rent payments in excess of one month's prepaid rent. (Cr. by Ord. 11,148, 1-17-95; Renum. by ORD-05-00151, 10-12-05)

(i) "Site" means any plot of land which is rented or offered for rental for the accommodation of a mobile home used for residential purposes. It does not include a plot of land rented for the accommodation of a mobile home which is:

1. Occupied on a strictly seasonal basis; or
2. Owned by the operator and occupied by the operator herself or himself as a residence.

(Cr. by Ord. 11,148, 1-17-95; Renum. by ORD-05-00151, 10-12-05)

(j) "Tenant means any person renting a site from an operator. (Cr. by Ord. 11,148, 1-17-95; Renum. by ORD-05-00151, 10-12-05)

(k) "Utility Service" means:

1. Electricity, water, sewer, telephone, and natural gas;
2. Liquified petroleum gas other than liquified petroleum gas in portable containers;
3. Fuel oil supplied through a permanent central system in the mobile home park; and
4. Television service.

(Cr. by Ord. 11,148, 1-17-95; Renum. by ORD-05-00151, 10-12-05)

(2) Fire Extinguishers Required.

(a) Each mobile home occupied as a place of human habitation under any of the provisions of this ordinance shall be equipped with a fire extinguisher, conveniently attached thereto; such extinguisher to be of one (1) unit of fire protection capacity, and of a type suitable for extinguishing Class A or Class B fires, approved by the Madison Fire Department.

(b) The use of liquid petroleum gas in occupied mobile homes shall conform in every particular to the laws, rules and regulations of the state of Wisconsin governing such use.

(c) The storing and use of fuel oil and the heating installations used in connection therewith in occupied mobile homes shall be as approved by the Madison Fire Department, and comply with provisions of Chapter 20 (Oil Burning Equipment and Storage of Fuel Oils) of the General Ordinances of the City of Madison.

(Sec. 9.23(2) Am. by Ord. 8235, 1-30-84)

(3) Permit and Regulations for Mobile Home Parking Outside Mobile Home Parks.

The parking of any occupied mobile home outside an approved mobile home park as previously defined, is hereby prohibited, unless the mobile home be parked to the rear of a premise and a permit therefor obtained from the Building Inspection Division of the Department of Planning and Community and Economic Development. The parking of more than one (1) occupied mobile home on any premises except an approved mobile home park is hereby prohibited. Such permit shall be issued upon compliance with the following conditions:

1. No permit to park an occupied mobile home outside an approved mobile home park shall be approved for a period of greater than ten (10) days in any one (1) year, and unless there shall have been filed with the application

for permit the written consent of the property owner or lessee of the premises, that the occupant or occupants of such mobile home have twenty-four (24) hour access to the sanitary facilities of the property proximate to the mobile home.

2. Except in the case of an approved mobile home park, no permit shall be issued for an occupied mobile home unless the period of such occupancy is definitely stated in the application for permit and approved by the Director of the Building Inspection Division.
3. No automobile mobile home shall be used for living quarters upon any street, alley, or public way in the City of Madison.
4. No person, firm, or corporation shall make any electrical connection for any mobile home to any building or other source of electricity without permit and approval of the electrical inspector.
5. No person, firm, or corporation shall deposit garbage, waste, water, rubbish or other waste combustible materials on the premises where an occupied mobile home is parked or on adjoining premises. Garbage and rubbish and other waste combustible materials shall be placed in suitable metal containers for collection by the City departments involved in such collections and at times specified by such departments. Waste water shall be kept in suitable metal containers and all other sanitary requirements for mobile home wastes observed as set forth for the sanitary regulation of mobile homes in mobile home parks.
6. The Director of the Building Inspection Division shall issue a permit upon payment of one dollar ($1) fee and filing of an application complying with provisions of this ordinance. Each permit card shall be posted on the mobile home for which it is issued.
7. This subsection shall not apply to a mobile home which meets the definition of "manufactured home" in Wis. Stat. § 101.91(2) and is used as a residential building on a zoning lot. (Cr. by Ord. 11,148, 1-17-95)

(Am. by Ord. 8235, 1-30-84; ORD-08-00109, 10-7-08)

(4) Regulations for Mobile Home Parks.

(a) Registration.

1. Any occupant of any mobile home located at an approved mobile home park must register with the owner, manager or operator of a park.
2. The registration shall include the following:
   a. Names and addresses.
   b. Dates of entrance and departure.
   c. License numbers of all mobile homes and towing or other automobiles.
   d. States issuing such licenses.
   e. Proposed stay in park.
   f. Place of last location and length of stay.

(Sec. 9.23(4)(a) Am. by Ord. 8235, 1-30-84)

(b) Park Plan.

1. Every mobile home or mobile home park shall be located on a well drained area and the premises shall be properly graded so as to prevent the accumulation of storm or other water. No mobile home or mobile home park shall be located in any area that is situated so that drainage or other sources of filth can be deposited in its location.
2. Mobile home units shall be clearly defined, and the park shall be so arranged that all units shall abut on a public street for a distance of at least

sixteen (16) feet. Such street shall be graveled or paved and maintained in good condition, having natural drainage, be well lighted at night and shall not be obstructed at any time.

3. The park shall be so laid out that no unit shall be located farther than two hundred (200) feet from a toilet and service building as required herein, and walkways to such building or buildings as required herein, shall be graveled or paved and well lighted at night.

4. No occupied mobile home in a mobile home park shall be located less than ten (10) feet from any building or other mobile home unless of the same occupancy, or from the boundary line of the premises on which it is located.

(Sec. 9.23(4)(b) Am. by Ord. 8235, 1-30-84)

(c) Management.

1. In every mobile home park there shall be located the office of the person in charge of the said park. A copy of these regulations shall be posted therein, and the park register shall at all times be kept in said office.

2. It shall be the duty of the park owner, manager or operator together with any attendants or persons in charge of such parks to:

   a. Keep a register of all occupants of mobile homes, to be open at all times to inspection by Federal, State and City officials.

   b. Maintain the park in a clean, orderly and sanitary condition at all times.

   c. Report to the Director of Public Health Madison and Dane County all cases of persons or animals affected or suspected of being affected with a communicable disease. (Am. by ORD-15-00009, 1-28-15)

(Sec. 9.23(4)(f) Am. by Ord. 8235, 1-30-84)

(d) License and Mobile Home Park Approval.

1. License Required. No person, firm or corporation shall establish, maintain or operate any mobile home park as defined in Wis. Stat. § 66.0435 within the City of Madison without receiving the approval of the Common Council and without having been granted a license therefor. No license shall be issued or transferred unless all monthly parking fees attributable to the park from all preceding months have been fully paid as required by this section. (Am. by Ord. 7707, 4-22-82)

2. Application. Application for mobile home park license shall be in writing, signed by the applicant, and shall contain the following:

   a. The name and address of the applicant.

   b. The location and legal description of the mobile home park.

   c. The complete plan of the park.

3. License Fee. Applications for licenses shall be filed with the City Clerk together with an annual license fee of one hundred dollars ($100) for each fifty (50) spaces or fraction thereof, within the mobile home park operated by the applicant but such license shall not be issued by the Common Council until plans and specifications complying with the provisions of the General Ordinances of the City of Madison and the State Board of Health are submitted for approval. The Clerk, after approval of the application by the Common Council and upon completion of the work according to the plans, shall issue the license. (Am. by Ord. 8193, 12-28-83)

4. Term of License. The term of the license shall be for the calendar year and shall expire on the thirty-first (31st) day of December of each year and may be renewed annually thereafter by any licensee, and after approval of the Common Council of the City of Madison and upon payment of the

annual license fee. Upon such renewal, the City Clerk shall issue a certificate renewing the license for another year unless sooner revoked. The application for renewal shall be in writing signed by the applicant on forms furnished by the City of Madison.

5. Transfer of License. Upon application for a transfer of license, the City Clerk, after approval of the application by the Common Council, shall issue a transfer upon the payment of a ten dollar ($10) fee.

6. In addition to the license fee provided in Paragraphs 2. and 4., there shall be collected from each occupied mobile home in the City a monthly parking permit fee as provided in Wis. Stats. § 66.0435 (3)(c) and (e) and as computed thereunder. The operator of a mobile home park in the City shall furnish information to the City Clerk and City Assessor on occupied mobile homes added to his/her park within five (5) days after their arrival, on forms prescribed by the State Department of Revenue. The mobile home park operator shall collect such monthly parking permit fee from the mobile home owner and shall pay said fee to the City on or before the tenth (10th) of the month following the month for which such parking permit fee is due. (Am. by ORD-14-00012, 1-14-14)

   Any person who fails to comply with the reporting requirements of this paragraph shall be subject to a forfeiture of not more than twenty-five dollars ($25) for each violation. Each such failure shall constitute a separate offense.

7. Exemption certificates in duplicate shall be accepted by the City Treasurer from qualified nonresident tourists or vacationists in lieu of monthly mobile home permit fees. When one (1) or more persons occupying a mobile home are employed in this state, there shall be no exemption from the monthly parking permit fee. Every person claiming an exemption from the monthly parking permit fee provided for in Paragraph 6. of this subsection shall execute in duplicate a certificate setting forth the facts necessary to establish such claim. Such certificate shall be in a form approved by the City Treasurer and blank forms may be furnished to persons requesting them by the Treasurer.

(5) Rental Agreement; Requirements.

(a) Every rental agreement shall be in writing. A copy of the rental agreement shall be furnished to the tenant at the time the rental agreement is executed. If a mobile home is purchased from or through the operator, a copy of the rental agreement shall be furnished to the tenant before the tenant signs the mobile home purchase contract. The rental agreement shall conspicuously set forth all terms and conditions affecting the rental of the site, and shall include:

1. The amount of rent for each rent paying period and all property, service and facilities provided by the operator and included in the rent.
2. The amount of any security deposit, installation charge, or other charge payable by the tenant under the rental agreement but not included in the rent, including but not limited to charges for utility services provided through the operator's facilities. If utility service charges are based on the amount of utility service used, the rental agreement shall set forth either the specific rate or the method by which the charges are to be computed.
3. Rules and regulations which shall be included in or attached to the main body of the rental agreement.
4. The approximate size of the site and its location in the park.
5. The amount of the monthly mobile home parking fee assessed by the City of Madison and payable by the tenant. If the monthly fee is not known, an approximation shall be given.

6. A notice that the operator reserves the right to screen the purchaser of a tenant's mobile home before renting a mobile home site to the purchaser, subject to Wis. Stat. § 710.15.
7. A disclosure as to whether the mobile home park contains an emergency shelter and, if the park has an emergency shelter, the location of the emergency shelter and procedures for its use.

(b) The initial, and each succeeding rental agreement shall be for a term of no less than one year, unless a shorter term is requested in writing by the tenant and agreed to by the operator. Under any agreement for a rental term of two months or more, rental payments shall, at the option of the tenant, be payable in equal monthly installments.

(c) The operator shall, at the time the rental agreement is entered into, and throughout the term of the rental agreement, make available to the tenant the name, address, and telephone number of a person who may be contacted concerning the maintenance of facilities and services provided by the operator. Such information shall be included in the tenant's copy of the rental agreement or in a separate written notice furnished to the tenant.

(d) Rent and other charges under the rental agreement may not be increased during the term of the rental agreement. This subdivision does not apply to:
1. Mobile home parking fees assessed by the City of Madison.
2. Charges for utility services delivered and billed directly to the tenant by a public utility or other outside source.
3. Charges for utility services purchased by the operator and delivered and billed to the tenant by the operator but not included in the rent, if the increase is solely to cover an increase in charges to the operator by the supplier of the utility service.

(Sec. 9.23(5) Cr. by Ord. 11,148, 1-17-95)

(6) Rental Agreement Limitations.

(a) No park operator may restrict the type of material used for mobile home steps or the type of air conditioning equipment serving mobile homes in a mobile home park, unless such restrictions are required by law, or are uniformly applied mobile home park requirements made a condition of the tenant's original rental agreement. Any such restrictions, however, may not be instituted during the occupancy of an original tenant under the same, an amended, a renewed or a new rental agreement. Not withstanding the foregoing, if a tenant's mobile home steps are required by law to be replaced, the park operator may require that they be made to comply with current park standards.

(b) No park operator may require the removal of a permanently attached mobile home towing tongue as a condition of renting a site for the accommodation of a mobile home.

(c) It shall be unlawful to make as a condition of a new or renewed rental agreement the removal of any vehicles, including recreational vehicles and boats, permitted under a previous rental agreement with the same tenant unless sufficient other parking space is provided to the tenant at no charge.

(d) Tie-In Sales; Separate or Discriminatory Charges.

No operator shall:

1. Require, as a condition to the rental of any site, the purchase of a mobile home from the operator or any dealer, manufacturer, or agent named by the operator.
2. Represent to any person that the purchase of a mobile home from the operator or any dealer, manufacturer, or agent named by the operator will give the purchaser an advantage over others in the rental or continued occupancy of a site.

3. Discriminate or threaten to discriminate in rental charges or in any other respect against a tenant for failure of the tenant to purchase a mobile home from the operator or any dealer, manufacturer, or agent named by the operator.
4. Discriminate in rental charges by granting a discount in rental charges or in any other charges to a tenant who purchase a mobile home from the operator or any, dealer, manufacturer, or agent named by the operator.
5. Solicit or receive any payment or other thing of value from any seller of a mobile home for agreeing to rent a site to the purchaser of such mobile home.
6. Solicit or receive any payment or other thing of value from any person upon the representation or understanding that such consideration will give that person an advantage over others in the rental or continued occupancy of a site.
7. Use a mobile home site to display a mobile home offered for sale, or rent a site to a mobile home dealer for purposes other than accommodation of a mobile home occupied as a residence, if the use or rental of the site results in there being no site in the mobile home park available to a prospective tenant who does not purchase a mobile home from the operator or renting dealer.

(e) Mobile Home Relocation.

1. No tenant shall be required to relocate a mobile home within a park during the term of the rental agreement, or to assume the cost of any required relocation under a new or renewal rental agreement, except in emergency or where the tenant has violated the terms and conditions of the rental agreement. This does not apply to a mobile home which has been vacated by the tenant.
2. Any required relocation shall, except in emergency, be preceded by written notice setting forth the reason for such relocation. Notice shall be given within the time period required under Wis. Stat. ch. 704, for termination of tenancies.

(f) Prohibited Consideration Of Age Of Mobile Home.

1. An operator may not deny a resident the opportunity to enter into or renew, and may not include, exclude or alter any terms of, a lease to continue to locate a mobile home in the park solely or in any part on the basis of the age of the mobile home.
2. An operator may not require the removal of a mobile home from a park solely or in any part on the basis of the age of the mobile home, regardless of whether the ownership or occupancy of the mobile home has changed or will change.
3. It shall be considered a prohibited consideration of the age of a mobile home to require a tenant to make alterations, modifications or improvements to a mobile home as a condition of renewal of a lease or a change in the ownership or occupancy of a mobile home, when the mobile home is otherwise in good repair and in conformance with applicable governmental regulations.
4. It shall be considered a prohibited consideration of the age of a mobile home to require a tenant to make alterations, modifications or improvements to a mobile home that is older that five years, when the mobile home is otherwise in good repair and in conformance with applicable governmental regulations, and the mobile home is in compliance with park rules and regulations in effect at the time the mobile home originally entered the park.

(g) Prohibited Consideration of Change in Ownership or Occupancy of Mobile Home.

1. An operator may not require the removal of a mobile home from a park solely or in any part because the ownership or occupancy of the mobile home has changed or will change. An operator may refuse to enter into an initial lease with a prospective resident or mobile home occupant for any other lawful reason.
2. It shall be considered a prohibited consideration of a change in ownership or occupancy of a mobile home to require a tenant to make alterations, modifications or improvements to a mobile home, as a condition of permitting a mobile home to remain in a park at the time of a change in ownership or occupancy, when the mobile home is otherwise in good repair and in conformance with governmental regulations.

(Sec. 9.23(6) Cr. by Ord. 11,232, 4-13-95; Am. by ORD-05-00151, 10-12-05)

(7) No Interest in Real Estate; Screening Permitted.

Neither Subsection (6)(e) nor Subsection (6)(f) creates or extends any interest in real estate or prohibits the lawful screening of prospective residents and mobile home occupants by an operator. (Cr. by ORD-05-00151, 10-12-05)

(8) Changes in Rental Terms or Park Rules.

(a) If any change or increase in rent or fees, or any other substantial change in the terms or conditions of tenancy is to be made in connection with the renewal of any rental agreement, a copy of the proposed new agreement, or amendments to the existing agreement, shall be furnished to the tenant, in writing, at least 28 days prior to the date on which the proposed new agreement is to take effect. All changes shall be specifically brought to the tenant's attention by a separate statement on the proposed rental agreement or in a separate written document attached to the rental agreement. The operator or a representative of the operator shall meet with tenants, or any group of tenants, on the proposed changes, at their request. Nothing in this section shall be construed as interfering with the operator's right to terminate any tenancy in accordance with Wis. Stat. § 710.15 and ch. 704, and Wis. Admin. Code § ATCP 125.09, if the tenant declines to accept the proposed new agreement. (Renum. by ORD-05-00151, 10-12-05)

(b) Rules and regulations which substantially affect the rights or duties of tenants or the operator under Wis. Stat. § 710.15, or this chapter may not be created or changed during the term of the rental agreement. This includes but is not limited to:

1. Rules setting standards and requirements for skirting, weather-proofing or frostproofing, and auxiliary buildings or sheds.
2. Rules limiting occupancy of mobile homes with respect to the number or age of occupants.
3. Vehicle parking rules imposed by the park operator.
4. Rules restricting or regulating overnight guests.
5. Rules restricting or regulating pets.
6. Rules requiring tenants to repair or maintain their mobile homes.
7. Rules defining the tenant's and operator's rights and responsibilities with regard to maintenance of the site.
8. Rules restricting or regulating tenants' outdoor antennas or satellite dishes.

(c) Except as otherwise provided in this section, a park operator may change or create general park rules and regulations during the term of any rental agreement or tenancy, provided all tenants are given at least 28 days prior written notice of any proposed change, and an opportunity to meet with the operator or a representative of the operator on the proposed change before it takes effect.

(d) Notice of proposed changes in rental terms and conditions or park rules and regulations under this section may be furnished to the tenant in person or by mail. Notice by mail shall be considered actual notice.

(Sec. 9.23(8) Cr. by Ord. 11,148, 1-17-95)

(9) Charges for Utility Services.

(a) Charges for a utility service provided through the operator's facilities, if not included in the rent, shall be based on the amount of the utility service used by tenants. Charges for television service provided through the operator's facilities may be assessed in the form of a uniform charge to subscribing tenants, subject to par. (b). Charges, or the method of computing charges for utility services provided through the operator's facilities shall be set forth in the rental agreement under s. ATCP 125.03 (1) (b).

(b) If television service is provided by the operator but not included in the rent, the operator may not limit a tenant's access to television service provided by an outside source. This paragraph is not intended to deny to an operator any right which the operator may have to compensation from a cable television company for easements or other use of the operator's property.

(c) Charges for utility services provided through the operator's facilities, if based on amounts used, shall be periodically invoiced in writing to tenants. Invoices shall specify both the charge and the amount of the utility service used.

(d) Charges for utility services provided through the operator's facilities, if not included in the rent, shall be competitive with retail prices charged for the same or equivalent services by public utilities or other local sources. If a utility service is provided directly to tenants by a public utility or other outside source, no additional charge may be assessed for the service by the operator.

(e) If a mobile home park operator purchases water and sewer service and resells the service to the occupants of the mobile home park, the maximum allowable water and sewer bill to the average user within the mobile home park may not exceed the lesser of the mobile home park's water and sewer bill, plus 30%, divided by the number of occupied lots within the park, or the retail rates of the local municipality's water and sewer operation applied to the average user.

(f) A mobile home park operator may establish water and sewer rates in excess of those set forth in Subdivision (e), if the operator has been granted permission by the Public Service Commission pursuant to PSC 186.31, or has been granted permission by any other state agency that regulates such water and sewer rates, as successor agency to the Public Service Commission.

(10) Restrictions On Choice Of Vendors. No operator may restrict the choice of vendors from whom a tenant may purchase goods or services. This subsection does not apply to:

(a) Utility services, subject to Subdivision (9).

(b) Services provided by the operator in the installation of a mobile home on a site, or in the removal of a mobile home from a site, pursuant to Subdivision (10) (c).

(c) Snow removal, lawn care, or similar site maintenance services performed by the operator upon the failure of a tenant to fulfill the tenant's site maintenance obligations under the rental agreement. No charges may be imposed for site maintenance services performed by the operator under this paragraph unless the tenant, if available, is given prior notice and a reasonable opportunity to perform the tenant's obligations under the rental agreement. Charges for site maintenance services shall be set forth in the rental agreement.

(d) Services involving the transportation of a mobile home to or from a site within the mobile home park, if the operator can show that the person providing the service has damaged the park during a previous move and failed to compensate the operator for the damages.

(e) A nondiscriminatory prohibition against sales solicitations within the mobile home park.

(Cr. by ORD-05-00151, 10-12-05)

(11) Entrance And Exit Fees. No operator may charge an entrance fee or exit fee in return for allowing the movement of a mobile home into or out of a mobile home park. This subsection does not apply to:

(a) Periodic payments for the rental of a site, pursuant to the rental agreement.

(b) A security deposit not exceeding the amount of 3 months' rent or $350, whichever is less.

(c) Material and labor costs incurred by the operator to move a tenant's mobile home into or out of the mobile home park, to install the mobile home on a site or remove it from a site, or to connect or disconnect utility services. The amount of any charges, or the basis upon which charges are to be calculated, shall be clearly set forth in the rental agreement.

(Cr. by ORD-05-00151, 10-12-05)

(12) Sale Of Mobile Home; Transfer Of Tenancy.

(a) No operator may:

1. Require any tenant to designate the operator, or any person named by the operator, as agent for the sale of a tenant's mobile home, or unreasonably restrict the sale of a tenant's mobile home by the tenant or an agent of the tenant's own choosing.

2. Solicit or receive any payment or other thing of value as a condition to the assignment or sublease of a rental agreement by a tenant, or as a condition to the transfer of tenancy to a buyer of the tenant's mobile home.

3. Sell, for placement in a mobile home park owned or operated by the operator, any mobile home purchased from a tenant who was prohibited from selling the home directly for placement in the mobile home park.

4. Refuse to rent a mobile home site to the purchaser of a tenant's mobile home except for a reason specified under Wis. Stat. § 710.15 (5m). This section does not prohibit the screening of prospective tenants by an operator.

5. Limit a tenant's ability to post, on the tenant's mobile home or on the site on which the mobile home is located, a "For Sale" sign or other advertisement announcing the tenant's offer to sell the tenant's mobile home if the limitation is not applied uniformly to every person, including the operator and any mobile home dealer, who sells or offers to sell a mobile home on site in the mobile home park.

(b) This section does not create or extend any interest in real estate, or prohibit the lawful screening of new tenants by the operator.

(Cr. by ORD-05-00151, 10-12-05)

(13) Termination Of Tenancy.

(a) Whenever an operator terminates any rental agreement or refuses, upon the expiration of a lease, to renew the lease or to enter into a new rental agreement, the operator shall provide the tenant with written notice setting forth the reason for such termination or refusal. Notices of termination shall comply with the requirements of Madison General Ordinances Chapter 32, Wis. Stat. § 710.15 and ch. 704, as applicable. If the rental agreement does not comply with the requirements of s. ATCP 125.03 (1) (intro.) and (2), the operator shall comply with the notice requirements of Wis. Stat. § 704.17 (2), when terminating a tenancy, unless the park operator or tenant proves that other notice requirements under Wis. Stat. § 704.17 (1) or (3), are applicable.

(b) No operator shall terminate a rental agreement or refuse, upon expiration of a lease, to renew the lease or to enter into a new rental agreement for the reason that:

1. The tenant has reported a violation, by the operator, of this chapter or any other law to any governmental authority, or filed suit alleging such violation. Any termination, refusal to renew a lease, or refusal to enter into a new lease shall be presumed to be retaliatory if committed within six months after the tenant has reported a violation by the operator of this chapter or any other law, to any governmental authority, or within six months after the tenant has filed suit alleging such violation. In order to overcome this presumption that such termination or refusal is retaliatory, the operator must show by a preponderance of evidence that such termination was based on good cause.
2. The tenant is a member of a tenant's union or association.
3. The operator wishes to make a site available to a person purchasing a mobile home from the operator or an agent of the operator.

(c) No operator may solicit or receive any payment or other thing of value, except for normal rental payments, in return for permitting a tenant to leave the tenant's mobile home in the park upon termination of tenancy.

(Cr. by ORD-05-00151, 10-12-05)

(14) Prohibited Practices.

No operator shall:

(a) Make any false, deceptive, or misleading representation to induce a mobile home sale or site rental, or make any representation inconsistent with or contrary to the written rental agreement.

(b) Impose any term or condition, any rule or regulation which the operator knows or reasonably ought to know is in conflict with this chapter or applicable law.

(c) Require any tenant to make permanent improvements to the mobile home park or any of its facilities, or assess any separate charge therefore.

(d) Enter a tenant's mobile home without the tenant's permission and reasonable notice to the tenant, as provided in Sec. 32.05 (1)(d), (e) and (f), MGO. This does not prohibit the operator from entering a tenant's mobile home if the tenant cannot be contacted and the operator reasonably believes that entry is necessary because of emergency, or to preserve and protect the mobile home or park.

(Cr. by ORD-05-00151, 10-12-05)

(15) Penalties. Any person who violates any provision of this ordinance for which no specific penalty is provided shall be subject upon conviction to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500). Each day such violation continues shall be considered a separate offense. (Cr. by Ord. 11,148, 1-17-95)

(16) Enforcement by Tenant. Any person suffering pecuniary loss because of a violation by any other person of this Section 9.23 may sue for damages therefor in any court of competent jurisdiction and shall recover twice the amount of such pecuniary loss, together with costs, including a reasonable attorney's fee. (Cr. by ORD-05-00151, 10-12-05)

(17) Applicability of Chapter 32. The provisions of Chapter 32, MGO, are applicable to mobile home park operators and tenants, to the extent that they are not in conflict with this Chapter, ATCP 125 or Wis. Stat. § 710.15. (Cr. by ORD-05-00151, 10-12-05)

9.24 LICENSING OF SECONDHAND DEALERS.

(1) Purposes.

(a) The City finds that a paper-based system of tracking and recording secondhand dealer sales and purchases is technologically outdated, inefficient and environmentally irresponsible. This section implements and establishes the required use of an electronic reporting system to record transactions by secondhand dealers.

(b) The City recognizes that pawnshops are legitimate businesses authorized by state law. However, the City finds that the services offered by pawnshops provide an opportunity for individuals to potentially transfer stolen property to those businesses. The City also finds that consumer protection regulation is warranted in transactions involving these businesses. The City further finds that pawnshop transactions have outgrown the City's current ability to effectively or efficiently identify criminal activity related to them. The purpose of the City's regulation of pawnshops is to prevent pawnshops from being used to facilitate the commission of crimes and to assure that they comply with basic consumer protection standards, thereby protecting the public health, safety and general welfare of residents, pursuant to authority granted by Wis. Stat. § 134.71. (Am. by ORD-17-00030, 3-8-17)

(2) License Required.

(a) Except as provided in subs. (b) and (c) below, no person shall carry on or operate within the City of Madison a business as a pawnbroker or a business for the purchase or sale of secondhand articles, jewelry or precious metals without first having obtained a license therefor as hereinafter provided. (Cr. by ORD-12-00103, 8-15-12)

(b) A person, other than a pawnbroker, precious metal dealer or secondhand jewelry dealer, who operates as a secondhand article dealer only on premises or land owned by a person having a secondhand article dealer mall or flea-market license under sub. (8) need not obtain a secondhand article dealer's license.

(c) A person possessing a valid secondhand article dealer license or a valid secondhand jewelry dealer license issued by a county or another municipality of the State of Wisconsin under Wis. Stat. § 134.71 or an ordinance adopted pursuant thereto may operate a business in the City of Madison as a secondhand article dealer or a secondhand jewelry dealer respectively without obtaining a license hereunder. A secondhand article dealer or a secondhand jewelry dealer so licensed shall disclose the information required by Sec. 9.24(4)(a) to the City Clerk and shall submit to an investigation of the principal and its members, officers and employees by the Police Department and a written report filed with the City Clerk prior to conducting business in the City of Madison. This investigation shall include fingerprinting of the principal, if the principal is a natural person, and fingerprinting of all managers, assistant managers or lead workers who supervise employees who are directly involved in the receipt of secondhand articles or jewelry from customers, as well as a determination by the Police Department whether the principal has been convicted within the preceding ten (10) years of a felony or within the preceding five (5) years of a misdemeanor, statutory violation punishable by forfeiture or county or municipal ordinance violation described under sub. (4)(a)3. herein and, if so, the nature and date of the offense and the penalty assessed. Where the principal is a corporation, limited liability company or partnership, this provision shall apply to all its officers and each general partner or member respectively. This subsection is not intended to exempt such person from otherwise complying with the provisions of Sec. 9.24 relating to secondhand dealers including but not limited to all electronic or other record-keeping requirements, labeling and receipt requirements and holding periods mandated by this Sec. 9.24.

1. A person possessing a valid secondhand article dealer or a valid secondhand jewelry dealer license issued by a county or anther municipality of the State of Wisconsin under Wis. Stat. § 134.71 or an ordinance adopted thereto and operating in the City of Madison shall provide a bond of two thousand dollars ($2000) to the City Clerk, prior to conducting business in

the City of Madison. Such bond shall have not less than two sureties and shall be for the observation of all municipal ordinances relating to secondhand article dealers and secondhand jewelry dealers.

(d) 1. A secondhand dealer includes a person who is engaged, from a temporary location in the City of Madison, in the business of selling or purchasing articles under this Sec. 9.24. Such persons shall obtain a secondhand dealer's license under this Sec. 9.24. For the purposes of this sub. (d), a temporary location shall include, but shall not be limited to, a hotel or motel meeting room or guest room.

2. A secondhand jewelry dealer includes a person who is engaged in the business of selling or purchasing jewelry from a temporary location in the City of Madison and such person shall obtain a secondhand jewelry dealer's license under this Sec. 9.24. For the purposes of this sub. (d), a temporary location shall include, but shall not be limited to, a hotel or motel meeting room or guest room.

3. A precious metal dealer includes a person who is engaged in the business of selling or purchasing precious metal from a temporary location in the City of Madison and such person shall obtain a precious metal dealer's license under this Sec. 9.24. For the purposes of this sub. (d), a temporary location shall include, but shall not be limited to, a hotel or motel meeting room or guest room. (Cr. by ORD-12-00103, 8-15-12)

4. For the purposes of this sub. (d), it shall be prima facie evidence that a person is engaging in the activities covered by this sub. (d), if the person places advertisements, listings or notices in any media offering to sell or purchase items subject to this Section and provides a location where such purchases may be made within the City of Madison or the advertisement provides a telephone number or an internet or other electronic communication address, through which appointments are made for such transactions to be conducted within the City of Madison. (Renum. by ORD-12-00103, 8-15-12)

(Sec. 9.24(1)(d) Cr. by ORD-11-00067, 5-13-11)

(3) Definitions. The following definitions apply to this section:

7. Any transaction entered into by a person while engaged in a business of smelting, refining, assaying or manufacturing precious metals, gems or valuable articles if the person has no retail operation open to the public and does not purchase the precious metals, gems or valuable articles from the general public.
8. Any transaction between a buyer of new jewelry and a seller of new jewelry who accepts occasional secondhand jewelry in trade.

Secondhand textbook dealer means any person who engages in the business of any transaction consisting of purchasing, selling, receiving or exchanging secondhand textbooks if the person's total receipts for the sale of textbooks accounts for at least twenty-five percent (25%) of its gross receipts in the most recent calendar year. (Cr. by ORD-07-00064, 5-18-07)

Textbook means a book used in technical schools, colleges and universities as a manual of instruction. (Cr. by ORD-07-00064, 5-18-07)

(Sec. 9.24(2) Am. by Ord. 12,366, 4-13-991; ORD-07-00064, 5-18-07)

(4) Application and Fees. Written applications for licenses under this section, together with the applicable license fees, shall be filed with the City Clerk. The City Clerk shall file a copy of such application with the Police Department forthwith, and applications for licenses shall be presented to the Common Council at any regular or special meeting thereof. Licenses issued under this section shall not be transferable.

(a) The application shall state the following:

1. The applicant's name, place and date of birth and residence address.
2. The names and addresses of the business and of the owner of the business premises.
3. A statement as to whether the applicant has been convicted within the preceding 10 years of a felony or within the preceding 5 years of a misdemeanor, statutory violation punishable by forfeiture or county or municipal ordinance violation in which the circumstances of the felony, misdemeanor or other offense substantially relate to the circumstances of the licensed activity and, if so, the nature and date of the offense and the penalty assessed.
4. Whether the applicant is a natural person, corporation, limited liability company or partnership, and:
   a. If the applicant is a corporation, the state where incorporated and the names and addresses of all officers and directors.
   b. If the applicant is a partnership, the names and addresses of all partners.
   c. If the applicant is a limited liability company, the names and addresses of all members.
5. For all license applications, the name of the manager or proprietor of the business.
6. Whether the applicant or any other person listed in sub. 4. above has ever used or been known by a name other than the listed name, and if so, the name or names used and information concerning dates and places used.
7. Whether the applicant or any other person listed in sub. 4. above has previously been denied or had revoked or suspended a pawnbroker,

secondhand article dealer, precious metal dealer or secondhand jewelry dealer license from any other governmental unit. If so, the applicant must furnish information as to the date, location, and reason for the action.

8. Any other information that the City Clerk may reasonably require for such purposes.

(b) The license fees under this section are as follows:

1. The fee for a secondhand article dealer license shall be five hundred fifty dollars ($550) per year excepting secondhand article dealers who operate a business for buying, selling, exchanging or receiving into possession used or secondhand bicycles and used or secondhand parts of bicycles for which the license fee shall be five hundred dollars ($500) per year.

2. The fee for a pawnbroker's license is seven thousand five hundred dollars ($7,500) per year.

3. The fee for a secondhand jewelry dealer's license is two thousand dollars ($2,000) per year.

4. The license fee for a secondhand dealer mall or flea-market license shall be five hundred fifty dollars ($550) per year. A special event secondhand dealer mall or flea-market license shall be seventy-five dollars ($75) for a period of no more than three (3) consecutive days. The license shall set forth the exact days on which such business or event may be carried on.

5. The fee for a secondhand textbook dealer's license is one hundred dollars ($100) per year.

6. The fee for a precious metal dealer license is two thousand two hundred fifty dollars ($2,250) per year.

(Sec. 9.24(3)(b) Am. by ORD-10-00038, 5-1-10; ORD-14-00022, 1-29-14)

(c) A separate license shall be obtained for each individual premises from which the business is operated except that the holder of a secondhand license issued by the City of Madison may occasionally operate from a temporary location in the City of Madison, provided that the holder of the license shall comply with all requirements of this Sec. 9.24 and shall store all items purchased and all records generated from such transactions at the holder's permanent licensed premise. (Am. by ORD-12-00103, 8-15-12)

(d) Annual licenses shall expire on the thirtieth (30th) day of June after the granting thereof. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late filing fee of fifteen percent (15%) of the license fee or a minimum of three dollars ($3), whichever is greater. Payment of the late filing fee shall not relieve any person from any other penalties prescribed in this chapter for failure to possess or obtain a license.

(5) Investigation of License Applicant. Before any license is issued under the provisions of this section, an investigation of the character of the applicant and its members, officers and employees shall be made by the Police Department and a written report filed with the City Clerk and made a part of the application. This investigation shall include fingerprinting of the applicant, if the applicant is a natural person, and all managers, assistant managers or lead workers who supervise employees who are directly involved in the receipt of secondhand articles or jewelry from customers as well as a determination by the Police Department whether the applicant has been convicted within the preceding ten (10) years of a felony or within the preceding five (5) years of a misdemeanor, statutory violation punishable by forfeiture or county or municipal ordinance violation described under sub. (4)(a)3. herein and, if so, the nature and date of the offense and the penalty assessed. Where the applicant is a corporation, limited liability company or partnership, this provision shall apply to all its officers and each general partner or member respectively.

(6) License Issuance. The Common Council shall grant the license if all of the following apply:

(a) The applicant, including an individual, a partner or an officer, director or agent of any corporate applicant, has not been convicted within the preceding ten (10) years of a felony or within the preceding five (5) years of a misdemeanor, statutory violation punishable by forfeiture or county or municipal ordinance violation in which the circumstances of the felony, misdemeanor or other offense substantially relate to the circumstances of being a secondhand article dealer, secondhand jewelry dealer, or pawnbroker.

(b) With respect to an applicant, all or any part of whose secondhand dealer business involves transactions as a pawnbroker, the applicant provides to the City Clerk a bond of five thousand dollars ($5,000), with not less than two sureties, for the observation of all municipal ordinances relating to secondhand dealers and pawnbrokers.

(c) The appropriate license fee for each individual premises has been paid.

(d) No license issued under this section may be transferred.

(7) Restrictions and Requirements.

(a) Identification. No secondhand article dealer, secondhand jewelry dealer, precious metal dealer, secondhand textbook dealer, or pawnbroker may engage in a transaction of purchase, receipt pawn or exchange of any secondhand article, secondhand textbook, or secondhand jewelry from a customer without first securing adequate identification from the customer. Adequate identification shall include a detailed identification of the customer by obtaining a physical description of the person and shall also include the subject's driver license number or Wisconsin Identification number. At the time of the transaction, the dealer shall require the customer to present one of the following types of identification a current and valid:

1. A county identification card.
2. A state identification card.
3. A valid Wisconsin motor vehicle operator's license.
4. A valid motor vehicle operator's license, containing a picture issued by another state.
5. A military identification card.
6. A valid passport.
7. An alien registration card.
8. A senior citizen's identification card containing a photograph.
9. Any identification document issued by a state or federal government, whether or not containing a picture, if the pawnbroker, secondhand dealer or secondhand jewelry dealer, or secondhand textbook dealer obtains a clear imprint of the customer's right index finger.
10. Any valid college, university, or technical school identification card.
11. A valid identification card or motor vehicle operator's license issued by a tribal government or foreign country.

(Am. by Ord. 12,202, 8-31-98; ORD-07-00064, 5-18-07)

(b) Records. It shall be the duty of every license holder to keep a record of all articles, precious metals, and jewelry purchased by her/him and it is required that a detailed description be obtained of all property purchased. Said description shall contain such information as to identify said property correctly; and shall include type of property, serial number, model number, color description and purchase price of said property. The description need not include the title, artist or author of audiotapes, compact discs, laser discs, records, videotapes, digital video discs or other audio or audio-visual recording media. At the time of any reportable transaction other than a renewal, extension, or redemption, every secondhand

dealer shall immediately record in English the following information by using a computerized record approved by the Police Department: (Am. by ORD-12-00103, 8-15-12)

1. A complete and accurate description of each item, including, but not limited to any trademark, identification number, serial number, model number, brand name or other identifying mark on such an item, except that the title, artist or author of audio tapes, compact discs, laser discs, records, videotapes, digital video discs, or other similar audio or audio visual recording media need not be described.
2. The purchase price, amount of money loaned upon or pledged therefore.
3. For pawn transactions, the maturity date of the transaction and the amount due, including monthly and annual interest rates and all pawn fees and charges.
4. Date, time, and place the item of property was received by the secondhand dealer, and the unique alpha and/or numeric transaction identifier that distinguishes it from all other transactions in the secondhand dealer's records.
5. To the extent that it is not provided as part of the record of the customer's identification retained by the secondhand dealer, full name, current residence address, current telephone number, date of birth, and accurate description of the person from whom the item of property was received, including sex, color of eyes, and color of hair.
6. The identification number and the state of issue of the identification presented by the seller pursuant to Sec. 9.24(7)(a).
7. The signature of the person identified in the transaction.
8. For renewals, extensions, and redemptions the secondhand dealer must record the original transaction identifier, the date of the current transaction, and the type of transaction.
9. Data entries must be maintained for at least one (1) year from the date of transaction. During this time, the records must at all reasonable times be open to inspection by the Police Department.

(c) Daily Reports to Police.

1. Secondhand dealers, other than secondhand textbook dealers, must submit every reportable transaction to the Police Department daily in the following manner. Secondhand dealers must provide to the Police Department all information required in sub. (b) and other required information, including photographs under paragraph 7. of this sub. (c), by electronically transferring it from their computer to the Police Department approved data server. All required records must be transmitted completely and accurately within twenty-four (24) hours of the transaction in accordance with standards and procedures established by the Police Department using procedures that address security concerns of the secondhand dealer and the Police Department. The secondhand dealer must display a sign of sufficient size in a conspicuous place on the premises which informs all patrons that all transactions are reported daily to the department. (Am. by ORD-12-00144, 11-12-12)
2. If a secondhand dealer is unable to successfully transfer the required reports electronically, the secondhand dealer shall notify the Police Department of the reason the dealer is unable to transfer the required reports and shall provide the Police Department with an estimated time of compliance. The secondhand dealer shall provide the Police Department with electronic copies of all reportable transactions that have not been transmitted

electronically in a form approved by the Police Department by 5:00 PM of the next business day, unless the secondhand dealer electronically transfers the data prior to that time.

3. If the problem is determined to be in the secondhand dealer's system and is not corrected by the close of the first business day following the failure, the secondhand dealer shall be charged a daily reporting failure fee of ten dollars ($10.00) until the error is corrected. If the problem is determined to be outside the secondhand dealer's system, the secondhand dealer shall not be charged the reporting failure fee.
4. Regardless of the cause or origin of the technical problems that prevented the secondhand dealer from uploading the reportable transactions, upon correction of the problem, the secondhand dealer shall electronically upload the information required in sub. (b) from every reportable transaction that occurred since the problem began.
5. The provisions of this section notwithstanding, the Police Department may, upon presentation of extenuating circumstances, delay or waive the implementation of the daily reporting penalty.
6. Exception for Customer Return or Exchange. Nothing in this section applies to the return or exchange from a customer to a secondhand dealer of any secondhand article purchased from the secondhand dealer.
7. Photographs. Each pawn, secondhand articles, precious metal or second hand jewelry transaction shall include a color photograph or color video recording of each customer pawning, pledging, consigning, exchanging or selling an item or property, and every item or property pawned, pledged, consigned, exchanged or sold. Photographs shall be at least two (2) inches square and photographs and video recordings shall be time and date stamped so that they can be readily matched and correlated with all other records of the transaction. The photographs and video recordings shall be made available to the Police Department upon request. Items defined in Sec. 9.24(3), "Article," Line 16, are exempt from this photograph requirement. (Am. by ORD-12-00103, 8-15-12)

(d) Subsection (c) shall not apply to businesses that did not have two hundred (200) reportable transactions in the past calendar year. However, any such secondhand dealer must follow the daily reporting procedure for each reportable transaction by submitting a transaction form approved by the Police Department to the department on the business day following the date of the reportable transaction.

(e) Receipt Required. Every secondhand dealer must provide a receipt to the party identified in every reportable transaction and must maintain a duplicate of that receipt for one (1) year. The receipt must include at least the following information:

1. The name, address, and telephone number of the licensed business.
2. The date and time the item was received by the secondhand dealer.
3. Whether the item was pawned or sold, or the nature of the transaction.
4. An accurate description of each item received, including, but not limited to, any trademark, identification number, serial number, model number, brand name, or other identifying mark on such an item except that the title, artist or author of audiotapes, compact discs, laser discs, records, videotapes, digital video discs or other similar audio or audio visual recording media need not be described.
5. The signature or unique identifier of the secondhand dealer or employee that conducted the transaction.
6. The amount advanced or paid.
7. If a pawn transaction, the monthly and annual interest rates, including all pawn fees and charges.

8. If a pawn transaction, the last regular day of business by which the item must be redeemed by the pledger without risk that the item will be sold, and the amount necessary to redeem the pawned item on that date.
9. The full name, residence address, residence telephone number, and date of birth of the pledger or seller.
10. The identification number from the seller's identification, and the state, Canadian province or nation of issue.
11. The signature of the pledger or seller.

(f) Label Required. Secondhand dealers must attach a label to every item at the time it is pawned, purchased, or received in inventory from any reportable transaction except as provided herein. Permanently recorded on this label must be the number or name that identifies the transaction in the dealership's records, the transaction date, the name of the item and the description or the model and serial number of the items as reported to the Police Department, whichever is applicable. Labels shall not be reused. Labels are not required for items defined in "Article," Paragraph 16. of Subsection (3) entitled "Definitions."

(g) Transactions with Minors. No purchase, receipt or exchange of any secondhand article, secondhand textbook, or jewelry shall be made from any person under the age of eighteen (18) years, except that a secondhand article dealer may engage in a transaction involving the purchase, receipt or exchange of computer toys and games and audio tapes, compact discs, laser discs, records, video tapes or other similar audio or audio-visual recording device, from a minor if the minor is accompanied by her/his parent or guardian at the time of the transaction.

(Am. by Ord. 12,202, 8-31-98; ORD-07-00064, 5-18-07)

(h) Intoxicated Sellers. No secondhand dealer may receive any goods from a person of unsound mind or an intoxicated or impaired person.

(i) Serial Number Required. No secondhand dealer may receive any item of property that possesses an altered or obliterated serial number or other identification number, or any item of property that has had its serial number removed.

(j) Seller Ownership. No person may pawn, pledge, sell, consign, leave, or deposit any article of property not their own, nor shall any person pawn, pledge, sell, consign, leave, or deposit the property of another, whether with permission or without, nor shall any person pawn, pledge, sell, consign, leave, or deposit any article of property in which another has a security interest with any secondhand dealer.

(k) Seller Identification. No person seeking to pawn, pledge, sell, consign, leave, or deposit any article of property with any secondhand dealer shall give a false or fictitious name, nor give a false date of birth, nor give a false or out-of-date address of residence or telephone number, nor present a false or altered identification or the identification of another to any secondhand dealer.

(l) Holding Period.

1. Except as provided in par. 6., any secondhand article or jewelry purchased or received by a pawnbroker shall be kept on the dealer's premises or other place for safekeeping for not less than thirty (30) days after the date of purchase or receipt, unless the person known by the pawnbroker to be the lawful owner of the secondhand article or jewelry recovers it.
2. Except as provided in par. 6., any secondhand article purchased or received by a secondhand article dealer shall be kept on the dealer's premises or other place for safekeeping for not less than ten (10) days after the date of purchase or receipt.
3. Except as provided in par. 6., any secondhand jewelry purchased or received by a secondhand jewelry dealer shall be kept on the dealer's premises or other place for safekeeping for not less than fifteen (15) days after the date of purchase or receipt.

4. Except as provided in par. 6, any item purchased by a precious metals dealer shall be kept on the dealer's premises or other place of safekeeping for not less than fifteen (15) days after the date of purchase or receipt.
5. During the period set forth in Paragraphs 1., 2., 3. or 4., the secondhand article or jewelry shall be held separate and apart and may not be altered in any manner. The pawnbroker, secondhand article dealer, precious metal dealer or secondhand jewelry dealer shall permit any law enforcement officer to inspect the secondhand article or jewelry during this period. Within twenty-four (24) hours after a written request of a law enforcement officer during this period, a pawnbroker or other secondhand dealer shall make available for inspection any secondhand article or jewelry which is kept off the premises for safekeeping. Any law enforcement officer who has reason to believe any secondhand article or jewelry was not sold or exchanged by the lawful owner may direct a pawnbroker or other secondhand dealer to hold that secondhand article or jewelry for a reasonable length of time which the law enforcement officer considers necessary to identify it.
6. At all times during the terms of the license, the secondhand dealer shall allow law enforcement officials to enter the premises where the business is conducted, including all off-site storage facilities, during normal business hours, for the purpose of inspecting such premises and inspecting the items, ware and merchandise and records therein to verify compliance with this section and other applicable laws.
7. Paragraphs 1. to 4. do not apply to the following:
   a. A secondhand article consigned to a pawnbroker or other secondhand dealer;
   b. A coin of the United States, any gold or silver coin or gold or silver bullion.
   c. An audio tape, compact disc, laser disc, digital video disc, record, video tape or other similar audio or audio-visual recording media. (Cr. by Ord. 12,366, 4-13-99)
   d. A textbook. (Cr. by ORD-07-00064, 5-18-07)
8. If a secondhand article dealer is required to submit an electronic report under Sec. 9.24(7)(c) concerning an article consisting of a computer or video game purchased or received by the secondhand article dealer, the computer or video game shall be kept on the secondhand article dealer's premises or other place for safe keeping for not less than seven (7) days after the report is submitted.

(m) Redemption Period. Any person pledging, pawning or depositing any item for security shall have a minimum of thirty (30) days from the date of that transaction to redeem the item before it may be forfeited and sold. During the thirty- (30) day holding period, items shall not be removed from the licensed location. Pawnbrokers are prohibited from redeeming any item to anyone other than the person to whom the receipt was issued, to any person identified in a written and notarized authorization to redeem the property identified in the receipt, or to a person identified in writing by the pledger at the time of the initial transaction and signed by the pledger, or with the approval of the Police Department. Written authorization for release of property to persons other than the original pledger must be maintained along with the original transaction record in accordance with sub. (b).

(n) Police Order to Hold Property.

1. Investigative Hold. Whenever a law enforcement officer from any agency notifies a secondhand dealer not to sell an item, the item must not be sold or removed from the premises. The investigative hold shall be confirmed in

writing by the originating agency within seventy-two (72) hours and will remain in effect for a reasonable length of time that the law enforcement officer considers necessary to identify it, or until the investigative order is canceled, or until an order to confiscate is issued, pursuant to par. 2., whichever comes first.

2. Order to Confiscate.

a. If an item is identified as stolen or evidence in a criminal case, the Police Department may physically confiscate and remove it from the shop, pursuant to a written order from the Police Department.

b. When an item is confiscated, the person doing so shall provide identification upon request of the secondhand dealer, and shall provide the secondhand dealer with the name and phone number of the confiscating officer and the case number related to the confiscation.

c. When an order to confiscate is no longer necessary, the Police Department shall so notify the secondhand dealer.

(o) Notwithstanding Sec. 9.24(7)(c)7. or Sec. 9.24(7)(f) , if the Police Department finds it is in the interest of the public safety or welfare, the Department may establish rules defining labeling and photographing requirements for items that are part of a collection of coins which would permit the labeling or photographing of the coins in the collection as a group or groups of coins.

(8) Textbooks. For each transaction for the purchase, receipt or exchange of one or more textbooks by a secondhand textbook dealer, a secondhand textbook dealer shall require the customer to provide government-issued photo identification, and complete and sign, in ink, a form approved by the Madison Police Department. The form shall require, among other things, that each individual textbook be listed by title and author, by international standard book number (ISBN) or by any other information adequate to identify each textbook included in the transaction. Should the secondhand textbook dealer include the necessary information on a receipt of the transaction, a copy of the receipt attached to the form shall satisfy this ordinance. Secondhand textbook dealers need not forward a completed copy of the form to the Madison Police Department, but shall maintain the records for a six- (6) month time period and shall make the records available upon demand of the police.

(9) Secondhand Article Dealer Mall or Flea Market.

(a) The owner of any premises or land upon which two or more persons operate as secondhand article dealers may obtain a secondhand article dealer mall or flea-market license for the premises or land if the following conditions are met:

1. Each secondhand article dealer occupies a separate sales location and identifies herself or himself to the public as a separate secondhand dealer.

2. The secondhand article dealer mall or flea market is operated under one name and at one address, and is under the control of the secondhand article dealer mall or flea-market license holder.

3. All sales are completed at a central location under the control of the secondhand article dealer mall or flea-market license holder, who maintains a record of all sales.

(b) The secondhand article dealer license holder and each secondhand article dealer operating upon the premises or land shall comply with sub. (6).

(10) Procedure for Revocation, Suspension or Nonrenewal. In addition to any other penalty provided by these ordinances, any secondhand article dealer license, secondhand jewelry dealer license, secondhand textbook dealer license, pawnbroker license, precious metal dealer license or secondhand article mall or flea-market license may be revoked, suspended or ordered not to be renewed for a stated period of time by the Public Safety Review Committee, after notice and hearing in accordance with the procedures in Sec. 9.49(6)(b),

for any violation of Sec. 9.24; for any violations of any other Madison General Ordinances or state statutes where the circumstances of the offense are substantially related to the circumstances of being a secondhand dealer; for fraud, misrepresentation or false statement contained in the application for a license; or for any violation of Wis. Stat. §§ 943.34, 948.62 or 948.63.

The decision of the Public Safety Review Committee shall be a final determination and shall be subject to review in court as may be provided by law. Any person aggrieved by the decision may seek review thereof within thirty (30) days after the date of the final determination by said board. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(11) Penalty.

(a) Upon conviction for a first offense under this section, a person shall forfeit not less than fifty dollars ($50) nor more than five thousand dollars ($5,000).

(b) Upon conviction for a second or subsequent offense under this section, a person shall forfeit not less than five hundred dollars ($500) nor more than ten thousand dollars ($10,000).

(Sec. 9.24(9) Am. by ORD-11-00067, 5-13-11)

(12) Severability. Should any section, subsection, clause or other provision of this chapter be declared by a court of competent jurisdiction to be invalid such decision shall not affect the validity of the ordinance as a whole or any part other than the part so declared invalid.

(13) This ordinance shall become effective on February 1, 2012.

(14) (Rep. by ORD-13-00119, 6-26-13)

(Sec. 9.24 R./Re-Cr. by Ord. 10,985, Adopted 8-30-94; Am. by ORD-11-00171, 12-21-11)

9.25 REGISTRATION OF LANDLORDS OF CHRONIC NUISANCE PROPERTIES.

(1) Purpose. Properties that have been determined to be Chronic Nuisance Premises (CNP) under Sec. 25.09, MGO, are properties that harm the community, requiring a higher proportion of City police and inspection services, negatively impacting the safety of the occupants and neighbors of the property, and damaging the fabric of the neighborhood. The vast majority of properties determined to be Chronic Nuisance Premises are non-owner occupied rental properties. Due to the negative effects such properties have on the community, it is in the City's interest to regulate the owners of these properties who choose to rent the premises, or portion thereof, to other people. The purpose of this ordinance is to protect the public welfare by requiring that those owners who have a property or properties that have been declared a Chronic Nuisance Premises be registered with the City to ensure compliance with an abatement plan, that the property is adequately maintained, and that the owners are sufficiently trained regarding landlord-tenant issues.

(2) Definitions. In addition to all of the definitions contained in Sec. 25.09(2), MGO, the following definitions apply to this section:

(a) "Absentee Landlord" means a landlord who owns a rental property and does not reside in Dane County and/or is not involved in the day-to-day management of the property.

(b) "Dwelling unit" means one or more rooms which are arranged, designed or used as living quarters for one family only.

(c) "Landlord" means the owner(s) of a property where a 3rd party has entered into a rental agreement for the rental or lease of all or part of a property.

(d) "Registration authorities" are the Chief of Police, the Director of Building Inspection, and the City Attorney, or their respective designees.

(e) "Managing agent" is a person who, by virtue of his or her position, has control, including physical and contractual, over a property.

(f) "Owner" means any person who jointly or severally is vested with all or part of legal title to (or beneficial ownership of) the property, and who has the right to present use and enjoyment of the premises, and the full or partial proceeds thereof.

The term includes, but is not limited to, a mortgagee in possession, a trustee, a trust, a life-estate holder, a remainderman, a land-contract seller, and a land-contract buyer.

(g) "Person" means any individual, partnership, association, corporation, joint venture, limited liability company or partnership, trust, or other entity that may enter into contracts.

(h) "Rental agreement" is a written or oral agreement for the rental or lease of a specific dwelling unit or premises, or portion thereof, in which the owner and tenant agree on essential terms of tenancy such as rent. This term does not include an agreement to enter into a rental agreement in the future, nor does it include land contracts.

(3) Applicability.

(a) Except as set forth in sub. (b), every owner of a property determined to be a Chronic Nuisance Premises under Sec. 25.09(3)(a), MGO must comply with the provisions of this section.

(b) This section does not apply where the registration authorities provide the Clerk notice, pursuant to sub. (7)(b), that the property is no longer subject to the registration requirements of this section. However, this exception does not apply to subsequent determinations that the property is again a Chronic Nuisance Premises.

(4) Registration Requirement. Within ninety (90) days of a property being determined to be a Chronic Nuisance Premises, or a transfer of full or partial ownership of a property already determined to be a Chronic Nuisance Premises, or the enactment of this ordinance, every owner subject to this section must have registered with the Clerk under this section in order to rent, or offer for rent, all or part of the property determined to be a Chronic Nuisance Premises.

(5) Registration Process.

(a) Initial Registration.

1. Registration Process.

a. Owners must register with the Clerk within fifteen (15) days of the issuance of the CNP Notice under Sec. 25.09(3)(a), MGO. To be considered by the Clerk, registrations submitted more than thirty (30) days after the issuance of the CNP Notice must be accompanied by a letter from the registration authorities that a nuisance abatement plan has been agreed to. An owner who has had his or her registration revoked under sub. (d) cannot reapply for registration at that property.

b. Registrations must be accompanied by the registration fee as set forth in subsection (8).

c. Registrations must be submitted on a form provided by the Clerk which shall require the following information:

i. The name, address, work, cellular and home telephone numbers and email address of each owner of the property, as well as the registered agent of any owner of the property. When the owner is a land trust, the form shall include the name and address of each person(s) holding a beneficial interest and/or power of direction therein.

ii. The name, address, work, cellular and home telephone numbers of any person appointed as managing agent(s) of the property. If the managing agent is other than a natural person, the above information shall also be provided for the designated employee(s) of the managing agent specifically assigned to the property.

iii. A copy of the written management agreement between the owner and the managing agent shall be attached to the registration form. If no written agreement exists, the owner and managing agent shall attach an executed statement setting forth the terms of the managing agent's authority to rent, manage, and make expenditures with respect to the multi-family dwelling.

iv. If no managing agent has been appointed, the name, address, work, cellular and home telephone numbers of an agent authorized by the owner to accept notices and process.

v. The number of dwelling units in the property, the occupancy rate for each unit, the names of the occupants of each rental dwelling unit, and the rental rate for each unit.

vi. The name and mailing address of the property mortgagee and the name under which the mortgage for the property is held.

vii. A signed statement from the registrant that he or she agrees to all the terms and conditions of the registration as set forth in subsection (6).

d. Upon receipt of a registration form, the City Clerk shall forward copies of the same to the registration authorities.

2. Registration Certificate.

a. A registration certificate shall be issued by the Clerk only upon being notified jointly by the licensing authorities that:

i. The registrant has provided complete and accurate information on the application form;

ii. The registrant has agreed to, and is cooperating with, a nuisance abatement plan under Sec. 25.09(3)(b)3.; and

iii. The registrant has attended and completed the landlord training program as required under Sec. 25.09(3)(b)4., or other similar class approved by the City Attorney.

iv. There are no existing inspection reports identifying any code violation(s) which have not been corrected and for which the time of correction of said violation as noted in such inspection report has expired; and/or

v. There is no pending litigation with respect to code violations at such property.

vi. If the circumstances in iv. or v. above exist, the Clerk shall hold the registration and fee in abeyance until the identified code violations are cured or the code violation charges are dismissed by a Court or the City. Upon either of such event occurring, the Clerk shall promptly issue the license.

b. A copy of the registration certificate shall be forwarded to the registration authorities, the property owners mortgage holder as identified in subsubparagraph 5(a)1.c.vi. and to the Dane County Register of Deeds.

c. A registration certificate issued under this section is valid for one (1) year from the date of issuance.

(b) Renewal of Registration.

1. Within thirty (30) days, and no later than ten (10) days, of the expiration of the registration certificate, the owner must apply for a renewal of the registration certificate and pay the renewal fee as set forth in subsection (8).
2. Renewal registrations must be submitted on a form provided by the Clerk which shall require the following information:
   a. Either:
      i. A statement that no information contained on the initial registration form or most recent renewal form has changed; or
      ii. An update of the information that has changed since the initial registration or most recent renewal registration.
   b. A signed statement from the registrant that he or she agrees to all the terms and conditions of the registration as set forth in subsection (6).
3. Upon receipt of the registration renewal, the City Clerk shall forward copies of the same to the registration authorities.
4. The City Clerk shall renew the registration only upon being notified jointly by the registration authorities that:
   a. The registrant has provided complete and accurate information on the registration renewal form;
   b. The registrant has either fully abated the chronic nuisance and the property is no longer a Chronic Nuisance Premises, or the registrant is cooperating with the nuisance abatement plan under Sec. 25.09(3)(b)3.;
   c. The registrant has attended a landlord training program approved by the Office of the City Attorney within sixty (60) days prior to the renewal of the registration and, in addition, if landlord is an absentee landlord, proof that a person directly involved in the day-to-day management of the property attend landlord training within sixty (60) days of the expiration of the certificate each year the certificate is up for renewal;
   d. There has been no more than three (3) Enforcement Actions at the property during any six (6) month period after the issuance or renewal of the registration;
   e. The registrant has paid all the fees and costs associated with the Chronic Nuisance Premises finding that accrued during the period of the registration; and
   f. There are no existing inspection reports identifying any code violation(s) which have not been corrected and for which the time of correction of said violation as noted in such inspection report has expired; and/or
   g. There is no pending litigation with respect to code violations at such property.
   h. If the circumstances in iii. or iv. above exist, the Clerk shall hold the registration and fee in abeyance until the identified code violations are cured or the code violation charges are dismissed by a Court or the City. Upon either of such event occurring, the Clerk shall promptly issue the license.

5. A registration renewed under this subdivision is valid for one (1) year from the date of issuance, and must be renewed, pursuant to this subdivision, within thirty (30) days, and no later than ten (10) days, of the expiration of the registration.

(c) Revocation of Registration. A registration certificate issued under this section can be revoked at any time by the City upon a joint determination by the registration authorities that:

1. More than three (3) Enforcement Actions have occurred within any ninety (90) day period since the issuance of the registration certificate;
2. More than six (6) Nuisance Activities have occurred within any twelve (12) month period since the issuance of the registration certificate;
3. The registrant has retaliated against a tenant of the property under Sec. 32.15;
4. The registrant has not made a good faith effort to comply with the nuisance abatement plan entered into under Sec. 25.09(3)(b)3 for more than ninety (90) days; or

(6) Terms and Conditions of Registration. Each registration certificate issued or renewed shall have the following terms and conditions:

(a) Registration Certificates are Not Transferable. Registration certificates issued under this section are not transferable. If the registrant sells all or any part of his or her interest in the property, the registration certificate terminates and the new owner is subject to this section as set forth in subsection (3).

(b) Individual Responsibility. Each owner of the property must separately apply for and obtain a registration certificate under this section, and each owner is individually responsible for complying with the terms and conditions of registration.

(c) Posting of Registration Certificate. A copy of the registration certificate must be provided to each tenant of the premises and must be conspicuously posted at all entry points to the building and on the office door if there is an office at the property. In addition to the certificate, there must be an explanation regarding the property's declaration as a Chronic Nuisance Premises and a statement that the property owner is actively working with the City to correct the nuisance issues associated with the property. The posting shall be no smaller than 11" by 17" and the placement shall be approved by the Building Inspection Department.

(d) Information Update. The registrant agrees to update any information contained on the registration form or registration renewal form within ten (10) days of said change by providing written notice of said changes to the registration authorities.

(e) Compliance With Nuisance Abatement Plan. The registrant agrees to comply with the nuisance abatement plan reached under Sec. 25.09(3)(b)3.

(f) Inspection Requirement. The registrant agrees to allow inspections of the property by the Director of Building Inspection, or his or her designee, upon tenant complaints, pursuant to reinspection deadlines, or because of programmed inspections. It shall be deemed a failure to allow an inspection by every registrant of the property if an inspection is scheduled and the inspector is prevented from accessing the property.

(g) Yearly Training. The registrant agrees to attend a landlord training program within sixty (60) days of the expiration of the certificate, each year the certificate is up for renewal. If registrant is an absentee landlord, registrant agrees to, in addition to registrant, have a person directly involved in the day-to-day management of the property attend landlord training within sixty (60) days of the expiration of the certificate each year the certificate is up for renewal.

(h) Rental Agreements Required. The registrant agrees that each occupied dwelling unit, except for an owner-occupied unit, shall be subject to a rental agreement. The

registrant agrees to forfeit the registration certificate if he or she permits a person(s), other than the immediate family members of an owner-occupant, to occupy a dwelling unit without a rental agreement. An owner will be deemed to have met the requirements of this condition if the owner has initiated a civil action for the removal of the unlawful or unauthorized occupant, or has contacted the Police Department to pursue trespassing charges.

(7) Termination of Registration Requirement.

(a) The owner of a property subject to the requirements of this section, may apply to the registration authorities to terminate the requirement that he or she register and obtain a registration certificate to rent, or offer for rent, the property. This can be done upon a showing by the owner, verified by the registration authorities, that either:

1. For a one (1) year period, every owner(s) of the property, or prior owner(s) of the property, has
   a. Fully complied with the nuisance abatement plan reached under Sec. 25.09(3)(b)3.;
   b. Fully complied with all the terms and conditions of the registration certificate under subsection (6); and
   c. There has not been an Enforcement Action at the property; or
2. There has been a change in full ownership of the property since the Chronic Nuisance Premises determination was made, and, within ninety (90) days of the change in full ownership, the property is no longer determined to be a Chronic Nuisance Premises by the registration authorities.

(b) Upon the owner meeting the requirements of subdivision (a), the registration authorities shall provide the Clerk notice that the property is no longer subject to the registration requirements of this section.

(8) Fees.

(a) Application Fee. Each registrant for a registration certificate shall pay the Clerk two hundred and fifty dollars ($250). However, if there are multiple owners to a property, the second and subsequent registrant shall pay the Clerk one hundred dollars ($100).

(b) Renewal Fee. Each registrant submitting a renewal form shall pay the Clerk fifty dollars ($50).

(c) Late Charge. If a registrant for a license or an owner attempting to renew his or her registration under this section fails to file the registration or renewal form on time, the associated fee set forth above is doubled.

(9) Enforcement. The provisions of this section are enforceable by the Clerk and each of the registration authorities.

(10) Appeal. The provisions of Sec. 9.49, MGO apply to the review of administrative determinations made by the Clerk or the registration authorities pursuant to this section.

(11) Penalty.

(a) Renting Without a Registration Certificate. Anyone subject to this section who violates the registration requirement of subsection (4) shall be subject to a forfeiture of not less than five hundred dollars ($500) nor more than twenty-five hundred dollars ($2,500) upon conviction. Each day of the violation and each dwelling unit rented, or offered for rent, without a registration certificate shall be construed as a separate offense.

(b) Any other violation of this section shall be subject to a forfeiture of not less than one hundred dollars ($100) nor more than one thousand dollars ($1000) upon conviction. Each day of the violation shall be construed as a separate offense.

(Sec. 9.25 Cr. by ORD-10-0011, 2-4-10)

9.26 OPERATION OF PERSONAL STORAGE LOCKERS.

Any person who owns or operates personal storage lockers in the City of Madison shall obtain an annual license prior to January 1 of each year, or within 30 (thirty) days of operating the personal storage lockers. The license year commences on January 1 and ends on the following December 31.

Application shall be made to the City Treasurer and the fee for the license shall be ten dollars ($10.00).

The Treasurer or other authorized individual shall collect the fee and shall assess and collect a late fee of five dollars ($5.00) from every owner or operator of personal storage lockers, if the owner or operator fails to obtain a license prior to April 1 of each year, or fails to obtain a license within 30 (thirty) days of operating personal storage lockers. All late fees received or collected shall be paid into the local Treasury.

The Zoning Administrator may revoke a license if there are three (3) or more violations of this or any ordinance in Chapter 28, MGO, regulating the operation of personal storage lockers, within any twelve (12) month period.

(Cr. by ORD-16-00109, 12-14-16)

9.27 RESERVED FOR FUTURE USE. (R. by Ord. 6186, 3-16-78)

9.28 SALE OF CHRISTMAS TREES LICENSED.

(1) A license shall be required for each stand, place, room or enclosure where Christmas trees are to be sold and such licenses shall be prominently displayed; provided, however, that no license shall be required for the sale of Christmas trees of small, novelty or table size, whether natural or artificial trees, at any indoor location for the reason that no fire hazard or cleanup problems exist in connection therewith as in the case of outdoor sales or of sales of larger Christmas trees. No license shall be issued for any premises in a building or on a parcel of land on which any dwelling unit is located, or in an improperly zoned area. (Am. by Ord. 8530, 3-11-85)

(2) Any person, firm or corporation desiring to engage in the business of selling Christmas trees in the City of Madison shall make application in writing to the Director of the Building Inspection Division. (Am. by Ord. 10,208, 2-28-91; ORD-08-00109, 10-7-08)

(3) Such application shall state the ordinary use to which such premises or location have been devoted up to the time of making application and the type and character of any business carried on at said place and shall describe the premises or location fully where the business is to be carried on, and shall give the name and address of the applicant, if an individual, or of all the partners, if it is a partnership, or of the corporation or organization and its resident agent, if a corporation or organization for the two (2) year period immediately prior to making said application.

(4) The fee for such license shall be ten dollars ($10) payable at the time of making application. All premises shall be inspected and approved by the Building Inspection Division of the Department of Planning and Community and Economic Development before such license is granted. Such inspection shall be made within twenty (20) days of the date of application. The license shall automatically expire on January 1 following the date of issuance. The licensee shall have direct control over the premises or location where such trees are sold and over the sale of such trees, and shall be responsible for the conduct of any person in her/his employ. No such trees shall be placed on any licensed premises by any person in any location within fifteen (15) feet of any gasoline pump or other dispensing equipment of liquid fuels. The license shall not be assignable, and any holder of such license who permits it to be used by any other person shall be guilty of a violation of this section. Any person who engages in the business of selling Christmas trees without a license, except Christmas trees, either artificial or natural, of small, novelty or table size, or any holder of a license who permits it to be used by any other person, upon conviction thereof shall be fined not less than fifty dollars ($50) nor more than one hundred fifty dollars ($150), together with the costs of prosecution, and on default thereof shall be

imprisoned in the county jail for a period of not less than fifteen (15) days nor more than thirty (30) days, or until such fine and costs of prosecution are paid. Each day the terms and provisions of this section are violated shall constitute a separate and distinct offense. (Am. by Ord. 10,208, 2-28-91; ORD-08-00109, 10-7-08)

(5) Any license issued pursuant to this section may be revoked by the Common Council or any appropriate committee thereof. Such revocation shall be for cause, and it shall be the duty of the Building Inspection Division of the Department of Planning and Community and Economic Development to report to the Common Council, or any appropriate committee thereof, any violations of this section, the ordinances of the City of Madison, or the laws of the state of Wisconsin. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(6) The Building Inspection Division of the Department of Planning and Community and Economic Development shall, as soon as practicable after the twenty-fifth (25th) day of December of each year, inspect all premises or locations licensed under this ordinance and certify to the City Clerk the names of those licensees who have fully complied with this ordinance and are entitled to the return of the deposit referred to. If the licensee fails to clean the premises, the Building Inspection Division of the Department of Planning and Community and Economic Development is authorized to enter upon the premise and remove or destroy, or cause to be removed or destroyed, such Christmas trees or parts thereof which remain and the cost of such removal shall be deducted from such amount placed on deposit with the Clerk. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(7) The provisions of this ordinance shall not apply to the wholesale sale of Christmas trees to dealers in the City of Madison.

9.29 RESERVED FOR FUTURE USE. (R. by Ord. 13,764, Effective 6-30-05)

9.30 PENALTY. Any person, firm or corporation who shall violate any of the provisions of this chapter for which special penalty has not been provided shall be subject to a penalty of not more than two hundred dollars ($200) for each and every violation.

9.31 CAT LICENSE.

(1) Definitions.

(a) The word "owner" when used in this section in relation to a property right in or possession of a cat includes every person who owns, harbors, or keeps a cat.

(b) The word "neutered" as used herein as describing a cat shall mean a cat having nonfunctional generative organs.

(2) Every owner of a cat more than five (5) months of age on January 1 of any year, or five (5) months of age within the license year shall annually, or within thirty (30) days from the date such cat becomes five (5) months of age, at the time and in the manner provided by law, pay a cat license fee and obtain a license therefore. Effective January 1, 2009, such cat license fee shall be fifteen dollars ($15) for each neutered male cat or spayed female cat upon presentation of evidence that the cat is neutered or spayed, and twenty dollars ($20) for each unneutered male cat or unspayed female cat, or one-half of these amounts if the cat becomes five (5) months of age after July 1 of the license year. The cat license year shall commence on January 1 and end on the following December 31. (Am. by Ord. 11,736, 12-13-96; Ord. 13,488, 1-23-04; ORD-06-00154, 11-23-06; ORD-08-00134, 12-5-08)

(3) Upon payment of the required cat license fee on any cat, the City Treasurer or other authorized individual shall execute and issue to the applicant a license for such cat which shall state the date of its expiration, shall bear a serial number, owner's name and address, and the name, sex, spayed and unspayed, breed, description and color of the cat licensed, and a duplicate copy of the license shall be kept on file. The City Treasurer or other authorized individual shall at the same time deliver to the licensee a tag of durable material which shall bear the same serial number as the license and the name of the City of Madison. The cost of making and furnishing such tags and the cost of printing all forms

shall be paid out of license revenues. The City Treasurer may authorize the initial issuance of cat licenses by local veterinarians. Effective January 1, 1996, the City Treasurer shall pay fifty cents (.50) from the proceeds of each license to the veterinarian or veterinary clinic which issues the license as reimbursement for providing licensing services. Veterinarians shall not issue renewals of previously issued licenses. (Am. by Ord. 11,736, 12-13-96)

(4) The licensee shall securely attach the tag to a collar or harness and said collar or harness with the tag attached shall at all times be kept on the cat for which the license is issued. A new tag with a new number shall be furnished to the licensee by the City Treasurer or other authorized individual in place of the original tag upon presentation of the license and proof of the loss of the original tag. The Treasurer or other authorized individual shall then endorse the new license number on such license. The City Treasurer shall keep a record thereof. (Am. by Ord. 10,766, 11-1-93)

(5) The fact that a cat is without a license attached to the cat by means of a collar or harness shall be presumptive evidence that the cat is unlicensed. Madison police officers shall seize, impound or restrain any cat for which a cat license is required which is found without such license attached and shall seize, impound or restrain any cat found running at large and any such officer may enter upon premises of the owner to seize such cat.

(6) The owner of all cats over five (5) months of age shall place on said cats a collar or harness bearing the name and address of the owner of said cat plainly stamped on said collar or harness, or upon a metal identification tag attached thereto. It shall be unlawful for any person other than the owner or keeper thereto to remove a cat's collar or harness containing the name of the owner or the license number from any cat.

(7) Any cat found or discovered off the premises of its owner and unaccompanied by its owner or some person in control of it shall be considered to be at large and a private nuisance and may be seized, restrained, impounded and disposed of as provided in Section 23.33 of the Madison General Ordinances.

(8) Late Fees. The Treasurer or other authorized individual shall assess and collect a late fee of five dollars ($5) from every owner of a cat five (5) months of age or over, if the owner failed to obtain a license prior to April 1 of each year, or within thirty (30) days of acquiring ownership of a licensable cat or if the owner failed to obtain a license on or before the cat reached licensable age. All late fees received or collected shall be paid into the local Treasury. The provisions of this Subsection shall become effective April 1, 2004. (Cr. by Ord. 13,488, 2-23-04)

(9) Penalties. Any person violating any provision of this section or who shall cause, suffer or permit the violation of any provision of this section shall be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than two hundred dollars ($200). (Renumbered to Subsec. (9) by Ord. 13,488, 2-23-04)

9.32 RESERVED FOR FUTURE USE. (R. by Ord. 12,133, 6-1-98)

9.33 REGULATION OF MASSAGE ESTABLISHMENTS, MASSAGE TECHNICIANS AND EMPLOYEES.

(1) It shall be unlawful for any person, corporation or other legal entity to suffer, cause or permit the operation of a massage establishment or for a person to operate as a massage technician, agent, manager or employee, except in strict compliance with this section.

(2) Definitions. For the purposes of this section:

(a) Massage means any process or procedure consisting of rubbing, stroking, kneading or tapping, by physical or mechanical means, upon the external parts or tissues of the body of another for a consideration.

(b) Sexual or genital parts shall include the genitals, pubic area, buttocks, anus, or perineum of any person, or the vulva or breasts of a female.

(c) Massage establishment means a place of business wherein private massage is practiced, used or made available as a principal use of the premises.

(d) Massage technician means a person who practices, administers or uses or offers to practice, administer or use massage for a consideration. (Am. by Ord. 6187, 3-16-78)

(e) Patron means any person who receives a massage under such circumstances that it is reasonably expected that he or she will pay money or give any consideration therefore.

(f) Operator means any person, association, firm, partnership or corporation licensed by the City to operate a massage establishment.

(g) Manager means the operator or an agent licensed under this section who shall not be licensed as a massage technician.

(h) Waiting area means an area adjacent to the main entrance that is separate from any area where massages are given.

(i) Massage room means the area where private massage is performed.

(3) Massage Establishment License.

(a) No person, corporation, or other legal entity shall suffer, cause or permit the conduct of a massage establishment without having first obtained a license therefore from the Common Council. A separate license shall be acquired for each such establishment.

(b) No license shall be granted for any establishment, the main entrance to which is within seventy-five (75) feet of the main entrance to a residence or of the common entry hall to residences, nor for any room or rooms in any hotel or motel.

(c) Applications shall be made in writing on forms supplied by the City Clerk. If application is made for a location not previously licensed, the City Clerk shall, by regular mail, notify all property owners and registered electors within two hundred fifty (250) feet of the proposed location at least ten (10) days before the hearing on the granting of such license.

(d) All applications shall include:

1. A nonrefundable fee of three hundred two dollars and fifty cents ($302.50); (Am. by Ord. 9367, 12-21-87)
2. The location and mailing address of the proposed establishment;
3. For an individual or for each person of a partnership or joint venture or agent of a corporation:
   a. Name and present address;
   b. The two immediately previous addresses, and dates of residence at each;

Compliance with such Codes shall be conditions precedent to the opening of business. (Am. by Ord. 5940, 8-15-77)
8. The application shall contain a statement signed by the applicant and each individual of a partnership or joint venture that all information contained therein is true and correct;

(e) The issuance of this license shall allow for the licensing of up to three (3) additional managers for each establishment.

(4) Massage Technician's and Manager's License.

(a) No person shall act or operate for a consideration as a massage technician or manager without having first obtained a permit to do so.

(b) No person shall be granted a license to administer massages unless such person is:
1. A graduate of a recognized massage or therapy school. A recognized massage or therapy school is any school or institution which has for its primary purpose the teaching of the theory, method, and/or profession of massage and which requires work of not less than 70 hours to be given in not less than three (3) calendar months before the student is entitled to a diploma or certificate of graduation.
2. A member in good standing of the American Massage and Therapy Association or other recognized professional massage organization.
3. Free of all communicable diseases as required by the license application.
4. Eighteen (18) years of age or over.

(c) Applications for permits shall be in writing on forms supplied by the City Clerk and shall include:
1. A nonrefundable fee of sixty-two dollars and fifty cents ($62.50);
2. Applicant's full name and present address, Social Security number, written proof of age in excess of eighteen (18) years, height, weight, color of hair and eyes, full set of fingerprints and two (2) photographs not less than thirty (30) days old and at least 2" x 2";
3. For technicians only, name and address of the recognized school attended by such person with a copy of the diploma or certificate of graduation as required by Section (4)(b)1. above;
4. Applicant's two (2) previous addresses and dates of residence at each;
5. The applicant's business, occupation or employment during the two (2) years immediately preceding date of application;
6. Whether the applicant has had a similar permit revoked or suspended and, if so, the reason therefore and the location thereof;
7. Whether the applicant has been convicted of any crime or ordinance violation other than traffic offenses within the past three (3) years and, if so, a listing of the same and the locations thereof;
8. For technicians only, a certificate from a licensed physician that the applicant has been examined and found to be free of communicable diseases and showing that such examination occurred less than thirty (30) days prior to the date of application;
9. The name and address of the licensed massage establishment by which the applicant is employed;

10. A statement signed by the applicant that all information contained therein is true and correct.

(Sec. 9.33(4) Am. by Ord. 10,625, 4-16-93)

(5) Granting of Licenses.

(a) Licenses may be granted by the Common Council after a hearing at which the applicant may be heard at applicant's option. At least ten (10) days' notice of such hearing shall be given to the applicant.

(b) The Common Council shall grant a license within thirty (30) days of application unless it is shown, for a massage establishment license, that the operation as proposed by the applicant does not comply with all applicable State Laws and City Ordinances, and for all licenses that the applicant or any partner or any officer, director or stockholder of a corporate applicant has been convicted in a court of competent jurisdiction of an offense under Wis. Stat. ch. 944, or involving substances included in Wis. Stat. ch. 161, sub. II, or of an offense against the person or property of another within the past three (3) years, that the information required on the application is incomplete or that any applicant has knowingly or with the intent to deceive made any false, misleading or fraudulent statement of fact in the application or any other document required by the City in conjunction therewith, or that the applicant has not resided in the City for at least ninety (90) days prior to date of application.

(c) In the event of denial, the applicant shall receive written notification thereof setting forth the reasons for the denial within ten (10) days after such denial.

(d) All licenses and permits granted by the Council shall expire on the thirtieth (30th) day of June following their issuance. Reapplication therefore shall be not less than sixty (60) days prior to such expiration date and shall be the sole responsibility of the applicant. (Am. by Ord. 10,625, 4-16-93)

(e) No license shall be transferred between locations or persons and no massage establishment license shall be sold or be subject to transfer of corporate assets or change of corporate officers or directors.

(f) The massage technician's license does not entitle the holder to operate or manage a massage establishment unless the technician is the sole proprietor of the establishment and employs no other person in the business. (Am. by Ord. 7188, 12-29-80)

(6) Regulations of Operations and Licenses.

(a) Each establishment shall at all times maintain and comply with the following regulations:

1. General Regulations:

a. The establishment shall comply with all City Codes;

b. Only one (1) nonflashing business sign clearly identifying the establishment as a massage establishment shall be posted at the main entrance. No description of services shall be permitted on such sign;

c. No establishment shall be open for business between the hours of 10:00 p.m. and 8:00 a.m.;

d. Only massage technicians licensed pursuant to this section shall be employed as massage technicians by the establishment;

e. The practice of all massage technicians employed by the establishment shall be limited to the licensed premises;

f. No person under the age of eighteen (18) years shall be permitted on the premises;

g. No intoxicating beverages or substance included in Wis. Stat. ch. 161, sub. II, shall be permitted in the licensed establishment. Food

shall be permitted only when there is no charge therefor and when a food preparation area, including sink with hot and cold running water, is a part of the establishment;

h. The establishment shall provide a waiting area for patrons separate from any area wherein massages are given. There shall be direct access to this area from the main entrance or from the hallway connected only to the main entrance;

i. The operator or a licensed manager shall be present on the premises at all times during hours of operation and shall be responsible for the operation of the establishment;

j. The establishment shall permit inspections of the premises at any time during business hours by Building Inspectors, Fire Inspectors, Health Inspectors, or personnel of any law enforcement agency;

k. The establishment shall keep current records of the names and addresses of its massage technicians, agents, managers and employees and the date of employment and termination of each. Such records shall be open to inspection by any of the personnel listed in Subparagraph j. above;

l. The establishment shall report any change of fact required on the application form and all personnel changes to the City Clerk within ten (10) days after such change.

(b) Each technician shall at all times comply with the following regulations:

1. The technician shall practice only on the premises of a licensed massage establishment;

2. The technician shall massage only patrons over the age of eighteen (18) years;

3. No technician shall administer a massage:

a. If said technician believes, knows, or should know that he or she is not free of any contagious or communicable disease or infection;

b. To any massage patron exhibiting any skin fungus, skin infection, skin inflammation or skin eruption;

4. The technician shall report any change of fact required in the application form to the City Clerk within ten (10) days after such change.

5. a. It shall be unlawful for any person, in a massage establishment, to place his or her hand or hands upon, to touch with any part of his or her body, to fondle in any manner, or to massage, a sexual or genital part of any other person.

b. It shall be unlawful for any person, in a massage establishment, to expose his or her sexual or genital parts, or any portion thereof, to any other person. It shall also be unlawful for any person in a massage establishment, to expose the sexual or genital parts, or any portion thereof, of any other person.

c. It shall be unlawful for any person, while in the presence of any other person in a massage establishment, to fail to conceal with a fully opaque covering, the sexual or genital parts of his or her body.

d. It shall be unlawful for any person owning, operating or managing a massage establishment, knowingly to cause, allow or permit in or about such massage establishment, any agent, employee, or any other person under her/his control or supervision to perform such acts prohibited in Subparagraphs a., b. or c. of this section. (Am. by ORD-14-00012, 1-14-14)

e. It shall be unlawful for any person in a massage establishment, for a consideration, to offer to perform or to make available, permit or in any way participate in the performance of any act prohibited by Subparagraphs a., b. or c. hereof.

(Sec. 9.33(6)(b)5. Am. by Ord. 5940, 8-15-77)

(7) Revocation or Suspension of License.

(a) Grounds. The license granted herein may be revoked or suspended for up to six (6) months by the Common Council.

1. If the applicant has made or recorded any statement required by this section knowing it to be false or fraudulent or intentionally deceptive;

2. For the violation of any provision of this section, except for establishment license matters involving violations of City Codes, in which case the license shall be revoked after the second conviction thereof in any license year;

3. If a technician's or manager's license, after one (1) conviction of any offense under Wis. Stat. ch. 944, or of an offense involving substances included in Wis. Stat. ch. 161, sub. II, or of an offense against the person or property of a patron, whether such occurred on or off the premises of the establishment;

4. If an establishment license, after one (1) conviction of any establishment personnel of an offense under Wis. Stat. ch. 944, or of an offense against the person or property of a patron or of an offense involving substances in Wis. Stat. ch. 161, sub. II, where there is shown the participation or knowledge of any other establishment personnel or of any individual within the business structure of the applicant.

(b) Notice and Hearing. No license shall be revoked or suspended by the Common Council except upon due notice and a hearing to determine whether grounds for such action exist. The notice shall be in writing and shall state the grounds of the complaint against the licensee. The notice shall be served upon the licensee at least fifteen (15) days prior to the date of the hearing and shall state the time and place thereof. The licensee shall be entitled to be heard, to be represented, to cross-examine opposing witnesses, and to present witnesses in his or her own behalf under the subpoena of the Common Council, if such is required. The hearing shall be stenographically recorded and a copy of the transcript shall be available to the licensee at the expense of the licensee. The Common Council shall decide the matter and shall prepare a written decision which shall be filed with the City Clerk and a copy thereof mailed to the licensee within twenty (20) days after the hearing.

(8) Exceptions. This section shall not apply to the following classes of individuals while engaged in the duties of their respective professions:

(a) Physicians, surgeons, chiropractors, osteopaths, masseurs, or physical therapists licensed or registered to practice their respective professions under the laws of the State of Wisconsin, or nurses registered under the laws of the State of Wisconsin, acting under their direction and control.

(b) Barber shops and beauty parlors, barbers and beauticians licensed under the laws of the State of Wisconsin, provided that such massage as is practiced is limited to the head and scalp.

(c) Accredited high schools and colleges and coaches and trainers therein while acting within the scope of their employment.

(9) Operation Without a License a Public Nuisance. The operation of a massage establishment without a license or the activity of an individual as a massage technician without a license is deemed a public nuisance and may be enjoined by the City.

(10) Penalty. Any person violating any provision of this section shall be subject to a forfeiture of not less than one hundred dollars ($100) nor more than five hundred dollars ($500). Each day of violation of operating without required licenses or permits and each violation of any provision hereof shall constitute a separate offense. (Am. by Ord. 6512, 2-15-79)

(11) Severability. The provisions of any part of this ordinance are severable. If any provision or subsection hereof or the application thereof to any person or circumstances, is held invalid, the other provisions, subsections and applications of such ordinance to other persons or circumstances shall not be affected thereby. It is declared to be the intent of this ordinance that the same would have been adopted had such invalid provisions, if any, not been included herein.

(12) Effective Date. This ordinance shall be effective upon publication except that establishments in full operation on such date shall comply with its provisions not later than April 15, 1975.

(Sec. 9.33 Cr. by Ord. 4884, 2-7-75)

9.34 LICENSING OF PRIVATE AMBULANCE SERVICES.

The purpose of this ordinance is to protect the health and welfare of the residents of Madison by setting licensing standards for the operation of private ambulance services, providing for inspection of private ambulances and ambulance equipment, regulating the qualifications of persons employed as private ambulance attendants, providing for renewal and revocation of licenses, and requiring written reports. (Am. by ORD-17-00030, 3-8-17)

(1) Definitions.

(a) Ambulance means any privately owned motor vehicle or aircraft that is specially designed or constructed, equipped, and intended to be used for and maintained or operated for the transportation of patients, except any such motor vehicle owned by, or operated under the direct control of, the United States or the State of Wisconsin.

(b) Attendant means a trained and licensed person responsible for the operation of an ambulance and for the care of the patients. An attendant must hold a valid Wisconsin motor vehicle operator's license.

(c) Patient means a person who is sick, injured, wounded, or otherwise incapacitated or helpless, and in need of transportation and/or medical treatment.

(d) Person means any individual, firm, partnership, association, corporation, company, group of individuals acting together for a common purpose or organization of any kind, including any governmental agency other than the United States or State of Wisconsin.

(e) Emergency Medical Technician-Basic means a person who has completed and maintains the prescribed training resulting in certification as Emergency Medical Technician-Ambulance or Emergency Medical Technician-Basic by the National Registry of Emergency Medical Technicians or the Wisconsin Division of Health. An Emergency Medical Technician-Basic must also be CPR-certified, that is, certified in cardio-pulmonary resuscitation according to standards set by the American Heart Association.

(f) Emergency Medical Technician-Paramedic means a person who is specially trained in the emergency cardiac, trauma and other lifesaving or emergency procedures in a training program or course of instruction resulting in certification as an Emergency Medical Technician-Advanced or Emergency Medical Technician-Paramedic by the National Registry of Emergency Medical Technicians or the Wisconsin Division of Health. An Emergency Medical Technician-Paramedic must also be CPR-certified, that is, certified in cardio-pulmonary resuscitation according to the standards set by the American Heart Association.

(g) Attendant-Trainee means a person engaged in training for the purpose of becoming an attendant as defined herein, and who holds a current provisional Emergency Medical Technician-Basic license.

(h) Ambulance Service Operator means a person engaged in the business of transporting patients by ambulance to or from facilities or institutions providing health services.

(2) Private Ambulance Service Operator's License.

(a) No person, either as owner, agent or otherwise, shall furnish, operate, conduct, maintain, advertise or otherwise be engaged in, or profess to be engaged in, the business or service of the transportation of patients within the City of Madison unless he or she holds a currently valid license as an Ambulance Service Operator, pursuant to this ordinance. An ambulance operated by an agency of the United States or of the State of Wisconsin shall not be required to be licensed hereunder.

(b) No ambulance shall be operated for ambulance purposes, and no person shall drive, attend, or permit it to be operated for such purposes in the City of Madison, unless the owner or proprietor holds a currently valid Private Ambulance Service Operator's License issued by the City of Madison. Provided, however, that no license shall be required for the operation of an ambulance service which is:

1. Transporting patients from locations outside the limits of the City of Madison.
2. Rendering assistance to licensed ambulance service in the case of a major catastrophe or emergency with which the licensed ambulance services of the City of Madison are unable to cope.
3. Provided by the Police or Fire Department of the City of Madison.

(Am. by Ord. 5505, 6-8-76)

(3) Application for Private Ambulance Service Operator's License.

Application for Private Ambulance Service Operator's Licenses shall be made upon such forms as may be prepared or prescribed by the Director of Public Health Madison and Dane County and shall contain:

(a) The name and address of the applicant.

(b) All trade or other corporate names, if any, under which the applicant does business and proposes to do business.

(c) A list of employees serving as attendants, along with the following:

1. The attendant's full name, current address and length of time he or she has resided at said address.
2. A copy of the attendant's current Wisconsin motor vehicle operator's license.
3. The attendant's training and experience in the transportation and care of patients, and whether he or she has previously been licensed as an emergency ambulance driver or attendant, and if so, when and where, and whether such license has ever been revoked or suspended in any jurisdiction and for what cause.
4. Two recent photographs of the attendant, of a size designated by the Director of Public Health Madison and Dane County.
5. Such other information as the Director of Public Health Madison and Dane County shall deem reasonably necessary to a fair determination of compliance with this ordinance.

(d) The name and address of a responsible local agent who will be available at all times.

(e) A description of each ambulance, including the make, model, year of manufacture, motor and chassis number; current state license number; the length of time the

ambulance has been in use; and the color scheme, insignia, name, monograph or other distinguishing characteristics to e used to designate applicant's ambulance or ambulances.

(f) A copy of the Certificate of Title, as provided by Wis. Stat. ch. 342, for each of applicant's ambulances.

(g) The location and description of the place or places from which ambulances will operate.

(h) A schedule of rates being charged, accompanied by a description as to how these rates are calculated. Any changes or revisions in these rates and/or the method of calculation shall be immediately filed with the City Clerk.

(i) Such other information as the Director of Public Health Madison and Dane County shall deem reasonably necessary to a fair determination of compliance with this ordinance.

(j) An accompanying license fee of one hundred dollars ($100) per vehicle.

(Sec. 9.34(3) Am. by Ord. 5511, 6-19-76)

(4) Standards for Issuance of Private Ambulance Service Operator's License.

(a) Each ambulance proposed to be used by a private ambulance service operator, shall, at all times when in use as such:

1. Be suitable for the transportation of patients from the standpoint of health, sanitation and safety, and be maintained in suitable premises; that is, each ambulance shall be kept in a heated garage from October 15 through April 15 when not in service, and each ambulance operator shall make provisions for adequate off-street parking facilities for his/her vehicles. (Am. by ORD-14-00012, 1-14-14)

2. Contain equipment conforming to the standards, requirements, and regulations provided by the Director of Public Health Madison and Dane County, which equipment shall be in proper and good condition for such use.

3. Be equipped with such lights, sirens and special markings to designate it as an ambulance as may be prescribed in reasonable regulations promulgated by the Director of Public Health Madison and Dane County.

4. Be equipped with approved safety belts for the driver and for the passenger in the front seat, if such seat is provided.

5. The inside height of the patient compartment shall be a minimum dimension of fifty-four (54) inches, floor to ceiling. A height of sixty (60) inches is preferable.

6. When responding to a call, be staffed by no less than two (2) attendants licensed as an Emergency Medical Technician-Basic as defined in Subsection (1)(g) of this ordinance. Provided, however, that for the first two (2) years after the effective date of this ordinance, one of the two attendants may be an Attendant-Trainee, who holds a current provisional Emergency Medical Technician-Basic License. Every attendant must hold a valid Wisconsin motor vehicle operator's license. Every attendant while on duty shall wear the identification badge issued by the Director of Public Health Madison and Dane County pursuant to Subsection (5)(f) of this ordinance. (Am. by Ord. 5505, 6-8-76)

7. Be equipped with radio, as follows:

a. Each ambulance shall be equipped with at least one portable radio capable of transmitting on the Federal Communications Commission assigned emergency medical frequency and shall be capable of transmitting from any patient location within the City of Madison to all Madison hospitals.

b. Ambulance radio operation shall comply with procedures approved by the Federal Communications Commission and the Chief of Communications, Madison Fire Department.

8. Be driven by a person who has demonstrated knowledge of ambulance driving techniques and of traffic laws relative to ambulance driving. The Director of Public Health Madison and Dane County shall provide a suitable test for the demonstration of such knowledge.

(b) Any change of ownership of an ambulance used by an operator licensed pursuant to this ordinance, shall terminate that license, and shall require a new application and a new license and conformance with all the requirements of this ordinance as upon the original licensing.

(c) Application for transfer of any Private Ambulance Service Operator's License to another or substitute operator shall require conformance with all the requirements of this ordinance as upon original licensing. No ambulance license may be sold, assigned, mortgaged or otherwise transferred without the approval of the Director of Public Health Madison and Dane County, and a finding of compliance with all the requirements of this ordinance as upon original licensing.

(d) The ambulance or ambulances, equipment and premises designated in the application for an ambulance service operator's license and all records relating to maintenance and operation of said ambulance shall be open to inspection at any time by the Director of Public Health Madison and Dane County or her/his designated representative. (Am. by ORD-14-00012, 1-14-14)

(e) No official entry made upon a license may be defaced, removed or obliterated.

(f) Any change in the application information provided to the Director of Public Health Madison and Dane County pursuant to Subsection (3) of this ordinance, shall be reported to the Director within five (5) working days.

(g) Each ambulance operator shall provide service twenty-four (24) hours a day, every day, for the entire calendar year. Operators unable to provide service because a vehicle or vehicles are involved in rendering care and/or undergoing maintenance or repair are not to be construed to be in violation of this section. Operators unable to provide service because attendants are unavailable or because a vehicle or vehicles are undergoing maintenance or repair, are required to report this fact to the Chief of Communications of the Madison Fire Department. Unless unusual or exigent circumstances make it impossible, this report must be made at least twenty-four (24) hours in advance. The Chief of Communications of the Madison Fire Department shall keep the Director of Public Health Madison and Dane County informed as to the times and dates that licensed operators are unable to provide service. If the Director of Public Health Madison and Dane County reasonably believes these periods to be excessive, or caused by inadequate equipment or insufficient staff, she or he shall issue a warning to the operator. If no improvement is shown within a reasonable time, the operator's license shall be suspended. (Am. by ORD-14-00012, 1-14-14)

(h) No private ambulance operator's license shall be issued unless the applicant shall first file with the Director of Public Health Madison and Dane County a sufficient policy of insurance issued by an insurance company licensed to do business in the State of Wisconsin, which shall provide that the insurance company shall be liable for damages of up to three hundred thousand dollars ($300,000) for any accident due to the negligent operation of one of the service operator's ambulances. The policy shall be approved by the Risk Manager, and shall contain a provision that the same may not be cancelled before the expiration of its term, except upon thirty (30) days written notice to the Director of Public Health Madison and Dane County. If at any time such policy shall be cancelled or not in effect for any reason, the ambulance service operator's license shall be immediately suspended.

(5) Licensing. (Am. by Ord. 5505, 6-8-76)

(a) The Director of Public Health Madison and Dane County shall, within forty-five (45) days after receipt of an application for a license as provided for herein, cause an investigation he or she deems necessary to be made of the applicant and of his/her proposed operation, and grant or deny the license. (Am. by ORD-14-00012, 1-14-14)

(b) Upon authorization by the Director of Public Health Madison and Dane County, the City Clerk shall issue a license hereunder, when he or she finds:

1. That each ambulance proposed to be operated by the applicant, its required equipment, ad the premises designated in the application, have been approved by the Fire Department as provided for herein.
2. That all other requirements of this ordinance and all other applicable laws and ordinances have been met.

Such license shall be valid for a period of one (1) year unless earlier suspended, revoked, or terminated.

(Am. by Ord. 5505, 6-8-76)

(c) Prior to the issuance of any Private Ambulance Operator's License hereunder, the Director of Public Health Madison and Dane County shall cause to be inspected the vehicles, equipment and premises designated in each application hereunder, and shall certify his/her approval in a written report when he or she finds compliance with the standards prescribed in Subsections (4)(a), (6) and (7) of this ordinance, and with the regulations promulgated thereunder. (Am. by ORD-14-00012, 1-14-14)

(d) Subsequent to issuance of a Private Ambulance Operator's License hereunder, the Director of Public Health Madison and Dane County shall cause to be inspected each such licensed vehicle, and its equipment and premises, whenever he or she deems such inspection to be necessary, but in any event no less frequently than twice each year, and shall promptly report his/her findings in a written report. The periodic inspection required hereunder shall be in addition to any other safety or motor vehicle inspection required to be made for ambulances or other motor vehicles, or other inspections required to be made under general law or ordinances, and shall not excuse compliance with any requirement of law or ordinance to display any official certificate of motor vehicle inspection and approval, nor excuse compliance with the requirements of any other applicable general law or ordinance. (Am. by ORD-14-00012, 1-14-14)

(e) A copy of each initial, semi-annual or other ambulance, equipment, and premises inspection report submitted by the Director of Public Health Madison and Dane County under the provisions of this subsection shall be promptly transmitted to the applicant or licensee to whom it refers and to the Board of Health.

(f) The Director of Public Health Madison and Dane County shall issue to each attendant a numbered identification badge containing the photograph of said attendant.

(6) Standards for Ambulance Equipment. Each licensee shall comply with such reasonable regulations as may be promulgated hereunder by the Board of Health and the Director of Public Health Madison and Dane County, and shall maintain in each ambulance, at all times when it is in service, all such equipment as may be prescribed hereunder.

(7) Renewal of Licenses. Renewal of any license hereunder, upon expiration for any reason or after revocation, shall require compliance with all the requirements of this ordinance as upon original licensing. All licenses issued hereunder shall expire December 31 annually. License fees shall be pro-rated quarterly.

(8) Revocation of Licenses.

(a) The Director of Public Health Madison and Dane County may suspend or revoke a license issued hereunder for failure of a licensee to comply and to maintain

compliance with, and/or for violation of, any applicable provisions, standards or requirements of this ordinance, and/or of regulations promulgated thereunder. Within fifteen (15) days after a suspension or revocation, the licensee shall be afforded a hearing, after reasonable notice, before the Board of Health. The Board shall, within thirty (30) days after conclusion of such hearing, issue a written decision (which shall include written findings) as to the suspension, revocation, or continuation of said license. Such written decision shall be promptly transmitted to the licensee to whom it refers.

(b) The initial, semi-annual or other ambulance equipment and premises inspection reports of the Director of Public Health Madison and Dane County herein provided for shall be prima facia evidence of compliance or noncompliance with, or violation of, the provisions, standards and requirements provided herein, and of the regulations promulgated hereunder, for the licensing of private ambulance service operators.

(c) Upon suspension, revocation or termination of a Private Ambulance Service Operator's License hereunder such operator shall cease all operations entirely.

(9) Reports. At the conclusion of each run, a report shall be completed by an attendant, upon such report forms as the Director of Public Health Madison and Dane County may provide or prescribe. This applies to any patient picked up within the City of Madison. Copies of said reports shall be available for inspection at the request of the Director of Public Health Madison and Dane County or the Board of Health.

(10) Obedience to Traffic Laws, Ordinances and Regulations.

(a) The driver of an ambulance shall be covered by traffic laws relating to the operation of emergency vehicles, as provided by Wis. Stat. § 346.03.

(b) No siren shall be used when transporting a stabilized patient, unless a known additional emergency response situation exists.

(11) Severability. The provisions of this ordinance shall be severable and if any of the provisions shall be held in contravention of the Constitution and laws of the State of Wisconsin, or the United States, the validity of the rest of the ordinance shall not be affected. It is hereby declared to be the intent of this ordinance that the same would have been adopted had such unconstitutional or unlawful provisions, if any, not been included herein.

(12) Assistance - Advice. Appropriate assistance and/or technical advice in the administration and enforcement of this ordinance shall be provided by the Madison Fire Department, Madison Police Department or other applicable City agencies pursuant to requests of the Director of Public Health Madison and Dane County.

(13) Effective Date. This ordinance shall become effective ninety (90) days from the date of publication, but operators already operating need not be licensed until forty-five (45) days from said date.

(Sec. 9.34 Cr. by Ord. 5256, 1-14-76; Am. by ORD-15-00009, 1-28-15)

9.35 - 9.47 RESERVED FOR FUTURE USE.

9.48 FEES FOR SERVICE OF PROCESS. Pursuant to Wis. Stats. §§ 814.70 and 814.705, the city police shall collect the fees under this section as follows:

(1) Service of Process. For each service or attempted service of a summons or any other process for commencement of an action, a writ, an order of injunction, a subpoena or any other order, forty dollars ($40) for each defendant or person. If there is more than one defendant or person to be served at a given address, forty dollars ($40) for each additional defendant or person.

(2) Execution on Judgment. For serving an execution on a judgment demanding payment thereof or other writ not provided for, forty dollars ($40).

(3) Travel. For travel in serving any summons, writ or other process, at the current Internal Revenue Service rate for deductible costs for operation of an automobile for each mile actually and necessarily traveled. (Am. by ORD-05-00205, 1-3-06)

(Sec. 9.48 Cr. by Ord. 11,131, 1-6-95)

9.49 REVIEW OF ADMINISTRATIVE DETERMINATIONS.

(1) Legislative Purpose. The City of Madison elects not to be governed by any of the provisions of Wis. Stat. ch. 68. This election is made pursuant to the provisions of Wis. Stat. § 68.16.

The purpose of this section is to afford a constitutionally sufficient, fair and orderly administrative procedure and review in connection with determinations by City authorities which involve constitutionally protected rights of specific persons which are entitled to due process protection under the 14th Amendment to the U.S. Constitution, and for which appeal procedures are not already created by other ordinances or statute. There is no intention to create any new or additional rights to administrative review beyond those already guaranteed by the Constitution.

(2) Review of Administrative Determinations. A person aggrieved shall be defined as any person having a substantial interest which is adversely affected by an administrative determination of any official, agent, or employee acting on behalf of the City, as set forth in Subsection (3). A person aggrieved by such determination may have it reviewed by following the procedure set forth in Subsection (6).

(3) Determinations Reviewable. Except as limited by Subsection (4), the following determinations are reviewable under this section:

(a) The grant or denial in whole or in part after application of an initial permit, license, right, privilege, or authority except a license or permit issuable under Chapter 38, MGO, or an adult entertainment license.

(b) The suspension, revocation or nonrenewal of an existing permit, license, right, privilege, or authority except a license or permit issuable under Chapter 38, MGO.

(c) The denial of a grant of money or other thing of substantial value under a statute or ordinance prescribing conditions of eligibility for such grant.

(d) The imposition of a penalty or sanction upon any person except a City employee or officer, other than by a court.

(4) Determinations Not Subject to Review. The following determinations are not reviewable under this section:

(a) Any action which is subject to review procedures provided by any other ordinance, resolution, statute, or rule.

(b) A legislative enactment. A legislative enactment is an ordinance or resolution adopted by the Common Council.

(c) Denial of a claim.

(d) Suspension, removal, demotion, or discipline, or nonrenewal of a contract of a City employee or officer.

(e) The grant, denial, suspension or revocation of a fermented malt beverage or intoxicating liquor license or other license or permit issuable under Chapter 38, MGO.

(f) Determinations made or actions taken during labor negotiations.

(g) Decisions made by the City pursuant to its contracting, budgeting, or employment authority.

(h) The grant, denial, renewal, nonrenewal, revocation or suspension of an adult entertainment license.

(i) Notwithstanding any other provision of this section, any action or determination which does not affect the constitutionally protected right of a specific person or persons to due process of law in connection with the action or determination.

(j) Any action of a City governmental body, including boards, commissions or committees, for which a method of direct review by the circuit court is provided by ordinance. Such method of review may adopt the procedures of Wis. Stat. § 68.13 by reference. (Cr. by ORD-10-00096, 12-14-10)

(Am. by Ord. 13,358, 7-2-03; ORD-06-00144, 11-2-06)

(5) Administrative Review Board. The Common Council Executive Committee (CCEC), as constituted under Sec. 33.13, MGO, shall serve as the Administrative Review Board (ARB) under this ordinance. The CCEC shall adopt rules of procedure when it acts as the ARB. The Common Council staff shall provide staff support to the ARB. (Am. by Ord. 9192, 5-14-87; ORD-08-00092, 8-23-08; ORD-16-00079, Pub. 9-15-16, Eff. 4-18-17)

(6) Procedure for Review.

(a) Written Determination. Any person aggrieved, as defined in Subsection (2), may request a written statement of reasons for a determination subject to the provisions of this section. Such request shall be in writing, and shall be filed within thirty (30) days after the person receives notice of the determination. The request shall be filed with the City Clerk and the Clerk shall immediately forward it to the authority responsible by law for the decision. The requested written statement shall be approved by the responsible authority or officer, shall be dated, and shall be provided to the requester within thirty (30) days. It shall also inform the requester of procedures to be followed in seeking review.

The responsible authority or officer shall consider any revised application, or supplemental facts or argument supplied to him/her in writing, but is not required to provide an interview or hearing, although he/she is permitted to do so. Unless otherwise provided, the determination shall be in effect during the appeal process, if appeal is taken.

(Am. by Ord. 13,358, 7-2-03)

(b) Appeal From Determination.

1. Notice of Appeal. The written determination may be appealed to the Administrative Review Board, if the person aggrieved files a written notice of appeal within thirty (30) days after he/she receives the determination. Such notice shall be filed with the City Clerk. The Board shall hold a hearing within thirty (30) days after the notice is filed with the Clerk. The appellant shall be notified at least ten (10) days before the hearing.

2. Hearing. At the hearing, the appellant and the responsible City official or authority may be represented by counsel, may present evidence, and may call and examine witnesses and cross-examine witnesses of the other party. The Chair of the CCEC shall act as the chair of the ARB and shall conduct the hearing, administer oaths to witnesses, and may issue subpoenas. The rules of evidence provided in Wis. Stat. § 227.45 for administrative proceedings shall be followed. The Common Council staff shall receive and mark all exhibits, and the staff shall record all of the proceedings on tape. If either of the parties requests a stenographic recording, the staff shall make the necessary arrangements but the expense shall be borne by the requesting party. (Am. by ORD-14-00012, 1-14-14; ORD-16-00079, Pub. 9-15-16, Eff. 4-18-17)

3. Decision. Within thirty (30) days of the completion of the hearing and the filing of briefs, if any, the Board shall issue a written decision stating the reasons therefor. The Board shall have power to affirm or reverse the written determination, or to remand it to the agency or authority with instructions for reconsideration. Such orders shall be consistent with applicable law, and, except for remands, shall be final determinations for the purpose of judicial review.

(Sec. 9.49 Cr. by Ord. 5973, 9-30-77)

(7) Judicial Review.

(a) Any party to a proceeding resulting in a final determination hereunder may seek review thereof by certiorari within 30 days of receipt of the final determination. The court may affirm or reverse the final determination, or remand to the decision maker for further proceedings consistent with the court's decision.

(b) If review is sought of a final determination, the record of the proceedings shall be transcribed at the expense of the person seeking review. A transcript shall be supplied to anyone requesting the same at the requester's expense. If the person seeking review establishes impecuniousness to the satisfaction of the reviewing court, the court may order the proceedings transcribed at the expense of the municipality and the person seeking review shall be furnished a free copy of the transcript. By stipulation, the court may order a synopsis of the proceedings in lieu of a transcript. The court may otherwise limit the requirement of a transcript.

(Sec. 9.49(7) Cr. by ORD-10-00101, 10-27-10)

(Sec. 9.49 Am. by ORD-11-00161, 12-6-11)

9.50 DOG LICENSE REQUIRED.

(1) Any person who owns, harbors or keeps a dog in the City of Madison more than five (5) months of age on January 1 of any year or five (5) months of age within the license year shall annually, on or before the date the dog becomes five (5) months of age pay the dog license tax and obtain a license. The license year commences on January 1 and ends on the following December 31.

(2) Tax. Effective January 1, 2009, the dog license tax shall be a total of fifteen dollars ($15) for a neutered male dog or spayed female dog upon presentation of evidence that the dog is neutered or spayed, and a total of twenty dollars ($20) for an unneutered male dog or unspayed female dog, or one-half these amounts if the dog becomes five (5) months of age after July 1 of the license year. The Treasurer of the City of Madison or other authorized individual shall collect these fees. (Am. by Ord. 10,767, 11-1-93; Ord. 13,488, 2-23-04; ORD-05-00179, 11-8-05; ORD-08-00134, 12-5-08)

(3) Late Fees. The Treasurer or other authorized individual shall assess and collect a late fee of five dollars ($5) from every owner of a dog five (5) months of age or over, if the owner failed to obtain a license prior to April 1 of each year, or within thirty (30) days of acquiring ownership of a licensable dog or if the owner failed to obtain a license on or before the dog reached licensable age. All late fees received or collected shall be paid into the local Treasury. (Am. by Ord. 10,767, 11-1-93)

(4) Issuance of Licenses and Tags.

(a) License. Upon payment of the required dog license tax and upon presentation of evidence that the dog is currently immunized against rabies as required by Madison General Ordinance Sec. 23.39, or approved for exemption under sub. (d), the City Treasurer or other authorized individual shall complete and issue to the owner a license for the dog bearing a serial number and in a form prescribed by the State of Wisconsin stating the date of its expiration, the owner's name and address, and the name, sex, spayed or unspayed, neutered or unneutered, breed and color of the dog. The Treasurer shall keep a duplicate copy of the license on file. Effective January 1, 1996, the City Treasurer may authorize the initial issuance of dog licenses by local veterinarians. Veterinarians shall not issue renewals of previously issued licenses. (Am. by Ord. 11,736, 12-13-96; ORD-16-00104, 12-2-16)

(b) Tag. After issuing the license the Treasurer or other authorized individual shall deliver to the owner a tag of durable material bearing the same serial number as the license, the name of the County in which issued and the license year. A new tag with a new number shall be furnished to the owner by the Treasurer or other

authorized individual in place of the original tag upon presentation of the license. The Treasurer or other authorized individual shall then endorse the new tag number on the license. The City Treasurer shall keep a record thereof in the file.

(c) Payment to County Treasurer. Effective January 1, 1996, any authorized veterinarian shall be reimbursed by the City Treasurer the maximum reimbursement fee authorized by Wis. Stat. §174.07(3)(c), for each City of Madison dog license issued by that veterinarian or veterinary clinic. The City Treasurer shall, pursuant to Wis. Stat. § 174.08, pay to the County Treasurer all dog license taxes collected after deducting any additional tax or late fee which has been levied pursuant to Sec. 9.50(2) or (3) of the Madison General Ordinances and after deducting the maximum reimbursement fee for each license issued as authorized by Wis. Stat. § 174.07(3)(c). (Am. by Ord. 11,736, 12-13-96)

(Am. by Ord. 10,767, 11-1-93)

(d) Rabies Vaccination Exemption. Dogs may be exempt from rabies vaccination during licensure if a licensed veterinarian determines there is a medical reason that the dog should not be vaccinated. To be exempt from rabies vaccination the owner shall provide to Public Health Madison Dane County a letter from a licensed veterinarian that is signed and dated and contains the following information:

1. The medical reason for the exemption; and
2. The results of a rabies titer which has been completed within the past three (3) years of the letter.

The letter from the veterinarian shall be good for one (1) year from the date of the letter. Each licensing year the owner must submit a new letter to receive said exemption.

(Cr. by ORD-16-00104, 12-2-16)

(5) Kennel Licenses.

(a) Definition. A kennel is any premise, or portion thereof, where dogs, cats and other household pets are maintained, boarded, bred, or cared for, in return for remuneration, or are kept for the purpose of sale.

(b) Kennel License Option. Any person who keeps or operates a kennel may, instead of the license tax for each dog required by this section, apply to the City Treasurer for a kennel license for the keeping or operation of the kennel. Effective April 1, 2004, such person shall pay for the license year a license tax of fifty-five dollars ($55) for a kennel of 12 or fewer dogs and an additional eight dollars ($8) for each dog in excess of 12. Upon payment of the required kennel license tax and upon presentation of evidence that all dogs over 5 months of age are currently immunized against rabies, the City Treasurer shall issue the kennel license and a number of tags equal to the number of dogs authorized to be kept in the kennel. (Am. by Ord. 13,488, 1-23-04)

(c) Kennel License Tags. Kennel license tags shall be made in a form so that they may be readily distinguishable from the individual license tags for the same year. The owner or keeper of a kennel shall keep at all times a kennel license tag attached to the collar of each dog over 5 months old kept by the owner or keeper under a kennel license but this requirement does not apply to a dog during competition or training, to a dog securely confined indoors, to a dog while hunting or to a dog securely confined in a fenced area. These tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a dog during competition or training, to a dog securely confined indoors, to a dog while hunting or to a dog securely confined in a fenced area. No dog bearing a kennel tag shall be

permitted anywhere outside the limits of the kennel unless the dog is under the control of a person and in leash or the dog is temporarily out for the purposes of hunting, breeding, trial, training or competition.

(d) Applicability of Other Requirements. Unless clearly inapplicable, all the provisions of this section relating to the individual dog license tax, licenses and tags shall apply to kennel license and tags.

(Sec. 9.50(5) Cr. by Ord. 10,338, 11-29-91)

9.51 PARKING ENFORCER'S LICENSE.

(1) Definitions. All terms used herein shall have the same meaning as set forth in Sec. 23.56(2), Madison General Ordinances, and Wis. Stat. § 340.01.

(2) No parking enforcer may use an immobilization device to immobilize a motor vehicle to enforce parking restrictions against unauthorized parking unless the parking enforcer possess a valid Parking Enforcer's license.

(3) Application. Applications shall be made in writing on forms specified by the City Clerk. All applications shall include:

(a) A nonrefundable fee of $25;

(b) The location and mailing address of the parking enforcer and their proposed business;

(c) The name, address, physical description, date of birth, and phone and driver's license number of the applicant and, if a business, the names, addresses, dates of birth, phone numbers and drivers' licenses of all persons employed by the applicant at the proposed establishment;

(d) The filing of a certificate of insurance stating that the applicant has obtained and maintains in full force, a policy of bodily injury and property damage liability insurance for injury or damage arising from the use of an immobilization device in an amount of at least $1,000,000 per use of an immobilization device;

(e) A statement as to whether or not the applicant and/or any of the applicant's employees have ever been convicted of any crime, misdemeanor, or violation of any municipal ordinance, the date(s) and nature of such offense, the location or jurisdiction of such offense, and the punishment or penalty assessed therefore;

(f) The three cities or villages where the applicant carried on business immediately preceding the date of application and the addresses from which such businesses were operated.

(g) A photograph approximately two inches by two inches (2" × 2") showing the head and shoulders of the applicant, which photograph shall have been taken within twelve months of the application. A similar photograph of each employee of the applicant shall also be submitted.

(4) Investigation and Issuance.

(a) All applications shall be received by the City Clerk and shall be referred to the Chief of Police who shall institute an investigation to determine whether the applicant meets the standards for the issuance of a Parking Enforcer's License. Such investigation shall be initiated within 30 days of the filing of the application with the Clerk. The Chief of Police shall timely notify the City Clerk of the results of her/his investigation and shall indicate whether the applicant meets the standards for issuance of a Parking Enforcer's License. Such standards are as follows:

1. The applicant must satisfy the criteria set forth in sub. (3)(a) through sub. (3)(h) above.
2. The applicant has demonstrated financial capability and responsibility.
3. The applicant has prior experience as a parking enforcer or has prior experience in a substantially similar field or occupation.

4. The applicant has provided a satisfactory level and quality of service in the past in areas in which the applicant has operated.
5. The applicant and the applicant's employees have received training or are previously experienced in the proper application of vehicle immobilization devices.
6. The applicant and each of the applicant's employees have a demonstrated record of compliance with applicable regulatory laws, ordinances and rules.
7. The applicant's business must not have an extensive prior record of service complaints.
8. The vehicle immobilization devices the applicant proposes to use shall be in serviceable condition and shall not be of a design which would result in damage to any vehicle by virtue of their application.
9. The applicant is not disqualified from receiving a license under the criteria set forth in sub. (4)(b).

(b) No person shall be issued a Parking Enforcer's License under the following circumstances:

1. When said applicant or any of the applicant's employees have been convicted by a court of competent jurisdiction of an offense the circumstances of which substantially relate to the circumstances of parking enforcement operations. Such offenses include but are not limited to theft and/or false imprisonment as defined by the Wisconsin Statutes, Disorderly Conduct as defined by Sec. 24.02 of these ordinances. In determining whether the circumstances of a conviction substantially relate to the circumstances of parking enforcement operations, the Chief of Police shall consider the factors enumerated in sub. (4)(a) herein.
2. Where there is sufficient evidence to reasonably believe that any applicant or their employee has consumed or has been under the influence of alcohol and/or controlled substances, while on duty as a parking enforcer, during any of the twelve months prior to submission of the application.
3. When the applicant or any of the applicant's employees has made a false statement in her/his application for a Parking Enforcer's License.
4. Where there is sufficient evidence to reasonably believe that the applicant, or any of the applicant's employees has engaged in violent, obscene, or abusive behavior, while on duty as a parking enforcer, during any of the twelve months prior to submission of the application.

(5) Exhibition of License. Such license, or if an employee of a parking enforcer then the employer's license, shall be carried at all times whenever a person is engaged in parking enforcement in the City, and shall be exhibited by any such person whenever she or he shall be requested to so do by any police department employee or any person against whom parking enforcement action has or is taking place. No license shall be used at any time other than by a parking enforcer to whom it is issued or such parking enforcer's employee.

(6) Revocation of License. Any such license may be revoked in writing by the City Clerk for any of the following causes:

(a) Fraud, misrepresentation or false statement contained in the application for license.
(b) Fraud, misrepresentation or false statement made in the course of carrying on her/his business as a parking enforcer.
(c) Any violation of this ordinance.
(d) Conviction of any crime or misdemeanor involving moral turpitude.
(e) Conducting the business of a parking enforcer in an unlawful manner or in such a manner as to constitute a breach of the peace or general welfare of the public.

(f) The licensee has acquired a total of five or more convictions for violations of Sec. 23.56 and/or 23.565, MGO, during the most recent 12 month.

(g) The licensee has failed to maintain in full force and effect a policy of bodily injury and property damage liability insurance for injury or damage arising from the use of an immobilization device in an amount of at least $1,000,000 per use of an immobilization device.

(7) Appeal. Any person aggrieved by the action of the City Clerk in the denial or revocation of a license may appeal to the Common Council. Such appeal shall be taken by filing with the City Clerk, within fourteen (14) days after notice of the action complained of, a written statement setting forth fully the grounds of the appeal. The Council shall set a time and place for a hearing on such an appeal and notice shall be mailed by the City Clerk to the appellant at her/his last known address at least five (5) days prior to the date set for hearing, or shall be delivered by a police officer in the same manner as a summons at least three (3) days prior to the date set for hearing. (Am. by ORD-14-00012, 1-14-14)

(8) Reapplication. No applicant to whom a license has been refused or whose license has been revoked shall make further application until a period of at least six (6) months has elapsed unless she or he can show that the reason for such rejection or revocation no longer exists. (Am. by ORD-14-00012, 1-14-14)

(9) Expiration of License. No license shall be issued for a longer period than one (1) year. All annual licenses issued under the provisions of this ordinance shall expire at midnight on the thirtieth (30th) day of June in the year when issued. Other than annual licenses shall expire at midnight on the date specified for expiration in the license.

(10) Severance Clause. The provisions of this ordinance are declared to be severable and if any section, sentence, clause or phrase of this ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this ordinance.

(11) A licensee, as a condition of this license, must comply with the administrative appeals process set forth in Sec. 23.565, MGO.

(12) Penalty. Any parking enforcer violating any of the provisions of this section shall be subject to a forfeiture of not less than $100 nor more than $1,000 for the first offense and not less than $200 nor more than $1,000 for the second or subsequent offense. Each application of an immobilization device and each day, or part thereof, that an immobilization device remains attached or affixed to a motor vehicle, shall constitute a violation where the parking enforcer employing such devices is unlicensed.

(Sec. 9.51 Cr. by Ord. 12,043, 3-2-98)

9.52 KEEPING OF CHICKENS.

Any person who keeps chickens in the City of Madison shall obtain an annual license prior to January 1 of each year, or within 30 days of acquiring the chickens. The license year commences on January 1 and ends on the following December 31.

Application shall be made to the City Treasurer and the fee for the license shall be ten dollars ($10.00).

The Treasurer or other authorized individual shall collect the fee and shall assess and collect a late fee of five dollars ($5.00) from every owner of chickens, if the owner fails to obtain a license prior to April 1 of each year, or fails to obtain a license within 30 days of acquiring the chickens. All late fees received or collected shall be paid into the local Treasury.

The Zoning Administrator may revoke a license if there are three (3) or more violations within any six (6) month period of this or any ordinance in Chapter 28, MGO regulating the keeping of chickens.

(Cr. by Ord. 13,605, 5-21-04; Am. by ORD-06-00154, 11-23-06; ORD-10-00004, 1-21-10)

9.53 KEEPING OF HONEYBEES.

Any person who keeps honeybees in the City of Madison shall obtain an annual license prior to January 1 of each year, or within thirty (30) days of acquiring the honeybees. The license year commences on January 1 and ends on the following December 31.

Application shall be made to the City Treasurer and the fee for the license shall be ten dollars ($10.00).

The Treasurer or other authorized individual shall collect the fee and shall assess and collect a late fee of five dollars ($5.00) from every owner of honeybees, if the owner fails to obtain a license prior to April 1 of each year, or fails to obtain a license within thirty (30) days of acquiring the honeybees. All the late fees received or collected shall be paid into the local Treasury.

The Zoning Administrator may revoke a license if there are three (3) or more violations within any six-(6) month period of this or any ordinance in Chapter 28, MGO, regulating the keeping of honeybees.

(Cr. by ORD-12-00025, 3-5-12)

9.54 EQUIPMENT PLACEMENT ON SIDEWALKS AND TERRACES, PERMITS FOR INFORMATION TABLES AND EXPRESSIVE STREET VENDING.

(1) No person shall place, set up, construct, or allow to remain a table, easel, case, crate, box, stand, tent, rack, cart, or any other equipment, display or articles of any kind on a public sidewalk or sidewalk area, terrace, street or highway right-of-way, except temporarily while actively loading or unloading such items, or unless a T permit or E permit has been issued under this section, or unless such equipment placement is authorized, by permit or other authorization, elsewhere in these ordinances.

(2) Purpose and Findings. The sidewalks, sidewalk areas and terraces (collectively, "sidewalks") of the City of Madison are traditionally held for use by pedestrians and bicyclists in the ordinary way, and limited use for street vending, special events, and holders of encroachment permits. The streets are held for use by motorists and vehicles. Due to the high volume of pedestrian traffic including students, workers, shoppers and tourists, the sidewalks of State Street and the Capitol Concourse (the "Mall/Concourse Area" as defined in Sec. 9.13(6)(a)) and sidewalks adjoining property of the University of Wisconsin have been historically and traditionally used as a place for public expression, as well as sought-after locations for licensed street vendors, sidewalk cafes and merchant vendors as permitted by Sec. 9.13, MGO. The City of Madison has developed a regulatory system for street vendors in the Mall/Concourse Area to preserve its interests as stated in Sec. 9.13(6)(c) and has limited and assigned street vendor locations in other designated vending areas throughout the city, for the reasons stated in Sec. 9.13.

The City finds that the unregulated placement of equipment on the sidewalks of the City impedes traffic and pedestrian safety, interferes with the City's ability to maintain unobstructed pedestrian walkways, is unfair to licensed city vendors, and negatively affects the aesthetics of the permanent streetscape. Additionally, in the Mall/Concourse Area, such unregulated placement of equipment adversely affects the character and unique historical and business concerns of that area, diminishing the value of licenses held by street vendors who compete and pay for assigned vending sites, as well as sidewalk café and merchant vending licenses, and negatively affects the aesthetics of the permanent downtown streetscape that has been carefully designed and maintained by the City.

The City also finds that unregulated placement of equipment on the sidewalks of the Southeast Campus, Camp Randall High Density and UW Football Game Day vending areas creates a hazard for pedestrian and traffic safety due to the high volume of pedestrian traffic in those areas, and adversely affects the aesthetics of the streetscape which is designed primarily for efficient pedestrian movement and is largely free of obstructions.

The City also recognizes that persons not meeting the criteria for street vending licenses may wish to express a message, seek donations, hand out literature or sell

expressive items from a location on the sidewalk using a table and other equipment. The City also recognizes that persons may wish to sell expressive items on foot in these areas.

The City finds that it can address its substantial interests in pedestrian and traffic safety and visual aesthetics by creating a system of assigned sites for the use of tables for expressive activities in the Mall/Concourse and other special vending areas mentioned above, and a permit for all other areas of the City.

The City also finds that its interests in traffic safety, visual aesthetics, and in preserving unique business, tourist and historical concerns can be protected while permitting a limited number of sites for information tables and for sales of expressive items in these areas, as well as permitting mobile sales of expressive items. This ordinance is adopted to create reasonable time, place and manner restrictions on the placement and use of equipment and on mobile sales of expressive items on city sidewalks for expressive, free-speech purposes.

(3) Definitions.

Camp Randall High Density Vending Area. The geographical vending area defined in Sec. 9.13(7)(b)2. T and E permits issued under this ordinance are only valid in this vending area on days when a Football Season License is valid, as described in Sec. 9.13(7)(e)2.

Daily Site. A T or E site that is designated for use seven (7) days per week, as distinguished from a Saturday-only site.

Expressive Item. An item that is inextricably intertwined with a political, philosophical, religious, ideological or other noncommercial message or cause.

Examples of expressive items that may be sold in an E site include pamphlets, newspapers, books, or other publications; DVDs or other recordings; and bumper stickers, buttons, pins, patches, hats, T-shirts, posters or signs displaying a written noncommercial message. An item is not considered inextricably intertwined with a noncommercial message if the item has an independent function or utility despite the inclusion of the message, except that for purposes of this definition, items of apparel such as hats or T-shirts bearing a written noncommercial message will be considered expressive items.

Regulated Vending Areas. For purposes of this ordinance, a Regulated Vending Area is a geographic street vending area established in Sec. 9.13 where street vending is restricted by site location, site assignment, or type of item sold.

Southeast Campus Vending Area. The geographical vending area defined in Sec. 9.13(10).

State Street Mall/Capitol Concourse Vending Area or "Mall/Concourse" Vending Area. The geographical vending area defined in Sec. 9.13(6).

Street Vending shall have the definition given in Sec. 9.13(1).

Street Vending Coordinator. The designee of the Director of the Department of Planning and Community and Economic Development having charge of administering Sec. 9.13, License for Selling on Public Streets, also known as the "Vending Coordinator," or his/her designee.

UW Football Game Day Vending Area or "Game Day" Vending Area. The geographical vending area defined in Sec. 9.13(11). This area is only in effect on days when the University of Wisconsin has a home football game at Camp Randall Stadium as set forth in Sec. 9.13(11)(b).

(4) Table Permits ("T" Permits).

(a) Activities Permitted in a T Site. A T permit holder may display and disseminate information such as literature or pamphlets about political, philosophical, religious, ideological or any other noncommercial messages or causes, petition for signatures or seek donations for the same with the use of a table and equipment described in Sec. 9.54(6)(c), in a T Site. Sales or street vending, as defined in Sec. 9.13(1), are strictly prohibited in a T Site. T permit holders may accept donations in exchange for non-food items of nominal value, but no minimum donation shall be required.

The permittee may limit the number of items given away to one (1) per person, per day. T sites shall not be used for performances or preparation of on-site artwork.

(b) T Sites. The Vending Coordinator shall establish no fewer than ten (10) T daily sites within the State Street Mall/Capitol Concourse Vending area plus additional Saturday-only sites; no fewer than three (3) daily T sites in the Southeast Campus Vending Area, and no fewer than eight (8) T sites in the Camp Randall High Density vending area, for the purposes described in sub (a). All T sites shall be indicated on an official map maintained in the Office of Business Resources for such purposes. The holder of a valid T permit may use any unassigned/unoccupied vending site in the Game Day Vending Area for T-permit activities, on days when that vending area is activated. T sites shall be either 4 feet by 4 feet (4' x 4') or 4 feet by 8 feet (4' x 8') and shall meet all requirements for vending equipment placement found in Sec. 9.13(4) except those provisions that are less strict that this ordinance, in which case the more strict shall apply.

(5) Tables with Expressive Vending ("E" Permits).

(a) Activities Permitted in an E Site. An E permit holder may participate in all of the activities permitted with a T permit, plus vending (sales) of only non-food, expressive items in an E site, with the use of a table and equipment described in Sec. 9.54(6)(c). An "expressive item" is defined as an item that is inextricably intertwined with a political, philosophical, religious, ideological or other noncommercial message or cause. Examples of expressive items that may be sold in an E site include pamphlets, newspapers, books, or other publications; DVDs or other recordings; and bumper stickers, buttons, pins, patches, hats, T-shirts, posters or signs displaying a written noncommercial message. An item is not considered inextricably intertwined with a noncommercial message if the item has an independent function or utility despite the inclusion of the message, except that for purposes of this section, items of apparel such as hats or T-shirts bearing a written noncommercial message may be sold from an E site. An E site may not be used for performances or to prepare artwork.

(b) E Sites. The Vending Oversight Committee (VOC) shall establish no fewer than: four (4) daily E sites within the Mall/Concourse Vending area plus additional Saturday-only sites, no fewer than two (2) daily E sites in the Southeast Campus Vending Area, and no fewer than two (2) E sites in the Camp Randall High Density Vending area for the purposes described in Sec. 9.54(5)(a) which may include the vending of expressive items. E sites in these vending areas shall be indicated on an official map maintained in the Office of Business Resources for such purposes. The holder of a valid E Permit may also use any unassigned/ unoccupied vending site in the Game Day Vending Area for E-permit activities on days when that vending area is activated. E-sites shall be either 4 feet by 4 feet (4' × 4') or 4 feet by 8 feet (4' × 8') and shall meet all requirements for equipment placement found in Sec. 9.13(4) except those provisions that are less strict that this ordinance, in which case the more strict shall apply. The VOC may delegate the authority to establish these sites to the Vending Coordinator.

(6) T and E Site Assignment and Permit Procedure.

(a) Site Assignments. The Vending Coordinator shall assign T sites to T permit holders, and E sites to E permit holders. Sites will be assigned on a first come, first served basis, using the date and time of day that the T or E permit was first issued during that vending year.

An annual permit holder will receive a site assignment for the duration of the vending year. Monthly and daily permit holders occupy sites on a daily first come, first served basis.

(b) Moving Into Unoccupied Site. If an assigned annual T or E site remains unoccupied as of 11 a.m. Sunday through Friday or 8:00 a.m. on Saturday, another T or E permit holder may move into the unoccupied site for the day.
If requests for T or E permits on a specific day exceed the maximum number of corresponding T or E permit sites, the Vending Coordinator may assign a permit holder to an available site of the other type. If all T and E sites are full, the Vending Coordinator may create additional temporary T or E site(s) for the day, consistent with the location requirements for street vendors in the vending area in question, as set forth in Sec. 9.13. No T or E site may displace a licensed city street vendor.

(c) Equipment Permitted in a T or E Site. One table of sturdy construction that fits within the perimeter of the T site, one chair in a four by four (4 × 4) foot-site or two chairs in a four by eight (4 × 8) foot-sites, a securely-fastened table cloth or covering, and not more than one (1) container that fits entirely beneath the table may be used in a T or E site. There shall be no electrical connection, no attention-getting devices, and no signage except one eight and a half by fourteen (8 ½ × 14) inch sign, securely fastened to the table, identifying the permittee or its cause.

(7) The T or E site must be attended at all times by the holder of the permit or another representative of the group holding the permit.

(8) No T or E permit holder shall displace or interfere with a licensed city street vendor or street vending site.

(9) Hours. The hours for T and E site permit activities shall be the same as for street vending in the vending area in question, as set forth in Sec. 9.13.

(10) T and E Permit Application, Fees. Application for a T permit or E permit shall be filed in-person or electronically with the Vending Coordinator or in-person at the City Clerk's Office, on a form suitable for this purpose, and shall contain the name, address, phone number and email address of the applicant, and any other information as the City may require. Permits shall be issued by the Vending Coordinator and shall be conspicuously displayed at the T or E site. Annual permits for an assigned site shall include the site name/number on the permit. All permit fees shall be made to the City Treasurer.

(a) T Permit Fees.

1. T Site Annual - $25. Annual permits shall be issued on the fifteenth (15th) day of April each year, or thereafter when applied for, and shall expire on the fourteenth (14th) day of April following its issuance.
2. T Site Monthly - $15. Such license shall be issued for thirty (30) days from the date the permit is issued and shall set forth the date of expiration.
3. T Site Daily - $5. A daily T site permit is valid for the date it is issued, during applicable street vending hours for the vending area in question.

(b) E Permit Eligibility and Fees.
To be eligible for an E Permit the applicant must be an individual or a not-for-profit organization.

1. E Site Annual - $50. Annual permits shall be issued on the fifteenth (15th) day of April each year, or thereafter when applied for, and shall expire on the fourteenth (14th) day of April following its issuance.
2. E Site Monthly - $30. Such license shall be issued for thirty (30) days from the date the permit is issued and shall set forth the date of expiration.
3. E Site Daily - $10.

(c) Change of Contact Information. A holder of a monthly or annual T or E permit shall inform the Vending Coordinator of any change of address or other contact information from that given on the application for the permit, if the change occurs during the time period for which the permit was issued.

(11) City-Wide T and E Permits. The holder of a valid T or E permit may use the equipment and conduct the activities authorized by those permits in locations outside the Mall/

Concourse, Southeast Campus, Camp Randall, High Density, and Game Day Vending Areas without reserving a site. A holder of a T or E permit may conduct T and E permit activities wherever vending is authorized by a Basic (city-wide) Street Vending license under Sec. 9.13(4) and shall be subject to the provisions of that subsection, except those that are less strict than this ordinance, in which case the more strict provision shall apply. The hours for city-wide T and E permit activities are the same as for city-wide Basic Street vending under Sec. 9.13(4).

(12) "M" Permit for Mobile Sales of Expressive Speech Items.

(a) An M permit is available solely for mobile sales of Expressive Items with limited or no equipment. Any equipment carried by the M permit holder must be completely mobile, designed for and capable of being easily carried by the permit holder. No table, stand, bicycle, conveyance or cart of any size may be used with an M permit. M permits are intended only to allow the mobile vending of expressive items that can be carried by hand.

(b) M Permit Locations, Hours. The holder of an M permit may conduct activities authorized by that permit within a Regulated Vending Area during the hours when street vending is permitted in the vending area in question. M permit holders shall conduct M permit activities at least ten (10) feet from any occupied street vending site, sidewalk café, merchant vending site, T-site or E-site. Outside the Regulating Vending Areas, an M permit holder may be located wherever a holder of a Basic (city-wide) Street Vending license is authorized to be under Sec. 9.13(4), however there shall be no equipment placed on the sidewalk, terrace or street, tree, plantings or any other public amenity and if there is a conflict in provisions between this ordinance and 9.13(4), the more strict shall apply. The hours for city-wide M permit activities are the same as for Basic (city-wide) Street Vending under Sec. 9.13(4).

(c) M Permit Application, Fees, Eligibility. To be eligible for an M Permit the applicant must be an individual or a not-for-profit organization. M permits are issued on an annual basis, from April 15 to April 14, for a fee of five dollars ($5) per person, payable to the City Treasurer. Applications may be made in person or online with the Vending Coordinator on in-person at the City Clerk's office on a form designed for this purpose. The application shall include the same information as required for an E permit.

(13) Exclusive Use/Permit Invalidation Procedures. T, E and M permits are subject to the exclusive use and invalidation procedures applicable to street vending licenses set forth in Sec. 9.13(6)(k). No person holding a T, E or M permit may conduct the activities authorized by that permit within the perimeter of a street use event if the permit has been invalidated under Sec. 9.13(6)(k). This prohibition shall not apply to T, E or M permit holders who have been selected by the event sponsor as a participant in the event and included on the event sponsor's Special Event Umbrella Vending License if required by Sec. 9.13(2). (Am. by ORD-13-00067, 4-24-13)

(14) (a) Permit Suspension and Revocation Procedures. A T, E, or M permit issued under this section may be suspended or revoked for a violation of Sec. 9.54 or for any of the reasons listed in Sec. 9.13(8) and following the procedures set forth in Sec. 9.13(8).

(b) Permit Activities While Suspended or Revoked Prohibited. No person or organization whose T, E or M permit has been suspended or revoked shall participate in the activities for which the permit in question is required by this ordinance while that permit is suspended or revoked. Any such violation shall be punishable by forfeiture under Sec. 9.54(15) and this penalty shall be in addition to any other penalty or consequence available under these Ordinances.

(15) Enforcement, Penalty. The Vending Coordinator and Director of Planning and Community and Economic Development are authorized to enforce this ordinance. Any person

violating any provision of this ordinance, upon conviction thereof, is subject to a forfeiture of not less than ten dollars ($10) and not more than two-hundred dollars ($200) for each separate violation, and all applicable court costs and fees. Each day or portion thereof that a violation continues shall be considered a separate offense.

10.01 STREET COMMISSIONER (SUPERINTENDENT OF SANITATION).

(1) There shall be appointed by the head of the Department of Public Works with the approval of the Common Council a Street Superintendent who shall hold his or her office under civil service.

(2) The Street Superintendent shall have the supervision of the maintenance and cleaning of streets, and removal of snow and ice therefrom, the maintenance of bridges, the collection of garbage and refuse materials and the performance of such other duties as may be prescribed. It shall be his or her duty to keep a permanent record of all work ordered and performed and notices given by him or her on behalf of the City. The Street Superintendent shall perform such other duties as may be directed in these ordinances or may be prescribed from time to time by the Common Council. (Am. by ORD-14-00012, 1-14-14)

10.02 GRADES.

(1) On File In The Office Of The City Engineer. The grades of all streets, alleys and sidewalks as established by the Council shall be kept on file in the office of the City Engineer.

(2) Recorded by the City Clerk. The grades of all streets, alleys and sidewalks shall be established and described, and the adoption of such grades and all alterations thereof shall be recorded by the City Clerk. No street, alley or sidewalk shall be worked until the grade thereof is established.

(3) Altering Grades Prohibited. All persons are prohibited from altering the grade of any street, alley, sidewalk or public ground, or any part thereof, in the City of Madison by taking from or adding to the surface of such street, alley, sidewalk or public ground, and from digging, plowing or otherwise changing or disturbing the surface thereof unless authorized or instructed to do so by the Common Council or Board of Public Works.

10.03 DAMAGE TO SIDEWALK, CURB AND GUTTER, AND DRIVEWAY APPROACH TO BE REPAIRED.

(1) It shall be unlawful to crack, break, displace or otherwise damage public sidewalk, curb and gutter, or driveway approach.

(2) It shall be the responsibility of the applicant for a building permit (permittee) to maintain public sidewalks, curbs and gutters, and driveway approaches in an unblemished state or to so repair the public sidewalks, curb and gutter, or driveway approach.

(3) Within one hundred twenty (120) days of the issuance of a demolition permit or a certificate of occupancy for a building, the public sidewalk, curb and gutter, and driveway approach shall be inspected for damage caused during the construction, repair, or demolition of the building. Notice of damage shall be sent to the permittee and the owner of the abutting property. If the permittee does not repair the damage to the satisfaction of the City Engineering Division, the City shall repair the damage and the cost shall be a special charge for current services against the abutting property.

(4) Penalty. Any person who violates any provision of this section or fails to comply with any of its requirements shall, upon conviction thereof, be subject to a forfeiture of not less than two hundred fifty dollars ($250) nor more than one thousand dollars ($1,000).

(Cr. by Ord. 13,410, 9-24-03)

10.04 OBSTRUCTION OF STREETS BY CONTRACTORS. Any person, firm, corporation, or utility and any officer or employee of the City who shall block, obstruct or excavate in or otherwise block or obstruct the traveled portion of any street or improved alley shall immediately notify the

Chiefs of the Fire and Police Departments in writing of such fact, stating clearly and accurately where all such obstructions are placed or excavations made and the probable length of time the same shall so remain, and on the removal of such obstacle and the opening of such portion of said street for travel the said person, firm or corporation or the officer or employee of the City causing such obstacle shall immediately notify said Chiefs of the Fire and Police Departments in writing that such obstacle has been removed and that said street is open for travel.

10.05 OCCUPANCY OF RIGHTS-OF-WAY.

(1) General Provisions.

(a) Purpose and Findings. In the exercise of its police powers, the City has priority over all other uses of the public rights-of-way. The City desires to anticipate and minimize the number of obstructions and excavations taking place in the public rights-of-way to ensure that the rights-of-way remain available for public services and safe for public use, and to ensure that facilities are timely maintained, supported, protected or relocated to accommodate reconstruction or repairs. The taxpayers of the City bear the financial burden for the upkeep, maintenance and reconstruction of the rights-of-way and a primary cause for the early and excessive deterioration of the public rights-of-way is the frequent excavation by persons who place facilities therein.

The City finds that there has been an increase in the use of the public rights-of-way and, as a result, increased costs to the taxpayers of the City and that these costs are likely to continue into the foreseeable future.

The City finds that delays by occupants of the rights-of-ways in maintaining, supporting, protecting or relocating facilities, if they impact public construction projects, have the potential to significantly increase public works project costs borne by the taxpayers. Moreover, the City finds that some right-of-way occupants have a history of delays and nonresponsiveness.

The City finds that occupancy and excavation of its rights-of-way causes direct and indirect costs to be borne by the City and its taxpayers, including but not limited to:

1. Administrative costs associated with public right-of-way projects, such as registration, permitting, inspection and supervision, supplies and materials;
2. Management costs associated with ongoing management activities necessitated by public right-of-way users;
3. Repair or restoration costs to the roadway associated with the actual excavation into the public right-of-way; and,
4. Degradation costs defined as depreciation caused to the roadway in terms of decreased useful life, due to excavations into the public rights-of-way.

In response to the foregoing facts, and pursuant to its authority under Wis. Stat. §§ 62.11(5), 86.16, 182.017, and 196.58, the City hereby enacts this ordinance relating to the administration of and permits to excavate, obstruct and/or occupy the public rights-of-way. This ordinance imposes reasonable regulations on the placement and maintenance of facilities currently within its rights-of-way or to be placed therein at some future time. It is intended to complement the regulatory roles of state and federal agencies.

The purpose of this ordinance is to provide the City a legal framework within which to regulate and manage the public rights-of-way, and to provide for the recovery of costs incurred by the City in doing so. This ordinance provides for the health, safety and welfare of the residents of the City as they use the rights-of-way of the City, as well as to ensure the structural integrity of the public rights-of-way.

Under this section, all persons who excavate, obstruct and/or occupy the public rights-of-way will reimburse the City's administrative, inspection, ongoing management and degradation costs. Right-of-way users will bear a fair share of the financial responsibility for the integrity of the public rights-of-way.

(b) Definitions. For the purposes of this section the following definitions apply:

Applicant means any person requesting permission to excavate, obstruct and/or occupy a right-of-way.

City means the City of Madison, Wisconsin, a Wisconsin municipal corporation.

Degradation means the accelerated depreciation of the right-of-way, caused by an excavation of the right-of-way, resulting in the need to reconstruct such right-of-way earlier than would be required if the excavation did not occur.

Department means the City Engineering Division.

Emergency means a condition that (1) poses a clear and immediate danger to life or health, or of a significant loss of property; or (2) requires immediate repair or replacement in order to restore service to a customer.

Engineer means the City Engineer or his/her designee.

Excavate means to dig into or in any way remove or physically disturb or penetrate any part of a right-of-way.

Facilities means all equipment owned, operated, leased or subleased in connection with the operation of a service or utility service, and shall include, but is not limited to, poles, wires, pipes, cables, underground conduits, ducts, manholes, vaults, fiber optic cables, lines and other structures and appurtenances.

In, when used in conjunction with "right-of-way," means over, above, in, within, on or under a right-of-way.

Local Representative means a local person or persons, or designee of such person or persons, authorized by a Registrant to accept service and to make decisions for that Registrant regarding all matters within the scope of this section.

Obstruct means to place any object in a right-of-way so as to hinder free and open passage in that or any part of the right-of-way.

Occupy means to locate facilities in the public right-of-way.

Permittee means any person to whom a permit to occupy, excavate or obstruct a right-of-way has been granted by the City under this section.

Person means municipality, corporation, company, including a "Company" as defined in Wis. Stat. § 182.017(1g)(b), association, firm, partnership, limited liability company, limited liability partnership and individuals and their lessors, transferees and receivers.

Pole or Tower has its usual meaning, except that it does not include poles used for governmental operations such as traffic signals or traffic control devices, street lights, and emergency alert signals, or high-voltage transmission lines.

Prequalified Contractor means a contractor or public utility approved by the Department on an annual basis to work in the right-of-way pursuant to Section 33.07(7).

PSCW means the Public Service Commission of Wisconsin.

Public Utility has the meaning provided in Wis. Stat. §196.01(5).

Registrant means any Person who has registered with the City under this section to either have its facilities located in any right-of-way or to use or seek to occupy or use the right-of-way or any facilities in the right-of-way.

Repair means to perform construction work necessary to make the right-of-way useable for travel, according to Department specifications, or to return facilities to an operable condition.

Restore or Restoration means the process by which an excavated right-of-way and surrounding area, including pavement and foundation is reconstructed, per Department specifications.

Right-of-Way means the surface and space above and below the entire width of an improved or unimproved public roadway, highway, street, bicycle lane, terrace, shoulders, side slopes, and public sidewalk in which the City has an interest, including any other dedicated rights-of-way for travel purposes.

Right-of-Way User means a person owning or controlling a facility in the public right-of-way, or seeking to own or control a facility in the public right-of-way.

Service or Utility Service includes services such as municipal sewer and water services and services provided by a Public Utility or a Company subject to Wis. Stat. § 182.017 and other similar services.

Supplementary Application means an application made to excavate or obstruct more of the right-of-way than permitted, or to extend a permit that has already been issued.

(c) Administration. The Engineer is responsible for the administration of the rights-of-way under this section, and the permits and ordinances related thereto.

(2) Registration for Right-of-Way Occupancy.

(a) Registration. Each service, utility service or right-of-way user who occupies, uses, or seeks to occupy or use, the right-of-way or any facilities in the right-of-way, including by lease, sublease or assignment, or who has, or seeks to have, facilities located in any right-of-way shall register with the Department and pay the fee set forth in Subsection (4). Registration will consist of providing application information and paying a registration fee. This section shall not apply to those persons exclusively utilizing facilities provided by another registered right-of-way user.

(b) Annual Registration Required. Each Registrant shall annually renew its registration or discontinue and properly abandon its facilities as provided for under Subsection (17).

(c) Registration Prior to Work. No person may construct, install, maintain, repair, remove, relocate, or perform any other work on, or use any facilities or any part thereof in any right-of-way unless that person is registered with the Department or is a prequalified contractor.

(d) Exceptions. Nothing herein shall be construed to repeal or amend the provisions of a City ordinance requiring persons to plant or maintain the terrace in the area of the right-of-way between their property and the street curb or pavement, construct sidewalks or driveways, or perform other similar activities. Persons performing such activities shall not be required to obtain any permits under this section.

(3) Registration Information.

(a) Information Required. The information provided to the Department at the time of registration shall include, but not be limited to:

1. Each person's name, Diggers Hotline registration certificate number, address, e-mail address, and telephone and facsimile numbers.
2. The name, address, e-mail address, and telephone and facsimile numbers of a local representative. The local representative or designee shall be available at all times. Current information regarding how to contact the local representative in an emergency shall be provided at the time of registration.
3. A certificate of insurance on a form prescribed by the Department and the Risk Manager, sufficient to demonstrate to the satisfaction of the City that the person has the capability to cover any liability that might arise out of their presence in the right-of-way.

4. If the person is a corporation or other limited liability entity, a copy of any certificate required to be filed under Wisconsin Statutes as recorded and certified to by the Secretary of State.
5. A copy of the person's certificate of authority from the PSCW or other applicable state or federal agency, where the person is lawfully required to have such certificate from said commission or other state or federal agency.
6. Execution of an indemnification agreement in a form prescribed by the Department, which is consistent with, and shall not exceed the obligations provided in, Subsection (16) below.

(b) Notice of Changes. The Registrant shall keep all of the information listed above current at all times by providing to the Department information as to changes within fifteen (15) working days following the date on which the Registrant has knowledge of any change.

(4) Registration Fee.

(a) Registration Fee. The Department shall charge a registration fee to recover the costs incurred by the City for processing Registrants and updating registration information. This fee shall be paid annually.

(b) Fee Computation. This registration fee shall be computed as the average of labor costs, indirect costs, and other costs associated with registration, including costs attributable to late or untimely registration. The registration fee shall be established by the Board of Public Works.

(5) Reporting Obligations. It is in the best interests of all affected parties to attempt to coordinate construction in the public right-of-way whenever it is reasonably possible. Therefore, periodic reporting by the Registrant of known construction plans will be useful to achieve this objective.

(a) Every Registrant shall, at the time of registration and no later than January 1 of each year, file a construction and major maintenance plan with the Department. The Registrant's plan shall be submitted on a form prescribed by the Department and shall contain the information determined by the Department to be necessary to facilitate the coordination and reduction in the frequency of excavations of rights-of-way. The plan shall include, but shall not be limited to, the following information:
1. The locations and the estimated beginning and ending dates of all projects planned to be commenced during the next calendar year; and,
2. The tentative locations and estimated beginning and ending dates for all projects contemplated for the two years following the next calendar year.

(b) The Department shall make available at the time of registration, and on January 15 of each year, the Department's construction and major maintenance plan.

(c) By February 15 of each year, the Department will have available for inspection in its office a composite list of all projects of which the Department has been informed. All Registrants are responsible for keeping themselves informed of the current status of this list.

(d) After submittal, each Registrant may change any project in its list, but must notify the Department of all such changes in said list. The Department will make all such changes available for inspection in its office. Notwithstanding the foregoing, a Registrant may at any time join in a project of another Registrant or undertake any maintenance or construction project not listed in Registrant's plan.

(6) Excavation Permit Requirement.

(a) Excavation Permit Required.
1. Except as otherwise provided in these Ordinances, no person shall excavate any right-of-way or place facilities in a right-of-way, or cause another person to do so, without a valid excavation permit issued by the Department under this subsection.

2. No person shall excavate the right-of-way or maintain an excavation in the right-of-way except as specified in the permit. If the Permittee needs to modify the date or area specified in the permit, then the person shall first notify the Department of the change. If requested by the City Engineer, the person shall be required to make a supplementary application pursuant to Subdivision (c) below.
3. Permit Display. A copy of any permit issued under this subsection shall be made available at all times by the Permittee at the indicated work site and shall be available for inspection by the Department upon request.

(b) Excavation Permit Application. Application for a permit shall be made to the Department. Permit applications shall contain and will be considered complete only upon compliance with the requirements of the following provisions:

1. Registration with the Department as required by this section.
2. Submission of a completed permit application form, including the following:
   a. If the proposed project involves the installation of a pole or tower in the right-of-way, the applicant must submit scaled drawings of the proposed pole or tower and all proposed attachments, and the location of the pole or tower in reference to the nearest occupied building.
   b. The applicant shall identify in detail the location of the proposed project and any affected right-of-way, public utility easements, and the location of all existing and proposed facilities within the project area in addition to installation details, traffic control plans and other details requested by the Department.
   c. If the proposed project involves the installation of a pole or tower in the right-of-way, the applicant must submit evidence sufficient to demonstrate that the applicant is prohibited from using an existing pole or tower (either owned by the applicant or a third party) because such use is technically infeasible, economically prohibitive, or prohibited by law.
   d. If the proposed project involves the installation of a pole or tower in the right-of-way that is greater than ten (10) feet taller than existing poles or towers in nearby right-of-way, the applicant must submit evidence sufficient to demonstrate that:
      i. The greater height is required to accomplish the applicant's purposes;
      ii. The applicant is prohibited from using existing poles or towers (either owned by applicant or a third party) to accomplish its purposes because such use is technically infeasible, economically prohibitive, or prohibited by law;
      iii. The pole or tower, due to its height and size, poses no greater danger to the health, safety, and welfare of the public than existing poles in nearby right-of-way;
      iv. The applicant has informed the Alder within whose District the pole or tower will be located of the proposed project; and,
      v. The applicant has informed all property owners within two-hundred feet of the pole or tower location of the proposed project.
3. Payment of all money due to the City for:
   a. Applicable permit fees and costs as set forth below;
   b. Unpaid fees or costs due for prior excavations; or,

c. Any loss, damage, or expense suffered by the City because of applicant's prior excavations of the rights-of-way or any emergency actions taken by the City.

4. A statement on forms provided by the Department that the Registrant will comply with all local, state and federal codes including but not limited to safety, building, traffic control codes and the Manual of Uniform Traffic Control Devices (MUTCD).

5. Furnish a certificate of liability insurance complaint with standards of the Department.

(c) Supplementary Applications.

1. Supplementary Application. Upon request of the City Engineer under Subdivision (a)2. above, a Permittee shall make a supplementary application to the Department to modify the area or time period covered by the permit. The Permittee shall pay any additional fees required thereby.

2. Fees for Supplementary Applications. A Permittee shall pay additional fees as established by the Board of Public Works, including any costs for additional permits. A Permittee is not required to pay an additional degradation fee for the same excavation, if such fee has already been paid on the original permit.

(7) Excavation Permit Fee.

(a) Fee Calculation. The excavation permit fee shall be established by the Board of Public Works in an amount sufficient to recover the costs incurred by the City. This fee shall recover the City's administrative and inspection costs, as well as degradation costs should the Permittee choose to repair rather than restore the right-of-way. The fee may be reestablished by the Board of Public Works as needed to accurately reflect the costs incurred by the City.

For those permit applications which provide for a substantial undertaking of excavation within the public right-of-way attended by disruption of the general public and traffic, the Engineer is authorized to assess the actual cost of the City employee's time engaged in the review and inspection of the anticipated work, multiplied by a factor determined by the respective department to represent the City's cost for statutory expenses, benefits, insurance, sick leave, holidays, vacation and similar benefits, overhead and supervision, said factor not to exceed 2.0, plus the cost of mileage reimbursed to City employees which is attributed to the work, plus all consultant fees associated with the work at the invoiced amount plus ten percent (10%) for administration.

(b) Payment Date. Payment of excavation permit fees shall be made prior to the issuance of the permit. Alternatively, the Engineer may, with the advice and consent of the Finance Director, establish a fee collection process in order to expedite the permitting system and recognize that certain excavations are deemed emergencies.

(c) City Exemption. The City and its contractors shall not pay degradation fees for excavations due to general government functions.

(d) Coordinated Work. Registrants who join in a scheduled excavation performed by the City are not required to pay the degradation or inspection portion of the excavation permit fee.

(e) Non-Refundable. Excavation permit fees, once paid, are not refundable, even if the permit is revoked.

(8) Right-of-Way Repair/Restoration.

(a) Timing of Work and Repair/Restoration. The work to be done under the excavation permit, and the repair or restoration of the right-of-way as required herein, must be completed within the dates specified in the permit, increased by as

many days as work could not be done because of circumstances beyond the control of the Permittee or when work was prohibited as unseasonable or unreasonable under Subsection (11)(b).

(b) Repair or Restoration Required. The Permittee shall be required to either repair the public right-of-way and to pay a degradation fee, or restore the right-of-way. It is the Permittee's election whether to restore the excavation and surrounding pavement in lieu of repair and a degradation fee. In addition to repairing its own work, the Permittee must repair the general area of the work, and the surrounding areas, including the paving and its foundations, to the specifications of the Department.

(c) Standards. The Permittee shall perform repairs or restoration according to the Standard Specifications for Public Works Construction, the plans and specifications of the Department, and in accordance with the conditions specified in the permit. The Department shall have the authority to prescribe the manner and extent of the repair or restoration and may do so in written procedures of general application or on a case-by-case basis.

(d) Acceptance of Work. Upon completion of the work, the Department shall inspect the area of the work and accept the work when it determines that proper repair or restoration has been made.

(e) Guarantees. The Permittee guarantees its work and shall maintain it for thirty-six (36) months following its completion. During either period, the Permittee shall, upon notification from the Department, correct all repair and restoration work to the extent necessary, using the method required by the Department. Said work shall be completed within ten (10) calendar days of the receipt of the notice from the Department, not including days during which work cannot be done because of circumstances constituting force majeure or days when work is prohibited as unseasonable or unreasonable under Subsection (11)(b).

(f) Failure to Repair/Restore. If the Permittee fails to repair and/or restore the right-of-way in the manner and to the condition required by the Department, or fails to satisfactorily and timely complete all work required by the Department, the Department, at its option, may do such work. In that event, the Permittee shall pay to the City, within thirty (30) days of billing, the cost of repairing and/or restoring the right-of-way. If the work associated with the permit is directly attributable to a specific property, or properties, the unpaid bill shall become a special charge against the properties served by the repair and/or restoration work.

(g) Degradation. The general formula for computing the degradation fee shall be the cost per square yard for street, overlay and seal coat multiplied by the appropriate depreciation rate for that street, multiplied by the area of the patch.

(9) Inspection.

(a) Notice of Completion. When the work under any permit issued hereunder is completed, the Permittee shall notify the Department.

(b) Site Inspection. The Permittee shall make the work site available to the Department and to all others as authorized by law for inspection at all reasonable times during the execution of and upon completion of the work.

(c) Authority of Department. At the time of inspection, the City may order the immediate cessation of any work that poses a threat to the life, health, safety, or well-being of the public. The City may issue an order to the Registrant or Permittee for any work that does not conform to the applicable standards, conditions, or codes. The order shall state that failure to correct the violation will be cause for revocation of the permit. Within ten (10) days after issuance of the order, the Registrant or Permittee shall present proof to the Department that the violation has been corrected. If such proof has not been presented within the required time, the Department may revoke the permit pursuant to Subsection (12).

(10) Location and Marking Requirements.

(a) Poles and towers over 50 (fifty) feet in height shall be located so that all residential, commercial, retail or other occupied buildings are outside the fall radius of the structure.

(b) Rigid non-breakaway poles and other utility structures shall be located to meet American Association of State Highway Transportation Officials (AASHTO) requirements regarding pole location.

(c) Underground facilities in the terrace area of the right-of-way may be marked with flush mounted caps only, unless other marking are allowed by the Department.

(11) Other Obligations.

(a) Compliance with Other Laws. Obtaining a permit to excavate and/or occupy the right-of-way does not relieve a Registrant or Permittee of its duty to obtain all other necessary permits, licenses, and authority and to pay all fees required by any other City, County, State, or Federal rules, laws or regulations. A Registrant or Permittee shall comply with all requirements of local, state and federal laws. A Permittee shall perform all work in conformance with all applicable codes and established rules and regulations, and is responsible for all work done in the right-of-way pursuant to its permit, regardless of who does the work.

(b) Prohibited Work. Except in an emergency, or with the approval of the Department, no right-of-way excavation may be done when seasonally prohibited or when conditions are unreasonable for such work, as determined by the Engineer.

(c) Utility Locating Obligations.

1. Digger's Hotline Compliance. All Registrants and Permittees shall comply with the Digger's Hotline requirements set forth in Wis. Stat. § 182.0175, if applicable.

2. Planning. The Department may seek information on existing facility locations for planning purposes. It shall be the obligation of Registrants to locate facilities to enable planning by the City. Facility locations shall be represented in the field during field surveys or by providing maps of utilities within the planning areas.

3. Non-Compliance with Locating Requirements. No person shall fail to locate facilities as required under Wis. Stat. § 182.0175(2m). Additionally, any Registrant who fails to locate facilities shall be responsible for all costs due to delays caused to City projects. Repeated failure to locate facilities may result in suspension of permits for the Registrant and/or increased fines. Repeated failure to locate facilities shall be defined as more than 2 occurrences within 12 months or more than 3 within 24 months.

(12) Revocations, Suspensions, Refusals to Issue or Extend Permits.

(a) Grounds. The Department may refuse to issue a permit or may revoke, suspend or refuse to extend an existing permit if it finds any of the following grounds:

1. The applicant or Permittee is required to be registered under Subsection (2) and has not done so, or the permit application is otherwise incomplete;
2. The applicant or Permittee is seeking to perform work not included in its construction and major maintenance plan required under Subsection (5), which work was reasonably foreseeable by the applicant or Permittee at the time said plan was filed;
3. Issuance of a permit for the requested date would interfere with an exhibition, celebration, festival or other event;
4. Misrepresentation of any fact by the applicant or Permittee;
5. Failure of the applicant or Permittee to maintain required bonds and/or insurance;
6. Failure of the applicant or Permittee to complete work in a timely manner;
7. The proposed activity is contrary to the public health, safety or welfare;

8. The extent to which space is available in the right-of-way for which the permit is sought;
9. The competing demands for the particular space in the right-of-way;
10. The availability of other locations in the right-of-way or in other rights-of-way for the facilities of the Permittee or applicant;
11. If the Permittee or applicant proposes to install a new pole or tower in the right-of-way, the availability of other existing poles or towers owned by the Permittee or applicant or by a third party;
12. The applicability of ordinances or other regulations of the right-of-way that affect location of facilities in the right-of-way;
13. The new pole or tower would be located in an undergrounding area as defined under Section 19.16(3);
14. The condition and age of the right-of-way, and whether and when it is scheduled for total or partial reconstruction; or,
15. The applicant or Permittee is otherwise not in full compliance with the requirements of this section or state or federal law.

(b) The Department shall not deny a Registrant an excavation permit because of a dispute between the City and the Registrant related to Subsections (6)(b)3.b. or 3.c. above if:
1. The dispute has been adjudicated in favor of the Registrant; or,
2. The dispute is the subject of an appeal filed by the Registrant and no decision in the matter has at yet been rendered.

(c) Discretionary Issuance. Notwithstanding the provisions of Subdivision (a), the Department may issue a permit where issuance is necessary to prevent substantial economic hardship to a customer of the Permittee or applicant, or to allow such customer to materially improve its utility service, or to allow the Permittee or applicant to comply with federal, state, County or City laws or ordinances or an order of a court or administrative agency.

(d) Appeals. Any person aggrieved by a decision of the Department revoking, suspending, refusing to issue or refusing to extend a permit may file a request for review with the Board of Public Works. A request for review shall be filed within ten (10) days of the decision being appealed. Following a hearing, the Board of Public Works may affirm, reverse or modify the decision of the Department.

(13) Work Done Without a Permit.

(a) Emergency Situations. Each Registrant shall immediately notify the City by verbal notice on an emergency phone number provided by the City of any event regarding its facilities that it considers to be an emergency. The Registrant may proceed to take whatever actions are necessary to respond to the emergency. Within two business days after the occurrence of the emergency, the Registrant shall apply for the necessary permits, pay the fees associated therewith, and otherwise fully comply with the requirements of this section.

If the City becomes aware of an emergency regarding a Registrant's facilities, the Department may attempt to contact the local representative of each Registrant affected, or potentially affected, by the emergency. The City may take whatever action it deems necessary to protect the public safety as a result of the emergency, the cost of which shall be borne by the Registrant whose facilities occasioned the emergency.

(b) Non-Emergency Situations. Except in an emergency, any person who, without first having obtained the necessary permit, excavates a right-of-way must subsequently register and apply for an excavation permit, and shall in addition to any penalties prescribed by ordinance, pay double the normal fee for said permit, pay double all the other fees required by this section or other sections of the Madison General Ordinances, deposit with the Department the fees necessary to correct any damage

to the right-of-way and comply with all of the requirements of this section. If no application is made, this subsequent permit application is denied or is not approved, the Registrant, or person causing the work to be done, shall discontinue and abandon the facilities.

(14) Location of Facilities.

(a) Undergrounding. Unless in conflict with state or federal law, except when existing aboveground facilities are used, the installation of new facilities and replacement of existing facilities shall be done underground or contained within buildings or other structures in conformity with applicable codes.

(b) Limitation of Space. To protect health, safety, and welfare, or when necessary to protect the right-of-way and its current use, the Department may prohibit or limit the placement of new, replacement or additional facilities within the right-of-way if there is insufficient space to accommodate all of the requests of Persons to occupy and use the right-of-way. In making such decisions, the Department shall strive to the extent possible to accommodate all existing and potential users of the right-of-way, but shall be guided primarily by considerations of the public interest, the public's needs for the particular utility service, the condition of the right-of-way, the time of year with respect to essential utilities, the protection of existing facilities in the right-of-way, and future City plans for public improvements and development projects which have been determined to be in the public interest.

(c) Attachment to Bridges. Whenever an applicant or Permittee under this section requests permission to attach facilities to any City bridge structure, the applicant shall provide a 'structural analysis prepared by a licensed State of Wisconsin professional engineer and pay a fee of one thousand dollars ($1,000) upon the granting of such permission to help defray administrative expense in the analysis and inspection of such installation. The owner of such pipes, conduits, cables or wires shall be entitled to no compensation for removal or relocation of the same in the case of repair, removal, or replacement of said bridge structure by the City.

(d) Corridors. The Department may assign specific corridors within the right-of-way, or any particular segment thereof as may be necessary, for each type of facility that is or, pursuant to current technology, the City expects will someday be located within the right-of-way. All excavation, obstruction, or other permits issued by the City involving the installation or replacement of facilities shall designate the proper corridor for the facilities at issue consistent with the Department's assignment.

Any Registrant who has facilities in the right-of-way in a position at variance with the corridors established by the City under this subdivision shall, no later than at the time of the next reconstruction or excavation of the area where the facilities are located, move the facilities to the assigned position within the right-of-way, unless this requirement is waived by the City for good cause shown, upon consideration of such factors as the remaining economic life of the facilities, public safety, customer service needs and hardship to the Registrant.

(15) Relocation and Protection of Facilities.

(a) Requirement. Except as prohibited by State or Federal law, a Registrant must, promptly and at its own expense, maintain, support, protect or relocate its facilities in the right-of-way whenever the City, or its agent, acting in its governmental capacity, requests such action to prevent interference by the Company's facilities with the following:

1. A present or future City use of the right-of-way;
2. A public improvement undertaken by the City;
3. An economic development project in which the City has an interest or investment;
4. When the public health, safety and welfare require it; or,

5. When necessary to prevent interference with the safety and convenience of ordinary travel over the right-of-way.

(b) Order. The City, or its agent, shall issue a due date for the work to the local representative of not less than seventy-two (72) hours, which due date shall be reasonable and based upon the actions to be undertaken by the Registrant. If requested, the Registrant shall restore the right-of-way following the completion of the work.

(c) City's Right to Self-Help. In the event that a Registrant does not proceed to maintain, support, protect or relocate its facilities as ordered in this subsection, the City may arrange to do the work and bill the Registrant, said bill to be paid within thirty (30) days.

(d) Additional Cost Recovery. The City may bill the Registrant for any additional costs incurred as a result of the failure of the Registrant to accomplish the needed work within the time specified in the order.

(e) Exception. Notwithstanding the foregoing, a person shall not be required to remove or relocate its facilities from any right-of-way which has been vacated in favor of a non-governmental entity unless and until the reasonable costs thereof are first paid to the person therefore.

(f) Penalty. If a Registrant fails to perform the required action by the due date, the Registrant shall be subject to a forfeiture of not less than two-hundred and fifty dollars ($250) nor more than five-hundred dollars ($500) for the first offense within a three (3) year period, and a forfeiture of not less than five hundred dollars ($500) nor more than two thousand five-hundred dollars ($2,500) for the second or subsequent offense within a three (3) year period. Each day such violation or failure to comply continues shall be considered a separate offense.

(16) Indemnification Requirement. By registering with the City, or by accepting a permit under this section, a Registrant or Permittee, as the case may be, agrees to indemnify, defend, and hold harmless the City, its officers, boards, committees, commissions, elected officials, employees and agents (collectively, "Indemnified Parties"), from and against all loss or expense (including liability costs and attorney's fees) by reason of any claim or suit, or of liability imposed by law upon an Indemnified Party for damages because of bodily injury, including death at any time resulting therefrom, sustained by any person or persons or on account of damages to property, including loss of use thereof, arising from, in connection with, caused by or resulting from the Registrant's or Permittee's acts or omissions in the exercise of its rights under this Ordinance, whether caused by or contributed to by the City or its agents or employees.

(17) Abandoned Facilities.

(a) Discontinued Operations. A Registrant who has discontinued or who plans to discontinue its operations in the City, either in full or in part, must do one of the following:

1. Provide information satisfactory to the Department that the Registrant's obligations for its facilities under this Subdivision have been lawfully assumed by another Registrant.
2. Submit to the Department a proposal and instruments for dedication of its facilities under this Subdivision to the City. If a Registrant proceeds under this clause, the City may, at its option:
   a. Accept the dedication for all or a portion of the facilities;
   b. Require the Registrant, at its own expense, to remove the facilities in the right-of-way at ground or above ground level; or,
   c. Require the Registrant to post a bond or provide payment sufficient to reimburse the City for reasonably anticipated costs to be incurred in removing the facilities.

3. Remove its facilities under this Subdivision within two years, unless the Department waives this requirement or provides a later deadline.

(b) Abandoned Facilities. Facilities of a Registrant who fails to comply with Subdivision (a) or facilities that are not claimed by any registered person and which remain either unclaimed by a registered person or unused for one (1) year, shall be deemed to be abandoned. Abandoned facilities are declared to be a nuisance. In addition to any remedies or rights it has at law or in equity, the City may, at its option, do any of the following:

1. Abate the nuisance;
2. Take possession of the facilities; or,
3. Require removal of the facilities by the Registrant, or the Registrant's successor in interest, or other person responsible for the facilities.

(c) Public Utilities. This Subsection shall not apply to a Public Utility that is required to follow the provisions of Wis. Stat. § 196.81.

(18) Reservation of Regulatory and Police Powers. The City, by the granting of a permit to excavate, obstruct and/or occupy the right-of-way, or by registering a Person under this section, does not surrender or to any extent lose, waive, impair, or lessen the lawful powers and rights which it has, or may be hereafter granted, under the Constitution and statutes of the State of Wisconsin to regulate the use of the right-of-way; and the Permittee, by its acceptance of a permit to excavate, obstruct and/or occupy the right-of-way, and the Registrant, by registration under this section, agrees that all lawful powers and rights, regulatory power, or police power, or otherwise, as are or the same may be from time to time vested in or reserved to the City, shall be in full force and effect and subject to the exercise thereof by the City at any time. A Permittee or Registrant is deemed to acknowledge that its rights are subject to the regulatory and police powers of the City to adopt and enforce general ordinances necessary to the safety and welfare of the public and is deemed to agree to comply with all applicable general law, and ordinances enacted by the City pursuant to such powers.

(19) Penalty. Except as otherwise provided in this section, any person who violates this section or fails to comply with the provisions of this section shall be subject to a forfeiture of not less than two hundred and fifty dollars ($250) nor more than one thousand dollars ($1000). Each day such violation or failure to comply continues shall be considered a separate offense.

(Section 10.05 Rep. & Rec. by ORD-17-00051, 5-24-17)

10.055 OCCUPANCY OF STREETS OR OTHER PUBLIC AREAS.

(1) Street Occupancy Permit Required. Except as otherwise allowed by these ordinances, no person shall occupy, or cause to be occupied, any portion of the street, sidewalk, terrace, alleys or other public grounds for ninety (90) days or less, or in the case of 1 and 2 family homes for one hundred twenty (120) days or less, with any material or machinery without a valid street occupancy permit issued under this Section.

(2) Administration. Permits under this section shall be administered by the City Traffic Engineer, or his or her designee.

(3) Permit Application. An application for a street occupancy permit shall be in writing to the City Traffic Engineer and shall describe the premises to be occupied by lot, block and/or street on or over which such material or machinery is desired to be placed, the area of occupation sought, the character of the material for which the permit is desired and the duration of the proposed occupation. The application shall also note whether the proposed occupation area will require, or reasonably necessitate, the trimming, pruning or removal of any City tree. The application shall include a drawing of the proposed occupation area, the application fee, the certificate of insurance and surety bond required under Subdivision (4)(a), and an agreement to abide by all conditions set forth in Subsection (4).

(4) Permit Conditions. As a condition of a street occupancy permit issued under this Section, permittees agree to abide by the following conditions:

(a) Responsibility for Occupation.

1. Liability. The permittee shall agree to be primarily liable for damages to person or property by reason of the granting of the permit and shall agree to hold harmless, defend, and indemnify the City, its officers, boards, committees, commissions, elected officials, employees and agents, from and against all liability, damages, and penalties resulting from the installation, use, maintenance, or presence of the applicant's material or machinery in the public right-of-way or other public ground as permitted under this Section.

2. Insurance. The permittee shall be required to furnish a Certificate of Insurance, providing evidence of commercial general liability insurance with the City of Madison, its officers, officials, agents and employees named as additional insureds. The insurance shall include contractual liability coverage, apply on a primary and non-contributory basis, and minimum limits of one million dollars ($1,000,000) per occurrence. The Risk Manager reserves the right to require higher limits and other coverage terms and conditions at his/her discretion. Permittee shall keep required insurance in full force and effect throughout the term of the street occupation permit. This insurance condition may be waived for other governmental units and in those instances where the Risk Manager, in consultation with the City Attorney's Office, determines that this requirement can be waived. (Am. by ORD-16-00105, 12-2-16)

3. Surety Bond. Before a permit is granted, the City Traffic Engineer may require that the applicant deliver a surety bond to the City Traffic Engineer guaranteeing that the permittee will remove the materials or machinery from the permitted area upon receiving notice to do so from the City Traffic Engineer. If required, the surety bond shall be in an amount established by the City Traffic Engineer, but not to exceed ten thousand dollars ($10,000).

4. Preexisting Compliance. If evidence of the aforementioned insurance and bonding requirements set forth above is already on file with the City Traffic Engineer, said preexisting compliance may be deemed sufficient to satisfy the requirements of either paragraphs 2. or 3. above. The City Traffic Engineer shall notify the applicant of his/her decision in that regard.

(b) Permit Length and Renewal.

1. Permit Duration. A permit issued under this Section shall be valid for the period of time stated therein, which period shall not exceed ninety (90) days, or one hundred twenty (120) days in the case of 1 and 2 family homes.

2. Permit Extension. Upon good cause shown, the City Traffic Engineer may extend a permit under this Section from time to time as may be reasonably required upon written application made to him/her for that purpose.

3. Renewal. A permittee must submit a request to renew the permit no later than seven (7) days before the expiration of the permit. Any request made within seven (7) days or following the expiration of the permit shall be treated as a new application.

(c) Occupation Limitations.

1. General. No permit shall be issued where the placing of any such material or machinery within the proposed occupation area will unreasonably

interfere with the public safety and convenience, or where there is insufficient room for such material or machinery to be placed within the limits specified by this Section.

2. Roadway Occupation Limited. No permit issued under this Section shall authorize the use of more than one-third (⅓) of the traveled roadway opposite the premises of the person to whom such permit is granted. However, total street occupancy may be granted by joint agreement of the City Engineer and the City Traffic Engineer.

3. Occupations Near Intersections and Driveways. No building, machinery, temporary structure or other material of any kind shall be placed within a vision clearance area as established under Sec. 27.05(2)(bb), except temporarily as otherwise allowed by this Section and Sec. 27.05(2)(bb).

(d) Posting of Permit. Upon issuance, the permittee shall place a copy of the permit issued by the City Traffic Engineer in a conspicuous place on the occupied premises, the permit to be unobstructed from public view and available for the inspectors to mark.

(e) Stormwater Considerations. No building material shall be placed in any gutter so as to obstruct the flow of water therein and every person shall, before depositing or causing to be deposited building material in any gutter, provide a suitable culvert for the entire portion of such gutter over which the building material may be laid, or cover the gutter with plank or otherwise protect the same so as to provide for the free and unobstructed flow of water therein. Water shall not be conducted over the pedestrian walkway. Any erodible material (topsoil, gravel, sand, etc.) that is stored in the permitted area shall either be covered with plastic sheeting or protected with erosion control perimeter controls. If, over the course of the occupation of the permitted area, City Engineering inspectors note that perimeter controls are not effective or are not being adequately maintained, covering of the stockpile shall be mandated.

(f) Roofed Passageways and Barricades. Roofed passageways and barricades required under Section 29.10 shall require a permit issued under this Section. The failure to follow the requirements of Section 29.10 shall be cause to revoke a permit issued under this Section.

(g) Storage Requirements. All material placed upon any street or alley shall be piled in a compact form. In the case of permanently improved streets that can be damaged by piled material, the applicant shall provide to the City digital photos or digital video of the area to be occupied prior to permit approval and photos of the area following restoration under Subdivision (n). The City recommends that, to minimize possible damage, the permittee place a level plank floor under all concrete, masonry, and plaster materials or store those materials on pallets.

(h) Safety Considerations. Material or machinery placed in the sidewalk, street or alley shall be properly guarded by day and each separate pile of material shall be either lighted or reflective at night, in such manner as to warn all persons traveling upon the sidewalk, street or alley of the presence of such material or machinery.

(i) Walkways. All walking surfaces open to the public or required by the permit must be maintained in a clean, smooth, level, hazard free, and ADA compliant manner within the occupation area.

(j) Deliveries. Vehicles shall make deliveries and pick-ups without backing into areas open to the public. A properly equipped flag person shall be stationed at permitted delivery lanes for all deliveries to ensure safe ingress and egress. No deliveries will be permitted in lanes not explicitly approved in the occupancy permit or at times prohibited by the permit.

(k) Parking. Parking of vehicles within the occupancy area is prohibited, although the loading and unloading of vehicles is permitted within the occupation area provided that the activity is otherwise compliant with this Section.

(l) Site Maintenance. All accumulation of rubbish, debris, snow, ice or other hazards within the permitted area shall be cleaned up every day before leaving the premises.

(m) Removal for Public Purpose. Any material or machinery placed in a permitted area shall be removed upon twenty-four (24) hours notice given by the City Traffic Engineer, City Engineer or Superintendent of Streets where a street is needed due to an emergency or critical event, or where such removal is necessary in order to repair, replace or install a street, sidewalk, terrace, alley, water facility, sewer facility or other facility that the City Engineer determines needs to be installed.

(n) Restoration. Upon either the expiration of the permit or, if the work of construction is completed before the permit expires, the completion of the work, the permitted area occupied under this Section shall be restored to its original condition and left in good repair and condition. The permittee shall be responsible for the repair of any damage noted by City staff and shall repair it to City of Madison Standard Specification for Public Works Construction. Any new or reconstructed sidewalk shall comply with Section 10.06. The City Traffic Engineer or City Engineer shall inspect the area upon completion of the restoration and the permittee shall make any further repairs required by the City Traffic Engineer or City Engineer needed to address any deficiencies that did not exist prior to the occupation. If permittee does not adequately restore the permitted area as required, the City may perform any repairs or restoration and recover the costs thereof as a special charge against the adjoining property under Sec. 4.09(13).

(o) Signage Limitations. It shall be unlawful to post or attach to any roofed passageway, barricade, material, or any temporary street occupancy structure any temporary sign, bill, or placard, except that this provision shall not be construed to prevent the posting of the street occupancy permit, the building permit as required by Section 29.06, or the erection of signs denoting the owner, occupant, architect, engineer or contractors. However, such signs shall not exceed sixty-four (64) square feet in aggregate area and shall be located not less than eight (8) feet above the street grade immediately below the sign and not more than eight (8) feet above the barricade. This sign shall not be placed in such a manner as to obstruct or interfere with the vision of traffic, traffic lights, or right-of-way directional signs.

(p) Traffic Signs. All signing, barricading and electric arrow boards shall be placed in conformance with the Federal Highway Administration "Manual on Uniform Traffic Control Devices" and City of Madison standards.

(q) Permit Fees. All permit fees shall be paid in full prior to the issuance of the permit or any extension thereof.

(r) Other Conditions. The City Traffic Engineer may add additional conditions, such as a traffic control plan, to a permit issued under this Section that are reasonably necessary to protect the public's health, safety and welfare, including after the issuance of the permit.

(5) Public Trees. Any trimming, pruning or removal of public trees within the permitted area will require the issuance of a separate permit under Sec. 10.101. The trimming, pruning or removal of any City tree without a permit issued under Sec. 10.101 or without the permission of the City Forester shall be cause to revoke a permit issued under this Section.

(6) Revocation of a Permit. The violation of any condition of a street occupancy permit that endangers the health, safety and welfare of the public, or the violation of any other ordinance while occupying the permitted area, shall be cause to revoke a permit issued under this Section. Except in the case of an immediate threat to the health, safety and welfare of the public, the City Traffic Engineer shall provide written notice of the revocation to the permittee who shall have no less than twenty-four (24) hours to comply

with the permit requirements or other ordinance. If there is an immediate threat to the health, safety or welfare of the public, the City Traffic Engineer may immediately revoke the permit and shall provide written notification of this action to the permittee in a timely manner.

(7) Appeal. In the event the City Traffic Engineer denies an application for a street occupancy permit, imposes a special condition on the permit under Subsection (4)(r), or revokes a permit under Subsection (6), the City Traffic Engineer shall inform the person, in writing, of the reasons for the determination. The person may appeal this decision to the Board of Public Works within ten (10) days after mailing of the notice to the address of the person as shown on the application. Such appeal must be in writing to the City Clerk, and must inform the Board of the reasons why the person believes the decision to be in error. Failure to so appeal this decision shall result in automatic approval of the denial, special condition or revocation without further action by the City Traffic Engineer or the Board of Public Works.

Within thirty (30) days after receipt of the appeal, the Board of Public Works shall hold a hearing at which the person and the City Traffic Engineer may present and question witnesses and present oral and written argument. Within twenty (20) days after the hearing, the Board shall cause to be issued a written decision which shall affirm, reverse or modify the determination of the City Traffic Engineer. Appeal of the Board of Public Works' decision shall be by Certiorari to Circuit Court and shall be commenced within thirty (30) days of the date of the decision sought to be reviewed or be waived.

(8) Permit Fees. The following permit fees apply to street occupancy permits issued under this Section:

(a) Application Fees. A minimum permit fee of one hundred dollars ($100) for an occupation lasting one to seven (1-7) days, a permit fee of one hundred fifty dollars ($150) for an occupation lasting eight to thirty (8-30) days, and a permit fee of two hundred dollars ($200) for an occupation lasting greater than thirty (30) days shall apply. The application fee shall be double for untimely renewals or applications made after occupation has already begun.

(b) Dumpsters, Portable Storage Containers and Construction Trailers. A fee of fifty dollars ($50) shall apply, in addition to any other fees under this Section.

(c) Calculation of Fees. The fees charged in paragraphs 1. through 4. are charged for each area that is occupied and are based upon the area of the City where the permitted use is located. For the purposes of this Subdivision, the "Central City" is defined as the area bounded by the Yahara River on the east, Lake Mendota on the north, Park Street on the west, and Regent Street, Proudfit Street and Lake Monona on the south. The fees shall be charged for every twenty-five (25) feet of street front thereof that is to be temporarily occupied or used, based upon the period of occupation (1-7 days, 8-30 days, each 30 day successive period). Fees for occupancy of parking lanes and traffic lanes are based on the classification of the street, as indicated on the street classification map maintained by the City Traffic Engineer.

1. Sidewalks. For the temporary occupancy of all of a sidewalk area, including by a roofed passageway, or an occupancy that results in a sidewalk that is less than five (5) feet wide at any point, where no temporary walkway is provided on the same side of the street, the fee is:

(9) Penalty. Any person who fails to comply with any of the requirements of this Section shall upon conviction be subject to a forfeiture of not less than twenty-five dollars ($25) nor more than one thousand dollars ($1,000). Each day or portion thereof such violation continues shall be considered a separate offense.

(Section 10.055 Cr. by ORD-15-00036, 4-8-15; Am. by ORD-17-00002, 1-12-17)

10.056 STREET USE PERMIT.

(1) Purpose and Title. This section shall be known as the "Street Use Ordinance." The streets in possession of the City are primarily for the use of the public in the ordinary way. However, under proper and uniform circumstances special street use may be permitted,

subject to reasonable municipal regulation and control. Therefore, this ordinance is enacted to regulate and control the use of streets for purposes other than ordinary uses, pursuant to a Street Use Permit to the end that the health, safety and general welfare of the public and the good order of the City can be protected and maintained.

(2) Definitions.

(a) City means the City of Madison.

(b) Person means any person, firm, partnership, association, corporation, company or organization of any kind.

(c) Street means any public way, street, highway, sidewalk, terrace, alley, or public square. For purposes of this ordinance, a bicycle path or bicycle way shall also be considered a street.

(d) State Street Mall-Capitol Concourse or Mall-Concourse for purposes of this ordinance, means those streets or portions of streets located within area described in Sec. 9.13(6)(a) of these Ordinances.

(e) Non-Mall-Concourse means those streets or portions of streets located in any part of the city other than the State Street Mall - Capitol Concourse defined herein.

(3) Street Use Staff Commission.

(a) The voting membership of the Street Use Staff Commission shall consist of a staff representative from each of the following City departments or divisions:

1. Transportation/Traffic Engineering;
2. Parking Utility;
3. City Engineering;
4. Parks Division;
5. Parks Division-Mall Maintenance;
6. Streets Division;
7. Police Department;
8. Fire Department;
9. Risk Management (Finance Director);
10. Metro Transit; and
11. a representative from the State Capitol Police Department.

Commission coordination shall be provided by the Parks Division. Membership on this Staff Commission shall not require mayoral appointment or Common Council approval. For the City staff positions, the Department head shall designate an individual to serve on the Commission on a regular basis for an indefinite term. The Department head may assign another individual to attend and vote in the absence of the regularly-assigned staff person.

The Street Use Staff Commission is considered a "full" or "formal" committee under Sec. 33.27, MGO, and subject to all applicable provisions of that section, including Sec. 33.27(2)(a), MGO. (Am. by Ord. 12,312, 2-1-99; Ord. 13,176, 11-5-02; ORD-09-00038, 3-14-09; ORD-09-00171, 12-31-09; Am. by ORD-11-00037, 3-8-11)

(b) The Street Use Staff Commission may require the applicant or other authorized individual to attend one or more meetings of the Street Use Staff Commission and to provide any additional information which is reasonably necessary to make a fair determination as to whether a permit shall be granted.

(Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(4) Application.

(a) An application for a Street Use Permit shall be made by mail, in-person at the Parks Division, or using other methods made available by the City (such as online) using the form provided by the Parks Division. The application shall set forth the following information:

1. The name, address and telephone number of the applicant or applicants. The applicant shall be the event sponsor. If the application is being filed by someone else on behalf of the event sponsor, that person shall also provide their name, title, address, and phone number.
2. In addition to the information required in subparagraph 1. above, if the applicant is not an individual, the full name and business or headquarters address of the organizational entity shall be provided. If the applicant is a corporation, limited liability company, or limited partnership, the name and address of the registered agent shall also be provided. If the entity is a general partnership, the name, and address of at least one (1) general partner shall be provided.
3. The name, address and telephone number of the person or persons who will be responsible for conducting and/or managing the proposed use of the street, if different from the individual(s) named in subparagraph 1. or 2. above. This person shall also provide a mobile phone, pager number, or other means for immediate contact during the event.
4. The exact date or dates, beginning and ending times for which the requested use of the street is proposed to occur, including and set-up and tear-down times. If an event sponsor requests identical street closures for the same location for more than one occasion or event within a twelve (12) month period, each event may be included on a single application.
5. An accurate description of that portion of the street proposed to be used.
6. The estimated number of persons for whom use of the proposed street area is requested.
7. The proposed use of the street, described in detail, including a description of all activities planned during the street use such as vending, music, selling or serving of food or alcohol beverages, location and use of tents, stages, or other equipment, and a detailed plan for clean-up after the event. If any alcohol beverage license(s) will be requested for the event, the applicant shall indicate the type of license(s) requested and whether the applicant will still want a Street Use Permit if the necessary alcohol beverage license(s) are not granted. (Am. by ORD-11-0011, 9-12-11)
8. A description of any recording or sound amplification equipment to be used in connection with the street use.
9. A designation of any public facilities or equipment to be utilized.
10. Any additional information that the Street Use Staff Commission finds reasonably necessary to a fair determination as to whether a permit should be issued. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)
11. Addendum and Attachments. Applicants requesting identical street closures for more than one occasion, or large events expecting over 10,000 attendees, shall include an "Addendum to Street Use Permit" with the application. The Addendum shall include written details regarding transportation management, parking, crowd control, resident access.

    Additionally, if there will be any extraordinary security measures including searches of persons or vehicles, the applicant shall submit that plan as a separate Attachment to the application. If the crowd control or security plan calls for the hiring of private security services, the applicant shall provide the name of the security firm.

12. For events that include service of beverages in recyclable containers or the use of corrugated cardboard, a Recycling Plan shall be submitted with the application, using a form that has been prepared for this purpose by the City Recycling Coordinator. The Recycling Plan shall describe the applicant's procedures for collection and recycling of all recyclable materials (defined by MGO 10.18(7)(e)) produced by the event, and shall provide, at a minimum, for adequate collection containers, recycling instructions for vendors and other participants, and arrangements for the material collected for recycling as required by MGO 10.18.

The City Recycling Coordinator (or designee) shall review the completed Plan and report his/her approval or denial of the Plan to the Staff Commission before or at their meeting at which the final decision is made on the application. If the Recycling Coordinator disapproves a plan, s/he shall work with the applicant to develop an approvable plan. (Cr. by ORD-08-00032, 3-21-08; Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(Am. by ORD-09-00171, 12-31-09)

(b) Deadline for Applications.

1. An application to close three (3) or more blocks or to close a street or streets that will require any bus route detours or substantial rerouting of vehicular traffic shall be submitted not less than thirty (30) days prior to the beginning date of the proposed event.

2. An application to close less than three (3) blocks that will not require any bus route detour or substantial rerouting of vehicular traffic shall be submitted not less than fourteen (14) days prior to the beginning date of the proposed event.

3. The deadline for application filing in sub. 1. and 2. above may be waived if, based upon the proposed date, time, place, size, duration, anticipated number of participants, and City services required, there will be sufficient time prior to the event for the Staff Commission to hold a public meeting to objectively review the application and make a decision under the standards of issuance herein within the timelines required by sub. (5)(f). For an administrative review under 10.056(5)(b)5., the application deadline may be waived if there is sufficient time prior to the event for the Parks designee to conduct the administrative review and make a decision within the timelines required by sub. (5)(f). The application deadline for events under sub. 4. below (events with alcohol) may not be waived. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; ORD-11-00118, 9-12-11)

(Am. by ORD-09-00171, 12-31-09)

4. An application for an event of any size for which a temporary Class B alcohol license will be requested shall be submitted not less than sixty (60) days prior to the beginning date of the proposed event, to allow for Common Council review as required by Sec. 38.05(9)(e)2. (Cr. by ORD-11-00118, 9-12-11)

(c) Petition Required for Certain Events on Local Streets. It is in the public interest to dedicate and use non Mall/Concourse local, streets for neighborhood-centered activities. If the application is for the use of not more than two (2) blocks of a non Mall/Concourse local street (defined as a street with a speed limit of twenty-five (25) miles per hour or less), the application shall be accompanied by a petition designating the proposed area of the street to be used, the date and times of the proposed use, and the petition shall be signed by an adult resident or occupant over the age of eighteen (18) of not less than seventy-five percent (75%) of all residential dwelling units and non-residential occupancies with a street address on

that portion of the street designated for the proposed use. The petition form shall be included with the permit application and completed petitions shall be verified. (Am. by Ord. 12, 312, 2-1-99; ORD-06-00129, 9-21-06)

(5) Application Process and Permit Requirements.

(a) A Street Use Permit Application, the application fee under Sub. (7)(a), a petition, if required, and any additional materials shall be submitted to the Parks Division. Only complete applications containing all of the information required under sub. (4)(a) shall be considered. The Street Use Staff Commission shall review all such applications within the time limits in sub. (5)(f), if the application was filed within the deadlines in sub. (4)(b), except those applications that qualify for administrative review shall be reviewed by the designee of the Parks Superintendant under sub. (5)(b)5., below. (Am. by Ord. 13,176, 11-5-02; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(b) Permit Review.

1. The Staff Commission shall evaluate the application using the standards found in this ordinance. The Commission shall either approve the issuance of a Street Use Permit with conditions or deny the permit. The reasons for denial shall be set forth in writing and provided to the applicant immediately, unless the applicant is present at the meeting at which the permit is denied.
2. Conditions of the permit shall include those required by this ordinance and those determined by the Staff Commission to be appropriate to ensure the safety of the public and provide for an orderly event. The information supplied under sub. (4)(a), if approved by the Staff Commission, shall also become conditions of the permit.
3. When approved, the Parks Division shall issue the permit. The permit shall include all information required on the application and any conditions added to the application by the Staff Commission.
4. Duration of Permit.

a. General. Each permit shall be valid for the dates and times stated therein. A separate permit shall be required for each separate event or street closure requested. Permits may be issued for a single day, multiple consecutive days, or single-day identical street closures for more than one occasion over the course of twelve (12) months or less ("Serial Events"). A Serial Event shall also be limited to not more than one (1) day per week and not more than fifteen (15) total days per year, except for the Wednesday Dane County Farmers' Market on the 200 block of Martin Luther King Jr. Boulevard.

b. Business Improvement District Programming. The time limits in sub. a. above do not apply to a permit issued to a Business Improvement District, as defined in Wis. Stat. § 66.1109, if all of the following circumstances are met:

i. The application is for an event within the Business Improvement District for programmed entertainment and activities open to the public, and the activities comply with all applicable laws;
ii. The event area is limited to the sidewalk or sidewalk areas, terraces, and pedestrian ways and does not include any portion of the roadway or area that is open to motor vehicle traffic;
iii. No buses or other vehicle traffic will be re-routed; and
iv. It shall be a condition of any permit issued under this section that the applicant enter into a contract with the

City of Madison setting forth, at a minimum, conditions of the permit, details for allowable programming, payment for the programming and responsibility for costs of any city services associated with the event. City funding for such programming, if any, shall be approved by the Common Council and authorization to enter into the contract shall be according to applicable City contracting policies.

(Am. by ORD-13-00067, 4-24-13; ORD-16-00055, 5-25-16)

5. Administrative Review for Certain Applications. Applications for the use of not more than two (2) blocks of a residential, non-Mall/Concourse local street meeting all of the criteria of Sec. 10.056(4)(c), including the petition requirement, may be reviewed and approved administratively by a designee of the Parks Superintendent. Such applications shall be approved if the Parks designee finds that the Standards of Issuance and all other applicable criteria under this ordinance have been met, including the insurance provisions under 10.056(8). A decision on a permit under this section shall be made within the time limits in Sec. 10.056(5)(f). (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

6. Changes to Approved Permit. The approved conditions for a street use event cannot be modified except by submitting an amended application for consideration by the Street Use Staff Commission, following all the application procedures and deadlines herein, and the permit may only be changed with the approval of the Commission, applying the same standards as for initial issuance of the permit. (Cr. by ORD-13-00067, 4-24-13)

(c) Street Vending. The applicant shall describe any proposed street vending activities on the application for a Street Use Permit, however, all street Vending activities, as defined in Sec. 9.13(1), MGO, are regulated by Sec. 9.13 of these ordinances and may require additional licenses administered by the Street Vending Coordinator. Sec. 9.13(6)(k) governs the options for a vendor to request suspension of certain vending rules and regulations and requests for "exclusive vending use" including invalidation of other vending licenses during an event. A Special Event Umbrella Vending license covering street vending activities of all vendors in an approved special event is available to event sponsors under Sec. 9.13(2), and administered by the Parks Division.

(d) Alcohol Beverage Licenses. If the applicant requests permission to sell beer or wine within the perimeter of the street use permit area, the applicant shall follow the procedure for a Temporary Class B Picnic License under Sec. 38.05(9)(e)2. of the Madison General Ordinances. Applications for such temporary license(s) in connection with a Street Use Permit are subject to approval by the Common Council under Sec. 38.05(9)(e)2. The Street Use Staff Commission has no authority to authorize the sale of any alcohol beverages or possession of open containers; however the Commission may impose conditions for the Street Use Permit not inconsistent with a concurrent alcohol beverage license and applicable laws. If the Commission approves a Street Use Permit prior to the Common Council's approval under Sec. 38.05(9)(e)2., the Commission shall indicate whether its approval is conditioned upon the issuance of an alcohol beverage license, and if so, the Commission's approval shall be conditional and the Street Use Permit shall only be issued after the Council has approved the alcohol beverage license(s). If approval of the requested alcohol beverage license is not a condition of the Street Use Permit, the Permit may be issued prior to the Council taking action on the

alcohol license. Under no circumstances shall alcohol beverages of any kind be sold at a street use permitted event without the necessary alcohol beverage license(s) required by law. (Cr. by ORD-11-00118, 9-12-11)

(e) Sound Amplification. The use of sound amplification equipment may be approved as part of the Street Use Permit; and if approved, a separate permit under Sec. 24.04(3) shall not be required. Any applicable time limits in Sec. 24.04(3) shall not apply to a Street Use Permit. The Staff Commission shall determine the times and conditions for use of amplified sound using the standards of issuance herein, except that the use of sound amplification equipment may only be approved between 8:00 a.m. and 11:00 p.m. Requests for sound amplification before 8:00 a.m. or after 11:00 p.m. may be considered and granted by the Staff Commission if the Notification or petition required under Sec. 10.056(5)(g) described the proposed hours for amplification; and if the Staff Commission makes a specific finding that the Standards of Issuance, including sub. (6)(i), will not be violated by the use of amplified sound before 8:00 a.m. or after 11:00 p.m. (Am. by Ord. 12,474, 9-27-99; ORD-06-00128, 9-21-06; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(f) Time Limit for Decision. The decision to approve or deny a Street Use Permit shall be made within twenty-one (21) days of the date a complete application properly filed under sub. (5)(a) is received, unless the applicant expressly agrees to a longer period of time, or unless the application is for an event for which alcohol beverage licensing is also requested. Except for applications filed fewer than fourteen (14) days prior to the event under Sec. 10.056(4)(b)3., the decision to approve or deny shall be made no fewer than five (5) calendar days before the beginning of the proposed event, to allow a timely appeal as provided elsewhere in this section. An applicant may choose to voluntarily waive this 5-day decision deadline. (Am. by Ord. 13,176, 11-5-02; ORD-11-00118, 9-12-11)

(g) Notification Requirements.

The notices required by this paragraph shall be in addition to any petition which may be required under Sec. 10.056(4)(c), and any street vendor or other notifications required elsewhere in these Ordinances.

1. Notification by the Applicant.

   a. Residential Neighborhood Events of Two (2) Blocks or Less. The applicant shall deliver written notices announcing an event for which a permit has been granted, to each occupant on the streets to be closed at least seven (7) days prior to the event, unless a petition is required. The applicant shall provide the Parks Division a sample of any written notice required under this paragraph. If a petition is required under sub. (4)(c), the circulation of the petition shall serve as the only notice required under this paragraph.

   b. Large Public Events of Three (3) or More Blocks, 10,000 or More Estimated Attendees and Any Event Requiring Bus Detours or Significant Traffic Rerouting. The applicant shall send a copy of the application to the alderperson(s) of the aldermanic district(s) where the street closure is requested and to any neighborhood association on file with the Department of Planning and Community and Economic Development, within five (5) days of filing the application. The notification shall include contact information for the applicant. The purpose of the notification shall be to exchange information and receive public comment about the details of the event. The applicant shall keep a record of all public comments and provide them at the Street Use Staff Commission meeting when the application is reviewed. If a permit is granted,

the applicant shall also provide written notice announcing the event to each occupant on the street(s) to be closed, prior to the event. The applicant shall also promptly notify any merchants or building occupants identified by the Street Use Staff Commission, upon request of the Staff Commission. The applicant shall provide the Staff Commission a copy of the meeting announcement and other written notice(s) required under this paragraph.

c. 700 and 800 Blocks of State Street. For events on the 700 or 800 blocks taking place during regular business hours, the applicant shall notify all of the business or educational occupants of both the 700 and 800 blocks, and include proof of that notification with their application. A list of occupants can be obtained from the Parks Division.

d. Notice. Notice of an event for which a permit has been granted shall be sufficient if provided to the owner or occupant of each building or use with street frontage or driveway access on the street or portion of streets to be closed.

2. Notification by the Street Use Staff Commission. The Street Use Staff Commission shall regularly report to Common Council members all Street Use Permits granted and denied. The Community Events Coordinator shall also notify the Street Vending Coordinator and other pertinent staff of permits that have been granted and denied, as needed.

(Sec. 10.056(5) Am. by Ord. 12,312, 2-1-99; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; ORD-09-00171, 12-31-09)

(h) Animals Prohibited. Under Sec. 23.315, MGO, animals are prohibited in all areas within the perimeter of a street use event when there are a total of ten (10) or more food vendors participating in the event. For purposes of this paragraph and Sec. 23.315, a "food vendor" is any vendor selling food or beverage and required to hold a temporary or permanent food and drink license from the City under Chapter 7. A food vendor is "participating" in the event if the vendor is either included in event sponsor's special event umbrella vending license, or holds a city street vending license and is allowed to remain within the perimeter of the event. If animals are prohibited under this paragraph, the event sponsor shall provide notice to the public at the entrance to the event that animals are prohibited at the event under Sec. 23.315.

(Cr. by ORD-10-00079, 8-12-10)

(6) Standards for Issuance. The following standards established within this subsection, in addition to any other mandatory requirements within Sec. 10.056 or elsewhere in these Ordinances, and as amended from time to time, shall govern the issuance of street use permits. In the case of a street use permit requested solely to facilitate access to an event occurring off the street, the "event" for purposes of these standards shall be those activities reasonably expected to take place within the street(s) to be closed. A Street Use Permit shall be issued to an applicant unless:

(a) The time and size of the event would substantially interrupt the safe and orderly movement of pedestrian and vehicular traffic in the vicinity of the event's location; or

(b) The concentration of persons at the event would unduly interfere with proper fire and police protection of, or other emergency service to or through, the event or to areas adjacent to the event's location; or

(c) The estimated number of participants or the size or type of event equipment is not sufficient to close a street and there is an alternative channel of communication available; or

(d) Another street use permit has already been granted for substantially the same time and location; or

(e) The size or time of the event would require so great a diversion of City police, fire and other emergency staff as to prevent normal protection of the City or to prevent adequate protection at another previously scheduled event whether or not that event has been issued a street use permit or other permit from the City; or

(f) The event is reasonably likely to cause injury to persons or property and there is inadequate planning for crowd control of participants; or

(g) Adequate sanitation or other necessary Health facilities will not be available at the event; or

(h) There is an insufficient number of parking places within a reasonable distance or inadequate alternative parking or transportation options to accommodate the number of vehicles expected; or

(i) The time, size or nature of the event is incompatible with the normal activity at that location so as to impermissibly intrude on the comfort and convenience of the residents; or

(j) The proposed use or event will have a significantly adverse environmental impact; or

(k) (Repealed by ORD-05-00051, Eff. 03-19-05)

(l) The applicant has provided fraudulent information on the application; or

(m) The applicant has an outstanding balance owed to the City of Madison for unpaid fees for actual costs of equipment or services related to a previous Street Use Permit, Parade Permit under Sec. 12.87, a Parks special event permit or other permit or procedure of the Parks Division requiring payment or reimbursement for fees; or (Am. by ORD-15-00046, 4-29-15)

(n) The applicant has failed to satisfy the following permit requirements established elsewhere in this ordinance:

1. Filing of any petition required under sub. (4)(c). (Am. by ORD-15-00046, 4-29-15)
2. Posting of any cash bond or surety required under sub. (7).
3. A valid indemnification agreement required under sub. (8).
4. Proof of insurance, timely submitted and approved by the Risk Manager, as may be required under sub. (8).
5. A valid agreement to pay actual costs of equipment and services as required under sub. (7).
6. Submittal of an "Addendum to Street Use Permit," and Attachment, if required under sub. (4)(a)11.
7. Submittal and approval of a Recycling Plan, if required under sub. (4)(a)12. (Cr. by ORD-08-00032, 3-21-08)

(o) The proposed street use does not comply with the following minimum safety restrictions:

1. At least one (1) emergency vehicle access lane a minimum of twenty (20') wide, free of obstacles, shall be maintained at all times. (Am. by ORD-11-00118, 9-12-11)
2. At least one (1) walkway for pedestrian access at least eight (8) feet wide shall be maintained at all times.
3. Any permit to close any portion of State Street shall not include the closing of the cross streets of Gorham Street, Johnson Street and Dayton-Fairchild Streets unless a traffic detour plan, approved by the Staff Commission, can be used. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09)

(p) Alcohol beverage licensing has been requested for the event, the Commission has made approval of the necessary alcohol beverage licensing a condition of approval for the Street Use Permit, and the Common Council has not approved the necessary alcohol beverage licensing. (Cr. by ORD-11-00118, 9-12-11)

(q) Any activity to take place within the permitted area is contrary to federal, state or local law, or any vehicle, equipment or other materials to be used within the permitted area will not meet all applicable laws. This provision does not apply to a law that, by its express language, may be suspended or rendered non-applicable by the issuance of a Street Use Permit. (Cr. by ORD-15-00046, 4-29-15)

(7) Fees.

(a) Application Fee. The application fee for a one-day event reviewable under Sec. 10.056(5)(b)5. (i.e. block party) is fifty dollars ($50), the application fee for all other one-day events is one hundred dollars ($100). If the application is for an event that requires street closure for two (2) or more consecutive days, the fee shall be two hundred dollars ($200). If the application is for a Serial Event under Sec. 10.056(5)(b)4.a. or a BID event under Sec. 10.056(4)(a)4.b., the application fee shall be three hundred dollars ($300). An additional twenty-five dollars ($25) for each block or portion thereof in which any special vending approval under Sec. 9.13(6)(k)1. is requested shall be added to the application fee. All application fees shall be submitted with the application and are non-refundable. The application fee includes the administrative costs of processing the application. For events in the 700-800 blocks of State Street and residential neighborhood events of not more than two (2) blocks, the fee shall also include minimal use of City equipment and services. However, additional fees for actual costs of services and equipment provided may be incurred for any event, under Par. (c) below. All applications under this paragraph except for events reviewed under Sec. 10.056(5)(b)5. are subject to a two hundred and fifty dollar ($250) additional late fee if the application is submitted after the deadlines in Sec. 10.056(4)(b). (Am. by ORD-13-00067, 4-24-13; ORD-14-00050, 3-6-14; ORD-16-00055, 5-25-16)

(b) Cash or Bond Deposit for Certain Events. Prior to issuing a Street Use Permit for any portion of the Capitol Square or closure of more than three (3) blocks city-wide, the applicant shall post a minimum of three thousand dollars ($3,000) cash, certified check, or a surety bond in a form approved by the Risk Manager or the City Attorney to guarantee payment of the actual cost of City equipment and the City services provided. The cash or bond shall be delivered to the Parks Division.

(c) Fees for Equipment Rental and Additional Services. Event sponsors may rent equipment or arrange for services from the City as available. Additionally, if the street use results in more than the minimal use of any City equipment or any City services, whether or not such use was requested or expected, the event sponsor shall pay the actual costs for use of that equipment and services in accordance with a schedule determined by each department/division that bills for services and/or provides equipment for an event. The applicant shall agree to pay, within 20 days of billing, any additional actual costs, such as additional barricades or trash barrels, incurred by the City by the occasion of the event and its participants for City services and use of City-owned equipment.

(Sec. 10.056(7) Am. by Ord. 12,312, 2-1-99; ORD-05-00051, 3-19-05; ORD-09-00038, 3-14-09)

(8) Insurance.

(a) All applicants for a street use permit shall agree, as a condition of the permit, to indemnify, defend, and hold the City and its officers, officials, employees and agents harmless against all claims, liability, loss, damage, or expense incurred by the City on account of any injury to or death of any person or any damage to property caused by or resulting from the activities for which the permit is granted.

(b) The requirement of insurance and applicable minimum limits shall be determined by the City Risk Manager according to objective standards including but not limited to the size and nature of the event, the number of expected participants, and the potential for physical injury or property damage caused by participants.

(c) If insurance has been determined to be required for an event under sub. (b) above, the applicant shall furnish a Certificate of Insurance providing evidence of Commercial General Liability coverage with minimum limits of one million dollars ($1,000,000) per occurrence or a higher limit if determined by the City Risk Manager to be necessary on a case by case basis. Such Commercial General Liability coverage shall include coverage for contractual liability and list the City of Madison, its officers, officials, employees and agents as additional insureds. The certificate of insurance shall provide a thirty (30) days' written notice to the City upon cancellation, nonrenewal, or material change in the policy. If insurance is determined to be required for an event, the applicant shall provide the Certificate of Insurance described above no less than five (5) days prior to the event. (Am. by Ord. 13,176, 11-5-02)

(Sec. 10.056(8) Am. by Ord. 12,312, 2-1-99; Ord. 13,176, 11-5-02; ORD-11-00118, 9-12-11)

(9) Appeal Procedure. Any applicant may appeal the denial of a Street Use Permit to the Administrative Review Board. Appeal procedures shall be as provided in Section 9.49, Madison General Ordinances, Review of Administrative Determinations, except that all timelines in 9.49(6)(a) and (b), other than the thirty (30) day deadline for the person aggrieved to file a Notice of Appeal, shall be shortened as necessary to provide a meaningful appeal whenever possible prior to the first requested date of the proposed street closure.

(Am. by Ord. 12,312, 2-1-99)

(10) Severability. Each provision or requirement of any portion of this subsection shall be considered separable, and the invalidity of any portion of this subsection by a court of competent jurisdiction shall not affect the validity or enforceability of any other portion.

(11) Termination of a Street Use Permit. A Street Use Permit for an event in progress may be terminated by the Chief of Police or designee if termination is a reasonable and necessary response in the face of imminent danger or threat to public safety, if the safety of the public is imminently endangered by activities generated during the event, if the participants engage in violent or destructive behavior causing injury to persons or damage to property, or if there is a violation of any condition of the permit such that the standards of issuance are no longer met. A Street Use Permit for an event in progress may be terminated by the Fire Chief or designee if termination is a reasonable and necessary response in the face of imminent danger or threat to public safety. A Street Use Permit for an event in progress may be terminated by the Superintendent of Parks, or designee, if there is a violation of any condition of the permit such that the standards of issuance are no longer met, or if the applicant, sponsor, or other person affiliated with the event has violated Sec. 9.13 (Street Vending), the regulations adopted thereto, or any resolution adopted pursuant to Sec. 9.13(6)(k) (Vending and Exclusive Vending Rights During Special Events) within the perimeter of the event. (Sec. 10.056(11) Am. by Ord. 12,312, 2-1-99; ORD-08-00121, 11-22-08)

(12) Penalty Any person who shall do any of the following may be subject to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500) for each violation:

(a) Hold, sponsor, initiate, commence, or be in charge of any activity for which a street use permit is required without having been issued a valid Street Use Permit for said activity.

(b) Violate any condition placed upon a Street Use Permit; encourage others to do the same; or, as the applicant or sponsor of an event for which a Street Use Permit has been issued, permit or allow a violation of a condition of the Permit. The applicant or sponsor is considered to have permitted or allowed a violation of a

condition if the applicant or sponsor was issued a permit with the conditions listed, or a letter thereto, and a violation of any listed condition occurs during the event.

(c) Provide false or inaccurate information on a written application for a Street Use Permit.

(d) Participate in an activity for which a street use permit is required without a valid street use permit having been granted or after a permit has been terminated pursuant to Subsection (11), above. (Am. by ORD-08-00121, 11-22-08)

(e) Violate any other subsection of this ordinance.

(Sec. 10.056(12) Am. by Ord. 12,312, 2-1-99)

(Sec. 10.056 Am. by ORD-05-00051, 3-19-05)

10.06 SPECIFICATIONS FOR CONSTRUCTION OF SIDEWALKS—WIDTH OF WALKS.

Except upon special authority obtained from the Common Council, no new walk upon any street, the grade of which shall have been established, shall be constructed, and no old walk shall be substantially reconstructed upon such street unless such new or reconstructed sidewalk shall be concrete, and constructed in accordance with the latest edition of the City of Madison Standard Street and Sewer Specifications and all addenda and supplements thereto. Said concrete sidewalks constructed on residential streets shall be five (5) feet wide, except the width shall be five feet four inches (5'4") wide where a new sidewalk at its termini abuts to existing sidewalks of that dimension. Unless the City Engineer shall so direct, new sidewalks shall not be greater or less than these widths. Unless business streets, such walks shall be of such widths as shall be directed by the City Engineer, and it shall be unlawful to build any walk in a business district of any width not authorized by the City Engineer. No sidewalk shall be constructed or reconstructed under the provisions of this section without first obtaining a permit from the City Engineer showing the location and required width of the proposed work. The permit fee shall be twenty-five dollars ($25). The fee for a permit issued after commencing work, except in cases of emergency as determined by the Engineer, shall be double the fee set forth herein. Any person violating any of the provisions of this section shall be subject to a fine of not less than twenty-five dollars ($25) and no more than two hundred dollars ($200) and each day of continued violation shall constitute a separate offense. (Am. by ORD-14-00053, 3-12-14)

10.07 GRADE FOR SIDEWALKS—LOCATION.

Whenever a sidewalk shall be ordered to be built, the City Engineer shall immediately survey and stake out the location and grade of the same in case a grade has been established; and where no grade has been established, as ascertained by the records, the City Engineer shall prepare and report a grade for the approval of the Common Council, and when the same shall be established shall stake out the sidewalk as ordered by the Council; thereafter the City Director of the Building Inspection Division shall show said sidewalk grade on all subsequent building permits issued by him or her for new construction, and no sidewalks shall be laid under the provisions of this chapter until a grade therefore has been established by the Common Council. It shall be unlawful to construct any sidewalk except in accordance with such approved location and established grade, except with the permission of the Common Council. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08; ORD-14-00012, 1-14-14)

10.08 CONSTRUCTION OF DRIVEWAY APPROACHES AND PARKING FACILITIES.

Every driveway approach leading from any street to the lot line of any lot and every lot used as a parking facility shall hereafter be constructed only in accordance with the following requirements.

(1) Definitions. For the purpose of this section the following words are defined.

(a) Angle of approach shall mean the least angle between the center line of the driveway approach and the pavement edge.

(b) Automobile laundry shall mean a building or portion thereof containing facilities for washing automobiles using self-service methods or production line methods

with a chain conveyor, blower, steam cleaning device or other mechanical devices, or any premise with a capacity of washing twenty (20) or more vehicles per eight (8) hour day. (Am. by Ord. 12,008, 1-15-98)

(c) Board shall mean the Board of Public Works of the City of Madison, Wisconsin.

(d) Class I driveway approach shall mean all those by which a street with a concrete curb is connected with a residence, barn, private garage or other improved property and ordinarily used only by the owner or occupant of the premises, his/her guests and necessary service vehicles. (Am. by ORD-14-00012, 1-14-14)

(e) Class II driveway approach shall mean the same as Class I but located where the street is constructed with shoulders without concrete curbs.

(f) Class III driveway approach shall mean all those by which a street with a concrete curb is connected with private or public property and which is used for commercial purposes or which will ordinarily carry a much heavier traffic movement than Classes I and II.

(g) Class III(a) driveway approach shall mean all those by which a street with a concrete curb is connected with private or public property and which is used for commercial purposes, primarily used by semitrailers and buses.

(h) Class IV driveway approach shall mean the same as Class III but located where the street is constructed with shoulders without concrete curbs.

(i) Class V driveway approach shall mean all of those by which a street with a concrete curb is connected with public property for the exclusive use of emergency fire equipment.

(j) Commercial site shall mean one tract consisting of one or more contiguous lots or parts of lots which are to be used for interdependent ingress and egress of vehicles and containing one or more off-street loading or parking facilities or any commercial or residential site having five (5) or more parking stalls.

(k) Curb cut shall mean that section of concrete curb removed to permit ingress and egress from adjacent property and shall be measured between the points of tangency of the driveway approach radii with the normal street curbing.

(l) Driveway shall mean every way or area in private ownership and used for vehicular travel back of the street right-of-way line.

(m) Driveway approach shall mean an area improved for vehicular traffic on a public street right-of-way which connects the traveled portion of the street with a driveway.

(n) Entrance shall mean the point of connection of the driveway and the driveway approach at the street right-of-way line.

(o) Intersection turning area shall mean the part of the intersection included between the radius line used to connect the curb lines and the intersection of the curb lines if extended.

(p) Off-street vehicle facility shall mean any area or structure behind the street right-of-way improved and/or used for the parking, movement, servicing or storage of motor vehicles.

(q) Permit shall mean a permit to construct a driveway entrance and approach of a specified class granted by the City Engineering Division and Traffic Engineering Division upon application therefore in accordance with this ordinance.

(r) Permittee shall mean the applicant to whom the Board grants a permit.

(s) Residential site shall mean a single parcel in a residential zone containing a single residential structure of one or more dwelling units having four (4) or less parking stalls.

(t) Semitrailer refers to a combination of truck-tractor pulling a single semitrailer unit.

(u) Sight distance shall mean the distance from the driver's eye (driver's vehicle approaching the intersection) to the point of intersection of the paths of driver's

vehicle and another approaching vehicle on a cross street, measured from the point where, as both vehicles approach the intersection, each driver is first able to see the other's vehicle. (Am. by ORD-14-00012, 1-14-14)

(v) Medium and large vehicle shall mean any automobile or truck exceeding sixteen (16) feet in length.

(w) Small vehicle shall mean any automobile or truck sixteen (16) feet in length or less.

(2) Number of Entrances.

(a) A maximum of two (2) entrances shall be permitted to a residential site provided that where a single off-street parking facility shall serve more than one residential site no more than two (2) entrances shall be permitted to such a facility.

(b) A maximum of two (2) driveway entrances shall be permitted to a commercial site from each of any one (1) or two (2) abutting streets.

(c) When in the opinion of the Traffic Engineer, after hearing the views of the permittee, it is in the interests of good traffic operation, the Traffic Engineer may permit:

1. One (1) additional driveway entrance along a continuous site frontage in excess of six hundred (600) feet or two (2) additional driveway entrances along a continuous site frontage in excess of twelve hundred (1,200) feet.
2. One (1) additional entrance from each of not more than two (2) abutting streets where continuous frontage is less than six hundred (600) feet; provided that such additional entrances be used exclusively as a service drive for the purpose of loading or unloading materials or merchandise, and which drive is physically separated from other off-street vehicle facilities and not available to customers thereof through the use of a six-inch (6") high raised rolled asphalt or poured in place concrete curb or a guardrail erected eighteen (18) inches in height to the center measured from the paved parking surface.
3. One (1) or two (2) driveway entrances from additional abutting streets.

(3) Location of Entrances.

(a) No entrance shall be closer than ten (10) feet to the right-of-way line of an intersecting street provided that no part of any driveway approach shall encroach on any intersection turning area (curb radius). Alleys shall be exempt from this provision and may be defined as "approaches," provided that the total maximum dimensions shall not exceed those permitted for other "approaches" in the same class. Where the alley is not included, the entrance must be a minimum of five (5) feet from the nearest boundary line of the alley.

(b) No entrance shall be closer than five (5) feet to an adjacent property line; provided, however, that in cases of practical difficulty or unnecessary hardship the City Engineer, Traffic Engineer and Director of the Building Inspection Division may jointly reduce such requirement with subsequent appeal to the Board, if necessary. No driveway approach shall be so constructed that any part of the same extends in front of property belonging to a person other than the permittee unless both property owners sign a joint application for a permit. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(c) Any two entrances shall be at least ten (10) feet apart and in no case less than the sum of the approach radii.

(d) All entrances and approaches shall be so located as to provide adequate sight distance in both directions along the street for safe access to the street without interfering with vehicular or pedestrian traffic on the street.

(4) Design Criteria.

(a) Special Requirements.

1. Class I

Maximum permitted width of entrance..... 20 feet

Minimum permitted width of entrance ..... 8 feet
Maximum permitted width of driveway ..... 20 feet
Minimum permitted width of driveway ..... 8 feet
Maximum permitted curb cut ..... 30 feet
Minimum permitted curb cut ..... 14 feet
Maximum turning radius at pavement edge ..... 5 feet

2. Class II
Maximum permitted width of entrance ..... 30 feet
Minimum permitted width of entrance ..... 12 feet
Maximum permitted width of driveway ..... 30 feet
Minimum permitted width of driveway ..... 12 feet
Maximum permitted width of approach ..... 50 feet
Minimum permitted width of approach ..... 32 feet
Maximum turning radius at pavement edge ..... 10 feet

3. Class III*
Maximum permitted width of entrance ..... 30 feet
Minimum permitted width of entrance ..... 18 feet
or two entrances of 10 ft. min. under one-way operation.
Maximum permitted width of driveway ..... 30 feet
Minimum permitted width of driveway ..... 18 feet
or two driveways of 10 ft. min. under one-way operation.
Maximum permitted curb cut ..... 50 feet
Minimum permitted curb cut ..... 28 feet
Turning radius at pavement edge-Minimum ..... 5 feet
Maximum 10 feet provided no radius greater than 5 ft. shall encroach on a sidewalk.

4. Class III(a)
Maximum permitted width of entrance ..... 40 feet
Minimum permitted width of entrance ..... 35 feet
Maximum permitted width of driveway ..... 40 feet
Minimum permitted width of driveway ..... 35 feet
Maximum permitted width of curb cut ..... 60 feet
Minimum permitted width of curb cut ..... 45 feet
Maximum turning radius at pavement edge ..... 10 feet
Minimum turning radius at pavement edge ..... 5 feet

5. Class IV*
Maximum permitted width of entrance ..... 40 feet
Minimum permitted width of entrance ..... 25 feet
Maximum permitted width of driveway ..... 40 feet
Minimum permitted width of driveway ..... 25 feet
Maximum permitted width of approach ..... 70 feet
Minimum permitted width of approach ..... 55 feet
Maximum turning radii
Between pavement edge and outside edge of approach ..... 20 feet
Edge of approach (adjacent approach edges where two approaches are constructed) ..... 10 feet

6. Class V—Emergency Fire Equipment. Widths and radii for fire station driveways and approaches shall be determined by the dimensions and

*Minimum permitted width of entrance is ten (10) feet when serving twelve (12) or less vehicle parking stalls to an apartment dwelling unit facility.

operating characteristics of the vehicles involved and deviations from the above design characteristics must be approved by the Board of Public Works.

7. The maximum width permitted herein for Class I and Class II driveways may be exceeded when approved by the Zoning Administrator for the express purpose of complimenting multiple off-street parking spaces. (Cr. by Ord. 10,224, 3-29-91)

(b) The Traffic Engineer may approve a Class III(a) driveway approach if plans are submitted by the applicant showing that the requested driveway approach will be used nearly exclusively by semitrailers and/or buses serving the site, and that other driveway approaches intended for exclusive use by smaller vehicles will not be used by semitrailers and/or buses and, further, that the use of the property is one of the following:

1. Post offices (used as distribution centers).
2. Mobile home sales and service.
3. Weigh stations.
4. Bus stations, bus terminals, bus turnarounds, bus garages and bus lots.
5. Building material sales establishments.
6. Express and parcel delivery establishments.
7. Feed and seed stores.
8. Feed mixing and grinding plants.
9. Milk and ice cream processing and bulk terminals.
10. Bottling or distribution plants of soft drinks, milk, beer, fuel and ice.
11. Storage and warehousing establishments.
12. Wholesaling establishments.
13. Service entrances to community and regional shopping centers.
14. Machinery and equipment sales and service establishments.
15. Highway maintenance shops and yards.
16. Foundries, machine shops, iron, steel and metal fabrication establishments.
17. Brick, tile or terra-cotta manufacture.
18. Asphalt and concrete batching or ready-mix plants.
19. Cartage establishments.
20. Concrete products casting.
21. Motor freight terminals.
22. Railroad freight terminals, railroad switching and classification yards, repair shops and roundhouses.

(c) The following special design features may be permitted at high volume entrances if approved by the Board after reviewing the recommendations of the Traffic Engineer:

1. One or more driveway approaches may be replaced by a street type entrance. The cost of additional drainage structures necessitated by such entrances shall be borne by the permittee.
2. One or more driveways to a major traffic generator may be replaced with special geometrically designed approaches and entrances where such generated traffic volumes and turning movements are in such quantities as to significantly reduce the capacity of the adjacent street and/or pose a hazard to through traffic on the adjacent street. These special geometrically designed approaches and entrances include (but are not limited to) speed change lanes, median crossovers, traffic islands and special driveway approach design treatments. The owner of the traffic generator shall be financially responsible for the cost of the special geometrically

designed approaches and entrances as well as the cost of additional drainage structures, street lighting and traffic signals, and conduit necessitated at such approaches and entrances.

(d) The angle of approach of any driveway approach shall be not less than forty-five (45) degrees. A ninety (90) degree angle of approach is preferable on Class I and Class III approaches.

(e) Right-of-way areas adjacent to driveway approaches shall be left unimproved for vehicular use. The drawing accompanying the application shall show exactly how encroachment on such adjacent areas is to be prevented. If encroachment develops a need for additional protection, it shall be provided promptly by the permittee.

(f) All driveway approaches shall be constructed and the right-of-way area adjacent to or between approaches shall be graded at the permittee's expense, subject to drainage requirements as specified by the Board.

(g) The driveway approach between the property line and the road pavement or street curb line shall be paved in accordance with specifications for such concrete, asphalt or crushed stone work prescribed by the Board. All Class III and Class III(a) approaches shall be constructed of concrete. All Class IV driveways shall be constructed of asphalt.

(h) If required by the Traffic Engineer, polyvinyl chloride (PVC) conduit up to three (3) inches in diameter shall be placed twelve (12) inches back of the curb line and a minimum of twenty-four (24) inches below the flow line and extending to the intersecting point of the curb radius and the curb line under each driveway approach. This conduit shall be turned up at each end to terrace finish grade using a 90° elbow and capped at this grade with a permanent PVC cap. (See Figure I in Sec. 10.08(6)(b)1.) The Traffic Engineer may require a deposit to insure installation of this conduit and any other associated structures. (Am. by Ord. 11,512, 1-26-96)

(i) Gasoline pumps or similar facilities served by such driveways and approaches shall be a minimum of fifteen (15) feet from the right-of-way line of the street measured to the center of the gasoline pump and no driveway approach shall be constructed to serve any such existing facility which is less than twelve (12) feet from the right-of-way line.

(5) Special Provisions for Entrances and Exits at Parking Facilities and Design Criteria for Permanent Parking Facilities. (Am. by ORD-12-00134, 1-2-13)

(a) The design of entrances to parking facilities shall provide:

1. A sufficient distance from the nearest intersection to prevent vehicles stopping within the intersection.
2. That both permitted driveway approaches from a major street may be for ingress only with egress to a secondary street thereby eliminating vehicle back-up on the major street.
3. For ultimate one-way movement through the parking facility where there is access from two (2) or more streets and a one-way movement becomes necessary.
4. That exits onto a multi-lane street shall be either a part of an intersection or far enough away from an intersection to permit minimum hazard lane changes for left or "U" turning vehicles.
5. That exits shall not be in such proximity to a "stop" intersection as to be blocked by street vehicles stopped by the stop sign or traffic signal during any but peak traffic hours.
6. That no driveway approach shall be located where it will be used as a terminal end of a crosswalk.
7. For adequate sight distance and they shall be clearly visible to street traffic.
8. For minimum interference to street traffic at all times.

(6) Design Criteria for Permanent Parking Facilities. (Am. by ORD-12-00134, 1-2-13)

(a) General Requirements for Permanent Parking Facilities. Off-street parking facilities for residential lots in the Central Area with a parking area totaling two thousand (2000) square feet or less, without an accessible parking stall, or twenty-two hundred (2200) square feet or less, with an accessible parking stall, excluding the driveway to the parking area, are exempt from this ordinance and are subject to City Zoning Administrator review and approval. (Intro par. Cr. by Ord. 11,205, Adopted 3-21-95)

1. Each off-street parking space shall contain at least a rectangular area of a minimum width of eight (8) feet and a minimum length of eighteen (18) feet exclusive of access drives, or aisles, ramps, columns or office or work areas. Such space shall have a vertical clearance of at least seven (7) feet. However, where off-street parking spaces are provided for small vehicles, such space shall be at least seven and one-half (7½) feet in width and at least sixteen (16) feet in length and shall have a vertical clearance of at least seven (7) feet. Where the off-street parking requirement exceeds five (5) spaces, not more than twenty-five percent (25%) of the required number of spaces may be designed for small vehicles provided that any spaces designed for small vehicles shall be clearly identified by sign(s). The City Traffic Engineer may approve small vehicle parking spaces for up to 50 percent (50%) of the required number of spaces if the applicant proves hardship by providing a parking study and site plan demonstrating the need for small vehicle parking spaces. (Am. by ORD-11-00082, 6-16-11)

2. The typical parking facility diagrams and parking stall and drive aisle dimension table on the following pages shall determine the minimum requirements for a parking facility plan. (See Figures II-IV and Table I in Sec. 10.08(6)(b)2. through 6.) (Am. by ORD-17-00044, 4-27-17)

3. For any given parking angle between twenty (20) degrees and ninety (90) degrees not specifically listed in Figures II and III in Sec. 10.08(6)(b)2. and 3., use a table angle nearest the given angle.

4. When two (2) rows of stalls use the same drive aisle for access requiring two-way traffic because of stall layout, the drive aisle shall be a minimum of eighteen (18) feet in width or that which is called for in Figures II and III in Sec. 10.08(6)(b)2. and 3., whichever is greater.

5. No parking stall shall be so located as to require a vehicle, while exiting therefrom, to back onto any public street right-of-way, except in those parking facilities which accommodate four (4) or less parking stalls. However, alleyways may be used for ingress and egress to and from parking stalls, providing the stalls are set back the distance from the property line so that the drive aisle width is sufficient, as in recommended Figures II and III in Sec. 10.08(6)(b)2 and 3.

6. Every parking facility shall have adequate internal circulation in which no backing movement, except that required to leave a parking stall, is allowed. All parking facilities shall be designed so as not to utilize any portion of the public right-of-way except to permit ingress and egress in a forward manner; unless permitted by the City Traffic Engineer. (Am. by Ord. 11,533, 3-1-96; ORD-05-00128, 7-22-05)

7. The parking facility design shall be such as to furnish adequate parking for the proposed land use it serves. Adjacent street curb parking shall not be considered as part of the needed supply of parking.

8. The parking facility design shall be such as to reduce irregular and eliminate illegal traffic movements onto or in the street such as left turns, "U" turns, excessive speed in driveways and parking facilities, etc. (Am. by Ord. 11,533, 3-1-96)

9. The parking facility design shall be such as to provide maximum vehicle storage in the aisles for cars waiting to park.

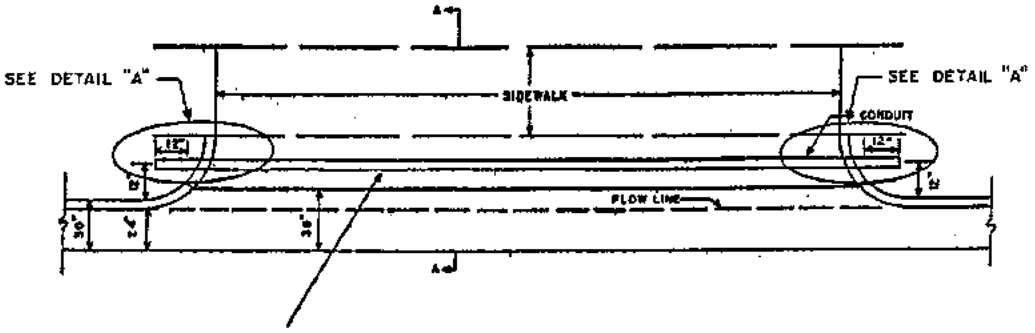
10. All off-street parking facilities, except a parking space accessory to a single family dwelling, shall be improved with a bituminous, or Portland Cement concrete pavement, or paving brick surface in accordance with City of Madison standards and specifications. Such parking facilities shall be so graded and drained as to dispose of all surface water, in accordance with existing City drainage policies and ordinances. Such parking facilities shall be so arranged and marked to provide for orderly and safe parking and storage of vehicles, and shall be so designed as to prevent encroachment onto adjacent land areas, parking facilities or street rights-of-way through the use of a permanently installed, continuous six-inch (6") minimum height curbing, such as poured concrete or rolled asphalt curb (backfilled) or timbers, precast or preformed wheel stops permanently pinned in place or guardrail erected at a height of eighteen (18) inches to the center from the paved parking surface, or fencing of sufficient strength to act as a vehicle bumper stop.

11. Where applicable, screening, landscaping and vision clearance shall be provided as set forth in the City of Madison Zoning Code.

12. Outdoor lighting of off-street parking facilities shall be in conformity with Madison General Ordinances Section 10.085. (Am. by Ord. 10,631, Adopted 3-30-93)

13. Every parking facility, area and appurtenances thereto shall be maintained in a safe and sightly manner.

14. If practicable and feasible, all new building entrances shall be positioned on the site to draw traffic away from the driveway approach instead of congesting it at that point. If practicable and feasible for existing buildings, the building entrance shall also be located or relocated in the same manner for the same purpose.



15. The parking lot shall be adequately signed and marked to secure the traffic operation as planned.

16. Provision shall be made for expeditious and safe movements of pedestrians within the parking facility.

17. The City Traffic Engineer may alter the parking dimension minimums for residential only parking facilities, if hardship can be established by the applicant through a parking study, if the site constraints are verified, and if all standards for safe operation can be maintained. The applicant shall demonstrate safe operations by providing Traffic Engineering with dimensioned parking facility diagrams illustrating turning movements for all relevant vehicles. (Cr. by ORD-17-00044, 4-27-17)

(d) Car washes shall be designed to provide the following:

1. Parking and Reservoir Space Requirements.
   a. One parking space for each two employees, and one parking space for the owner or manager of any car wash.
   b. Reservoir parking spaces equal in number to five (5) times the maximum capacity of a self-service or any other car wash shall be provided: maximum capacity, in this instance, shall be defined as the greatest possible number of automobiles undergoing some phase of laundering at the same time, which shall be determined by dividing the length in feet of each production line by twenty (20).
   c. One additional space shall be provided for each nozzle of any vacuum cleaning machine, while storage space for other car washes shall be adequate to accommodate all vehicles off-street which are awaiting delivery.
   d. Self-service car washes without indoor drying equipment shall provide one drying area stall for each self-service car wash stall to be located outside the area of any exit lane or area used for any other laundering process.
2. The exit door of any car wash shall be at least twenty-five (25) feet from any street or alley lot line.
3. For a self-service or full-service car wash having some type of indoor drying equipment the exit door shall be at least forty (40) feet beyond such dryers. However, the Director of the Building Inspection Division may reduce this distance requirement when the applicant provides a noise study demonstrating that the sound levels of the indoor drying equipment and car wash equipment do not exceed 65 decibels (dbs) between 7:00 a.m. and 7:00 p.m. and 60 decibels (dbs) between 7:00 p.m. and 7:00 a.m. at a residential property line, and meets Section 24.08, Madison General Ordinances, and all other requirements. (Am. by ORD-08-00109, 10-7-08)
4. The off-street facility shall make provisions for adequate queue storage that prevents queue interference with pedestrian or other vehicular movement and shall supply a queuing model to the Traffic Engineer for approval.
5. Any exterior lighting shall be in conformity with Madison General Ordinances Section 10.085(6)(a)12.
6. The hours of operation shall be limited to the hours between 7:00 a.m. and 9:00 p.m. Exceptions to these hours are subject to City Plan Commission review and approval under Section 28.183.

7. A reasonable means, approved by the Director of the Building Inspection Division to prevent the drainage or deposition of water which may create icing conditions, or the drainage or deposition of other cleaning material which may create undesirable conditions in the storm drainage system, from these premises or from any vehicle so serviced on such premises upon any public sidewalk, street or right-of-way of the City of Madison. Reasonable means may include, but are not limited to, drainage pits, areas or racks, mechanical shakers, compressed air blasts, fan blowers, etc. which will dry or remove water or other liquid material from the underside of the vehicle. (Am. by ORD-08-00109, 10-7-08

8. All of the provisions of this subdivision shall be prospective in operation and shall apply to the granting of all building permits for the construction of car washes and all building permits for alterations to, enlargements of and remodeling of existing building, provided, however, that paragraph 7. of this subdivision shall be applicable to existing car washes now in operation and such existing car washes shall comply with the subdivision.

(Sec. 10.08(6)(d) Am. by Ord. 12,008, 1-15-98; ORD-12-00134, 1-2-13)

(7) Application.

(a) All applications for Class III, IIIa, IV and commercial site driveway approach permits shall be made at the office of the Traffic Engineer on a form prescribed by the Board. Applications for commercial driveway approach permits that are proposed as part of a Planned Commercial Development, Planned Urban Development, Conditional Use application, or other application under Chapter 28, may be filed with the Zoning Administrator. (Am. by Ord. 13,489, 1-23-04)

(b) All applications for driveway approaches except Class I and Class II to parking and loading facilities shall be accompanied by scaled drawings, in quintuplicate, and approved by the respective City departments before a building permit will be issued. The following items must be indicated and dimensioned on the five submitted drawings:

1. A scaled drawing plot plan on a single sheet (1" = 20') or larger.
2. Address and parcel number of property.
3. Property lines, existing and proposed structures.
4. Width of abutting rights-of-way, roadways and terraces.
5. Location of driveway approaches-existing, proposed and adjoining.
6. Proposed driveway radii.
7. Type of surface-driveway approach, driveway and parking lot.
8. Proposed routing of motor vehicles entering and leaving.
9. Proposed treatment of right-of-way area adjacent to or between approaches.
10. Rate of slope or grade of approaches and driveways.
11. Utility poles, fire hydrants, trees or other structures to be moved.
12. Means of separation between parking lot and sidewalk.
13. Number, arrangement and size of parking stalls.
14. Proposed parking facility lighting in conformity with Madison General Ordinances Section 10,085. (Am. by Ord. 10,631, Adopted 3-30-93)
15. Distance to intersecting streets within five hundred (500) feet and location, elevation and size of all storm sewers available.
16. Indicate elevation of existing site to City datum. Elevations to be spotted at twenty-five (25) ft. intervals or one (1) ft. contours.
17. If no storm sewers are available, the owner is to include elevation of the top of the curb.
18. If the street is unimproved, the plot plan is to indicate the location and elevation of the drainage ditches abutting the site and proposed street centerline elevation.

19. Proposed method of drainage including the following:
    a. Proposed finished elevations of parking lot, including direction of drainage and elevations of proposed gutters or swales.
    b. Elevations, location and size of inlets, catch basin and storm sewers to be constructed in conjunction with the parking lots.
20. Location of all downspouts from the building and proposed method of disposing of surface water.
21. Name and address of person responsible for paying storm sewer connection charges that may be levied in conjunction with this project.

(c) Application for residential driveway approaches shall be made at the City Engineering Division. Application for commercial driveway approaches to off-street vehicle facilities shall be made at the Traffic Engineering Division.

(d) Before any Class III, III(a) or IV driveway approach permit for the construction or reconstruction of an off-street parking facility is granted under any ordinance, the applicant shall indicate on such application the location of proposed entrances and exits for the accommodation of motor vehicles entering and leaving said facility, together with the proposed plan of routing of motor vehicles entering and leaving said facility. Said application shall then be referred to the Traffic Engineering Division, City Engineering Division, and the Building Inspection Division of the Department of Planning and Community and Economic Development for their approval. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(e) On receipt and approval of the permit application and appropriate fee(s) under Sec. 10.08(8)(f) below, a permit shall be granted for construction which shall conform to the application. Driveway and parking lot permits shall not be granted or shall be deemed void for any parcel, lot or property which has not been legally divided per City of Madison ordinances. (Am. by Ord. 13,489, 1-23-04)

(f) Permit Fees for Certain Classes of Driveway Approaches. The minimum fee for the review, issuance and inspection of a permit for a single address with a Class I or II driveway approach, sidewalk or terrace improvements shall be twenty-five dollars ($25). The fee for a permit issued after commencing work, expect in cases of emergency as determined by the Engineer, shall be double the fees. The fee for referral of the aforementioned permit that has automatically terminated under Sec. 10.08(8)(a) shall be twenty-five dollars ($25). The fee for the review and issuance of a permit for each Class III, IIIa, IV and commercial site driveway approach shall be $100 for each new approach, modification or reconstruction of an existing approach, removal or closure of an existing approach, including those required under Sec. 10.08(8)(h); or change of class under Sec. 10.08(8)(f). The $100 fee shall apply to each separate driveway approach so approved, whether approved on a single permit form or multiple forms. The fee for renewal of a permit that has automatically terminated under Sec. 10.08(8)(a) shall be $50 for each separate driveway approach for which renewal is requested. (Cr. by Ord. 13,489, 1-23-04; Am. by ORD-14-00053, 3-12-14)

(8) Restrictions and Responsibilities.

(a) Driveway approaches and parking facility requirements must be completed within one (1) year after the permit is issued; otherwise the permit shall automatically terminate. The permit may be renewed prior to the termination date, for a period not to exceed one (1) additional year, by payment of the fee under sec. 10.08(7)(f). (Am. by Ord. 13,489, 1-23-04)

(b) The construction of such driveway and approaches shall not interfere with any existing structure on any street right-of-way without specific permission in writing from the Board and other owner thereof.

(c) The permittee shall assume all responsibility for any injury or damage to persons or property resulting directly or indirectly during the construction of any approach or driveway.

(d) The permittee shall assume responsibility for all maintenance of such driveway approaches from the right-of-way line to the edge of the traveled roadway.

(e) No entrance or approach shall be relocated or its dimensions altered unless a new permit authorizing the relocation or reconstruction is issued for the appropriate driveway approach under Sec. 10.08(7). (Am. by Ord. 13,489, 1-23-04)

(f) A driveway entrance and approach constructed for one class shall not be used under a different class until the appropriate permit for such different class at that location is issued under Sec. 10.08(7). (Am. by Ord. 13,489, 1-23-04)

(g) Where a permit has been granted for entrances to a parking facility, or the Traffic Engineer has approved a site plan for a new or existing parking facility, said facility shall not be altered or the plan of operation changed until a revised plan has been submitted and approved as specified in Subsection (6)) or (7), as appropriate. The circumstances under which a parking facility shall be considered to have been altered shall include, but are not limited to: any portion or element of the facility as shown on the approved plan is not constructed or completed according to the approved plan, or if any moveable fixtures or features of the facility are located other than as shown on the approved plan. The circumstances under which the plan of operation shall be considered to have changed shall include but are not limited to: vehicles parked beyond the limits of the approved plan, in areas or in a manner other than as designated on the plan, vehicles allowed to circulate, make ingress or egress in any manner other than was shown on the approved plan, excess vehicle storage or other non-vehicle items permitted to be stored that were not approved on the plan, or in a place other than where approved on the plan. (Am. by Ord. 12,865, 8-7-01; Ord. 13,489, 1-23-04)

(h) Application for a permit to construct or reconstruct any driveway entrance and approach to a site shall also be deemed a request for a permit to reconstruct or close any existing nonconforming or unused entrances and approaches to the same site. No permit to construct a new driveway approach or reconstruct any existing approach shall be granted unless the applicant agrees to properly reconstruct or close any other existing nonconforming or unused entrances or approaches on the site and permits are issued for the same under Sec. 10.08(7). All costs incurred shall be at the expense of the property owner. (Am. by Ord. 13,489, 1-23-04)

(i) Where a driveway approach is no longer used or no longer leads to a driveway, residence, barn, garage, parking facility or other improved area for the lawful use of vehicles, by reason of abandonment, construction, reconstruction or change of land use, such approaches shall be removed and standard curb and gutter replaced at the expense of the property owner and shall be completed within one (1) year after issuance of the appropriate permits under this section. (Am. by Ord. 13,489, 1-23-04)

(j) When a building permit is required for the reconstruction or remodeling of an existing commercial site or a zoning or occupancy certificate is required for use or change of use for any land, buildings or structures, all of the existing, as well as the proposed, driveway approaches and parking facilities shall comply with all design standards as set forth in this ordinance.

(k) No person shall construct a new driveway approach, modify or reconstruct an existing approach, remove or close an existing approach, change the class of an approach, work on any driveway approach for which a permit has automatically terminated under 10.08(8)(a), or cause any of the above to take place, without the appropriate valid permit(s) issued therefore. This provision shall apply equally to

the owner or occupant of the property that the driveway approach leads to and any person performing the construction or work on the driveway approach in question. (Cr. by Ord. 13,489, 1-23-04)

(l) Except for owners of buildings with four (4) or fewer units that are zoned residential, no person shall perform any work on any driveway or driveway approaches within the public right-of-way without holding a license under Sec. 9.20(1)(a). (Cr. by ORD-15-00006, 1-14-15)

(9) Administration.

(a) The Board is hereby authorized to prescribe the form of bond and the form of application for permits under this section and shall have general supervision of the enforcement of the provisions of this section. It shall have authority to make such rules and regulations, consistent with the provisions of this section and law, as may be necessary for the proper administration and enforcement of this section.

(b) If approval of any proposed driveway approach or proposed parking lot and driveway approach is denied, the applicant, owner lessor or lessee may appeal to the Board of Public Works for a review of the denial by filing notice of appeal with the City Clerk within thirty (30) days after such denial. The Notice of Appeal shall state the basis or bases upon which the applicant seeks review of the denial. At such hearing the applicant shall have the opportunity to cross examine witnesses, may call witnesses in her/his own behalf and may be represented by legal counsel. After holding a hearing, the Board shall by majority vote make findings of fact and conclusions of law and may by majority vote affirm, modify or reverse the denial of the driveway approach or parking lot and driveway approach consistent with the provisions of this section. The Board shall have only the power to determine whether staff has properly interpreted the provisions of this section and may not modify, change or substitute for any provision contained in these ordinances. (Am. by Ord. 11,007, 10-12-94)

(c) Inspection to determine compliance within the terms of this ordinance shall be the responsibility of the Building Inspection Division of the Department of Planning and Community and Economic Development. (Am. by Ord. 8081, 7-29-83; ORD-08-00109, 10-7-08)

(d) Any person violating the provisions of this section shall be fined not less than twenty-five dollars ($25) nor more than two hundred dollars ($200) and each day of continued violation shall constitute a separate offense.

(10) This ordinance shall be in effect from and after its passage and publication. (Sec. 10.08 Am. by Ord. 7204, 1-22-81)

10.085 OUTDOOR LIGHTING.

(1) Purpose and Intent. This ordinance regulates all outdoor lighting installed on residential site and commercial site property, both publicly and privately owned within the City of Madison with the exception of outdoor lighting on public streets, public bikeways and public walkways which are regulated elsewhere in the ordinances. The purpose of this ordinance is to create standards for outdoor lighting that do not interfere with the reasonable use of commercial site and residential site property, that prevent light trespass and conserve energy yet maintain night time safety. Installation of outdoor lighting is not mandatory but if installed, it shall be in conformance with the provisions of the ordinance, the building code and all other codes and regulations as applicable and under appropriate permit and inspection.

(2) Definitions.

Commercial Site shall mean a tract consisting of one or more contiguous lots or parts of lots which are to be used for interdependent ingress and egress of vehicles and containing one or more off-street loading or parking facilities or any commercial site having five (5) or more parking stalls.

Covered Parking Facilities shall mean a parking facility with an overhead covering and shall include all floors except the roof level of a multilevel parking structure or ramp.

Driveway shall mean every way or area used for vehicular travel back of the street right-of-way line.

Footcandle shall mean the illumination of a surface one foot distant from a source of light equivalent to one candle.

Building Inspection Division shall mean the Building Inspection Division of the City Department of Planning and Community and Economic Development. (Am. by ORD-08-00109, 10-7-08

Installation shall mean the attachment or assembly, whether or not connected to a power source, of any outdoor light fixture affixed to the ground, a building, a pole or any other supporting structure or device.

Light Trespass shall mean stray light or spill light flowing across the property boundary. (Am. by Ord. 13,717, 10-26-04)

Lighting Sources shall mean any lamp or manufactured device emitting energy that is capable of exciting the retina and producing a visual sensation. The energy emitted shall fall within the electromagnetic spectrum to a length of between 380 and 770 nanometers. Such devices shall include, but are not limited to, incandescent, fluorescent, carbon arc, quartz-iodine/tungsten halogen, low pressure sodium, high pressure sodium, metal halide and mercury vapor lamps.

Non-Shielded or Non-Cutoff Lighting Fixtures shall mean all types of outdoor lighting fixtures other than shielded or cutoff lighting fixtures and includes any lighting fixture that employs an adjustable bracket, refractorizing glassware or lenses, a non-shielded lamp or light source and distributes light at any angle more than four degrees (4°) above horizontal. (Am. by Ord. 13,717, 10-26-04)

Open Parking Facilities shall mean a parking facility without an overhead covering and shall include the roof level of a multilevel parking structure or ramp.

Outdoor Canopy shall mean a free-standing roof structure without side walls which may or may not be attached to the roof of an adjacent building and which shall include but shall not be limited to canopies over gas station pumps or canopies at convenience stores.

Outdoor Lighting Fixtures shall mean lighting sources which are electrically powered illuminating devices, lighted or reflective surfaces, lamps and similar devices, permanently installed or portable, used for illumination or for advertisement. Such devices shall include, but are not limited to, searchlights, spotlights, floodlights, streetlights, sign lights, security lights, wall lights, porch lights, area lights, parking area lights, sports lights and sign panels.

Outdoor Merchandizing Area shall mean car sales lots, equipment sales lots, retail gasoline stations, garden centers, and other similar areas where products are permanently displayed or dispensed outdoors.

Person shall mean any individual, tenant, lessee, owner, operator, or any public, private, nonprofit, or commercial entity including but not limited to, firm, business, partnership, joint venture, association, corporation, municipality, agency or governmental agency.

Residential Site shall mean a single parcel in a residential zone containing a residential structure of one or more dwelling units with a parking facility for one (1) or more cars. (Am. by Ord. 13,717, 10-26-04)

Shielded or Cutoff Lighting Fixtures shall mean outdoor lighting fixtures that utilize flat, clear lenses with no refractorizing elements and which operate in a horizontal position with nonadjustable mounting hardware or brackets. Such fixtures distribute light by means of an internal reflector only. The light source is totally concealed by the fixture

housing when the position of observation is at an angle less than fifteen degrees (15°) above horizontal. No light is permitted at an angle more than four degrees (4°) above horizontal. (Am. by Ord. 13,717, 10-26-04)

Uniformity Ratio shall mean the ratio between the average illumination and the minimum illumination as determined by measurements taken on a four-foot grid throughout the area to be lighted.

(3) General Requirements.

(a) All outdoor lighting fixtures installed and thereafter maintained upon private or public residential, commercial, industrial and other nonresidential property shall comply with the following:

1. The maximum allowable light trespass shall be 0.5 horizontal footcandles four (4) feet above the ground. The point of measurement of this offending light shall be at any point at the outer wall of an adjacent building occupied for residential or public use, or at any point greater than 10 feet from the adjacent lot line. This measurement shall not include any ambient, natural light.

2. All fixtures greater than 1,000 initial lumens (equivalent to 70 watts incandescent) shall be full cutoff, or shall be shielded or installed so that there is not a direct line of sight between the light source or its reflection and a point five (5) feet or higher above the ground at the property boundary. The light source shall not be of such intensity so as to cause discomfort or annoyance.

3. Any outdoor lighting fixture installed on a parking lot, parking structure or outdoor merchandizing area shall use either high-pressure sodium, metal halide, fluorescent lamps, or any other lamps that produce thirty (30) or more lumens per watt. The lighting system shall be extinguished or reduced to fifty percent (50%) no later than thirty (30) minutes after the close of business for the day or after the end of normal office hours for the majority of employees. (Am. by ORD-07-00032, 3-22-07; ORD-15-00060, 6-10-15)

4. All lamp types utilized for search lighting and/or spot lighting for advertising purposes shall not be operated past 11:00 P.M.

(b) All outdoor lighting fixtures installed prior to March 30, 1993 shall be exempt from this ordinance except as follows:

1. If any modifications, construction or changes to an existing outdoor lighting fixture system is proposed to fifty percent (50%) or more of the total number of fixtures, then all fixtures shall comply with the provisions of this ordinance.

2. All outdoor lighting fixtures installed on residential parking facilities irrespective of installation date shall conform to subsection (4)(c) herein.

(c) All outdoor lighting fixtures shall be maintained according to approved plans.

(d) Trees and shrubbery shall not be located where they significantly reduce or block the lighting of parking facilities or roadways.

(e) Outdoor lighting fixtures may be used to illuminate buildings and structures; recreational areas, sports fields and courts; parking lots; parking structures, garages, or ramps; landscape areas; outdoor merchandizing areas; building overheads and open canopies. Outdoor lighting fixtures may be installed to provide building and parking lot security.

(Am. by Ord. 13,717, 10-26-04)

(4) Specific Design Requirements.

(a) A lighting system for parking facilities and outdoor merchandizing areas in commercial, industrial, agricultural and recreational areas shall be designed to provide the lighting intensities and uniformities described as follows:

1. Open Parking Facilities. The illumination requirements of an open parking facility depend on the amount of usage the facility receives. Three levels of activity shall be established as High, Medium and Low, reflecting both traffic and pedestrian activity. The following examples are nonexclusive and include:

a. High Activity: Facilities for major or league athletic events or major cultural or civic events.

b. Medium Activity: Shopping centers, retail parking areas, hospital and clinic parking areas, transportation parking (airports, commuter lots, etc.), cultural, civic or recreational events, and fast food facilities.

c. Low Activity: Employee parking, educational facility parking, office parks and church parking.

2. Horizontal Illuminances for Parking Facilities.

a. Open Parking Facilities.

[1]Not mandatory within 4 feet of the pavement edge.

[2]Not mandatory for driveways.

[3]Watts shall mean lamp wattage and ballast consumption.

(b) An outdoor lighting system for illuminating buildings and structures shall have a maximum connected lighting load of five (5) watts per lineal foot. Watts shall mean lamp wattage and ballast consumption. Such lighting shall be shielded or installed so as to illuminate the building, and not the sky.

(c) A parking facility for more than three (3) cars on a residential site shall be lighted to provide at least .25 footcandles on any surface with an average illumination level of at least .75 footcandles. Outdoor light fixtures shall be designed and installed to

minimize light trespass. In addition, the uniformity ratio between the average illumination and minimum illumination shall be no greater than 4:1. (Am. by ORD-05-00055, 4-6-05)

(d) For an outdoor merchandizing area, the maximum initial illumination level in 75% of the lot shall not exceed 20 footcandles. A contiguous area not to exceed 25% of the lot may be illuminated to a level which shall not exceed 40 footcandles.

(e) The maximum initial illumination level under an outdoor canopy shall not exceed 50 footcandles at any point.

(Am. by Ord. 13,717, 10-26-04)

(5) Approval Procedures.

(a) Any person desiring to install outdoor lighting fixtures greater than 1,000 initial lumens shall submit to the Building Inspection Division for review the following materials:

1. A catalog page, cut sheet or photograph of the lighting fixtures including the mounting method.
2. A photometric data test report of the proposed lighting fixture graphically showing the lighting distribution in all angles vertically and horizontally around the fixture.
3. A plot plan showing the location of all outdoor lighting fixtures proposed, the mounting or installation height, the overall initial illumination levels and uniformities and the point where 0.5 horizontal footcandles occurs on the property or adjacent property at a distance four (4) feet above the ground. This may be accomplished by means of an isolux curve or computer printout projecting the illumination levels.
4. A graphic depiction of the lighting fixture's lamp concealment and light cutoff angles.

(Am. by Ord. 13,717, 10-26-04; ORD-08-00109, 10-7-08)

(b) Upon review of the material described above, the Building Inspection Division may authorize the installation of outdoor lighting fixtures. (Am. by ORD-08-00109, 10-7-08)

(6) Administrative Exemption.

(a) Any person may submit a written request to the Building and Fire Code Review and Appeals Board for an administrative exemption from the requirements of this ordinance. The basis for an administrative exemption shall be any one or more of the following reasons: the provisions of the ordinance do not fully apply; the application of the ordinance may cause a manifest injustice to be done; the compliance time required for compliance with the ordinance is unreasonable; an alternate plan for outdoor lighting is equally good or better than standards set by the ordinance. The request shall state fully the circumstances and conditions relied upon as the basis for an administrative exemption and shall be accompanied by plans and legal description of the property involved. In addition, the request shall contain the following information:

1. Name, address and telephone number of the applicant.
2. Location of the outdoor lighting fixtures for which the exemption is requested.
3. The nature of the circumstances which necessitate the exemption.
4. Use of the outdoor lighting fixture involved.
5. All description data as called for in subsection (5) herein.
6. Such other data and information as may be required by the Board.

(b) In considering whether to grant the request for an administrative exemption from the ordinance, the Building and Fire Code Review and Appeals Board may consider the following factors:

1. Special circumstances or conditions applying to the land, building or outdoor lighting fixture for which the exemption is sought;
2. Deprivation to the applicant of the reasonable use of the land, buildings or outdoor lighting fixtures that strict application of the ordinance may cause;
3. The effect of the granting of the exemption on the public welfare.

(7) Penalties. Any person violating the provisions of this ordinance shall be fined not less than twenty-five dollars ($25) nor more than two hundred dollars ($200) and each day of continued violation shall constitute a separate offense.

(Sec. 10.085 Cr. by Ord. 10,631, Adopted 3-30-93)

10.09 CONSTRUCTION, RECONSTRUCTION AND REPAIR OF SIDEWALKS, TERRACES, CURBS AND GUTTERS.

(1) Construction, Reconstruction, and Repair of Sidewalks. The provisions of Wis. Stat. § 66.0907 relating to the construction and repair of sidewalks are hereby adopted by reference thereto, except that in every case of sidewalk repair or reconstruction the proportion of such cost shall be paid fifty percent (50%) by the City and fifty percent (50%) by the abutting property owners.

(2) Reconstruction. and Repair of Curbs and Gutters. The provisions of Wis. Stat. § 66.0703(1) or Wis. Stat. § 66.0701 and these ordinances shall be followed as a police power action in the case of reconstruction and repair of concrete curb and gutter except that property deemed benefited by said reconstruction and repair shall be paid for fifty percent (50%) by the City and fifty percent (50%) by the benefited properties. (Am. by Ord. 10,182, 1-31-91) (Am. by Ord. 8080, 7-14-83)

(3) Property Owner Initiated Repairs or Reconstruction. Subject to any other permitting requirements of these ordinances that may apply, property owners may repair or reconstruct, or cause to be repaired or reconstructed, defective public sidewalks, curbs and/or gutters abutting their property. The work must be approved by the City Engineering Division prior to the start of construction, and all work must meet the City's standard specifications for concrete and concrete structures. Private contractors completing the work on behalf of the property owner must hold a current City of Madison Concrete Layers License issued under Sec. 9.20(1)(a).

(4) Sidewalk Repair or Replacement Rebate. Once the final work is approved and accepted by the City Engineer, property owners proceeding under subsection (3) shall be reimbursed a portion of the cost to perform this work. The reimbursement amount (rebate) shall be approximately one-third (⅓) the cost of an average sidewalk and curb & gutter citywide installation and repair contract prices for the amount of sidewalk, and/or curb and gutter being repaired or reconstructed by the property owner. The rebate amounts shall be established by the Board of Public Works. The rebate shall not be offered in a year that the property is scheduled for sidewalk repairs as part of the City's sidewalk repair and rehabilitation program. (Cr. by ORD-12-00070, 5-24-12)

(5) Permit Required. No person, partnership, firm, corporation or organization may construct or lay any concrete sidewalk, concrete terrace, concrete curb and gutter, asphalt curb and gutter, or landscape pavers within the public right-of-way without obtaining a permit from the City Engineer prior to performing the work. The permit fee shall be twenty-five ($25) dollars. All permittees shall comply with all the rules, regulations, and specifications adopted by the Common Council or made by the City Engineer in relation to the work performed and shall pay all damages, costs and expenses caused by his/her negligence, or occasioned by his/her failure to comply with such rules, regulations, and specifications.

(Am. by ORD-15-00006, 1-14-15)

10.10 INSTALLATION OF STREET TREES.

(1) It shall be the policy of the City of Madison to promote and enhance the beauty and general welfare of the City through the planting and maintenance of trees or shrubs within the public right-of-way of any street, alley or highway. The City Forester shall direct, regulate and control the planting, care and removal of all public trees and shrubs within the City subject to the direction of the Superintendent of Parks and the Board of Public Works and the Board of Park Commissioners.

(2) Diseased or destroyed street trees shall be replaced by the City, provided that adequate space for tree growth is available and subject to availability of funds. The replacement of diseased or destroyed trees shall not be assessed to the abutting property owner.

(3) The full cost, including inspection and supervision, of the initial installation of street trees shall be assessed to the abutting properties providing that the abutting properties have not been denied access to the right-of-way in which the street trees are installed. Assessment for street trees shall be in accordance with Wis. Stat. § 66.0701 and this ordinance, except where street trees are installed as a part of a street improvement project in which case Sec. 4.09, MGO, shall govern. The maintenance of street trees shall be the responsibility of the City.

(4) When the City Forester proposes the installation of street trees assessed to abutting properties he/she shall prepare a report listing the street trees to be planted, their location and a schedule of assessments.

(5) A notice shall be published in the official newspaper stating that the City Forester proposes to plant and assess street trees to each of the benefited properties and that the Board of Public Works will hold public hearings on the selection, planting and assessments. Such notice shall be published as a Class 1 notice, under Wis. Stat. ch. 985, ten (10) days before the hearing or proceeding, to every interested person whose post office address is known, or can be ascertained with reasonable diligence. The hearing shall commence not less than ten (10), and not more than forty (40) days after such publication. (Am. by ORD-10-00114, 12-8-10)

(6) The Board of Public Works shall hold a public hearing on the planting of trees and assessments and shall prepare a report to the Common Council which shall consist of a recommendation on the City Forester's report.

(7) A notice shall be published in the official newspaper stating that the Board of Public Works has prepared a report on the City Forester's Report and that the Common Council will hold a public hearing on the assessments. Such notice shall be published as a Class 1 notice, under Wis. Stat. ch. 985, in the City and a copy of such notice shall be mailed at least ten (10) days before the hearing or proceeding, to every interested person whose post office address is known, or can be ascertained with reasonable diligence. The hearing shall commence not less than ten (10) and not more than forty (40) days after such publication.

(8) The Common Council shall hold a public hearing on the assessments and after the hearing may approve, disapprove or modify, or it may re-refer the report to the Board of Public Works with such directions as it deems necessary to change the plans for the tree planting and to accomplish a fair and equitable assessment.

Upon adoption by the Common Council, the assessments shall be deemed authorized and made, and the date of such adoption shall constitute the date of levy. Assessments so levied shall be a lien against the property from such date. A copy of the resolution adopted by the Common Council shall be mailed to every interested person whose post office address is known or can be ascertained with reasonable diligence.

(Am. by Ord. 8798, 2-27-86)

(9) After the project is completed and all costs have been charged to the project, the City Forester shall modify each special assessment proportionately based on actual cost sustained and submit a revised schedule of assessments to the Common Council.

Whenever the actual cost of any project shall, upon completion or after the receipt of bids, be found to vary materially from the estimates, or whenever any assessment is void

or invalid for any reason, or whenever the Common Council shall determine to reconsider and reopen any assessment, it may, after giving notice as provided in Subsection (7) and after a public hearing, amend, cancel, or confirm any such prior assessment.

If the cost of the project shall be less than the special assessment levied, the governing body, without notice or hearing, shall reduce each special assessment proportionately where any assessments have been paid, the excess over cost shall be refunded to the property owner.

(Am. by Ord. 8798, 2-27-86)

(10) Any person against whose land a special assessment has been levied under this ordinance shall have the right to appeal therefrom in the manner prescribed in Wis. Stat. § 66.0703(12), within forty (40) days of the day of the final determination of the governing body.

(11) The Council may, without any notice or hearing provided in Subsections (5), (6), (7) and (8), levy and assess the whole or any part of the cost of installation of street trees as a special assessment upon the property specially benefited thereby whenever notice and hearing thereon is in writing waived by all the owners of property affected by such special assessment.

(12) Special assessments for the installation of street trees shall be payable in installments as provided by Section 4.08 of the Madison General Ordinances. (Cr. by Ord. 6224, 4-27-78)

(Am. by ORD-12-00052, 4-25-12)

10.101 REGULATION OF TREE TRIMMING, PRUNING AND REMOVAL WITHIN THE PUBLIC RIGHT-OF-WAY OF ANY STREET, ALLEY OR HIGHWAY.

(1) Intent and Purpose.

(a) The intent of this ordinance is to regulate the trimming, pruning and removal of trees in an effort to preserve the health and maintain the natural shape of such trees, and to prevent trimming, pruning and removal that is unnecessarily disfiguring and/or destructive, and to give property owners notice of, and an opportunity to contest, proposed tree trimming, pruning and/or removal operations.

(b) Exemptions. This ordinance is not intended to apply to the trimming, pruning or removal of trees under the following circumstances:

1. When the trees in the public street, alley, highway, or greenway are encroaching on an abutting property owner's property;
2. When the trimming or pruning is being performed by the City of Madison Departments of Public Works or Transportation or employees of those departments as those departments work under the direction of the City Forester who has established policies and procedures for trimming, pruning and removal;
3. When the trimming or pruning is in relation to routine installation (e.g. cable television, telephone, etc.), the installer shall not be required to obtain a permit, but must meet the standards in this ordinance and the standards of the city Forester in performing such work.
4. When the trimming, pruning or removal is by an individual property owner, the City Forester retains his or her discretion to issue individual permits for trimming, pruning or removal in the public right of way when such trimming meets the guidelines and standards of this ordinance and the City Forester.

(2) Definitions.

Person. Any person, firm, partnership, association, corporation, company or organization of any kind.

Greenway. As defined in Madison General Ordinances, Sec. 16.23(2).

Tree Trimming Plan. Tree Trimming Plan applies to trimming, pruning and removal of trees and includes any trimming and/or pruning of roots.

(3) Permit Required for Trimming, Pruning, and Removal of Trees within the Public Right-of-Way of any Street, Alley, Highway or Greenway.

(a) No person shall trim, prune, or remove any tree that is in a public street, alley, highway or greenway or cause such work to be done by others, without first obtaining a permit from the City Forester. Nothing in this section shall be construed to exempt any person from the requirements of obtaining any additional permits as are required by law.

(b) Any person seeking a permit to trim, prune, or remove a tree in a public street, alley, highway or greenway shall submit a written proposed trimming, pruning or removal plan to the City Forester, setting forth the following:

1. Clear and specific identification of the trees in a public street, alley, highway or greenway which the person is targeting for trimming, pruning, or removal. The identification shall include the name and block number(s) of the street(s) on which the trees are located.
2. A clear and specific statement identifying the dates on which the trimming, pruning, or removal will begin and end.
3. Detail regarding the general nature and character of the proposed trimming, pruning or removal.

The Habitat Stewardship Subcommittee will hold a hearing regarding the proposed Tree Trimming Plan at its first meeting after submission of the plan. (Am. by Ord. 12,807, 4-23-01; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-09-00147, 11-6-09)

(c) Notification. Upon submission of the Tree Trimming Plan to the City Forester, the party submitting the plan shall notify residents within the proposed tree trimming, pruning or removal area, via United States Mail or personal delivery.

The notice shall inform the resident(s) of the proposed date for trimming, pruning or removal, the date on which the Habitat Stewardship Subcommittee will consider the proposed Tree Trimming Plan, and inform the resident that he/she has the opportunity to appear and testify at the meeting of the Habitat Stewardship Subcommittee.

Whichever method is used to effect notification, the party shall submit proof to the Habitat Stewardship Subcommittee that notification was mailed or delivered to the affected residents.

All meetings of the Habitat Stewardship Subcommittee, including all deliberations on a proposed tree trimming plan shall be open to the public. The Subcommittee shall keep minutes of its proceedings, showing the vote for each member upon each question or, if absent or failing to vote, indicating such fact, and shall also keep records of its examination and other official actions, all of which shall be immediately filed in the office of the Park Division and shall be a public record.

The Habitat Stewardship Subcommittee, upon its findings, shall make a recommendation, including the reasons therefore, to the City Forester after the hearing. The recommendation shall be provided to the applicant. (Am. by Ord. 12,807, 4-23-01; ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-09-00147, 11-6-09)

(d) If the City Forester determines that the Tree Trimming Plan is in accordance with the intent and purpose of this ordinance, it will, within 10 days of the hearing at which the plan was considered, authorize the City Clerk to issue a permit to the person submitting the plan. The City Clerk will issue the permit upon submission of the permit fee of fifty dollars ($50.00.) (Am. by Ord. 13,601, 5-11-04)

(e) The permit shall indicate the streets affected by the Tree Trimming Plan and the dates on which the trimming, pruning or removal will occur. The permit will be valid for the streets and dates appearing on the permit, except as provided in

subdivision (e)1. below. Any person trimming, pruning or removing trees outside of the streets or dates specified on the permit will be in violation of this ordinance and subject to penalty.

1. Public utilities and contractors may apply for and obtain, in accordance with this ordinance, an annual forestry permit which will be valid for a period of one (1) year from the date of issue, subject to the following additional conditions:
   a. Provide the City Forester fifteen (15) days advance written notice of work to be performed;
   b. Perform work in conformance with this ordinance and the written guidelines and directives of the City Forester;
   c. Pay an annual forester permit fee of fifty dollars ($50) to the City Clerk's office.
2. The annual forestry permit will be subject to renewal upon reapplication to the City Forester and re-hearing before the Habitat Stewardship Subcommittee. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-09-00147, 11-6-09)

(4) Administration and Enforcement.
   (a) The purpose of this section is to provide for the administration and enforcement of this ordinance.
   (b) This section shall be administered and enforced by the City Forester and designees thereof and in conformity with Madison General Ordinances Sec. 10.101(1).
   (c) Violations of this section shall be brought to the attention of the City Forester.

(5) Emergency Trimming, Pruning or Removal. The above specified notice procedure does not apply when circumstances arise which require immediate action to protect the public from imminent harm, such as sickness, disease, personal injury or property damage. In determining imminent harm, there must be a balancing of the rights of the abutting property owner to notice and appeal procedures with the right of the public to be protected from a risk of harm which could be avoided by prompt action.

(6) Appeals. Any person aggrieved by the administration or interpretation of any of the terms or provisions of this section may appeal to the Board of Park Commissioners by filing a notice of appeal, stating the grounds therefore, with the President of the Park Commission. The Board of Park Commissioners may, after a hearing, with notice to the appellant, reverse, affirm or modify, in whole or in part, the decision or determination of the Habitat Stewardship Subcommittee or the City Forester. The decision of the Board of Park Commissioners shall be a final administrative determination, subject to judicial review as may be provided by law. (Am. by ORD-09-00052, Pub. 4-2-09, Eff. 8-1-09; Am. by ORD-09-00147, 11-6-09)

(7) Penalty.
   (a) Any person who violates the provisions of this section shall, upon conviction, pay a forfeiture of not less than twenty-five dollars ($25) nor more than five hundred dollars ($500). Each day during which any violation of the provisions of this section shall occur or continue shall constitute a separate offense.
   (b) If, as the result of a violation of any provision of this section, the injury, mutilation, or death of a tree located within the public right-of-way of any street, alley, highway or greenway is caused, the cost of repair and replacement of such tree shall be the responsibility of the person in violation. The replacement value of trees shall be determined in accordance with the most recent edition of A Guide to Plant Appraisal published by the International Society of Arboriculture.

(Sec. 10.101 Cr. by Ord. 12,106, 4-20-98; Am. by Ord. 12,253, 11-17-98; ORD-13-00117, 6-26-13)

10.11 TEARING UP PAVEMENT, ETC. Any person who shall injure or tear up any pavement, sidewalk or crosswalk or any part thereof, or shall dig any hole, ditch or drain in any street,

pavement or sidewalk, without a written permit therefor as provided in this chapter, or who shall hinder or obstruct the authorized making or repair of any pavement, sidewalk or crosswalk, or other public improvement, shall be subject to a fine of not less than fifty dollars ($50) nor more than five hundred dollars ($500). (Am. by Ord. 13,760, Adopted 12-14-04)

10.12 PROHIBITING TRACTION ENGINES ON CERTAIN STREETS. No person shall propel or move or cause to be propelled or moved any traction engine or similar machinery having cogs, spikes or other projection on the outer circumference of wheels over or along any street or alley which has been paved with brick, macadam, asphalt or other pavement without first having obtained a permit therefor from the Street Commissioner (Superintendent of Sanitation). The Street Commissioner (Superintendent of Sanitation) is authorized to grant a permit in writing to propel or move a traction engine or similar machinery over paved streets or alleys in case any such engine or other machinery cannot be moved or propelled to its destination over streets or alleys that are not paved, and the Street Commissioner (Superintendent of Sanitation) shall designate in such permit the streets or alleys or portions thereof over or along which any such traction engine or similar machinery may be propelled or moved, provided that when any such traction engine or similar machinery is moved over or along streets paved with sheet asphalt, asphalt macadam, block or brick pavement, planks shall be placed on the street in a manner satisfactory to the Street Commissioner (Superintendent of Sanitation) and the machinery propelled or moved over the planks in order to protect the pavement from injury.

10.13 MACHINERY NOT TO BE PROPELLED ON STREETS FOR EXHIBITION PURPOSES. Machinery shall not be drawn or operated upon the streets for the purpose of exhibition.

10.14 WHEELS NOT TO BE LOCKED. No person shall use any wheeled vehicle upon any macadamized street with any wheel thereof locked or fastened so that the same will not turn.

10.15 CURB CUTS AND DRIVEWAY APPROACHES.

(1) No driveway approach, as defined in Sec. 10.08 of the Madison General Ordinances, shall be constructed between the curb and gutter and property line on any street unless the entire combined curb and gutter shall first have been removed, and the same replaced with a curb cut and a driveway gutter which shall be constructed separate from the driveway approach.

Curb cuts and driveway gutters shall be constructed in accordance with the above, or in accordance with the requirements of those alternative methods as specified in the City of Madison Standard Specifications for Public Works Construction and all addenda and supplements thereto.

(2) No person shall construct or maintain any plank, metal, or other type of access to any driveway approach or alley across any gutter on any street, unless permitted to do so by the Common Council. All such approaches on paved streets heretofore constructed and now maintained contrary to the provisions of this section shall be removed by the Street Superintendent if not removed by the owner after ten (10) days written notice given by said Street Superintendent.

(3) All curb cuts and driveway approaches, excepting those specifically authorized by the Common Council, shall be made only by contractors qualified for such work by the Board of Public Works. Any property owner desiring a curb cut or a driveway approach or both shall file a written request for the same in accordance with the requirements of Sec. 10.08 of the Madison General Ordinances. If the work is to be done by an officially designated contractor, the property owner shall pay the cost of the work to the City Treasurer, the amount to be determined by the City Engineer on the basis of the contract between the City of Madison and the officially designated contractor, and the City Engineer shall direct the officially designated contractor to undertake and complete such work. The City Engineer shall keep an accurate account of the expense of installing curb cuts and

driveway approaches in front of each parcel of land served by such curb cuts or driveway approaches, shall report the same to the Finance Director, shall authorize payments to the officially designated contractor in accordance with the terms of his/her contract with the City, and shall authorize the Finance Director to bill the owner of the parcel of land served by such curb cuts and driveway approaches the actual cost of the work. (Am. by Ord. 8762, 12-31-85; Am. by ORD-11-00037, 3-8-11; ORD-14-00012, 1-14-14)

(Sec. 10.15 Am. by Ord. 6969, 4-30-80)

10.16 DEPOSIT OF INOPERABLE VEHICLES PROHIBITED.

(1) It shall be unlawful for a property or business owner or operator to deposit or cause to be deposited any vehicle parts or any vehicle that reasonably appears to be inoperable or in a state of substantial disrepair upon any portion of the highway adjacent to his/her real property or place of business. A vehicle or vehicle parts deposited on the highway shall be considered "adjacent" if it is upon a portion of the highway that directly abuts or is within 500 feet in any direction of the real property or place of business in question.

(2) Any person who violates Subsection (1) above shall, upon conviction, be subject to a forfeiture of not less than fifty dollars ($50) and not more than five-hundred dollars ($500) plus applicable costs. Each day or portion thereof that a violation exists or continues shall be considered a separate offense.

(Cr. by Ord. 13,325, 5-28-03)

10.17 DEPOSIT OF RUBBISH AND THROWING OF GLASS ON STREETS PROHIBITED. No person shall deposit any brine, salt, grass, leaves or other rubbish in any street or gutter in the City, and no person shall deposit or permit to be deposited in or upon any street, alley, driveway, sidewalk or public park or in or upon any road or pleasure drive which is under the police jurisdiction of the City any glass, crockery, nails, tacks, pieces of metal, wire briar, thorn, broken stone or other articles liable to injure any person or the wheels or tires of vehicles, except as permitted in the following section. (Am. by Ord. 13,319, 5-28-03)

10.18 COLLECTION OF REFUSE AND RECYCLING OF WASTE.

(1) Collection of rubbish and refuse in the City of Madison shall be in accordance with rules, procedures, and schedules as specified by the Street Superintendent. The Street Superintendent shall designate the days on which rubbish will be collected in the various districts of the City of Madison, which said rubbish collection day shall be kept as nearly uniform as possible for the various districts. No rubbish or refuse to be collected by the City shall be deposited upon the terrace of any street within the City of Madison more than twelve (12) hours before the date designated by the Street Superintendent for rubbish collection in the district in which said premises are located. Every owner or operator shall be responsible for maintaining all property in accordance with the requirements of this subsection.

(2) Deposit of Material in Gutter Prohibited. No material shall be placed in any gutter by any person so as to obstruct the flow of water therein unless such person shall provide a suitable culvert so as to provide for the free and unobstructed flow of water.

(3) Sidewalks and Roadways Not to Be Obstructed. No material shall be placed by any person upon any sidewalk or crosswalk, or upon any roadway. (Am. by Ord. 13,319, 5-28-03)

(4) Damages Caused by Deposit of Rubbish. Any person depositing material in the streets of the City of Madison shall be liable for all damages which may accrue to the public due to the presence of such rubbish or material in the streets. (Am. by Ord. 13,319, 5-28-03)

(5) Persons Who May Collect Rubbish and Refuse. No person, unless she/he has a contract with the City of Madison permitting her/him to collect and remove rubbish and refuse, or unless she/he be a City employee acting under the direction of the Common Council and the Street Superintendent shall collect or remove any rubbish or refuse which has been deposited or placed by any person on the terrace adjoining her/his premises for collection

by the City as herein provided, except that nonprofit organizations may collect household furnishings that have been deposited or placed on the terrace for disposal during daylight hours between May 15 to May 31 and August 15 to August 31. "Person" as used in this section includes individuals, partnerships, associations and bodies politic or corporate. (Am. by Ord. 13,319, 5-28-03)

(6) No owner or operator shall allow a rubbish or refuse container to remain on the terrace of the street in front of her/his premises for more than twenty-four (24) hours after the date designated by the Street Superintendent for rubbish collection in the district in which said premises are located. (Am. by Ord. 13,319, 5-28-03)

(7) Separation of Solid Waste Required.

(a) Definitions:

1. Brush is defined as bushes, tree limbs and branches, and other woodlike trimmings. Rosebush trimmings are considered to be brush.
2. Appliances shall include air compressors, air conditioners, copiers, dehumidifiers, dishwashers, dryers, fluorescent light fixtures, freezers, furnaces, garbage disposals, large commercial appliances, microwave ovens, ovens, ranges, refrigerators, stoves, trash compactors, washers, water heaters, water softeners and wood stoves. (Am. by Ord. 11,170, 2-14-95)
3. Magazines shall mean magazines and other materials printed on similar paper.
4. Newsprint means that portion of newspapers or periodicals which remain in substantially original condition at the time of disposal such that the material is suitable for commercial grade recycling. Newsprint does not include the paper commonly used in the production of magazines, books, and other physical media for written material, or paper which is not suitable for recycling purposes or is in a state which makes separation unreasonable or unduly expensive, for reasons which include, but are not limited to, the following:
   a. The paper has been put to another use, such as wrappings for other wastes, and is thus rendered unfit for commercial recycling;
   b. The paper is no longer flat and folded to the approximate dimensions of its original condition;
   c. The paper is mixed in with commercial or municipal litter or refuse as a result of the failure of resident or business invitees to separate newspapers from other discarded materials outdoors or in publicly accessible areas of buildings; (Am. by ORD-17-00030, 3-8-17)
   d. The paper has been damaged or altered by any other means so as to make recycling impossible or unduly difficult.
5. Office paper shall mean high grade printing and writing papers from offices in nonresidential facilities and properties.
6. Solid Waste shall mean garbage, refuse and all other discarded or salvageable solid materials, including solid waste materials resulting from industrial, commercial and agricultural operations, and from domestic use and public service facilities, but does not include solids or dissolved materials in wastewater effluents or other water pollutants. Solid waste shall include microwave ovens from which the capacitor has been removed.
7. Yard Waste shall mean leaves, grass clippings, garden and other organic yard debris.
8. Directories shall mean any publication that lists names, addresses, telephone numbers or other similar contact information of people, businesses, members, employees, or other similar categories. In this subsection, this

definition only applies to those directories capable of being recycled by the City of Madison, as determined by the Street Superintendent or designee. (Cr. by ORD-11-00043, 3-23-11)

(b) Applicability and Enforcement of Ordinance.

1. Subsections (7), (8), (9), (10) and (11) of Section 10.18 shall apply to all persons and entities who, directly or through the services of the City of Madison or another third party, dispose of or attempt to dispose of solid wastes at any Dane County-owned landfill or at any other landfill located in the City of Madison and includes all persons, governmental operations and business, commercial, retail and industrial enterprises however organized and of whatever type. (Am. by Ord. 11,170, 2-14-95)

2. Owner Responsibility. Every owner or operator of multi-family dwellings, commercial, retail, industrial, governmental, and public service facilities shall be responsible for maintaining an effective means for tenants to comply with the requirements of this subsection (7), except for subdivision (f). In addition each owner or operator shall at the commencement of a tenant's move to the premises and each 6 months thereafter notify the tenants of the City and County recycling requirements. (Am. by ORD-09-00102, 7-2-09)

3. Pursuant to Wis. Admin. Code § NR 544.04(9) and NR 544.06(2)(e), the City of Madison shall use any lawful means to adequately enforce the requirements of its recycling program including but not limited to inspections to ascertain proper separation, preparation, and collection of recyclable materials and proper disposition of all solid waste including recyclables, education and information programs, and the issuance of citations for violations of any section of this ordinance.

(c) (R. by ORD-11-00043, 3-23-11)

(d) Yard Waste.

1. Prohibited Yard Waste and Brush Disposal. No person shall:

a. Mix or permit the mixing of yard waste or brush with solid waste for landfill disposal at any Dane County-owned landfill or at any other landfill located in the City of Madison, or for City curbside garbage collection or place or permit the placing of yard waste or brush out for City curbside garbage collection;

b. Deposit yard waste or brush at any Dane County-owned landfill or at any other landfill located in the City of Madison at any time or at any authorized yard waste, brush or compost site while the site is closed;

c. Deposit yard waste or brush in or upon any public street, water, or grounds in the City of Madison, except that, on streets where a public works project was completed in a calendar year and pursuant to the directives of the Street Superintendent, the adjoining property owner shall be allowed during that calendar year only to bag their yard waste and place the bags upon the public street immediately adjacent to the curb for pick up by the Streets Division. This limited exception shall solely apply during the calendar year of the completed public works project in an effort to allow the disturbed terraces to stabilize and revegetate. Bags placed in the street under this exception shall not be a violation of any other provision of this section. (Am. by ORD-06-00176, 12-8-06; ORD-12-00061, 5-9-12)

d. Deposit yard waste or brush at any Dane County-owned landfill or at any other landfill or collection site located in the City of Madison unless that person is a resident of the City or otherwise authorized user of the site.

2. Permitted Yard Waste Disposal. It shall be lawful for any City of Madison resident or other lawfully authorized user to:
   a. Deposit yard waste at any authorized City of Madison yard waste drop-off sites or any authorized compost sites while such authorized sites are open;
   b. Compost yard waste in accordance with Section 7.361;
   c. Deposit grass clippings, leaves and garden debris at curbside to be collected by the City during a fall and spring collection of yard waste.

3. Permitted Brush Disposal. It shall be lawful for any City of Madison resident or other lawfully authorized user to:
   a. Deposit brush at any authorized City of Madison brush drop-off site while such authorized sites are open.
   b. Deposit brush at curbside to be collected by the City according to the published brush collection schedule.
   c. Deposit holiday trees at curbside to be collected by the City during the special January collection period.

4. Owner Responsibility. Every owner or operator shall be responsible for maintaining all property under her/his control in accordance with the requirements of this subsection. (Am. by ORD-14-00012, 1-14-14)

(e) Recyclable Waste. Every person disposing of newsprint, yard waste, office paper, directories, waste oil, magazines, tires, lead-acid batteries, appliances, televisions, computer monitors, laptop or desktop computers, CPUs, barrels and drum containers, corrugated cardboard, ferrous metal cans and containers, aluminum cans, glass bottles and jars, and HDPE and PETE plastic containers in the City of Madison shall separate such items from all other solid waste materials, shall recycle such separated items as provided herein and shall not place such separated items in containers for disposal with other refuse or garbage. (Am. by Ord. 11,170, 2-14-95; ORD-11-00043, 3-23-11; ORD-12-00085, 6-26-12)

1. For persons served by regular City refuse collection, except for waste oil, lead acid batteries, appliances, televisions, computer monitors, laptop or desktop computers, CPUs, barrels and drum containers, corrugated cardboard, ferrous metal cans and containers, aluminum cans, glass barrels and drum containers, the above-listed recyclable items shall be separated and placed at the curb in accordance with the rules, procedures and schedules specified by the Street Superintendent, or such recyclable items may be disposed of by such persons in any other lawful manner. No person shall mix or permit the mixing of said recyclables with garbage or other solid waste in violation of such City rules, procedures or schedules. (Am. by ORD-12-00085, 6-26-12)

2. No person shall deposit or abandon any waste oil, lead acid batteries, or barrel or drum container in or upon any public street, alley, grounds or waters. Waste oil, lead acid batteries, barrels and drum containers shall be disposed of in a lawful manner. No person shall deposit waste oil, lead acid batteries, barrels and drum containers at City of Madison drop-off sites, nor curbside for pickup by the City of Madison.

3. All other persons subject to this ordinance as Dane County-owned or private landfill users shall facilitate and provide for separation and recycling of the above-listed items in a manner conducive to the recycling

of said items. Owners of multifamily dwellings, commercial, retail, industrial, governmental and public service facilities shall place and maintain adequate separate containers in convenient locations for use by tenants, employees, customers and guests for the collection of said recyclable items and shall make arrangements for the recycling of such collected items by public or private means, or such material may be disposed of by said owners in any other lawful manner.

4. Private refuse haulers shall not commingle separate recyclables into containers used for or containing garbage or other refuse, but shall maintain recyclables separately so as not to destroy their value for recycling, and shall not dispose of solid waste containing the above-listed recyclables in any Dane County-owned or other landfill located in the City of Madison until said recyclables have been separated from the non-recyclable waste and properly disposed of for recycling.
5. Landfill owners and operators shall not dispose of solid waste containing the above-listed recyclables in any landfill located in the City of Madison until said recyclables have been separated from the non-recyclable waste and properly disposed of for recycling.
6. No person shall deposit any of the above-listed recyclables at any Dane County-owned landfill or at any other landfill located in the City of Madison at any time, unless deposited in designated separate containers or locations within the landfill for purposes of recycling. No person shall deposit such recyclables at any authorized recycling center or site while the site is closed.
7. No person shall deposit said recyclable items in or upon any public street, water or grounds in the City of Madison, except for authorized curbside collection or at an authorized public recycling deposit site.

(f) Plastic Bags.

1. Purpose. Each year, it is estimated that the average American uses 330 plastic bags. Hence, Madison residents will use approximately 74,794,500 plastic bags in 2009. Based upon national averages, only 0.6% of those bags (roughly 448,000) will be recycled, and the rest will eventually end up in the Dane County landfill or as sources of land and water based litter. Plastic bags are generally not biodegradable and instead rely upon photodegration to break down. This is problematic in landfills where light is not able to break down the plastic film, leading to an estimated five hundred (500) year breakdown period. Furthermore, while plastic bags will break down into smaller toxic parts when in water, these smaller parts can be harmful to fish, birds, amphibians, and other water based organisms. While plastic bags are generally not biodegradable, they can be recycled and used for durable building and construction products, fencing and deck materials, and new plastic bags. In the Madison area, there is a market for the recycling of clean plastic bags, and many retailers who provide these bags offer recycling bins for use by customers. By banning the disposal of non-contaminated recyclable plastic bags, the City hopes to reduce the negative impacts on the environment associated with plastic bags to save space in the County landfill and protect our lands and waters from the negative impacts associated with plastic bags.
2. Definitions. For the purposes of this subdivision, the following definitions apply:
   a. Contaminated plastic bag means any plastic bag that has been in direct contact with, and remains soiled by, organic or non-organic materials. Plastic bags that contain any solid waste are contaminated for the purposes of this ordinance.

b. Plastic bag shall mean any bag intended for the transportation, storage, or protection of goods that is made, in part, of plastic film. A plastic bag is not the same as a plastic container, as that term is used elsewhere in this subsection.

c. Recyclable plastic bag means any plastic bag that is able to be recycled, or bundled for recycling purposes, in the Madison area, and includes all those types of plastic bags set forth by the Street Superintendent or designee.

3. Every person disposing, or attempting to dispose of non-contaminated recyclable plastic bags in the City of Madison shall separate such items from all other solid waste materials and not place them in containers for disposal with other refuse, garbage or recycling materials.

4. Non-contaminated recyclable plastic bags shall be separated and recycled in accordance with the rules, procedures and schedules specified by the Street Superintendent, or such items may be disposed of in any other lawful manner, including through merchant provided drop off locations. No person shall mix or permit the mixing of non-contaminated recyclable plastic bags with garbage or other solid waste in violation of such City rules, procedures or schedules.

5. Non-contaminated recyclable plastic bags subject to this provision, and capable of being recycled, include:

a. Low density polyethylene bags (LDPE #4). These bags are made of plastic films with high clarity, and moderate stretch and strength characteristics. Such bags include thicker newspaper bags and bread bags.

b. Linear low density polyethylene bags (LLDPE #4). These bags are made of plastic films with moderate clarity that are stretchy and have a slightly tacky feel. Such bags include clear and thin newspaper bags, as well as dry cleaning bags.

c. Medium density polyethylene bags (MDPE #4). These bags are made of plastic films with moderate clarity, and poor stretch and strength characteristics. Such bags include consumer packaging bags such as toilet paper and paper towel packaging.

d. High density polyethylene bags (HDPE #2). These bags are made of plastic films with some opacity, that are crinkly to the touch, have low stretch and high strength characteristics, and are easily torn. Such bags include most grocery bags and retail bags.

6. Enforcement. No enforcement of this subdivision by the City will occur until the Streets Superintendent establishes a City-sponsored recycling program for non-contaminated recyclable plastic bags; such program shall be approved by the Common Council by resolution no later than September 1, 2009.

(Sec. 10.18(7)(f) Cr. by ORD-09-00102, 7-2-09)

(8) Restrictions on Landfill Operations.

(a) Landfill owners and operators shall not dispose of newsprint or newspapers in the City of Madison with garbage or other refuse, but shall maintain recyclable newsprint separately so as not to destroy its value for recycling.

(b) On and after February 11, 1991, each municipality which desires to afford its residents, businesses, commercial, retail and governmental entities located within the municipality the opportunity to deposit in any landfill located within the City of Madison any solid waste which originates in or is generated, accumulated or collected in the municipality shall first adopt and provide an effective recycling program requiring landfill users located within the municipality to separate from

all other solid waste, newsprint, yard waste, office paper, waste oil, magazines, tires, lead-acid batteries, appliances, barrels and drum containers, corrugated cardboard, ferrous metal cans and containers, aluminum cans, glass bottles and jars, High Density Polyethylene ("HDPE") and Polyethylene Terephthalate (PETE) plastic containers and provide for the recycling of said items and provide for the safe disposal of all other solid waste. (Am. by Ord. 11,170, 2-14-95)

(c) On and after February 11, 1991, no landfill user shall deposit or cause to be deposited at any landfill located in the City of Madison any newsprint, yard waste, office paper, waste oil, magazines, tires, lead-acid batteries, appliances, barrels and drum containers, corrugated cardboard, ferrous metal cans and containers, aluminum cans, glass bottles and jars, or HDPE and PETE plastic containers, unless such user is a municipality which has in place an effective recycling program approved by the City of Madison Common Council or is an approved private waste hauler which certifies to the Common Council that each of its customers has an effective recycling program. The standards for determining whether a municipal or private program is effective shall be the same as those followed by the Dane County Board and its committees under Section 41.23 of the Dane County Solid Waste Management Ordinance. (Am. by Ord. 11,170, 2-14-95)

(d) If the Dane County Board approves the temporary suspension of the requirements of said Section 41.23 as to certain separated items at all County-owned landfills, the suspension shall automatically apply to any other landfill located in the City of Madison. Nothing in this ordinance shall be construed to require a municipality to operate or contract for a solid waste collection system.

(e) Landfill owners and operators shall not dispose of solid waste containing the above-listed recyclables in any landfill located in the City of Madison until said recyclables have been separated from the non-recyclable waste and properly disposed of for recycling.

(f) No person shall deposit in any Dane County-owned or other landfill located in the City of Madison materials other than as authorized herein and as provided in Wis. Admin. Code ch. NR 544 and Wis. Stat. ch. 159.

(9) Limitations on Collection of Solid Waste.

(a) Unlawful to Remove Recyclable Material. It shall be unlawful for any person, unless under contract with the City of Madison, or unless she/he be a City employee acting under the direction of the Common Council and the Street Superintendent to collect or remove any recyclable newsprint, magazines, glass, plastic, aluminum cans, ferrous metal cans, or corrugated cardboard which has been deposited or placed by any person on the terrace adjoining her/his premises for collection by the City of Madison. (Am. by Ord. 13,319, 5-28-03)

(b) Private refuse haulers shall not place recyclable newsprint which has been collected in separate containers into containers used for or containing garbage or other refuse, but shall maintain recyclable newsprint separately so as not to destroy its value for recycling.

(c) No person shall deposit any of the above-listed recyclables at any Dane County-owned landfill or at any other landfill located in the City of Madison at any time, unless deposited in designated separate containers or locations within the landfill for purposes of recycling. No person shall deposit such recyclables at any authorized recycling center or site while the site is closed.

(d) No person shall deposit said recyclable items in or upon any public street, water or grounds in the City of Madison, except for authorized curbside collection or at an authorized public recycling deposit site.

(e) No person other than a City of Madison resident or otherwise lawfully authorized user shall deposit any recyclable materials at any Dane County-owned or other

collection site located in the City of Madison. No person may bring solid waste from a site outside the City limits and deposit those materials curbside within the City limits for pickup with or without permission from the property owner.

(f) No person shall remove any recyclable items from a private premise, recyclable container or dumpster without the consent of the occupant, owner or lessee of the premise. (Cr. by ORD-09-00072, 5-8-09)

(10) Any retailer that offers for sale fluorescent bulbs, fluorescent tubes or fluorescent lamps or thermostats, bulbs, tubes or lamps containing mercury must comply with the following requirements:

(a) The retailer shall notify customers that these items cannot be accepted at Dane County owned landfills.

(b) The retailer shall offer to accept these items, once used, from the customer. The retailer may require the customer to pay a reasonable recycling fee upon the return of these items.

(c) The retailer shall recycle these items with a licensed recycler.

(d) The retailer shall file a plan illustrating how the retailer will comply with this subsection. This plan shall be filed with the City Recycling Coordinator within ninety (90) days of adoption of this ordinance. (Cr. by Ord. 13,499, 1-23-04)

(11) Appliance Fees.

(a) No appliance shall be placed on any terrace or curbside for collection by the City unless the appliance bears an appliance sticker issued by the Street Superintendent. Every owner shall be responsible for maintaining all her/his property in accordance with this subsection. Fees for such appliance stickers shall be set by the Street Superintendent.

(b) The Street Superintendent shall cause all appliances which have been placed at curbside or on the terrace without an appliance sticker to be removed and disposed of properly. The Street Superintendent shall keep an accurate account of the expenses thereof and report the same to the Finance Director, who shall annually prepare a statement of the expenses so incurred in front of or on each lot or parcel of land and report the same to the City Clerk, and the amount therein charged to each lot or parcel of land shall be entered by said Clerk in the tax roll as a special charge against said lot or parcel of land, and the same shall be collected in all respects like other special charges upon real estate under Wis. Stat. § 66.0627. (Am. by ORD-11-00037, 3-8-11)

(New Sec. 10.18(10) Cr. by Ord. 11,170, 2-14-95; Am. by Ord. 13,319, 5-28-03; Renumb. By Ord. 13,499, 1-23-04; Am. by Ord. 13,638, 6-23-04)

(12) Large Item Fees.

(a) No large item shall be placed on any terrace or curbside for collection by the City unless the large item bears a large item sticker issued by the Street Superintendent. Every owner shall be responsible for maintaining all her/his property in accordance with this subsection. Fees for such large item stickers shall be set by the Street Superintendent.

(b) The Street Superintendent shall cause all large items which have been placed at curbside or on the terrace without a large item sticker to be removed and disposed of properly. The Street Superintendent shall keep an accurate account of the expenses thereof and report the same to the Finance Director, who shall annually prepare a statement of the expenses so incurred in front of or on each lot or parcel of land and report the same to the City Clerk, and the amount therein charged to each lot or parcel of land shall be entered by said Clerk in the tax roll as a special

charge against said lot or parcel of land, and the same shall be collected in all respects like other special charges upon real estate under Wis. Stat. § 66.0627. (Am. by ORD-11-00037, 3-8-11)

(Cr. by Ord. 12,780, 3-13-01; Am. by Ord. 13,319, 5-28-03; Renumbered by Ord. 13,499, 1-23-04; Am. by Ord. 13,638, 6-23-04; Am. by ORD-06-00016, 3-10-06)

(13) Electronics.

(a) No televisions, computer monitors, laptop or desktop computers, or CPUs may be placed or kept on any terrace or curbside for collection by the City. Every owner shall be responsible for maintaining all her/his property in accordance with this subsection. Televisions, computer monitors, laptop or desktop computers, or CPUs must be disposed of at an authorized recycling deposit site or in any other lawful manner. No person shall deposit such recyclables at any authorized recycling center or deposit site while the site is closed. No televisions, computer monitors, laptop or desktop computers, or CPUs shall be deposited at an authorized public recycling site unless the item bears a fee sticker issued by the Street Superintendent. Fees for such stickers shall be set by the Street Superintendent.

(b) The Street Superintendent shall cause all televisions, computer monitors, laptop or desktop computers, or CPUs which have been placed at curbside or on the terrace to be removed and disposed of properly. The Street Superintendent shall keep an accurate account of the expenses thereof and report the same to the Finance Director, who shall annually prepare a statement of the expenses so incurred in front of or on each lot or parcel of land and report the same to the City Clerk, and the amount therein charged to each lot or parcel of land shall be entered by said Clerk in the tax roll as a special charge against said lot or parcel of land, and the same shall be collected in all respects like other special charges upon real estate under Wis. Stat. § 66.0627.

(Sec. 10.18(13) Cr. by ORD-12-00085, 6-26-12)

(14) Penalty.

(a) Any person who violates subsections (7), (9)(a - e) and (10) of Section 10.18 shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than two hundred dollars ($200) for each offense within twelve months and not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for the third and any subsequent violation within any twelve-month period. Each day of violation shall constitute a separate offense. Any person violating Sec. 10.18(7), in addition to any forfeiture, shall be liable for the expense of the removal, testing or separation of any matter deposited contrary to the provisions of this subsection.

(b) Any person who violates Section 10.18(8) shall be subject to a forfeiture of not less than five hundred dollars ($500) nor more than one thousand dollars ($1000) for each offense within a twelve-month period and not less than one thousand dollars ($1000) nor more than five thousand dollars ($5000) for any subsequent offense within a twelve-month period.

(c) Any solid waste containing yard waste in violation of this Section shall be cause for the City's garbage collector to refuse to pick up such solid waste.

(d) Any person who violates Section 10.18(9)(f) shall be subject to a forfeiture of not less than fifty dollars ($50) nor more than five hundred dollars ($500) for each offense. (Cr. by ORD-09-00072, 5-8-09)

(Sec. 10.18(10) Renumb. to (11) by Ord. 11,170, 2-14-95; Renumb. to (12) by Ord. 12,780, 3-13-01; Renumb. and Am. by Ord. 13,499, 1-23-04; Renumb. by ORD-12-00085, 6-26-12)

(15) Severability. Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected. (Sec. 10.18(11) Renumbered to (12) by Ord. 11,170, 2-14-95; Renumb. to (13) by Ord. 12,780, 3-13-01; Renumb. by Ord. 13,499 1-23-04; Renumb. by ORD-12-00085, 6-26-12)

10.185 RECYCLING AND REUSE OF CONSTRUCTION AND DEMOLITION DEBRIS.

(1) Definitions. For the purposes of this section, the following definitions apply:

(a) "Building," "owner," and "person" shall have the meanings ascribed to those terms in Sec. 29.03, MGO.

(b) "City certified construction debris recycling facility" means a facility certified pursuant to guidelines set forth by the Street Superintendent whose practices cause the recycling or reuse of construction and demolition debris consistent with the requirement of this section.

(c) "Commercial" means any use other than residential, including, but not limited to, buildings used for retail purposes, offices, manufacturing, and provision of services.

(d) "Construction" means the assembly of materials to form a new building.

(e) "Construction and demolition debris" means materials resulting from the construction, remodeling, repair and demolition of utilities, structures, buildings, and roads, including but not limited to the following: bricks, concrete, and other masonry materials; soil; rock; wood, including painted, treated, and coated wood and wood products; wall coverings; plaster; drywall; aluminum and vinyl siding; plumbing fixtures; non-asbestos insulation; roofing shingles and other roof coverings; reclaimed asphalt pavement; glass; plastics; electrical wiring, and piping or metals incidental to any of those materials blocks, broken concrete, plaster, wire and wood lath, timbers and wood building products and other similar non-putrescible materials. This term does not include materials that are contaminated by lead, asbestos, or other hazardous materials in such a way as to render recycling illegal or impossible, or materials which the Street Superintendent, from time to time, may indicate are no longer able to be readily recycled or reused in an economically viable manner.

(f) "Contractor" means any person, other than the property owner, who is responsible for the construction, demolition, or remodeling of a building, or any part thereof, and where such work requires the issuance of a building, plumbing, electrical, HVAC or demolition permit under the Madison General Ordinances.

(g) "Demolition" means the demolition or dismantling of a building, but does not include the systematic dismantling of part of a building for alteration, maintenance, remodeling or repair.

(h) The terms "dwelling," "single-family dwelling," and "two-family dwelling" have the meanings ascribed to those terms in Sec. 29.03, MGO. "Three-family dwelling" is a building containing three (3) dwelling units only. "Multi-family dwelling" is a building, or portion thereof, containing four (4) or more dwelling units.

(i) "Recycle" means any process by which construction and demolition debris are diverted from final disposal as solid waste at a permitted landfill and instead are collected, separated and/or processed into raw materials for new, reused or reconstituted products, or for the recovery of materials for energy production processes.

(j) "Recycler" means a recycling facility, transfer station or other waste handling facility approved by the Street Superintendent which accepts construction and demolition debris for recycling or for further transfer to a recycling facility.

(k) "Remodeling" means any improvements or alterations made to a building that do not involve the complete demolition and reconstruction of the building.

(l) "Residential" means a building with one or more dwellings.

(m) "Reuse" means:

1. The on-site use of reprocessed construction and demolition debris including bricks, concrete, other masonry materials, soil, and rock used as fill, if such on-site use is authorized in writing by the Street Superintendent;

2. The off-site redistribution of a material, which would otherwise be disposed of, for use in the same or similar manner; or
3. The use of non-toxic wood as an alternative fuel source.

(n) "Street Superintendent" shall mean the Street Superintendent or his/her designee.

(2) Recycling and Reusing Requirement for Certain Multi-Family Dwellings and Commercial Buildings.

(a) All projects subject to this subsection shall be required to recycle or reuse construction or demolition debris produced on site as part of construction or demolition permit activities by meeting the following requirements:

1. The owner or contractor on a project that is issued a permit with an application date on or after the effective date of this section shall cause to be recycled or reused at least seventy percent (70%) of the construction and demolition debris produced on site, as measured by weight or volume.

(b) The following types of projects are subject to this subsection:

1. The construction or demolition of a multi-family dwelling constructed using concrete and steel supports.
2. The construction or demolition of a commercial building where the total square footage of the space involved is over one thousand (1,000) square feet.

(3) Recycling and Reusing Requirements for Certain Multi-Family Dwellings, Residential Buildings and Remodeling Projects.

(a) The owner or contractor on a project subject to this subsection shall cause to be recycled or reused all of the following construction or demolition debris produced on site as part of construction, demolition, or remodeling permit activities:

1. Wood that has not been rendered nonrecyclable by the application or attachment of paint, stains, varnish, or other liquids or solids;
2. Non-toxic metals;
3. Clean drywall scrap materials;
4. Corrugated Cardboard; and
5. Shingles.

(b) The following types of projects are subject to this subsection:

1. The construction or demolition of multi-family dwellings using wood frame construction.
2. The construction or demolition of a single-family, two-family, or three-family dwelling.
3. Except for roofing projects, the remodeling of a residential or commercial building where the total value of the project is twenty thousand dollars ($20,000) or greater.
4. Any roofing project that includes the tear-off of the existing roofing materials.

(c) The following projects are exempt from this section:

1. A project that only requires a plumbing permit, an electrical permit or an HVAC mechanical permit.
2. A project for which a building permit or demolition permit is not required.
3. A project for which, due to changes in the markets for recycled material, the Street Superintendent waives the requirements of this section.

(4) Certification and Audit of Compliance.

(a) Certification.

1. Certification of compliance with this section shall be made by the owner or contractor pursuant to this subdivision, and in the form and manner as

prescribed by the Street Superintendent. All certification forms shall include a statement from the owner or contractor certifying that the information contained in the form is truthful and accurate.

The owner or contractor subject to the requirements of subsections (2) or (3) shall, either within sixty (60) days of completion of a project or, if the owner or contractor has multiple projects subject to the requirements of this section during a calendar year and has the preauthorization of the Street Superintendent to file an annual report, by December 31 of each calendar year, submit documentation to the Street Superintendent certifying compliance with this section.

2. Except as set forth in paragraph 4., certification forms shall include the following:
   a. A list of the construction and demolition debris that were recycled or reused;
   b. A summary of where and how the construction and demolition debris were recycled or reused;
   c. The actual or estimated volume or weight of the construction and demolition debris that were recycled or reused;
   d. A statement from the owner or contractor that documentation supporting compliance with this section (including, but not limited to, weight tickets from recycling facilities and landfills, or copies thereof) exists and will be maintained for two (2) years from submission of the Certification form; and
   e. A statement from the owner or contractor indicating the extent to which the project complies with the requirements of subsections (2) or (3).
3. It shall be sufficient proof of compliance with this section if the owner or contractor submits the following to the Street Superintendent with the certification form:
   a. Weight tickets from the owner or contractor that show that debris from the project were taken to a City certified construction debris recycling facility; or
   b. Proof of LEED (Leadership in Energy and Environmental Design) or GBH (Green Built Home) certification, or other similar certification acceptable to the Street Superintendent.
4. The owner or contractor's failure to follow the requirements of this subdivision for any project shall be prima facie evidence that subsections (2) and (3) were not complied with on that project.

(b) Audit. Prior to, and up to two (2) years after, submission of a Certification form, the Street Superintendent may initiate an audit of an owner or contractor to monitor and ensure compliance with the requirements of this section. An owner or contractor must comply with all reasonable requests for information and documentation made by the Street Superintendent within thirty (30) days of said request.

(c) Requirement to Maintain and Provide Information.
1. The owner or contractor who submits a certification form as required under this subsection must maintain documentation supporting compliance with this section (including, but not limited to, weight tickets from recycling facilities and landfills, or copies thereof) for two (2) years after submission of the Certification form.
2. Within thirty (30) days of a request made under subdivision (b), the owner or contractor must provide the Street Superintendent the requested information or documentation. The failure to provide this requested

information or documentation shall be considered proof that the owner or contractor did not recycle or reuse that portion of construction and demolition debris relating to said information or documentation.

(5) The Street Superintendent may promulgate such rules and regulations as necessary to implement the provisions of this section.

(6) Penalties. The following penalties apply to violations of this section:

(a) Any person who fails to meet the recycling and reuse requirements in subsection (2) shall be subject to the following forfeitures:

1. For construction or demolition projects involving ten thousand (10,000) square feet or more of newly constructed and/or demolished space, for each percentage point of difference between the amount required to be recycled or reused and the amount actually recycled or reused, not less than fifty dollars ($50) nor more than five hundred dollars ($500); and
2. For construction or demolition projects involving less than ten thousand (10,000) square feet of newly constructed and/or demolished space, for each percentage point of difference between the amount required to be recycled or reused and the amount actually recycled or reused, not less than twenty five dollars ($25) nor more than two hundred and fifty dollars ($250).
