Re: 912 E Johnson St, Molten Monkey

Hello,

Otto Dilba proposed his concept for this space which was most recently Salvatore's Tomato Pies and long before that, Supreme Pizza. The TLNA Council is familiar with his success as a business owner, and unanimously voted in support of his proposal, including a Class B license but no entertainment license. We look forward to welcoming Otto and his business to the neighborhood as they strive to continue a legacy of great pizza in this space, and hope to forge a fruitful relationship with them.

Thank you.
