Subject: 115 S. Bassett on UDC 06/03 agenda

Dear Al,

Could you please give all UDC members a copy of this email so they know that the Bassett District of CNI has not been able to review Mr. Cook's plans because he has not presented them to us. Brandon did not follow the proper procedure. I hope the UDC will refer this PUD(GPD-SIP) to a future meeting so that Bassett neighbors can review it.

Thank you,
Rosemary
