

MAYFAIR PARK

Neighborhood Association

Vern Kempfer
President
Dale Beck
Vice President

Don Fjelstad
Treasurer
Pat Gray
Secretary

August 31, 2005

Dear David Dryer,

The following is a list of concerns/issues as related to our petition for the extension of Parkside Drive to connect with Sycamore Avenue:

1. Access for fire station #8.
2. Safety for park pedestrians.
3. Enlargement of park.
4. Reduce traffic on residential streets.
5. Increase safety at MacArthur Rd.-Sycamore intersection.
6. Eliminate trash being dropped on residential streets due to traffic going to city dump site on Sycamore.
7. Speeding problem.

Vern Kempfer, President
Mayfair Park Neighborhood Association

SEP - 1 2005

Mayor, Dave Cieslewicz

We, the residents of Mayfair Park neighborhood, are requesting four way stop signs to be installed at the intersection of MacArthur Rd., Sycamore Ave., & Larson Ct.

Going south on MacArthur Rd. at MacArthur Ct. the street bends and because of the trees it is a blind spot. Please note also that this is a school bus pick up/drop off site. There have been accidents at this intersection also.

It is our hope that you will consider this request to help alleviate some of the problems.
