RE: Legistar #61816; Accela ID: 'LNDUSE-2020-00086' – Approval of a conditional use to construct an accessory building on a lakefront parcel in the Traditional Residential – Consistent 1 (TR-C1) Zoning District at 2406 Waunona Way.

Dear Ms. Koller;

At its October 5, 2020 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your conditional use request to construct an accessory building on a lakefront parcel in the Traditional Residential – Consistent 1 (TR-C1) Zoning District at 2406 Waunona Way. In order to receive final approval of the conditional use, and for any permits to be issued for your project, the following conditions shall be met:

**Please contact my office at [sprusak@cityofmadison.com](mailto:sprusak@cityofmadison.com) if you have any questions regarding the following item:**

1. The following information is provided for the reference of the applicant as many lakefront properties are associated with locations of Native effigy mounds and archaeological sites.

Burial Sites Preservation (§ 157.70):

(2r) Site Disturbance Prohibited. Except as provided under subs (4) and (5) and State Statute 157.111 and 157.112, no person may intentionally cause or permit the disturbance of a burial site or catalogued land contiguous to a catalogued burial site.

(3) Report of Disturbed Burial Sites. (a) Except as provided under s. 979.01, a person shall immediately notify the Wisconsin Historical Society (608-264-6502) if the person knows or has reasonable grounds to believe that a burial site or the catalogued land contiguous to a catalogued burial site is being disturbed or may be disturbed contrary to the requirements of subs. (4) and (5).

Many lakefront properties are associated with locations of Native American effigy mounds and archeological sites. This site is known to be associated with archeological and historic resources. The Burial Sites Preservation statute requires that the property owner contact the Wisconsin

Historical Society to discuss the location of the proposed project and any possible disturbance of an archaeological or historic resource before the work commences. During the construction work, if a burial site disturbance occurs, the work shall stop immediately until the Wisconsin Historical Society is able to assess the site.

**Please contact Tim Troester of the Engineering Division at (608) 267-1995 if you have any questions regarding the following three (3) items:**

2. Submit, prior to plan sign-off but after all revisions have been completed, a digital CAD file (single file) to the Engineering Division that is to scale and represents final construction with any private storm and sanitary sewer utilities.
3. Submit, prior to plan sign-off but after all revisions have been completed, digital PDF files to the Engineering Division. Email PDF file transmissions are preferred to: [bstanley@cityofmadison.com](mailto:bstanley@cityofmadison.com) (East) or [ttroester@cityofmadison.com](mailto:ttroester@cityofmadison.com) (West).
4. The placement of the shed shall not impede drainage down the common lot line between 2406 and 2410 Waunona Way.

**Please contact Jacob Moskowitz, the Assistant Zoning Administrator, at (608) 266-4560 if you have any questions regarding the following item:**

5. An accessory building located in front of the rear plane of the house cannot be located in the required 6' side yard setback. Submit a revised site plan showing the accessory building located outside the required setback.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**Please now follow the procedures listed below for obtaining your conditional use:**

1. After the plans have been revised per the above conditions, please resubmit a PDF copy of the complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator ([zoning@cityofmadison.com](mailto:zoning@cityofmadison.com)). Note that the 20MB email limit still applies. Please mail the check, made out to "City Treasurer", for the site plan review fee to the following address: City of Madison Building Inspection P.O. Box 2984 Madison, WI 53701-2984. Include a cover page with the check, which includes the project address, brief description of the project, and contact information.
2. This property is not located within a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.

4. A conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to twelve (12) months from the expiration date.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at [sprusak@cityofmadison.com](mailto:sprusak@cityofmadison.com).
