Hello Members of the Alcohol License Review Committee, I am a neighbor, living only two houses from George's Flowers, and I am very against having a liquor store in this location. I have 7 very young grandchildren and we love going to the park and enjoying the diversity in our end of the block. However, as you know there are many homeless and people in need that also use the park and having alcohol within this close proximity of the park is only going to cause problems and change the park climate.

Brittingham is an alcohol free park, and although many people do not abide by these rules to have a off-premise liquor outlet close by will only increase the use of consumption and problems, and even 411 calls.

I want to record my opposition for a Class A Liquor/Beer/Cider License for 421 S. Park Street. The decisions made regarding this proposal will have lasting impacts on the character and safety of our neighborhood.

Thank you,

Debi Mozdren Leeper
