Subject: Support Agenda item 2 Legistar 65260 Hanson Neighborhood Amendment

Hello Commissioners

I am unable to make the meeting tonight due to a prior commitment, but I would like to voice my support for this amendment. The planning team has addressed the outstanding concerns and I believe that this area will help support adding much needed housing units.

I would ask that you consider having Housing Mix 4 along DiLoreto Ave between Portage Rd and the interstate, instead of the proposed split density mix. The construction materials that are proposed include acoustic treatment that will mitigate the noise from the interstate.

Thank you for your consideration.

Thank you,

Gary Halverson
