- 1517 Morrison
- 816 Christianson

**ACTION:**

A motion was made by Gehrig, seconded by Fowler, to recommend to the Plan Commission that the Landmarks Commission finds that the residence at 1517 Morrison has historic value and objects to the demolition based on the loss of the historic fabric and the wastefulness of the loss of the embodied energy in the existing building. The motion passed by voice vote/other.

A motion was made by Rosenblum, seconded by Fowler, to recommend to the Plan Commission that the Landmarks Commission finds that the residence at 816 Christianson has no known historic value and that the Landmarks Commission approves of the demolition of the parking garage at 126 N Carroll. The motion passed by voice vote/other.
