- 1. Public exigency (emergency) will not permit the delay incident to advertising or other competitive processes.
 - 2. The services or goods required are available from only one person or firm (i.e., **true** sole source).
 - 3. The services are for professional services to be provided by attorneys.
 - 4. The services are to be rendered by a university, college, or other educational institution.
 - 5. No acceptable bids have been received after formal advertising.
 - 6. Service fees are established by law or professional code.
 - 7. A particular consultant has provided services to the City on a similar or continuing project in the recent past, and it would be economical to the City on the basis of time and money to retain the same consultant.

- If procurement is being paid with Federal or State grant funds, the vendor was identified by name in the approved Grant Application. (OPTIONAL)

REASON FOR REQUEST**WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:**

Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

A selection process cannot be used because these SnoShock blades are designed, developed, and manufactured by Black Cat Wear Parts of Canada. Burke Truck has exclusive rights to sell these in our area.

COMMENTS REGARDING PURCHASES OVER \$50,000

The City of Madison has spent \$38,998 with Burke Truck Equipment & Equipment since 2015. \$22,463 of that used informal quotes to select the vendor. For the remaining \$16,534, the purchases were under \$5,000 and did not require competitive selection.
