Subject: Support for Legistar 71246 -- 2101-2115 East Springs Dr development

Hello Commissioners

I wanted to express my support for this new housing development. As we continue to work toward revitalization in the greater East Towne area and work toward alleviating our critical housing shortage, I am supportive of this new development proposal on East Springs drive.

Please consider supporting this development.

Thank you for your consideration.

Thank you,

Gary Halverson
