As a close-by neighbor--about one block away--I would like to register my support for the request for an outdoor balcony. I have lived in the same house for over 20 years and have found the Blue Moon to be a good neighbor and respectful of the neighborhood. I have no reason to think that will change, so I support their request.

I also support Shiva's conditions that the balcony close at 10 PM and that no music or speakers be allowed.

Thank you.
