RE: 411 S Dickinson

Dear Sir/Madam

I have been asked to provide a material list and scope of work for the property at 411 S Dickinson
Madison WI 53703

We would like to remove the rotting wood siding currently on the building,

install ¼ fanfold insulation

Install tyvec moisture barrier

Install .046 Crane Board insulated siding in 6" panels

Replace rotten wood on soffit and fascia and wrap in painted aluminum

Remove broken gutters and down spouts and replace with new 6" gutters and 3 x 4 down spouts

Please let me know if you need anything else

Sincerely

Christopher Johnstan Jordan
