

Walter Street Fiber Conduit Project

The City of Madison will be extending fiber conduit in the City of Madison beginning in June and ending in July. There will be a public hearing before the City of Madison Board of Public works on Wednesday, June 20, 2012 at 5:30pm in Room 108 of the City County Building, 210 Martin Luther King Jr. Blvd., Madison, WI. Contractors, hired by the City of Madison, will bury the new conduit within the right of way, under the sidewalk and in the grass terrace, at the following location:

- Conduit installation will begin at the intersection of Milwaukee Street and Walter Street. The conduit will be installed on the east side of Walter Street south to the intersection of Atwood Avenue and Walter Street. Restoration of any damage within the limits of the project, in the right of way, will be restored in accordance with the City of Madison standard specifications.

If any persons have additional questions or concerns regarding this project please call Todd Anderson at 608-561-8626 or the City of Madison Civil Engineer III, LeAnne Hannan at 608-266-4057.
