All Alders Resolution #83214 Hi- I just wanted to thank all of the alders who voted to OPPOSE resolution #83214 (Reaffirming Support for a Permanent Ceasefire and Supporting Student Protestors Supporting Student Organizers & Reaffirming Commitment to Peaceful Resolution).

During this time of rising hate and antisemitism, we must work to ensure all local residents feel supported, protected, and welcomed. There is no doubt that global events are heartbreaking right now. Tremendous pain has been caused by Hamas' attack in Israel on October 7, killing 1,200 people and taking 250 hostages, and by the loss of life and suffering in Gaza as a result of the war it triggered. But divisive resolutions will not solve the conflict or bring us any closer to peace. We must bring our community together – not pull ourselves apart - through civil dialogue, democratic engagement, and respect for the law.

Thank you!

To all alders:

I am disappointed that the common council would consider endorsing the statement “commends those engaging in civil disobedience “. Do you really understand what you are saying?

Please reconsider your vote.
