Subject: Development plans in vicinity of Few and East Washington

I reside at [REDACTED] E Mifflin St., on the corner of Few and Mifflin.

I am writing in opposition to the proposal for a 4.5 story 74-unit building to be constructed on the corner of Few and East Washington streets. Such a building would be out of keeping with the existing scale of the neighborhood and would be a significant detriment to the neighborhood and the quality of life of its residents. There must be other sites, perhaps on the other side of East Washington, that are far more suitable and would not disrupt existing residential neighborhoods.

Thank you for your consideration.
