

**BOARD OF PUBLIC WORKS**

To Property Owners:

Enclosed is your notice of a Public Hearing on Street Light Installation. Our records indicate that you are an owner of the property within the area benefited by street lights. Please read this notice carefully, and if you have any questions, contact Dan Dettmann via email: [ddettmann@cityofmadison.com](mailto:ddettmann@cityofmadison.com) or 266-6536 at the City Traffic Engineering Division, Room 100, Madison Municipal Building, 215 Martin Luther King, Jr., Boulevard. We suggest that it is better to email or call rather than to wait for the Board of Public Works meeting itself.

If you wish to appear before the Board of Public Works, you may do so at the time and place stated in the notice. To expedite the public hearing process, please complete the form below and submit it to the Board Secretary at the hearing.

If you have sold or transferred ownership of all or part of the property in question, please forward this notice to the new owner.

It is the policy of the City of Madison to assess the initial cost of installation and materials for underground street lights to the adjacent property owners. This is a one-time assessment and all maintenance and operating costs, once the street lights are installed, are paid by the City of Madison.

Mr. Dettman,  
I had recently talked with you about the proposal of new street lighting on my street, as I had missed to send my opposition to this project assessed.

I am now sending what I had found and hope these signed forms can still be used. I would like to address, that I am a single mom and head of household, already faced with sewer constructions + costs to take place this year at my location, which will be extra monetary obligations I need to fulfill and therefore do NOT want new street lighting on my street, especially not right in front of my house as proposed. Even though it may provide a well-lighted street, I do not find it an absolute necessity comparing the cost on my part to have street lighting on Main Street.

I am unable to attend the Board of Public Works, as I work at that time and due to a job switch, cannot afford unpaid hours to attend. I would hope you can take my letter and signatures as my concerns and my opposition to the assessed street lighting proposal.

Thank you so much

Sincerely
