Subject: Contract #5618 – Application for approval of Subcontractors

To whom it may concern:

Attached are JTC's Application for Approval of Subcontractors and the Subcontractor address listing regarding contract #5618. The nine (9) subcontractors account for 57.53% of the total contract.

As far as the SBE Subcontractors is concerned, JTC included a note on the SBE summary sheet that SBE trucking may not be necessary if negotiations with Wingra Stone Company for the removal of gravel material from the site were successful. Those negotiations were successful, making SBE trucking of gravel material unnecessary on this project. However, JTC will use SBE trucking companies if offsite trucking of other materials is required.

Thank you.
