Eric Christianson, City of Madison  
 Madison Alcohol License Review Board

Eric -

The Marquette Neighborhood Association (MNA) met with Mr. Alexander on December 15<sup>th</sup> regarding his application for the 21+ entertainment license at the Wisco, 852 Williamson Street. The board voted unanimously in support of the license.

The board recognized the importance of the business in the neighborhood. The board also recognizes that some neighbors have had issues with noise, and have found the applicant to be responsive. We would like the ALRC to consider the following conditions:

- Continue to work with neighbors to address noise concerns.
- Install a sound absorbing curtain in band room.
- Keep windows closed when bands are performing.
- More frequent exterior walk-arounds by staff.

Sincerely,

Scott B. Thornton, President  
 On behalf of the Board of Directors  
 Marquette Neighborhood Association
