Can you please either reply to this email with the answers or update the renewals and send back to me as an attachment or picture in a reply? If you are using forms as templates, you may want to make these updates so I don't need to bother you again each year.

I appreciate the opportunity to help ensure complete and accurate renewal forms for the upcoming liquor licensing year.

Thank you,

Hi again Harry,

All are received. I'll audit these as well and reach out if there are questions. Otherwise, mid-May will be the timeframe where we will send out renewal invoices.
