

## **Stations & Questions for 9/28 Input Meeting:**

### **Station One: General hopes and concerns**

- 1) What are your hopes for this facility?
- 2) What challenges do you see, or concerns do you have, regarding this facility?
- 3) How are you most likely to travel to this facility? (Bike, bus, car, walking, etc.)

### **Station Two: Gathering Spaces, Comfort & Safety**

- 1) What makes a space comforting or welcoming to you?
- 2) What makes a space uncomfortable or unwelcoming for you?
- 3) Please look at the following spaces in the plan, and share with us how to make these spaces comfortable and safe:
  - a) Outdoor enclosed play area for children
  - b) Private indoor area for parents with children
  - c) Smoking area
  - d) Multi-purpose gathering areas

### **Station Three: Functional Spaces: best use practices**

- 1) How would you like to use the following spaces? What features or equipment would you like to see in these spaces? What services should be provided in these spaces?
  - a) Kitchen
  - b) Restrooms
  - c) Showers
  - d) Laundry
  - e) Day Storage Lockers
  - f) Meeting spaces
- 2) What concerns do you have about the shared use of these spaces?

### **Station Four: Services**

- 1) Please share with us what services, from the following list, you would be likely to utilize? How would you like to use these services? What suggestions do you have regarding the availability of these services?
  - a) Computer Lab
  - b) Case management and referral
  - c) Housing navigation

- d) Housing assessment (Coordinated Entry)

**Station Five: Phase – In Services**

(referrals to these services will be available on day one; on-site service to be phased in over time)

- 1) Please share with us whether you'd like to see the following services available at the Day Resource Center. Please provide ideas for how these services could be offered?
  - a) On-site mental health services
  - b) On-site alcohol and other drug abuse services
  - c) On-site medical services (example: foot care clinic)
  - d) On-site employment and training services
  - e) On-site legal services
- 2) What services would you like to see offered that are not included in this list (or already are in the plan for the Day Center)?
- 3) What challenges can you imagine with using these services?
