Hi, my name is Gurpreet Ghuman. I am the owner of Rocky's Liquor. I am writing today in favor of granting license to shaun sonacki (agenda number 3)

Shaun is a very good employee. He used to work as a stocker for me. Once the cashier position opened up, I gave him cashier position couple months ago.

I am not really sure what back problem flagged his license, but he is a very respectful person, he treats all the coworkers and customers with lots of respect. We never had any issues with Shaun and as far as I know, this was his first one and according to Shaun is his last misdemeanor. According to Sean, some charges have been dropped.

There are a few reasons that he should be given license.

- * he comes on time to work. He is very punctual and he's very very hard-working.
- * he is a very honest person. my cash drawer is always right when he works, if he needs anything, he asks.
- * he does not have a drivers license and this place of work is very close to his house.
- * he have some Minor disability, and working at my store is something he can do considering his disability. There are not many workplaces that will fit as an employment for Shaun with in walking distance. We also make sure that other staff do stuff that Shaun have hard time doing like going up and downstairs in the basement bringing inventory.
- * he always card people he never sell to underage.

If Shaun's License got denied today. Sean will lose his job and there are possibilities, He can lose his apartment too. I request ALRC to grand license to him so that he can continue to make living and not to stress about the commute to work for some other kind of employment. Shaun also assured me that whatever happened that day will not be repeated again in his life.

Thank you

Subject: D3 items on ALRC's 8/21 agenda
Date: Wednesday, August 21, 2024 10:56:50 AM

Hello ALRC members,

I'm writing about the two district 3 items on your agenda tonight:

- Thank you again for referring the 3859 East Washington Ave change of conditions request during your June meeting so that the neighborhood and I could connect with the applicant by phone and with site visits on July 2nd and 13th. Mayfair Park neighborhood leadership remains concerned about what they describe as the poorly-maintained condition of the property and lack of security measures found at other stores like the nearby Hy-Vee. The Mayfair neighborhood president reports that both of the establishment's restrooms have been locked and out-of-order for months and that as a customer he has not been allowed to use them after asking on different visits, which the applicant reportedly told him is the case to prevent drug use. I can understand why this applicant wants more flexibility with alcohol sales. However given these concerns from the nearby residential neighborhood and those concerns about calls for service in this area raised by MPD, I support the existing conditions on the license and ask that the ALRC maintain them.
- Assuming that the paperwork is in order for 6610 Cottage Grove Road Metro Market's new license request, I support the request and hope that this applicant is more proactive in the future with routine license renewals.

Thank you for considering and for your service,

Derek Field

Subject: Concerns about liquor license for 1000 Edgewood College Dr

I am writing regarding agenda item #84161 for the ALRC meeting on Wednesday, July 17.

This is a public comment for that meeting - please pass it on to all members of the committee.

I am a neighbor of the property and received a postcard regarding a public hearing for a liquor license application for "Consolidated Management Company dba Consolidated Management Company" at 1000 Edgewood College Drive, to be discussed at the ALRC on Wednesday, July 17.

While I understand that there is already a liquor license for that property, issued to "SODEXO OPERATIONS LLC / SODEXO AT EDGEWOOD COLLEGE" for "Alcohol served at catered events in the following Edgewood College locations: Washburn Heritage Room, President's Dining Room, President's Conference Room in Regina Hall, as well as 302 Nona McGreal Room in Predolin Humanities Center, and Atrium in The Stream", I have concerns about this application, which is listed as being for a "new Class B combination Liquor and Beer" license.

The institution is requesting a liquor license for outdoor events of up to 500 people, starting at 7 AM on weekdays and 9 AM on weekends and ending at 10 PM Monday, Tuesday, Wednesday, and Thursday, 9 PM on Friday, and 2 PM on weekends. While the institution provides the same list of locations as was previously approved, they then show an outdoor capacity of 500.

They claim that 90% of their gross receipts will be from food and only 10% will be from alcohol, this is because the same institution offers dining for dorm residents, so that 10% of alcohol at "private events" could constitute the vast majority of the revenue for those private events. They further have no written records to document those percentages.

As Edgewood College is primarily an undergraduate institution, only a small percentage of their own students will be of legal age to consume alcohol.

This is at an institution that is on a campus/institutional parcel that also contains a high school and an elementary school. There will be high school students and small children in proximity to alcohol sales and usage at times they propose to be licensed.

That parcel also already hosts enormous tailgate parties for Badger football games, with large numbers of drive-in customers parking on their grass. Would this application allow them to have a bar with a DJ ("we didn't *plan* to have a DJ, but then it just happened, and we thought that "live entertainment" meant live music with a band, not a DJ playing

recorded music) at these events, with potentially large numbers of customers driving home intoxicated afterwards?

There have already been recent issues with Edgewood institutions holding nighttime events with amplified music on this property without obtaining the proper permits, resulting in police calls (and ensuing confusion, as the event staff allegedly told the responding police officers that they had a permit, which proved to be a lie but that wasn't discovered until the event was over).

Other educational institutions subject to City of Madison regulation do not appear to have liquor licenses. The Madison Metropolitan School District public schools currently have a policy (#4235) that "No person shall sell or give away alcohol and other drugs to students in the school, on school grounds, in motor vehicles used by the school, or at school-sponsored events or activities on or off school grounds", and Madison College "does not allow the use of alcohol or other intoxicants on college facilities" and only has exceptions for "special events where Madison College has granted a Special Event Permit to serve beer and/or wine on college district facilities", in a process involving approval from senior leadership (Policy #2511). The University of Wisconsin is licensed by the state, not the city, and thus not relevant here.

MGO 38.05(3)(f) states that "No Class A or Class B license or permit may be issued for premises the main entrance of which is less than 300 feet from the main entrance of any public or parochial school, hospital, church or public library, except that this prohibition may be waived by a majority vote of the Common Council".

The City of Madison is currently considering legislation to ban liquor stores (Class A licenses) within a quarter mile of schools, churches, parks, and libraries.

Some of the proposed locations in this license are only about 100 feet less than 100 feet from a school, children's playground, and library. Should the city be licensing a bar literally at a school considering the clear statement of intent in the ordinances to prohibit that?

Finally, I note that according to MGO 28.091, "Incidental alcohol sales" is not listed as a permitted use for most supplementally-zoned parcels. Parks and Recreational (PR) allow it as a conditional use, and Airport District (AP) allow it as a permitted use. This ordinance separately refers to a list of uses allowed within Campus Institutional Districts (though the reference, in 28.091(1) is still incorrect, as it points to 28.096, the Airport District, not 28.097, the Campus/Institutional District - this has been a long-standing drafting error in this ordinance), but the referenced list of Primary and Secondary uses does not include anything about alcohol sales, though it specifically mentions "eating places within buildings", so it seems clear, from 28.097(2)(d), that a conditional use approval would be required to "modify" a "use" if it occurs "outside of an enclosed building".

I do not believe that any sort of informational session or open house has been held for the local community, as required by MGO 38.05(3)(c), nor have I seen the sign specified by MGO 38.05(3)(e). The postcard arrived over the weekend, at most four days before the hearing, and definitely did not comply with the MGO 38.05(3)(g) requirement that "the notice shall be given

at least ten (10) days before the hearing and shall be given by mail."

The postcard is postmarked July 8 so there is no way it could've possibly arrived ten days prior to the hearing, as that would've required it to arrive on Sunday, July 7. The postcard specifies that it is a "new" license and the ordinance here specifies "for a new license or for a change in licensed premises" and "the granting or transfer of... licenses", so it seems like that notification process should apply here.

The corporation that will operate this is based in Iowa, all of their agents live in Iowa or Minnesota, their liquor license agent lives in Marinette Wisconsin, a search for them and their parent company in legistar and google finds no other operations in the city and nothing but corporate registrations, and they indicate that they had not yet taken ALRC training and that "the corporation, any officer, any director, any stockholder, liquor agent, LLC, any member, or any manager" has no other "interest in any other alcohol beverage license or permit in Wisconsin", so that also calls into question whether they have any familiarity with or accountability towards the issues involved in serving alcohol in Madison without causing disruption to adjacent neighborhoods and the broader community.

I want to ensure that alcohol sales and usage at this facility are not expanded in ways that cause such disruption and comply with all relevant laws. The Edgewood institutions on this property have been a source of major issues with the community in their repeated pattern of writing ambiguous plans or obtaining city approval for a change under false pretenses, then taking advantage of the ambiguity to do something that is disruptive to the neighborhood and claiming that their plans included that or were misunderstood. This has included defying official notices from the city's Building Inspection Division and ignoring an order to discontinue an activity that violated their zoning.

If this application is to be approved, the city should be make it very clear exactly **where** they are approving the sale and specifically the **consumption** of alcohol. Section B(8) mentions "where alcohol beverages are to be sold and stored" and "any outdoor seating used for the sales, service, and/or storage of alcohol beverages", but it nowhere says that the **consumption** of alcohol will be limited to those locations. The Edgewood campus covers 55 acres and includes buildings and outdoor areas that are very close to neighboring houses. The disruption from having alcohol served at a small catered indoor event for alumni or conference guests is negligible. The disruption would be enormous if they were to use this license to hold a "graduation bash" or for outdoor events where they rent their facilities to third parties (one of their parking lots is only 269 ft from my home, what if they were to put up a tent there in the summer and start holding outdoor wedding parties every weekend?) or for a "Badger gameday beer garden" on their lawn.

Considering Edgewood's history of dishonest conduct with the city and surrounding neighborhoods and their litigious nature, please be sure that any approvals are **very specific** in what they include and disallow.

I am writing in support of Edgewood College's application for a new license, to allow the use of a vendor and to serve alcohol at certain outdoor events. I have lived in the DMNA neighborhood near the college for many years and trust they have the capability to responsibly implement this.

Thank you,

Dear ALRC Members,

I requested referral to allow the applicant to meet with neighbors, as the public meeting required on application had not yet taken place.

The meeting has since been held, I'm glad to say, and neighbors came to an agreement in support of this application with two minor conditions added:

- No amplified music to accompany outdoor service of alcoholic beverages
- Outdoor service would cease at 9pm on school nights (Mon - Thurs).

Edgewood College, from what I understand, has agreed to these conditions.

Thank you.

Date: Tuesday, August 20, 2024 3:44:04 PM

Caution: This email was sent from an external source. Avoid unknown links and attachments.

Dear ALRC (copy Alder Evers, D13):

The Vilas Neighborhood Association (VNA) is registering in opposition to granting any Class B and Class C liquor license for the Regent Mart at 1401 Regent Street. In an email vote on 8/20-8/21, the majority of VNA Council members voted against granting any Class B or Class C license. Given the three voting options below, zero voted for option (1), one voted for option (2), and five voted for option (3) for no Class B license and retaining the current Class A beer only license with existing conditions.

Option 1. Support the Class B combination license including hard liquor and the Class C wine license per the application as updated sometime after June 26, 2024. Include the conditions provided by the ALRC on June 26, 2024. (zero votes)

Option 2. Support a Class B license for beer only per the original application dated and signed 3/20/24 along with the conditions provided by the ALRC and agreed to by the applicant on June 26, 2024. (one vote)

Option 3. Support granting NO Class B license for this establishment and retaining the current Class A beer only license with existing conditions. (five votes)

The VNA had not previously taken a position on this application but requested referrals on 5/15/24 since no neighborhood meeting had been held and on 6/26/24 since the application had no seating plan/map and unreasonable capacity limits, among other deficiencies. Since that time, the first page of the application was changed to include hard liquor and a Class C license without notification of the neighborhood. The VNA position is opposed to granting any Class B or Class C license.

Thanks for your consideration,
-Doug Carlson, VNA President

Dear ALRC Members,

This is an unfortunate set of circumstances, one that I find highly unusual.

The applicant approached the neighborhood months ago to add outdoor seating to their current license, requesting support to change from a Class A to Class B. The applicant made no mention they wished to add hard liquor to their sales, but in an updated application, checked the box to sell liquor both on premises and carryout.

The neighborhood was clear at the time the license was originally granted that they opposed hard liquor sales. Hard liquor has never been approved for sale at this location, not at Open Pantry or any other business that operated here. Neither is hard liquor available at the Quik Trip located nearby on Monroe St. This is due to the proximity to campus and this prohibition is strongly believed by the neighborhood to be sound policy.

What's most disturbing is the applicant sought to make this change without informing the neighborhood. Nor was I informed as the alder. This in my mind constitutes a breach of trust.

The applicant claims she should be able to sell hard liquor because Festival Foods is allowed to do so. Similarly, she invokes Leopold's. But those are entirely different businesses and what they are allowed to do has no bearing on what makes sense for this business in this location.

Due to this breach of trust, the neighborhood has revoked their support of outdoor sales. Nor am I willing to support this effort. Please allow the applicant one year to operate within the parameters currently in place in the hopes that trust could be reestablished.

Please vote to deny the application for a Class B permit allowing for on-side premises consumption, thereby maintaining the current Class A license to sell beer and wine with the previously approved conditions.

Thank you.

Subject: D3 items on ALRC's 8/21 agenda
Date: Wednesday, August 21, 2024 10:56:50 AM

Hello ALRC members,

I'm writing about the two district 3 items on your agenda tonight:

- Thank you again for referring the 3859 East Washington Ave change of conditions request during your June meeting so that the neighborhood and I could connect with the applicant by phone and with site visits on July 2nd and 13th. Mayfair Park neighborhood leadership remains concerned about what they describe as the poorly-maintained condition of the property and lack of security measures found at other stores like the nearby Hy-Vee. The Mayfair neighborhood president reports that both of the establishment's restrooms have been locked and out-of-order for months and that as a customer he has not been allowed to use them after asking on different visits, which the applicant reportedly told him is the case to prevent drug use. I can understand why this applicant wants more flexibility with alcohol sales. However given these concerns from the nearby residential neighborhood and those concerns about calls for service in this area raised by MPD, I support the existing conditions on the license and ask that the ALRC maintain them.
- Assuming that the paperwork is in order for 6610 Cottage Grove Road Metro Market's new license request, I support the request and hope that this applicant is more proactive in the future with routine license renewals.

Thank you for considering and for your service,

Derek Field

Description of premises

MonsoonSiam is a Thai restaurant who wants to present Thai food and Thai culture to the town (Madison, Wisconsin) and other visitors. My name is Dutdao Wonglaka. I was born in Thailand and love to eat and cook. I had an opportunity to open a Thai restaurant so I would like to do my best to serve and show our Thai food and bring more variety of food options to town.

My restaurant is at 2326 Atwood Ave Madison, WI. We have about 38 capacity dine in and 15 capacity for outside patio seating (pet friendly). Also small bar but full option, beer, wine, liquor. Bar will only have seat 3 guests. We love to show the most with food options but along with a full bar option will go great for everyone visiting.

I believe this MonsoonSiam will bring a great time to every visit.

Thank you

Dutdao W.

Business plan

El Torito Cantina provides a complete menu available at all times of the day, including bakery items that can be ordered either in the drive-through or inside the lobby to take home and share with loved ones. Our experience in the restaurant industry has shown us that there is a need for a business like ours, which opens early and closes late.

Time is money, The target market is for construction workers. retail workers, hotel guests, people who only have a quick lunch break, and families looking to relax and dine in. Our Menu will offer single items like Tacos starting at \$1.99 and different family combos from \$20-\$40 making this competitive pricing from our nearby breakfast and food establishments.

The Restaurant industry is competitive and there are a lot of options for consumers to choose from. We have realized the demand for authentic Mexican breakfast and bakery goods and we believe that there is a place for authentic Mexican cuisine in the east town of Madison.

Our goal is to serve the best quality food, quickly with friendly staff.

El Torito Cantina will join the restaurant industry which continues to grow. According to the national restaurant association, the food service industry is forecasted to reach 997B in sales in 2023. We noticed that on the east side of Madison, the only places to get breakfast early through a drive-true window are McDonald's, Chick fil a, and Taco Bell leaving room for authentic Mexican cuisine and bakery goods.

El Torito Cantina will serve those who are up early but didn't have time for breakfast. We noticed that construction laborers work in groups and often look for a quick breakfast or lunch spot our intended market is for those who have a quick lunch break to make best use of the drive-true and families or friends looking for a place to enjoy good food and relax. Our Breakfast Burritos are what we believe will be a hit.

Eggs and Chorizo burrito \$9

Made with authentic Mexican-style chorizo sausage, eggs, cheese, breakfast potatoes, guacamole, and sour cream

Torta (sandwich) \$12

Eggs, Hot dog sausage, beans, tomatoes, lettuce, onion, pickled jalapeño

Breakfast tacos \$10

Choose corn or flour tortilla

Filled with beans and scrambled eggs. Queso fresco, Pico de Gallo,

Muffins \$2.99

Coffee or drink \$1.99-5.99

Agua frescas M 3.99 L5.99

We plan to spread the word about the new location in the community and run ads on Google and social media like Facebook and Instagram. we plan to print menus and mail them to the nearby neighborhoods with promos and discounts to attract new customers. Having the drive-true is

convenient taking advantage of the popular retail stores nearby like Home Depot, Best Buy, and East Town Mall. We noticed that consumers are often shopping or running errands when stopping for something to eat. Some of our food items will stay warm in a steal table making the saving of the food faster to have shorter wait times in the drive-true.

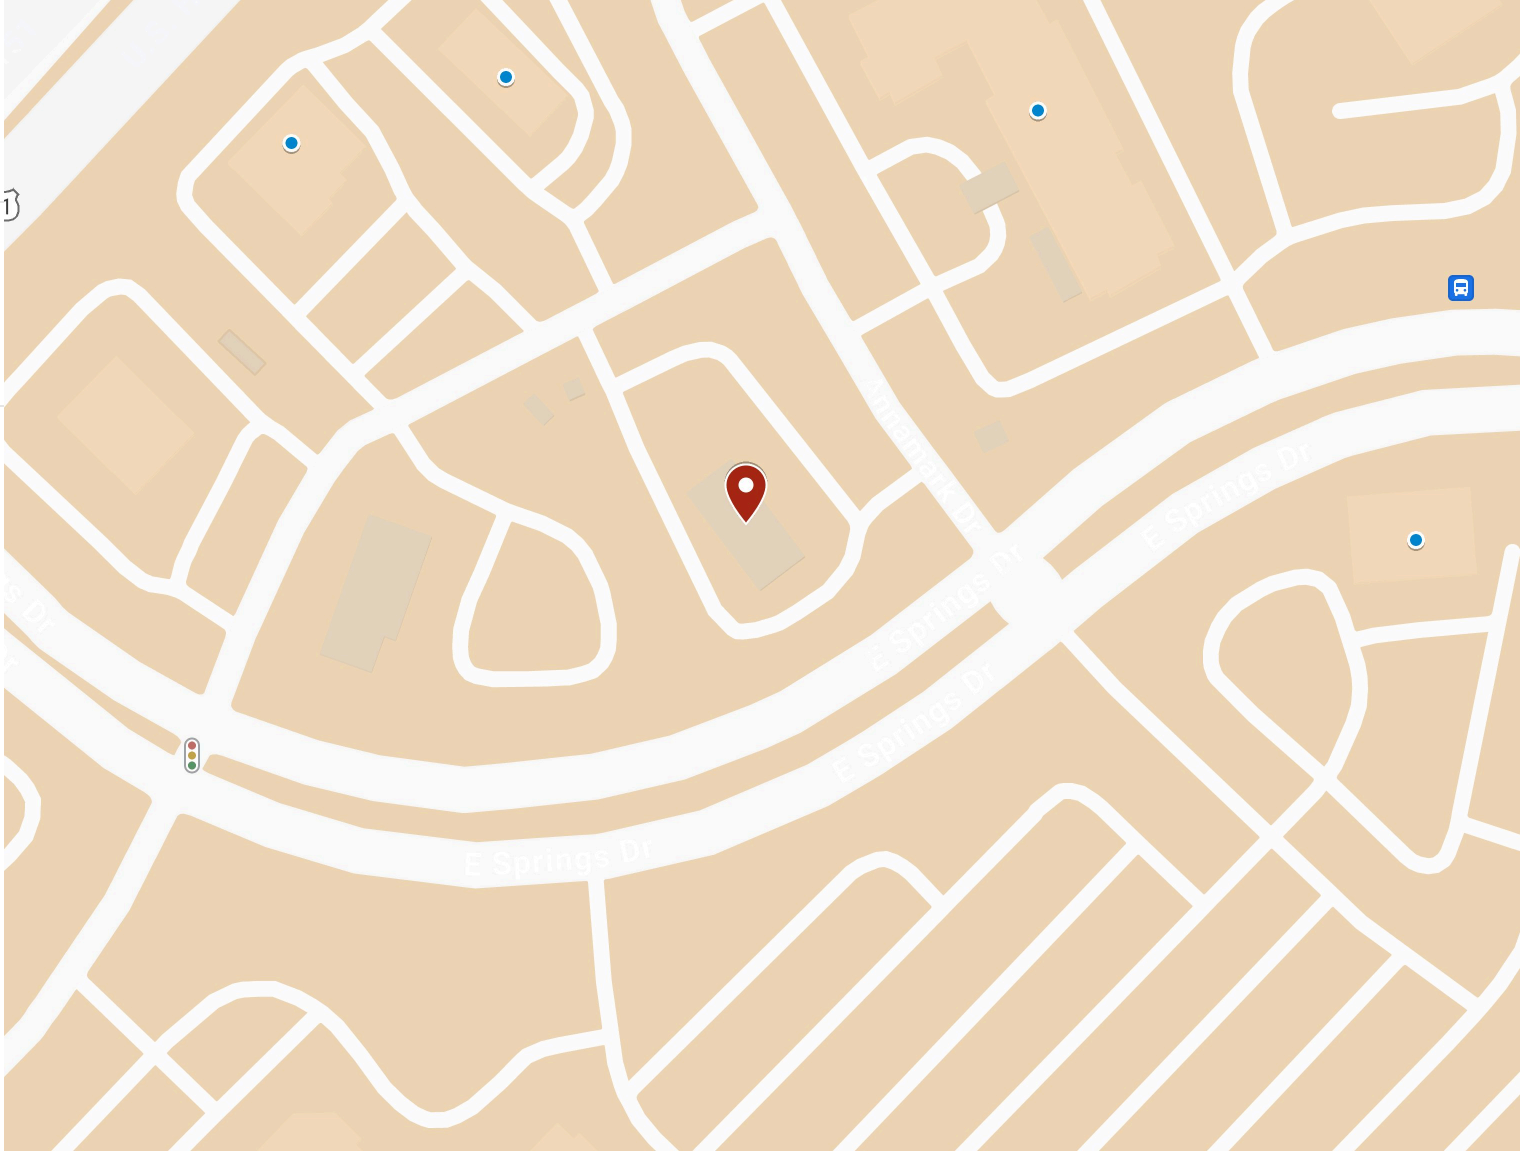

Currently, I am working with my family. It is four of us in the team. Felipe Francisco is the Kitchen manager and head chef and has worked in restaurants for 18 years. Patricia Doroteo is Front of the house Manager having 9 years of experience. Erik Francisco Supervisor 7 years of experience. Giovani Francisco marketing and team leader with 5 years of experience. Our hours of operation are from 6 am-12 am. Our prep staff will come in at 5 am to get things ready to open at 6 am. There will be 3 cooks in the kitchen. One will be in the hot station. Where the food is ready to serve. The second cook will finish the item by adding the topping. The third cook will be making sure all food products are fresh and good to serve. From the house, we will have one person bagging food and taking care of the drive-true orders. A second staff will be in charge of the lobby orders and making sure the lobby is clean for customers. Our staff needed to operate the business is Five people on the clock.

Based on our prior experience, we anticipate generating \$70,000 in monthly sales. Our payroll and food supplies will be our two main expenses. We are thrilled to embark on a new project. With both of our locations fully staffed and operating on autopilot, my family and I are eager to expand to a new site. Our fast Mexican breakfast, bakery, and cuisine concept is sure to be a success. We will open early to serve early risers and stay open late for those who like to burn the midnight oil. Our team is solid and has worked together on previous projects, which has given us the experience to work cohesively and build a hardworking, positive work environment. Our objective is to create a new spot that offers quick, authentic Mexican food and friendly service.
