

Installing the Solar System

March 4, 2002

A Joint [Alachua Astronomy Club, Inc.](#) and [City of Gainesville](#), Florida Project
Artist: Elizabeth Indianos

Installing planet spheres

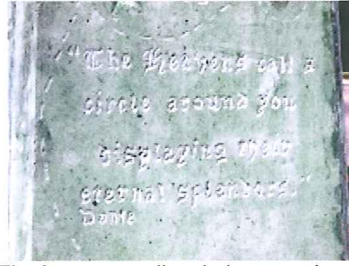

Installing planet collars

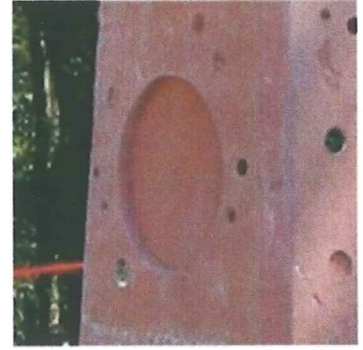

Recycled bricks from UF's Hume Hall will surround base

Art work and inscriptions adorn the planet sculptors.
However, cutouts for bronze planet information plaques will remain empty until the AAC can [raise](#) more money

The heavens call a circle around you displaying their general splendors (Dante)
