Re: Petition against re-zoning

In accordance with Madison General Ordinances, Section 28.12(9) (f) (g) 1, I hereby submit for filing the attached petition along with individual verification of all signers.

I am aware that a previous filed petition regarding the same properties has been verified by the City and consequently, the burden of requiring a $\frac{3}{4}$ vote of the Common Council has been met. We wish to file, however, to show that the majority of people living opposite the subject property are also opposed to the rezoning.

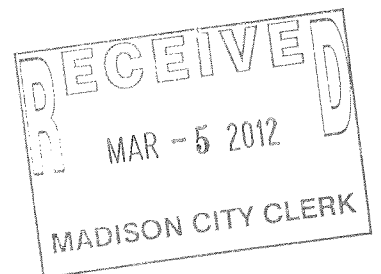

Please acknowledge receipt of this filing by signature or stamp on the copy provided.
