Subject: The Edgewater address change request

Mr. Phillips,

I am project coordinator for The Edgewater Hotel Company LLC (agent of which is Robert Dunn 22 E Mifflin St STE 800).

The current address for The Edgewater is 666 Wisconsin Ave. I'm writing to you to propose changing the name of the 126' strip of public right of way fronting the Edgewater Hotel property from Wisconsin Ave to Wisconsin Pl. I have attached a site plan with the strip identified. In addition we'd like to change the address number to 1 simultaneous with the street name change. The final result being 1 Wisconsin Place (PL).

Can you please confirm that this email is sufficient to start the resolution process? If it is I suspect Engineering staff will draft the resolution that will go to Common Council, Board of Public Works and any other necessary agency. If this is not the case, please let me know how to proceed as soon as you can.

I appreciate you taking time to review this request.

Thank you,

Bryson
