RE: Approval of a demolition permit and alteration to an approved Planned Development-Specific Implementation Plan to allow a two-family residence to be demolished and a playground for a nearby daycare to be constructed at 1018 Mound Street (Meriter Hospital, Inc.).

Dear Mr. Suick;

At its June 3, 2013 meeting, the Plan Commission found the standards met and **approved** your client's demolition permit and PD-SIP alteration for 1018 Mound Street. The following conditions of approval shall be satisfied prior to the issuance of demolition and building permits for this project:

**Please contact Janet Dailey of the City Engineering Division at 261-9688 if you have questions regarding the following five (5) items:**

1. Informational note: Meriter Hospital has requested that the City vacate the adjacent public alley (St. James Court) to accommodate a redevelopment plan proposal. City Engineering staff will prepare a resolution accordingly for introduction to the Common Council.
2. The applicant shall submit, prior to plan sign-off, digital CAD files to the Land Records Coordinator in the City Engineering Division. (Lori Zenchenko) [lzenchenko@cityofmadison.com](mailto:lzenchenko@cityofmadison.com). The digital copies shall be drawn to scale and represent final construction including: building footprints, internal walkway areas, internal site parking areas, lot lines/ numbers/ dimensions, street names, and other miscellaneous impervious areas. All other levels (contours, elevations, etc) are not to be included with this file submittal. E-mail file transmissions are preferred. The digital CAD file shall be to scale and represent final construction. Any changes or additions to the location of the building, sidewalks, parking/pavement during construction will require a new CAD file. The single CAD file submittal can be either AutoCAD (dwg) Version 2001 or older, MicroStation (dgn) Version J or older, or Universal (dxf) format. Please include the site address in this transmittal.
3. The applicant shall submit, prior to plan sign-off, digital PDF files to the City Engineering Division. The digital copies shall be to scale, shall have a scale bar on the plan set, and shall contain the following items: building footprints; internal walkway areas; internal site parking areas; lot lines and right-of-way lines; street names, stormwater management facilities and; detail drawings associated with stormwater management facilities (including if applicable planting plans).

4. The applicant shall obtain all necessary sewer connection permits and sewer plugging permits prior to any utility work.
5. Prior to final approval of the demolition permit, the owner shall obtain a permit to plug each existing sanitary sewer and/ or storm sewer lateral that serves a building that is proposed for demolition. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing lateral that serves a building which is proposed for demolition. For each lateral to be plugged, the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. Note: New plugging procedures and permit fees are in effect as of January 1, 2013.

**Please contact Eric Halvorson of the Traffic Engineering Division at 266-6527 if you have any questions regarding the following three (3) items:**

6. When the applicant shall submit plans for approval, the applicant shall show the following: items in the terrace as existing (e.g., signs and street light poles), type of surfaces, existing and proposed property lines, addresses, one contiguous plan (showing all easements, all pavement markings, building placement, and stalls), adjacent driveway approaches to lots on either side and across the street, signage, percent of slope, semitrailer movements and vehicle routes, dimensions of radii, aisles, driveways, stalls including the 2 feet overhang, and a scaled drawing at 1" = 20'. Contact City Traffic Engineering if you have questions.
7. The developer shall post a deposit and reimburse the City for all costs associated with any modifications to traffic signals, street lighting, signing and pavement marking, and conduit and handholes, including labor, engineering and materials for both temporary and permanent installations.
8. Public signing and marking related to the development may be required by the City Traffic Engineer for which the developer shall be financially responsible.

**Please contact Dennis Cawley of the Madison Water Utility at 261-9243 if you have any questions regarding the following item:**

9. The Madison Water Utility shall be notified to remove the water meter prior to demolition. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

**Please contact Pat Anderson, Assistant Zoning Administrator, at 266-5978 if you have any questions regarding the following three (3) items:**

10. Provide a reuse/recycling plan, to be reviewed and approved by the City's Recycling Coordinator, George Dreckmann, prior to a demolition permit being issued. Section 28.185(7)(a)5. of the Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.
11. Exterior lighting provided shall be in accordance with MGO Section 10.085. Provide an exterior lighting plan and fixture cut sheets with the final plan submittal.
12. Provide a detailed landscape plan that complies with the provisions of Section 28.142 of the Zoning Code.

**Please contact Kay Rutledge of the Parks Division at 266-4714 if you have any questions regarding the following item:**

13. Existing street trees shall be protected. Please include the following note on the site plan: "Contractor shall install tree protection fencing in the area between the curb and sidewalk and extend it at least 5 feet from both sides of the tree along the length of the terrace. No excavation is permitted within 5 feet of the outside edge of a tree trunk. If excavation within 5 feet of any tree is necessary, contractor shall contact City Forestry (266-4816) prior to excavation to assess the impact to the tree and root system. Tree pruning shall be coordinated with City Forestry." Tree protection specifications can be found in Section 107.13 of the City of Madison Standard Specifications for Public Works Construction. Please reference ID#13129 when contacting Parks Division staff about this project.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.**

Note: Please consider allowing the Madison Fire Department to conduct training sequences on this site prior to demolition. Contact the MFD Training Division at 246-4587 to discuss this possibility.

**Please now follow the procedures listed below for obtaining permits for your project:**

1. After the planned unit development has been revised per the above conditions, please file **eight (8) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant and property owner (if not the applicant) to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. Provide a reuse/recycling plan, to be reviewed and approved by the City Recycling Coordinator prior to a demolition permit being issued. Section 28.185(10) of the Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.
4. The Madison Water Utility shall be notified to remove the water meter(s) prior to demolition.
5. Approval of the plans for this project does not include any approval to prune, remove or plant trees in the public right of way. Permission for such activities must be obtained from the City Forester, 266-4816.
6. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations or additions which may be approved by the Director of Planning and Community and Economic Development if determined to be compatible with the concept approved by the Plan Commission. Following the issuance of a Certificate of Occupancy, future additions or alterations to the proposed

alternative use of the property shall not be subject to review. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 24 months from the expiration date.

If you have any questions regarding obtaining your building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 261-9632.

Sincerely,

Timothy M. Parks  
 Planner
