

## PUBLIC NOTICE

AT&T will be extending its fiber optic network within the City of Madison during the Month of September 2012. This work is being done in order to enhance existing facilities in the Madison Area.

There will be a public hearing, before the City of Madison Board of Public Works, on Wednesday, September 5, 2012 at 5:30 p.m. in Room 108 of the City-County Building 210 Martin Luther King Jr Blvd.

Cable installation contractors hired by AT&T will install fiber cables within the Roadway limits at the following location:

1. Beginning from Portage Rd, heading west along the South side of Rieder Rd, crossing Stoughton Rd (HY 51), proceeding north on the west side of Stoughton Rd to Amelia Earhart Dr. Continuing west on Amelia Earhart Dr to Corben Ct.

Handhole (access points) will be placed at the following locations:

- Corner of Stoughton Rd and Rieder Rd .
- Corner of Stoughton Rd and Amelia Earhart Dr.
- Corben Ct next to existing AT&T pedestal

Cable will be directional bored and placed in the public ROW.

Restoration of any damage within the limits of the road right-of-way will be completed in accordance with the City of Madison's standard specifications. All damaged sidewalk slabs will be replaced with 5" lift concrete. All damage done to grass between sidewalk and curb will be restored with a four inch covering of black dirt and seed. All restoration required within the traveled portion of the roadway will also be completed in accordance with the City of Madison's standard specifications.

If any persons have additional questions or concerns regarding this project please Call Carol Anason of AT&T at 608-252-2385 or the City of Madison Civil Engineer III, LeAnne Hannan at 608-266-4057.
