We are writing to express our enthusiastic support for the city's Parman Terrace project. We live just up the street and are frequent users of the bike path exit onto Parman Terrace. While we appreciate the addition of a sidewalk on Parman Terrace itself, the addition of the sidewalk on Odana is most significant for us.

When we are out with our two young children we choose to cross Odana to access the sidewalk on the opposite side of the street, only to cross Odana again to navigate the short walk between our house and the bike path exit onto Parman Terrace. Adding a sidewalk on this stretch of Odana would make the walk much safer for our family now and for our children when they start to do this walk alone in years to come.

Thanks!
Peter and Alex
