RE: Approval of a demolition permit to demolish an existing single-family residence and construct a new single-family residence at 303 Potter Street (ID 54838; LNDUSE-2019-00015).

Dear Mr. Morrison;

At its April 8, 2019 meeting, the Plan Commission found the standards met and **approved** the demolition permit request to demolish an existing single-family residence and construct a new single-family residence at **303 Potter Street**. The conditions of approval in the following sections shall be satisfied prior to issuance of demolition permits for the project.

**Please contact my office at (608) 243-0455 if you have any questions regarding the following two (2) items:**

1. Label materials, colors, and heights on building elevations.
2. Label finished grade elevation at building corners on site plan.

**Please contact Jacob Moskowitz, Assistant Zoning Administrator at (608) 266-4560 if you have any questions regarding the following three (3) items:**

3. Section 28.185(7)(a)5 requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Bryan Johnson (608-266-4682).
4. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.
5. Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(7)(a)5 shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.

**Please contact Tim Troester of the City Engineering Division at (608) 267-1995 if you have any questions regarding the following four (4) items:**

6. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. The permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))
7. The site plans shall be revised to show the location of all rain gutter down spout discharges.
8. The plan set shall be revised to show more information on proposed drainage for the site. This shall be accomplished by using spot elevations and drainage arrows or through the use of proposed contours. It is necessary to show the location of drainage leaving the site to the public right-of-way. It may be necessary to provide information off the site to fully meet this requirement.
9. The Applicant's project requires the minor restoration of the street and sidewalk. The Applicant shall obtain a Street Excavation Permit for the street restoration work, which is available from the City Engineering Division. The applicant shall pay all fees associated with the permit including inspection fees. (MGO 16.23(9)(d)(6)) This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.

**Please contact Jeff Quamme of the City Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following one (1) item:**

10. The new residential dwelling will be in very close proximity to overhead utility lines. Applicant is advised to contact Madison Gas and Electric to confirm and required clearance requirements.

**Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following two (2) items:**

11. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D. Additional information is available at the Home Fire Sprinkler Coalition website: <https://homefiresprinkler.org/building-with-fire-sprinklers/>
12. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Division Chief Tracy Burrus at [tburrus@cityofmadison.com](mailto:tburrus@cityofmadison.com) or (608)266-5959.

**Please contact Brad Hofmann of the Parks/Forestry Division at (608) 267-4908 if you have any questions regarding the following four (4) items:**

13. An existing inventory of trees (location, species, & DBH) and any tree removal plans (in PDF format) shall be submitted to the plans and Brad Hofmann – [bhofmann@cityofmadison.com](mailto:bhofmann@cityofmadison.com) or 266-4816. All proposed street tree removals within the right of way shall be reviewed by City Forestry. Approval and permitting of

street tree removals shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.

14. City Forestry will issue a removal permit for 27" diameter Honeylocust (ID# 1596) street tree due driveway installation. Please contact Brad Hofmann – bhofmann@cityofmadison.com or 266-4816 to obtain the street tree removal permit.
15. Contractor shall contact City Forestry Brad Hofmann bhofmann@cityofmadison.com or 266-4816 at least one week prior to planting to schedule inspecting the nursery stock and review planting specifications with the landscaper.
16. Additional street trees are needed for this project. All street tree planting locations and trees species within the right of way shall be determined by City Forestry. Please submit a site plan (in PDF format) to Brad Hofmann – bhofmann@cityofmadison.com or 266-4816. Tree planting specifications can be found in section 209 of City of Madison Standard Specifications for Public Works Construction.

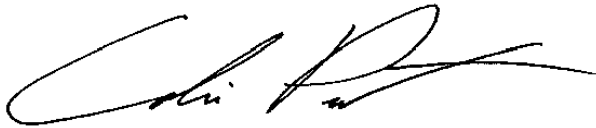

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**Please now follow the procedures listed below for obtaining permits for your project:**

1. After the plans have been revised per the above conditions, please file **eight (8) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 126 S. Hamilton Street. **This submittal shall all also include one (1) complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 24 months from the expiration date.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt  
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for demolition.
