Hello,

I am following up for a second time regarding the issue below.

Can someone please follow up with me? Email or phone is fine.

Thank you,  
Heidi Freymiller

Hello, I provided the information below last month about lighting on the Starkweather Creek bike path and asked to be contacted; I've not heard anything. Could someone please reach out to me? Thank you,  
Heidi

**Bikeway Information**

Date of Request: 08/15/2023

Request Type: Debris, Obstructions & Encroachments

Bike Path: Starkweather Creek

Location Type: Address

On Street Location: Melvin Court

Nearest Cross Street: Melvin Court

Other Location Details: Melvin Court to MATC Parking Lot

**Problem Description:** Last fall maintenance was done on streetlights on the path. The glass was never installed and this has caused the lights to be very bright and blinding. I should not be blinded by lights I'm not looking straight into. This creates a dangerous circumstance where you cannot see into the woods until your eyes re-adjust. Please finish the work on these lights. Lights near the MATC parking lot were either not replaced or the glass was installed. PLEASE contact me regarding this issue.

Have you reported this issue before?: No

Should we contact you with the resolution? By Phone
