Dear Wade Wyse:

Your one-lot certified survey of property located at 6901-6933 Manufacturers Drive, Section 9, Township 08N, Range 10E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned IL (Industrial Limited district). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Rebecca Qureishi of the City Engineering Division at 266-4089 if you have questions regarding the following four (4) items:

1. Enter into a City / Developer agreement for the required infrastructure improvements. Agreement to be executed prior to sign off. Allow 4-6 weeks to obtain agreement. Contact City Engineering to schedule the development and approval of the plans and the agreement. (MGO 16.23(9)c)
2. Construct terrace, curb, gutter, and pavement along Hoepker Road to a plan as approved by the City Engineer. The limits of work can be adjusted based on future planning and coordination between the city and WisDOT for the future interchange at Hoepker Road and I-90.
3. All outstanding City of Madison sanitary sewer connection charges are due and payable prior to Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. This property is subject to Sanitary Connection charges for the Hanson Road Neighborhood Sanitary Sewer and Water Main Assessment District (2025 Rate \$119.62/1000 SF).
4. A minimum of two (2) working days prior to requesting City Engineering signoff on the plat/csm contact either Tim Troester (West) at 261-1995 (ttroester@cityofmadison.com) or Brenda Stanley (East) at 608-261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service and must be cleared prior to the land division (and subsequent obsolesces of the existing parcel). (POLICY)

Please contact Julius Smith of the City Engineering Division–Mapping Section at 264-9276 if you have questions regarding the following ten (10) items:

5. Note The lands in this development will remain subject to this note on the face of the Plat of interstate Commerce Park.

THE OWNER OF LOTS 16, 17, AND 18, INTERSTATE COMMERCE PARK, MAY BE REQUIRED TO CONVEY, AT NO COST, PRIVATE INGRESS AND EGRESS RIGHTS TO MANUFACTURERS DRIVE TO THE BENEFIT OF THE OWNER OF THE APPROXIMATELY FIVE (5) ACRE UNPLATTED TRACT OF LAND IMMEDIATELY EAST OF AND ADJACENT TO INTERSTATE COMMERCE PARK. INGRESS AND EGRESS LOCATION WILL BE CONVEYED AND APPROVED AT THE TIME DEVELOPMENT PLANS ARE APPROVED FOR LOTS 16, 17 AND 18, INTERSTATE COMMERCE PARK, BY THE CITY OF MADISON

While the adjacent lands currently have access to Hoepker Road the Wisconsin Department of Transportation has plans to construct an interchange at Hoepker Rd and the Interstate. At that time it is anticipated that a new access to the adjacent lands will be needed and constructed by the WISDOT. Currently the City does not know where this access will be. This may have impacts on the current proposed development.

6. Coordinate and request from the utility companies serving this area the easements required to serve this development. Those easements shall be properly shown, dimensioned and labeled on the final plat.
7. Remove both notes about intrablock drainage easements. Insert standard language pre MGO 16.23(9)(d)2.a. verbatim. When done, all of the previous non-exclusive easements for drainage easements are released and new drainage easements defined by the current proposed Certified Survey Map or Plat.
8. Add notes to the CSM relating to item No. 8 in the provided Title report. State that the parcels are subject to the Declaration of covenants, conditions, restrictions for Interstate Commerce Park in the Document No. 4137948 and its Amendments recorded as Document Nos. 5491046, 5511870 and 5511871.

Utility easements as herein set forth are for the use of public bodies and private public utilities having the right to serve the area.
Access Note - All lots and blocks are hereby restricted so that no owner, possessor, user, licensee or other person may have any right of direct vehicular ingress or egress to any highway within the right of-way Interstate Highway 39, 90 & 94; it is expressly intended that this restriction constitute a restriction for the benefit of the public as provided in S. 236.93, Stats., and shall be enforceable by the department.
