Subject: Item 6 #58738: 621 & 619 N Lake Street

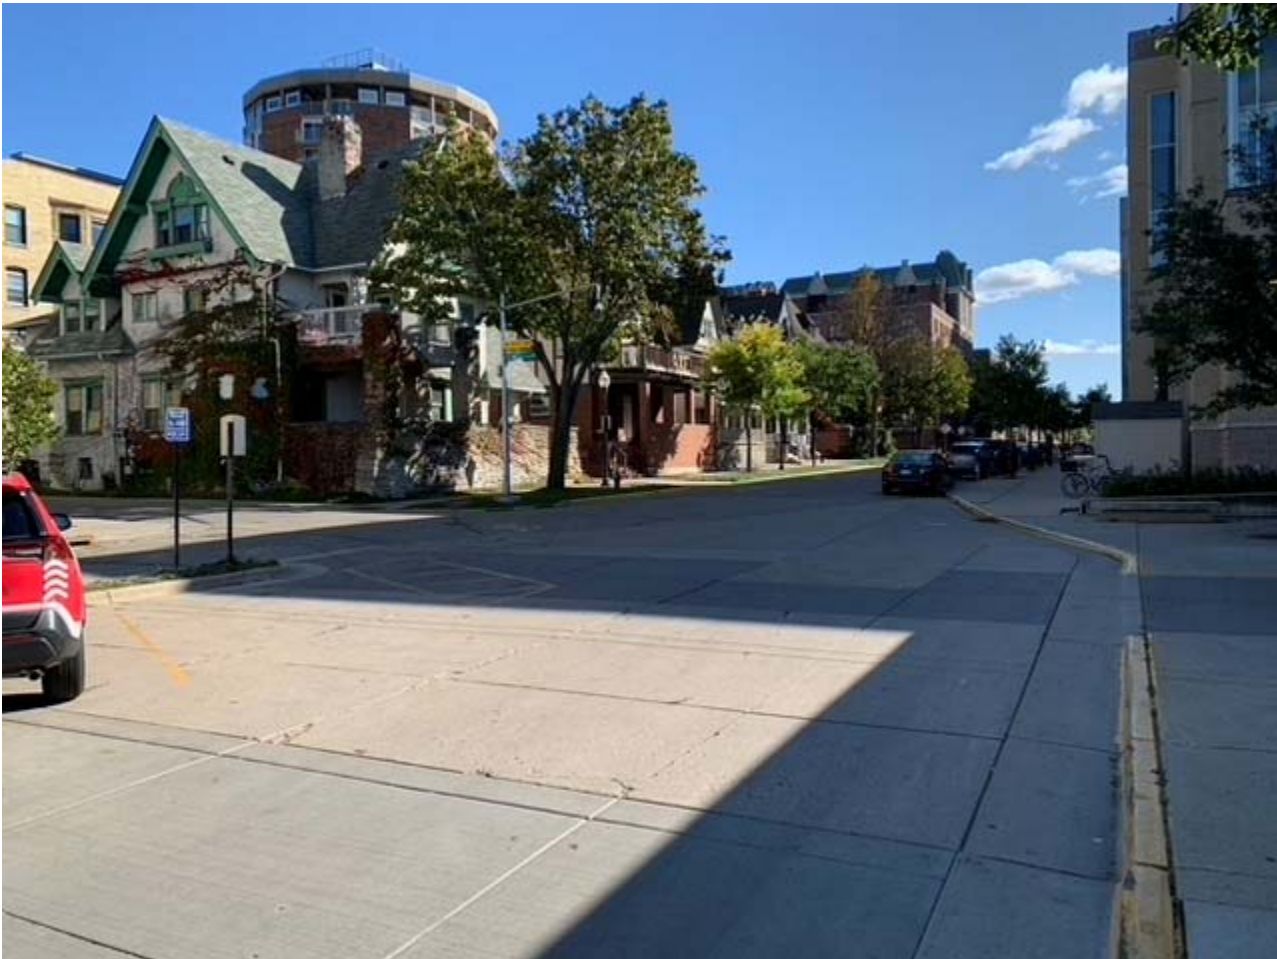

Caution: This email was sent from an external source. Avoid unknown links and attachments.

Landmarks Commission Members:

Almost all of this block has been redeveloped except for this wonderful row of historic homes. This is an intact historic streetscape with houses built between 1899-1908. They are all contributing buildings in the Langdon Street National Register Historic District. These buildings deserve to be preserved. If this proposed project is allowed to go forward, the character of this area will be destroyed.

Thank you for your time.

Frances Ingebritson

Approaching the 600 block of N Lake St. from the Union Terrace lakefront path.

621 N Lake on the corner.

619 N Lake

615 and 609 N. Lake
