RE: Legistar #61062; Accela ID: 'LNDUSE-2020-00074' – Approval of a conditional use for an accessory building exceeding 576 square-feet in the Traditional Residential – Consistent 2 (TR-C2) Zoning District at 2020 Vilas Avenue.

Dear Mr. Genschaw;

At its August 11, 2020 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your conditional use request for an accessory building exceeding 576 square-feet in the Traditional Residential – Consistent 2 (TR-C2) Zoning District at 2020 Vilas Avenue. In order to receive final approval of the conditional use, and for any permits to be issued for your project, the following conditions shall be met:

Please contact my office at sprusak@cityofmadison.com if you have any questions regarding the following condition:

1. The following information is provided for the reference of the applicant for properties associated with locations of Native effigy mounds and archaeological sites.

Burial Sites Preservation (§ 157.70):

(2r) Site Disturbance Prohibited. Except as provided under subs (4) and (5) and State Statute 157.111 and 157.112, no person may intentionally cause or permit the disturbance of a burial site or cataloged land contiguous to a cataloged burial site.

(3) Report of Disturbed Burial Sites. (a) Except as provided under s. 979.01, a person shall immediately notify the Wisconsin Historical Society (608-264-6502) if the person knows or has reasonable grounds to believe that a burial site or the cataloged land contiguous to a cataloged burial site is being disturbed or may be disturbed contrary to the requirements of subs. (4) and (5).

This site is known to be associated with archeological and historic resources. The Burial Sites Preservation statute requires that the property owner contact the Wisconsin Historical Society to discuss the location of the proposed project and any possible disturbance of an archaeological or

historic resource before the work commences. During the construction work, if a burial site disturbance occurs, the work shall stop immediately until the Wisconsin Historical Society is able to assess the site.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please resubmit a PDF copy of the complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator (zoning@cityofmadison.com). Note that the 20MB email limit still applies. Please mail the check, made out to "City Treasurer", for the site plan review fee to the following address: City of Madison Building Inspection P.O. Box 2984 Madison, WI 53701-2984. Include a cover page with the check, which includes the project address, brief description of the project, and contact information.
2. This property is not located within a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. A conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to twelve (12) months from the expiration date.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at sprusak@cityofmadison.com.

Sincerely,

Sydney Prusak
Planner
