"The Beehive Project" by Chele Isaac, was an interactive public art project consisting of a large scale beehive, featuring a queen bee inside typing a story on an old typewriter. The public participated by helping to write the story.

Madison Arts Commission

The City of Madison (MAC) recognizes the unique value of the arts and the contribution they make to the quality of life within our community. Madison Arts Commission was created by ordinance in 1974, to advise the Mayor, Common Council and city agencies on matters which relate to the creation, presentation and funding of public art.
