Focused Interruption Coalition is a grass roots group made up of members of organizations such as Nehemiah: Center for Urban Leadership Development, Breaking Barriers, Mentoring Inc., Voices Beyond Bars, Vision Behind Bars, EXPO, Mellowood Foundation, CSS Learning Center, JMC Business Solutions and the Dane County Boys and Girls Club.

They will be discussing their position as it pertains to the 15-Point Violence Prevention Plan (see attachment in Legislative File No. 36617). The plan is directed toward assistance and support for youth, men and women as they work to address racial disparities, violence prevention, and recidivism in our community.
