Dear Alder Rummel –

This email serves as the official notification to the City that Red Caboose and Movin' Out intend to demolish the existing building on 2340 Winnebago Street, as well as the adjacent two single-family homes at 2311 East Washington Avenue and 2305 East Washington Avenue. The property will be redeveloped to include a mixed-use building with Red Caboose Childcare on the first floor and 36 units of affordable housing above, managed by Movin' Out. We will be submitting a land use application for a zoning map amendment.

Please let me know if you have any questions.

Regards,

Marcus Pearson
