#### Fiscal Note

No significant fiscal impact is anticipated.

#### Title

Amending Section 12.325 of the Madison General Ordinances banning solicitation in the streets to create an exception for activities otherwise authorized under the ordinances.

**Body**

DRAFTER'S ANALYSIS: Although the language is drafted generally to apply to any person who has obtained a Street Use Permit pursuant to Sec. 10.056, MGO, this exception is being proposed specifically to facilitate the MDA Fill the Boot charity fundraiser, and therefore should be considered at the same time as the related Resolution (Legistar File ID No.19843).

The exception proposed in this ordinance may raise broader policy questions for the City to consider, such as how to distinguish between future requests for street use permits for other types of fundraising activities.

Subsection (1) of Section 12.325 entitled "Solicitation on Highway Prohibited" of the Madison General Ordinances is amended to read as follows:

"(1) No person shall be upon or go upon a highway for the purpose of soliciting employment, business or charitable or other contributions of any kind from the occupant of any vehicle unless such person shall have obtained a Street Use Permit pursuant to Sec. 10.056, MGO, or other authorization under these ordinances."
