Chair Gnam and Plan Commission Members:

Smart Growth Greater Madison invites you to register for our program on Friday, May 30, 2025:

Building Blocks: The Housing Development Process and Financing

This program is primarily for local government elected and appointed officials and staff in Dane County. The program explores how for-profit and nonprofit organizations develop new market-rate multifamily housing, "affordable" and "workforce" multifamily housing, and residential subdivisions.

I have attached the agenda for the program. Below is a link for more information and to register. The registration fee is \$60. The program includes breakfast and lunch.

 <https://www.eventbrite.com/e/building-blocks-the-housing-development-process-and-financing-tickets-1329045935169?aff=oddttdtcreator>

You can register for this program using the link above. Or if your municipal government would prefer to pay for your registration by check, please send me an email at bill@smartgrowthgreatermadison.org indicating the names of the people with your municipality who want to register and the email address to which I should email and invoice, and I will register the listed people and email an invoice for the registration fee.

Due to limited space, no more than six people from any municipality may register for this program.
