Introduction:

The proposed site, Lots 2 & 3 of the Royster Corners Plat, is located on the corner of Cottage Grove Road and Dempsey Road. The site is zoned TE. The proposed development plan will create a mixed-use building that will feature attractive architecture, landscaping, and amenities that will support the immediate neighborhood.

Project Description:

The new building will be four stories tall and will contain 89 apartment units above approximately 40,000 square feet of commercial space on the first floor. There will also be 104 enclosed parking spaces.

The building façades includes changes in color, texture and material with high-quality façade materials. The exterior materials will be a combination of masonry and metal paneling with a cast stone base. Vehicular access to the site is achieved from Dempsey Road, Pinney Street, and Royster Oaks Street, providing access to the surface level parking and lower level enclosed parking.

Conditional Use

With this application we are requesting a conditional uses for a Mixed Use Building with both Commercial and Multi-family uses. We believe that this development maintains the orderly development pattern set out by the neighborhood plan and the zoning code and that the conditional use standards can be met.

The proposed development will provide surface parking, activate the streetscape, and bring additional amenities to the Royster Corners area neighborhoods.

Site Development Data:

Densities:

Lot Area in S.F.	162,579 S.F.
Lot Area in Acres	3.74 acres
Dwelling Units	89 DU
Commercial Space	40,000 S.F.
Lot Area / D.U.	1,826 S.F./D.U.
Density	24 units/acre
Open Space	33,439 S.F.
Open Space / D.U.	375 S.F./D.U.
Lot Coverage	119,199 SF (73% of total lot)

Vehicle Parking:

Surface:	185 stalls
<u>Underground:</u>	<u>104 stalls</u>
Total	289 stalls

Bicycle Parking:

Garage	90 stalls
<u>Exterior Surface</u>	<u>94 stalls</u>
Total	184 stalls
