

Common Council Chief of Staff Updates 10/30/18

Mayor's Neighborhood Conference 2018

I was asked by Jule Stroick, along with Council Vice President Carter, to participate in the Mayor's Neighborhood Conference 2018, representing the Council Office. I am soliciting any feedback or ideas as we identify how I can be of value at the conference (other than discussing community engagement and outreach).

Survey on Council Services

I plan to develop an alder survey in the near future concerning the services we provide in the office. In anticipation of a new Legislative Analyst, I want to develop a baseline on services, how we can improve our service to alders and identify any gaps in service.

New Alder Orientation 2019

I plan to develop a document for new alder orientation and will be soliciting input from alders as well.

Legislative Analyst Update

- Human Resources referred twelve (12) candidates to be interviewed
- Interviews will occur the week of November 5th
- Tentative hire: Week of November 19th
- Tentative Start: Week of December 3rd
