Subject: MintMark, 7/19 ALRC meeting

Dear ALRC and City Licensing,
I am a neighbor of MintMark and my property is located behind their property. I want to let the ALRC know that the owners of MintMark have attended the SASY neighborhood association meeting and held a separate meeting with neighbors in the immediate vicinity.

The owners have been receptive to neighborhood feedback and are good partners. I support their request for a Class B combination Liquor and Beer license at 1929 Winnebago street.

Sincerely,
Yogesh Chawla
