**Subject:** Suspension on Summons for A Place for Friends

Hello:  
As the Council members may know, they sponsored a resolution that authorizes the City Clerk to issue a summons for the owner of A Place for Friends to appear before the ALRC to respond to the City Attorney's Complaint. The Council referred this issue to the ALRC and it is on the ALRC agenda for Wednesday. The ALRC would make a recommendation to the Council and then the Council would not be able to act on it until December. Last week, after a period of few incidents, two major incidents occurred at this establishment. In light of those incidents, I am asking that the rules be suspended and that the summons be approved at next Tuesday's Council meeting, in order to speed up the disciplinary process. I have asked Tammy Peters in the Council office to place this matter on Tuesday's agenda. If the authors of the resolution or the Chair of the ALRC object to removing this from the ALRC and seeking immediate Council action next Tuesday, please let me know. Thank you.
